

A BIG Meeting

Happy birthday
Kaede-chan!

Important note: This story takes place
in a parallel universe after chapter 6

**Oh, thank you very
much Sora-kun, you
didn't have to do that...**

**No, it's normal
Take your cake**

It's all for me!?

**Yeah, all
for you!**

take

Hmm!

She eats a cake for 8 people as if it were a tic tac...

It's not the
only surprise

You're really too kind to me...

*I will meet
Asuna!?*

*Ready to meet your
favorite character?*

**Thank you so much!
Come here Sora-kun**

**I have a feeling this
is going to end well**

I'm so happy!

Me too!

hmpfh

**So-sorry...
I forgot how
strong I am now**

Don't worry

*You're ready
Kaede-chan?*

Almost

I'm good now

So let's go

Is it far from here?

*It's about a 10
minute walk*

close

***I can't believe that
I will meet Asuna!***

****Personally I can't believe
she's taller than me when
I'm standing at the top of
the staircase****

**I wonder what she's
like in real life
She's so cool in
the anime**

I think she's the same

*I'd like to have
gotten there
already*

**With these legs it
won't be long**

*So who's the fan
I will meet today?*

*All I know is
that she's a
special one*

ASUNA!!

There she is

Wh-what!?!

It's the kind of "special" I like

run

She already made a great impression

She's even bigger closer!

She's indeed a HUGE fan...

**Hi, I'm Kaede!
I'm a huge fan
of you!**

**Her guy friend coming
We have to talk**

Ni-nice to meet you...

Look I have
Kirito's swords
in my room

I see

Hey! Come here
real quick

What is the secret?

You really are a
perceptive man

A growth gun!

