In a peaceful town  
of fantasy world...

Thief!!! Stop  
it right there!!!

I said stop!!!

A character wearing a dark, horned mask and a patterned cape is shown in a close-up, looking down. The character's mouth is slightly open, and a speech bubble is positioned to the left. The background shows a wooden building with a window and a wooden fence.

Hah... Hah... Do I  
look stupid enough  
to do as you ordered?

Well... I don't have  
time to play cat and  
mouse with them tonight.

A character wearing a dark, hooded cloak with a mask that has two large, dark, triangular eye openings. The character is holding a lit bomb in their right hand. The bomb is black and spherical with a lit fuse. The character's left hand is raised in a gesture. The background is a blurred outdoor setting with a stone path and some greenery.

I will leave them with  
a small present.

A character with a dark mask and horns is perched on a wooden structure at night. A speech bubble above them says "Hey, watch out!". In the dark, starry sky, a large, dark sphere with a lit fuse is flying towards the character. The character is wearing a dark, form-fitting top and a brown belt with pouches. The background shows the wooden framework of a building under a starry night sky.

Hey, watch out!

W-What in the...

A spicy smoke bomb!  
\*cough\*... M-My eyes!!!!

Kekeke... Hope  
you enjoy.

A comic book panel showing two knights in full plate armor. The knight on the left is looking towards the right, while the knight on the right is coughing into his fist. The background is a hazy, brownish field, suggesting a wall of smoke. The scene is set outdoors with a wooden fence and some greenery visible in the distance.

He's running off!  
\*Cough\*... We must  
stay on... him...

I can't see anything  
through this wall  
of smoke... \*Cough\*...

Wind...

...Clear the path!

Psst... Hey...

We're saved... Ugh...  
My eyes still burning...

C-Comander  
Katarina!!??

What's all this? It's  
just a thief and two  
people can't even  
catch him!

I'm very sorry... We didn't know how he sneak past through our camp...

He stole some golds and an important artifact...

An artifact... Don't  
tell me it's...

How unfortunate...  
I traveled this far to  
retrieve it and heard  
it got stolen.

How are you going to explain for this, Commander Katarina?

We honestly sorry,  
Lord Albedo!

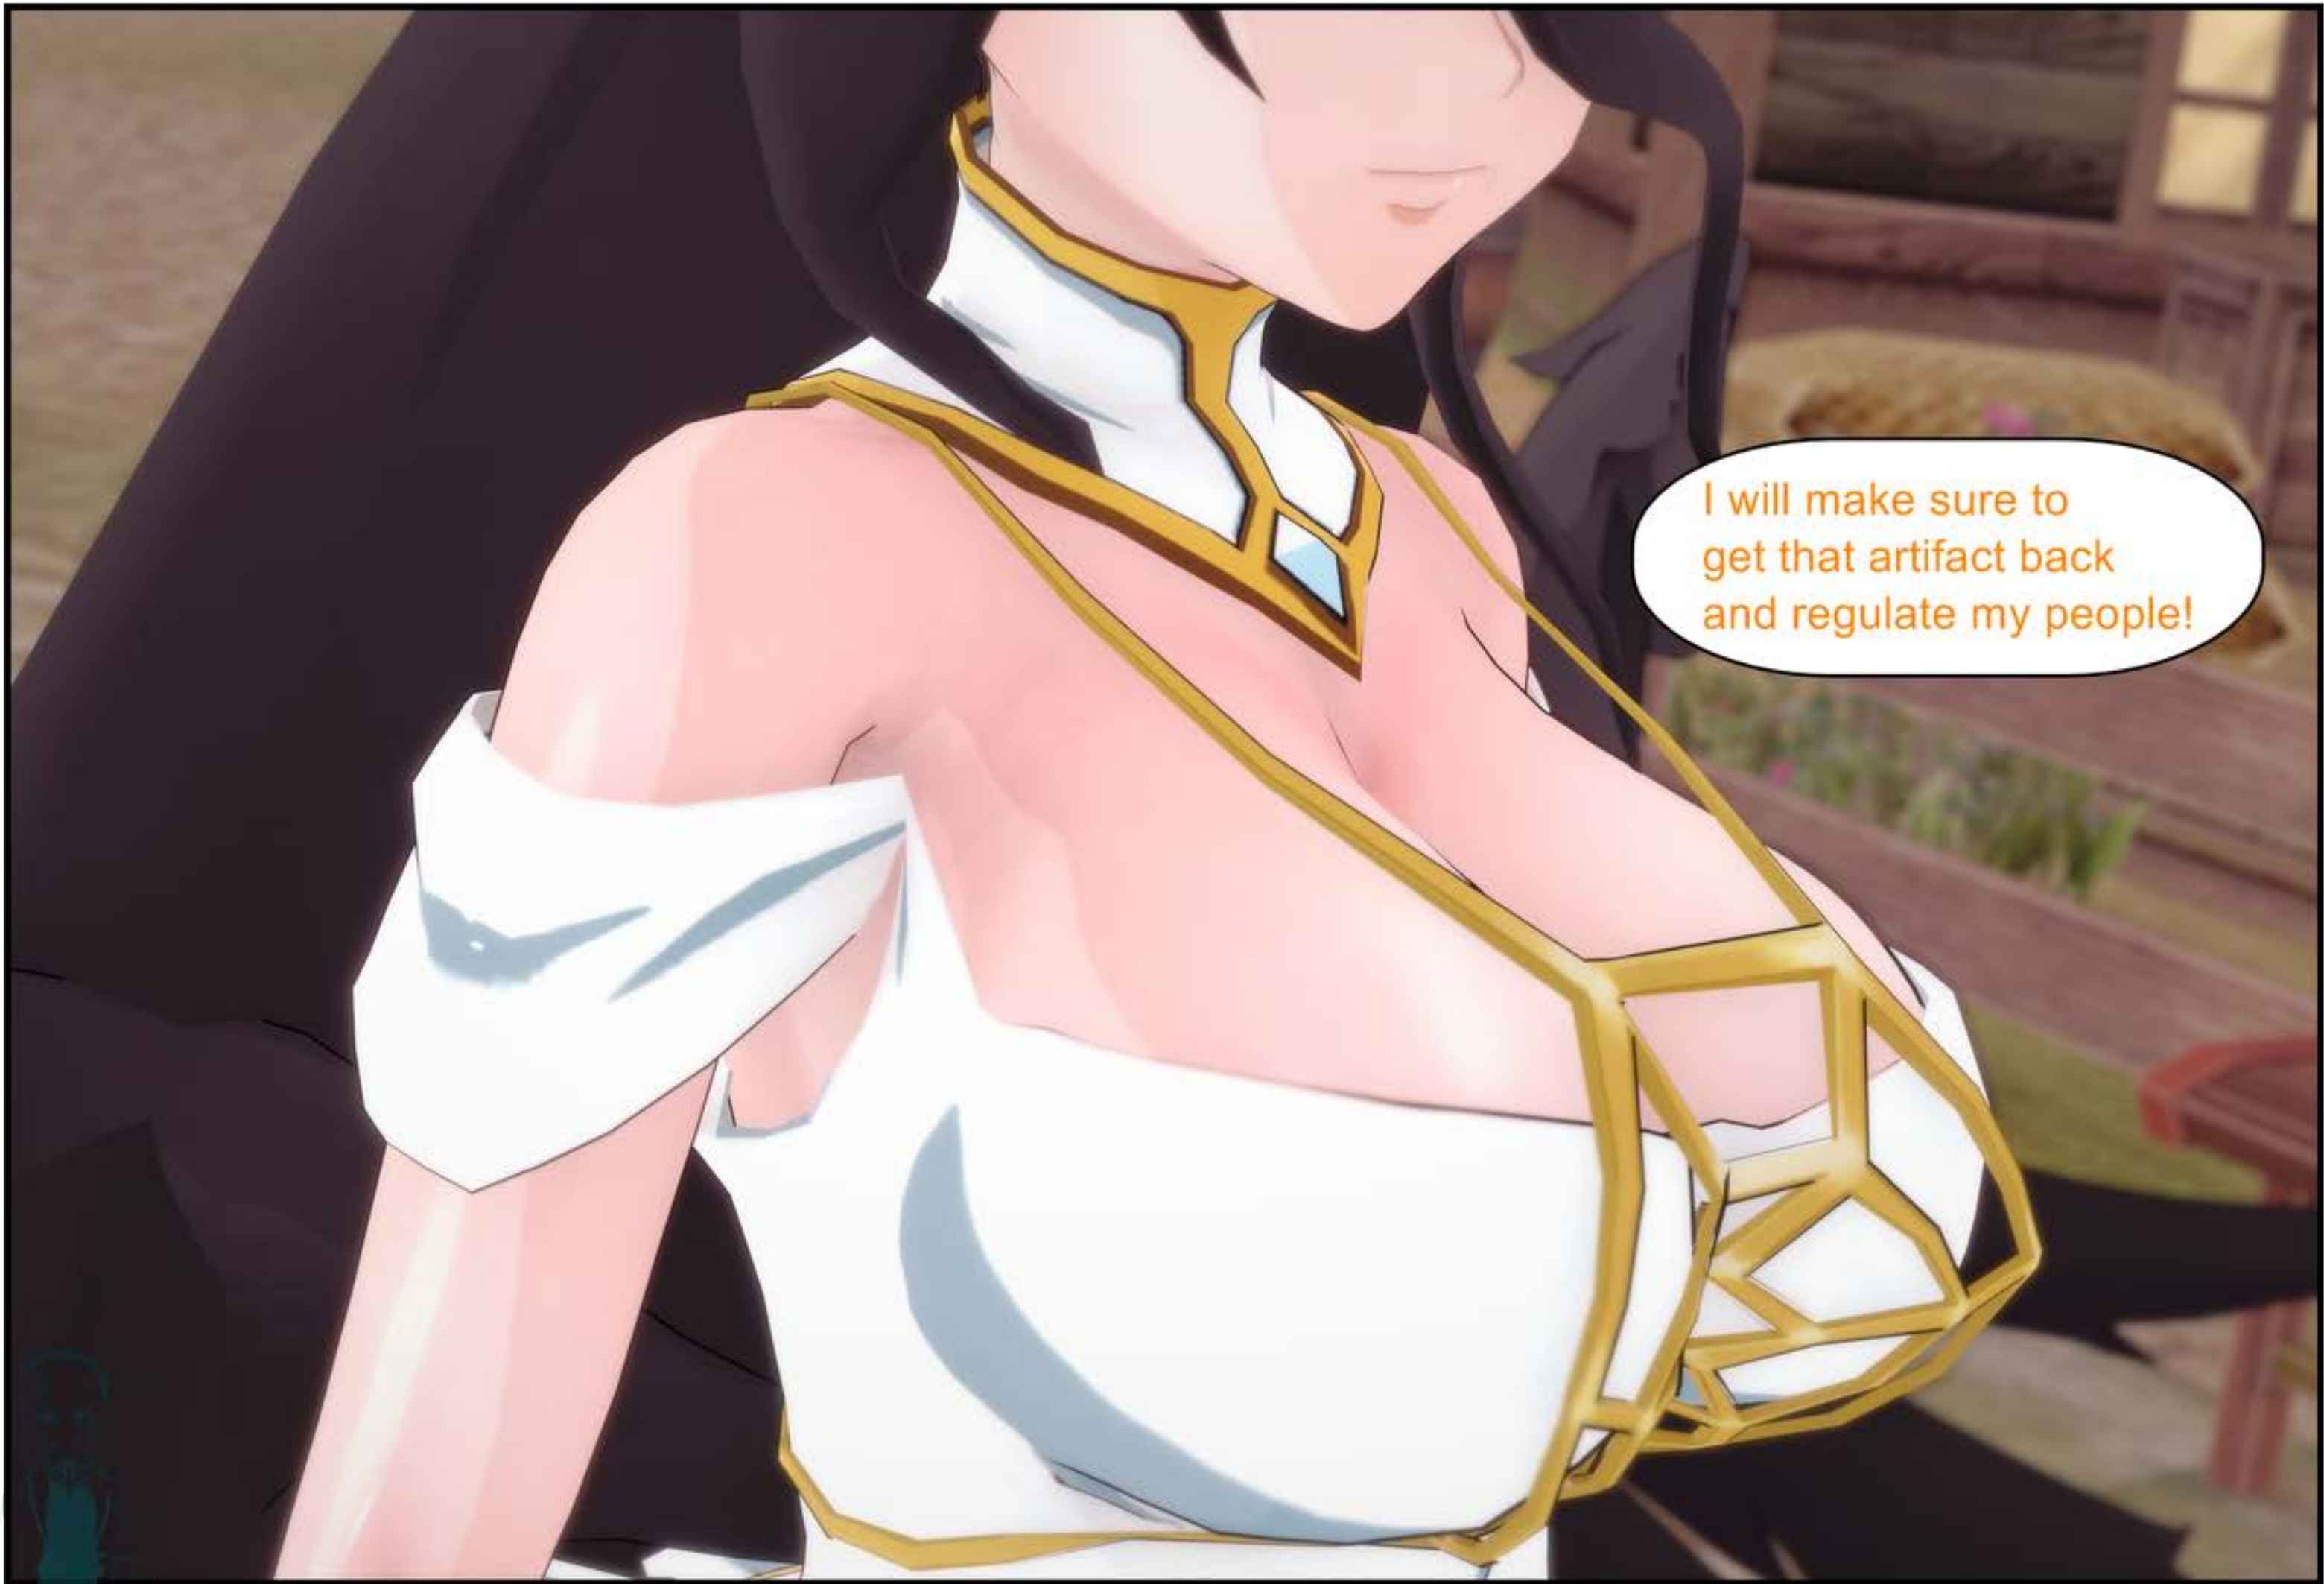

This news just got to me recently. My men was distracted while guarding the storage!

I will make sure to  
get that artifact back  
and regulate my people!

Commander Katarina,  
I put it you were in charge  
of everything.

Y-Yes...  
Lord Albedo!

A character with long dark hair, wearing a white and gold outfit with a large gold lattice pattern on the chest and a white hat with a gold band. The character is looking slightly to the right with a thoughtful expression. The background is a dark, starry night sky.

You managed your soldiers well, and ordered them to guard the post...

...but they messed  
it up and let the thief  
stole away my artifact.

Then, whose fault  
do you think in this,  
Commander Katarina?

Lord Albedo... I...

To me, I would say  
it was your men who  
didn't finish their roles  
as a soldiers.

So it won't hurt to kill  
some useless and make  
an example to others...

I have my part in  
this mistake, Lord Albedo.

My men did their job.  
But I, a Commander,  
left the post to them.

It was my fault that  
I could catch the thief  
but I turned to save  
my men instead.

You can do anything to me as you pleased, Lord Albedo. Please... leave my people out of this.

C-Commander...

Well, I like the way you stand up for your soldiers...

Yes. Lord Albedo!  
We won't let you  
down this time!

By the morning,  
bring me the artifact  
and the thief who stole it.

Ah... Thought I was turned into a skeleton or something...

A 3D-rendered anime-style scene. In the center, a young woman with short, wavy blonde hair and closed eyes stands with a somber expression. She wears a grey, high-collared tunic with gold decorative elements and a red cape. On either side of her are two knights in full, ornate grey plate armor with helmets that have visors. The background shows a courtyard with stone buildings and a fence. Two speech bubbles are present: one on the left from the knight on the left, and one on the right from the knight on the right.

C-Commander!  
You stood for us!

You are so brave!  
I owned you,  
Commander!

In the next few hours, if empty hand, I will butchered and hang you up myself.

Y-Yes!!! We will perform a full search!

I'll get going now!!!

"And the thief... You won't get away alive tonight..."

Some corners in  
the town...

"Ah... The Commander  
finally here..."

"I just grab what I could, and now they open a hunt for my head."

Not the coins, but  
is this statue what  
they wanted to have  
it back?

"Then, it must be unvaluable ancient antique! I will be rich!"

A close-up illustration of a person's hand holding a small, dark brown, textured bowl. The hand is pale with a small blue mark on the wrist. The person is wearing a light-colored, possibly white, garment that is slightly wrinkled. The background is a blurred outdoor setting with a metal railing and some greenery.

Uh... Sir...?

