

BED-BOXING SUPER SERIES QUARTERFINAL #1:

"RAZOR" REBECCA WALTERS

VS.

**BROOKE
"THE BLONDE BLEEDER"
HATLEN**

IN...

*"It's a good
thing these sheets
are red."*

ROUND 1:

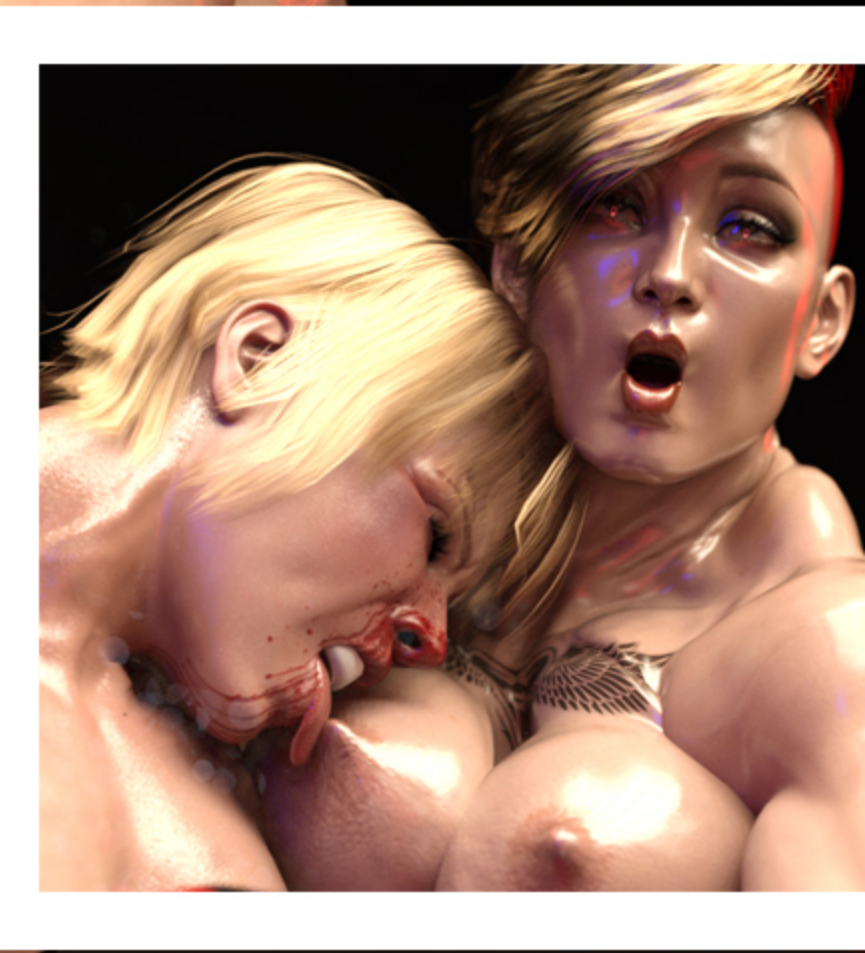

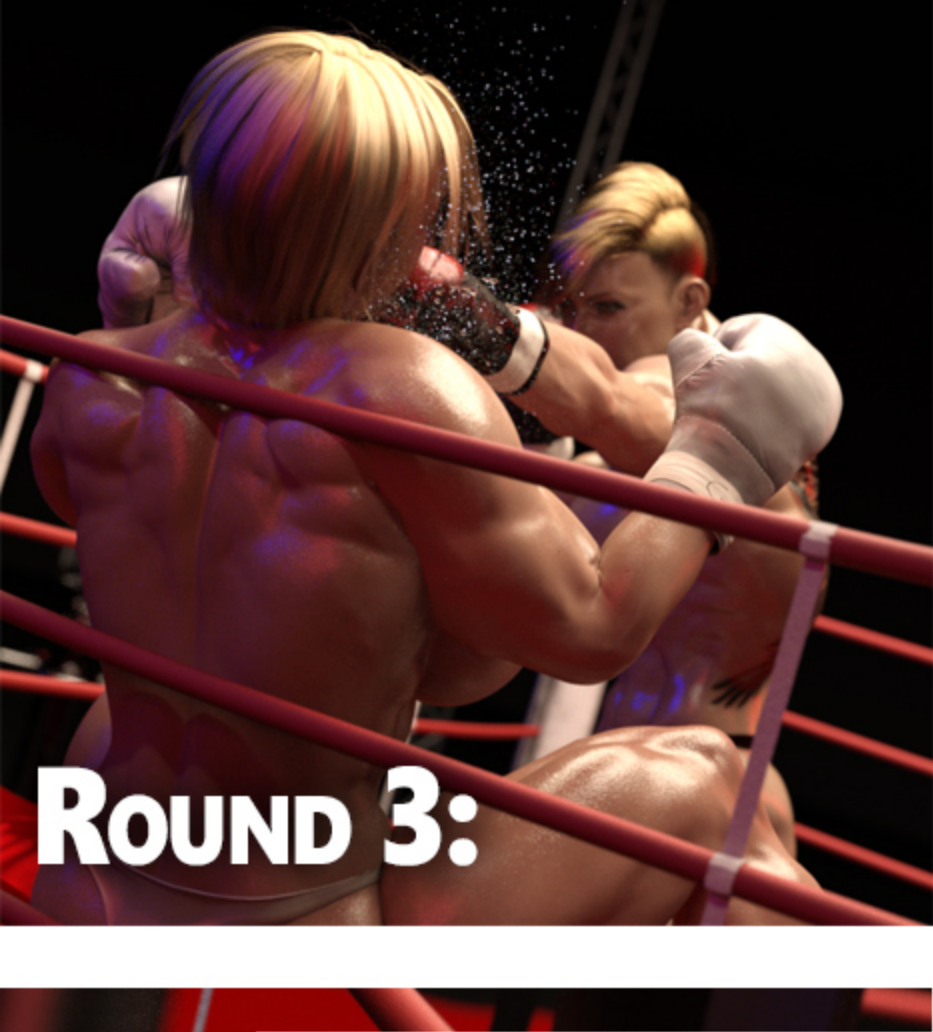

OOOH! We're only a minute into the first round, but "Razor" and "The Bleeder" are both living up to their nicknames!

