Thirty-seven!

Thirty-eight!

Honesty

T-thirty-nine!
Oww!

Are we reflecting yet?

Yes...
Thank you very much, ma'am...

Forty!
Ha...
Haa...

My butt feels like it's on fire...

Fufu, to think you'd kick up such a fuss over being spanked by just her hand!

Hey, it really, really hurts, okay? That teacher's serious about this.

Heh heh... What an idiot.

There's always a loophole for stuff like this.

Watch and learn.

Where's that confidence coming from...

Hey, missy. You're next.

Stop dilly-dallying and come over my lap.

Yes, yes.

Fufu, only little kids would be afraid of something like that.

Oh my, you sure don't seem scared of being punished.

Please excuse me-

...

Fufu, I thought this would happen, so I wore 10 pairs of panties this morning!

This is truly the perfect crime!

Geez... How many pairs are you wearing?

T-teacher, how on Earth did you...!

There was a kid who did this last year too, you know?

How do you kids come up with the same ideas?

Phew, finally got them all off. Now, since you can't take your punishment honestly, let's have you take it on the bare, shall we~?

N-no!
No way!

It's no good to lie to your teacher!

And?
Where're your manners?

Thank you... very much.

I'm sorry!

I would
recommend some
treatment.

Treatment
Room

Please, right
this way.

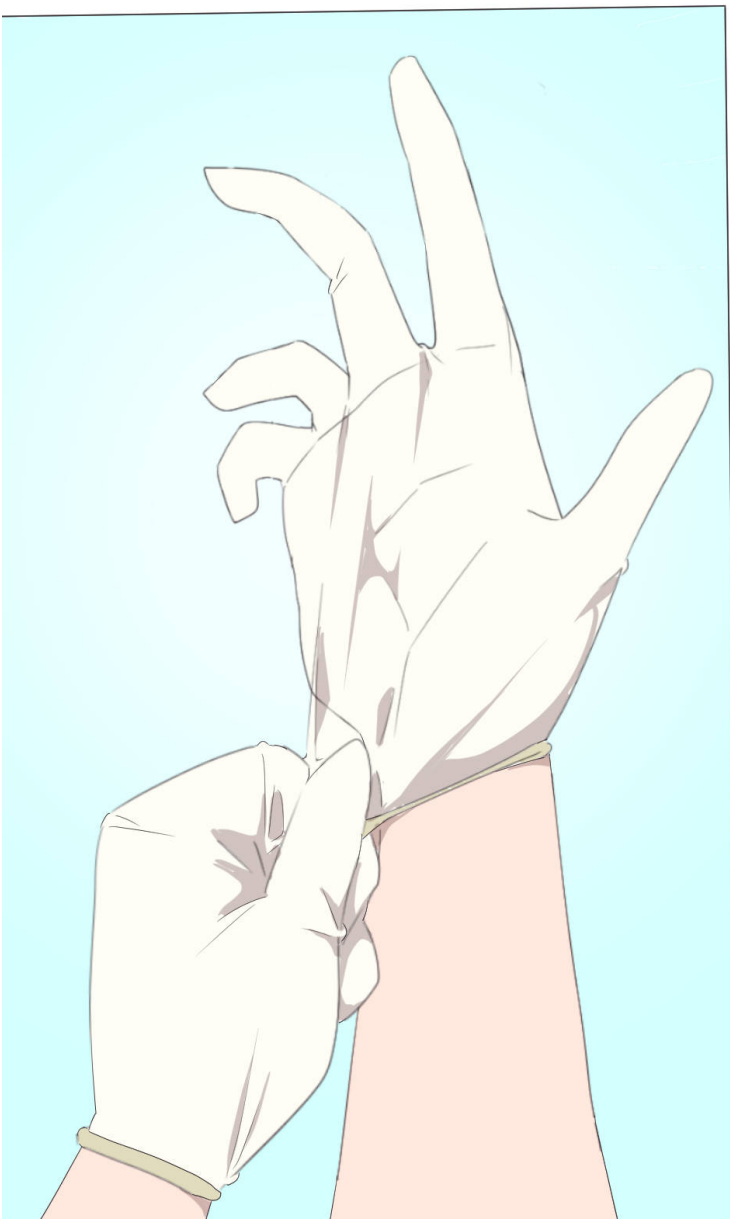

Did you get singled out by your director again?

