

Gay Compulsion

Are you interested in cute hunks, but just can't find yourself willing to stare and fantasize about their perfect bodies and cocks whenever you are daydreaming? Do you yearn to have your fantasies filled with masculine hunks of all shapes and sizes? Worry no more as "*Gay Compulsion*" will work to open your mind to all of the completely natural and erotic thoughts that your mind should already have.

1. Wakeup

Wakeup in the morning and start thinking about how much you love men and need them to use and dominate you sexually every day. Remind yourself how empty and dry your mouth feels and remember how much more comfortable it would be if you woke up with it wrapped around your dominant lover's cock.

2. Breakfast

Eat breakfast and imagine yourself naked and rubbing up against cute boys of all shapes and sizes. Fantasize about how hot it would be if you were covered in the come of all of the hunky masculine men that you love to satisfy every day.

3. Commute

Sit down on your seat on the bus and feel how empty and horny your ass is. Imagine how much better it would be to sit on your hunky lovers lap as you scream out in erotic bliss. Find yourself staring at the crotches of all of the men that you see around you as you imagine how they would taste in your mouth as they explode from your expert movements.

4. Daydream (Slut Exclusive)

Find yourself bored while you are working. Discover your mind drifting to your usual fantasies of men and the satisfaction and pleasure that only they can bring you. Become aroused and completely relaxed as you imagine naked, masculine hunks oiling up your willing body as you sit relaxing in your own personal paradise.

5. Bathroom (Slut Exclusive)

Walk into the restroom to use the urinal and find yourself immediately wondering what the cock of the beautiful man standing next to you looks like. Fantasize about how hot it would be to beg to suck him off in front of all of the other men in the bathroom as he uses you like the completely gay slut you love to be.

6. Gym

Think about how true it is that you always need to be working on your body in order to make yourself available and fuckable to the men around you. Remember how hot

sweaty, masculine bodies wrapped in tight clothing is, and know that you need to join a men's gym sometime soon in order to be surrounded by as many sweaty boys as possible every day.

7. Dinner

Remember that you always have to watch what you eat in order to make yourself as desirable and attractive to the hunky men around you. Discover yourself under the table as you learn to please each and every man sitting with you as their own personal pleasure slut.

8. Sleep

Find yourself completely exhausted with your exciting and eventful day. Fall asleep as you dream of cute, hunky boys and all of the completely important lessons that you have just learned.

Listen as you are walked through a typical day in your life as a completely cock-hungry slut in "Gay Compulsion." Don't forget to listen to the companion induction, "Gay Body Builder" to achieve your gay hypnotic goals!

❖ **Wakeup**

Feeling warm and soothed and relaxed as you start to become aware of your surroundings and find yourself snuggled into your completely comfortable and pleasant bed, enveloped in the soft and warm fabrics that you love to sleep in as you listen to the gentle sounds of the rain pattering against the hazy window panes. Yes. You can feel the sting of the cold morning air in your bedroom as you find yourself snuggling deeper and deeper into your comfortable and satisfying and warm bed and blankets. Relax. Soothing. Comfortable. And as you continue to snuggle even deeper and deeper into your warm and relaxing mattress, you can discover yourself feeling the familiar sensation of being cold and alone and unloved in your large and empty bed, knowing that you would feel happier and more loved and protected if you had a cute and hunky lover to wake up next to every day. Yes. You know that it is completely natural for you to find yourself fantasizing about big, masculine hands wrapped around your willing waist, pulling you into a broad and muscular chest. The slow, hot, and heavy breaths of your lover tickling the hair on the back of your neck erotically as you wake up each and every morning. Desire. Pleasure. Masculine. You can intuitively know that sleeping beside a strong, dominant hunk every night means that you will never wake up feeling unhappy and alone and unloved and you find yourself naturally craving the feeling of being

