

Chapter 22

I don't want to
be a boy!

A few days later...

happy

At last, she should be the same as us and not better.

The only thing that surprises me is the white color.

Now Mutsumi-chan will no longer have bigger breasts than us.

happy

Naomi, and what is it actually?

This, this is angel's milk.

Shocked

Shocked

What?

Actually yes, you know you are an angel and this is called angel's milk.

No, it's just such a name just like bird's milk.

Bird's milk?

Whatever, I could even drink yours as it would help me have bigger breasts than Mutsumi-chan. hehe

No, don't drink it!

If you drink it now your breasts may disappear.

What?

It's not you who should drink it but Mutsumi-chan.

Say such things right away!

Shocked

I'll tell you exactly what to do right away.

But first I have a small request.

Will you tell me where the toilet is?

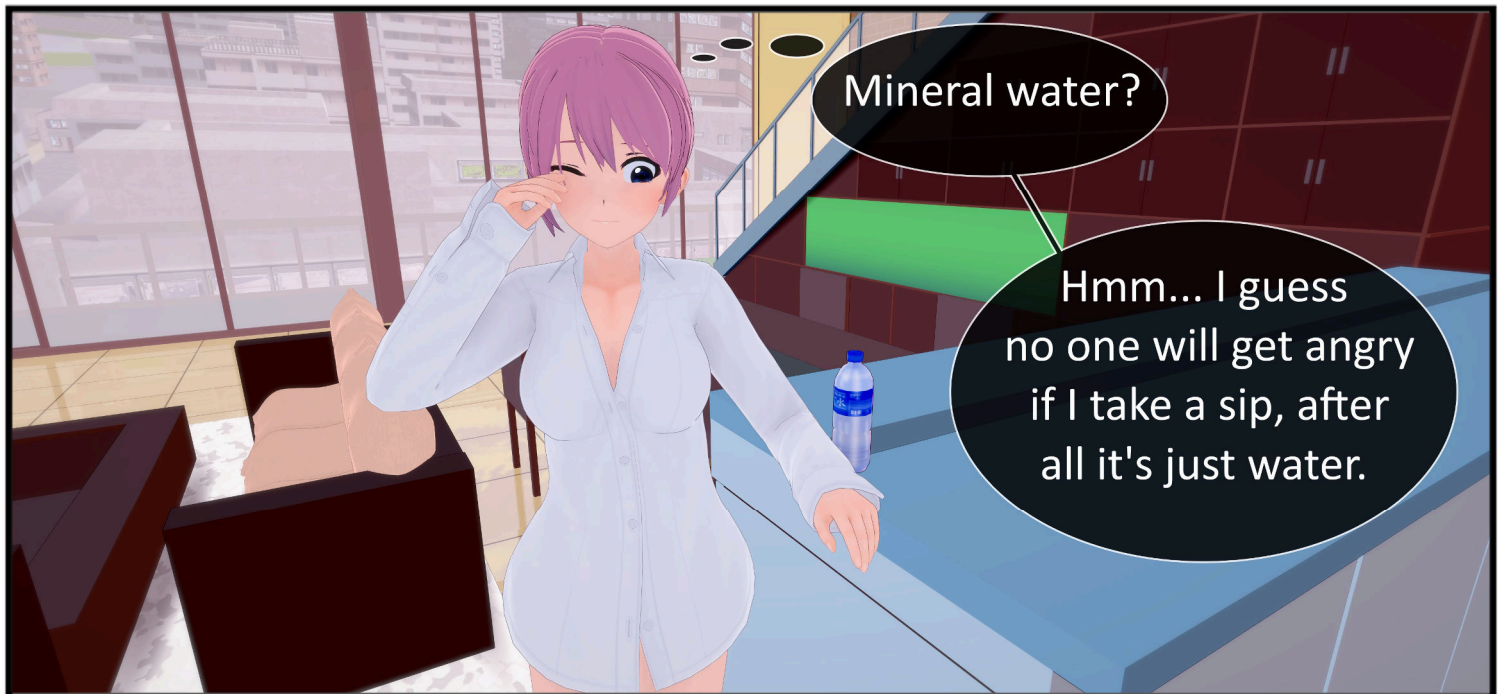

Nino go look for Mutsumi-chan and I'll take Naomi to the restroom.

She's probably studying again.

I don't understand how you can only study all day.

Ichika, what are you doing?

Did you just drink Naomi's drink?

Sorry, I'll buy this thing back for you.

Just don't say you drank it all.

Not just half, and what does it do?

Shocked

What, you are kidding me.

And how long before it starts working?

It makes breasts smaller.

Unfortunately, no.

A moment later...

And how long exactly is it supposed to cool?

It will simply undo the effects of itself?

After a few minutes the effect will reverse.

And after half an hour it will start to act as an antidote.

Exactly, that's why it's better to wait instead of taking a risk. Of course, I will wait along with you as if something were to go wrong.

20 minutes later...

There's nothing like a good run to shed a few pounds.

I recently read that the size of a woman's bust depends on the amount of body fat.

This means that if I lose weight, my breasts will shrink.

I have also started drinking special protein drinks.

This should help me gain muscle mass at the same time.

Meanwhile, in Ichika's room...

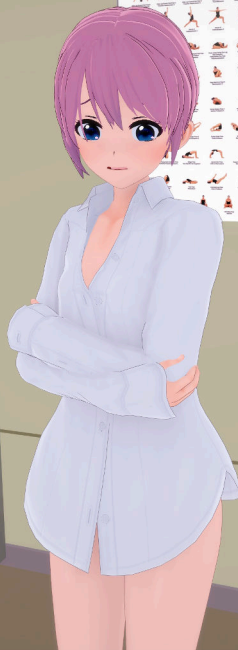

Unbelievable,
how could this have
happened?

Why is it
that lately only
misfortunes seem
to befall me?

How much
longer?

Maybe
it has already
cooled down?

Ten more
minutes.

Be patient, I don't
think you want to
end up with breasts
like beach balls.

Waaaa!

Wasn't
that Mutsumi-chan
screaming?

Something
must have
happened.

In the living room...

jealous

Shocked

Shocked

Eee... It looks like the angel's milk worked exactly as I expected.

What did you do to me again?