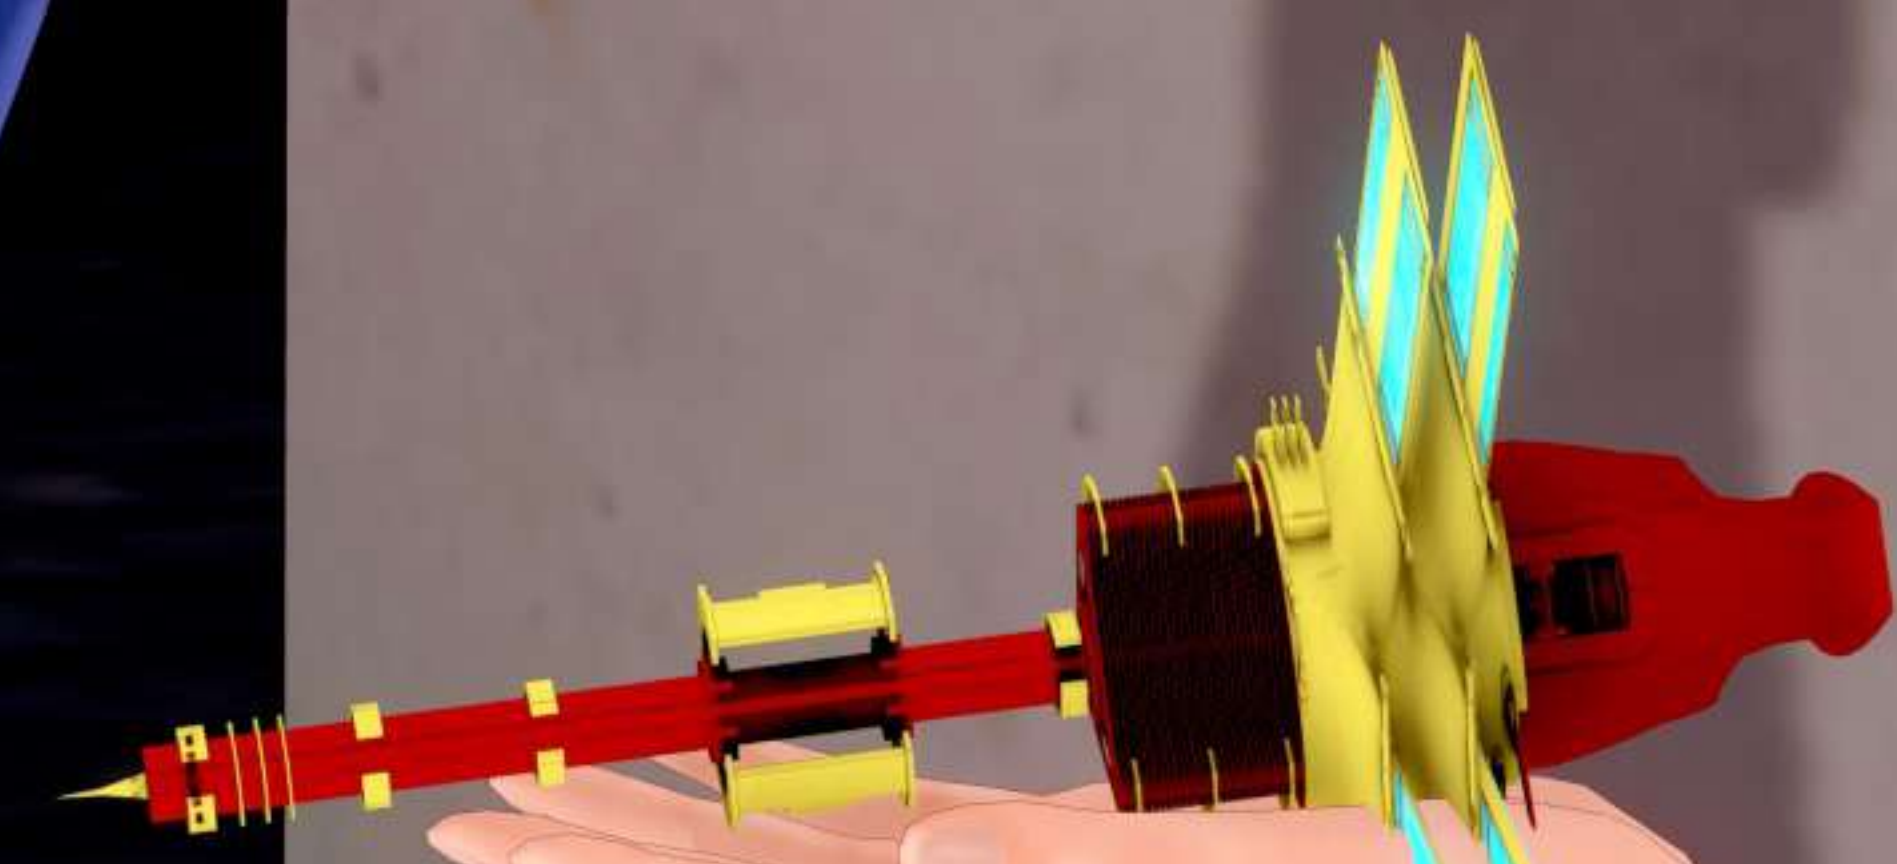

It's this gun

Can I test it?

Of course

You won't have to
tell me twice

You see, before she wasn't even the size of Asuna

So this gun is very effective

*Just a shot and your girl
can be this big or even more ~*

*Count on me
for that*

May I ask you how tall are you?

Of course!

Last time I checked I was a bit above 4m (13ft)

In fact she's 460cm (15'1)