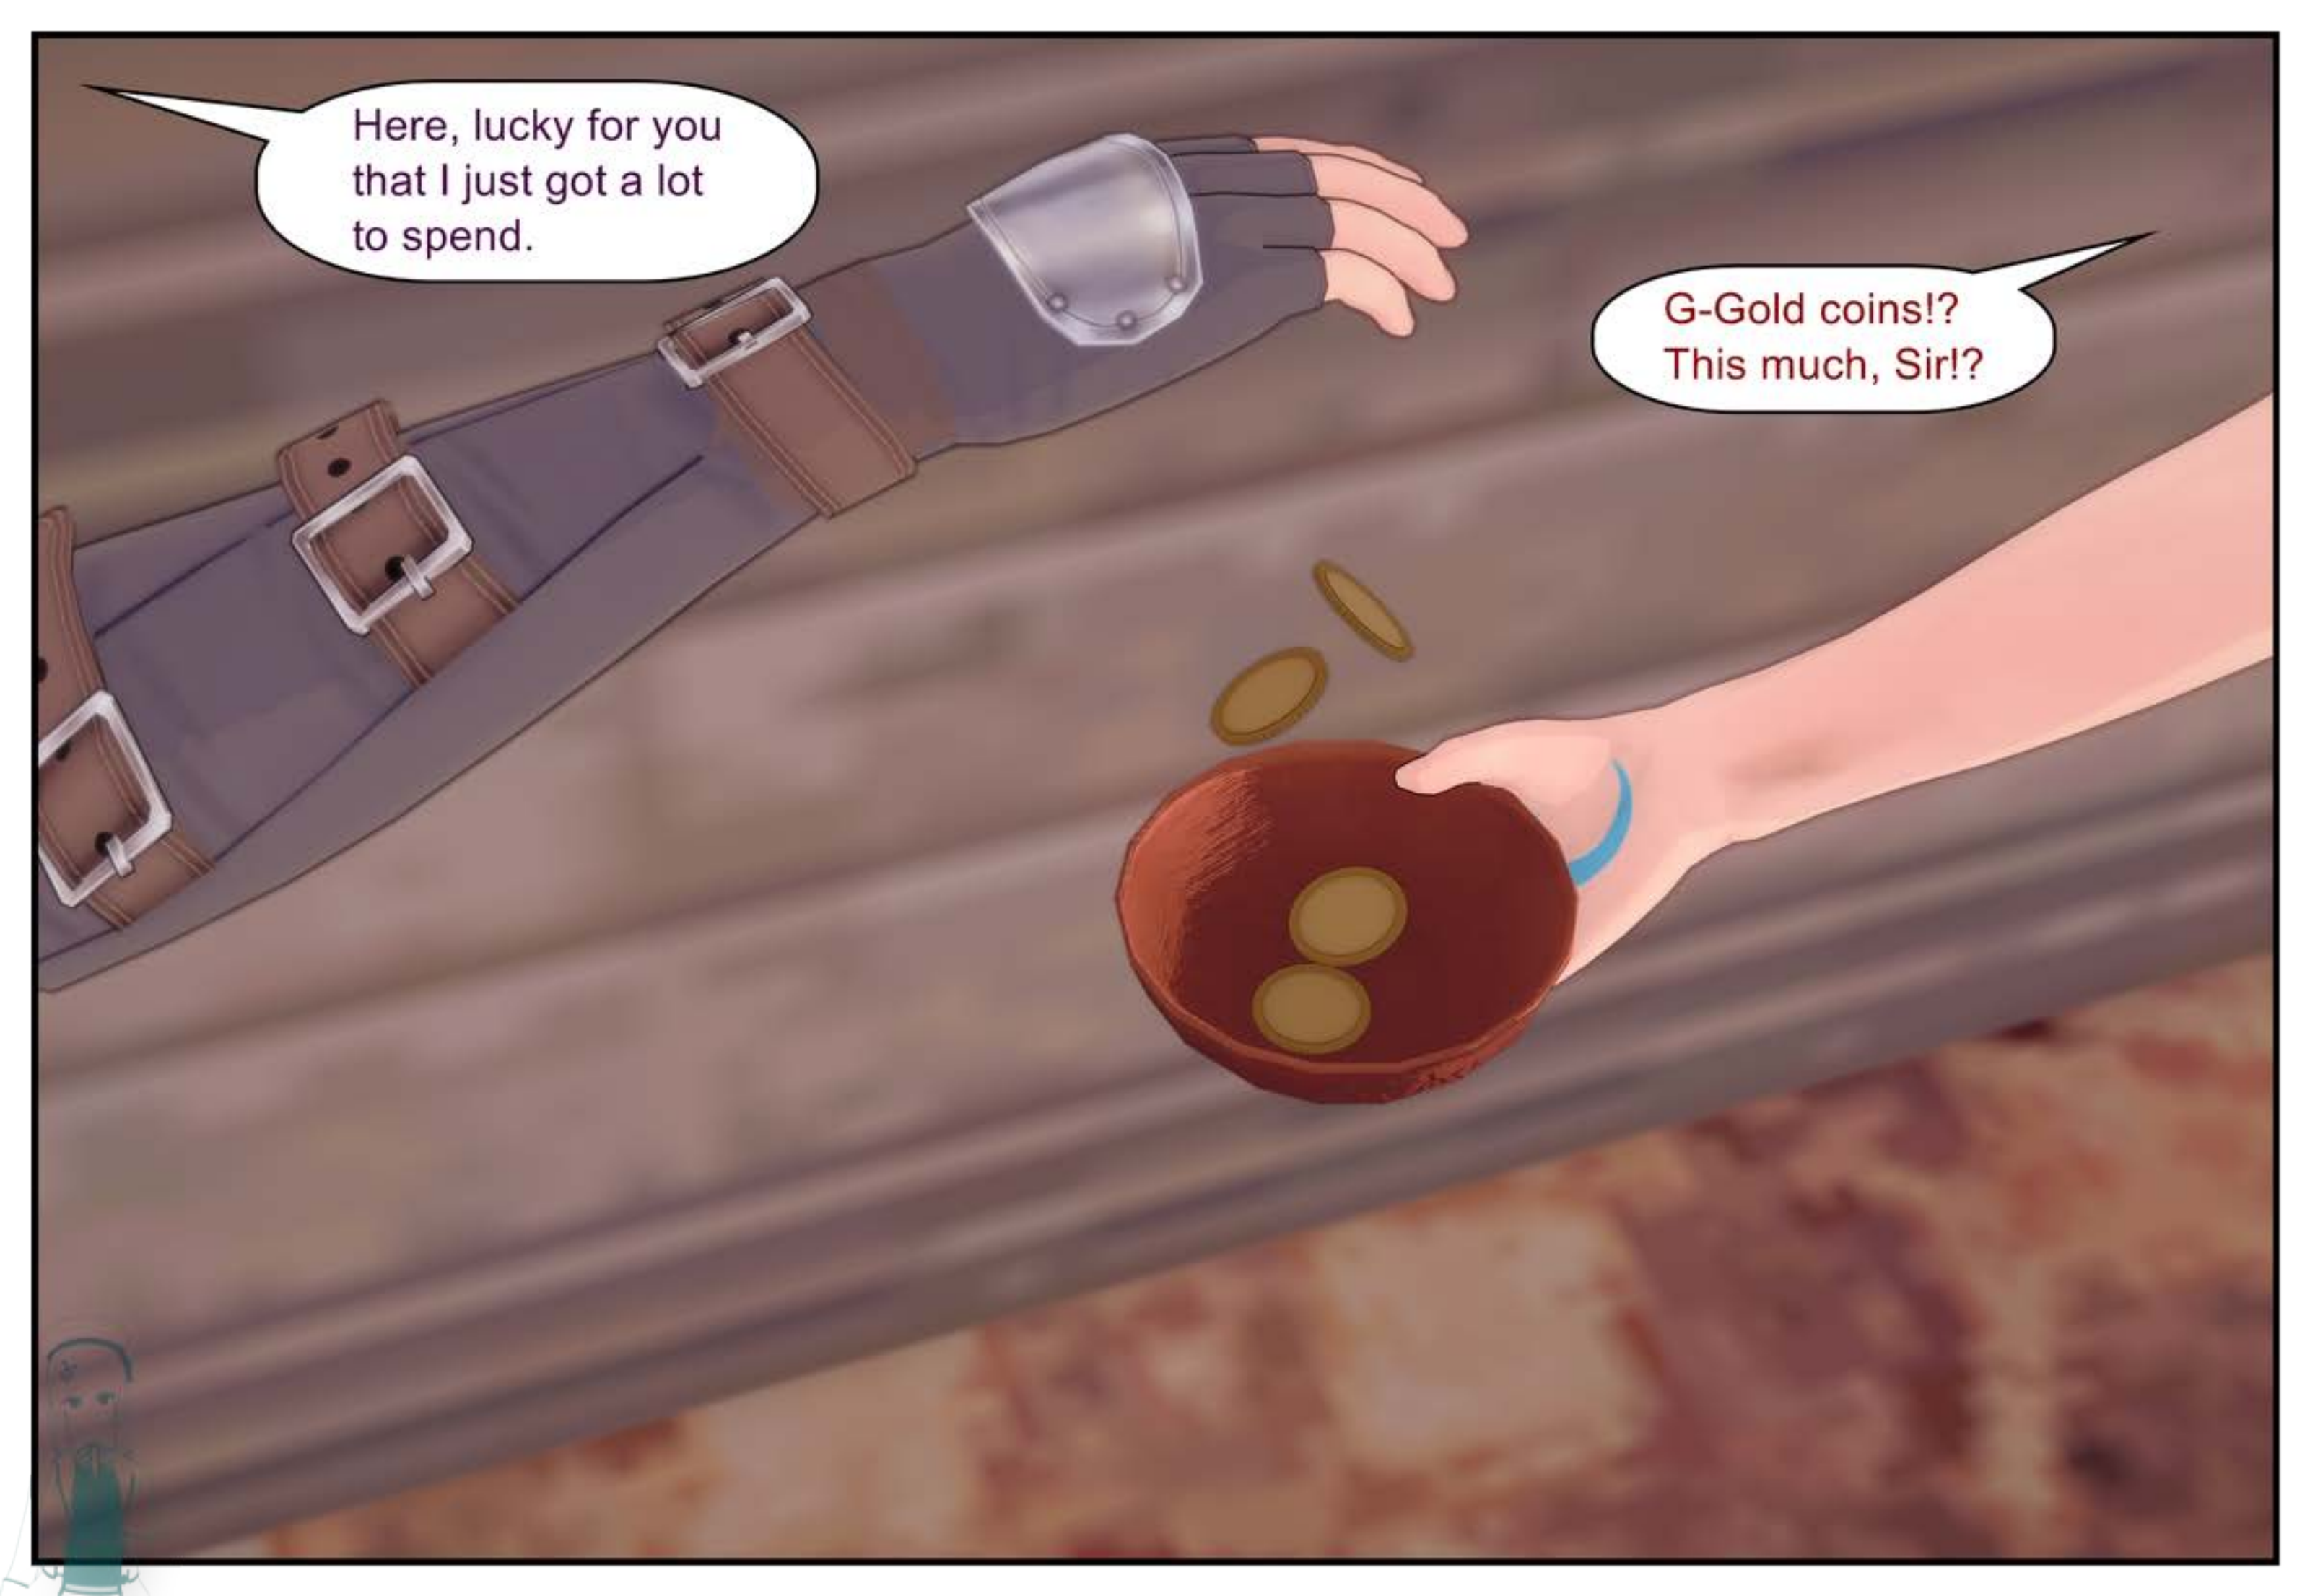

Do you have any changes or... maybe a bread?

Please... I haven't had anything for two days...

Here, lucky for you  
that I just got a lot  
to spend.

G-Gold coins!?  
This much, Sir!?