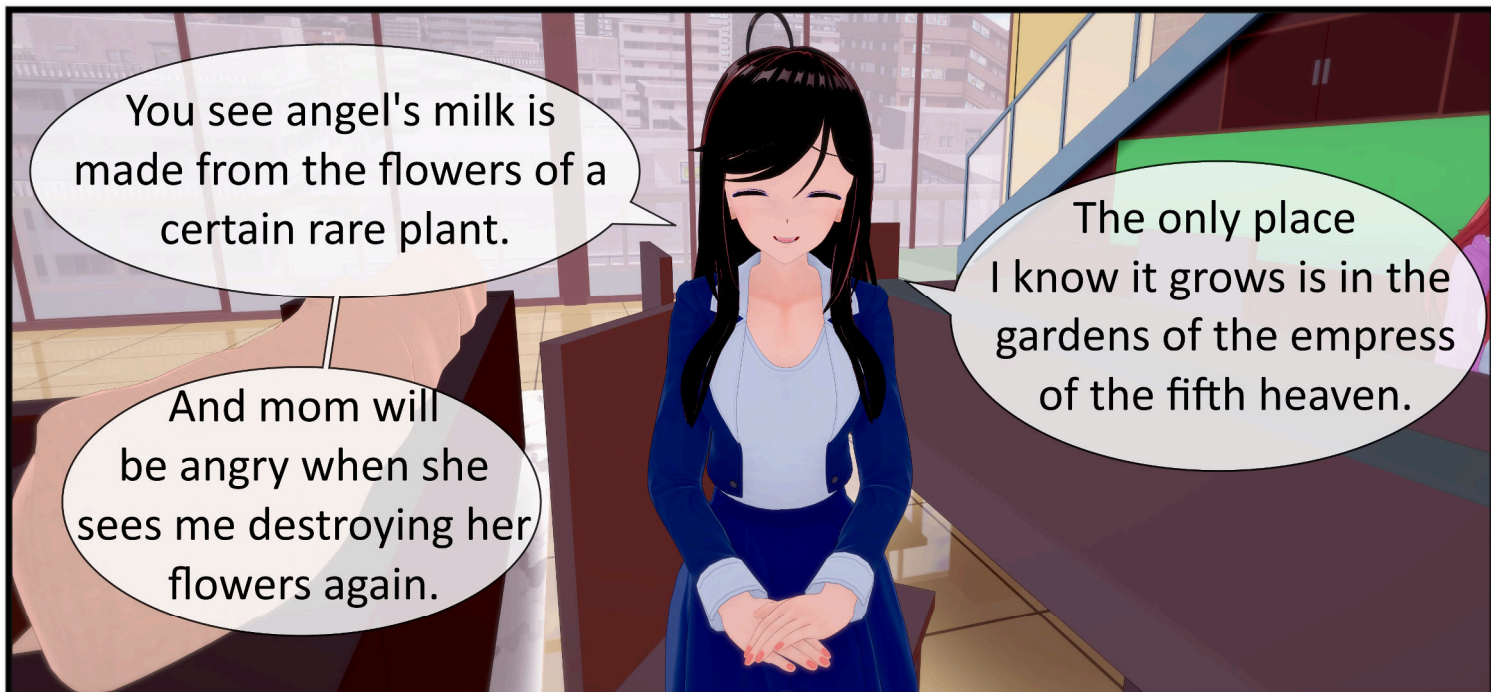

Mad

I was supposed to be like them.

And you made my boobs bigger again?

You see angel's milk is made from the flowers of a certain rare plant.

The only place I know it grows is in the gardens of the empress of the fifth heaven.

And mom will be angry when she sees me destroying her flowers again.

Sure, it's better not to piss off...

Wait a minute did you say "mom"?

Surprised

Yes, but no worries surely there must be other places where they grow.

Until then, unfortunately, you have to cope somehow.

Now I understand more why that succubus there was so afraid of Naomi.

In Ichika's room...

Unbelievable,
I'm flat as
an ironing
board.

And
yesterday
I had one of
the bigger
breasts at
school.

Now I look
like a trap.

I just
hope that
despite this,
everyone will
still think I'm
a girl.

Well... It's
not so bad.

And as for
the lack of breasts,
at least my back
will rest.

My penis
shrank after what
that girl did.

Meanwhile, at Fuutaro's...

Gosh, they're much bigger than I thought.

Shocked

How do they still fit in my bra?

It seems to me that my clothes adjust to every change in my body.

At least that much, I wouldn't want to have to buy new clothes.

And to think that they wanted to make my breasts smaller.

Why must fate always be against me?

I think that with such a body I probably can't complain.

We still want to be back a guy but....

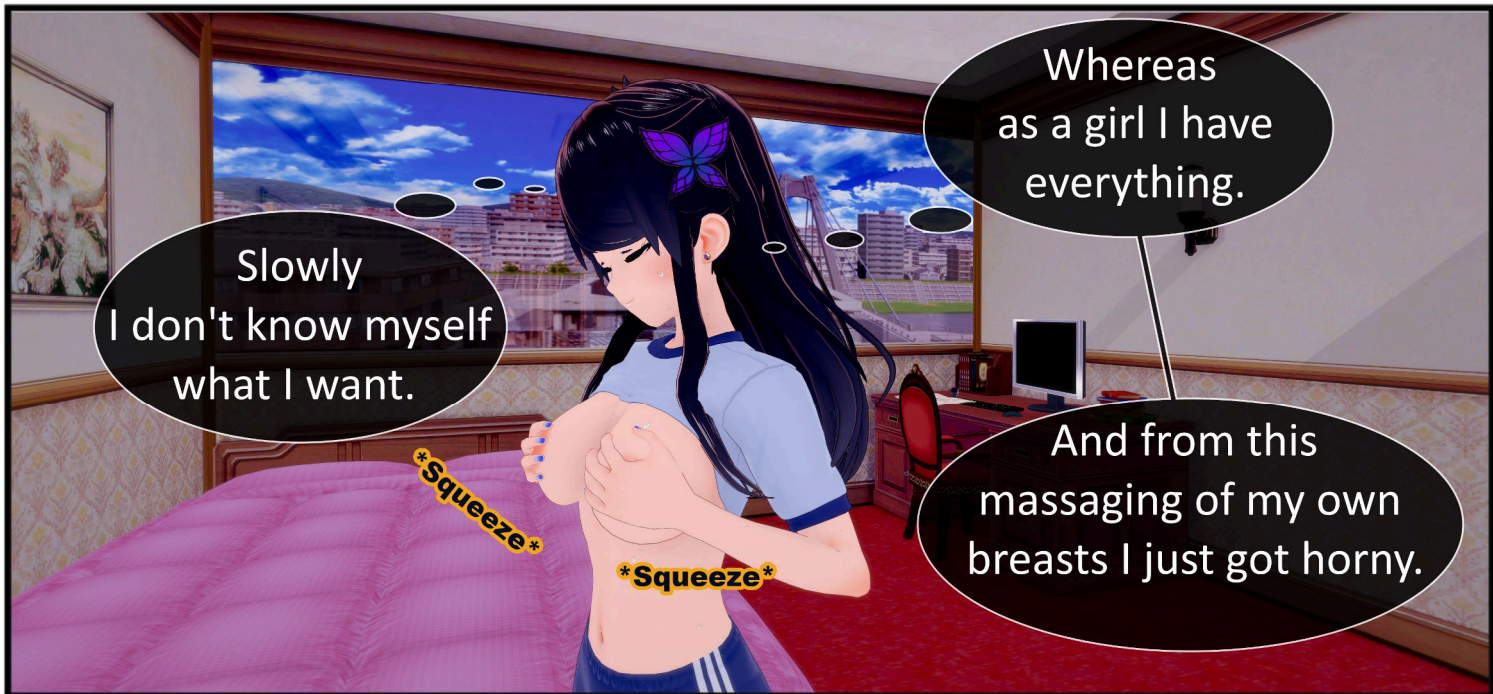

Being a girl doesn't seem so bad to me anymore.

Do I really slowly accept it?

All in all, as a guy I am a complete zero.

And all I have is a bunch of problems.

Slowly I don't know myself what I want.