enveloped in your lover's strong, masculine arms as you wake up each and every morning. Yes. And as you think about how cold and uncomfortable your bed is, whenever you do not have a strong man to share it with, I want you to find yourself fantasizing about having a cute hunk to wake up next to each and every morning and warm you with his erotic and desirable body. Alone. Anxious. Empty. You can imagine yourself being held each and every morning, your lover's hair and masculine chest pressed up against your excited back as his morning erection pleurably wakes you up for the day full of fun activities ahead. Yes. You can find yourself becoming turned on and aroused as you fantasize about crawling beneath the sheets and warming your face between your lover's masculine thighs as you take his delicious cock into your horny, empty mouth. Excitement. Desire. Pleasure. You remember that you have always desired to wake up each and every morning with a hard dick in your mouth or ready to be sucked and fucked nearby, and you can discover yourself feeling horny and turned on and aroused by the idea of bringing all of your hunky masculine lovers to their daily morning orgasm as you start your morning. Yes. You can take in a deep breath of the bedroom's morning air and find your mouth feeling dry and empty and wanting and can naturally start dreaming of all of the ways in which you could fill your empty and horny mouth with the masculine cocks and come that you so desperately crave and desire. Incomplete. Empty. Alone. You can feel aroused and turned on and horny as you imagine yourself wrapping your hungry lips around your lover's erotically masculine shaft and swirling your tongue around the head of his delicious cock, using your mouth to lubricate his hard dick as he slowly wakes in the morning to the pleasure that you love to provide. Happy. Masculine. Loved. You naturally discover yourself imagining how warm and comfortable and sexy it would be to milk your dominant lover's erection under the covers each and every morning, his moans muffled by the thick blankets as he works to make your day better by coming and feeding you his delicious and erotic and pleasurable load. Yes. And as you lay alone in your bed, the rain coming down hard against your windows and the gray sky darkening your pleasant morning, you can find yourself wishing that you had a sexy hunk to fuck and keep you warm against his strong masculine chest. Yes. You know that your day is always better when you start it off with a hard cock in your mouth and you can remember that you have always craved to pleasure a man at the start of every morning. Yes. You can remember that you love being stimulated and excited and aroused each and every morning whenever you pleasure your dominant and hunky lover and you know that you must swallow each and every delicious masculine load that you receive in order to be successful and live your life in all of the ways that you have always imagined and desired. You can find yourself feeling sad and alone and empty as you discover yourself getting out of bed in order to

begin your day alone. Thinking about how much more fun and exciting and arousing it would be once you have a strong and hunky and dominant lover to wake up each and every morning next to as you fall even deeper and deeper into a calming and soothing hypnotic trance.

✧ **Breakfast**

You can find yourself feeling comfortable and relaxed as you slowly become aware of your surroundings. You can sit up on the edge of your bed now, your toes feeling cold on the floor below you as you stand up to begin your day. Yes. And as you begin to walk through your house, you can find yourself moving towards the kitchen, automatically making your way to the refrigerator and bending enticingly at the waist in order to look at the contents inside. Alone. Empty. Anxious. And as you stare deeper and deeper at the food that you desire to keep in your refrigerator, you can find your mind naturally drifting towards the erotically pleasurable image of a hunky man standing behind you and you can find yourself fantasizing about your dominant and masculine lover coming to grab your willing ass cheeks, perfectly presented in the air for him to fondle. Yes. You can discover yourself fantasizing about walking into a bustling kitchen, the smell of coffee and cooked breakfast in the air, the sight of nude and scantily dressed men of all varieties making themselves comfortable at your kitchen table. Happy. Pleasure. Desire. You can imagine how happy and excited and aroused you would feel having cute and hunky and sexy men casually enjoying and pleasuring themselves in your kitchen. Yes. You can fantasize about them making cute sexual jokes with phallic breakfast foods, as you work to show them how far you can depthroat a banana or a sausage or a delicious cock for their pleasure, and you find yourself constantly craving the feeling of being surrounded by cute boys whenever you are awake. Happy. Loved. Confident. And as you look around your completely empty kitchen you can find yourself feeling alone and isolated and abandoned due to the lack of men around you with which to use your completely willing and horny body. Yes. You intuitively know that you would feel happier and more satisfied and fulfilled with sexy, masculine company in order to keep your loneliness and horniness at bay and you know that it would be a personal dream of yours to fill your house with slutty live-in housemates to pleasure and fuck and be used by each and every day. Yes. You can easily imagine all of the cute twinks and sissy femme boys keeping your home clean and organized while the muscular and masculine men make improvements and do your stressful yard work, congregating each morning in the kitchen before heading off to perform their tasks for the day. Yes. You can imagine walking into a warm kitchen filled with laughter and sexy half-naked men flirting with each other and you find yourself constantly fantasizing about how loved and cared for

