The corrupted Miku looks down at Chris with a smug grin.

It is time!
I hope your jock side is more obedient and delicious since your IQ will be mush!

A red magic beam lances out from her extended finger, but a protective blue shield surrounds Chris as he sits up.

What the hell!?

Ahhh!

BRZZZT!

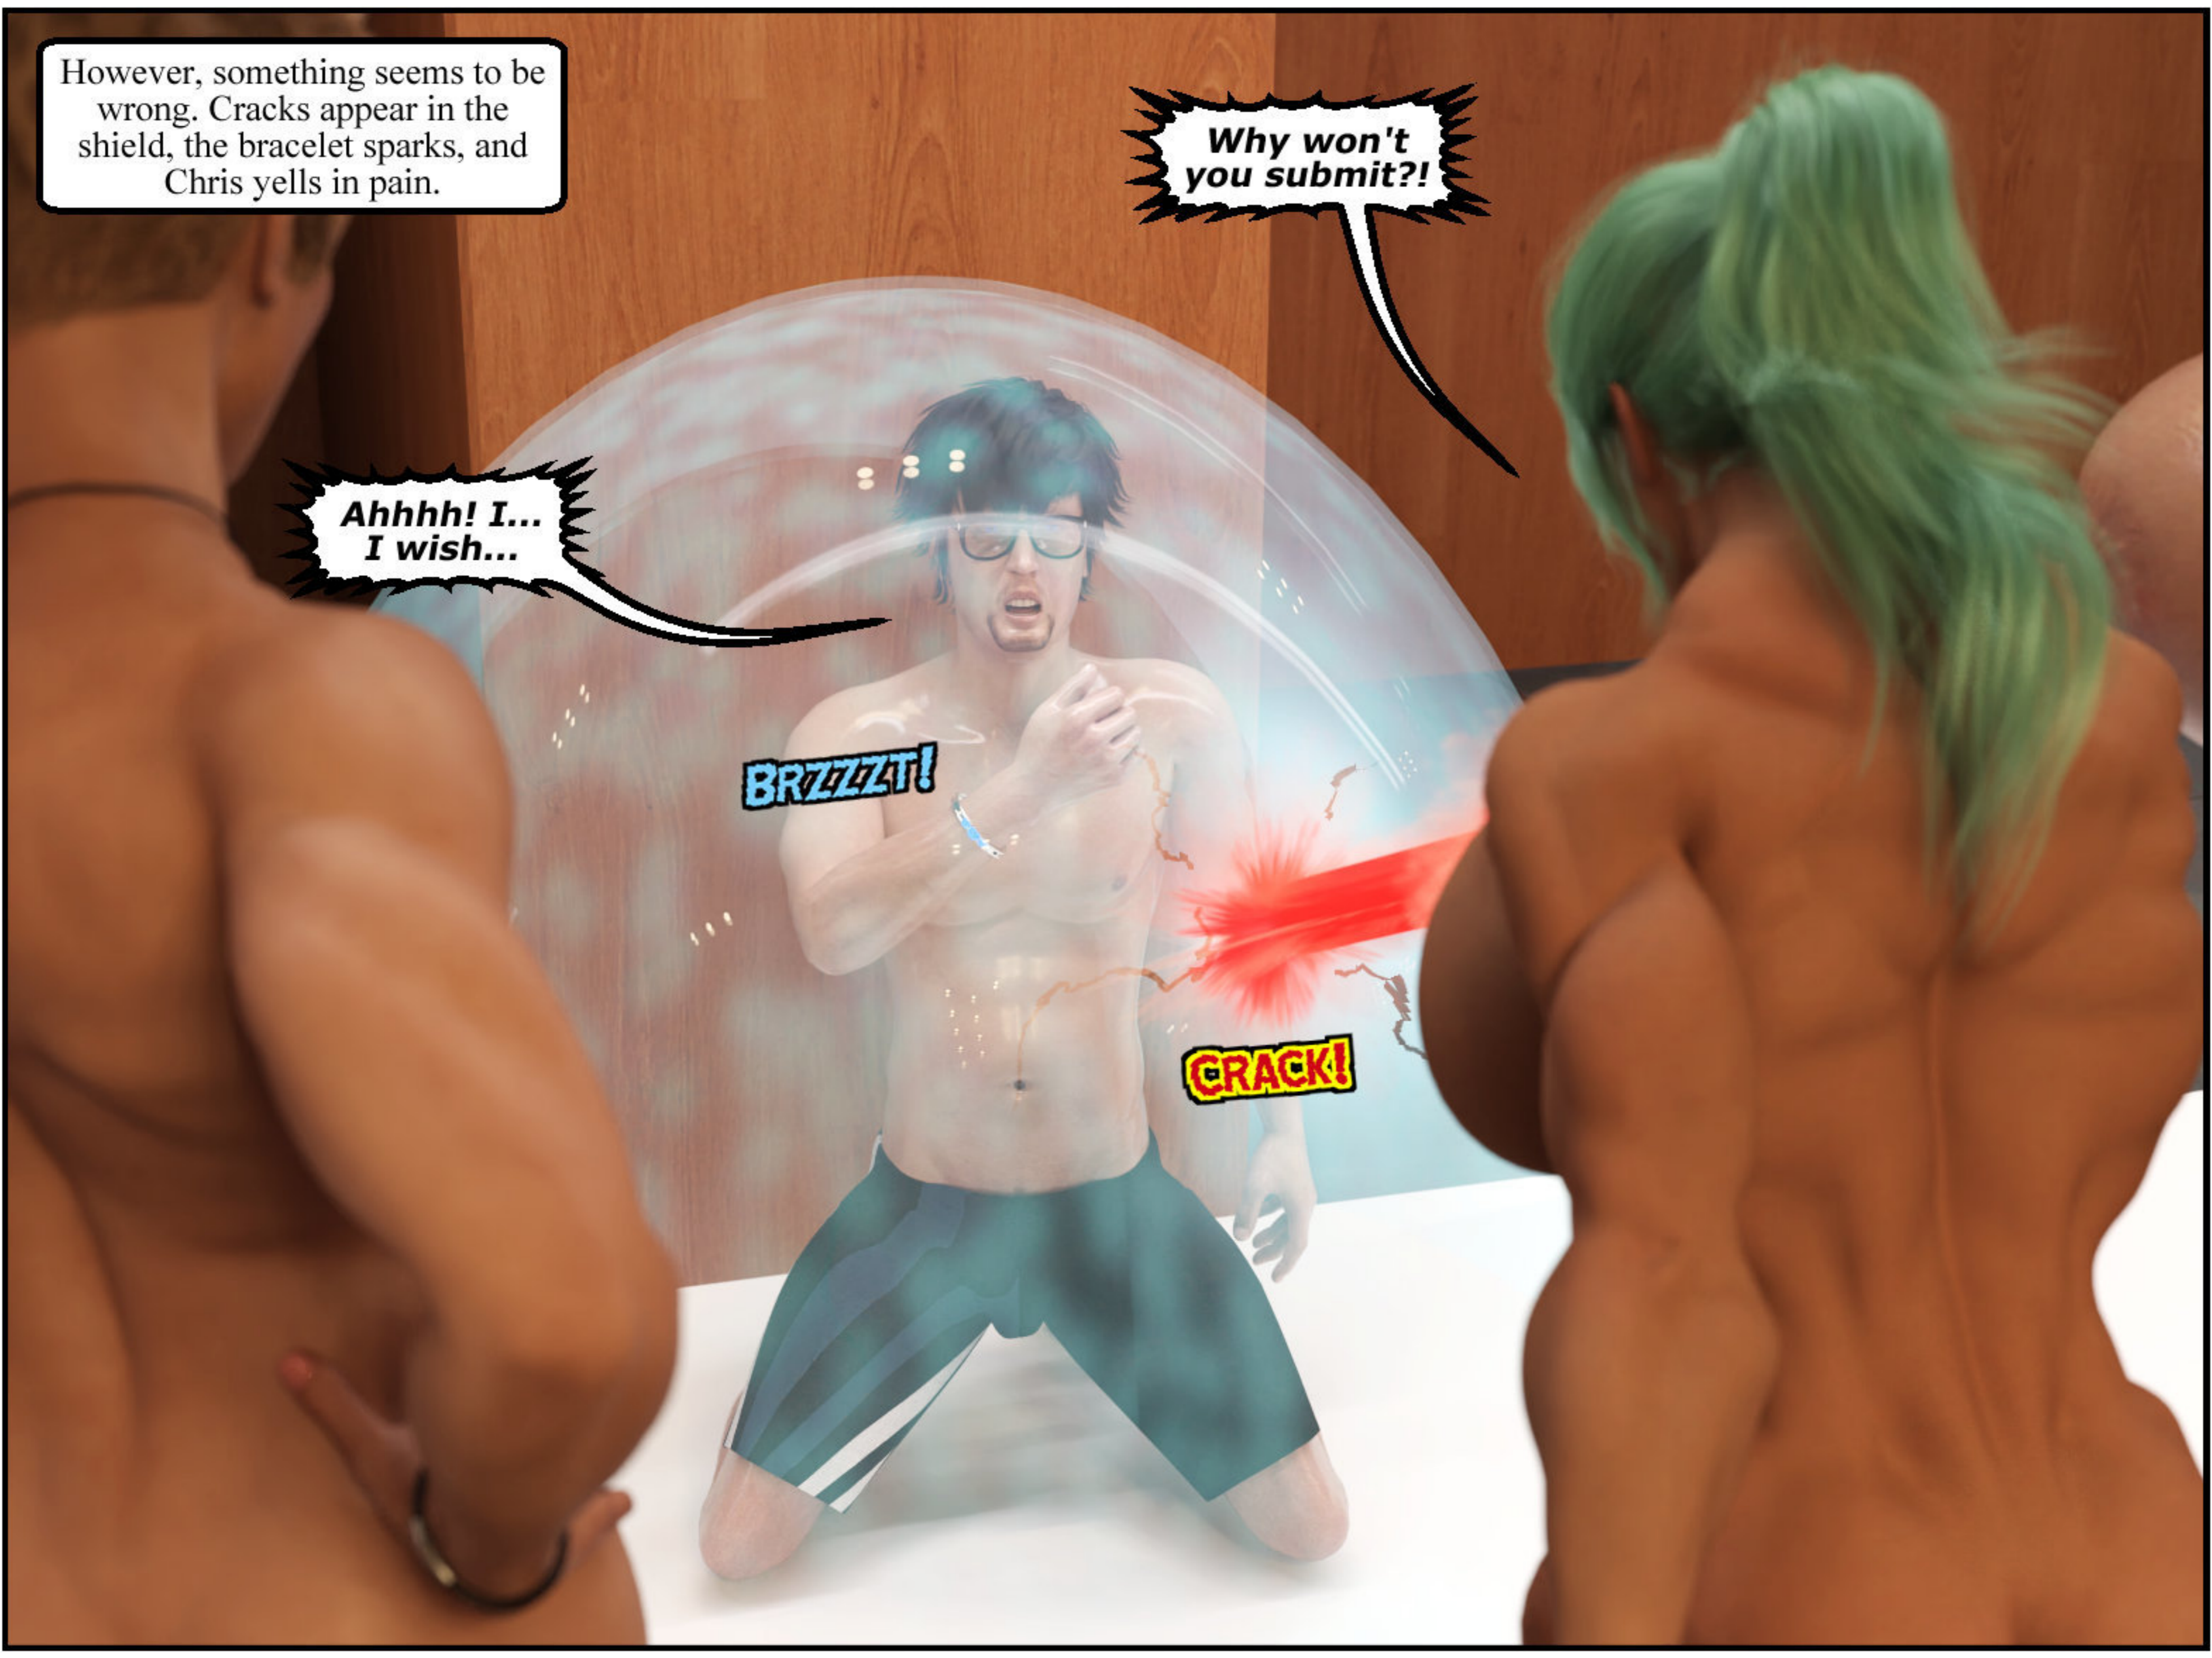

However, something seems to be wrong. Cracks appear in the shield, the bracelet sparks, and Chris yells in pain.

Why won't you submit?!

Ahhhh! I... I wish...

BRZZZT!

CRACK!

He desperately shouts out a wish before it is too late, and the shield explodes outward in a wave of blue magical energy.

I wish everyone in the class was transformed back to normal with the events erased!

CRACK!

The blue shockwave begins to rapidly expand outward, and Brian and Mel head for the hills like true men.

Holy Shit!

**Run for it!
Leave the bitches
behind, dude!**

Like, come on!
We have to
run away!

Good idea, but do me a favor, sweetie, and slow it down for me.

What!?

Shove!

Why!?

ENGULF!

Shit,
I think
it got one of
the bitches
behind!

Almost
there!

Wow!
That sucks,
because--

A comic panel showing a close-up of a person's legs in a gym. The person is standing on a dark grey rubber mat. Their right leg is raised and bent at the knee, with the foot resting against the left leg. A speech bubble from the right leg says "You fucking pussy!". A speech bubble from the left leg says "I was going to do that too!". A yellow and red "Trip!" text is placed on the right leg. The background shows gym equipment and a dark floor.

I was going to do that too!

You fucking pussy!

Trip!

So fucking dead once I catch up to you, Brian! You can kiss that frat idea goodbye!

Move slowpoke!

Gah!

Stomp!

ENGULF!

Nooo!

**What are you
doing? Open
the door!**

**I'm trying,
but it's stuck!**

Oh,
hell no, I
am not going out
like a wimp!
Come here!

Hey!
What are
you... Mmph!...
doing!?