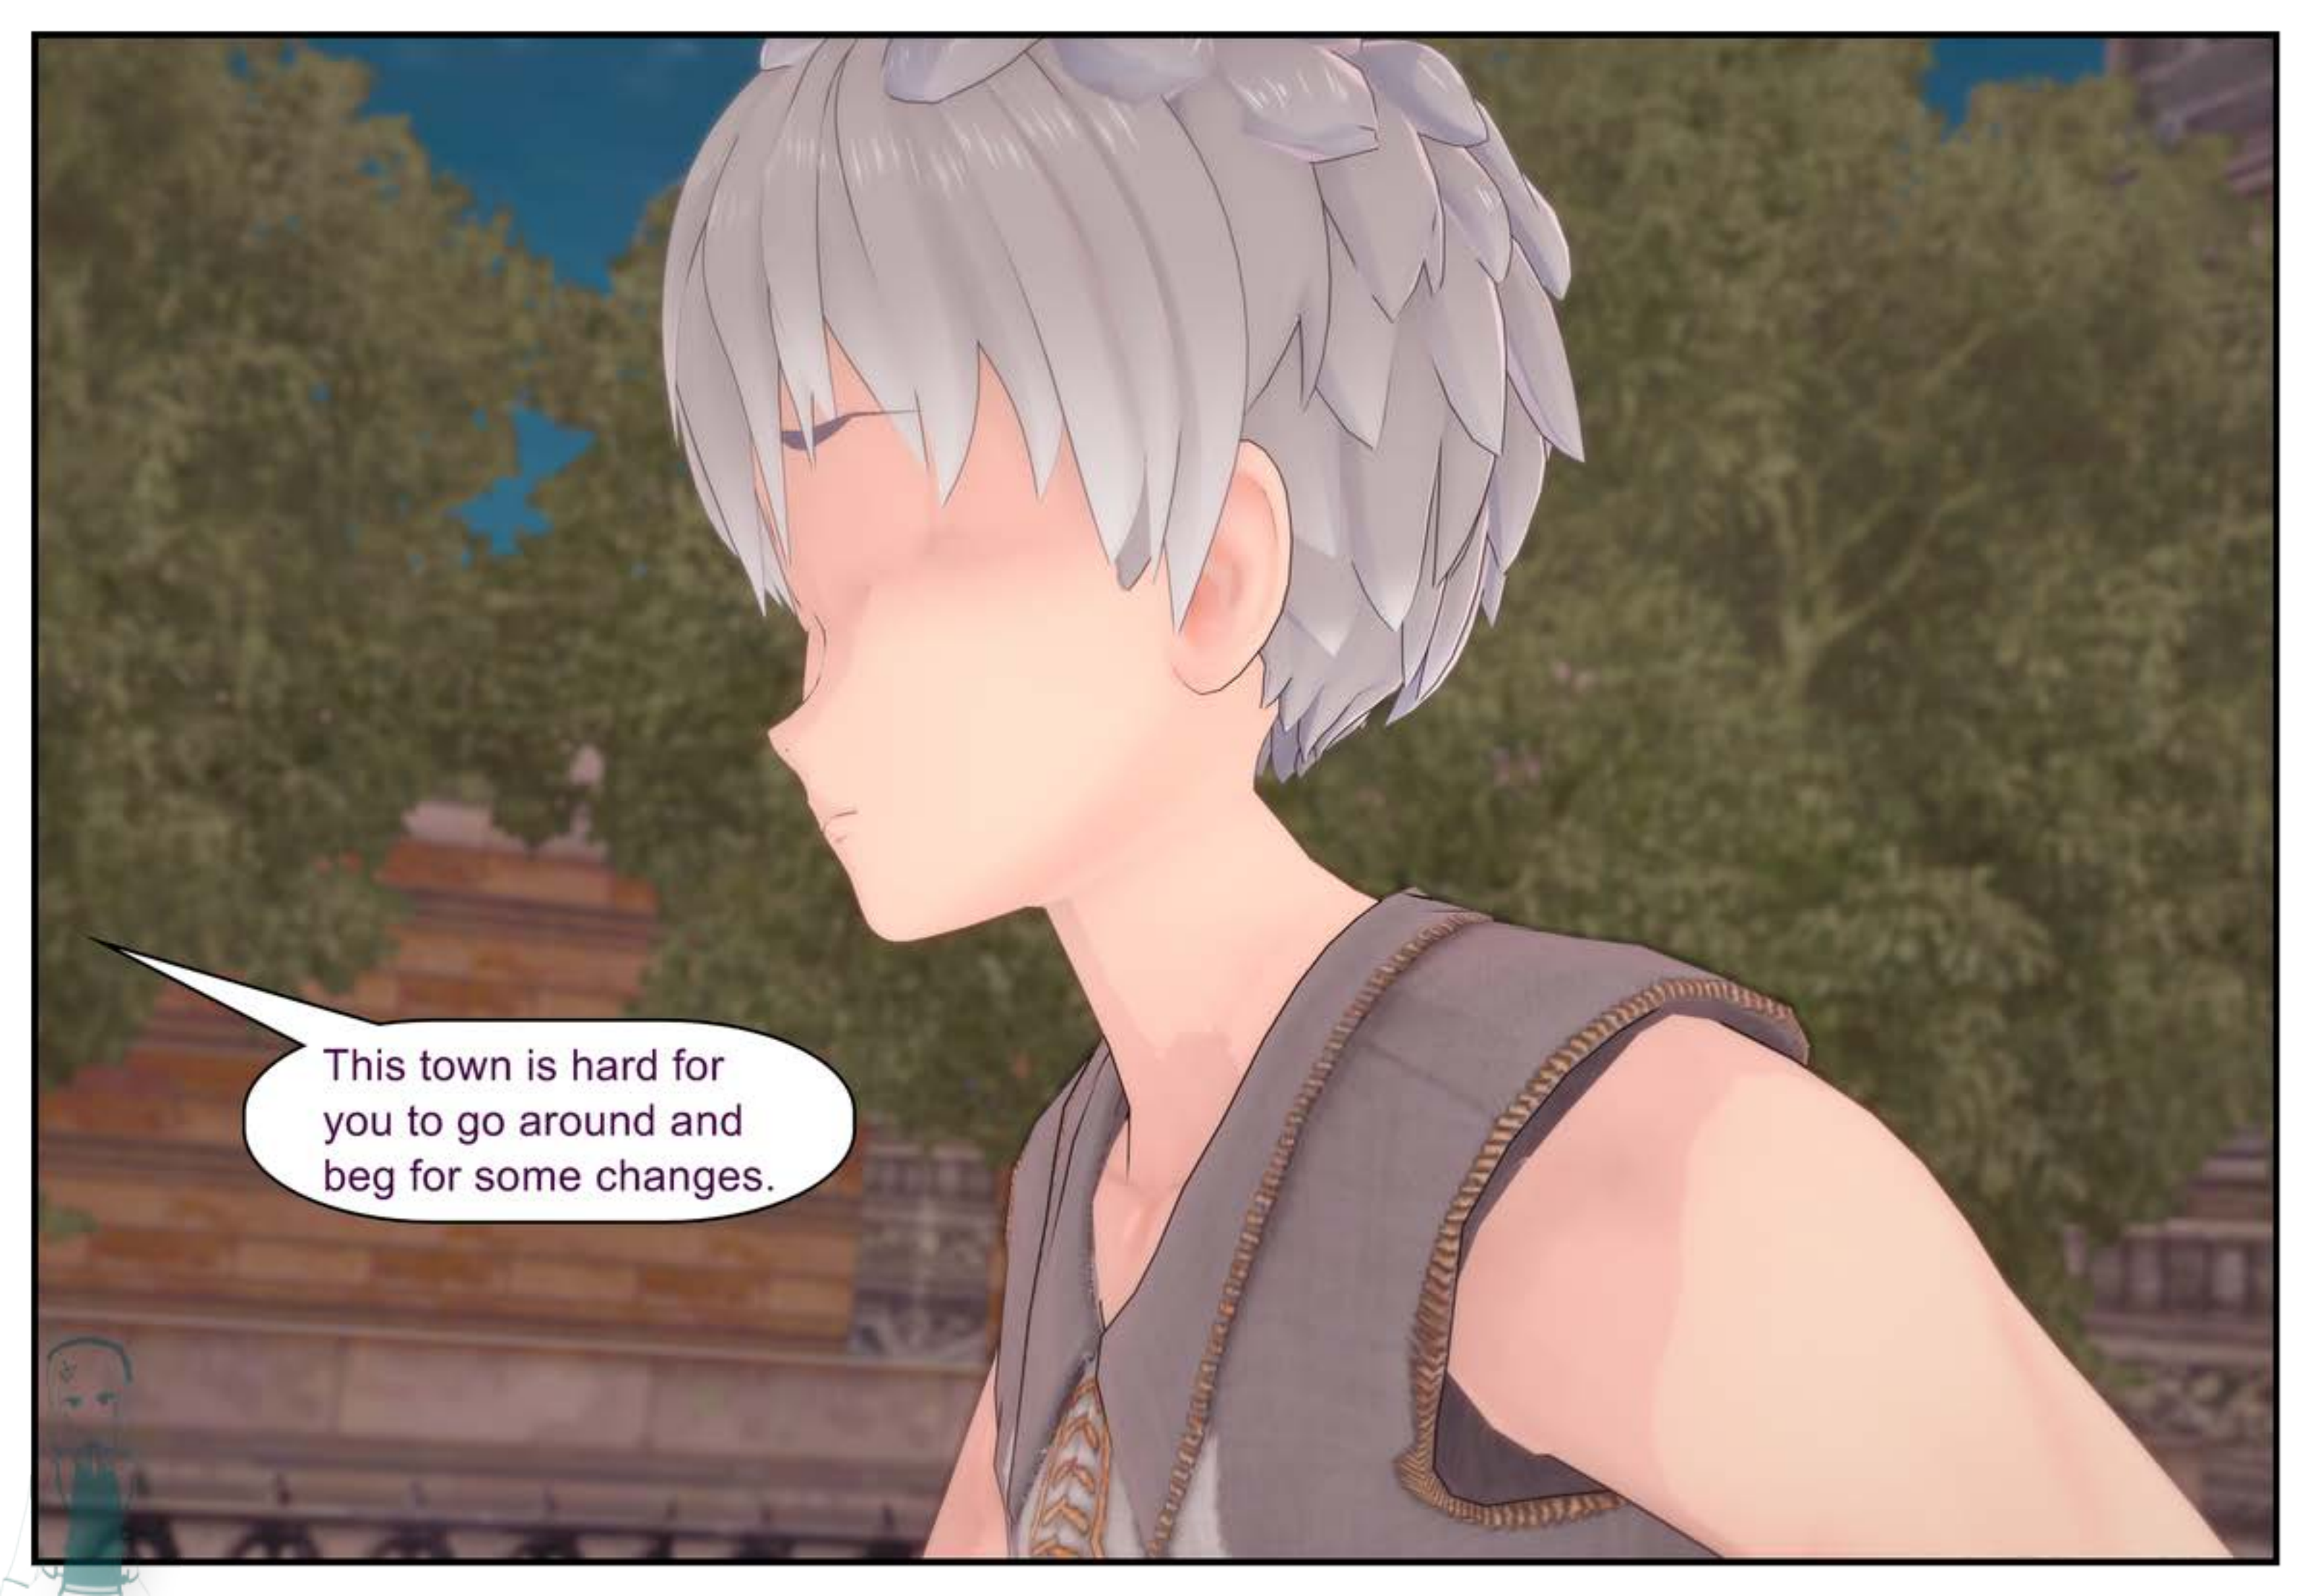

This would be enough for months! Thank you... May the Goddess bless you!

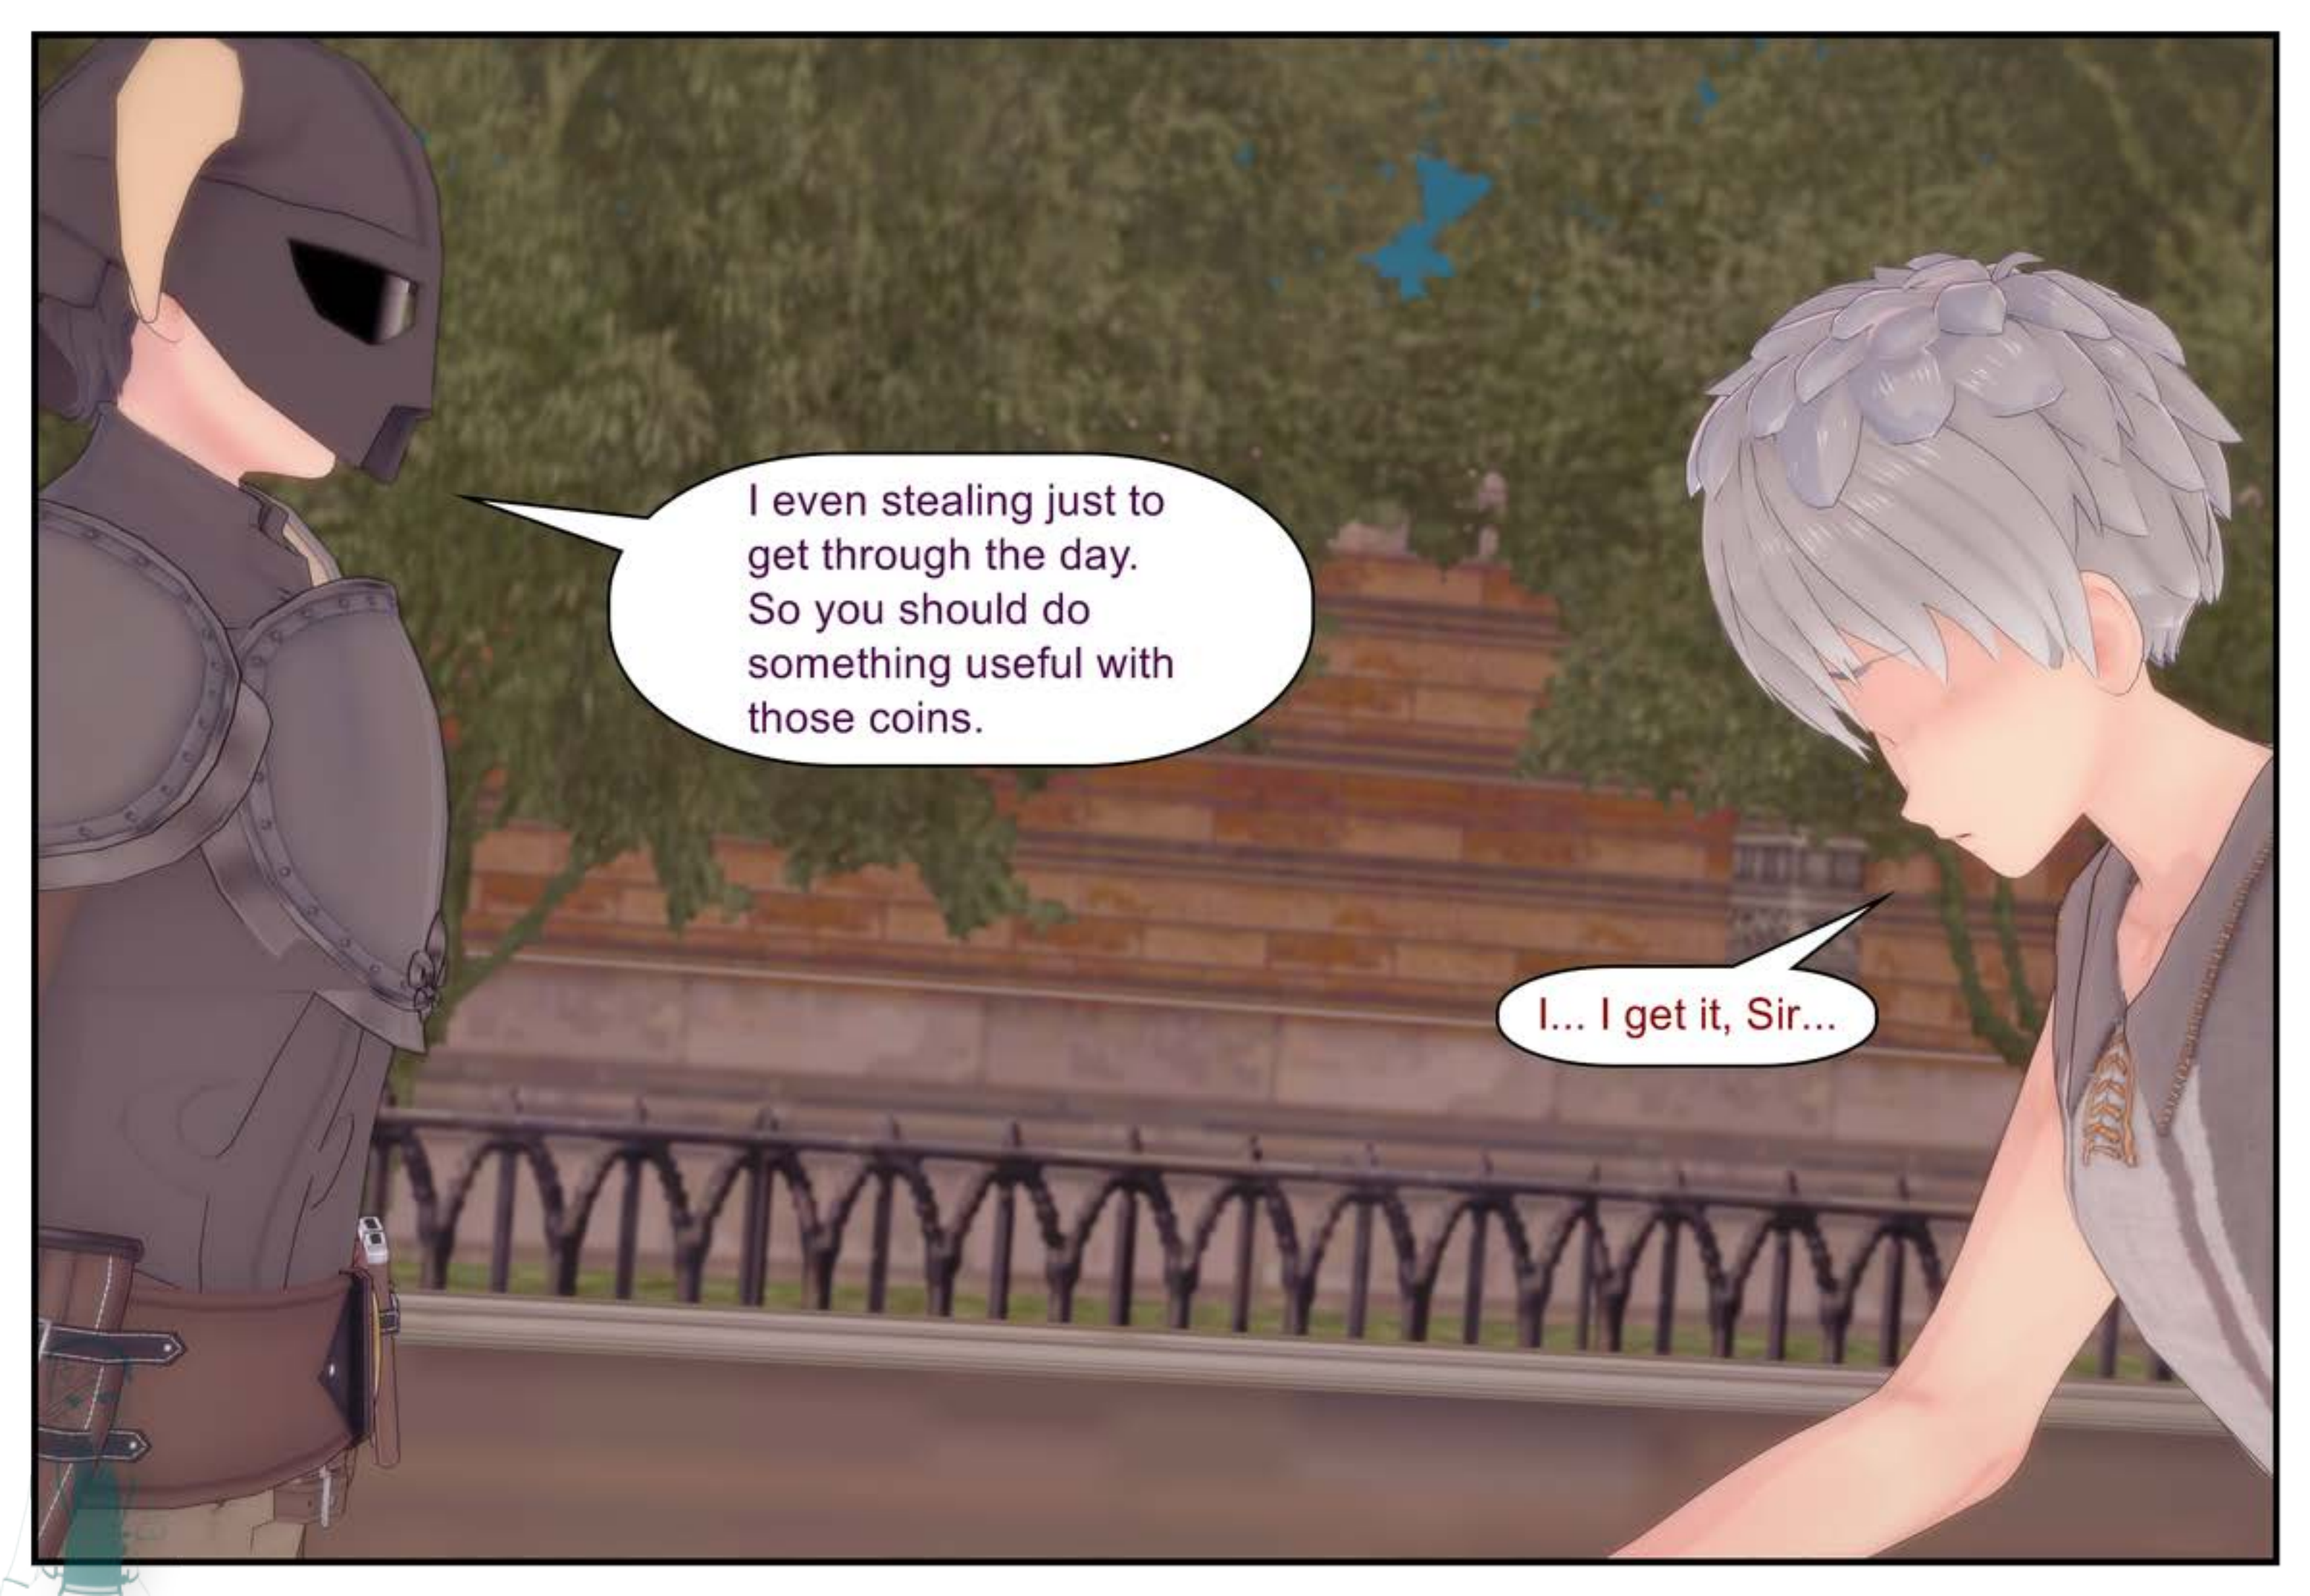

It will never be enough, young boy.