and adored you will feel once you are surrounded with sexy men each and every day. Pleasure. Desire. Excitement. You naturally crave the opportunity to walk around your home nude, feeling free to use and be used by any of the hunky masculine housemates that you love to surround yourself with, excited by the feeling of multiple hunky men pressing their own naked bodies against yours, the warmth of their hands touching you in all of your most erotic places and pleasuring you at the start of every day. Yes. And as you continue to daydream about the cute, masculine hunks that naturally arouse and excite you, you can discover your stomach rumbling and realize that you have still not chosen anything for breakfast because you have distracted yourself with your natural fantasies of filling your horny mouth and ass with a delicious hard cock. Yes. You crave the feeling of being covered in your housemate's manly, erotic come, as you bend over enticingly to take your next sexy and hunky lover's erection into your mouth. Desire. Pleasure. Excitement. You can feel satisfied and happy and fulfilled as you imagine yourself taking your man's cock deeper and deeper down your willing and empty throat. Yes. Deeper and deeper as you find yourself drifting into a calm and soothing and relaxing hypnotic trance.

✧ **Commute**

Feeling happy and calm and peaceful as you discover yourself drifting deeper and deeper into a calming and relaxing hypnotic state. Yes. And as you continue to drift deeper, you can find yourself slowly becoming aware of your surroundings and can look around to discover yourself sitting on a commuter bus, rain tapping against the glass panes of the rattling bus windows, the air around you hot and humid from the close proximity of the tired and damp commuters. You search the faces of the silent people near you and discover that they are all looking eyes away from you, making you feel alone and abandoned and unloved as you go about your day. Anxious. Bored. Alone. Your mind is drifting back to your fun breakfast fantasies and you can discover your empty, wanting ass tingling in an aroused and excited response from the prospect of being filled with a delicious cock from a hunky man nearby. Yes. You can naturally consider how much happier and loved and cared for you would feel if you had a sexy man to commute with and fondle as you go about your day, and you find yourself fantasizing about a cute hunky housemate sitting beside you, knowing how much of a come slut you love to be whenever you have an available moment. Desire. Pleasure. Loved. You are shifting uncomfortably in your seat now as you feel an overwhelming craving for the feeling of a thick cock filling up your empty ass and you can discover yourself thinking about how much more fun you would have bouncing on a sexy man's lap instead of feeling cramped and uncomfortable on the hard plastic bus seats. Yes.

