EXT. SOME FUCKIN' DESERT - DAY

The Decepticons and Autobots are fighting, MEGATRON is making off with energon. OPTIMUS PRIME orders ARCEE to stop him.

OPTIMUS PRIME  
Arcee! Megatron is getting away!

ARCEE  
Don't worry Optimus! I'll get him!

Arcee chases Megatron down. He turns around, punching her in the face.

MEGATRON  
Piss off!

Arcee screams and goes down, everyone stops shooting.

BUMBLEBEE  
Awh what the fuck, Megatron? You can't hit a girl!

MEGATRON  
What! Why not? She was shooting me!

OPTIMUS PRIME  
It's 2016 Megatron, don't you read the internet?

ARCEE  
That wasn't a very feminist thing to do, Megatron!

Megatron looks to his Decepticons, they look away, awkwardly.

MEGATRON  
Decepticons! Retreat! I'm very frustrated and confused!

INT. MEGATRON'S COMPUTER ROOM

Megatron, while eating a tub of B&J's, opens 'The Internet'. He's bombarded with social justice articles.

MEGATRON  
(while eating ice-cream)  
Oh my! Oh! How have I been so blind!

INT. DECEPTICON BASE

Megatron assembles the Decepticons.

MEGATRON

Gentlemen! I've been doing a great deal of research and I've decided the Decepticons need to be more politically correct!

Megatron transforms himself a pair of tits.

MEGATRON (CONT'D)

I'm a woman now!

The Decepticons gasp.

MEGATRON (CONT'D)

Silence! I've also decided that you're all problematic!

Megatron points at the Decepticons one-by-one.

MEGATRON (CONT'D)

You're problematic! You're problematic! And you're *really* problematic!

PENIS SHAPED DECEPTICON

What?

MEGATRON

Goodbye, fuckboys.

Megatron kills all of the Decepticons. STARSCREAM enters, eating a bag of chips.

STARSCREAM

Wow! That's a cracking pair of tits Megatron!

MEGATRON

Starscream! You've objectified me for the last time!

Megatron aims at Starscream. Starscream falls to his knees.

STARSCREAM

Please! Spare me Lord Megatron! I can be PC too!

MEGATRON

Megatron was a mysogobot. I, am  
Offendotron! Leader of the  
Offendocons!

EXT. SOME FUCKIN' DESERT - DAY

The Offendocons interrupt the Autobots playing volleyball.  
Optimus, Bumblebee, PROWL and GRIMLOCK turn and look.

MEGATRON

Face me, Prime!

OPTIMUS PRIME

Those mouth-watering breasts aren't  
fooling anyone Megatron! I'm still  
gonna shoot you.

MEGATRON

You ought to check your privilege  
Prime. Before one of my new  
warriors checks it for you! Behold!

Megatron introduces his new warriors one-by-one.

MEGATRON (V.O.)

CURVEBOT!

CURVEBOT

I'm sexy.

MEGATRON (V.O.)

SAFESPACE

SAFESPACE

Bleh!

MEGATRON (V.O.)

And, BLACKBOT!

BLACKBOT

Yeah, I'm just a black guy. I don't  
really wanna be here...

MEGATRON

Yes you do! You're a minority,  
start acting like it!

Blackbot explodes. PROWL shot him. Bumblebee freaks out.

BUMBLEBEE

Jesus Christ Prowl!

PROWL

What? I thought we were starting!  
Aren't we starting?

There is a pregnant silence.

PROWL (CONT'D)

Oh fuck you guys, I don't need  
this!

Prowl transforms into a cop car and speeds off.

BUMBLEBEE

Gee fellas, I don't wanna be on the  
wrong side of history here...

GRIMLOCK

Yeah! Grimlock don't want to be bad  
person.

OPTIMUS PRIME

Awh what? Everyone wants to be a  
Decepticon now? Come on guys! It's  
just Megatron with tits!

BUMBLEBEE

Wow. Really Optimus? Okay.

MEGATRON

He's intolerant! Break his legs!

The Offendocons jump Optimus, Starscream steals his wallet.

STARSCREAM

At last! We're free from  
oppression.

MEGATRON

Great job using your girthy ass to  
crush Prime's head, Curvebot!

CURVEBOT

Fuck you Offendotron, you skinny  
whore.

MEGATRON

Don't slut shame me! It was a  
compliment!

Megatron shoots at Curvebot.

BUMBLEBEE

Hey! Leave her alone!

The Offendocons start fighting. Grimlock rocks back and forth inside Safespace, sucking his thumb.

GRIMLOCK

Too much in-fighting! Grimlock  
can't even! Grimlock literally  
can't even!

One of Megatron's tits gets shot off.

MEGATRON

Argh! My voluptuous booby!  
Offendocons! Retreat!

Megatron and Starscream run away. Curvebot and Bumblebee start fucking.