This town is hard for  
you to go around and  
beg for some changes.

I even stealing just to  
get through the day.  
So you should do  
something useful with  
those coins.

I... I get it, Sir...

H-How did you find me!!??

Hm... Used stolen coins and give it to the beggar. How adorable.

Your scent in the wind led me here. You seem to forget my power.

A character with blonde hair, wearing a grey and red outfit with gold accents, is shown from the chest down. They are holding a sword with a blue hilt. A speech bubble is positioned above their right hand, which is held out. The background features a stone wall and a wooden barrel.

Now, return what  
you stole.

A Commander or not,  
these are already mine!

Is that so...? Then,  
you will regret for  
saying it.

You psycho! He didn't do anything wrong!

We could make a deal! Don't drag a kid like him into this!

Negotiate a deal?  
Well, it was already  
too late.

I want everything  
that you stole. Or else,  
I won't hesitate to  
kill someone.

You... If I were you,  
I won't be a cold-  
blooded like you!

What about my men?  
You almost got them killed.

Enough talking!  
I will have your and  
that boy's head on  
the plate tonight!

K-Kid! Get away!

www

my

S-Sir...?

Small stylized signature or logo in the bottom left corner.

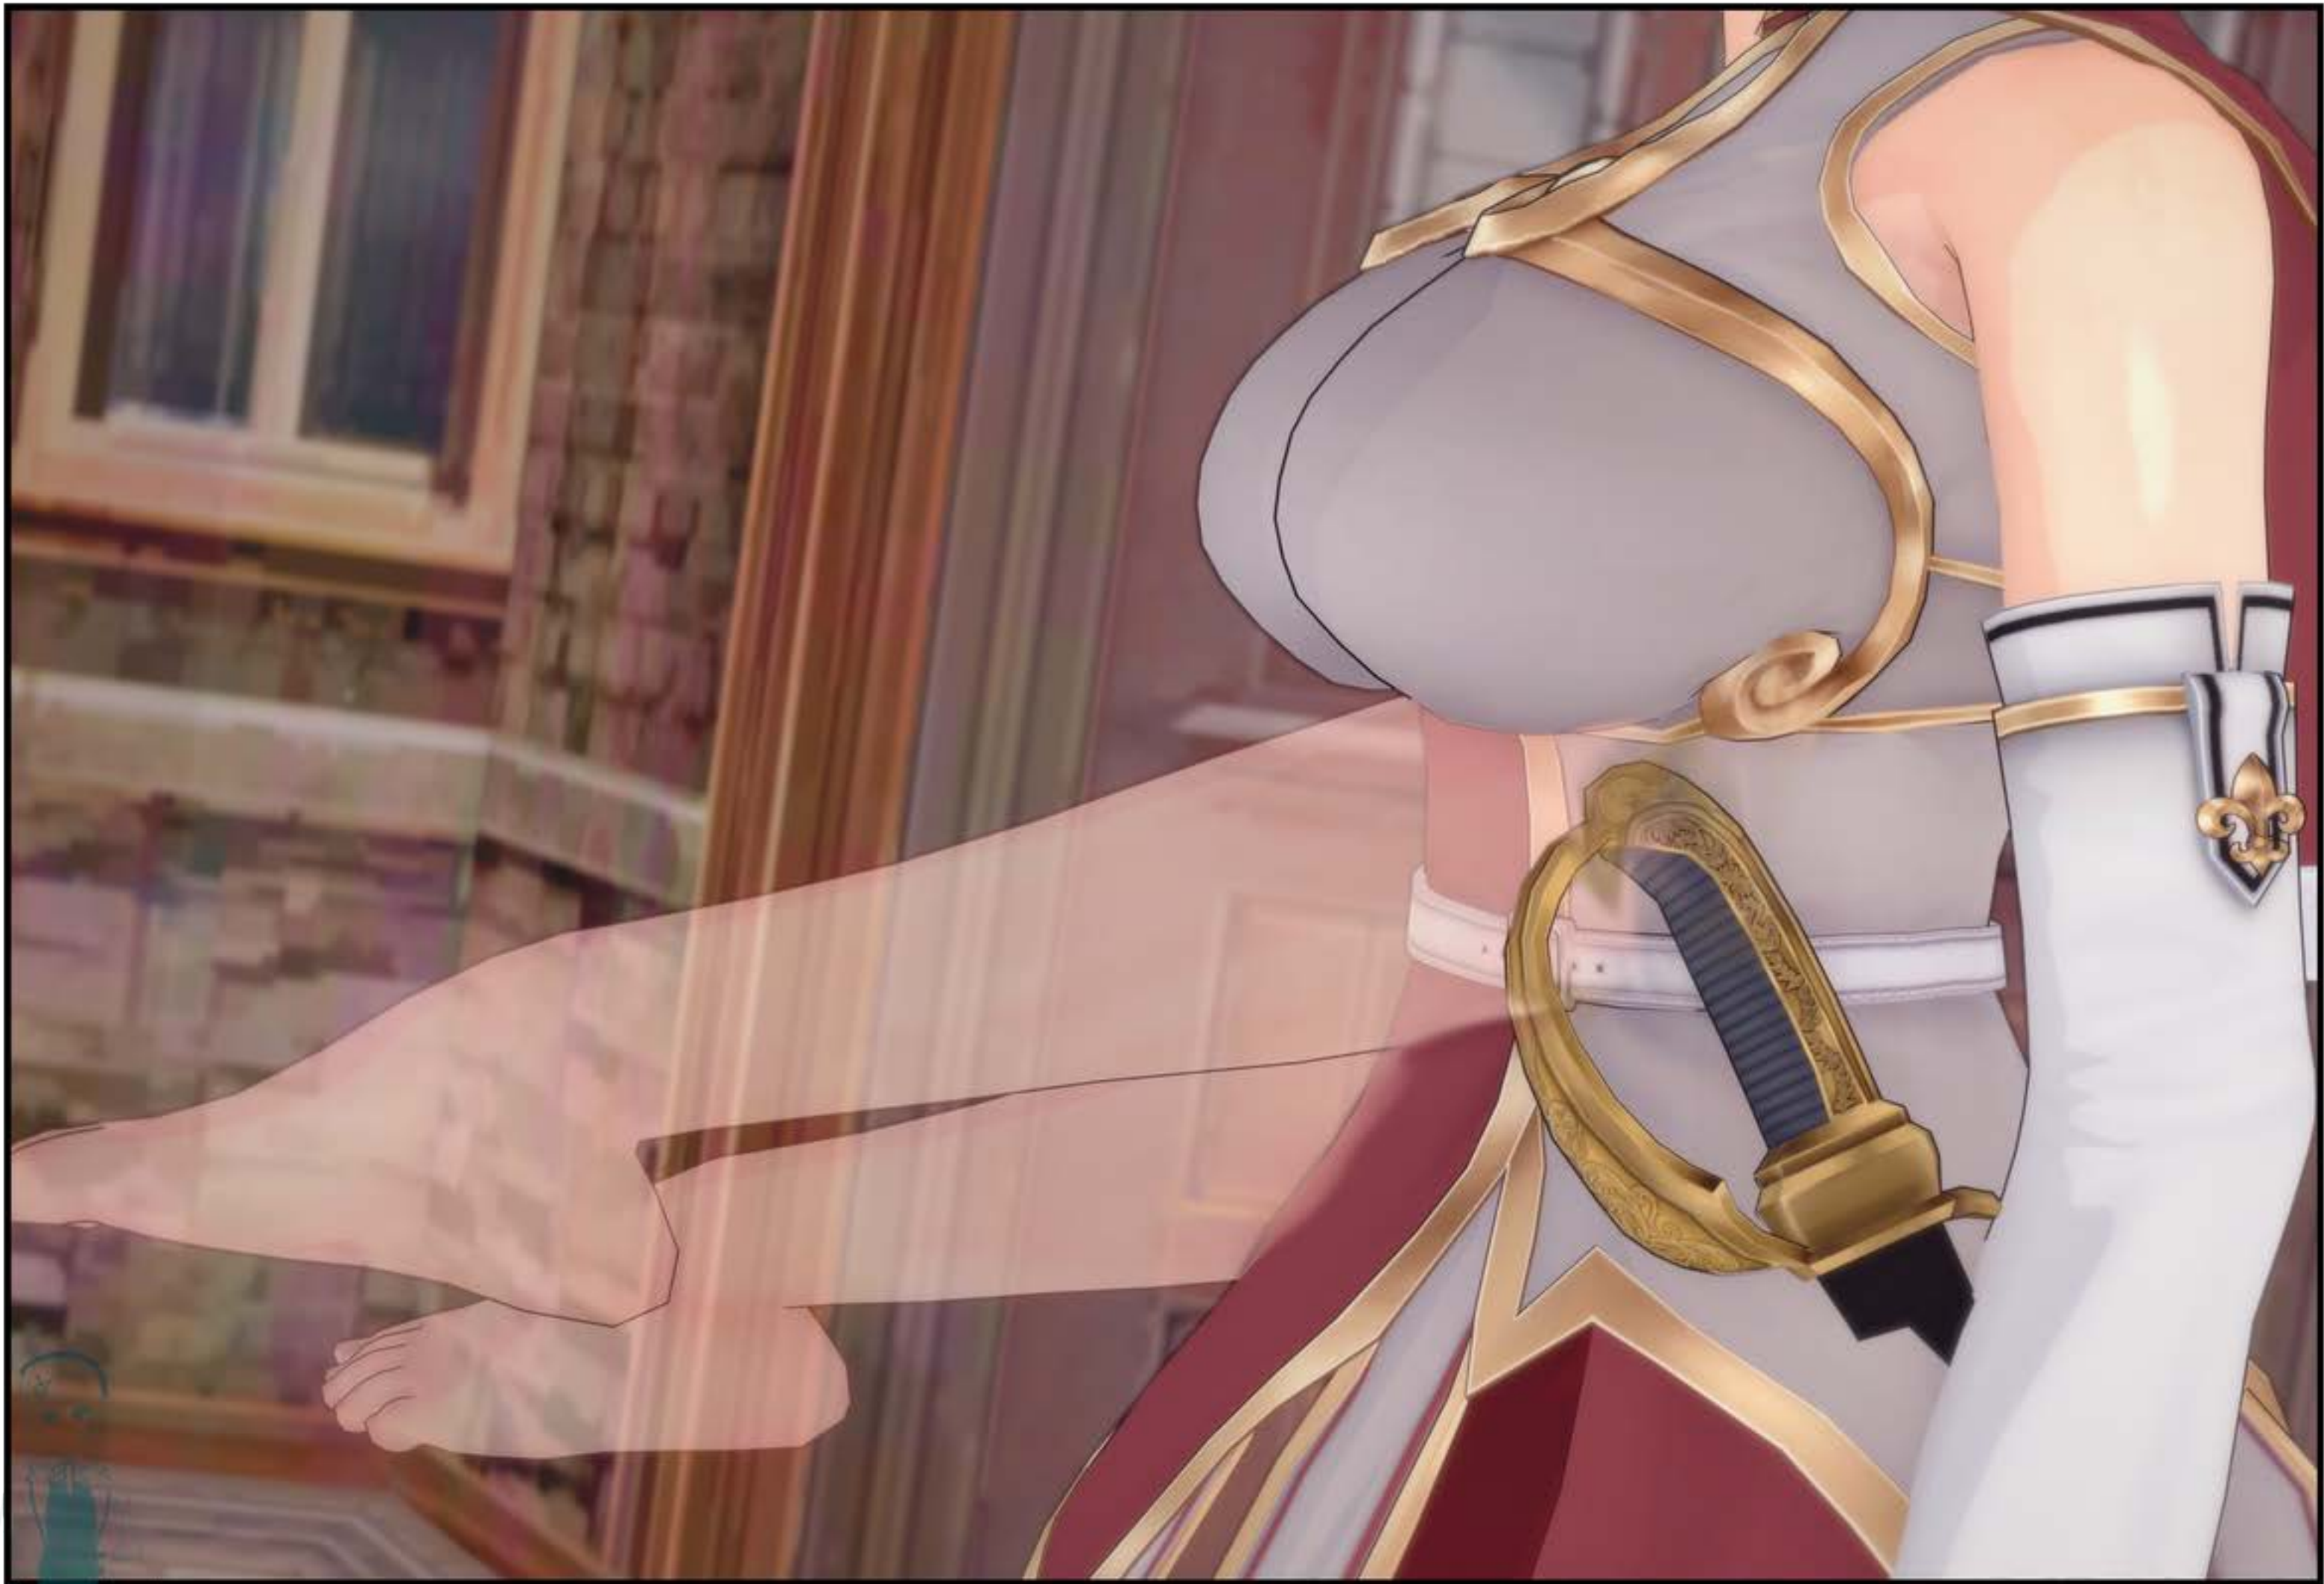

W-What...?

the thief himself!!??

Hoho... What a turn  
of event...

The artifact!!! It could be the cause!!!

A character with long white hair, wearing a white and red outfit with gold accents, stands on a wooden floor. She has a black hair bun. She is looking down at a person lying on the ground. The person is wearing a tan coat and brown boots. A speech bubble is positioned above the character.

Hm... So this artifact  
can swap bodies of  
two person.

P-Please... don't hurt me!

Hey, it's me. I swapped with this Commander.

Well, do you want to be a real man?

Right now, I will teach  
you... for real, kid.

This is just the start to warm up...

I-It feels so good...  
My mind being... relaxed.

Hehe... Is that so?

S-Something...

Cumming is great,  
ain't it?

Especially when you can feel how girl body react when sex.

How about... we  
come to insertion?

クハッ

クハッ

Want to do  
another round, kid?

My body... Give it back...