*So you're
still growing?*

*It depends on
Sora's envy*

**But yes I'm still
growing, just like you**

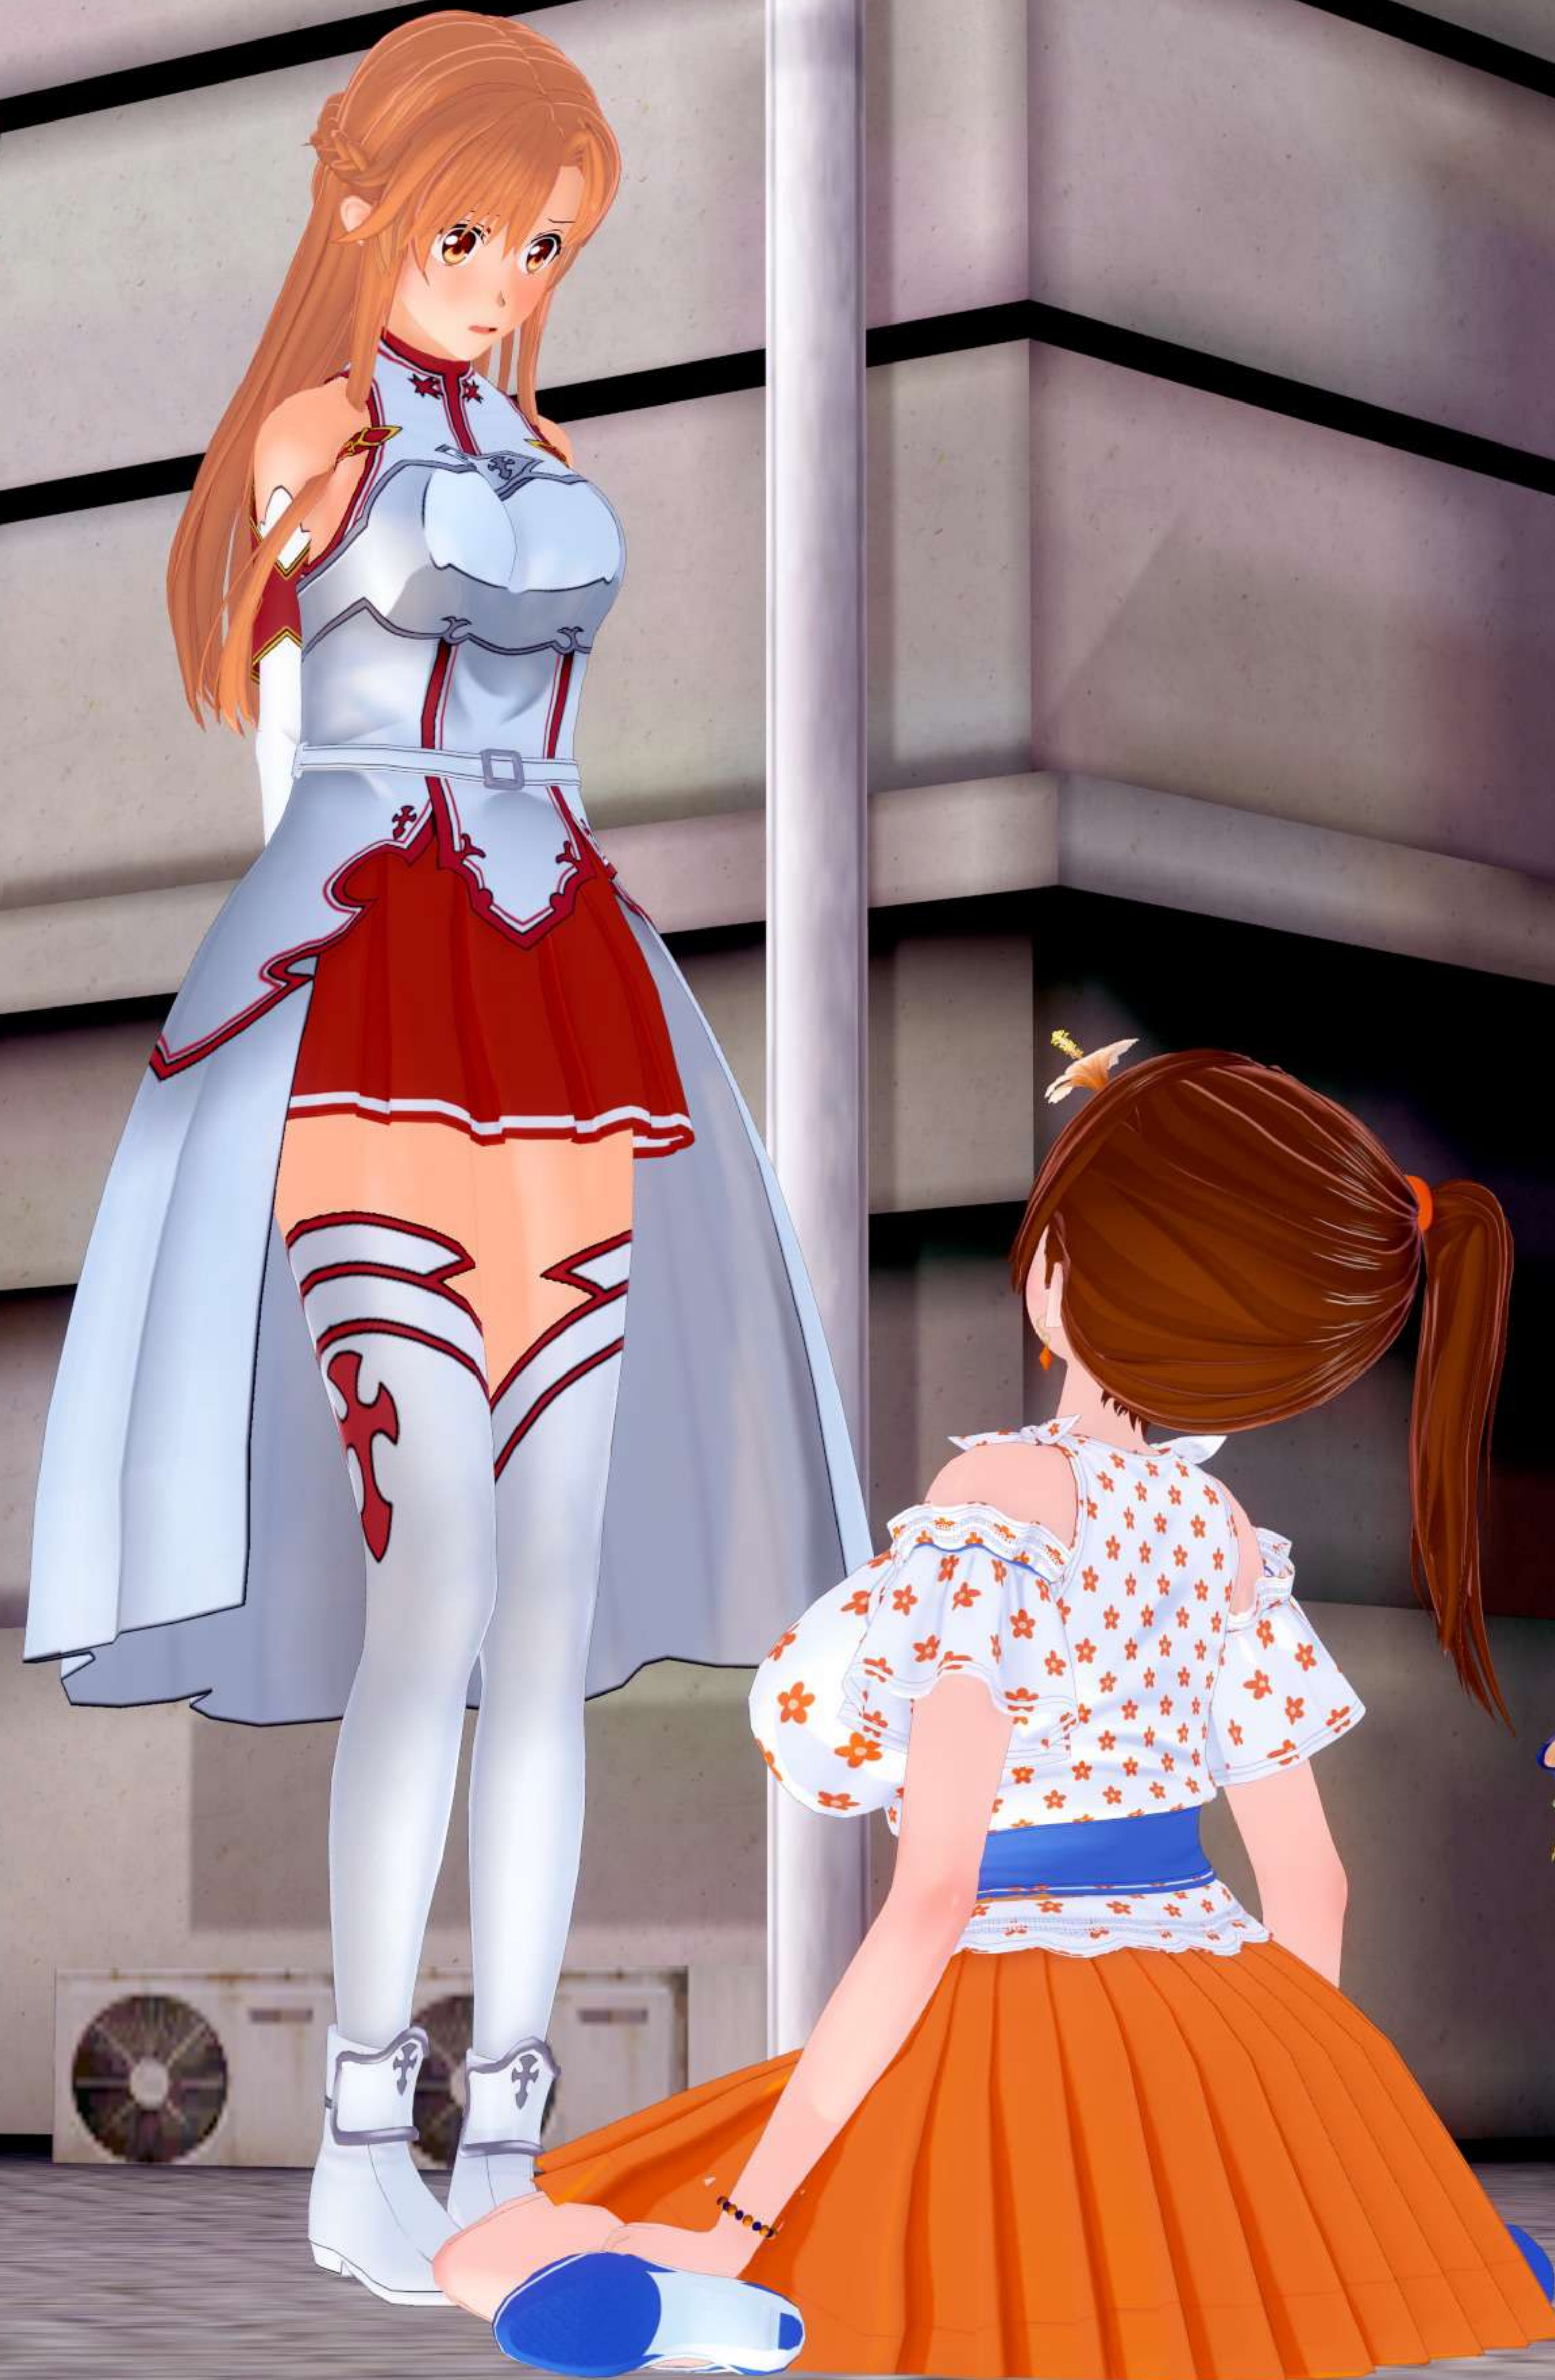

Just like me?