Walters has Hatlen's arms trapped behind her back, and starts to break her down with puppy-pounding left hands!

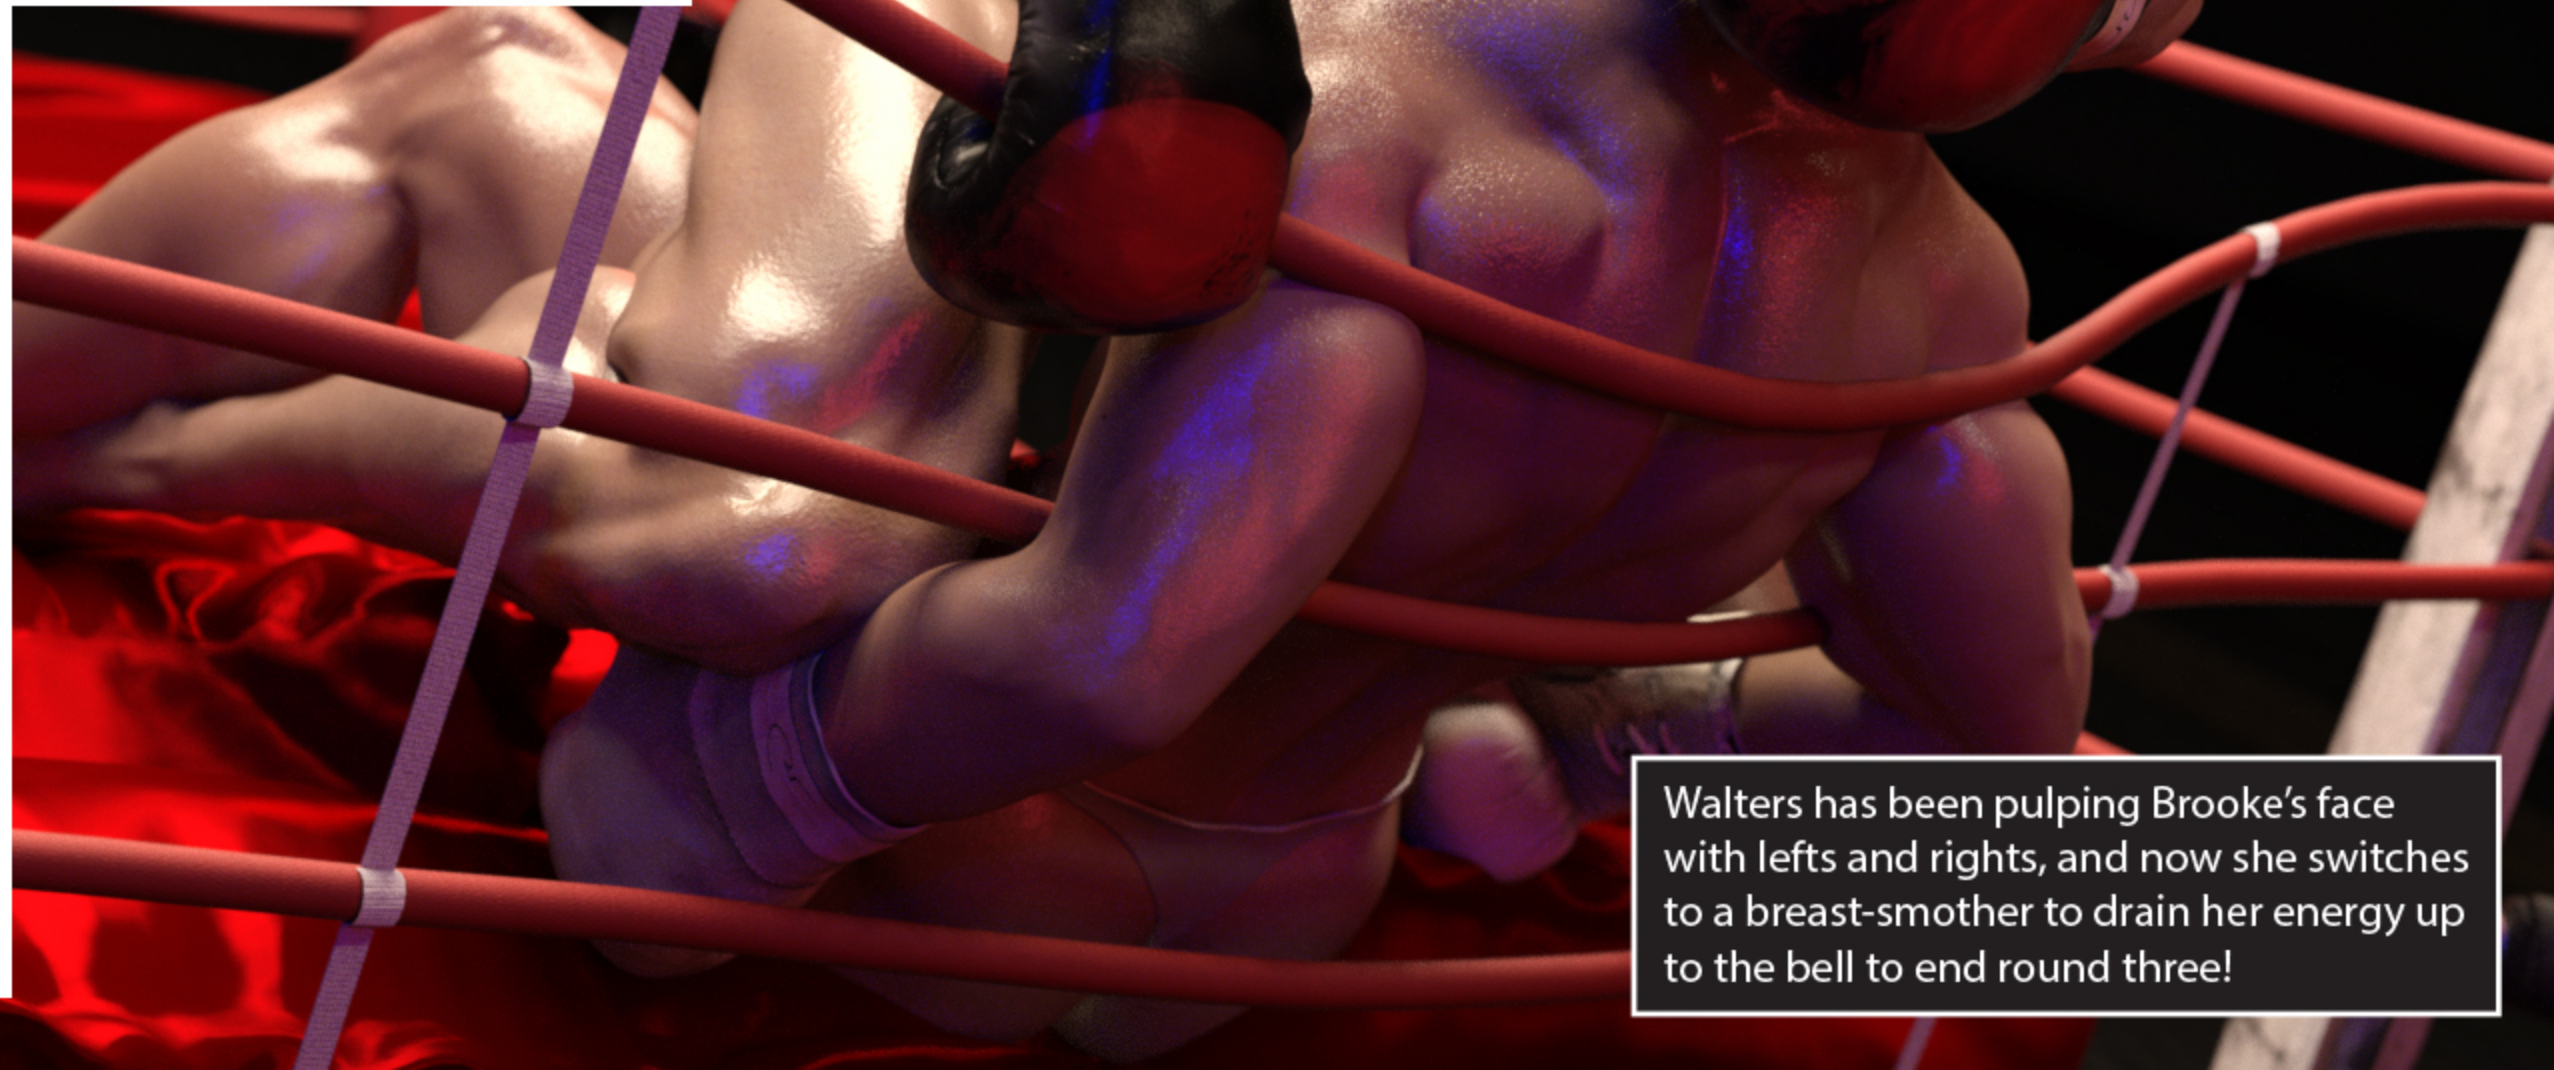

But Brooke's doing her best to keep Razor from focusing on punishment with some creative tongue-work!

ROUND 3:

Walters has been pulping Brooke's face with lefts and rights, and now she switches to a breast-smother to drain her energy up to the bell to end round three!

ROUND 4:

Not known for having a very sexual fighting style, Walters is looking to make a statement to the other fighters in the tournament...

...Using some knocker-slobber and below-the-belt glove work to see if she can get an orgasm or 2 before the final K.O.!

Brooke's not bothering to come out from her corner, just waving Walters over instead...

...And she's happy to oblige!

That may have been a mistake!

Oh, wow! Hatlen gets that forearm underneath the jaw...

...And has Walters locked in a guillotine choke that lasts the rest of the round!

