

VESTRA ARAMNIER

“Would you like to dance with me, or keep staring?”

VESTRA ARAMNIER

*Drow dancer, assassin, escort,
bard or rogue: chaotic evil.*

Vestra

Personality Traits. Vestra is happy to use her sexuality to get what she wants and has no problem exploiting an honest person's weaknesses. She says, in polite conversation, that everyone is equally deserving of power, but quietly believes that only the people willing to be cruel can claim it. Her silver tongue will beguile many, but rest assured that Vestra is willing to do many cruel things for power.

Ideals. I will take what can be taken and move on.

Fears. I can't get attached. Not again.

Quirks. Keeps a well-groomed pet rat named "Kiir".

Secret. Vestra's dreams are in a strange language she can't understand.