*Wait!
Asuna you're...*

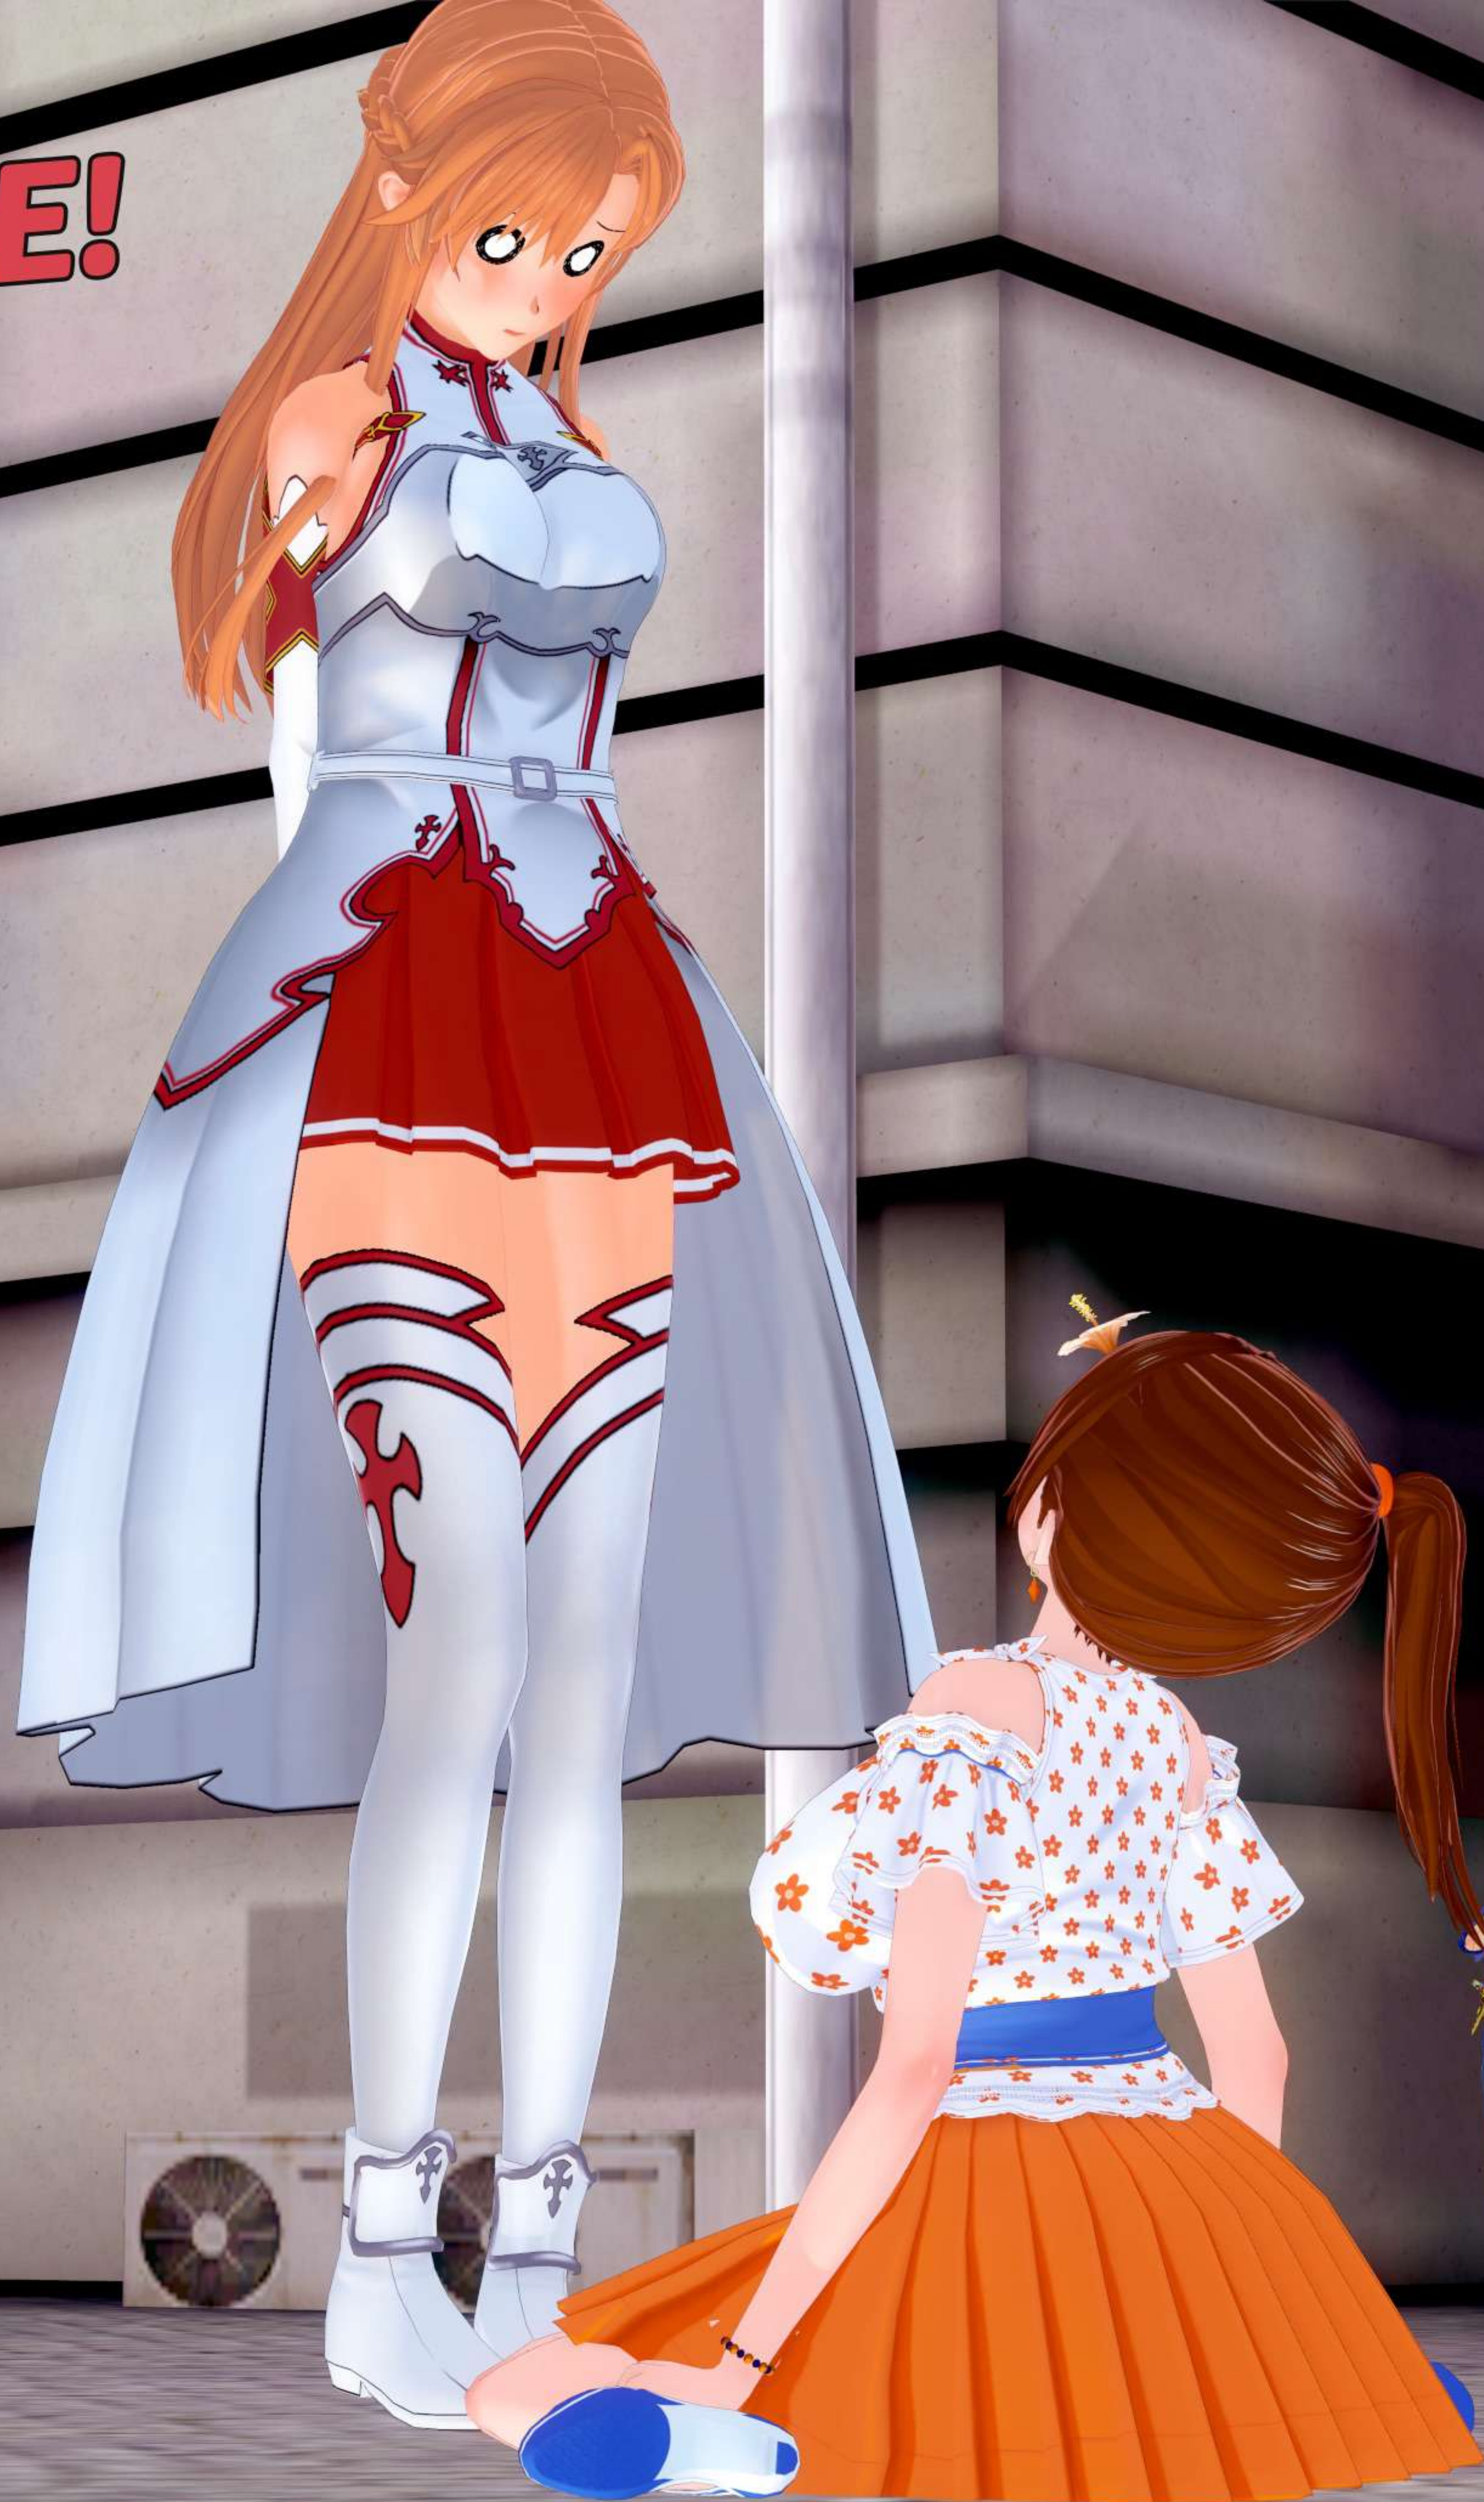

I'm growing!

Yes and pretty fast...

I'm fucking HUGE!

Maybe even taller than me

How is this even possible..?

She's so beautiful!

I think I know who did that

**Kirito-kun...
W-why you made
me grow without
asking first!?**

She's angry...

You BAKA!!

OUCH!

hit

DARTS ICE

Sh-she's crazy..!

roll

Are you okay?

Immortal Object

Y-yes...

I'm used to it with her...

*You don't have anything
to say Sora-kun?*

Yes, I have one
thing to say ~

What are you doing!?

Not again...

GROW!!

shoot

**You stay here
Kirito-kun!**

Stop!

**Come on Kirito!
I got an idea**

run

run

**We're going to
grow more?**

**The gun hit us,
so yes**

**Why aren't the clothes
growing with us this time?!**

**I think Sora did it
on purpose...**

rip

rip

Just follow me

Where are we going?

Sora-kun!

You'll fall!

*At least
they're
safe now...*

You guys!

*Mission
complete!*

Well done!

It tickles ~

Why is he so happy?

rip

rip

*We're going to end up
naked at this rate*

rip

rip

You were right

**It was a
"little" too
much for them**

**I think we
broke our
guys**

***I wasn't expecting this
when Kirito-kun said me
I was going to meet a fan***

***Me either, but they
decided otherwise***

Naughty boys ~