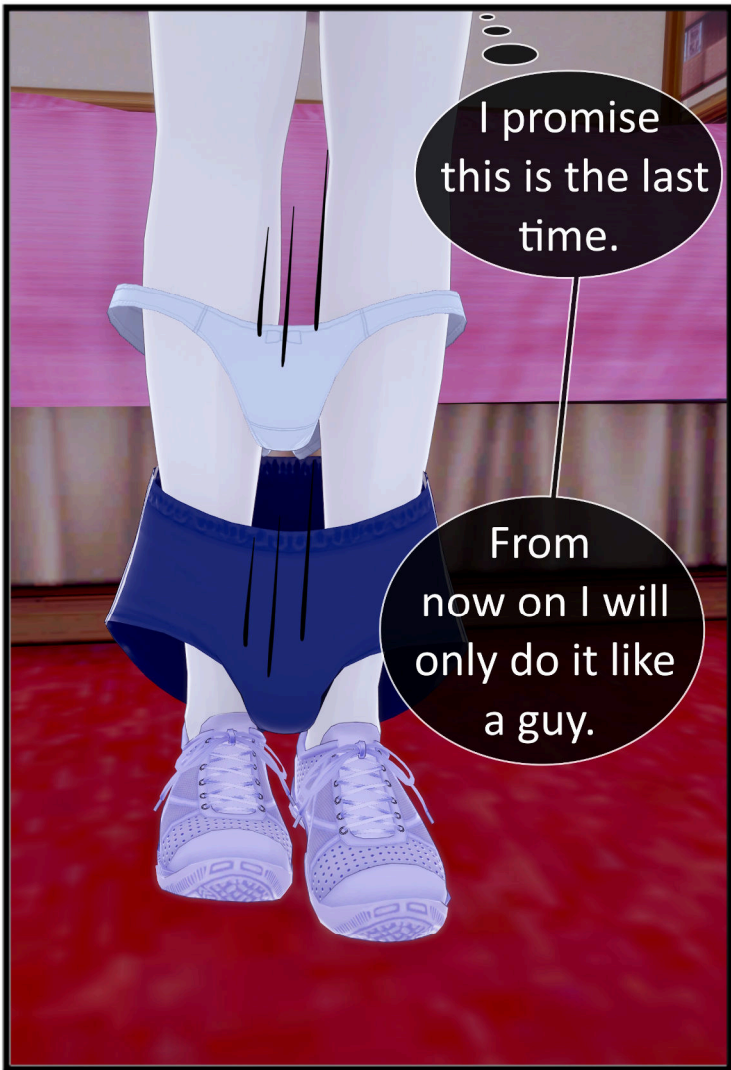

Whereas as a girl I have everything.

And from this massaging of my own breasts I just got horny.

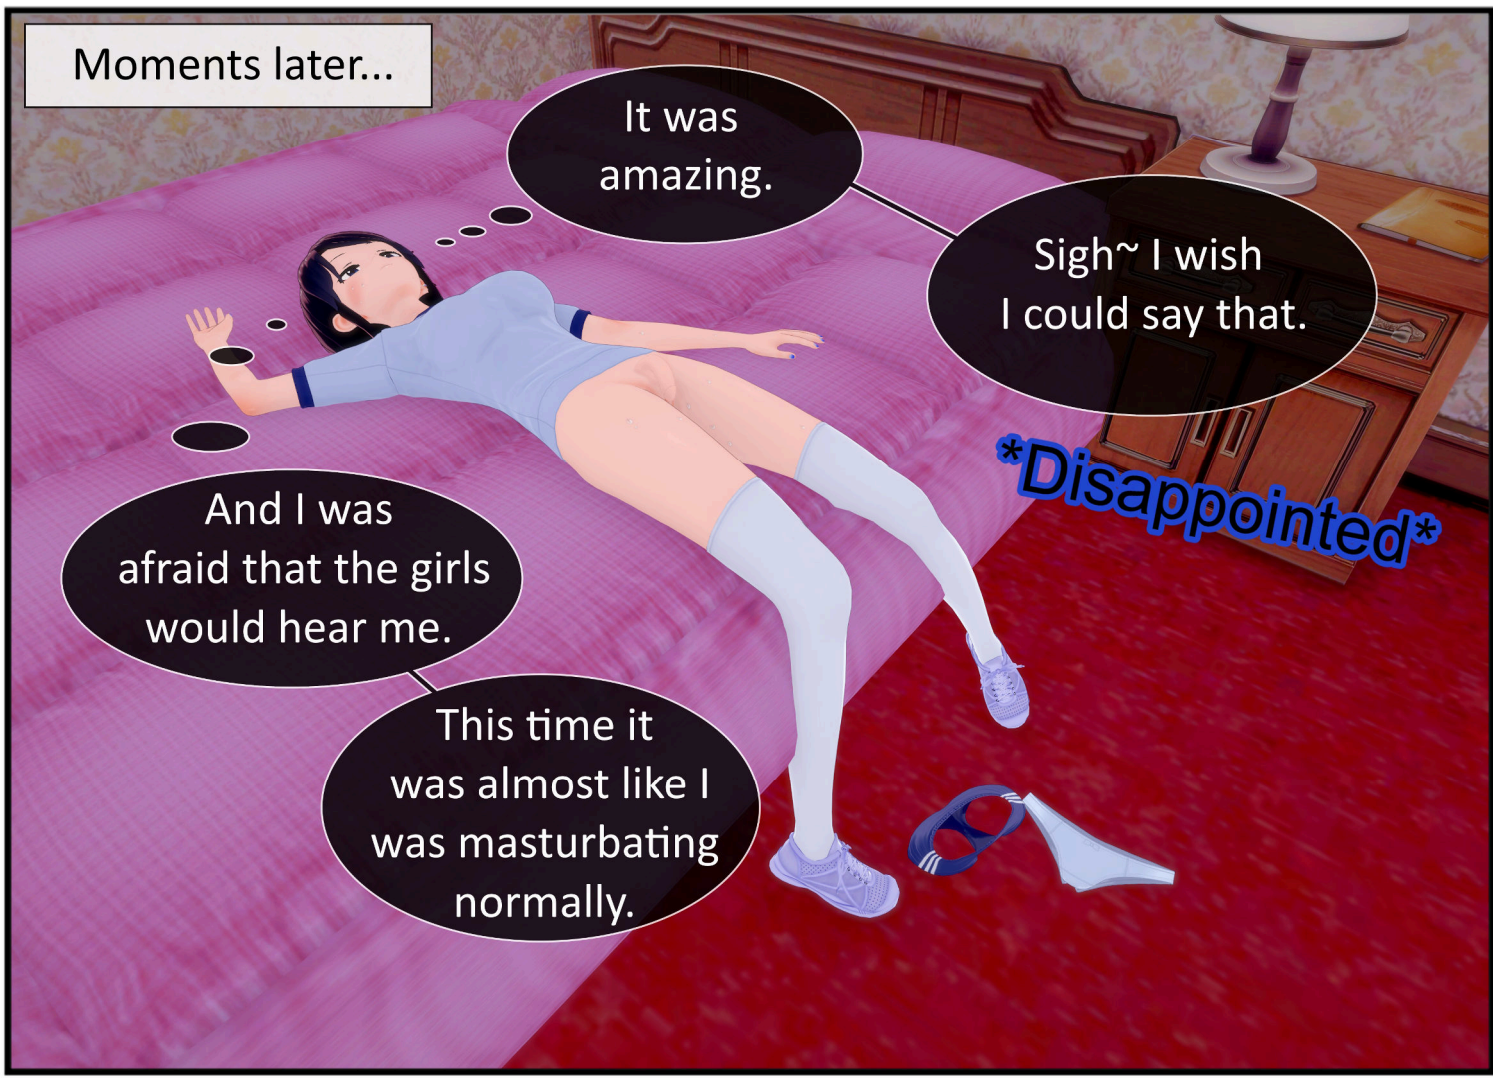

I promised not to do it again.