You can find yourself watching the buildings and traffic slowly pass by in the window as your mind naturally drifts towards the crotches and masculine packages of every man that you see on your commute. Excitement. Masculine. Happy. You can start to become turned on and aroused as you wonder how big all of these stranger's cocks that you see are, and how they would feel erotic and exciting it would be to feel those dominant, masculine cocks pounding into your ass as you moan in pleasure. Yes. Your erotic thoughts are interrupted as the bus rolls up to a busy stop, and a long line of people enter and begin to crowd the aisle, including a sexy and muscular man wearing a tight pair of slacks, perfectly outlining his large and delicious and erotic cock. Yes. He chooses to stand and hold the bar right in front of where you are seated, and as he lifts his arm to catch the pole, his coat raises just enough to expose how tight and thin his pants are, revealing to you the entire outline of his long and thick dick. Yes. And as more people step onto the vehicle, he works to make space for them by squeezing in even closer to you, his manhood so close to your face that you cannot help but stare at the huge erotic cock that is within inches of your horny and empty mouth. Desire. Pleasure. Confident. You find your horniness and arousal increasing to new heights as the bus continues it's route down the bumpy road, jostling the sexy stranger and causing his dick to bounce alluringly as if he is tempting you to reach out and grab his hips, pulling your face even deeper into his crotch. Yes. You begin to fantasize about how you are going to seduce this hunk, thinking about casually brushing your face and hands against his crotch until he is erect before unzipping his pants and swallowing his erect dick in your willing and empty throat. Yes. You find yourself imagining how he would look, as your expert mouth moves to pleasure him and how erotic it would feel to have this sexy hunk explode in your mouth while everyone on the crowded bus stares, depositing his erotic and satisfying load deep down your slutty throat and filling you with warmth and happiness and bliss that you crave whenever you seduce a man into fucking you. Yes. You can discover yourself feeling happy and content and satisfied as the bus moves you deeper and deeper into the city. Feeling relaxed and comfortable and secure as you drift deeper and deeper into a calm and peaceful hypnotic state with the sound of my voice.

✧ **Daydream (Slut Exclusive)**

Feeling relaxed and satisfied and fulfilled as you listen and obey in your completely receptive hypnotic state. Yes. You can feel happy and relaxed and comfortable as you slowly start to become aware of your surroundings, finding yourself in your office, sitting at your familiar desk. You can discover overwhelming waves of comfort and tranquility and relaxation wash over you as your body sinks deeper and deeper into your soft and relaxing desk chair, listening to the gentle tapping sounds of your co-workers quietly

typing at their desks around you, as you stare at your completely boring and unexciting and uninteresting work. Relax. Soothing. Peaceful. You can hear laughter behind you as a group of men approach your desk and you can briefly look up as the two inseparable new hires walk by you on their way to get coffee. Yes. These men are both handsome, young professionals with tight fitting, slim cut suits, styled hair and carefully shaped beards. And as they walk past you, leaving behind a trail of thick and musky cologne, you cannot help but find yourself staring at their cute butts and enticing crotches as you mentally undress them with your mind. Desire. Pleasure. Excitement. You can naturally find yourself imagining how erotically their cute asses must move beneath their constricting trousers and how delicious their muscular chests and abs and arms must be under their tight, masculine clothing. You can discover yourself beginning to wonder if the two men that you see in front of you have ever seen each other naked or tasted each other's delicious cocks and you can naturally begin to fantasize about their erotic rendezvous as you imagine yourself included in a threesome with the men in the storage room, one man sucking your dick as the other fills your empty, horny ass from behind. Yes. You become even more horny and aroused and turned on as you imagine more hunky men joining the orgy, and you find yourself fantasizing about how much fun you will have once you have a masculine cock in your wanting ass, empty mouth, and both eager hands. Yes. You can discover yourself naturally craving more than just a dark storage room romp with a bunch of cute boys and you can begin to fantasize about being worshiped and surrounded by handsome and sexy and dominant, masculine men each and every day of your perfect future. Pleasure. Desire. Loved. And as you lean back in your comfortable office chair, you can imagine your own pleasure and desire and arousal at the thought of reclining naked on a beach as multiple hunky men massage oils into your skin, some using their hands, and others using their bodies. Yes. You find yourself feeling aroused and horny and turned on as you imagine a cute hunky man with dark and curly hair pouring fragrant scented oils over his hairy and masculine chest, lower body, and growing erection before rubbing himself against you, transferring the sensual oil from his body onto yours as you feel his growing erection form between your completely slutty ass cheeks. Relax. Safe. Soothing. And as the hunky masculine man of your perfect fantasies continues to grind his cock erotically against you, you can find yourself turning sideways so that another cute boy can expertly milk your cock while you kiss his soft lips and moan out in erotic pleasure. Yes. And as the man's hands start to move faster on your aroused cock, you can find yourself moving onto your back as the cute boy in front of you positions himself on top of your dick, your horny, oiled cock easily slipping between the cute twink's ass cheeks before sliding into his tight hole and penetrating him with a moan of pleasurable and erotic satisfaction. Happy. Pleasure.

