

Hina-chan
is it really you, I barely
recognized you, you
look great.

Do I see it right,
is that makeup?

I knew I could
rely on you.

What about
you Hina-chan,
how do you like
your new look?

embarrassed

Yes, it's
me.

Uh... Don't you
think this is all... A
little too girly?

Hehe. Yeah,
I thought she could use
some makeup.

Of course.

Kaiko-chan is right, you should take care of your appearance.

Of course you can, Hina-chan.

But auntie it's humiliating, I can't go out in the street like that.

Nonsense! You are a girl and you have the right to look nice.

What's so humiliating about it, after all it's normal for a pretty girl like you to wear makeup.

It would be humiliating if a guy did it. But you're not a guy, are you?

With that hairstyle, Hina-chan looks like she's Sora-san's daughter and not her niece. hehe.

You see, so it's not a problem. Besides, you have to eventually come out of your shell and get rid of that tomboyishness.

Bravo, Hina-chan.

No, I'm not.

She really thinks I am a girl.

Unbelievable, why does everyone always take me for a girl, is it because I'm short?

Alright,
it's time to
go home.

I'll just pay
and we can
go.

Finally!

Sure, in that
case, please come to
the checkout.

Evening in the bathroom...

Phew... I'm finally done.
I never would have thought it would
take so long to shave the legs. Now I
understand why girls always spend
so much time in the bathroom.

At least I was
able to wash the
makeup off.

I was hoping I wouldn't
have to do it, but Aunt Sora said
I would either do it myself or
she would shave my legs.

I'm sure Auntie won't
like it that I washed off this
makeup, but I'll say it was from
the warm water.

But
I still can't believe
that no one noticed
that I'm a guy.

I wish I was as tall
as that girl. Then I'm sure
everyone would notice
right away that I'm a guy.

Is it really
because I'm so
short?

I wonder what would
happen if someone figured out that
I am a guy... I don't know but probably
nothing good and it's better not
to find out.

What? That's weird. I was sure I'd leave you clothes to changed into.

Yes, put it on and come to dinner.

Hehe. No worries, I didn't wear them. It bought them but they turned out to be the wrong size.

Do you mean this pink set?

No way, I'm not wearing your clothes.

But they are women's clothes I can't wear them.

But Auntie?

I'll be right there.

sigh Why am I agreeing to all this?

What, why, it didn't bother you before!

Hurry up dinner is waiting!

Moments later
in the living room...

Yes, but
don't you really have
any other clothes for
me to wear?

I'm sorry.

Finally , just
as I thought it fits
perfectly.

Today's youth ,
zero gratitude.
Do I look like a
clothing store?

You should be glad
I have something you
can wear at all.

What is the tablet?

Why, after all, am I not sick?

Uh... Thanks.

That's better, I think you're slowly learning. Did something happen?

This, these are just vitamins, I would like you to take them from today.

It's for immunity.

You're welcome.

Really?

Phew. It was all just a joke. I guess Aunt Sora decided to punish me like that for peeping on girls.

Of course, after all, Aunt Sora wouldn't really make me pretend to be a girl. I can't believe I fell for it.

Yup.

After all, I have to teach you how to put on makeup.

And since you've already washed off your makeup we can get started right away.

Although I think we'll do some replays to make sure you have everything memorized.

So you'll have to wash off your makeup a few more times.

It wasn't a prank, though.

She really wants me to pretend to be a girl.

Two hours later
in Hiro's room...

sigh Finally,
it's over.

Auntie said we
would do some repetitions,
but I didn't think it would be
as many as thirty.

Now I think
I know all about
makeup.

Kind of funny that at the end I wasn't even thinking about what I was doing I just did it reflexively.

I could wash it off, that's no problem, but at the moment I'm completely indifferent to having my nails painted.

I didn't even notice when I painted my nails.

I'm just too tired to care . I'd love to just go to bed.

One thing I don't understand is why Aunt Sora is teaching me all this, after all it's only for a while.

I don't know, I just know that tomorrow is my first day at a new school.

Again...