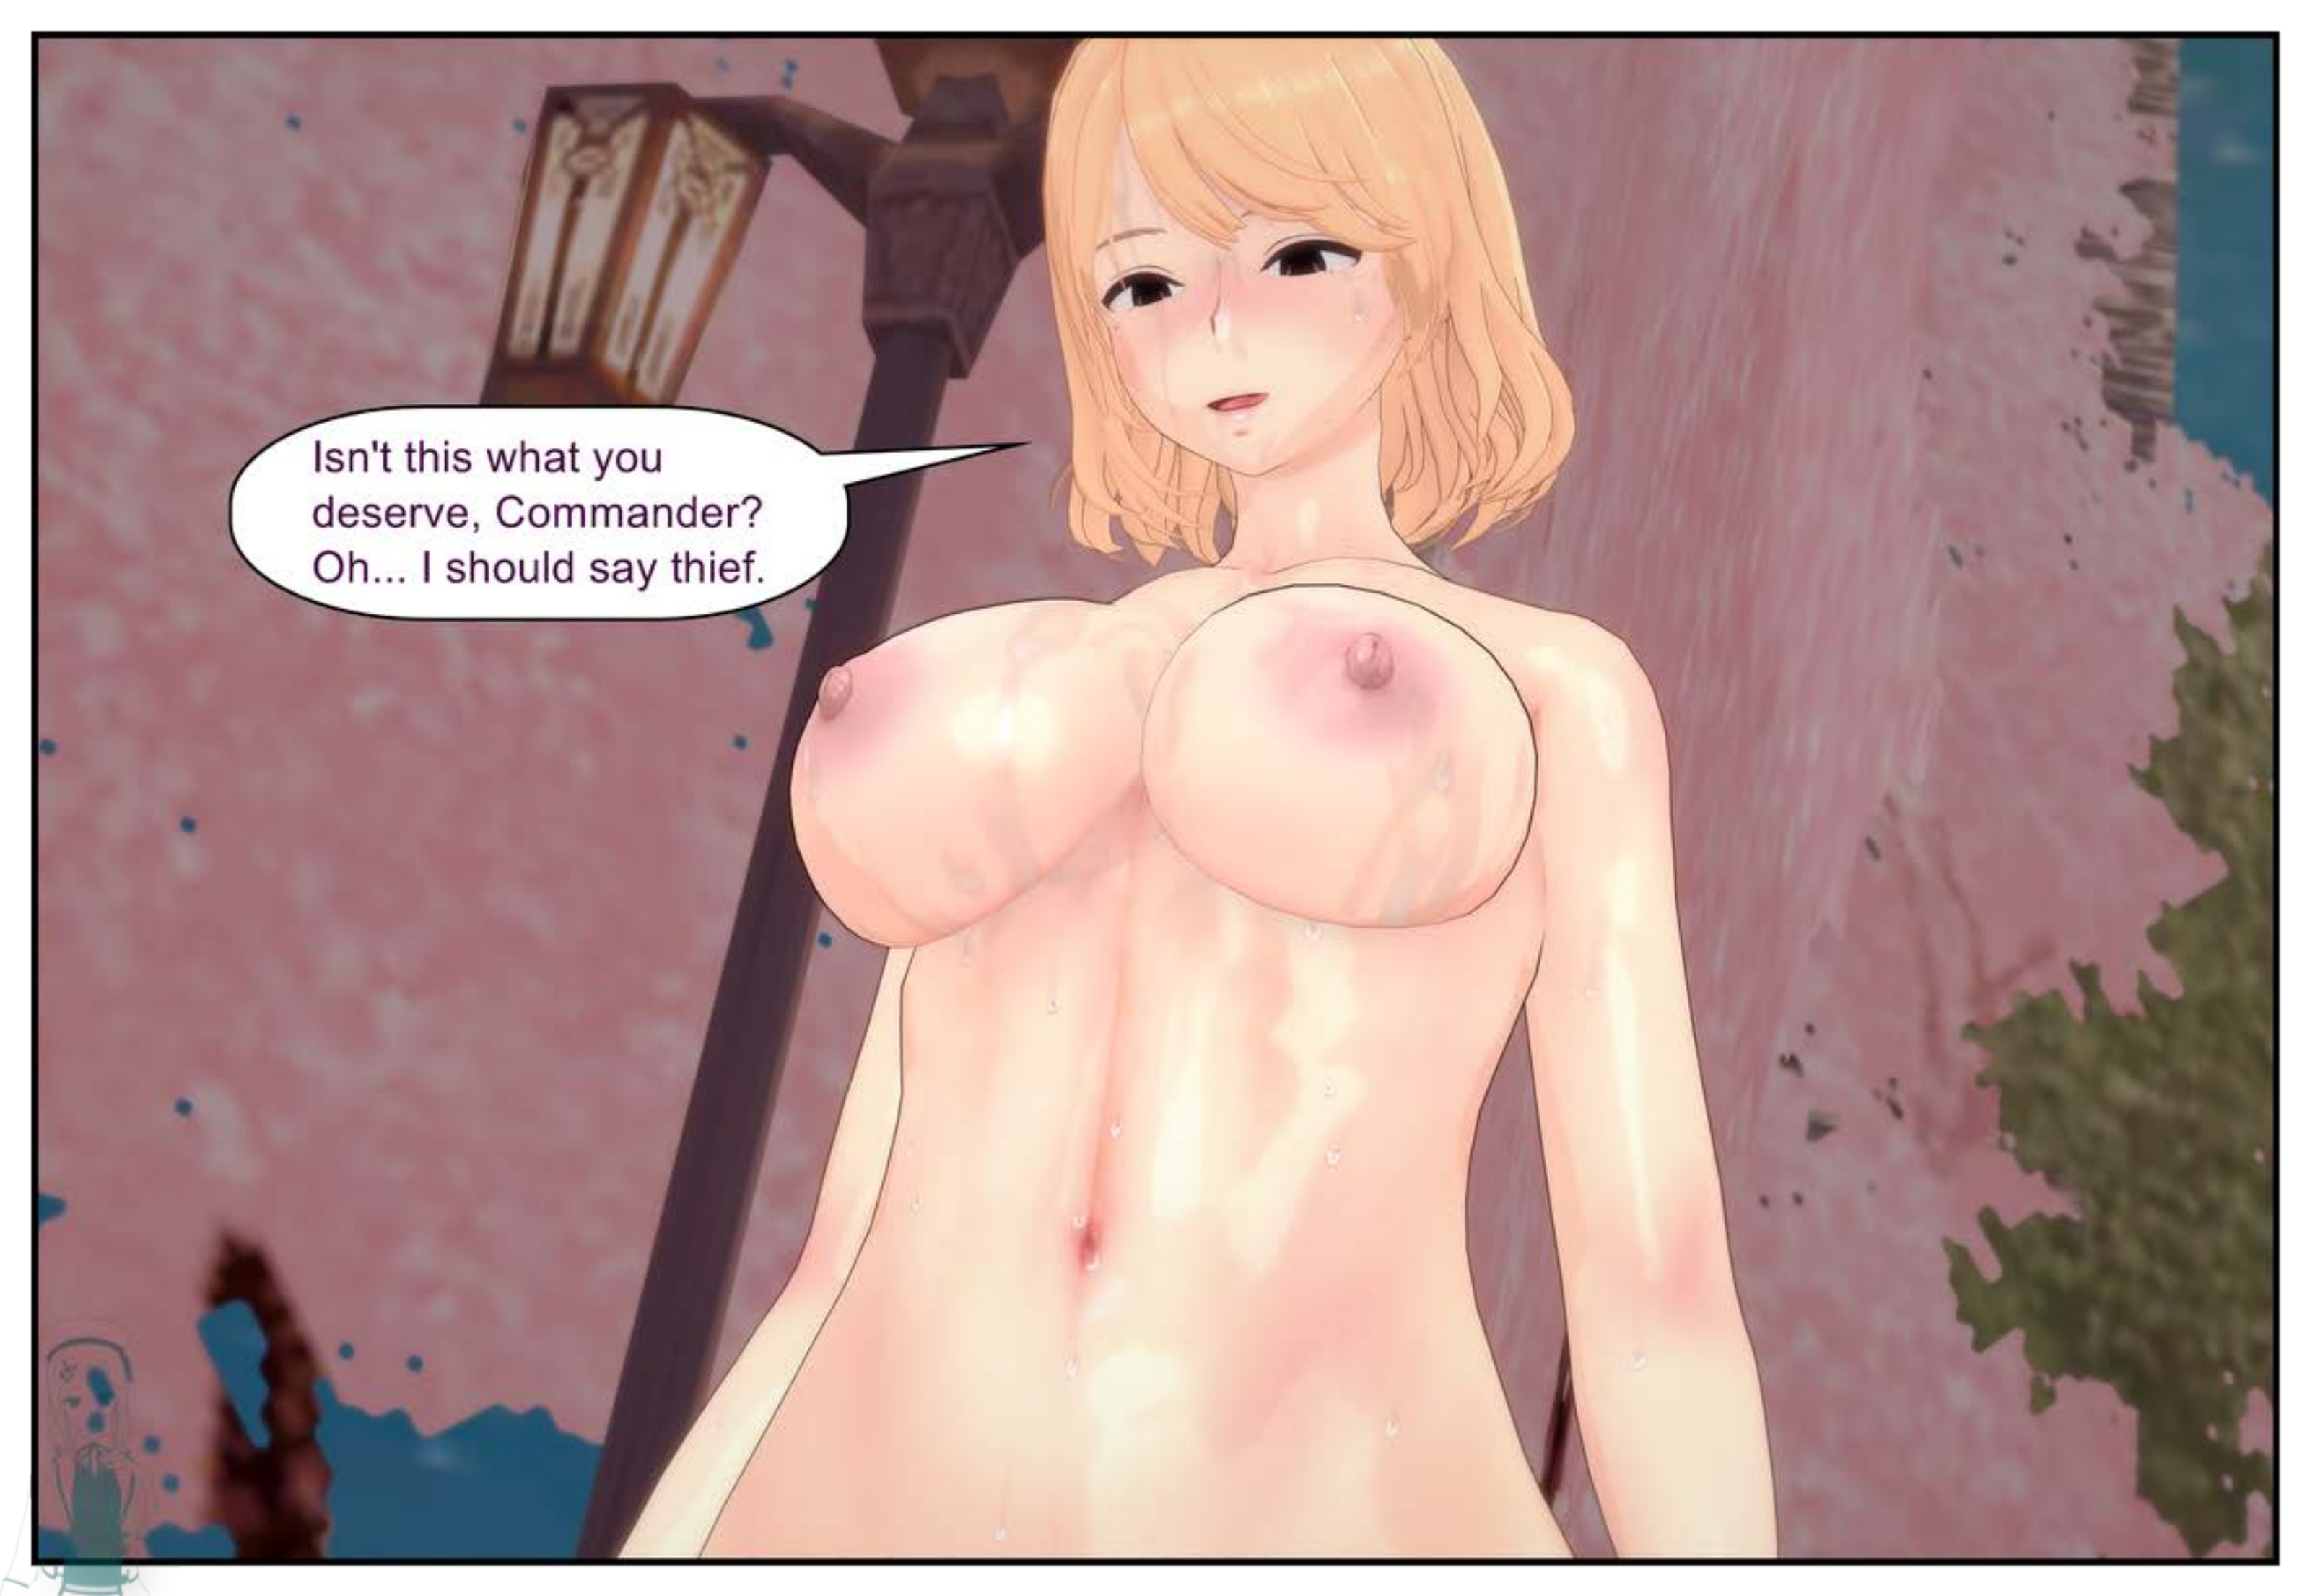

Heh... Do you think  
I will be kind to do so?