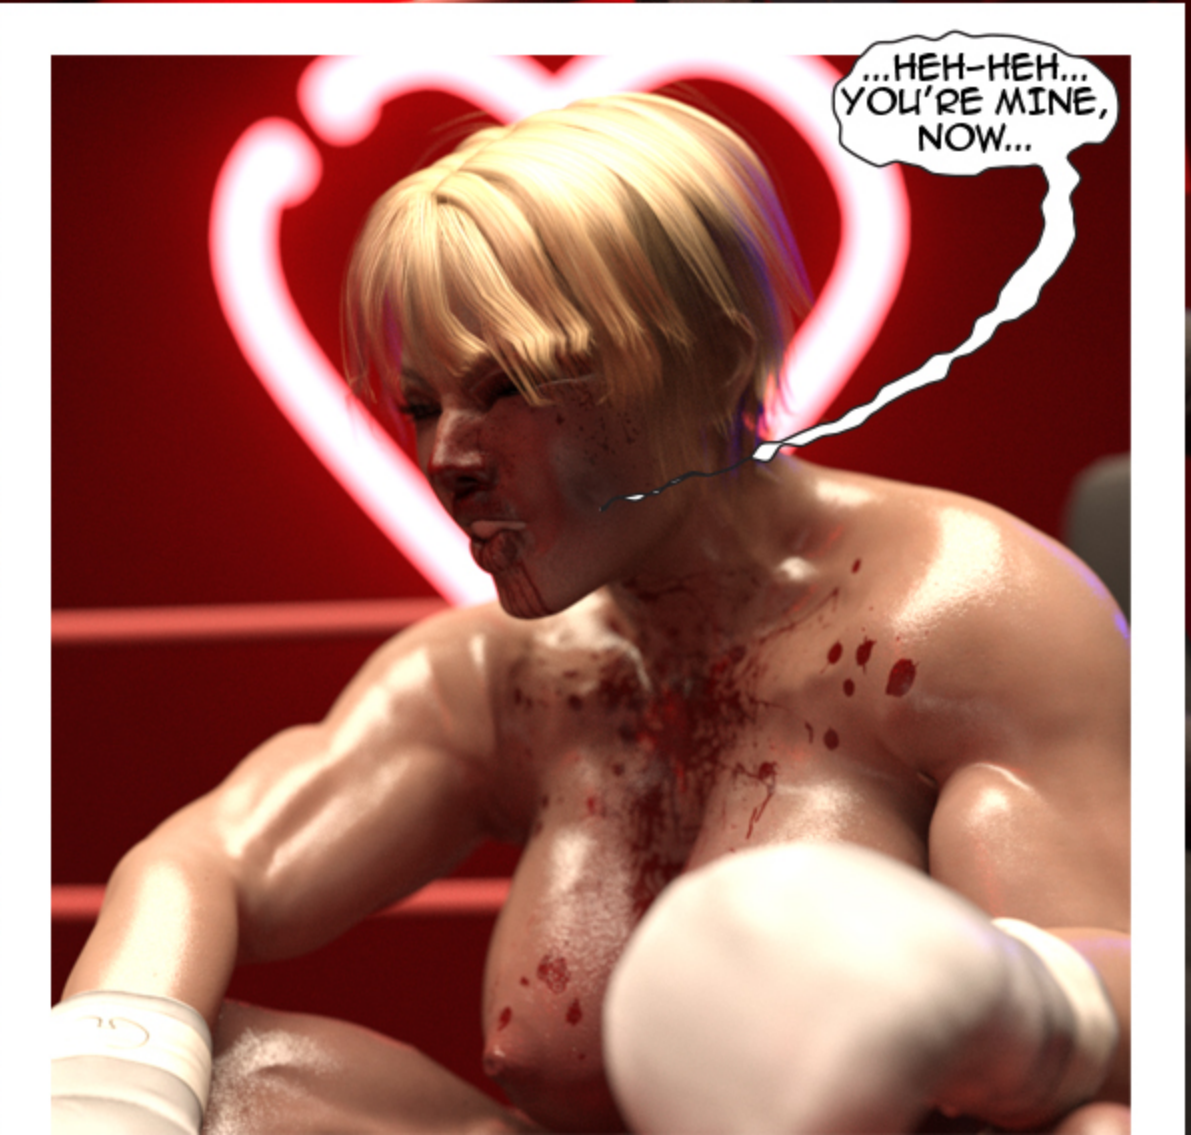

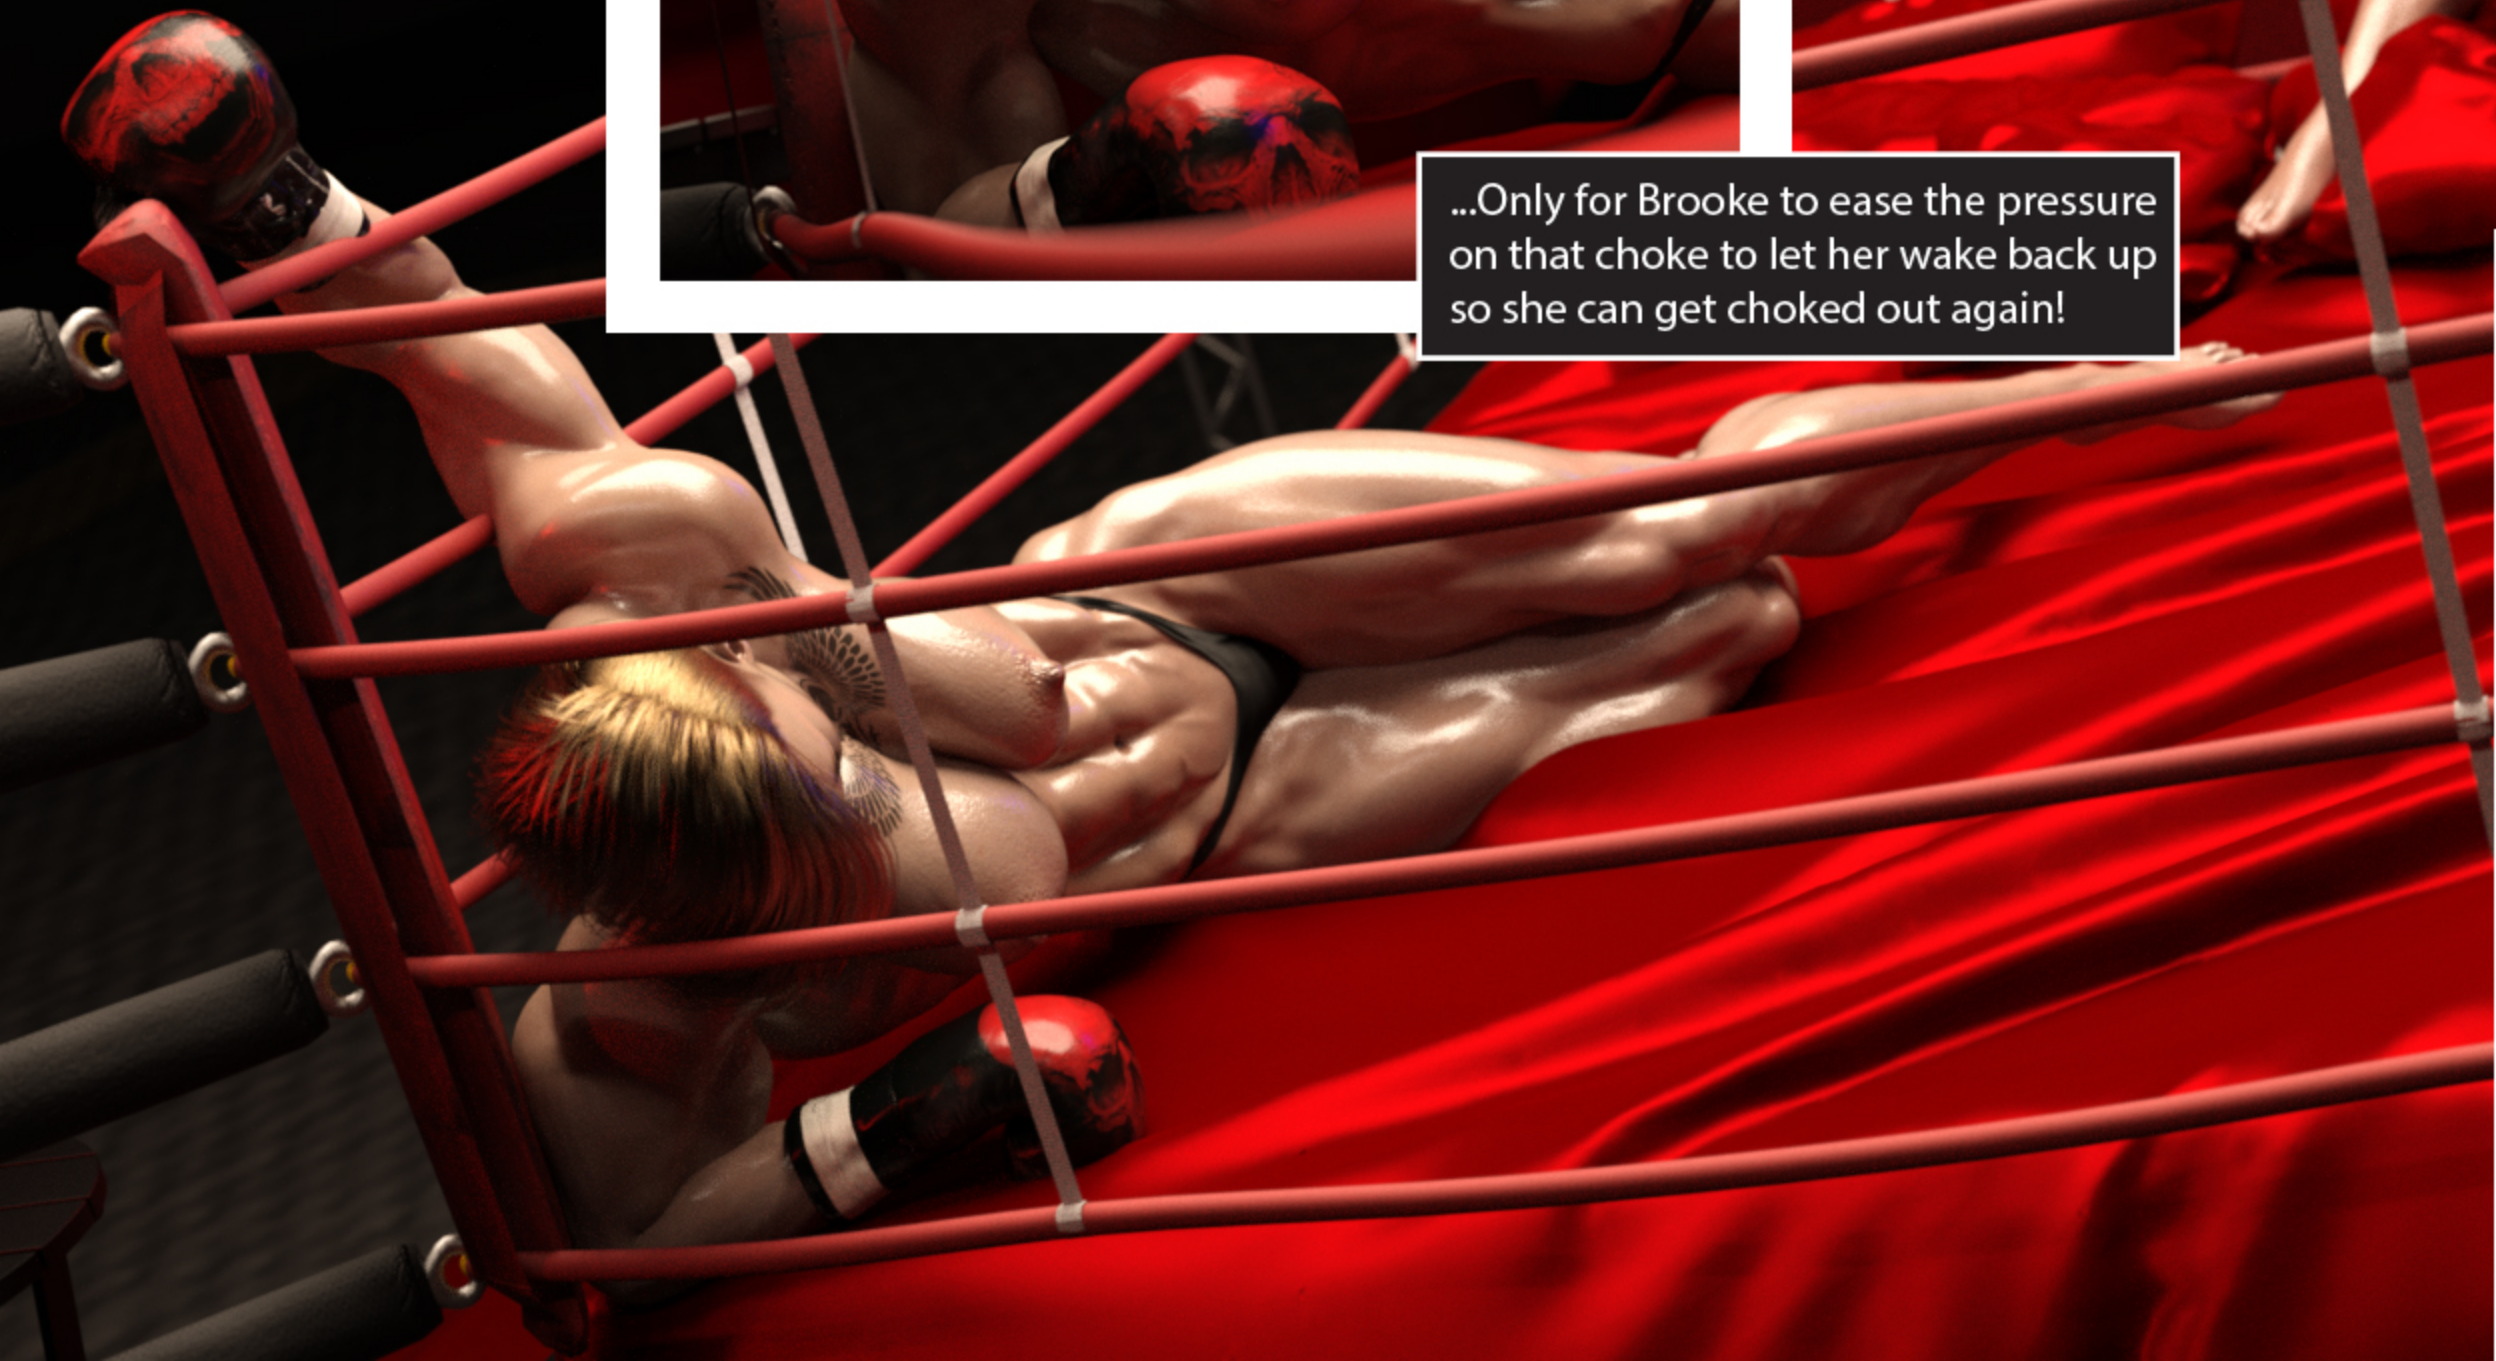

DINGDINGDING

Walters is barely conscious... I think she may have actually been knocked out a couple of times in the last round...

OHHH...