This time I have to be more careful that I don't get tricked into anything again.

The next day...

What if one of the girls finds out I'm a guy?

No, nothing happened, I'm just thinking.

Ah, over nothing important.

Just a moment more and we'll be there.... Is something wrong? Do you look worried?

What are you thinking about?

I know you're lying. What's the problem?

I'm afraid
of what will happen
if some girl notices
that I'm a boy.

Well,
because...

Really?

Why should any
girl notice that you are
a boy?

No worries, I'm sure with
that height you have and that
makeup no girl will ever guess
that you are a boy.

Yes

No problem,
one is lying in the
back seats, you
can have it.

Me too.

May you
be right.

Sigh
I wish I had some
kind of mask to
hide behind.

I'm serious.

...?

I bought it once
at a festival and it
has lain in the back
seats ever since.

There is no ban on
wearing masks in the school rules,
so if it won't interfere with
your studies then no.

It won't be a
problem if I wear
it?

Some time later...

And we're
there, and how do
you like my school,
Hina-chan?

I'll tell you which
class you belong to right
away, but first we'll go
to my office.

I have a
little surprise for
you. hehe

Unbelievable,
only girls.

Why?

A surprise?

What is it?

Aunty.

Yes, and I'm sure you'll like it. hehe

I cannot say.

No

In Sora-san's office...

See,
I told you it
would work.

I doubt it,
in my opinion
you don't need
it at all.

Unbelievable no
one has noticed that
I'm a guy.

I wonder if
it's because of
the mask?

Maybe
you're right, after
all, everyone was
paying attention
to them.

Of course,
Saki-chan.

My niece will
be attending this
school from now on
and I wanted to ask you
if you could look after
her for the first few
days?

No way am
I babysitting a new girl.
I'm not a babysitter.

Even if it's the
Director's niece.

I wish I could,
but unfortunately
I've been very
busy lately, so...

This girl is Saki Tsumiki,
Although everyone
calls her 01.

Suzuki-chan is the
school president and
belongs to many school
clubs I'm sure she will
help you acclimate to our
school quickly.

I have to
try to sound like a girl
otherwise she will notice
that I am a guy.

Nice to meet
you, my name is
Hina Suzuki.

So what do you say? Will you take care of my niece for these few days?

I hope this is not a problem for you.

Great, if anything happens, report it to me immediately, okay?

Of course, I would love to take care of her.

No, nothing like that, it's really not a problem.

Of course.