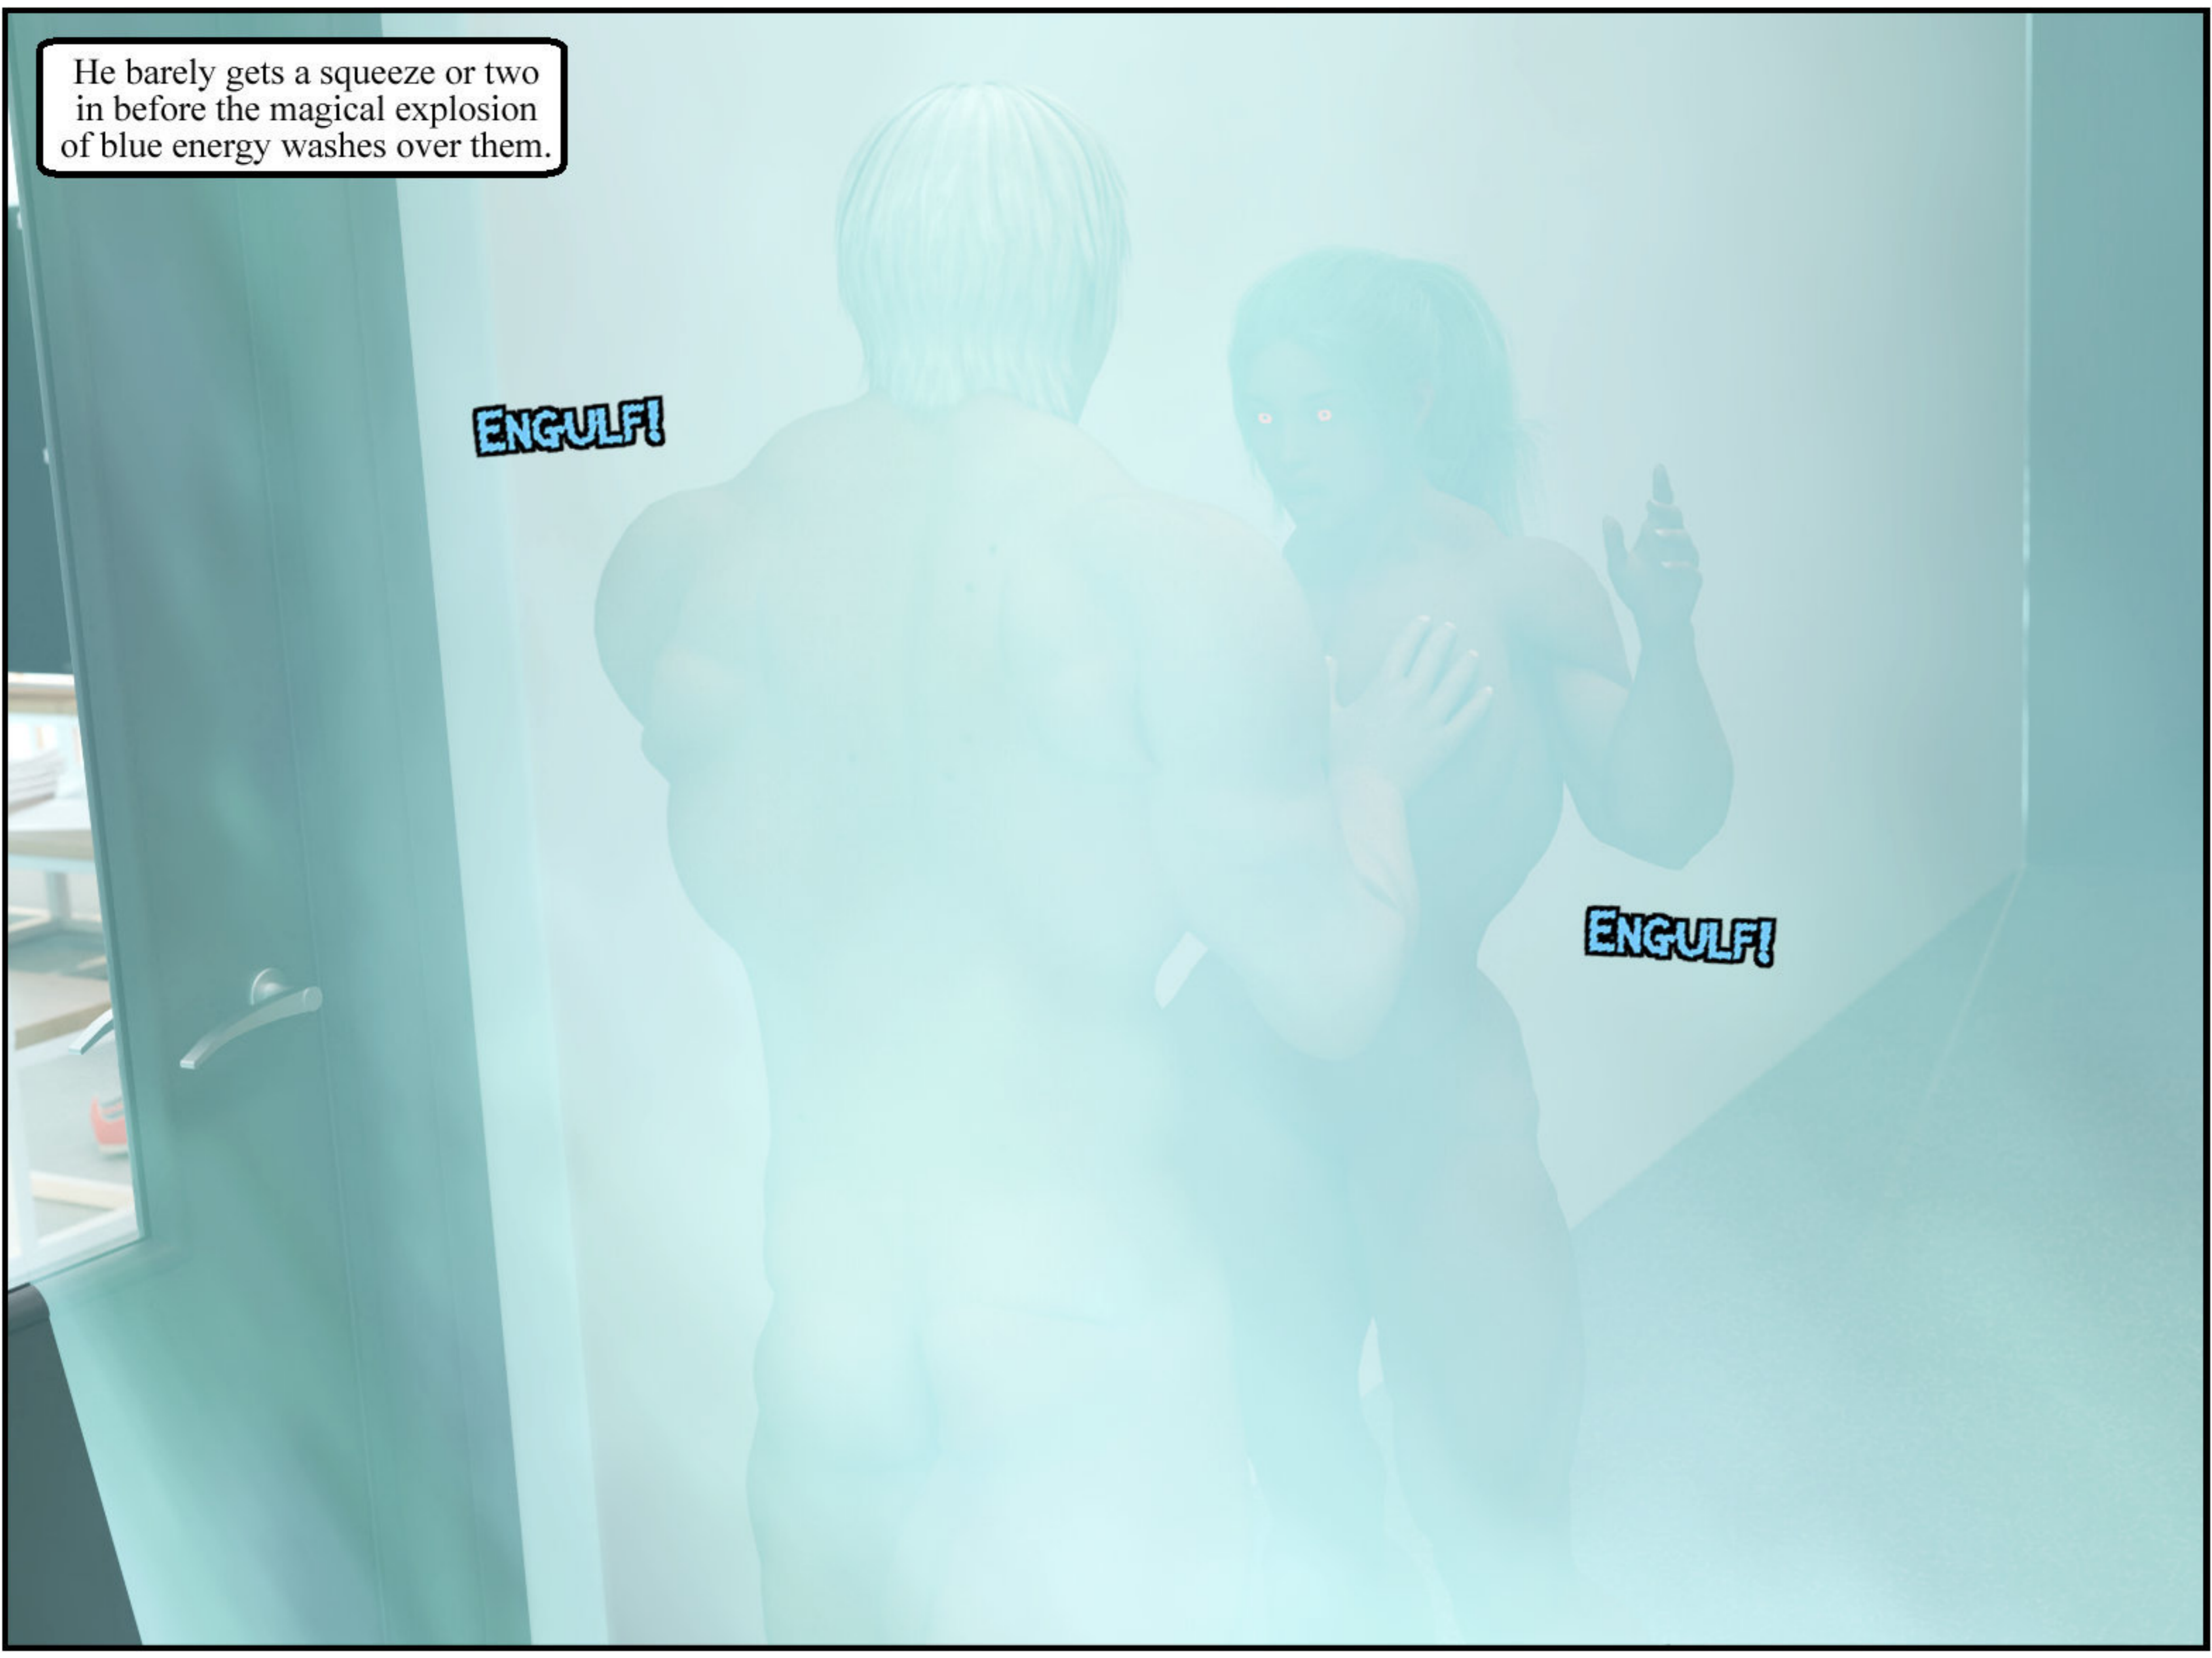

Grope!

With the wave rapidly closing in,
Brian decides that he wants to go
out like a happy idiot and turns to go
get one last boobie grope in.

He barely gets a squeeze or two in before the magical explosion of blue energy washes over them.

ENGULF!

