

*N-No, I'm sorry, Leona. I tried to shield you from the dangers around you, but the situation is dire now...*

*I've just received news that your location was leaked... and that someone will try to kidnap you in the next few days.*

*Thankfully, they still think you're a boy... but that disguise has one fatal flaw...*

*W-What flaw?!*

*It's your voice, Leona. You still sound like Leon. They'll be highly trained, and even if your disguise fools them, your voice won't.*

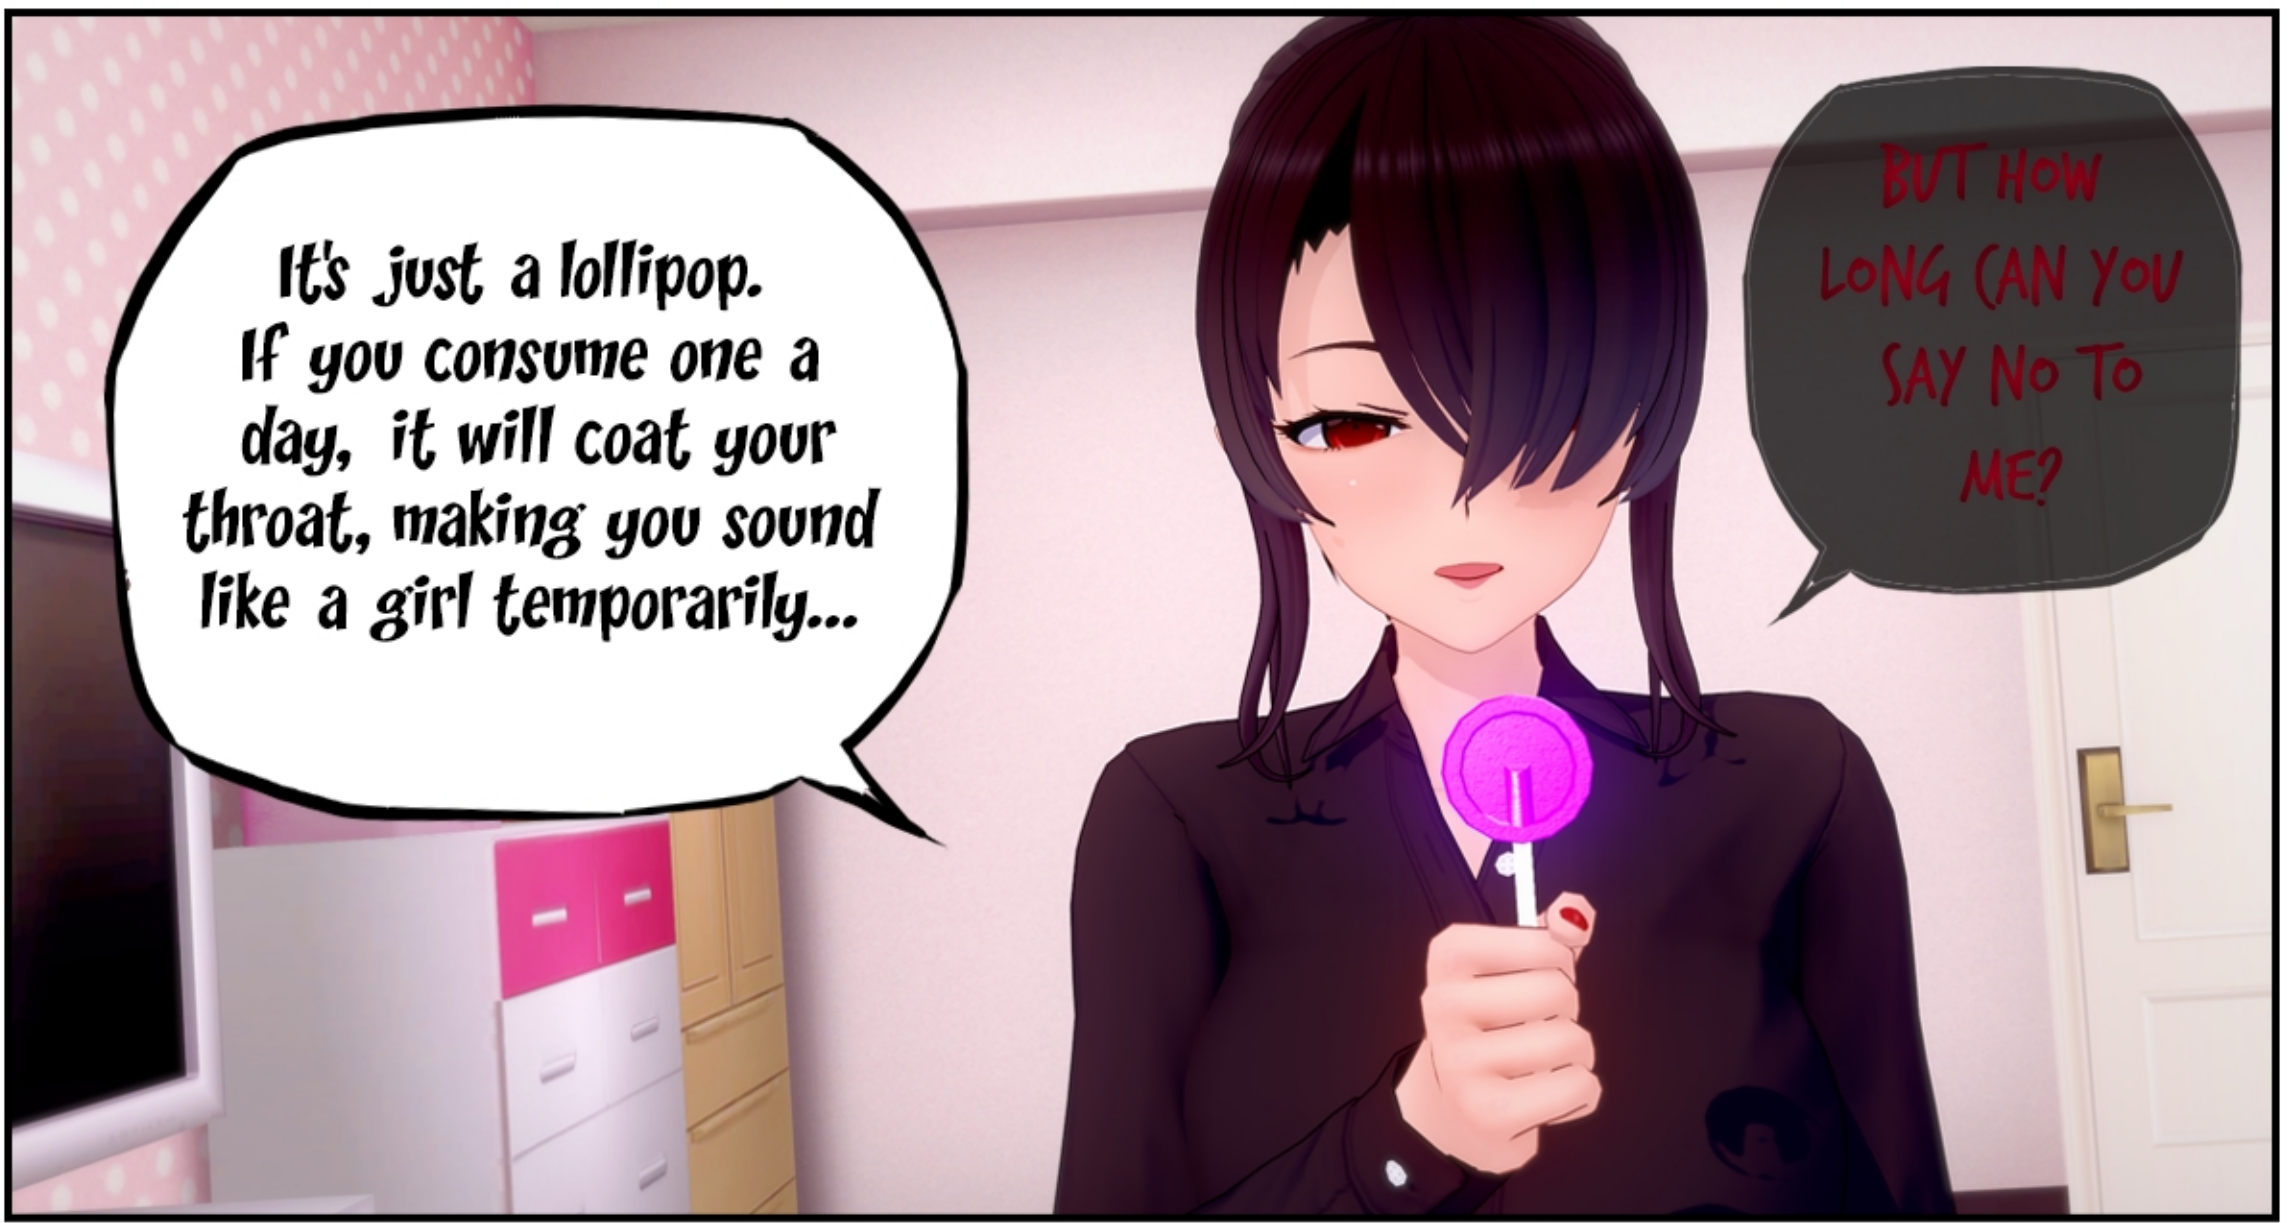

I... I'M  
SORRY FOR  
SHOUTING...

SHE HAS MORE  
BACKBONE THAN  
I THOUGHT.

It's just a lollipop.  
If you consume one a  
day, it will coat your  
throat, making you sound  
like a girl temporarily...

BUT HOW  
LONG CAN YOU  
SAY NO TO  
ME?

If it's just  
my voice but...  
Gah... It's only  
temporarily...

Fine... but  
only lollipops  
nothing more

It's temporary unless  
you take them every day.  
Then, they won't just  
change your voice...

I promise I won't  
ask you to take  
anything else from  
now on.

later...

la! la! la! la! la! la! la!

THROB!

They're hurting again...

Wait... It's not my breasts... Then...?

That's weird I don't remember hurting that area...

THROB! THROB!

Did I  
accidentally  
hit them?

**EH!**

W-WHY IS  
IT BRUISED!

Suck!  
suck!

I. I'll  
just finish  
this and go  
to sleep.

It should be fine  
in the morning...

3 Hours Later...

Creak....