Loved. You can imagine him hungrily bouncing on your cock, as another man gently massages oils into your chest and neck before moving to straddle your face as you find yourself gladly accepting his huge dick into your willing and empty mouth, taking him completely to the base. Yes. You know that you feel the happiest and most turned on whenever you are surrounded by attractive, hunky men and can find yourself feeling accomplished and fulfilled and satisfied as you bury your horny dick even deeper and deeper into your hunky lover's ass. Happy and content and satisfied as the taste of the man's delicious cock in your mouth pulls you even deeper and deeper into a soothing and comfortable hypnotic state.

❖ **Bathroom (Slut Exclusive)**

Feel yourself falling deeper and deeper into a soothing and calming and relaxing trance. And as you continue to drift, completely obedient and receptive to every command and instruction that you have been given, you can start to become aware of your surroundings to find yourself still seated in your comfortable desk chair, the muted sounds of rhythmic typing and a faraway copier scanning pulling you even deeper and deeper into a quiet and comfortable trance. Yes. You are still aroused and turned on and excited from your pleasurable erotic fantasies of hunky oiled men rubbing their bodies against yours, and you can find yourself pleasantly distracted by these thoughts as you avoid looking at the boring and uninteresting and tedious work in front of you. Bored. Incomplete. Alone. In the workspace beside you, you can watch as your colleague begins to eat a snack and you can find yourself staring at his mouth moving up and down, wondering what his soft lips would feel like pressed up against yours or wrapped around your hard, aroused cock. Yes. And just as you are about to give yourself over to your completely natural and erotic daydreams about your hunky, masculine coworker, you are interrupted by one of your cute teammates asking if you would like to accompany him on a trip down to the coffee shop in the building's lobby. Happy. Masculine. Loved. You accept his request, thankful for the reprieve from your erotic thoughts about cute boys and strong, masculine men as he tells you all about his latest work project. Yes. He asks if you would not mind stopping by the bathroom on the way, and you can naturally follow as he leads you through the door of the men's restroom. Yes. You can stand in front of a urinal and adjust your stance as your colleague settles into the urinal right next to you, never stopping his talking as you both relieve yourselves. Yes. And as you stand beside him, you can find yourself naturally becoming wrapped up in his intoxicating natural scent, noticing how broad his shoulders are and how much of the space that he easily commands with his dominant, masculine personality. Loved. Desire. Pleasure. You can find yourself thinking how big his muscles are under his tight

shirt and you naturally fantasize about him picking you up and tossing you onto his desk before using your willing body for his own pleasure. Yes. You can imagine all of the small and sensual details of being fucked by a hunk like the man beside you, craving the tickle of his beard against your bare back, the sweat from the heat of his muscular body, and the feeling of his large and rough hands on your hips holding you in place as he dominates your wanting hole. Yes. You can think about all of the times in your past in which you have caught yourself looking at a hunky man's crotch and imagining how big his dick might be under his well tailored dress pants. Yes. And as you casually glance over at your colleague, you can find your mouth becoming dry and empty and horny like it always does whenever you are about to pleasure one of your many boyfriends, knowing that having a delicious cock to suck on is more pleasing and desirable and erotic than anything else you could ever imagine in your life. Desire. Pleasure. Excitement. You can feel confident to take a peek over the side of the urinal and find yourself fantasizing about being caught staring at his massive cock, before begging him for a taste. Yes. You naturally fantasize about kneeling in front of him and sucking him off in front of all of your other coworkers, showing everyone in the office exactly how much of a willing gay slut you are and have always loved to be, before offering to suck the delicious dicks of any other man willing to drop his pants for your horny mouth. Yes. You can imagine yourself becoming known for being a slutty bathroom blowjob queen, and can find yourself feeling aroused and loved and turned on at the idea of being the gay slut that every hunky man in the office visits every time that they desire a great orgasm. Happy. Loved. Masculine. You can find yourself feeling happy and relaxed and comfortable as the water from the tap in the bathroom continues to drip soothingly. Falling even deeper and deeper into a calm and soothing trance with the sound of my voice.