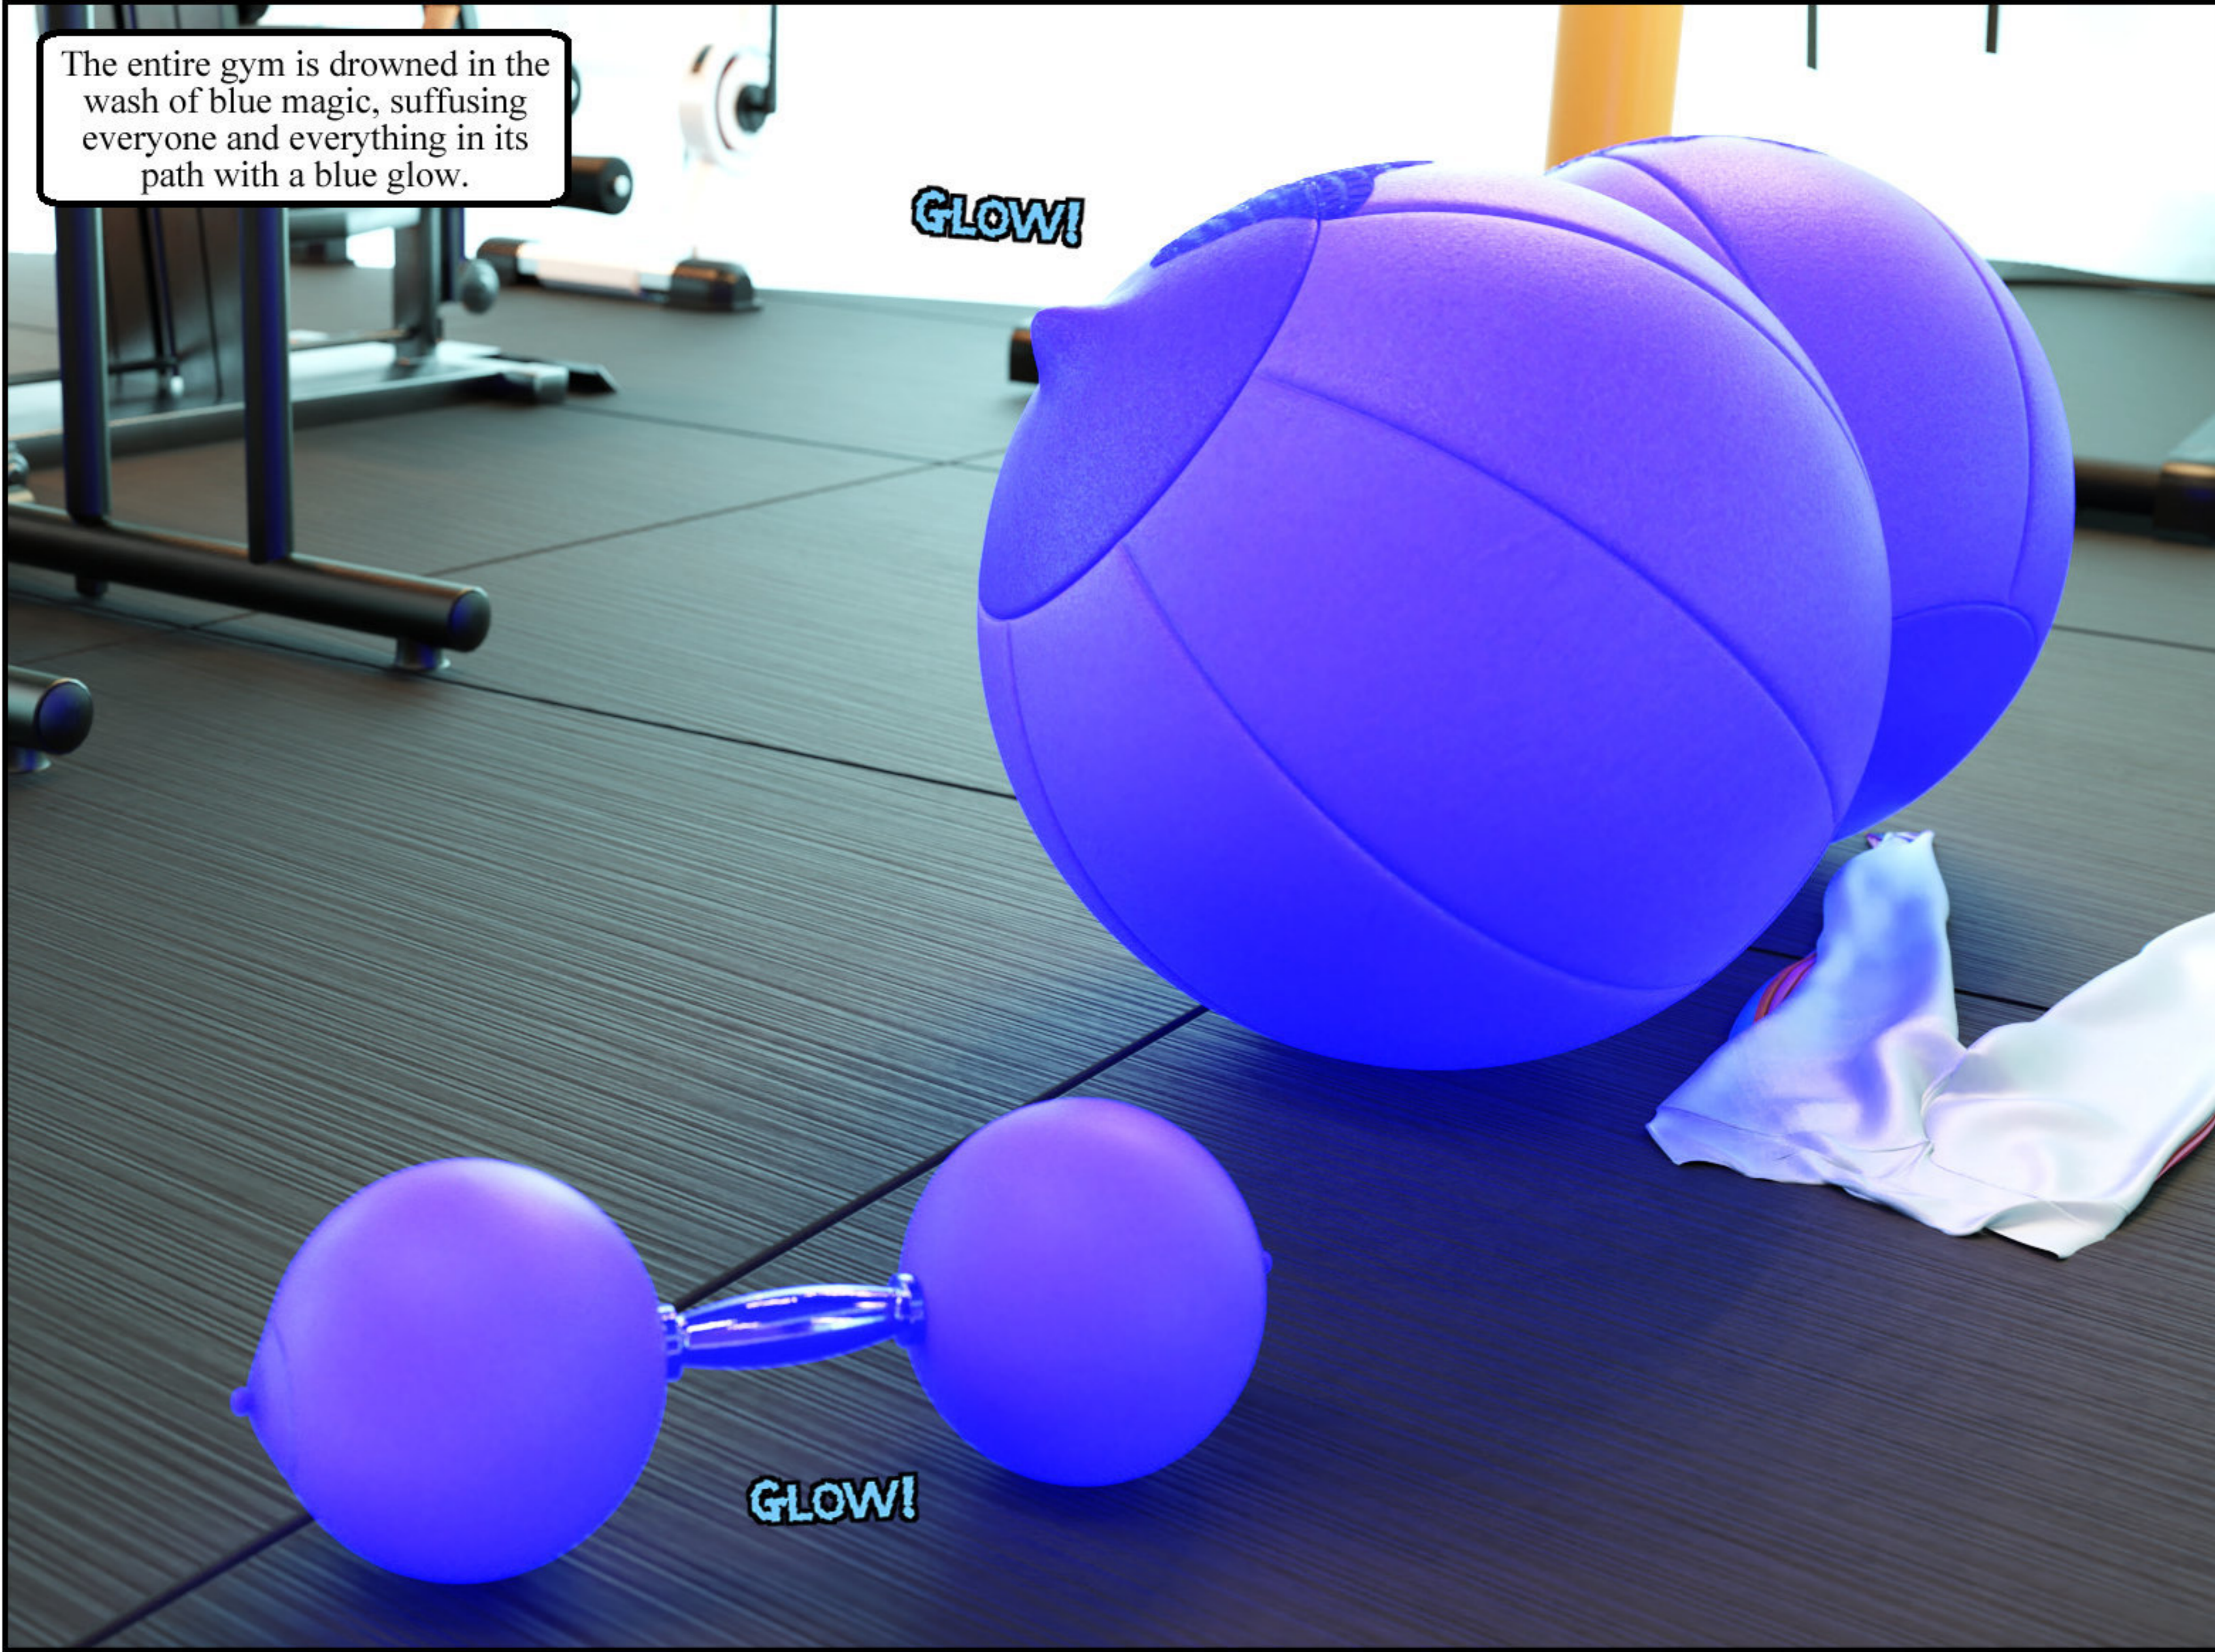

ENGULF!

The entire gym is drowned in the wash of blue magic, suffusing everyone and everything in its path with a blue glow.

GLOW!

GLOW!

Although all of the people, and ex-people, light up the gym with their light, none of the actual equipment seems to be affected.

And those same people begin to disappear, as the wave finally subsides and the view returns to normal lighting levels.

BLIP!

BLIP!

