

The Rain Road

Lyrics by Taylor Moore and Brennan Lee Mulligan

Key of C (get it?) 4/4 66bpm

C Dm C
Where the wave has grazed the reach of green
Em Dm
And the wood by gentle sea
Em. F
We count the coming of the tide
Em. G/d Am
By a love as old as time

[chorus]

F C G C
Lay down your blanket on the forest floor
F C Em. F
In the peace of waves that crash no more
F C G/d Am
then embrace me love, soon to be
C G/d Dm C
On the road the rain rides to the sea

[bridge]

C Em F G
Will the salt wind sew the cold earth?
C. Em. F. G
Will the summers pass us by?
C Em. F G
Will the storms break and divide us,
F Em Am
Set apart by shore and sky?

[chorus]

I am the blanket on the forest floor
I am the peace of waves that crash no more
Then embrace me love, tho love it leaves
By the road the rain rides to the sea

By the road the rain rides to the sea.