❖ **Gym**

Feeling happy and satisfied and relaxed as you drift deeper and deeper into a calming and soothing hypnotic trance. Yes. And as you drift, you can see that you are continuing your adventure as you leave your office after another boring and tedious and uninteresting day. You can feel the squishing of the ground beneath your feet as you move yourself through the city towards your usual bus stop, and as you walk, you can stare as you pass sexy strangers, finding yourself undressing them with your mind and imagining their tight and muscular and masculine bodies held closely against theirs. Desire. Pleasure. Comfort. You can discover yourself feeling even more aroused and turned on and horny as you think of all the men in your future that you would love to use and be used by each and every day. Yes. You are already thinking of ways in which you

can flirt with and seduce a hunky stranger so that you can taste his delicious package filling up your empty, wanting mouth, and can realize that in order to attract a hot and sensual and macho lover into your bed, you must be as attractive and in as good of physical shape as the men that you naturally love to stare at every day. Yes. You intuitively know that the best way to get the body and look and attitude that other men crave to fuck, is by buying a membership to your local gym so that you can gain the lean and seductive body that you have always desired while you stare at all of the hot, sweating men flexing their muscles in the mirror, the outlines of their thick cocks showing through the fabric of their tight exercise pants. Yes. And as you continue to walk, you can see a cute twink standing in his brightly colored tank top showing the logo of a brand new gym he is standing in front of, only barely covering the large bulge hidden behind a tight pair of bicycle shorts. Cute. Adorable. Jealous. He smiles a wide toothy grin and motions with his hands for you to move towards him with the promise of a free trial membership at the men's only athletic club behind him. Yes. You know that you need to be in top physical shape in order to seduce all of the hunky and erotic men that you adore and are completely attracted to and you can discover yourself becoming even more excited as you move closer to the gym and through it's spotless glass doors. Yes. And as you open the doors to the gym and walk through it's entrance, you can smell the sweat and hear the sounds of weights and you find yourself feeling completely aroused and turned on and excited to be surrounded by so many fit and desirable hunks. Yes. You can walk to the counter and sign up for a membership, dressing in the provided workout attire that was handed to you, before finding yourself standing in the middle of a room where a completely interesting fitness class is about to begin, waiting for the other cute boys and your instructor to arrive. Excitement. Masculine. Pleasure. And as more and more physically fit men walk into the room, you can naturally start fantasizing about how erotic it would be if every one of them were working out with you in the nude, bending and lifting as they move themselves to show off their masculine bodies and cocks to you in every way that you have always desired. Yes. You can find yourself remembering how sexual and erotic and pleasurable being surrounded by sweaty, good looking men has always felt for you, and can know that you have always preferred to be surrounded by fit and hunky men every moment of your day. Desire. Confident. Loved. A handsome and masculine man walks into the room and from his dominant presence you can intuitively know that he is the classes' instructor as he wordlessly commands the room, the other cute men quickly falling in line as the erotic class begins. And as you start your warm up stretches, you find yourself looking up at your reflection in the mirror in front of you before your eyes begin to wander, fixated on the way your hunky classmates' masculine bodies move and contort as you dreamily imagine them doing

their stretches in your living room while you watch, naked and erect. Yes. You can continue to stare at your classmates reflected in front of you as you begin to realize that each and every man in your small class is staring unapologetically at the instructor's muscular ass and well-defined cock underneath his skin-tight shorts. Yes. And as you finish your workout and begin to leave the class, you can feel your hunky instructor give your ass a seductive fondle before releasing you from the room. Happy. Loved. Adorable. Fall deeper and deeper with me now as you find yourself following your cute classmates towards the locker room, feeling happy and content and relaxed as you drift deeper and deeper into a soothing and relaxing trance.