**Ka-Chik!**

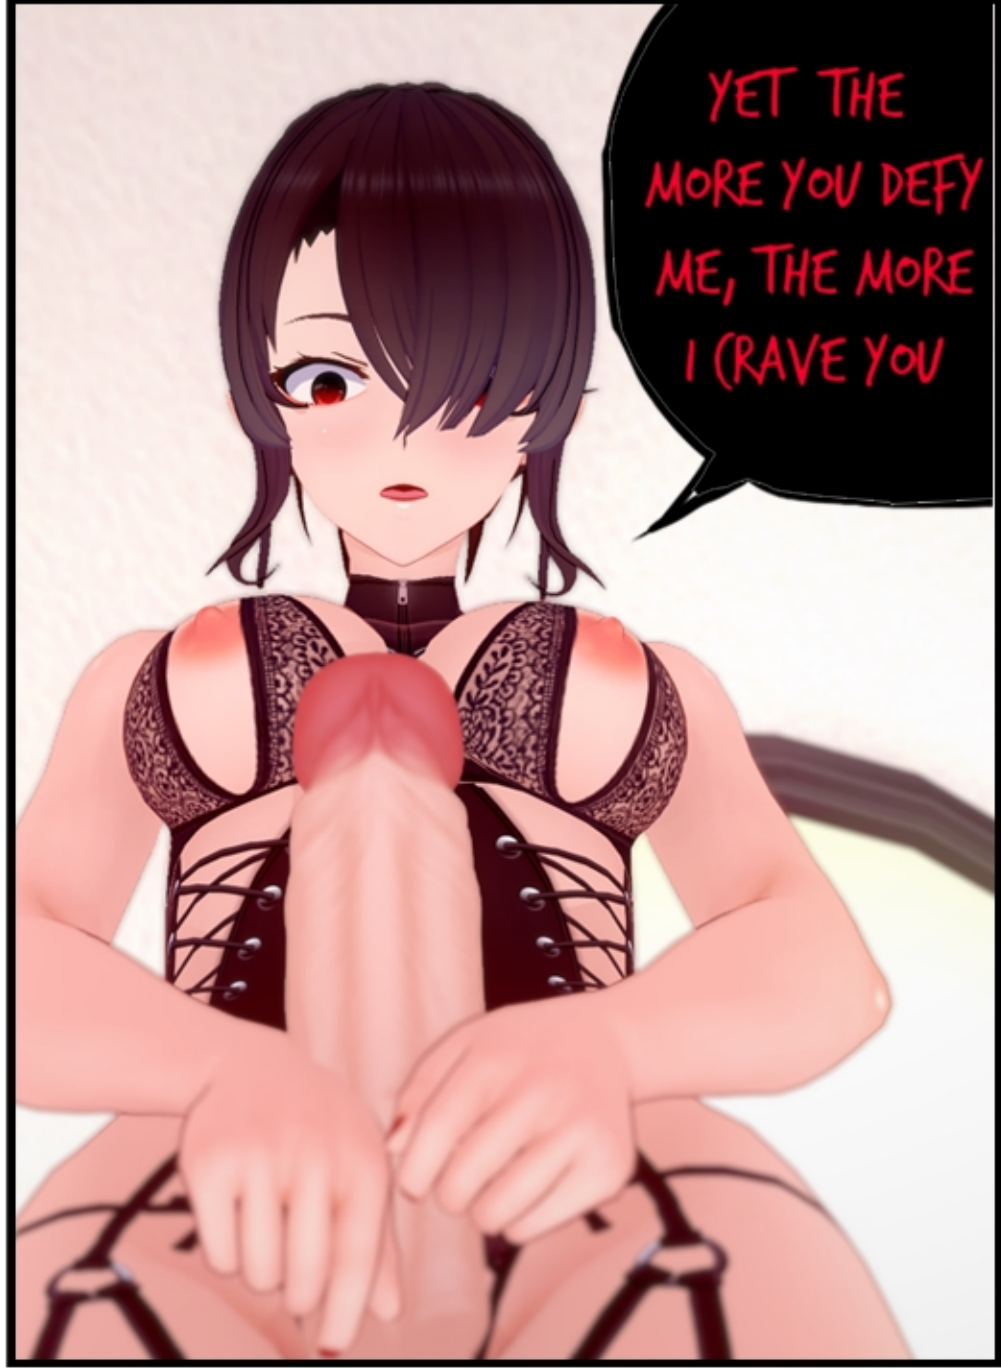

**OH, HOW YOU  
TEASE ME,  
LEONA.**

**YOUR DEFIANCE  
WAS CUTE AT FIRST,  
BUT NOW IT'S  
REALLY STARTING  
TO INFURIATE  
ME.**

**YET THE  
MORE YOU DEFY  
ME, THE MORE  
I CRAVE YOU**

AT THIS RATE, YOUR  
CHANGES WILL BECOME  
PERMANENT

WOULDN'T  
THAT BE NICE?