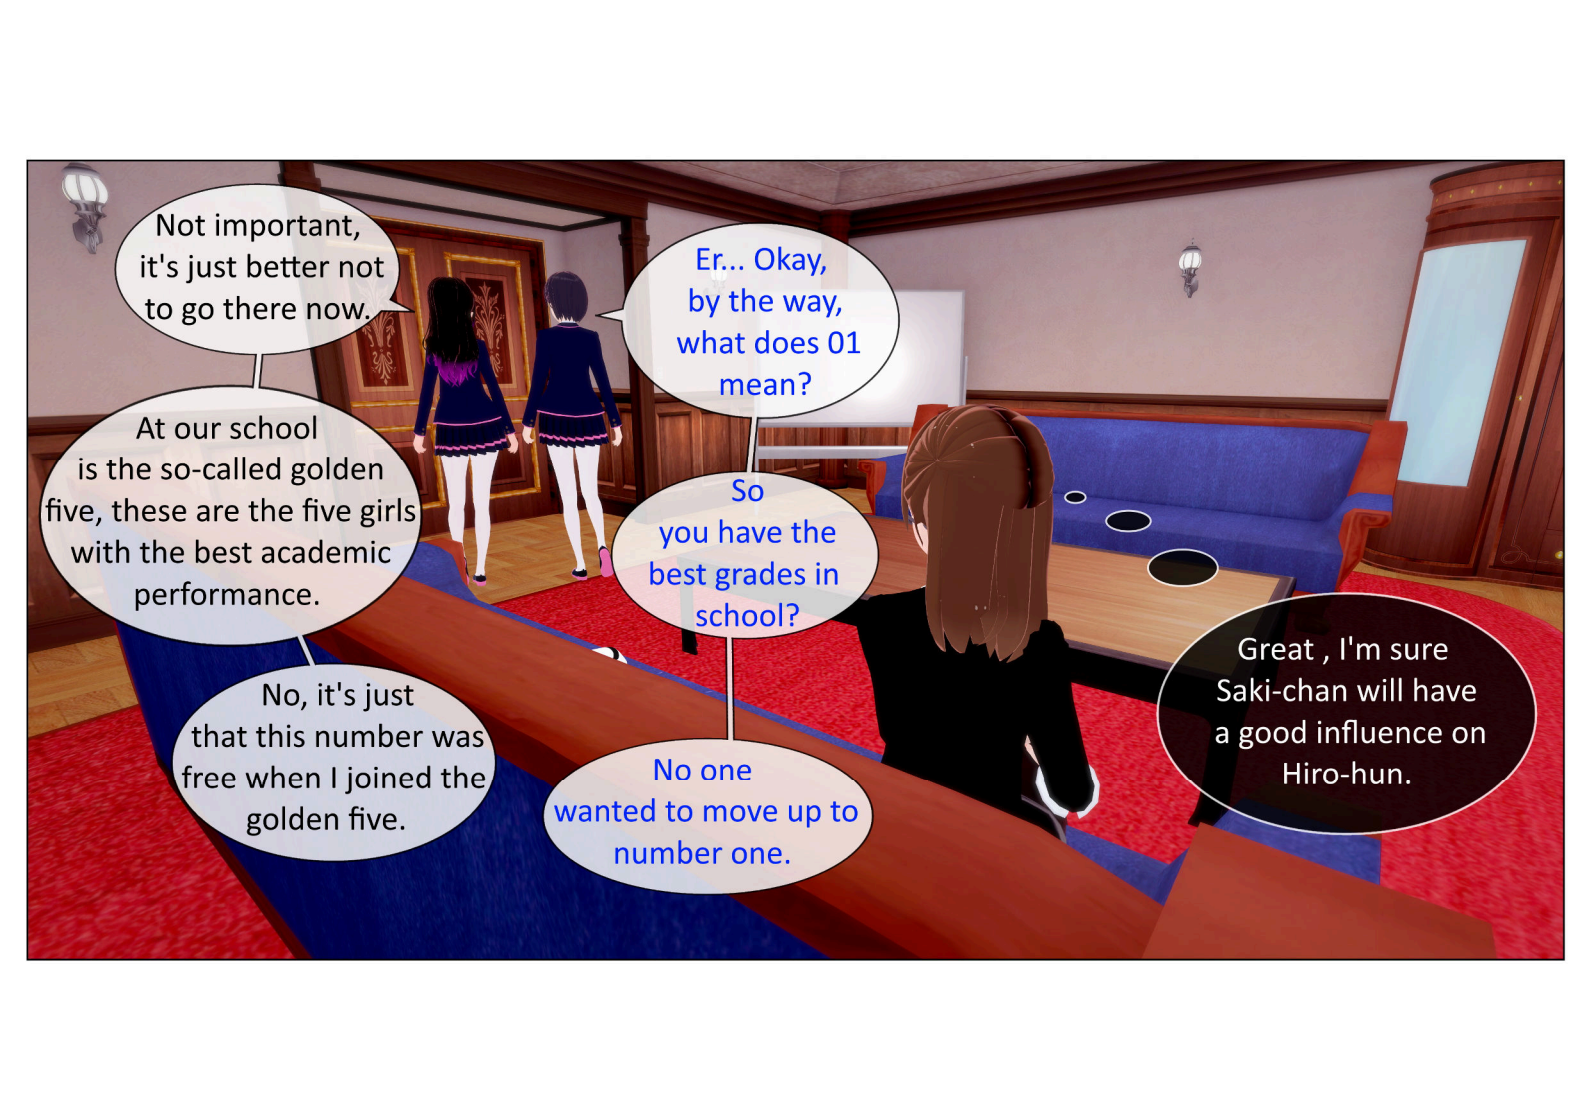

Have a good day, Hina-chan.