Well, I guess another time won't make much difference.

I promise this is the last time.

From now on I will only do it like a guy.

Moments later...

It was amazing.

Sigh~ I wish I could say that.

Disappointed

And I was afraid that the girls would hear me.

This time it was almost like I was masturbating normally.

I wonder if I had used a larger vibrator it would have had a better effect.

After all, this time doesn't count.

The next day at school...

I still can't believe she did it.

Why did she have to make everyone think I was a guy from now on?

And on top of that you discovered my secret.

It's probably because you have that thing.

It was a secret? You didn't hide it at all.

In the women's locker room...

Is it you again?

Mad

We already told you not to show up here again!

What but I...

Get out!

Your brother seems to have gotten the locker rooms mixed up again.

I think it will be better if you go to the men's.

Better go.

Shocked

What, to the men's.

You must be joking.

An hour later...

And later
I even had to
exercise together
with them at
PE.

Hold on, guys
don't have a period
after all.

Unbelievable,
I had to change
clothes
together with
the boys.

I think next time
I'll just pretend I have
my period.

He?

Surprised

Excuse
me, but what
are you doing
here?

Here,
but what do
you mean?

This is the
ladies' room.

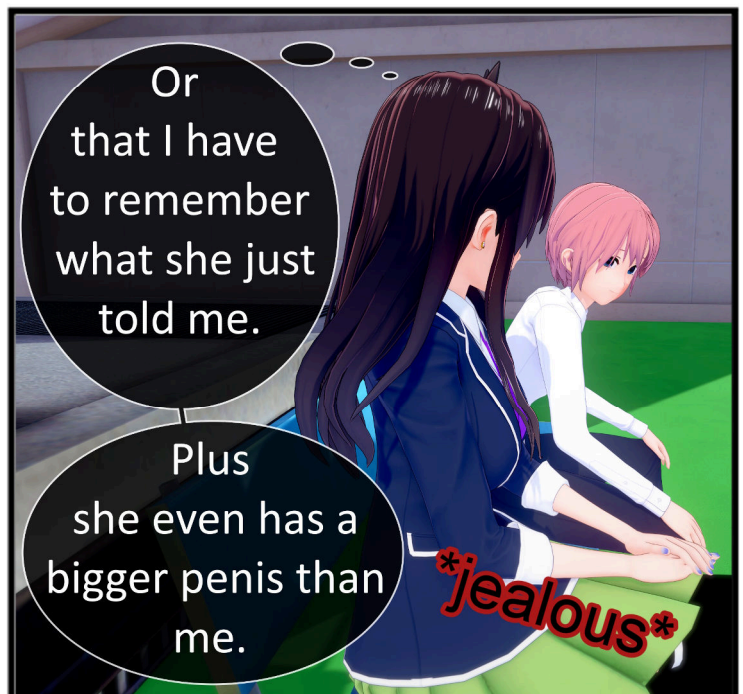

Really, sorry
I guess I must
have made a
mistake.