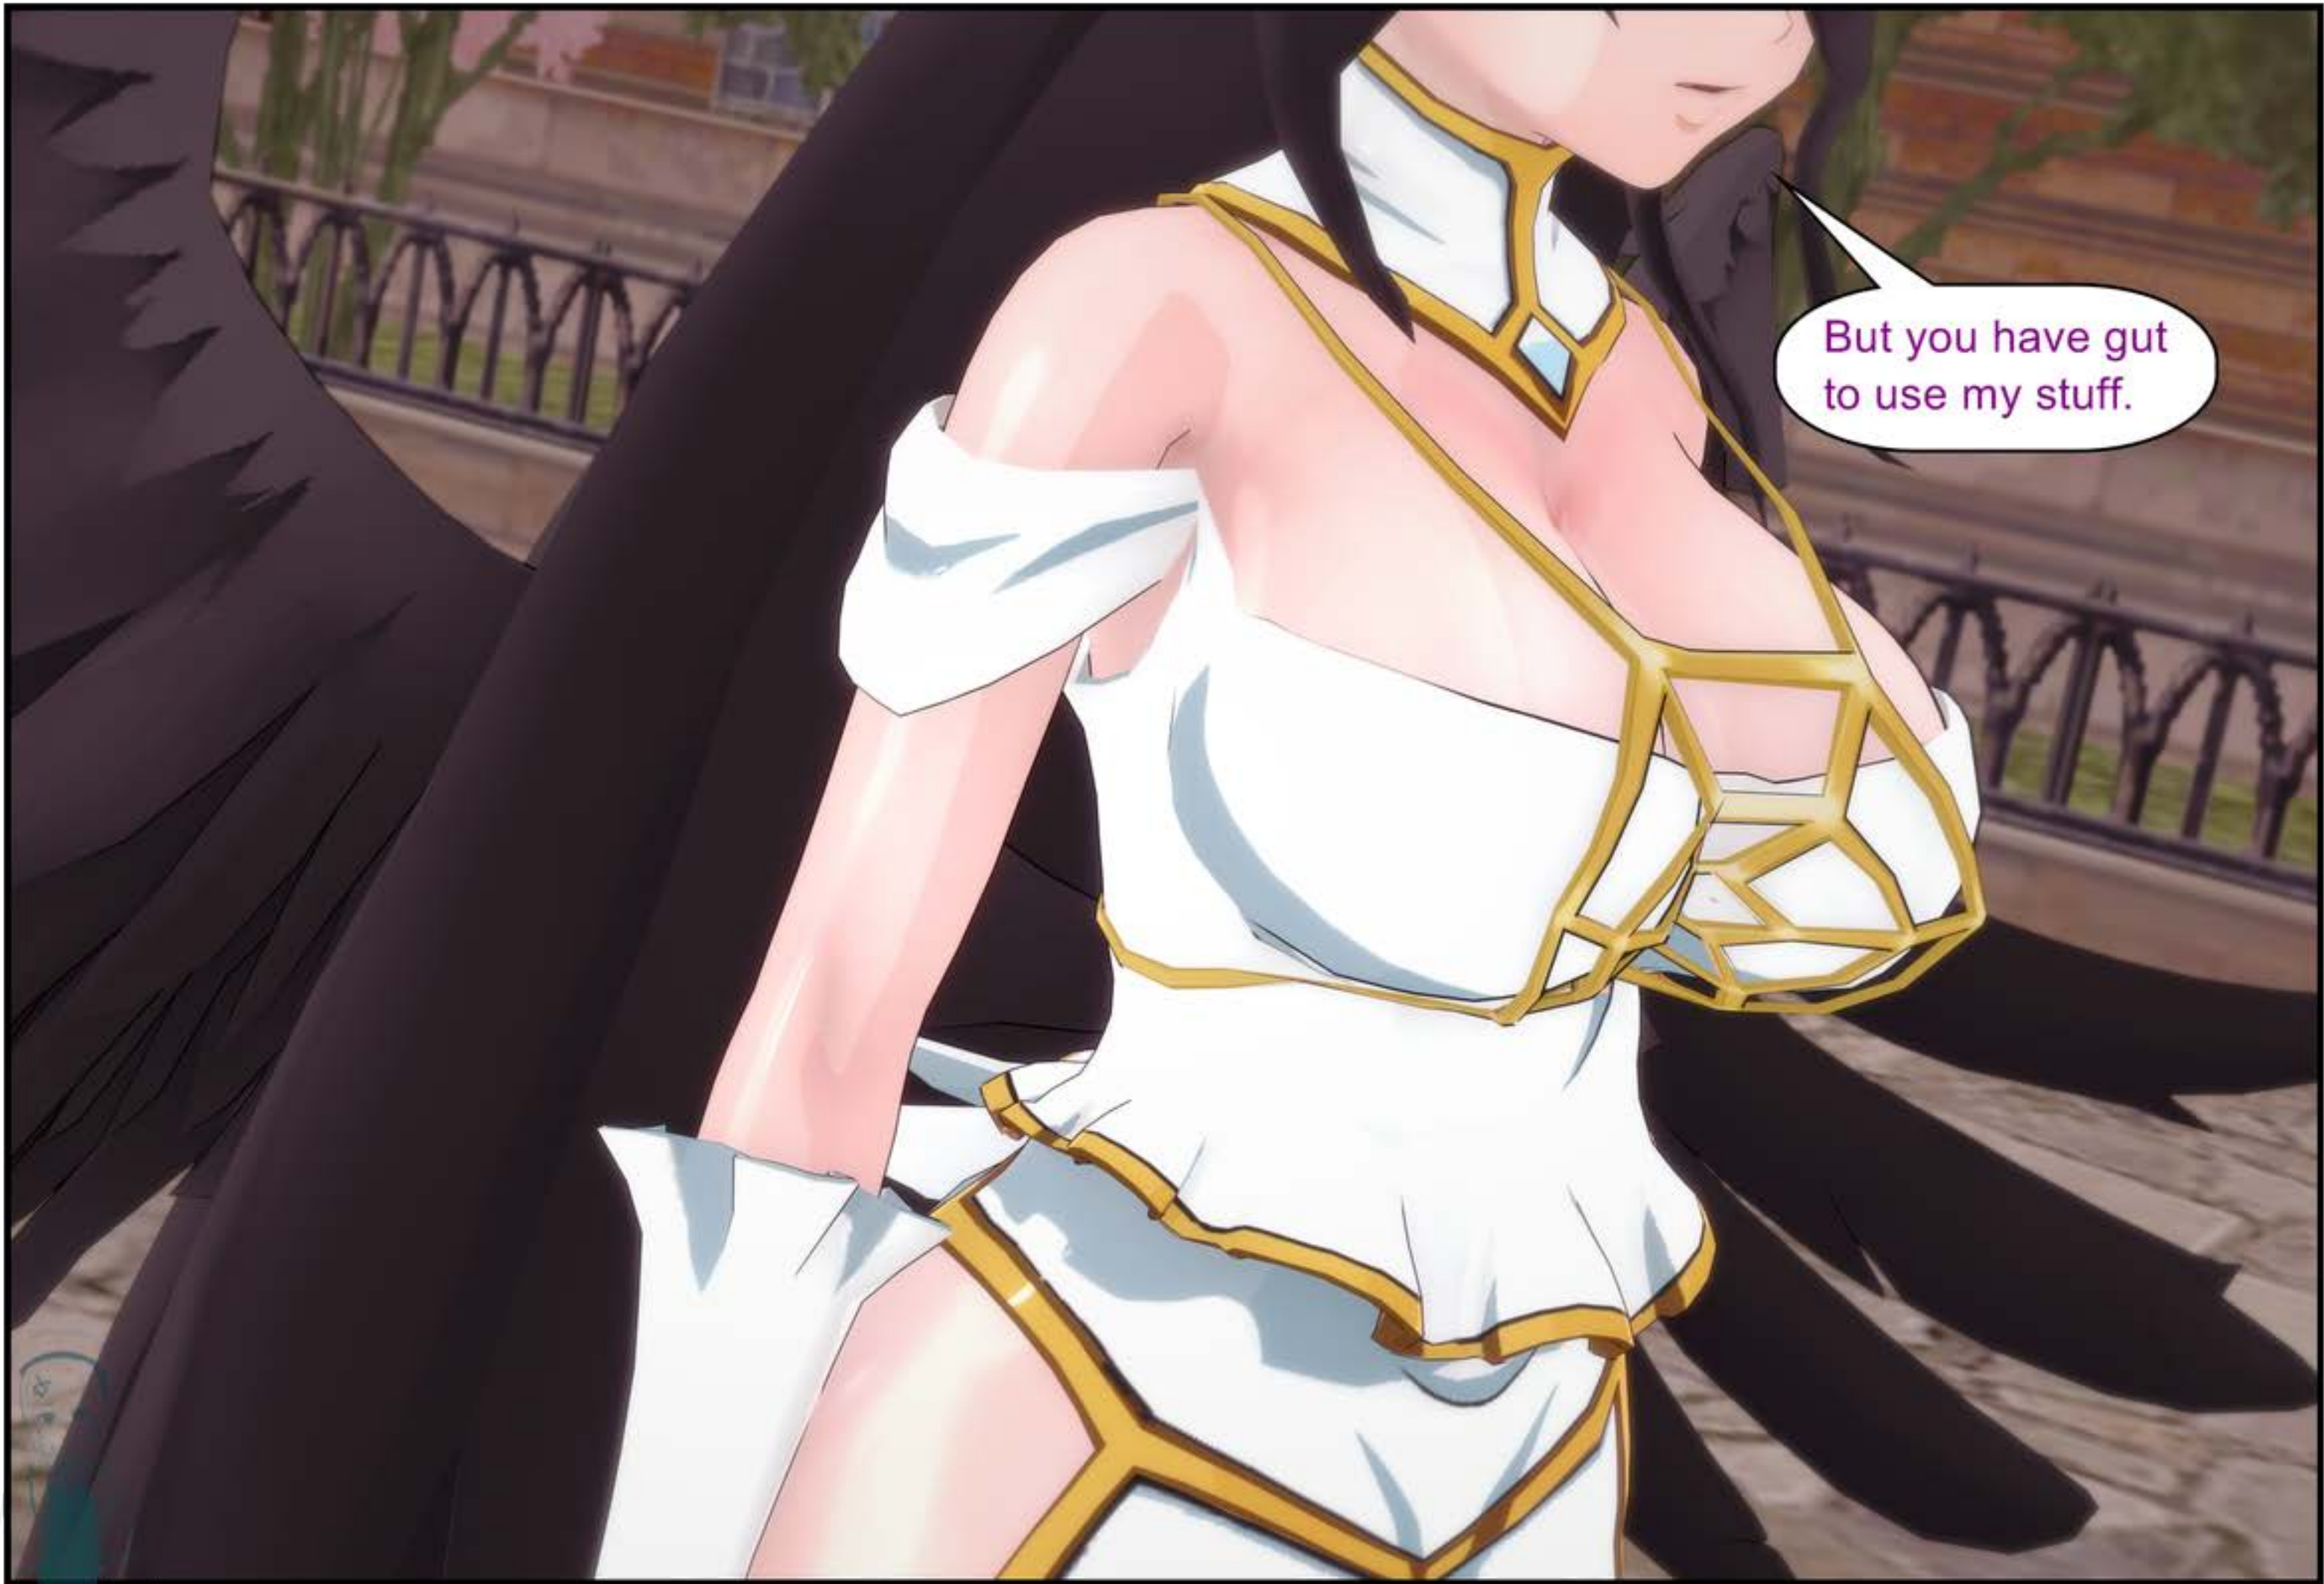

Isn't this what you  
deserve, Commander?  
Oh... I should say thief.

Oh... So this how the artifact work.

But you have gut to use my stuff.

Oh...? And you are...?

Seem like you don't know me...  
Then, I'm the owner of that artifact.

Anywho I don't care.  
But you sure came  
to the right moment.

Y-You...stay away!

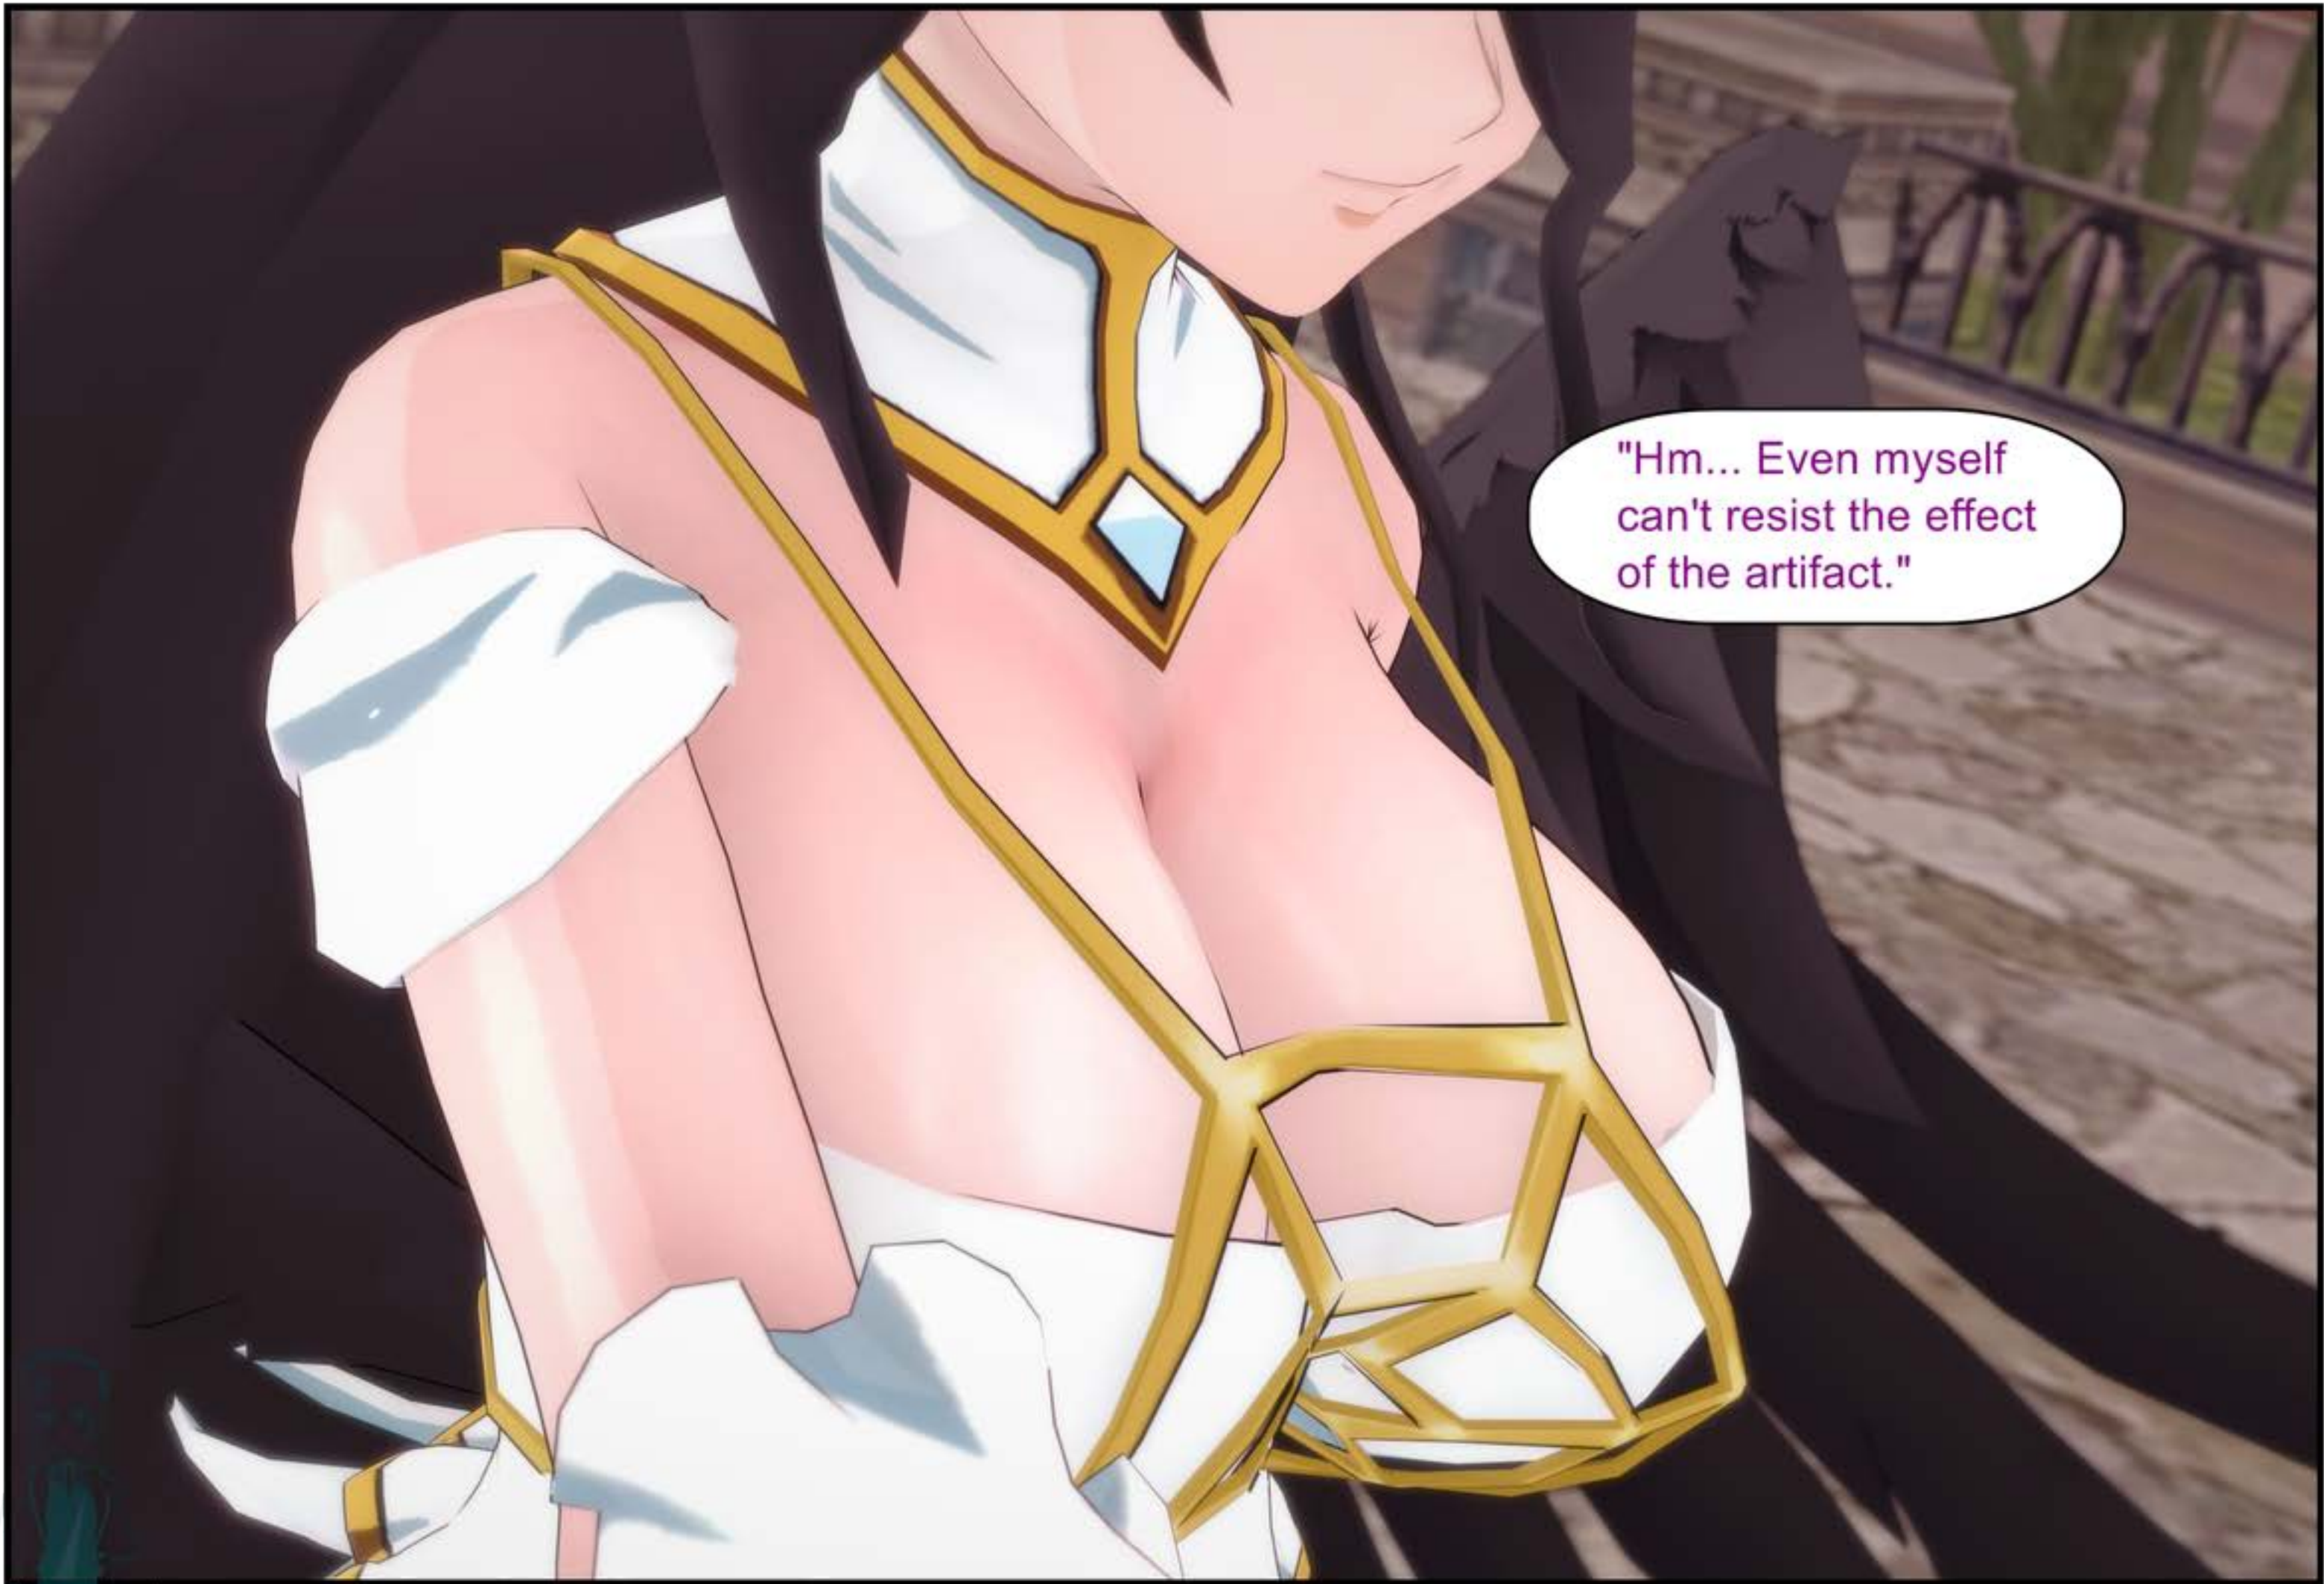

I don't want... to  
each day... out in  
the cold...

"Hm... Even myself  
can't resist the effect  
of the artifact."

A young man with short, spiky white hair and a pale complexion is shown from the chest up. He is wearing a grey, sleeveless vest with a zipper. He is holding a small, black, spider-like creature with two prominent red eyes. The creature is positioned in front of his chest, with its legs spread out. The man's expression is one of concern or sadness, with his mouth slightly open. The background is a blurred outdoor setting with a stone wall, a tree trunk, and a building with a tiled roof. A speech bubble is located in the upper left corner of the image.

I wanted to have a  
life of a normal person!

N-No... This is impossible...

