

Hello, and thank you for purchasing my pack of preset patches for the Novation Peak! I hope they inspire you to make something awesome.

Here's how you install them:

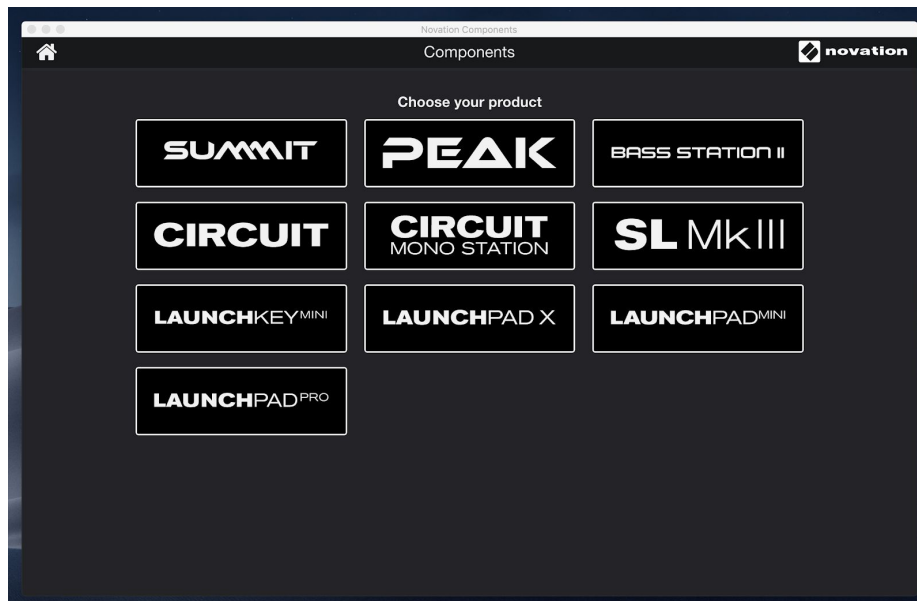

TURN YOUR PEAK ON

CONNECT YOUR PEAK TO THE COMPUTER VIA USB

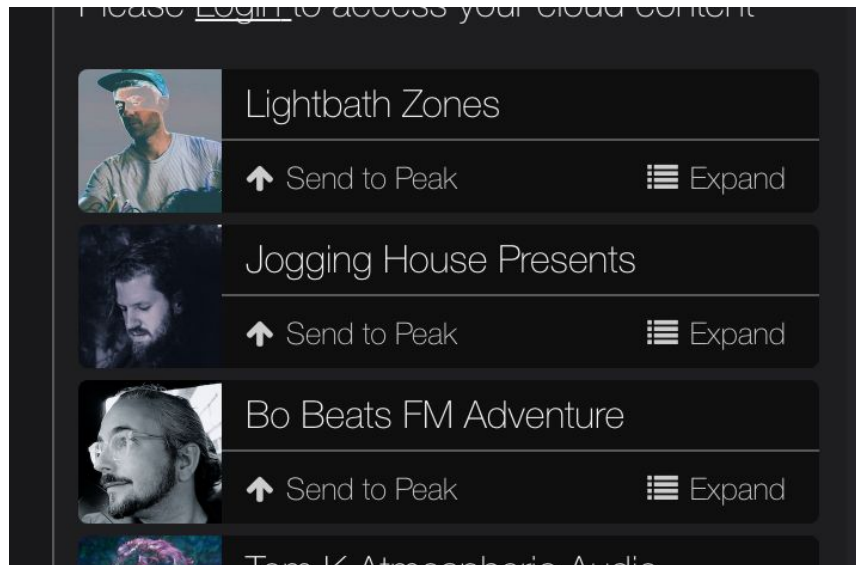

## LOAD NOVATION COMPONENTS

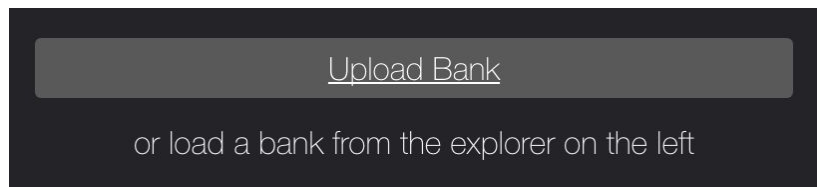