Yes...

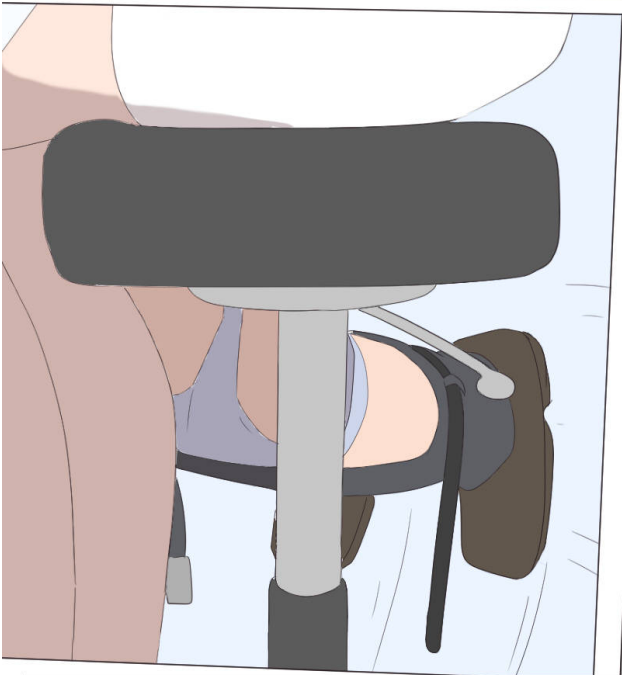

Fufu, please rest assured.

It's just the two of us here.

Now, let's start today's treatment.

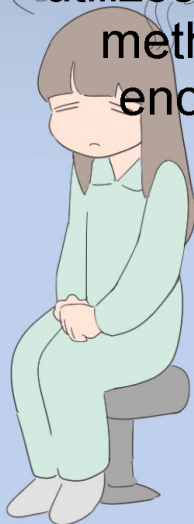

There's something known as the "Diana Effect". Tears are considered emotional outlets

and are chemically known to help expel stress hormones from the body.

This clinic's treatment utilizes a strange yet safe method of physically encouraging tears,

and helping the patient release their pent up emotions through tears.

A close-up illustration of a nurse's right hand and forearm. The hand is raised, showing a white glove. The skin is a light, healthy tone. The nurse is wearing a white short-sleeved uniform top.

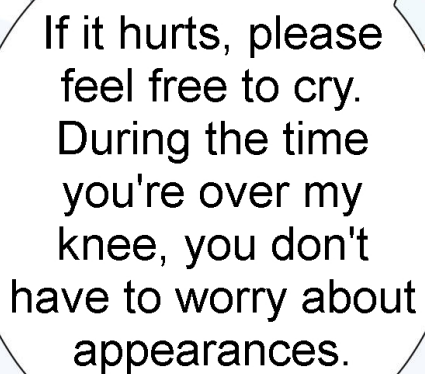

Slim, white hands and arms

A medium shot of a nurse with long dark hair in a bun, wearing a white nurse's cap and a white uniform. She has a gentle, serene smile and her eyes are closed. The background is a soft green.

An expression with a smile that never fades

A large illustration of the nurse from the previous panels, now depicted as an angel. She has white wings and a halo. She is kneeling on a white cloud, tending to a patient lying on a hospital bed. The patient's back is to the viewer, and a red, glowing area on their back indicates pain. The nurse has a calm, caring expression.

and gentle words that soothe the heart.
The figure of the nurse is almost like that of an angel's.

A circular speech bubble containing text. The nurse is shown from the waist up, looking down at the patient with a comforting expression.

If it hurts, please feel free to cry. During the time you're over my knee, you don't have to worry about appearances.

Just like that, tears readily flow over the nurse's knee.