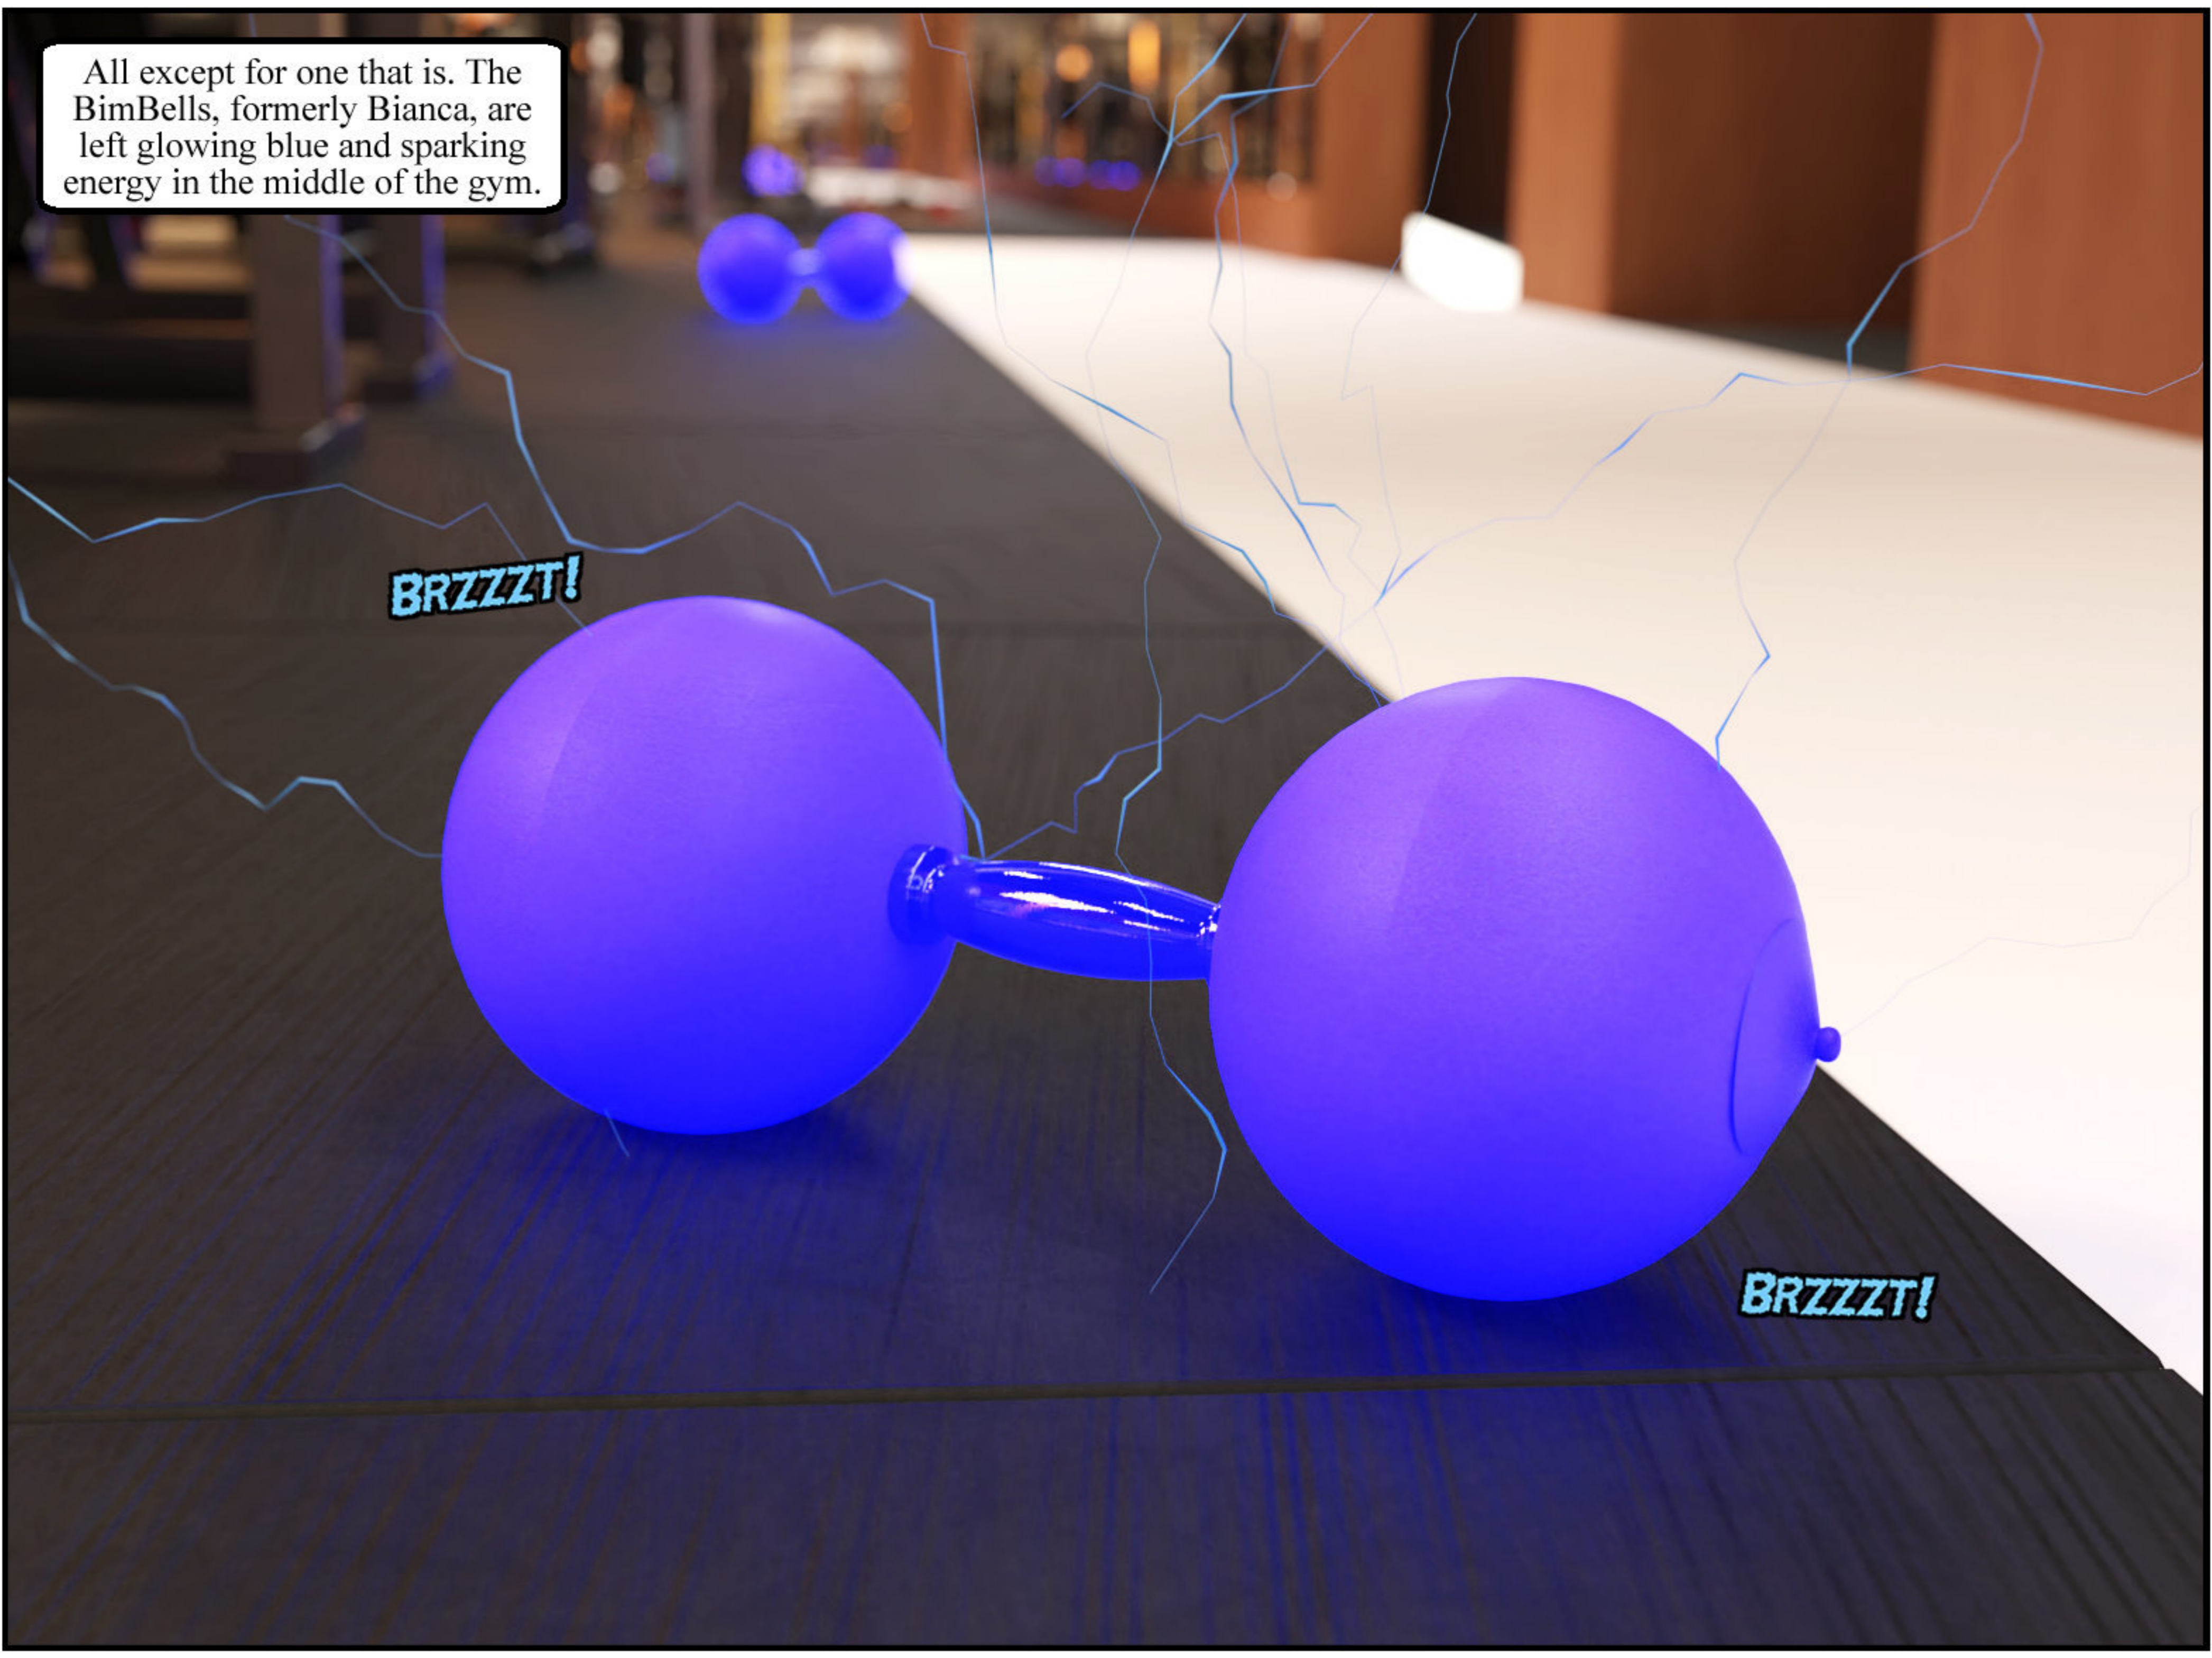

BLIP!

BLIP!