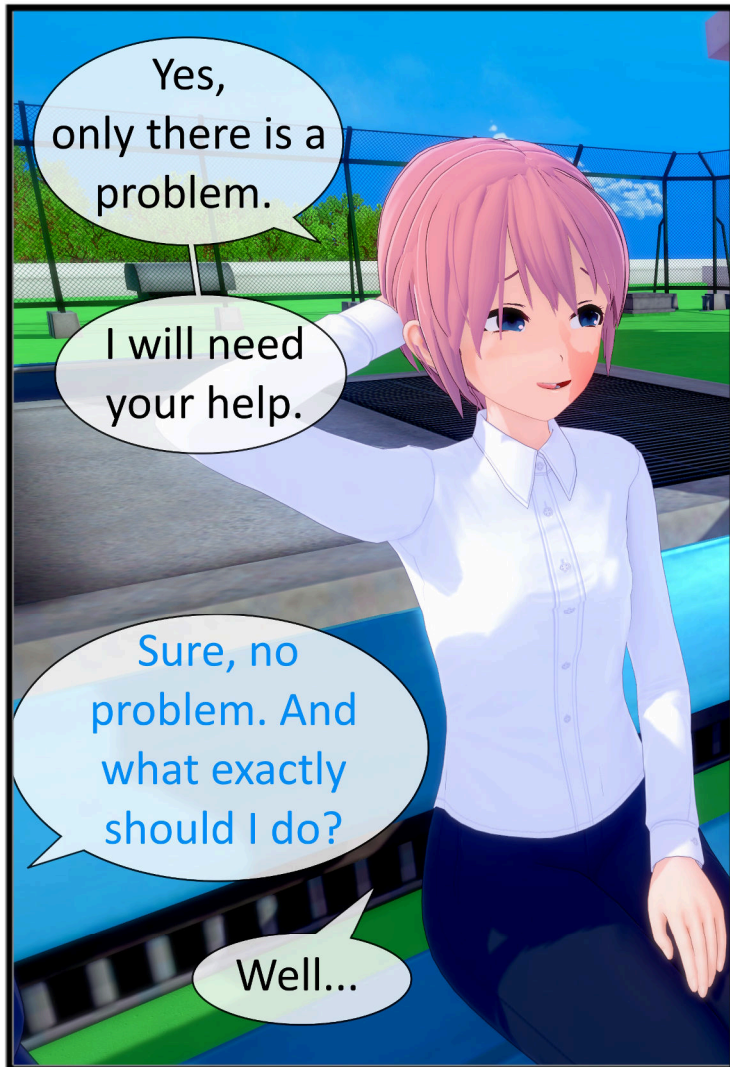

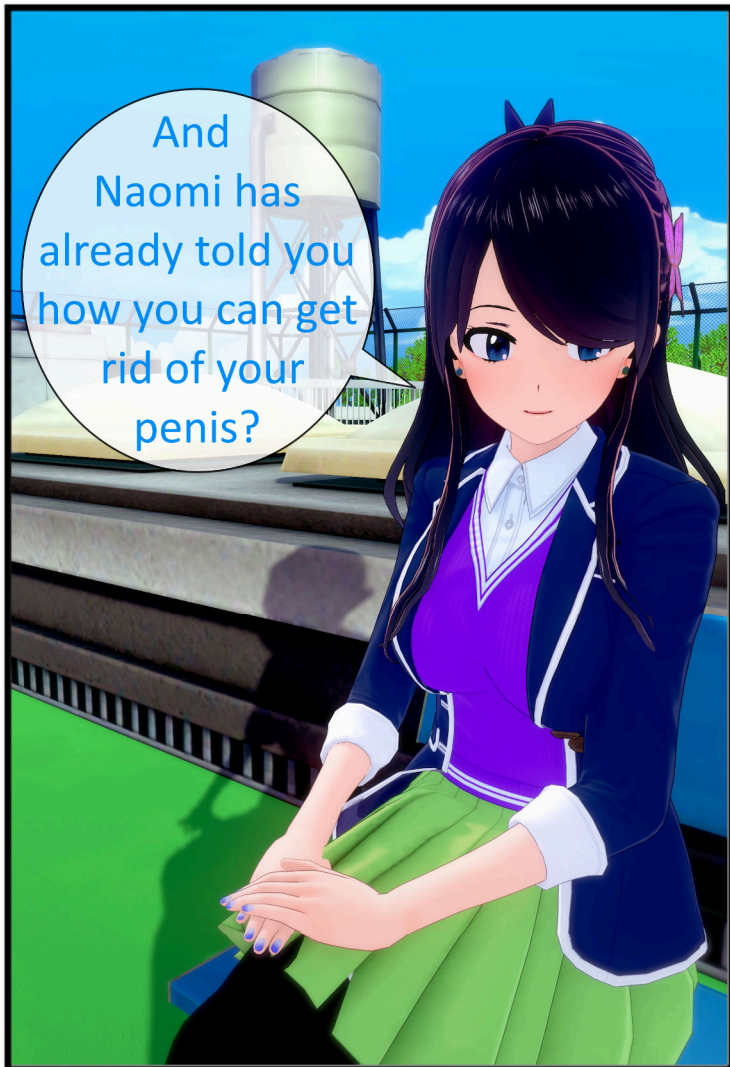

embarrassed

Please don't
tell anyone.

Sure , just
get out of here
quickly.

A while later...

Unbelievable, this must be some kind of joke.

Angry

Does she really think I'm going to let her stick her penis up my ass?

In the evening in the studio...

Welcome
back girls.

You don't
even know how
much I missed
you guys.

I will never
lose you guys
again.

happy

Unbelievable
that from now on
you have to dress up
as a girl.

But at least you
kept the role.

You had
to do it?

Did you really have to remind me that they are fake?

You couldn't wait a moment longer.

It looks like men don't have a proper understanding of timing and situation.

Are you talking about yourself? hehe

What, do you consider yourself a girl already?

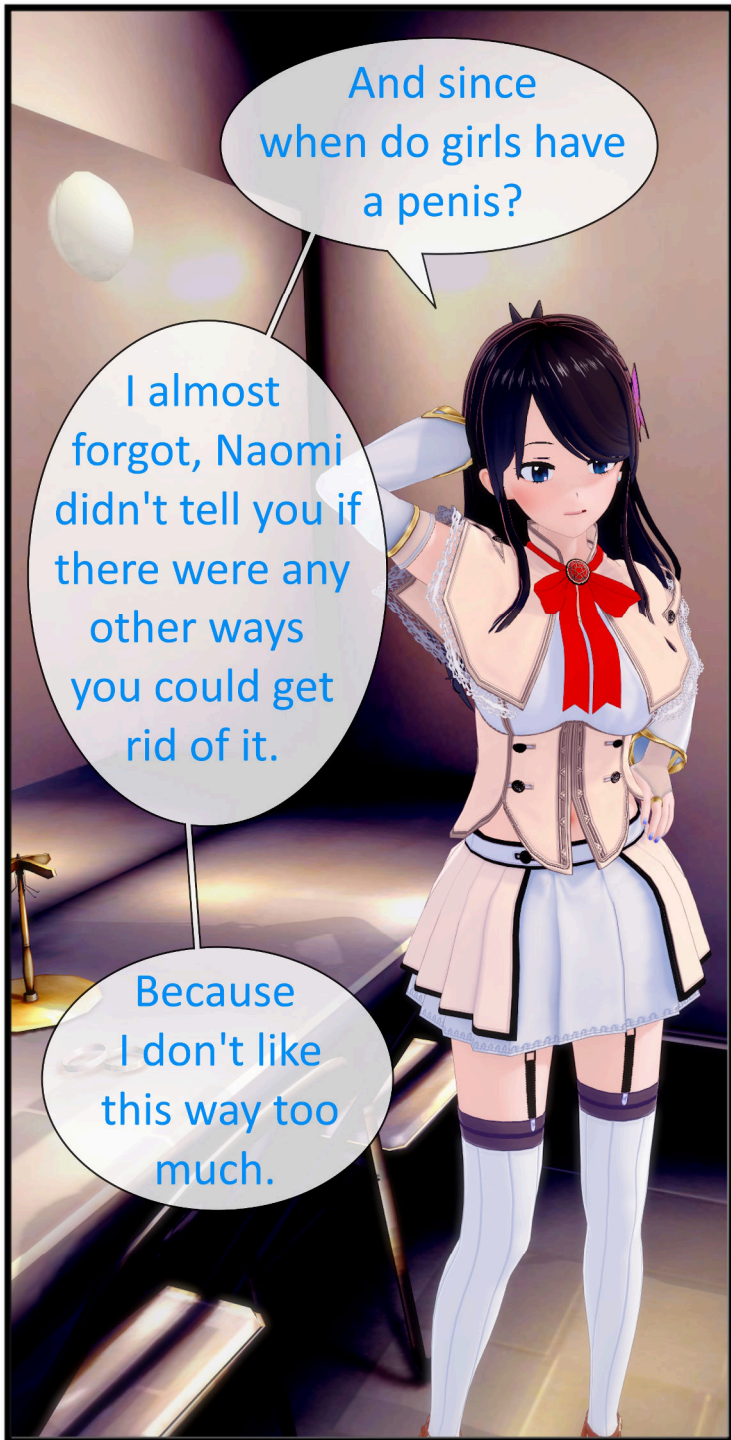

Never.

No matter what I will always be a guy.

Yes, for sure.

And since when do men have breasts?

And since when do girls have a penis?

I almost forgot, Naomi didn't tell you if there were any other ways you could get rid of it.

Because I don't like this way too much.

I understand, but I doubt there is any other way for me to get rid of it.

I will have to get used to it.

The main thing is that everyone should again think that I am a girl.

