
Paper Minis

Gillman by Trash Mob Minis

Trash Mob Minis are tiny flat monsters, sourced from tiny, organic, free-range monsters that have been pressed flat between two thick tomes bound in human flesh! Allow them into your home. They whisper the names of the forgotten gods.

Dracula by Paper Mage

I create paperminis for tabletop RPGs (or just for fun!) with their corresponding tokens for Virtual Tabletop (VTT) platforms. I am creating a brand new figure - sometimes more than one - weekly and free of charge.

Music and Sound

The Vampire's Den by Adventure Music

Adventure Music creates original instrumental music for tabletop games. We cover a large range of styles and feels so that each of our tracks has multiple possible uses. We also have a monthly Patron Poll where patrons get to choose the music for the month. Besides the standard tracks we offer our base level patrons, there are also tiers for "looped tracks" and "expansion tracks". Join us to get instant access to our back catalog of over 70 original tracks and expansions.

Plot Hook Posters

Beware the Morley Estate! by Of Metal and Magic

A smith of words and images to suit your TTRPG needs - From game running tips to adventures, or maps to magic items. . . but everyone comes for the tavern posters. Which is fair; they are super fun printable (or VTT usable) props that up the immersion of your games and offer downtime activities, worldbuilding events, and plot inspiration. They're like bouillon cubes of flavor for your games.

Gargoyle by Decapitated Markers

We are a part-time paper mini creator, most of what we offer has been used in our own games. We're always looking for that uncommon monster for the table. You can follow us on social media and hang out in our Facebook group Decapitated Tavern Talks; where TTRPG memes are welcomed and shared! In order for paper miniatures to blend perfectly into your table, you must decapitate your markers to add advantage to stealth checks by inking their white cardstock edging.