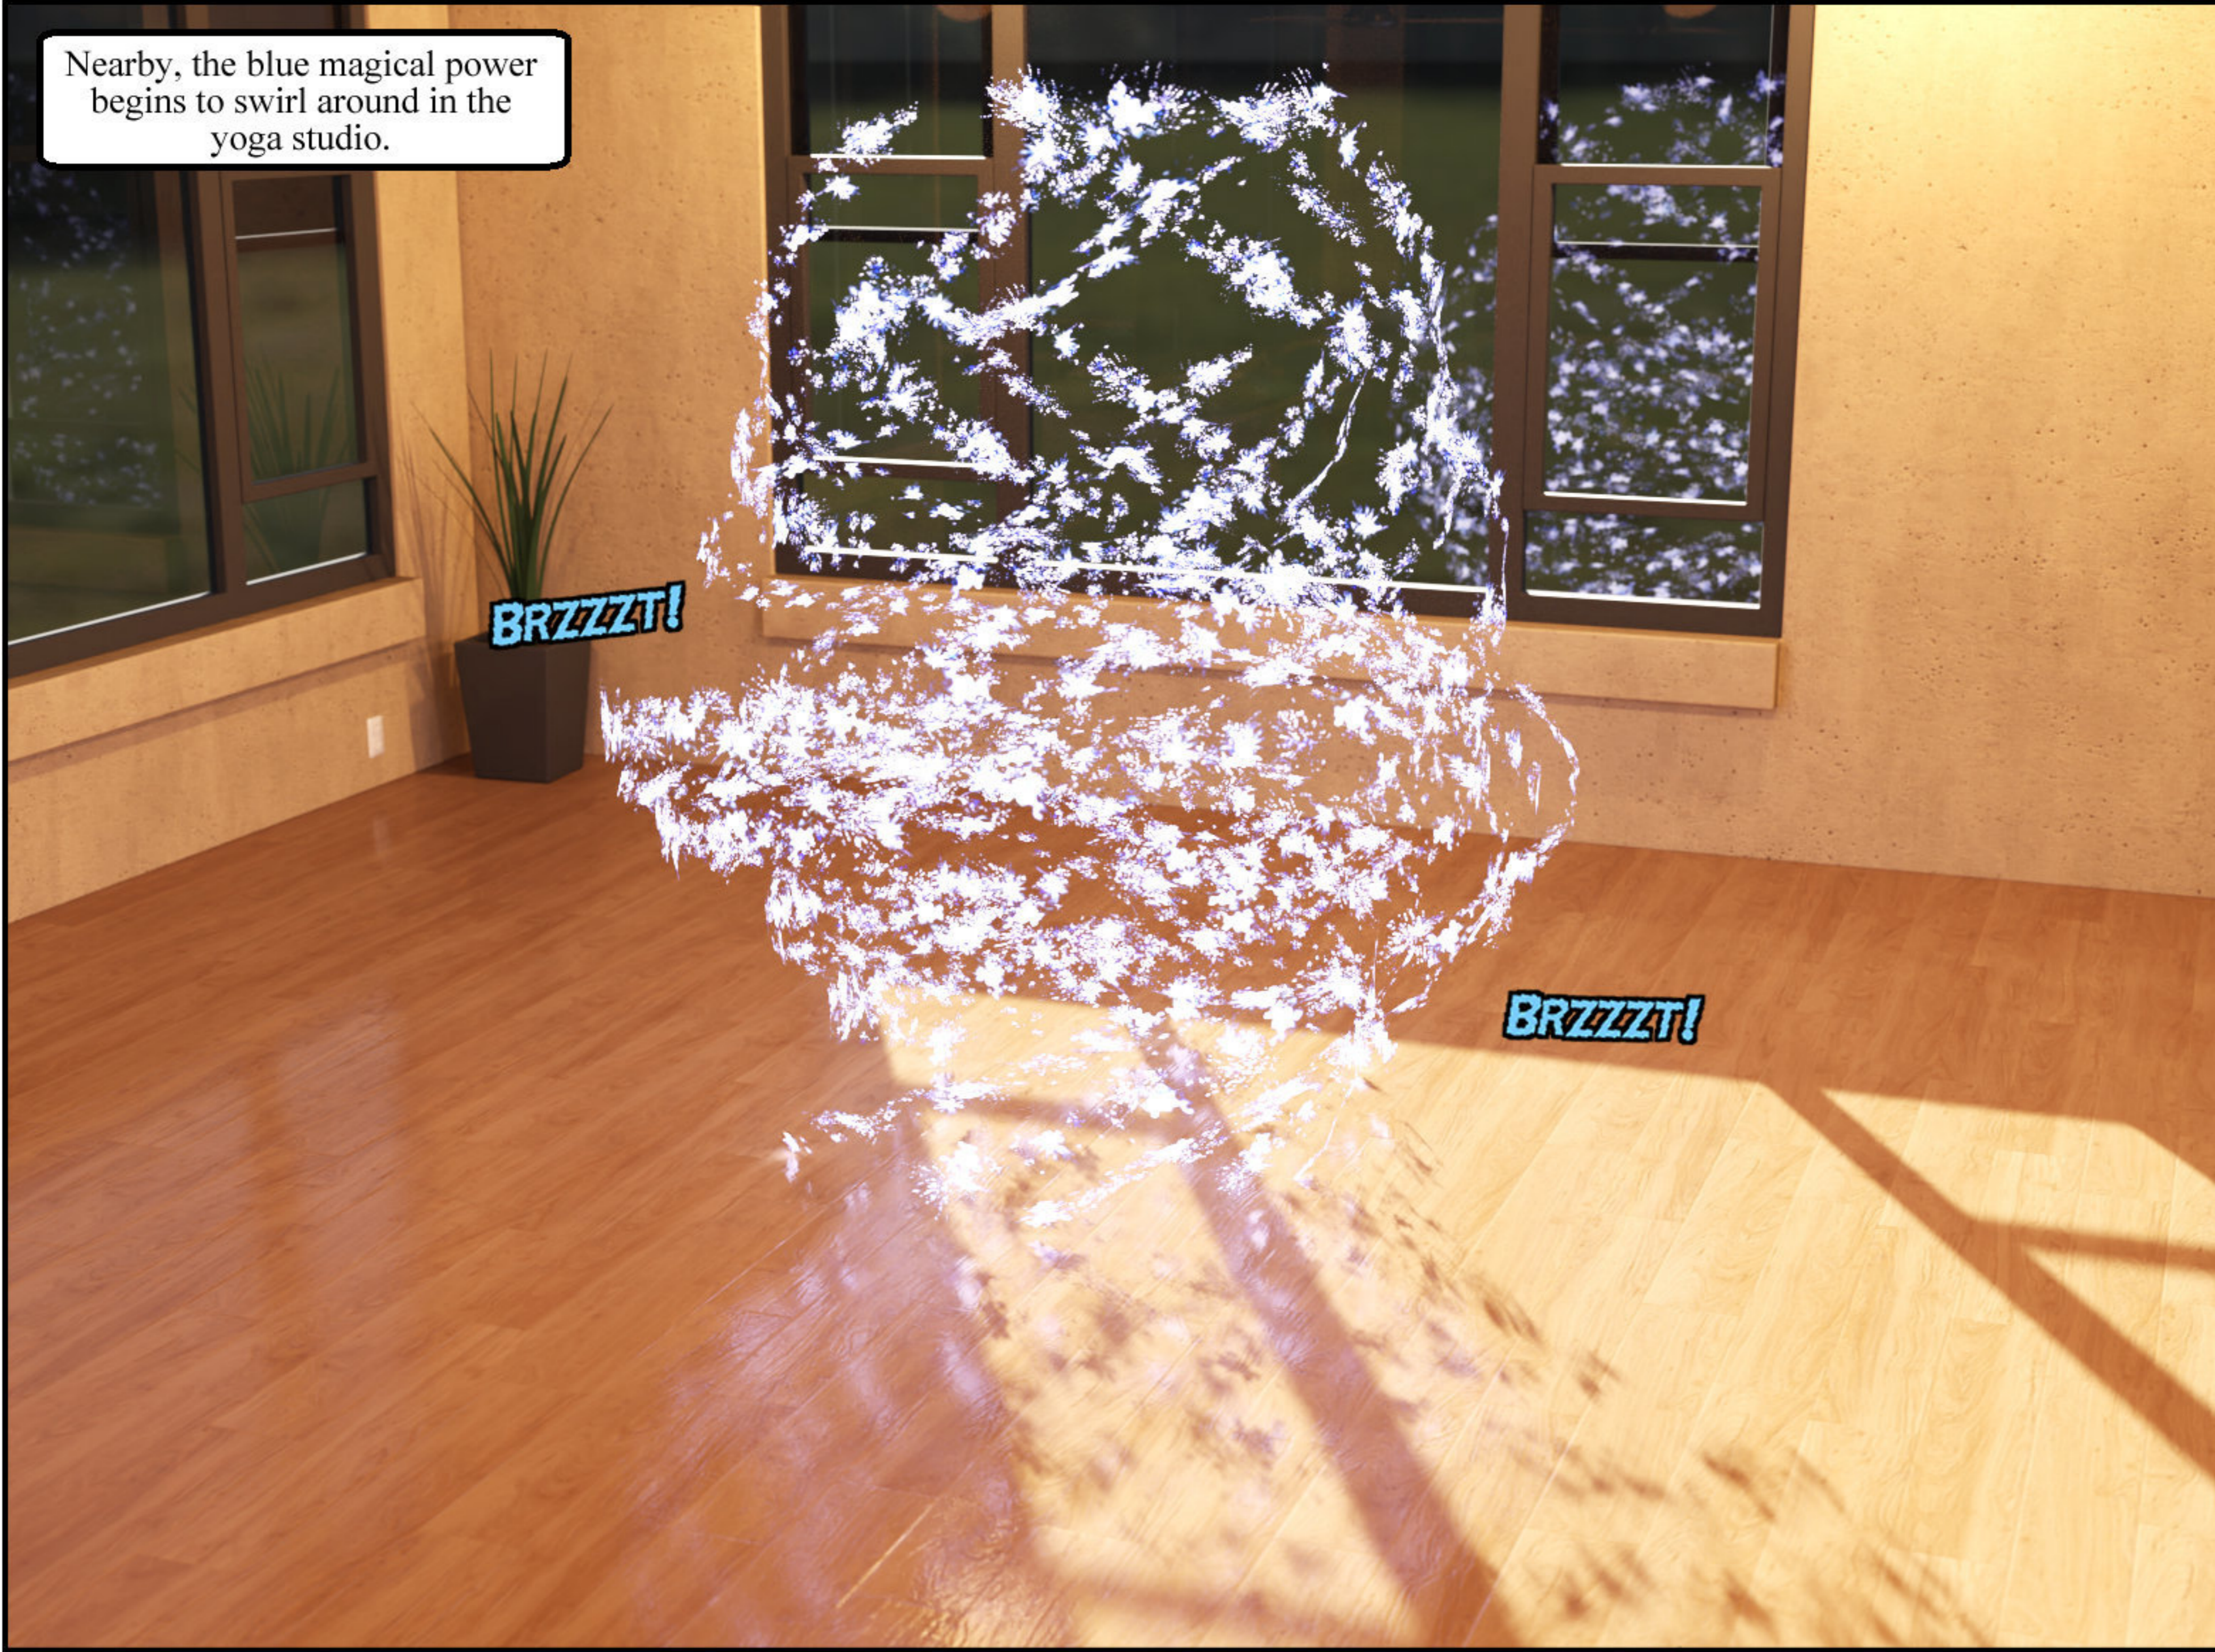

All except for one that is. The BimBells, formerly Bianca, are left glowing blue and sparking energy in the middle of the gym.

BRZZZT!

BRZZZT!

Nearby, the blue magical power begins to swirl around in the yoga studio.

BRZZZT!

BRZZZT!

A group of glowing blue figures appear in the middle of the whirling maelstrom.

WHOOSH!

BLIP!