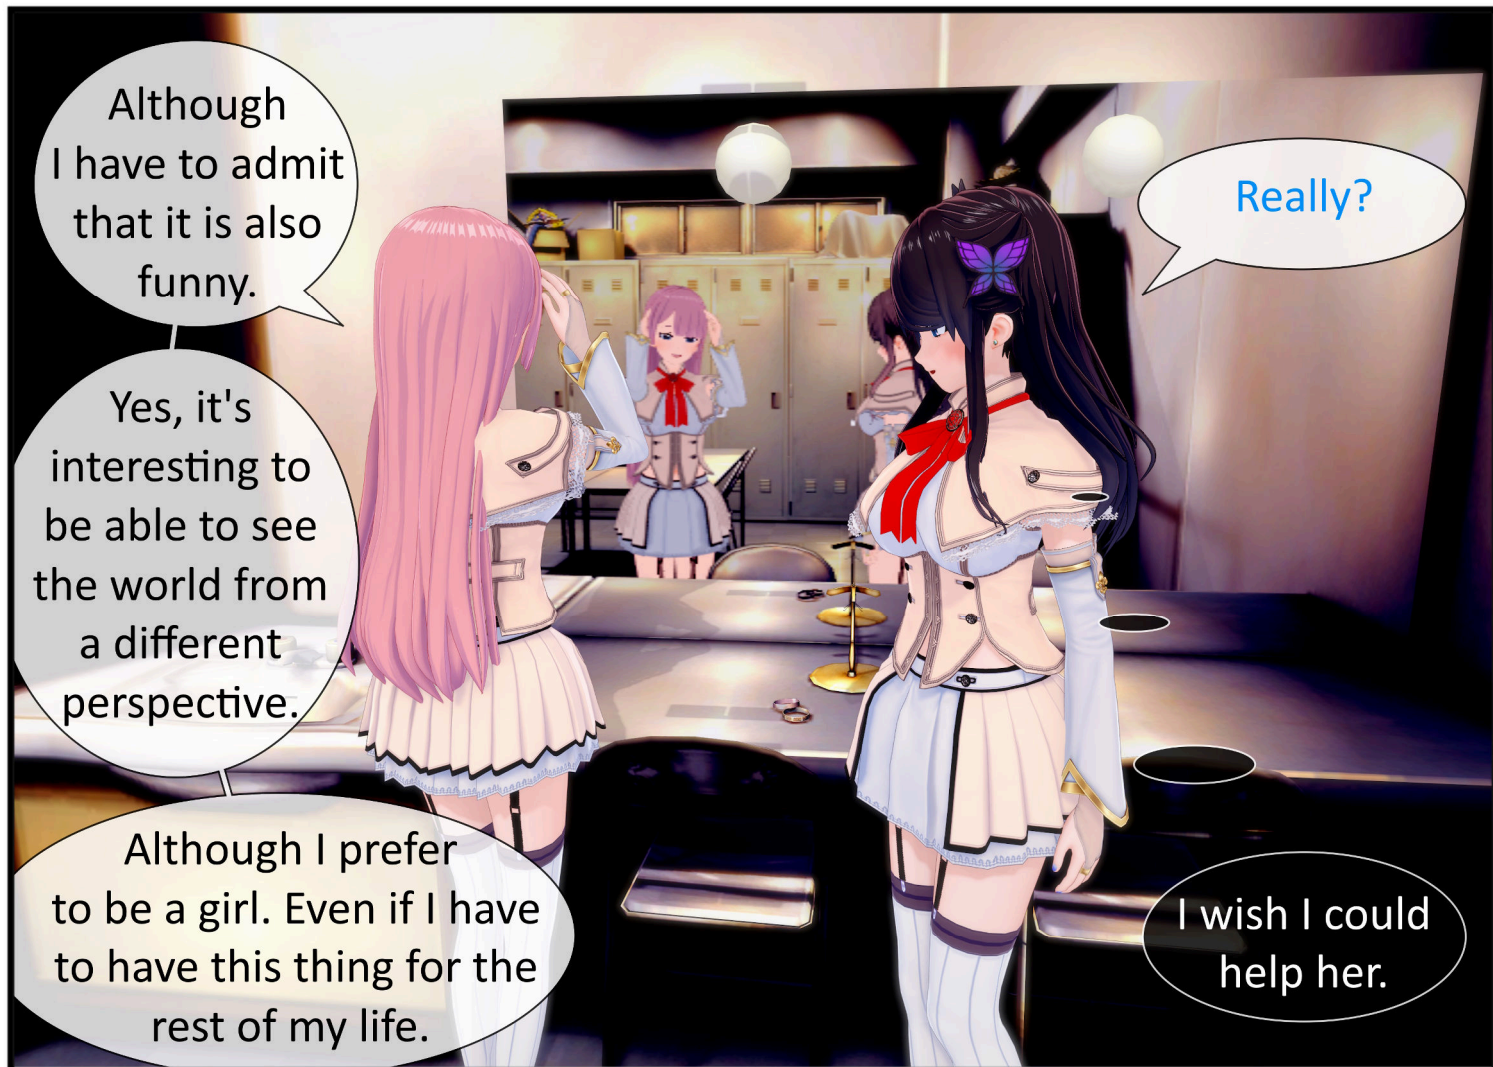

Being a guy is not so bad at all.

Sometimes it can be hard, but....

It's terrible.

I'm a guy one day and I've already been called a pervert and beaten up

Although I have to admit that it is also funny.

Yes, it's interesting to be able to see the world from a different perspective.

Although I prefer to be a girl. Even if I have to have this thing for the rest of my life.

Really?

I wish I could help her.

But I'm not going to force you to do anything, not this time.

And now let's go, they are probably waiting for us.

But do I really want to do it?

There will be no turning back after this.

Do I really want to end up gay?

Go ahead, I still have to do something.

After Ichika left...

Mutsumi-chan?
Has something
happened?

Hi Naomi, can
you talk?

No,
I would just have a
small request for
you.

Meanwhile, at Naomi's...

Sure, it's no
problem.

When I get
everything done I'll send
you a message.

Thanks.

disconnected

Did something
happen?

No, Mutsumi-chan
just had a small request
, nothing big.

I still don't understand
why you turned her
sister into a boyfriend.

I guess you will never change. hehe

But you said those flowers don't have any magic power.

Because they don't have any magic power.

But good tea comes out of them. On which you can cast any spell.

So you're the one who shrunk that girl's bust and made his bust bigger.

Shhh

Don't tell anyone about it.

Sure.

Meanwhile, in the studio...

Er...

confused

I know we need two identical girls.

But Mutsumi-chan has four more sisters.

Wouldn't it be better if one of them played the main role instead of her brother?

I mean they are girls after all.

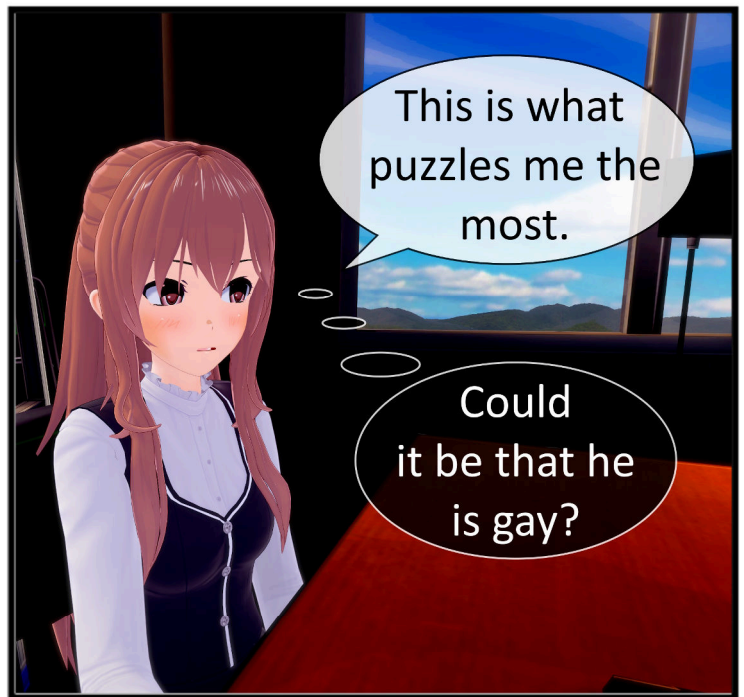

Yes, but only Ichika is an actor.