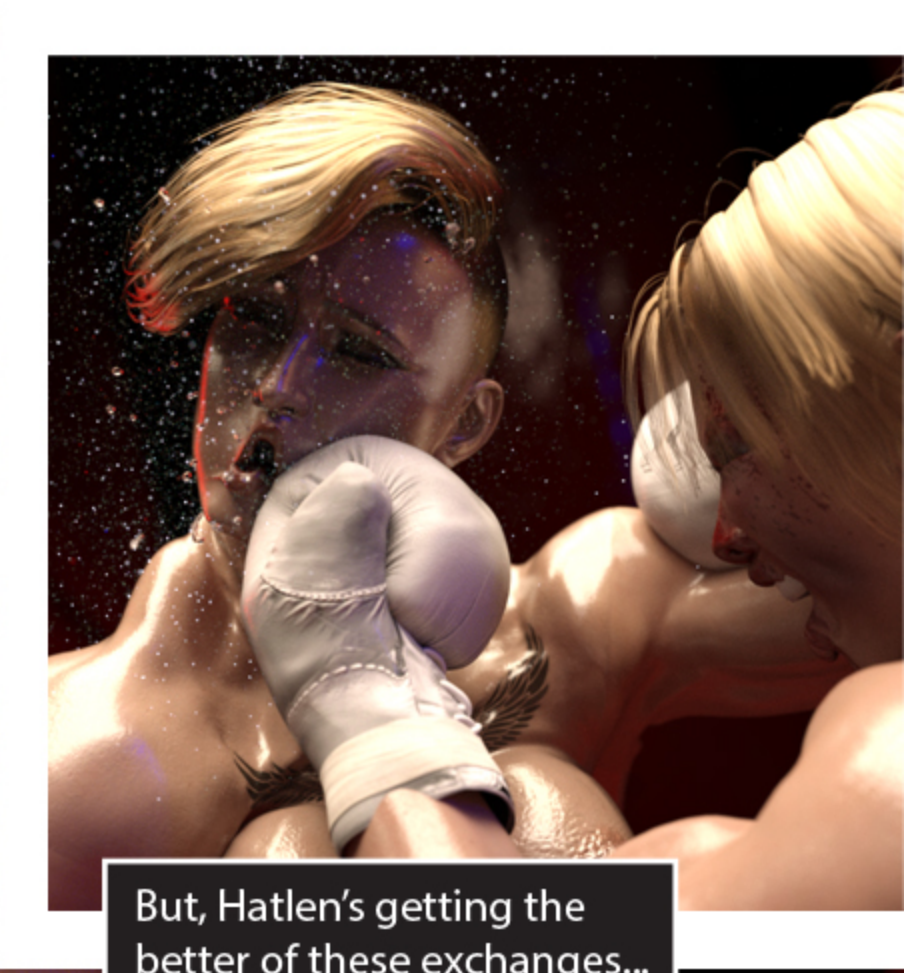

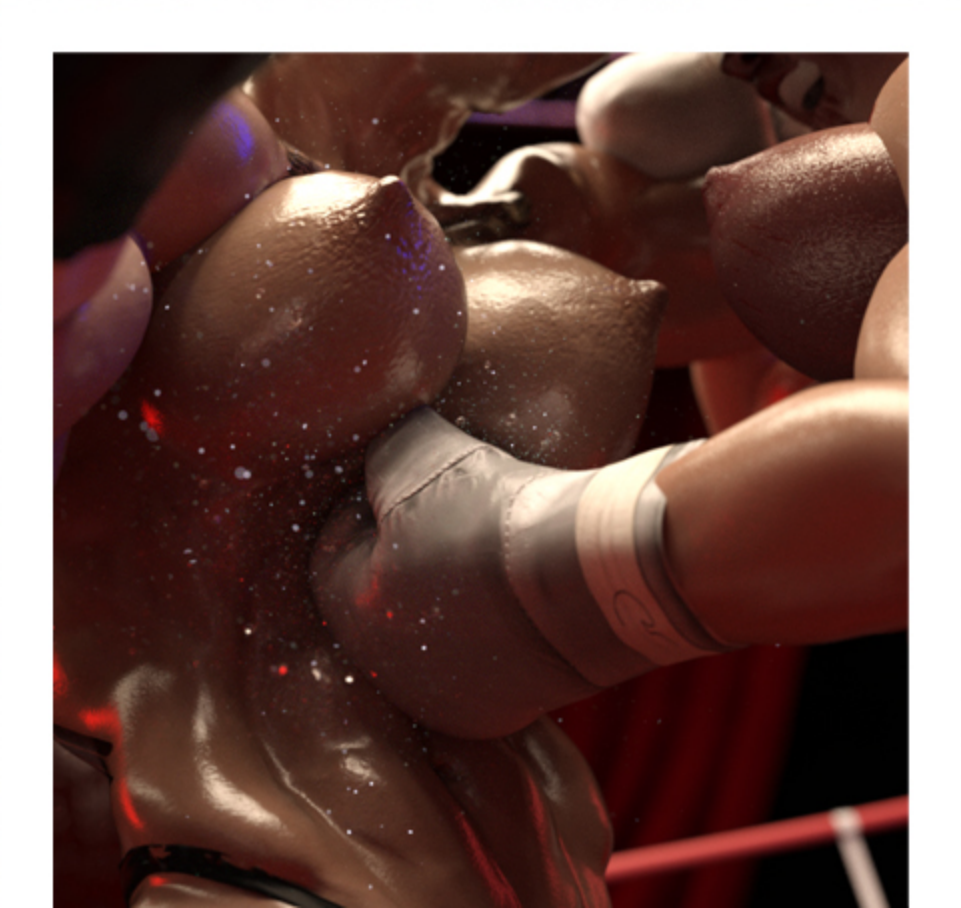

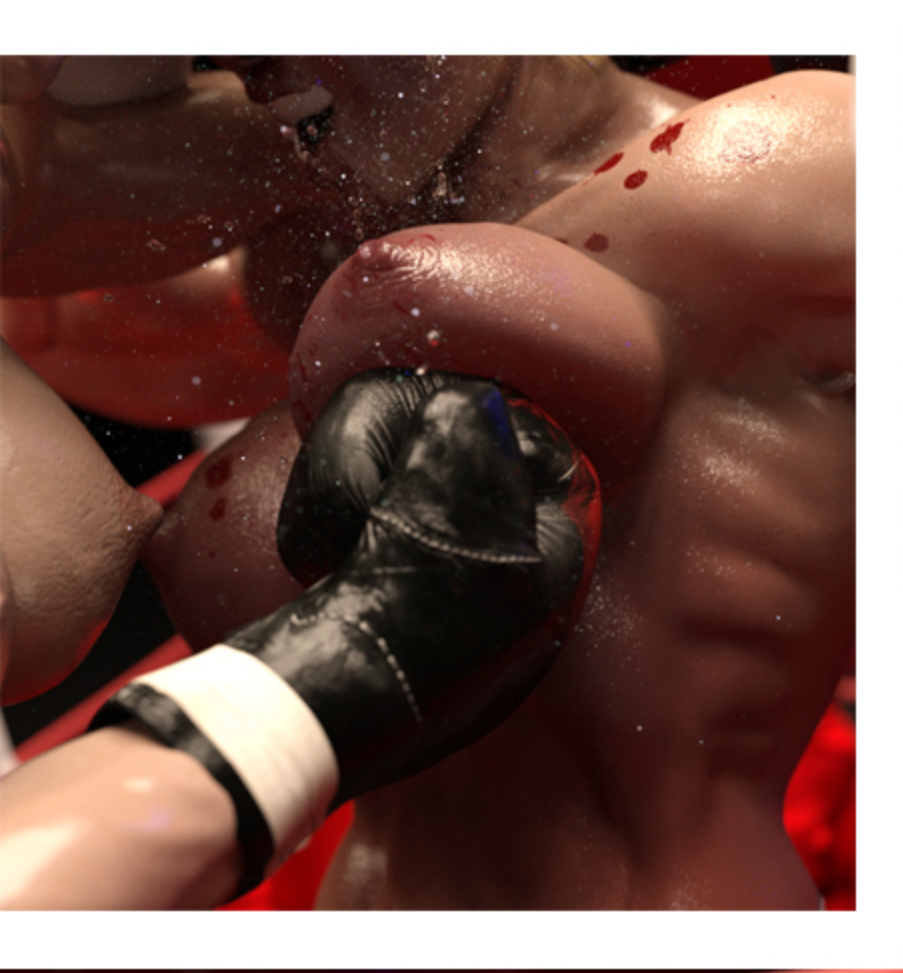

...Only for Brooke to ease the pressure on that choke to let her wake back up so she can get choked out again!

...HEH-HEH... YOU'RE MINE, NOW...

ROUND 5:

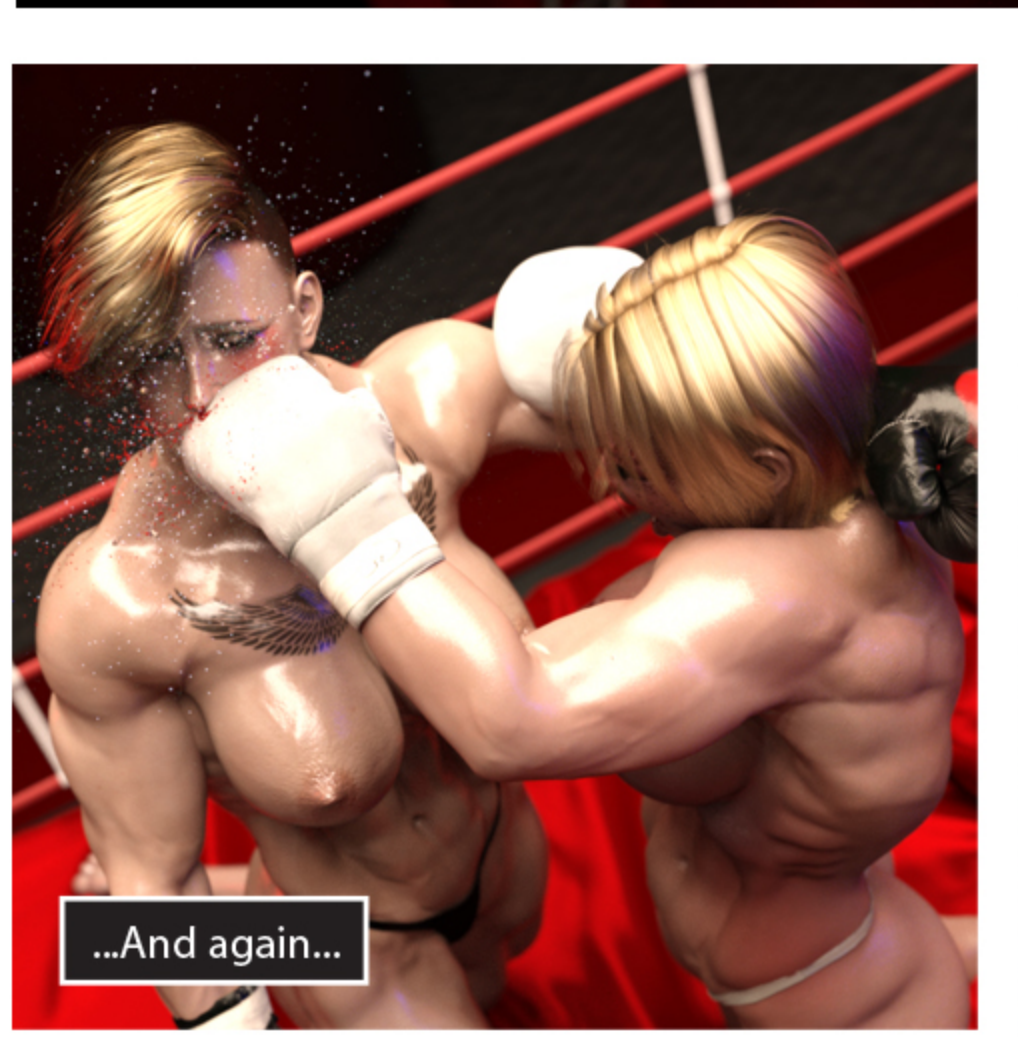

They're head-to-head and trading shots in the center of the bed!

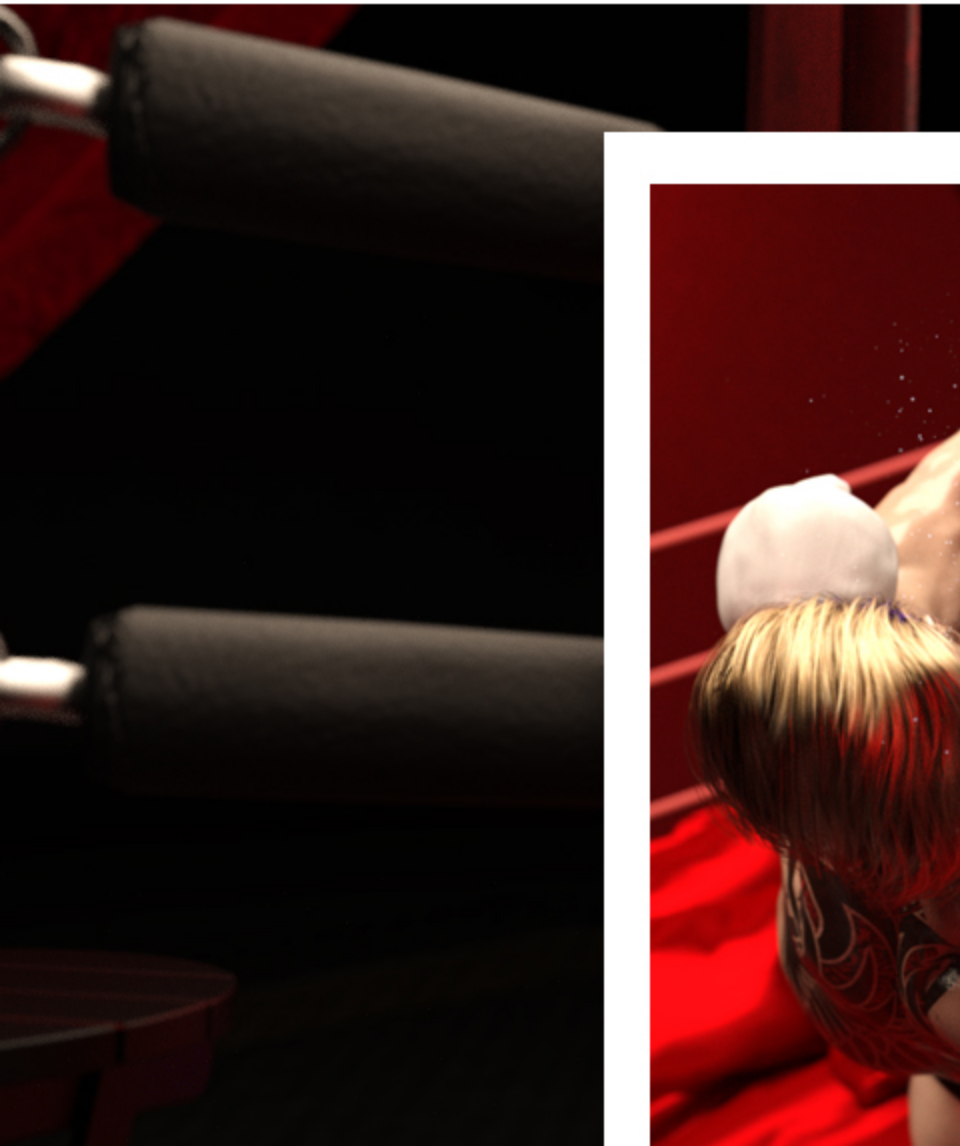

But, Hatlen's getting the better of these exchanges...

Again...

...And again...

...And again!

And Razor is out! Brooke Hatlen moves on to the tournament semifinals!

END.