Sob

Sob~

That's right. It's okay to cry.

There there, it must've been horrible-

And thus the treatment ends.

At the most beautiful part of your life

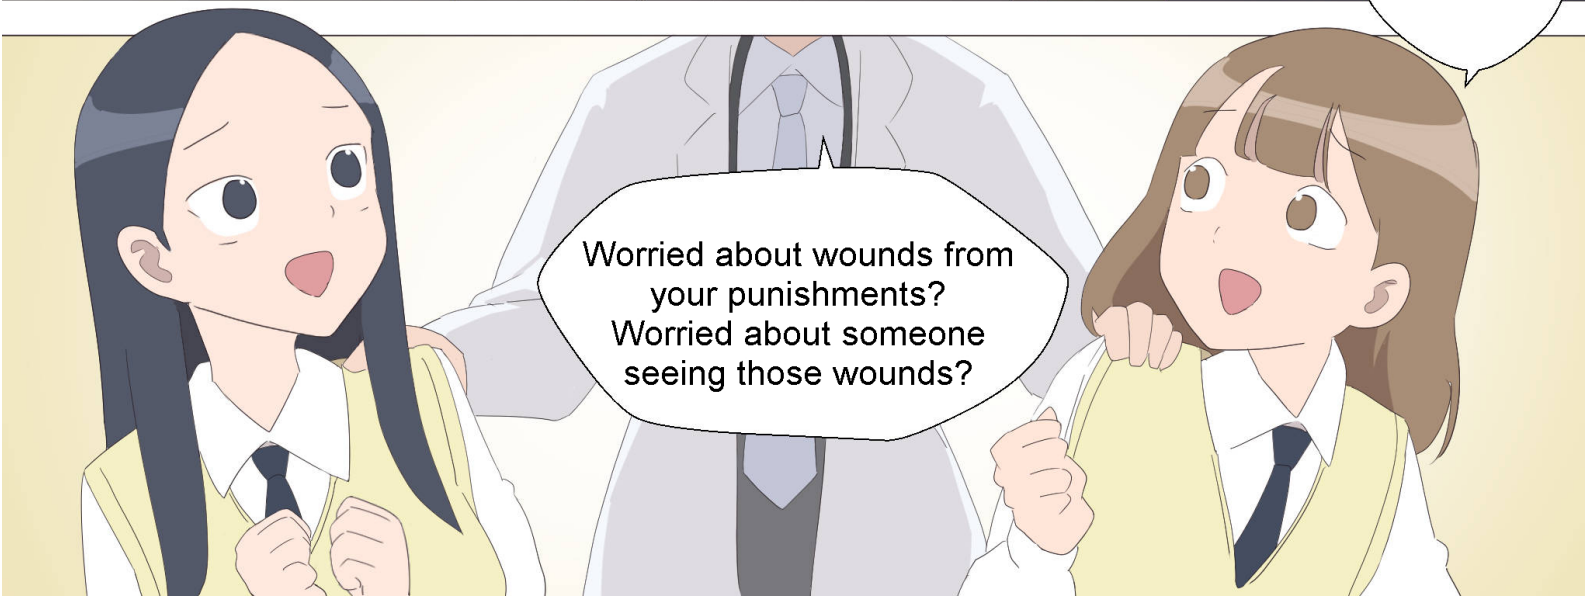

At the times where you're strictly punished at school and at home.

To sensitive girls, there is nothing scarier than the painful cane.

Someone help us-!

Hey, isn't that the minister's daughter?

How did they...

Hey! Hurry up with the punishment!

Miss, you need to lay on the bench...

Wait! Don't touch me with your filthy hands! I'll do it myself so let go!

