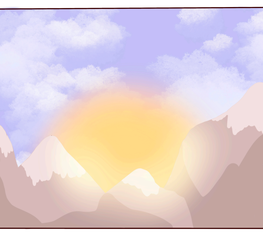
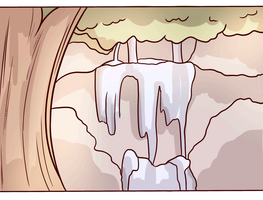
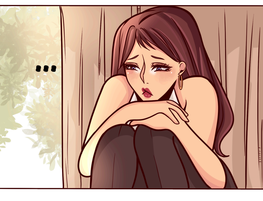
Mid-heaven



As expected...



Idunna didn't take that good.



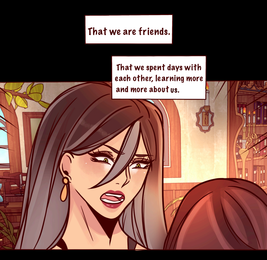
...

A bit earlier

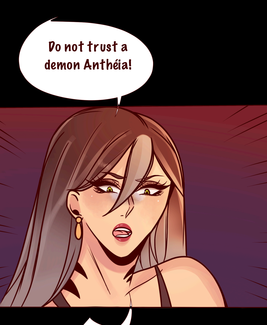
. . .

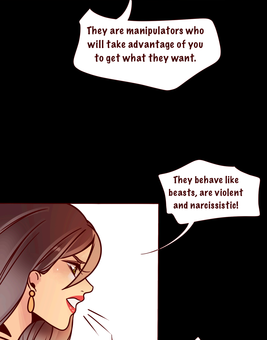
You're joking right...?

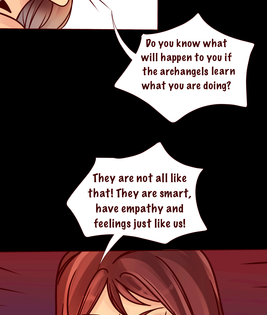
No... I'm not.



That she would never hurt me.





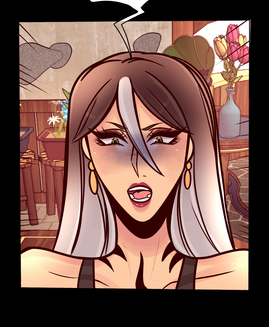


But she simply couldn't understand.

Come to mid-heaven with me and

I'll show you how wrong you are.

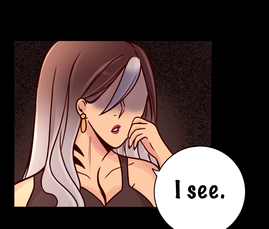
How am I supposed to protect you if you refuse to listen to me?!



I-

I don't need you!

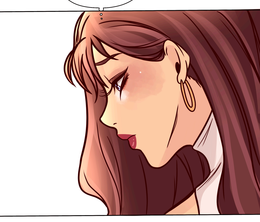
...



I see.

After what I said... Idunna and I didn't talk to each other the rest of the day.

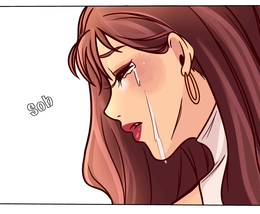
How could I said that to her....



Of course I need her...

She's my sister and my best friend...

I'm an horrible person.



If I loose her I...

What should I do?I wish she was here with me...

I miss you... Lilith...