## SELECT YOUR SYNTHESIZER

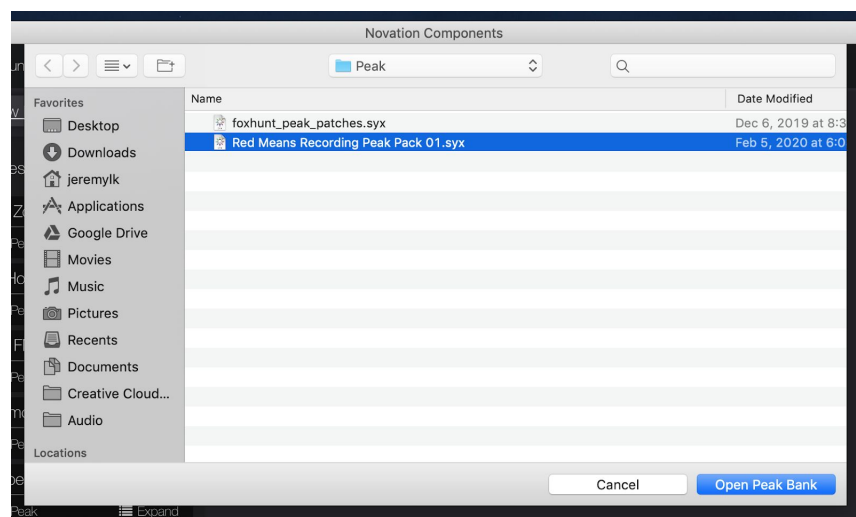

## SAY HELLO TO THE COOL KIDS

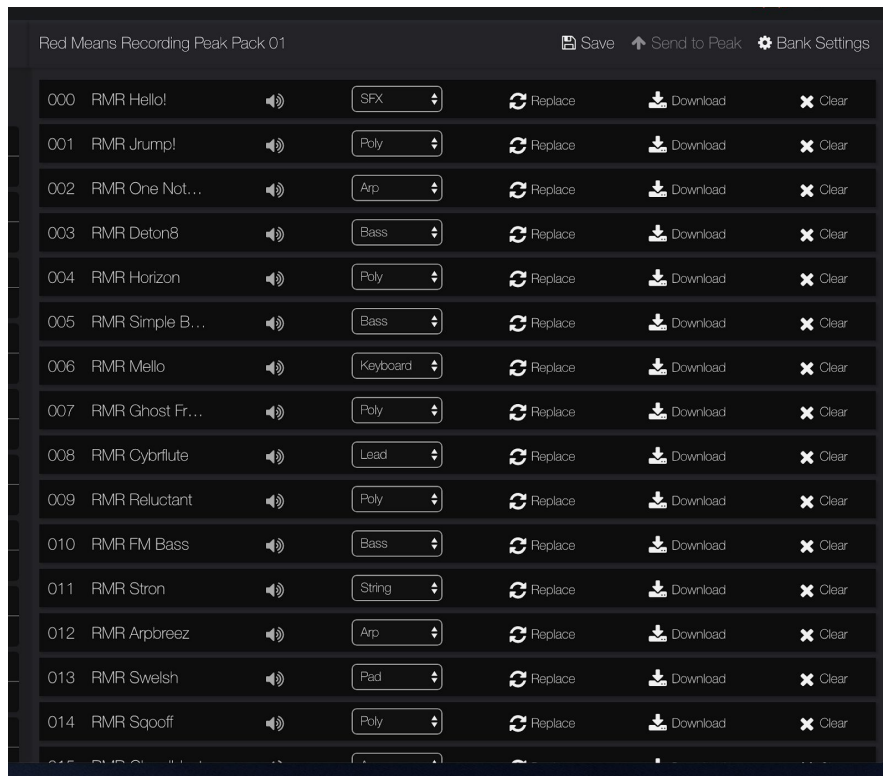

## CLICK UPLOAD BANK

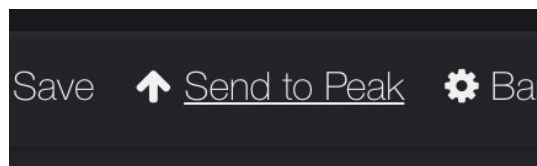

## NAVIGATE TO WHERE YOU PUT THIS FILE

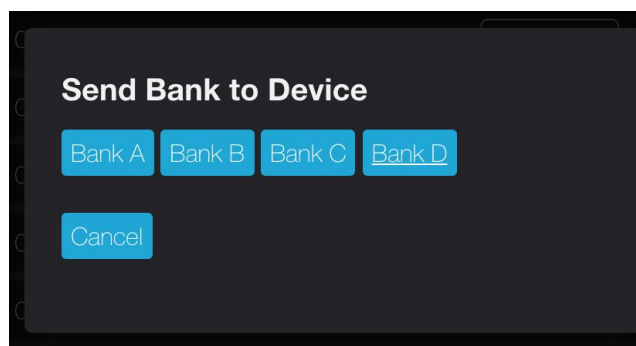

ONCE LOADED IT SHOULD LOOK LIKE THIS

CLICK THIS

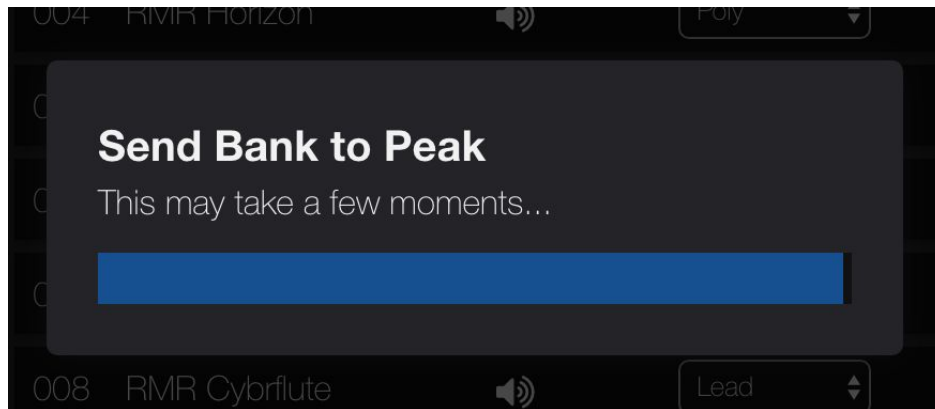

SELECT A BANK

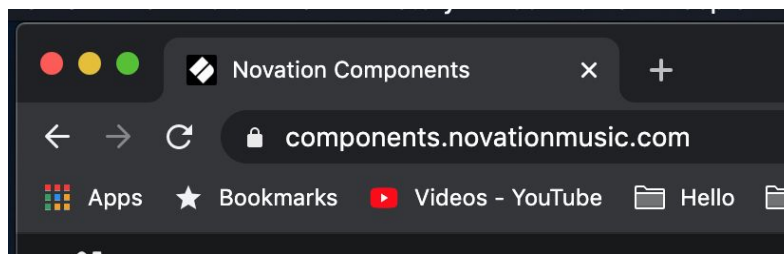