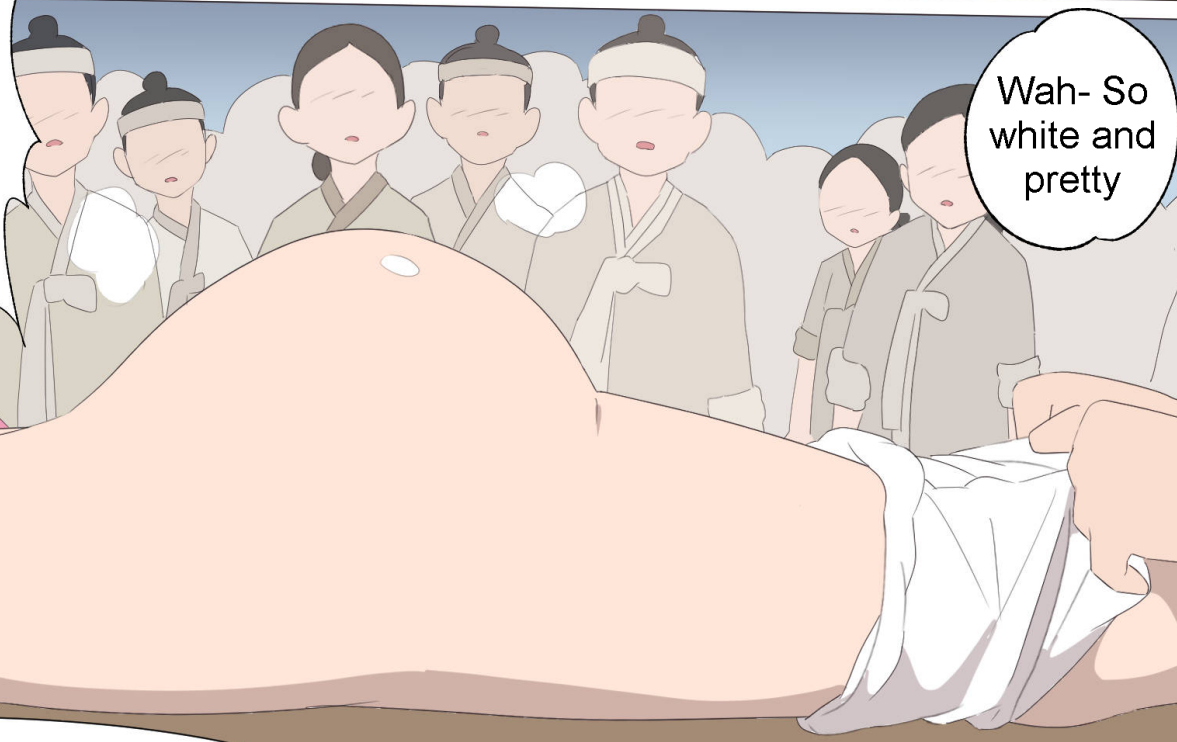

Miss, this is typically when you start crying in front of everyone...

Shut up! Don't think I'm the same as those commoners!

What are you all staring at?! Look away right now!

Wah- So white and pretty

Right, right. Then endure this properly, miss.