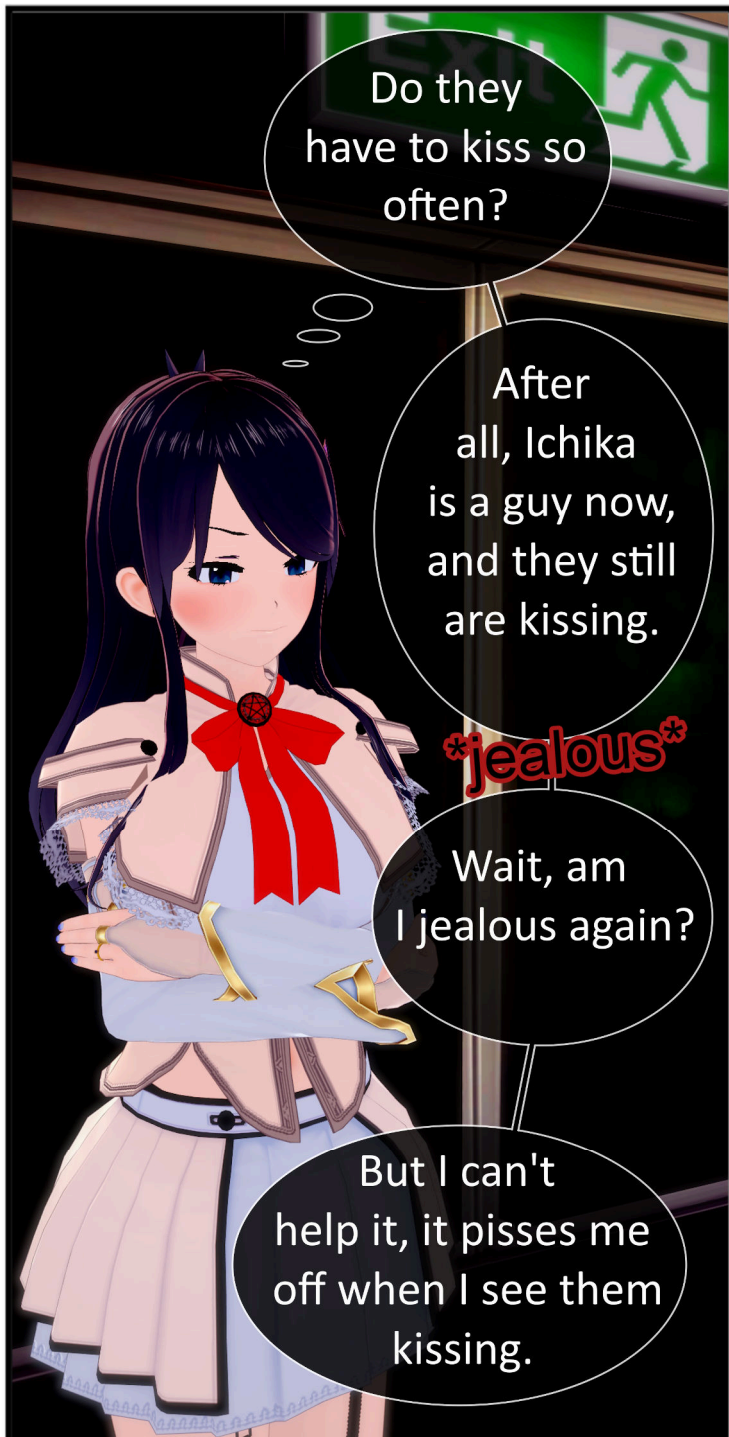

Besides, her sisters refused.

And Zian doesn't seem to mind.

This is what puzzles me the most.

Could it be that he is gay?

Do they have to kiss so often?

After all, Ichika is a guy now, and they still are kissing.

jealous

Wait, am I jealous again?

But I can't help it, it pisses me off when I see them kissing.

Someone here seems to be jealous.

積載量: 30kg

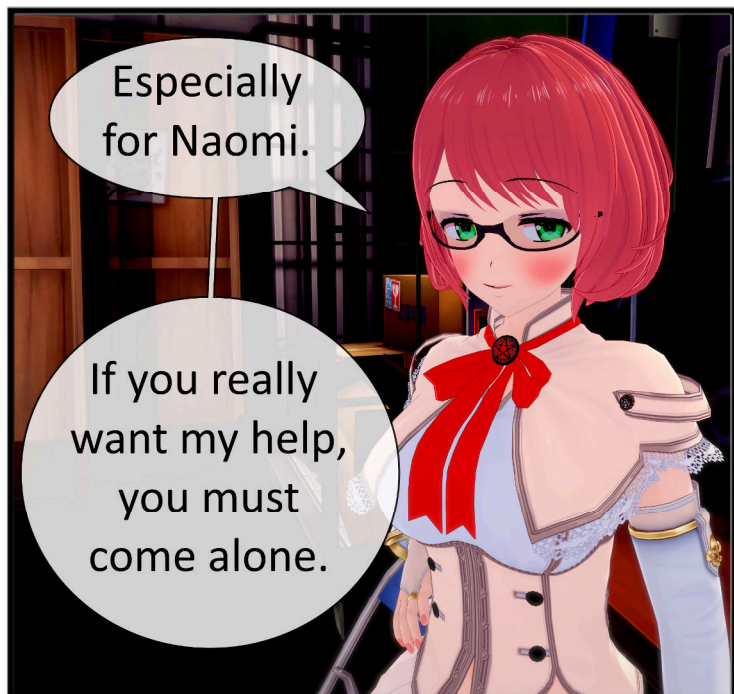

Friday at 4pm on the roof of the school.

Come and you will find out everything. Just don't tell anyone about it.

What?

confused

Can you repeat it?

Especially for Naomi.

If you really want my help, you must come alone.

Is that you?

This girl....

Did you say something to me?

Sorry, I think I got confused. Unfortunately, I don't have a watch.

Er... Yes, I asked if you know what time it is?

She doesn't remember completely what she just said.

Completely as if I had just talked to someone completely different.

And it could only be one person, the other angel.

Looks like I finally managed to find her.

Mutsumi-chan, Rin, now it's your turn.

Scene fifteen.

Strange, for a moment I thought I was in some dark room.

It's probably better not to tell anyone about it.

It's just strange that she doesn't want Naomi to know about it.

Maybe Naomi is not a very likeable angel.

On the way home...

Too bad they didn't let me keep those fake breasts.

I hope mine will be back to normal size soon.

No worries, I'm sure Naomi will fix it quickly.

After all, it's not you she wants to punish but me, right?

And you were just in the wrong place at the wrong time.

Same with...your little problem.

Er...Yes

Oh that's right, wasn't that outfit too small on you?

How did you manage to put it on?

I managed to tell Mutsumi-chan that what made me have a penis was actually for her to be fully a girl already.

I hope he never found out the truth.

I found a sewing tutorial on the Internet.

And it was a shame to throw those pants away, so I decided to give it a try.

Hehe. I see your interests are slowly changing too.

Hey, what's wrong with a guy knowing how to sew?

Angry

Nothing.

But it's usually women who are interested in such things, not guys.

Shocked

What, a guy can't know how to sew?

You'd be shocked how many guys are good at it.

Mutsumi-chan, something is wrong here.

This is not the way home, we are going in the opposite direction.

No worries this is all planned.

It was probably a mistake.

Maybe I should give up while I still can.

But I can't.

What are you talking about?

confused

You'll find out everything once we're there.

What's going on here?

Some time later...

And we are at the place.

Remember how you told me the only way you could get rid of your penis?

What is this place and why did we come here?

Yes, but what does that have to do with anything.

embarrassed

You have one night.

Better make good use of it.

Are you serious?

Surprised

But under no circumstances tell anyone about it.

Mad

Understood?!