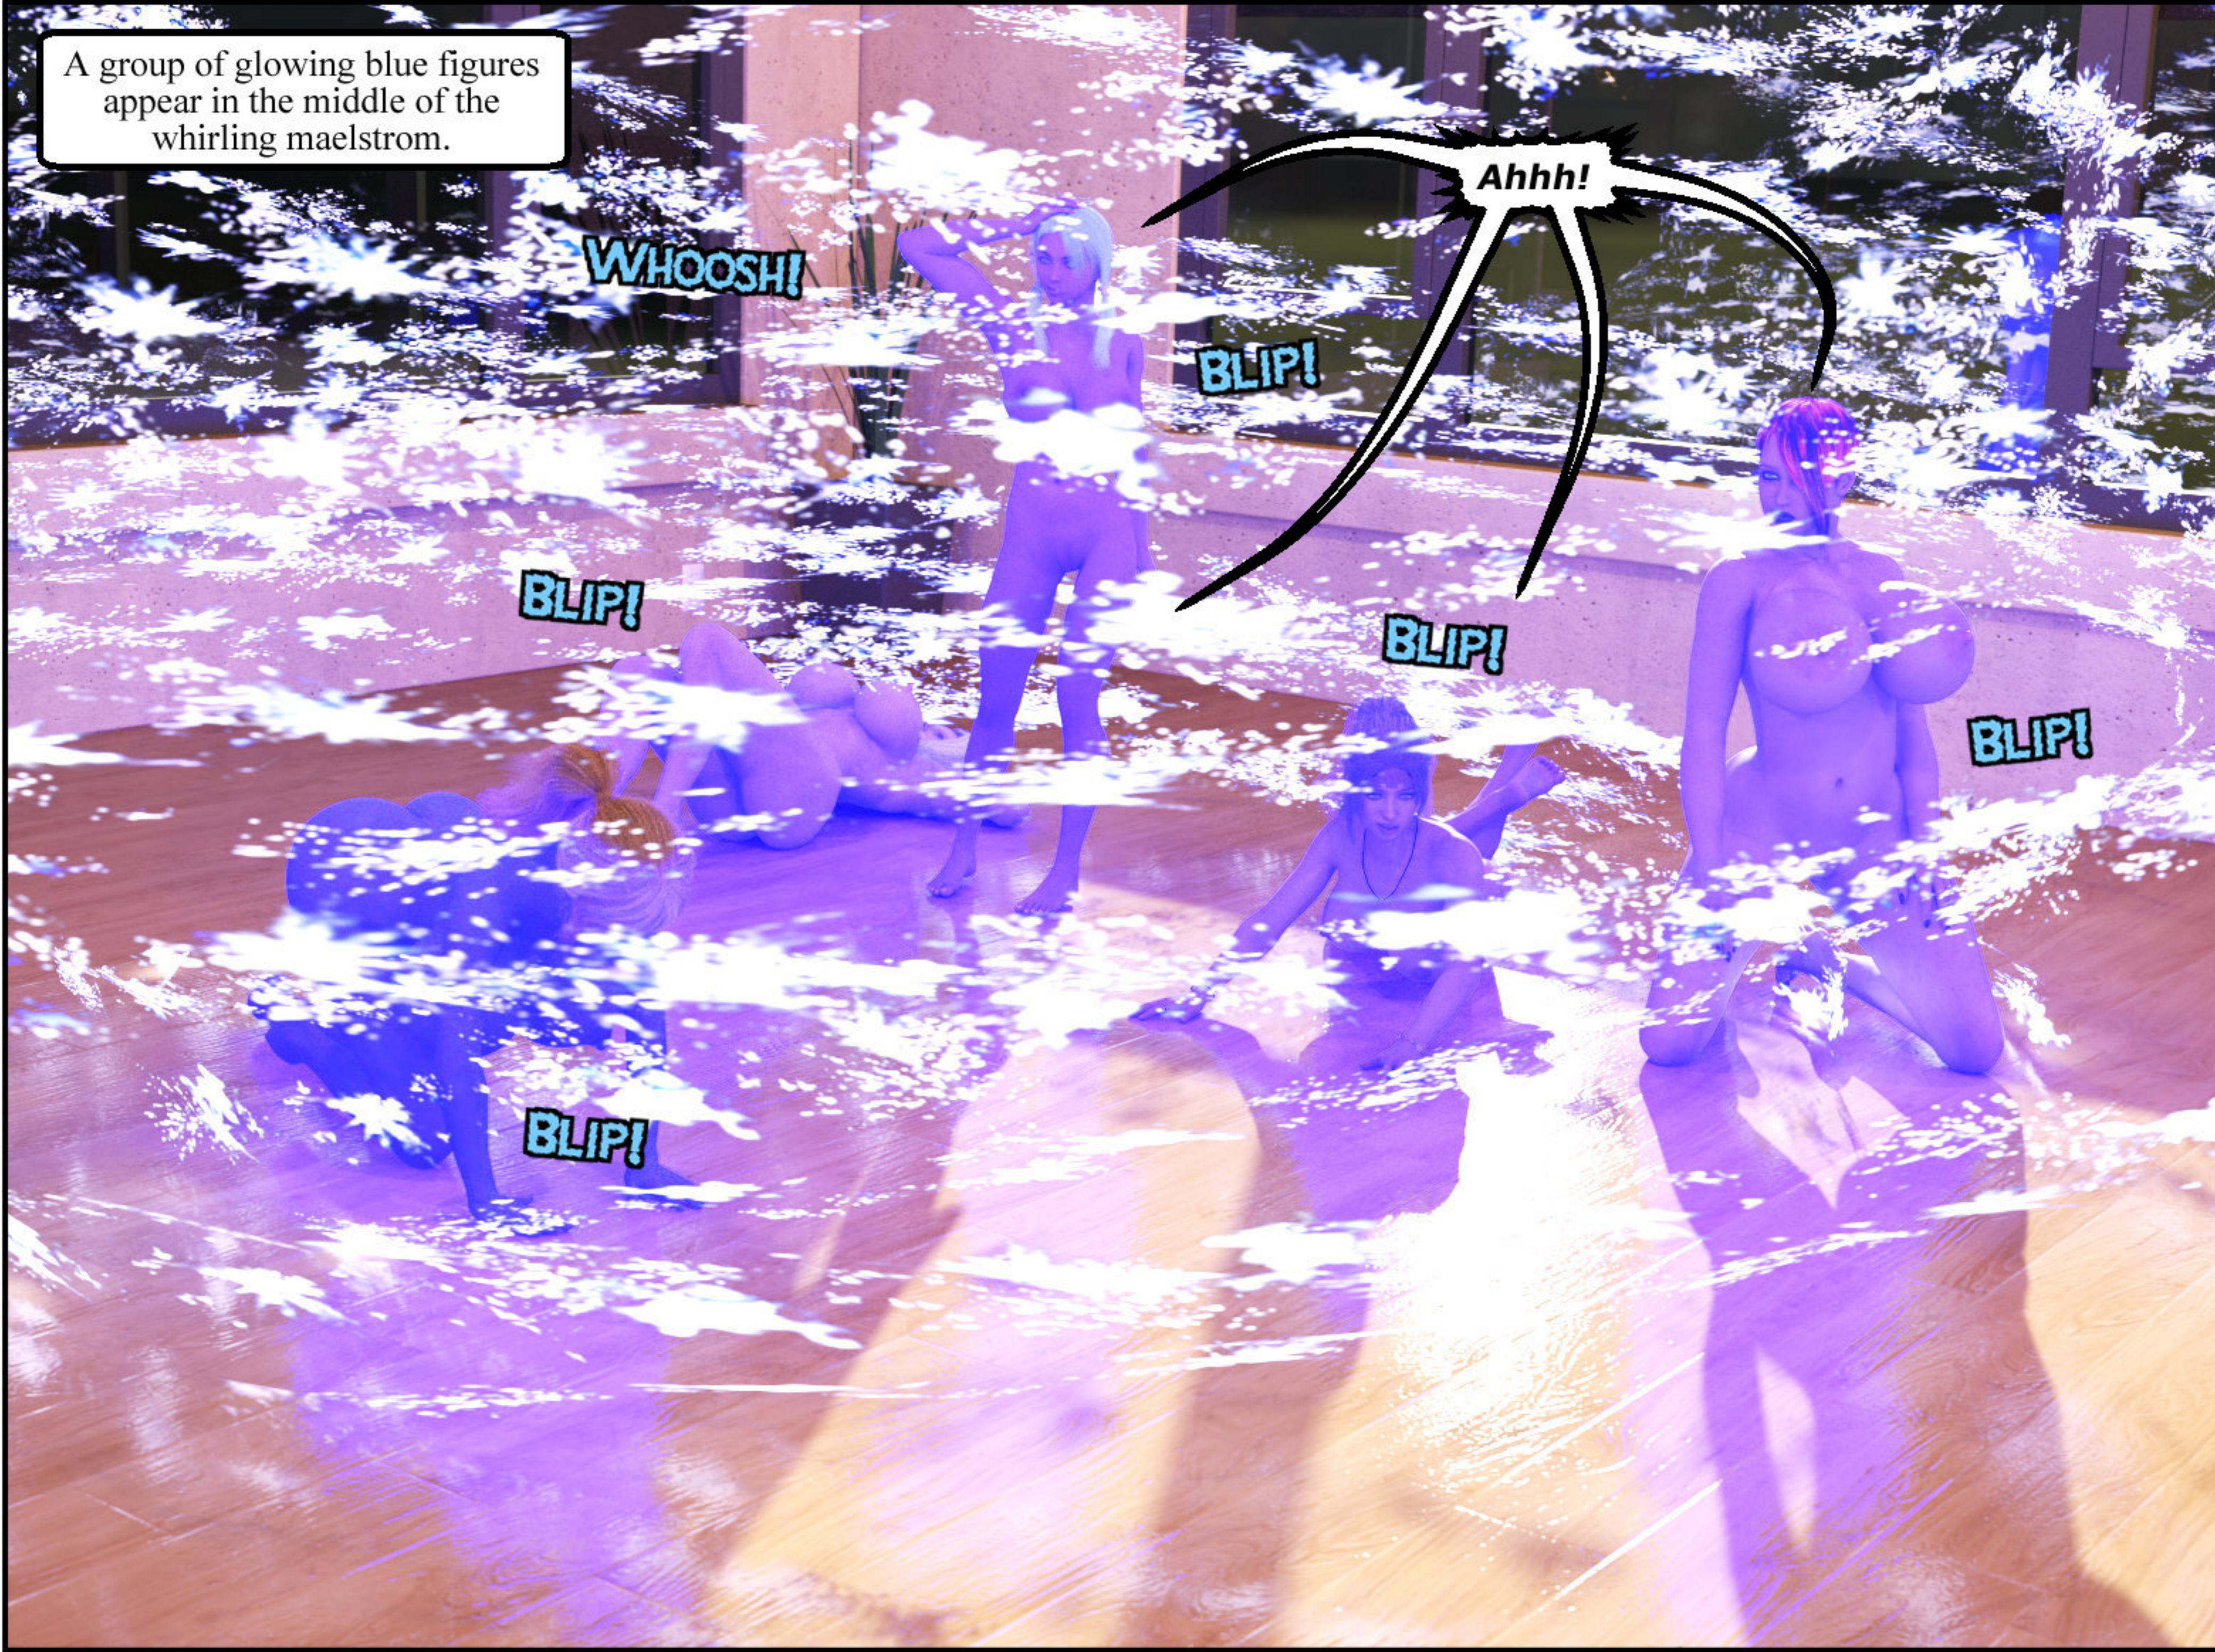

Ahhh!

BLIP!

BLIP!

BLIP!

BLIP!

The magic vanishes as quickly as it appeared and leaves most of the crew looking confused.

And also changed. The people that appear in the yoga studio are not the same as when they left.

What-

Huh?

-happened?

I... what was I doing?

Where are we?

Brianna seems to be the least changed, having mostly just a boost to her bulging bustline.

I remember... I had just partnered up with, Mel? No, no. I mean Melanie... odd? Wonder why I called you, "Mel"? Heh.

Melanie also receives a boost to her boobs, and retains some of the height and muscle from her male form. Though she is clearly back to being a woman.

Yeah, no, I don't like being called, "Mel", but I forgive you. I do remember you and I were partnered for an exercise.

Harriet is significantly changed. She retains a larger bust, altered face, longer hair, rounder booty, and overall sexier figure.

And where is my cutie partner? He wasn't done touching my ass! Also, anybody feel... different? Like, I don't know.

Miku is similarly quite a bit different. She retains some height, fat, breast, and butt, giving her an overall more voluptuous figure.

Yeah, I don't see my workout partner either?

And that is not a bad thing either. Hmph!

Elizabeth is simultaneously the most and least altered. Her tits keep the largest boost in size of all of them, as well as a little lip, but the rest of her stunning figure is mostly unchanged.

Ugh!
My head.
Why do I feel like
I just ran a
marathon?

The group doesn't entirely seem to be aware of their upgrades, but they do start to notice that they are naked for some reason.

And why are you two out?

Which seems to be a bigger concern, at least for Elizabeth, than the massive new jugs she doesn't quite remember having.

What the heck?! I'm fully exposed!

Guess
I'm not the
only one showing off.
My apologies,
class!

The rest of her class also seems to be rather distracted by Elizabeth's impressive curves, and not quite registering their own changes.

Noticing the clock, and slightly embarrassed, Elizabeth quickly brings a close to this very odd and late class.

Well, class, I see... ummm... whatever we did extended a bit longer than expected? To which I apologize. But for now that is the end of class and we'll continue next time... clothes on preferably!

Clap!

FLASH!

Though she does not seem surprised by the blue flash behind her or the appearance of everybody's clothes.

So let us get changed to avoid unwanted attention and I hope you all have a great day!

The story will
continue in the
next part.