✧ **Dinner**

Feeling comfortable and relaxed and at peace as you fall into a soothing and obedient hypnotic trance. And as you begin to become aware of your surroundings, you can find yourself in the locker room with all of your new friends from your exciting fitness class. Yes. You can look around and notice how comfortable and relaxed and happy these men are around each other as the leaner and thinner men drape themselves lovingly over their hunky and more muscular counterparts. Confident. Loved. Comfortable. Your friends easily talk with each other in various stages of undress, waiting for those who are showering to be finished so they can all go eat with each other afterwards. They explain to you that the gym also offers a delicious cafeteria and the cute boys all agree that it would be a great idea if you would join them for dinner. Yes. You discover yourself agreeing completely to their plan, feeling fortunate to have met such a friendly group of openly sexual men and you can naturally fantasize about running your hands over each of their chiseled, masculine bodies before fucking every single one of them until they come all over your willing face. You can imagine their wet and hot and aroused bodies under the gym shower heads, completely comfortable while they absentmindedly play with their hard cocks until they are pleurably erect, and you can begin to feel aroused and turned on and horny as you fantasize about having an erotic shower orgy with your new, sexy friends. Desire. Pleasure. Adorable. The cute men finish getting dressed and you can follow your small group up to the top floor of the building where the cafeteria is located. Yes. You discover a large round table big enough for your group and you make yourself comfortable, looking around for a menu only to learn that the nutritionist and chef team at the gym will handle all of your needs. Comfort. Soothing. Safe. The gym's nutritionist notices that there is a newcomer and approaches your table, asking you a series of questions in which you know that you have to respond to honestly in order to receive the best nutritional advice possible. Do you prefer to see cocks and hunky men every day of your life in your perfect future? Yes. Do you love turning men on and feeling

their delicious dicks get hard in your completely empty mouth and willing ass every day? Yes. Do you fantasize about being fucked by multiple men whenever you find yourself daydreaming? Yes. Do you crave to be covered in delicious and erotic come before your dinner arrives? Yes. The man sitting beside you reaches for your hand and pulls it down under the table and across his lap where you can find his erotically hard cock thinly covered by his tight gym shorts. You can naturally start playing with him through the thin material as the other men around you cheer and watch as he moans in desire. Pleasure. Desire. Excitement. Hungry from a long workout you find yourself knowing that the easiest way to get the delicious come that you always crave and desire is to wrap your lips around the man's hard cock as he fucks your slutty face for his masculine pleasure. Yes. You can find yourself slipping under the table, glancing at all of the other men who have stopped what they were doing to pull out their own hard cocks and play with themselves as they watch. Happy. Loved. Masculine. You feel your own arousal rising at your completely erotic situation and can eagerly take your friend's cock in your mouth, expertly twisting your tongue over his hard manhood until he explodes pleurably down your throat. Yes. You can stand up from underneath the table to see the faces of the other cute boys in the cafeteria, and can glance hungrily at their hard cocks as you lick your lips and crawl back underneath the table to satisfy the next hunk in line. One of your new friends pulls a vibrating plug out of his gym bag, and you can shift your body underneath the table in order to make your wanting ass available for him to insert the toy, feeling more aroused and turned on as he fills up your empty and horny butt. Pleasure. Loved. Masculine. You can naturally feel completely horny and unsatisfied after only being able to pleasure one dick, and the renewed sexual energy from the plug in your ass entices you crawl to the next man, allowing him to fuck your enthusiastic mouth in any way that he desires. Yes. You know that the other hunky gym patrons can see you under the table and you can find yourself feeling more horny and turned on and slutty from the thought of every cute boy around you knowing that you are a completely gay slut who loves to fuck men and swallow their delicious come. Happy. Desire. Adorable. And as you grab your man from underneath the table, pulling him even deeper and deeper into your horny mouth, you can discover yourself feeling happy and loved and accepted by the beautiful men that you both adore and desire sexually. Deeper and deeper as you find yourself feeling relaxed and comfortable and at peace as you drift deeper and deeper into a soothing hypnotic state.