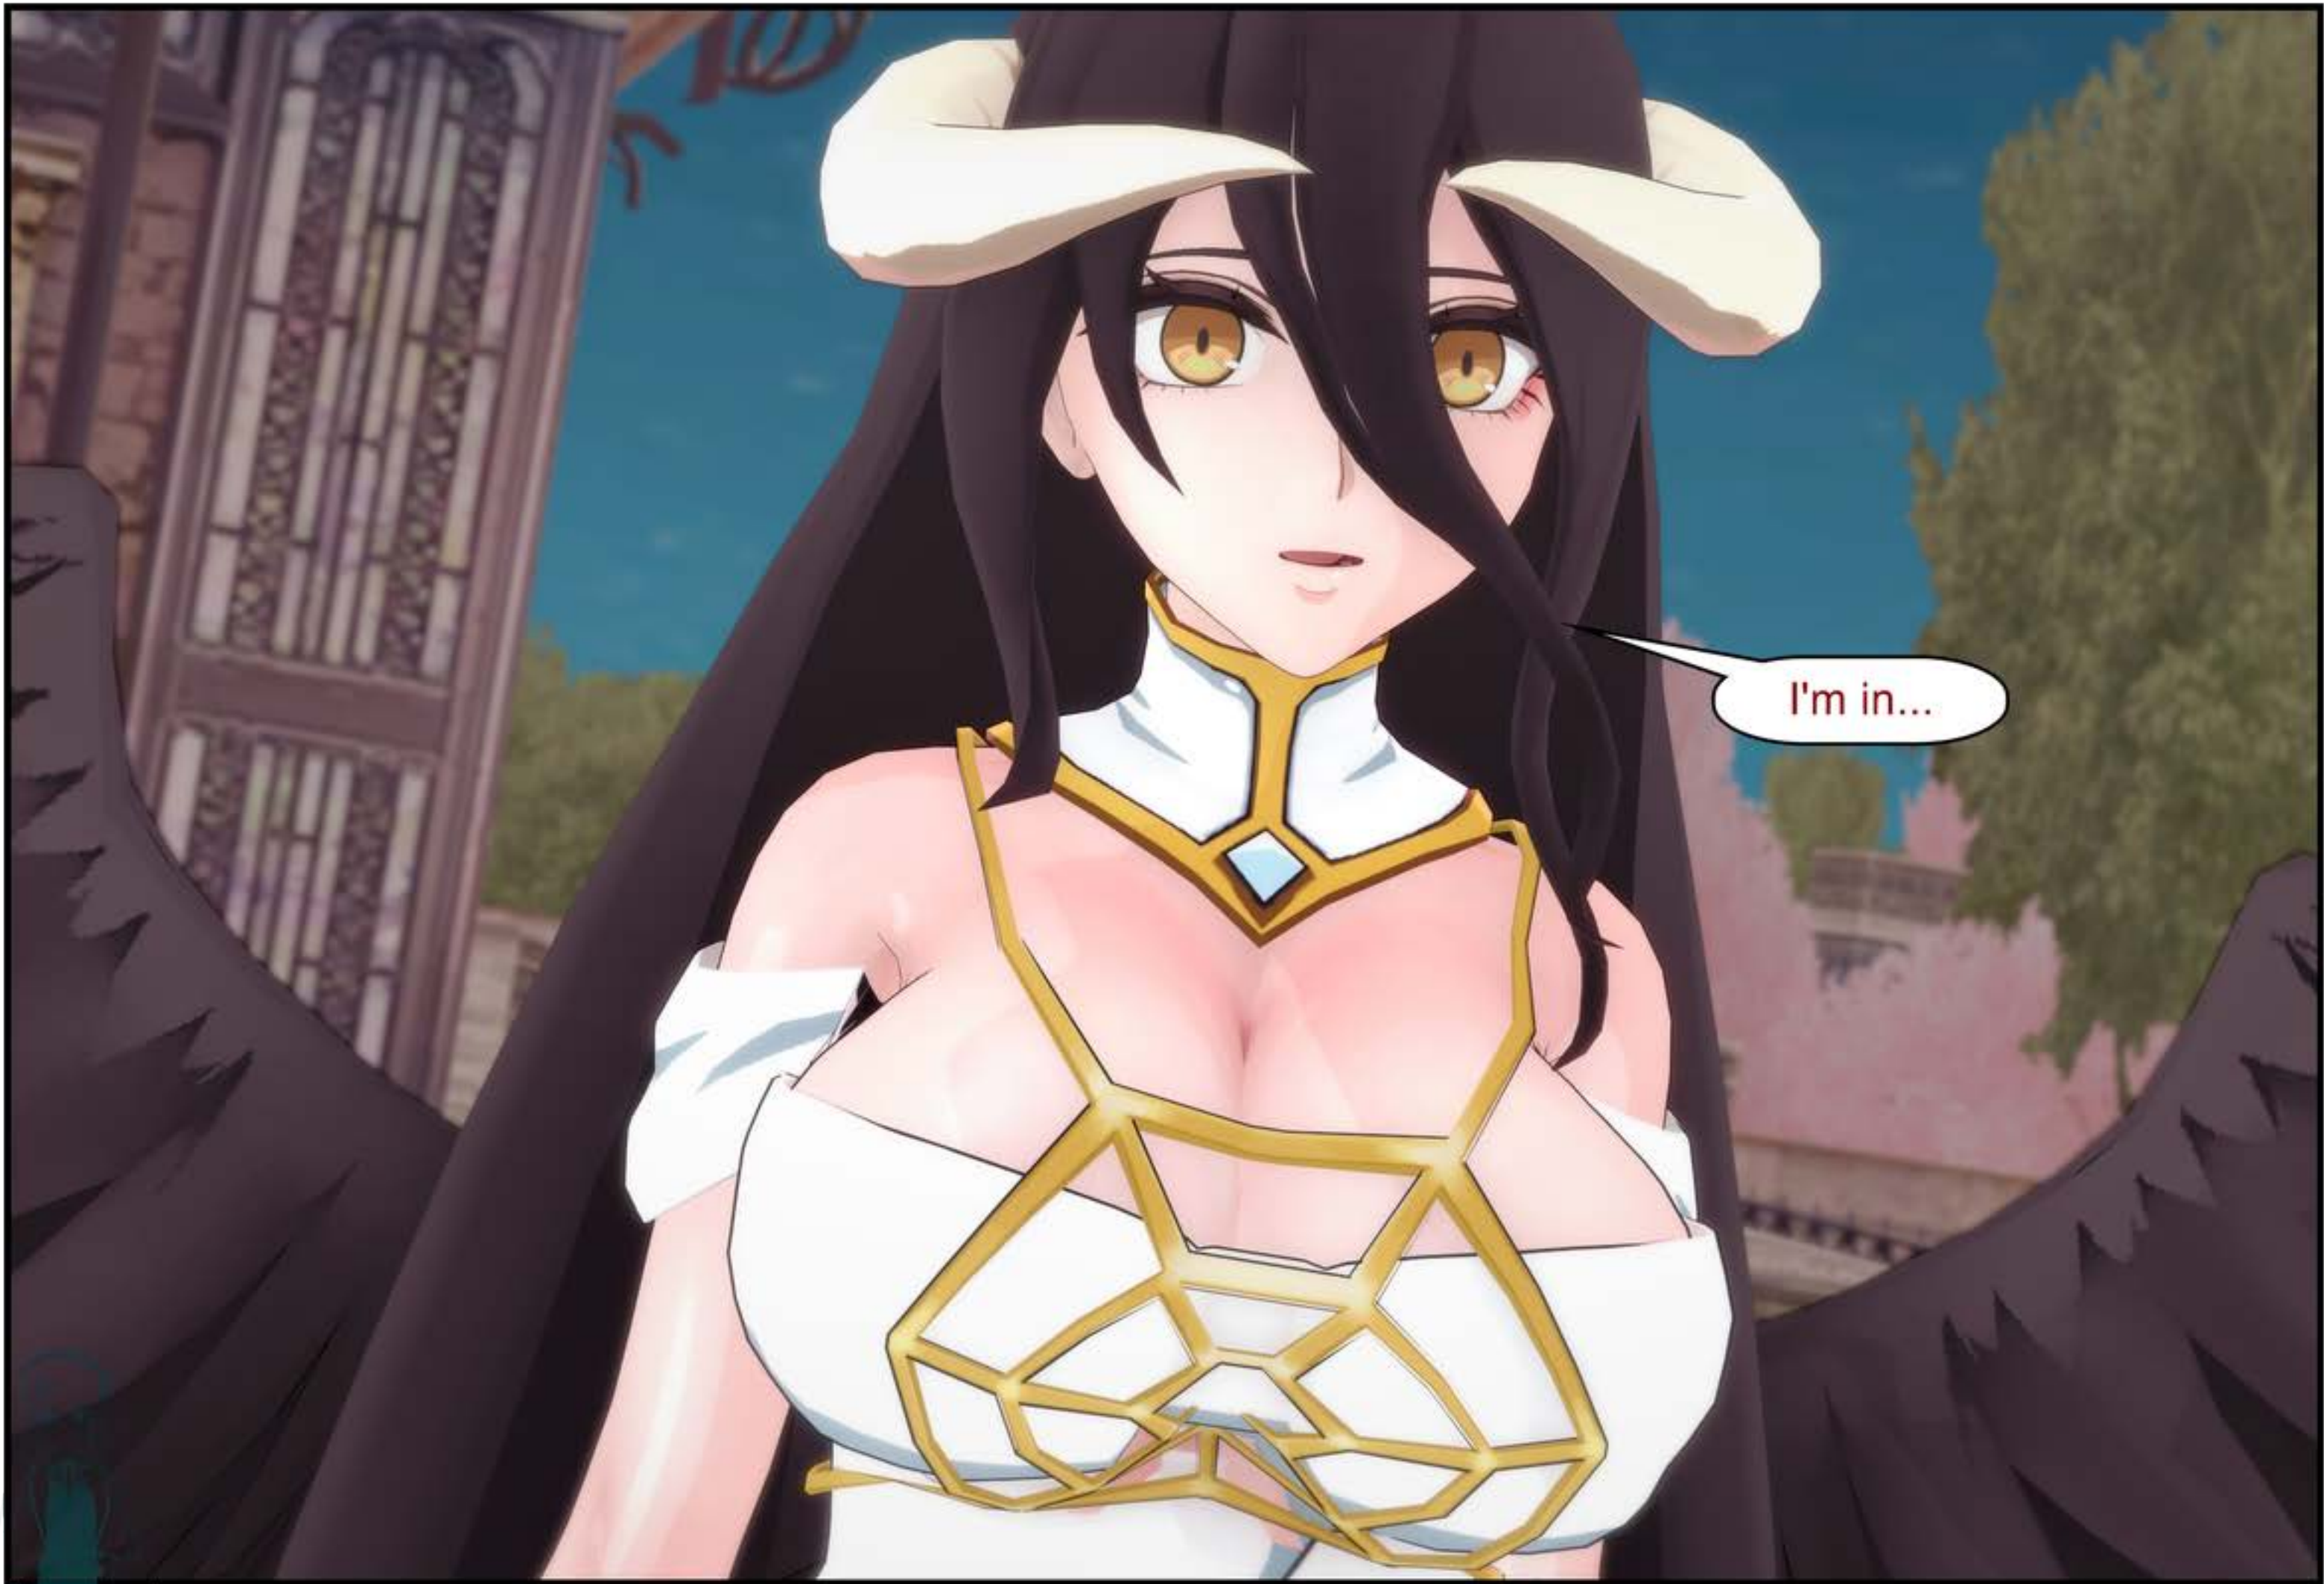

I'm in...

L-Lord Albedo!!!

Hm... A Lord, huh?

