

Okay..  
then..

Goodnight..

Good night,  
Cherie!

I've been a  
warrior all my life.

My accomplishment  
and joy comes from  
violence and bloodshed.

Despite the  
fact that I did  
kill someone  
tonight.

Embracing Cherie's  
warmth has made  
me more content

than any carnage  
I had ever experienced  
before in my life.