I can't wait to show you our school.

We literally have everything here, a cinema, a music room, a laboratory and even a swimming pool.

Although it's better not to go to the pool for now.

What, why?

Not important,
it's just better not
to go there now.

At our school
is the so-called golden
five, these are the five girls
with the best academic
performance.

No, it's just
that this number was
free when I joined the
golden five.

Er... Okay,
by the way,
what does 01
mean?

So
you have the
best grades in
school?

No one
wanted to move up to
number one.

Great , I'm sure
Saki-chan will have
a good influence on
Hiro-hun.

In the corridor...

According to the rules, 02 and the other girls should advance by one number but 02 suggested not changing numbers.

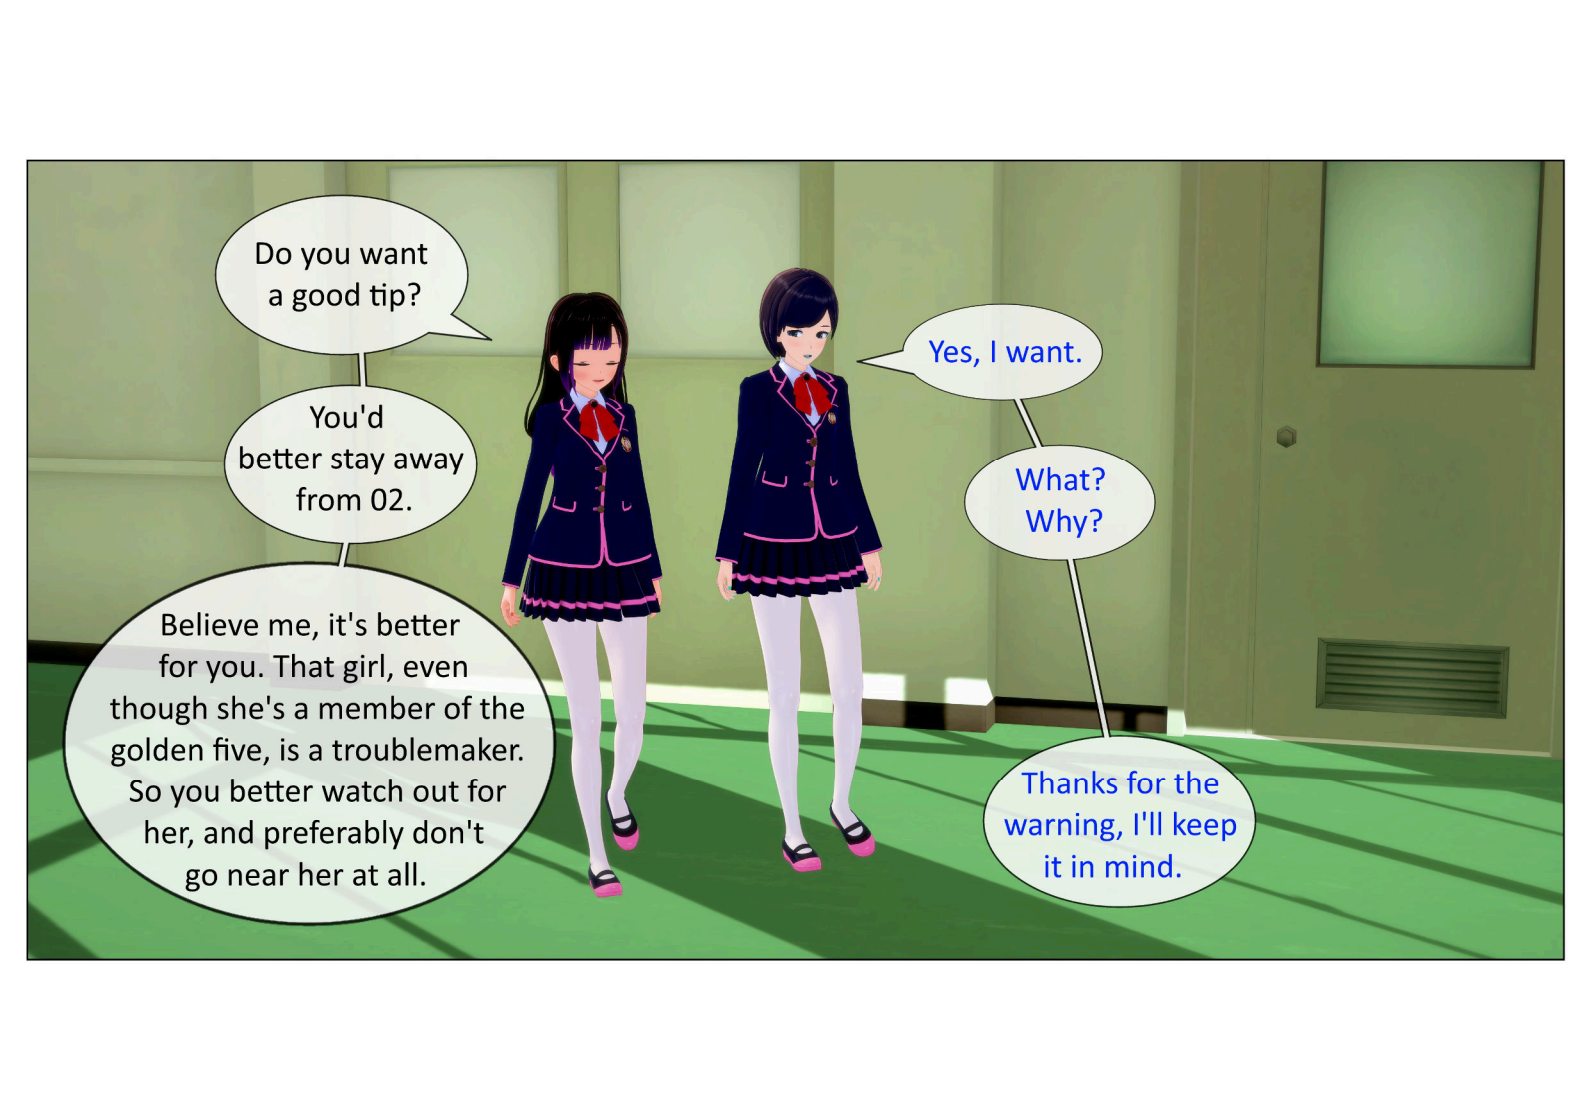

The other three liked the idea and hence the confusion.

She said it doesn't matter anyway and it's better not to change anything.

What about the other girls?

It's kind of weird that she didn't want to be the number one.

Do you want
a good tip?

You'd
better stay away
from 02.

Believe me, it's better
for you. That girl, even
though she's a member of the
golden five, is a troublemaker.
So you better watch out for
her, and preferably don't
go near her at all.

Yes, I want.

What?
Why?

Thanks for the
warning, I'll keep
it in mind.

Great that you understand.

To the cinema.
I just have to go to the student council room for a second.

Follow the corridor straight then right, then left and right again.

I have already trusted the wrong person once, I will not do it again.

So where do we go first?

And where is this cinema?

Because actually, I still have to get something done too.

A 3D-rendered anime-style illustration of two female characters in school uniforms standing in a hallway. The character on the left has long black hair with purple highlights and is smiling. The character on the right has short black hair and a more serious expression. They are both wearing dark blue blazers with pink trim, white collared shirts, and red bows. The background shows a hallway with green walls and doors.

Hehe. I see, down the corridor straight and to the right, just be careful not to go into the men's room.

We will meet later at the entrance of the movie theater.

Yes, I will be careful. hehe

Do I really have to go to the ladies' room? I guess I have no other choice, I can't risk someone discovering I'm a guy.

Sure.

Some time later...

This was humiliating.

I never thought I'd have to use the ladies' room

embarrassed

Okay, now let's go to that cinema.

If I remember correctly it was straight then left then right then left again.

To be continued...