✧ **Sleep**

Feeling relaxed and calm and at peace as you slowly start to become aware of your surroundings, finding yourself back in your familiar bedroom, reminiscing about your

completely normal and exciting and eventful day. Yes. You can find yourself feeling satisfaction and accomplishment and pleasure as you sink deeper and deeper into the soft and relaxing bed around you. Comfortable. Safe. Soothing. And as you relax even deeper into a soothing and relaxing and obedient hypnotic state, you can find yourself thinking about your dull and rainy morning, feeling alone and lonely and desperate as you woke up with no cute boy sleeping next to you in your bed. Yes. You intuitively know that you prefer to wake each and every morning with a sexy hunk sleeping beside you, and you can find yourself craving the feeling of having many half-naked, masculine friends around your home at all times. Loved. Peaceful. Desire. And as you think about all of the exciting plans that you desire and crave for your future, you can find yourself wishing that you had a dominant and masculine and completely sexual man warming your bed next to you and cuddling up with you as his massive erection rubs up against your willing ass-cheeks. Yes. And as you think of how kinky and erotic it would be to wake up next to a naked hunk each and every day of your life, you can discover your horny mind drifting towards all of the handsome and masculine men that you saw on your commute, finding yourself wondering about the sexy muscles and delicious cocks hidden beneath their clothing, and wondering how many of them are also gay and available to stick their manhoods in your willing mouth. Excitement. Masculine. Happy. You are fantasizing about your own gay paradise in which you can freely express yourself sexually, thinking about all of the hunky, masculine men that you have interacted with over your life, imagining them nude and oiled and aroused, as you work to pleasure each and every one of them. Yes. You are easily getting lost in your own completely pleasurable, gay fantasy, knowing that you will only be the happiest and most satisfied in your future once you are able to fuck as many men as you could possibly desire. Yes. You remember how many times you have daydreamed about each and every attractive hunk that you have seen and can feel your empty ass naturally begin to tingle pleasantly, begging to be filled and used by the masculine and hairy and dominant men that you crave and love and desire. Yes. You can remember from your past that you have always had these erotic and gay and pleasurable fantasies, and have always dreamed of being able to suck as many dicks as you desire from the men that love to use your fuckable body and willing, horny mouth. Pleasure. Desire. Loved. And as you lay in your completely comfortable and relaxing bed, intuitively knowing that all of the lessons you have learned today are completely important and true and accurate in your life, you can find yourself feeling accomplished and fulfilled and satisfied that you have so easily accepted the actions and desires and lifestyle that you need in order to live your perfect life and become the man that you have always dreamed of becoming. Yes. Your mouth salivates pleurably in anticipation whenever you think about blowing all of the men that

you see at the gym, and can find yourself imagining how happy and satisfied and fulfilled you will feel once you are able to fuck sexy men each and every day of your perfect future. Masculine. Confident. Happy. You are naturally turned on and aroused and horny as you fantasize about the exciting sexual experiences you will have in your ideal life with your completely sexy and cute and masculine friends, and can find yourself immediately feeling a sense of belonging and acceptance and security with any group of gay men that you meet. Yes. You fantasize about how exciting it would be to invite your cute gym friends to live with you, always feeling comforted by the thought of surrounding yourself with masculine men, and excited for the completely erotic and pleasurable sexual experiences that they bring. Desire. Excitement. Pleasure. You crave to learn new ways to pleasure and fuck hunky, masculine men to orgasm and you can find yourself feeling horny at the thought of wondering what the dick of every man that you meet tastes like. Yes. You can find yourself feeling happy and comfortable and relaxed with your completely natural and gay and exciting thoughts as you drift deeper and deeper into a calm and soothing hypnotic state.