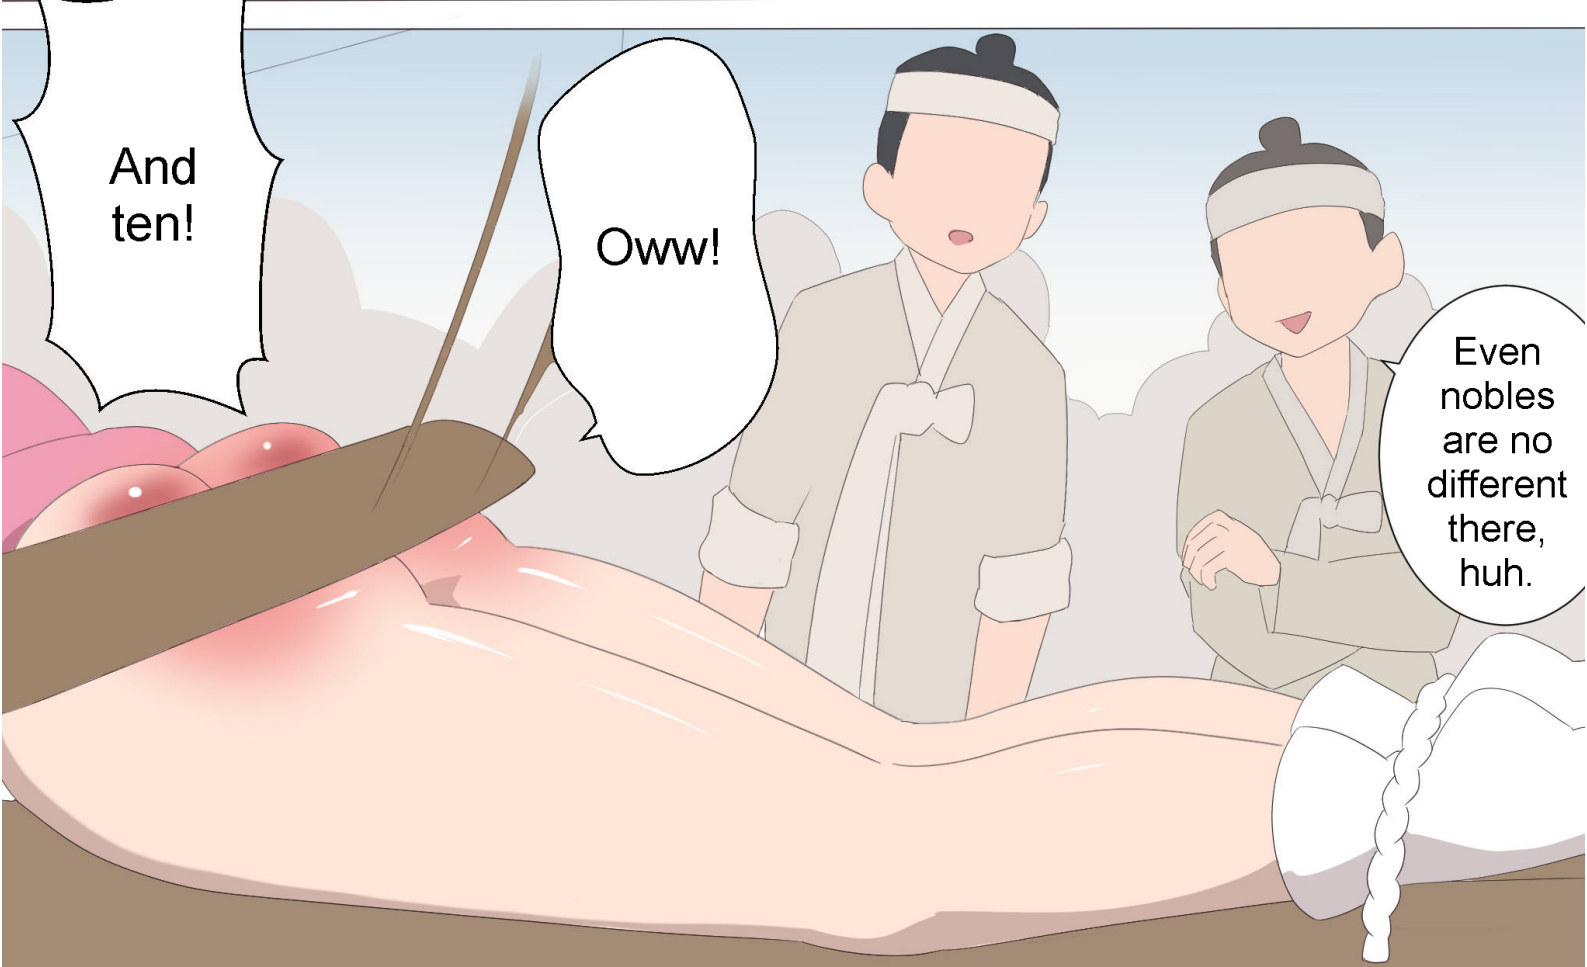

I definitely, *definitely* won't let these common folk see such a humiliating side of me!

I told you the attitude towards your punishment was important, no?

B-but it really hurts..

Isn't it obvious that punishments hurt? But if you're repentant, you should be able to endure it, right?

Geez. Your juniors are watching, too.