ENJOY SUCCESS

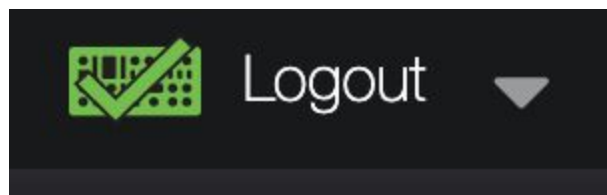

Note that the instructions are the same for standalone and online Novation Components. If you want to save this bank to your cloud Components:

GO TO HERE

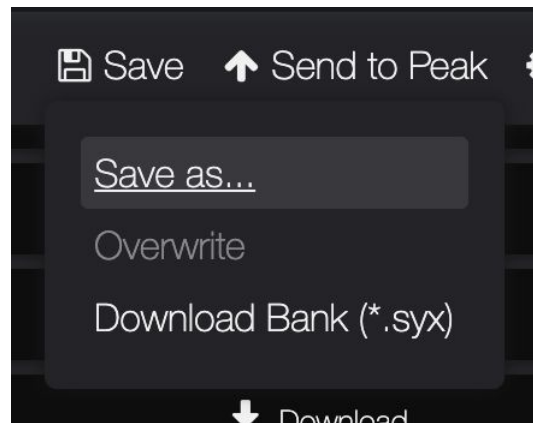

MAKE SURE YOU ARE LOGGED INTO YOUR ACCOUNT

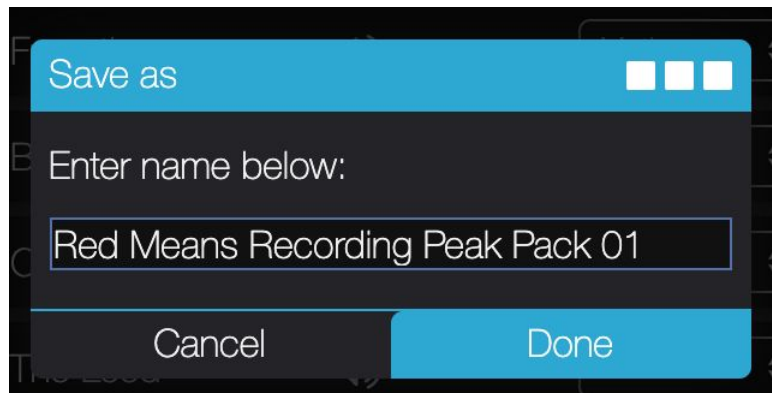

UPLOAD THE BANK AS PER PREVIOUS INSTRUCTIONS

CLICK THIS

GIVE NAME