Thanks, you will see it will be really wonderful.

happy

So you prefer it rough, no problem. hehe

I would prefer it to be quick, I want to get it over with.

No. I told you to hurry up.

It's unbelievable that I really agreed to this but I want so much to know what it's like.

And this may be my only chance to find out before Naomi fixes this whole mess.

A moment later...

I still can't believe that this is really happening.

embarrassed

Mention it to someone and I will definitely never do it again.

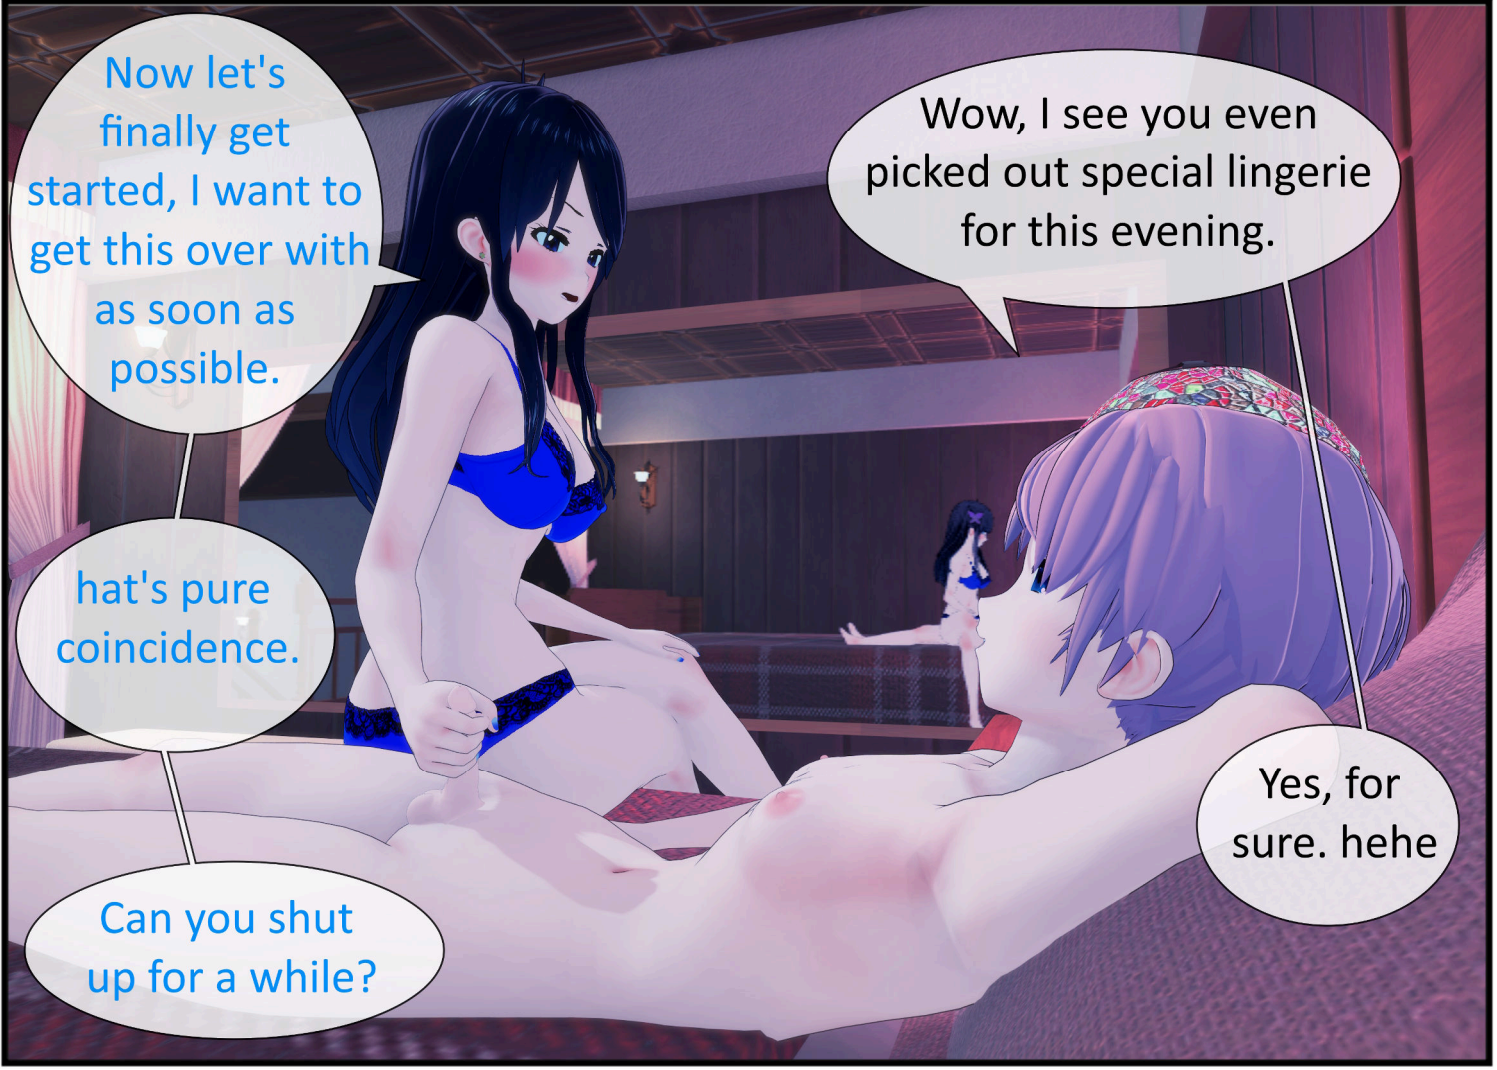

Now let's finally get started, I want to get this over with as soon as possible.

Wow, I see you even picked out special lingerie for this evening.

That's pure coincidence.

Yes, for sure. hehe

Can you shut up for a while?

I don't know what's worse it's that I have to do it , it's her talking....

...Or the fact that in some strange way I like it all?

Rub

It's so warm and hard.

What am I thinking about!

Ah~

You are really good at this.

I think I'm coming.

Surprised

What, already, so fast?

Ugh~ Disgusting!

At least it's over now.

Alright, if you're looking for me I'm going to go wash up.

Although I was honestly hoping for a little more.

Disappointed

Er... I guess it's not over yet.

What, but you just came after all.

Shocked

What the hell is this!

No way, I did what I promised.

I think it's time for a second round.

Please. You said you would help me.

Ahh~Well, since I promised.

What are you doing?

A moment later...

Since handjob didn't work let's try titjob.

And how do you feel?

It's really wonderful, your boobs are so pleasantly warm and soft.

It feels so strange to have a penis between my breasts.

Now I understand why guys are so attracted to girls with big breasts.

Plus, it's still full of cum

Ha~

Ha~

Is it my imagination or has it suddenly gotten much warmer here.

It's even better than before.

Naomi, thank you.

If it weren't for you, I would never have known what a great feeling this is.

Ha~

What is with me, after all, I am a guy.

And yet I can't take my eyes off her penis.

Plus this smell.

Rub

Why does all this excite me so much?

Oh~

Hm~

Yes, I can feel it.

I'm coming to again.

What?

Not now, wait a minute...

Gross!!!

Disgusted

cough

cough

Hehe. Sorry

I would advise you not to swallow it.

To be continued...