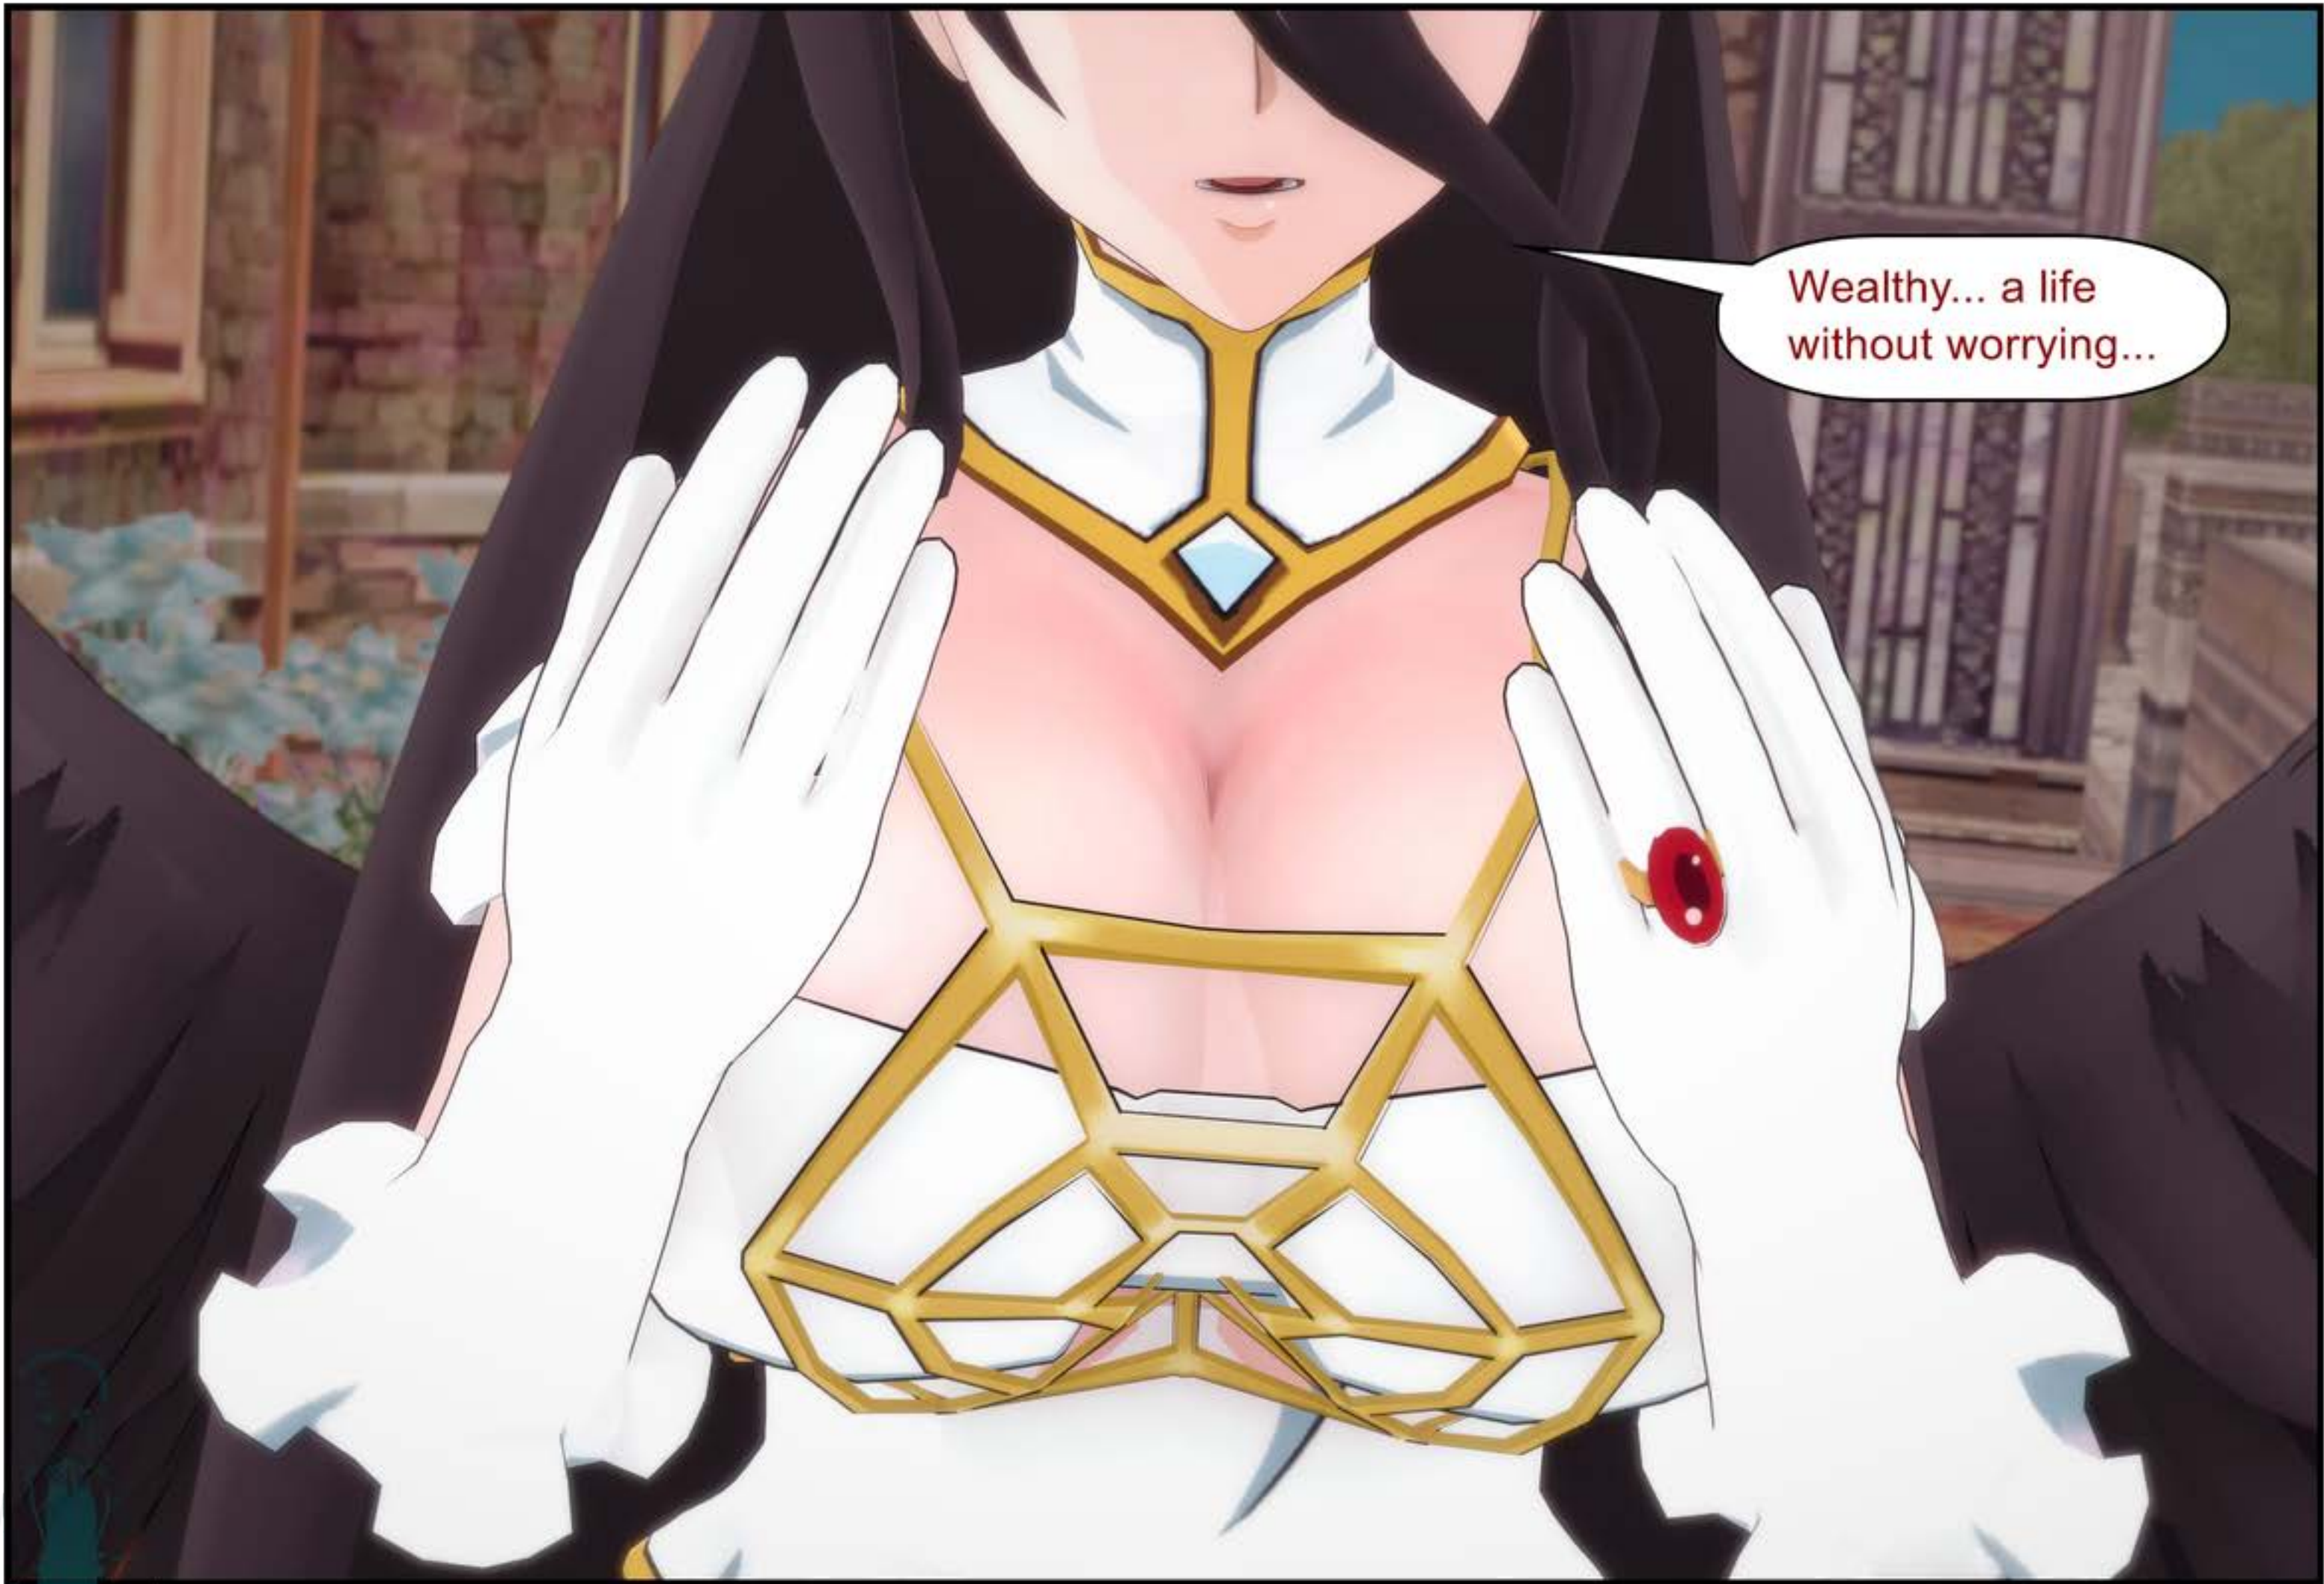

I say it's the Jackpot  
for you, kid.

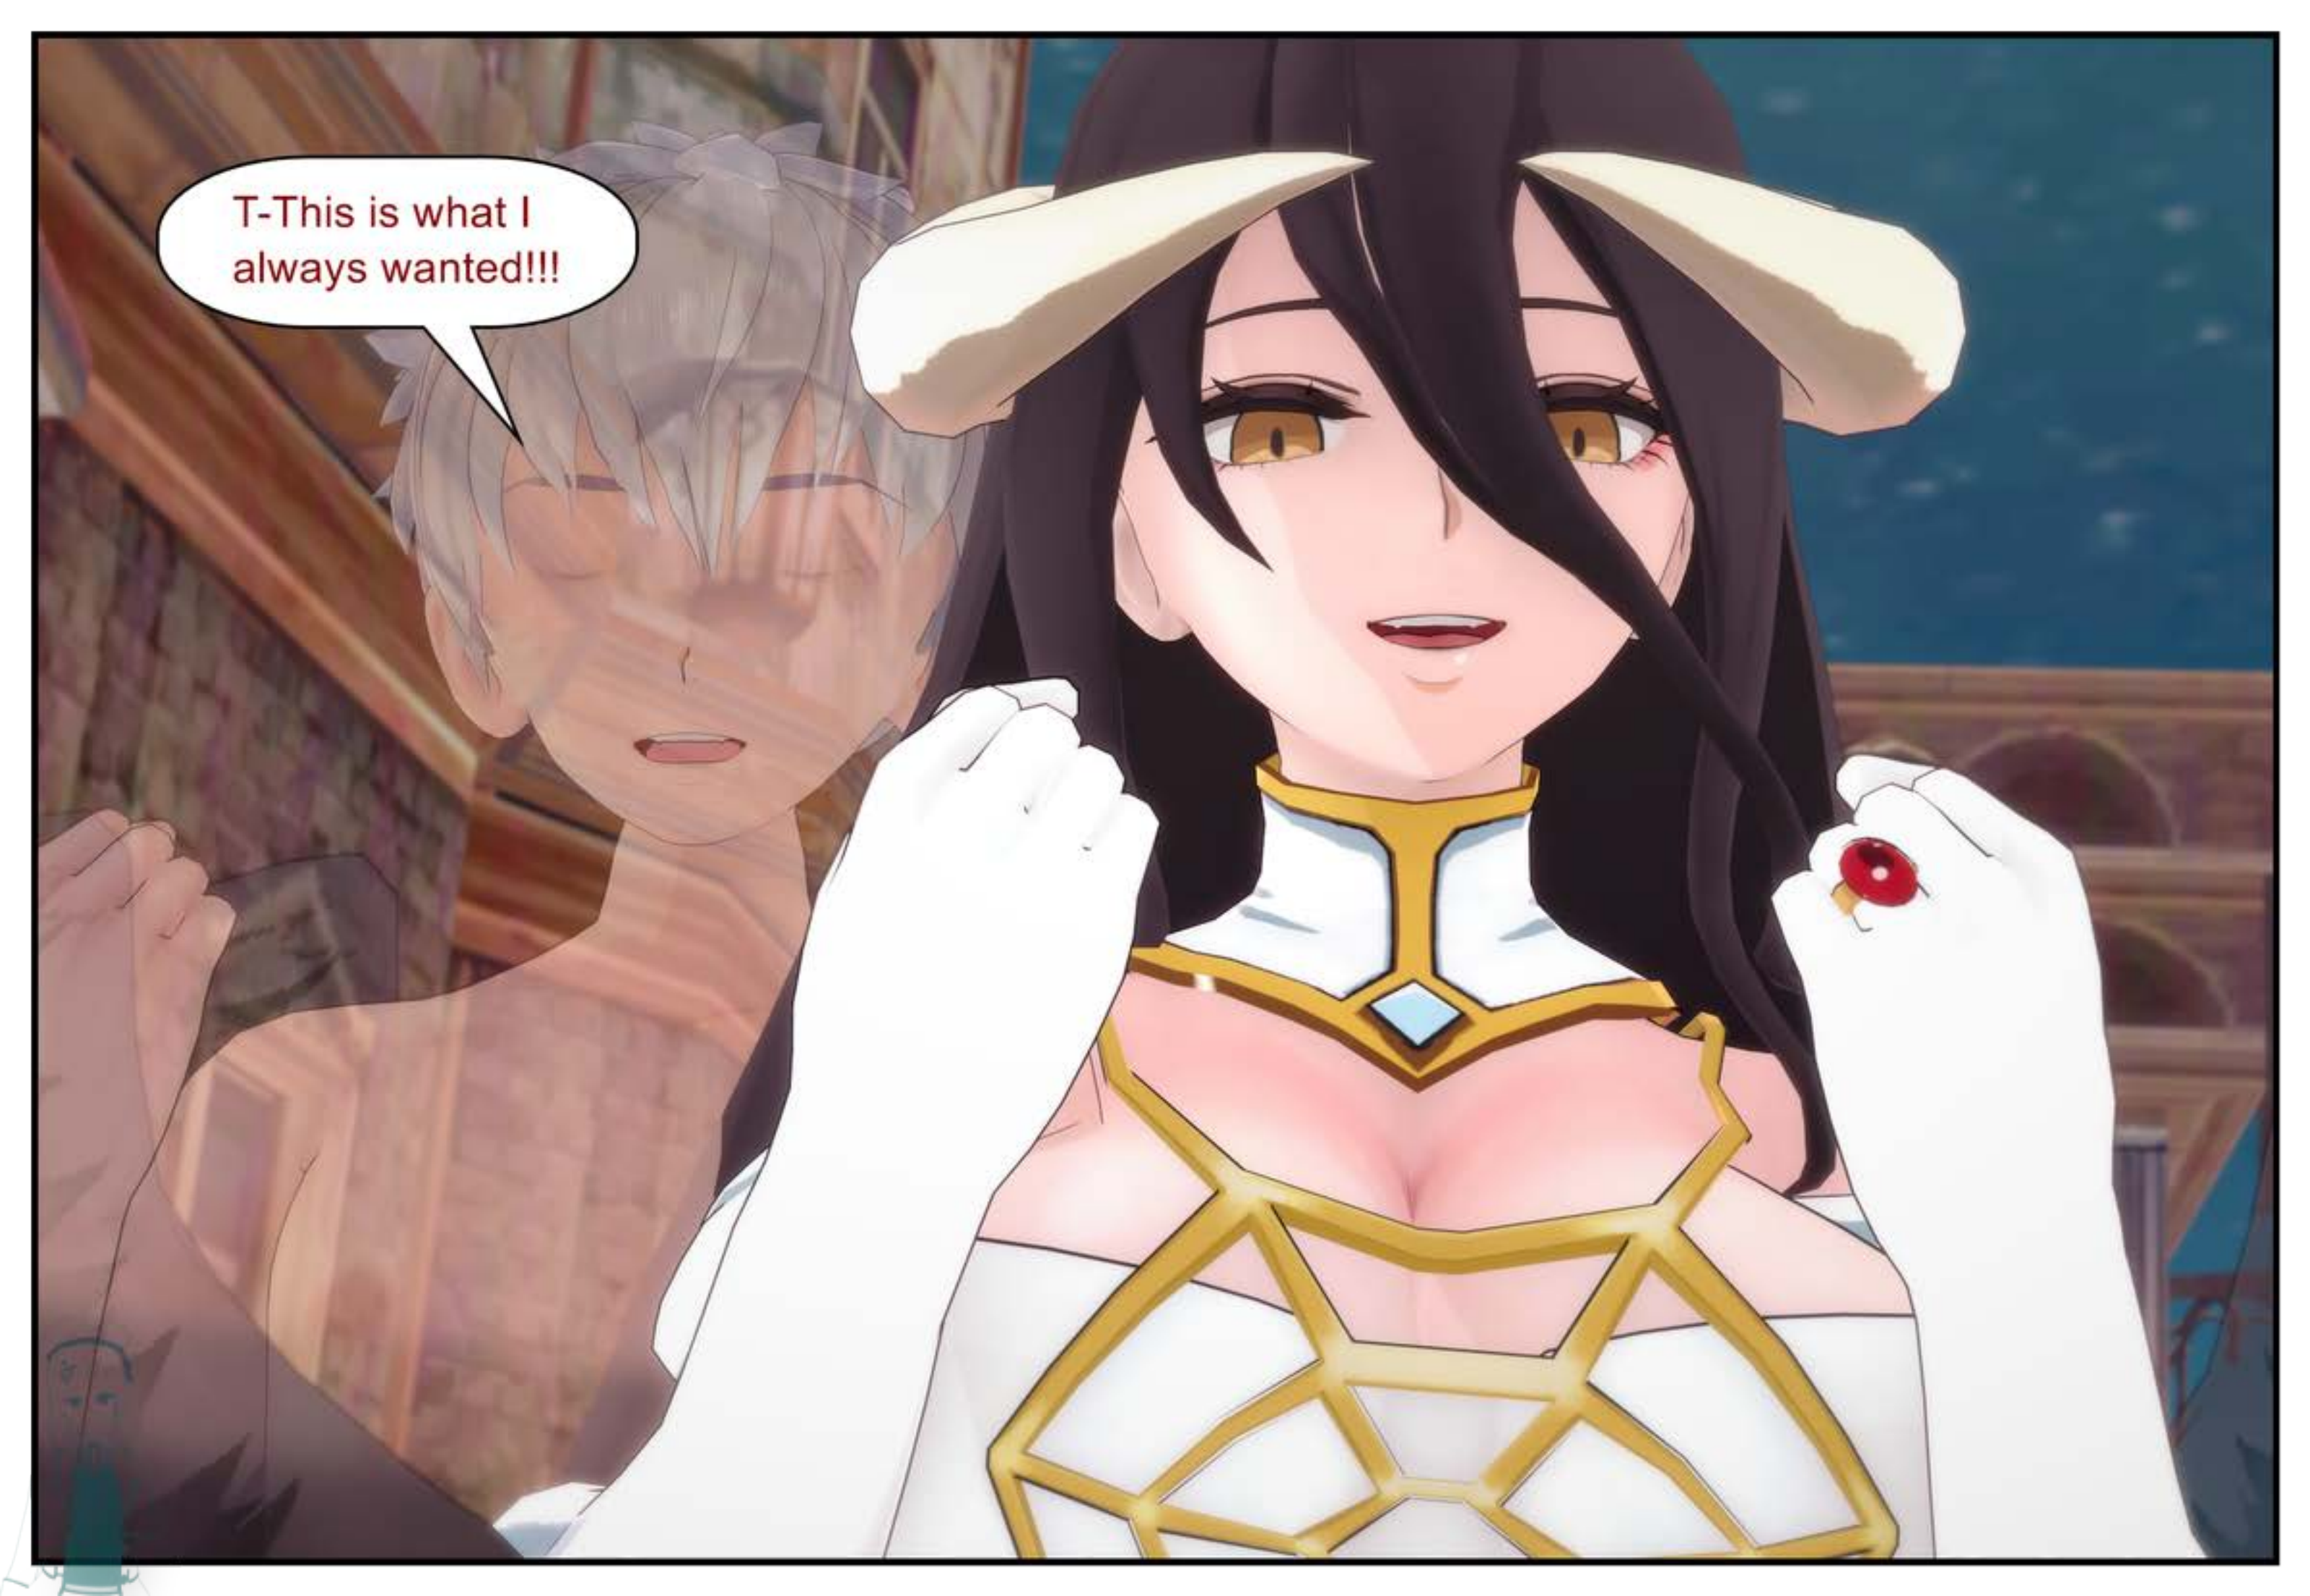

Wealthy... a life  
without worrying...

T-This is what I  
always wanted!!!

W-Wha... My clothes... What is happening?

W-Wha...

I don't know how...  
But my clothes changed  
on its self!!

Then, show me  
what I taught you.

Okay!

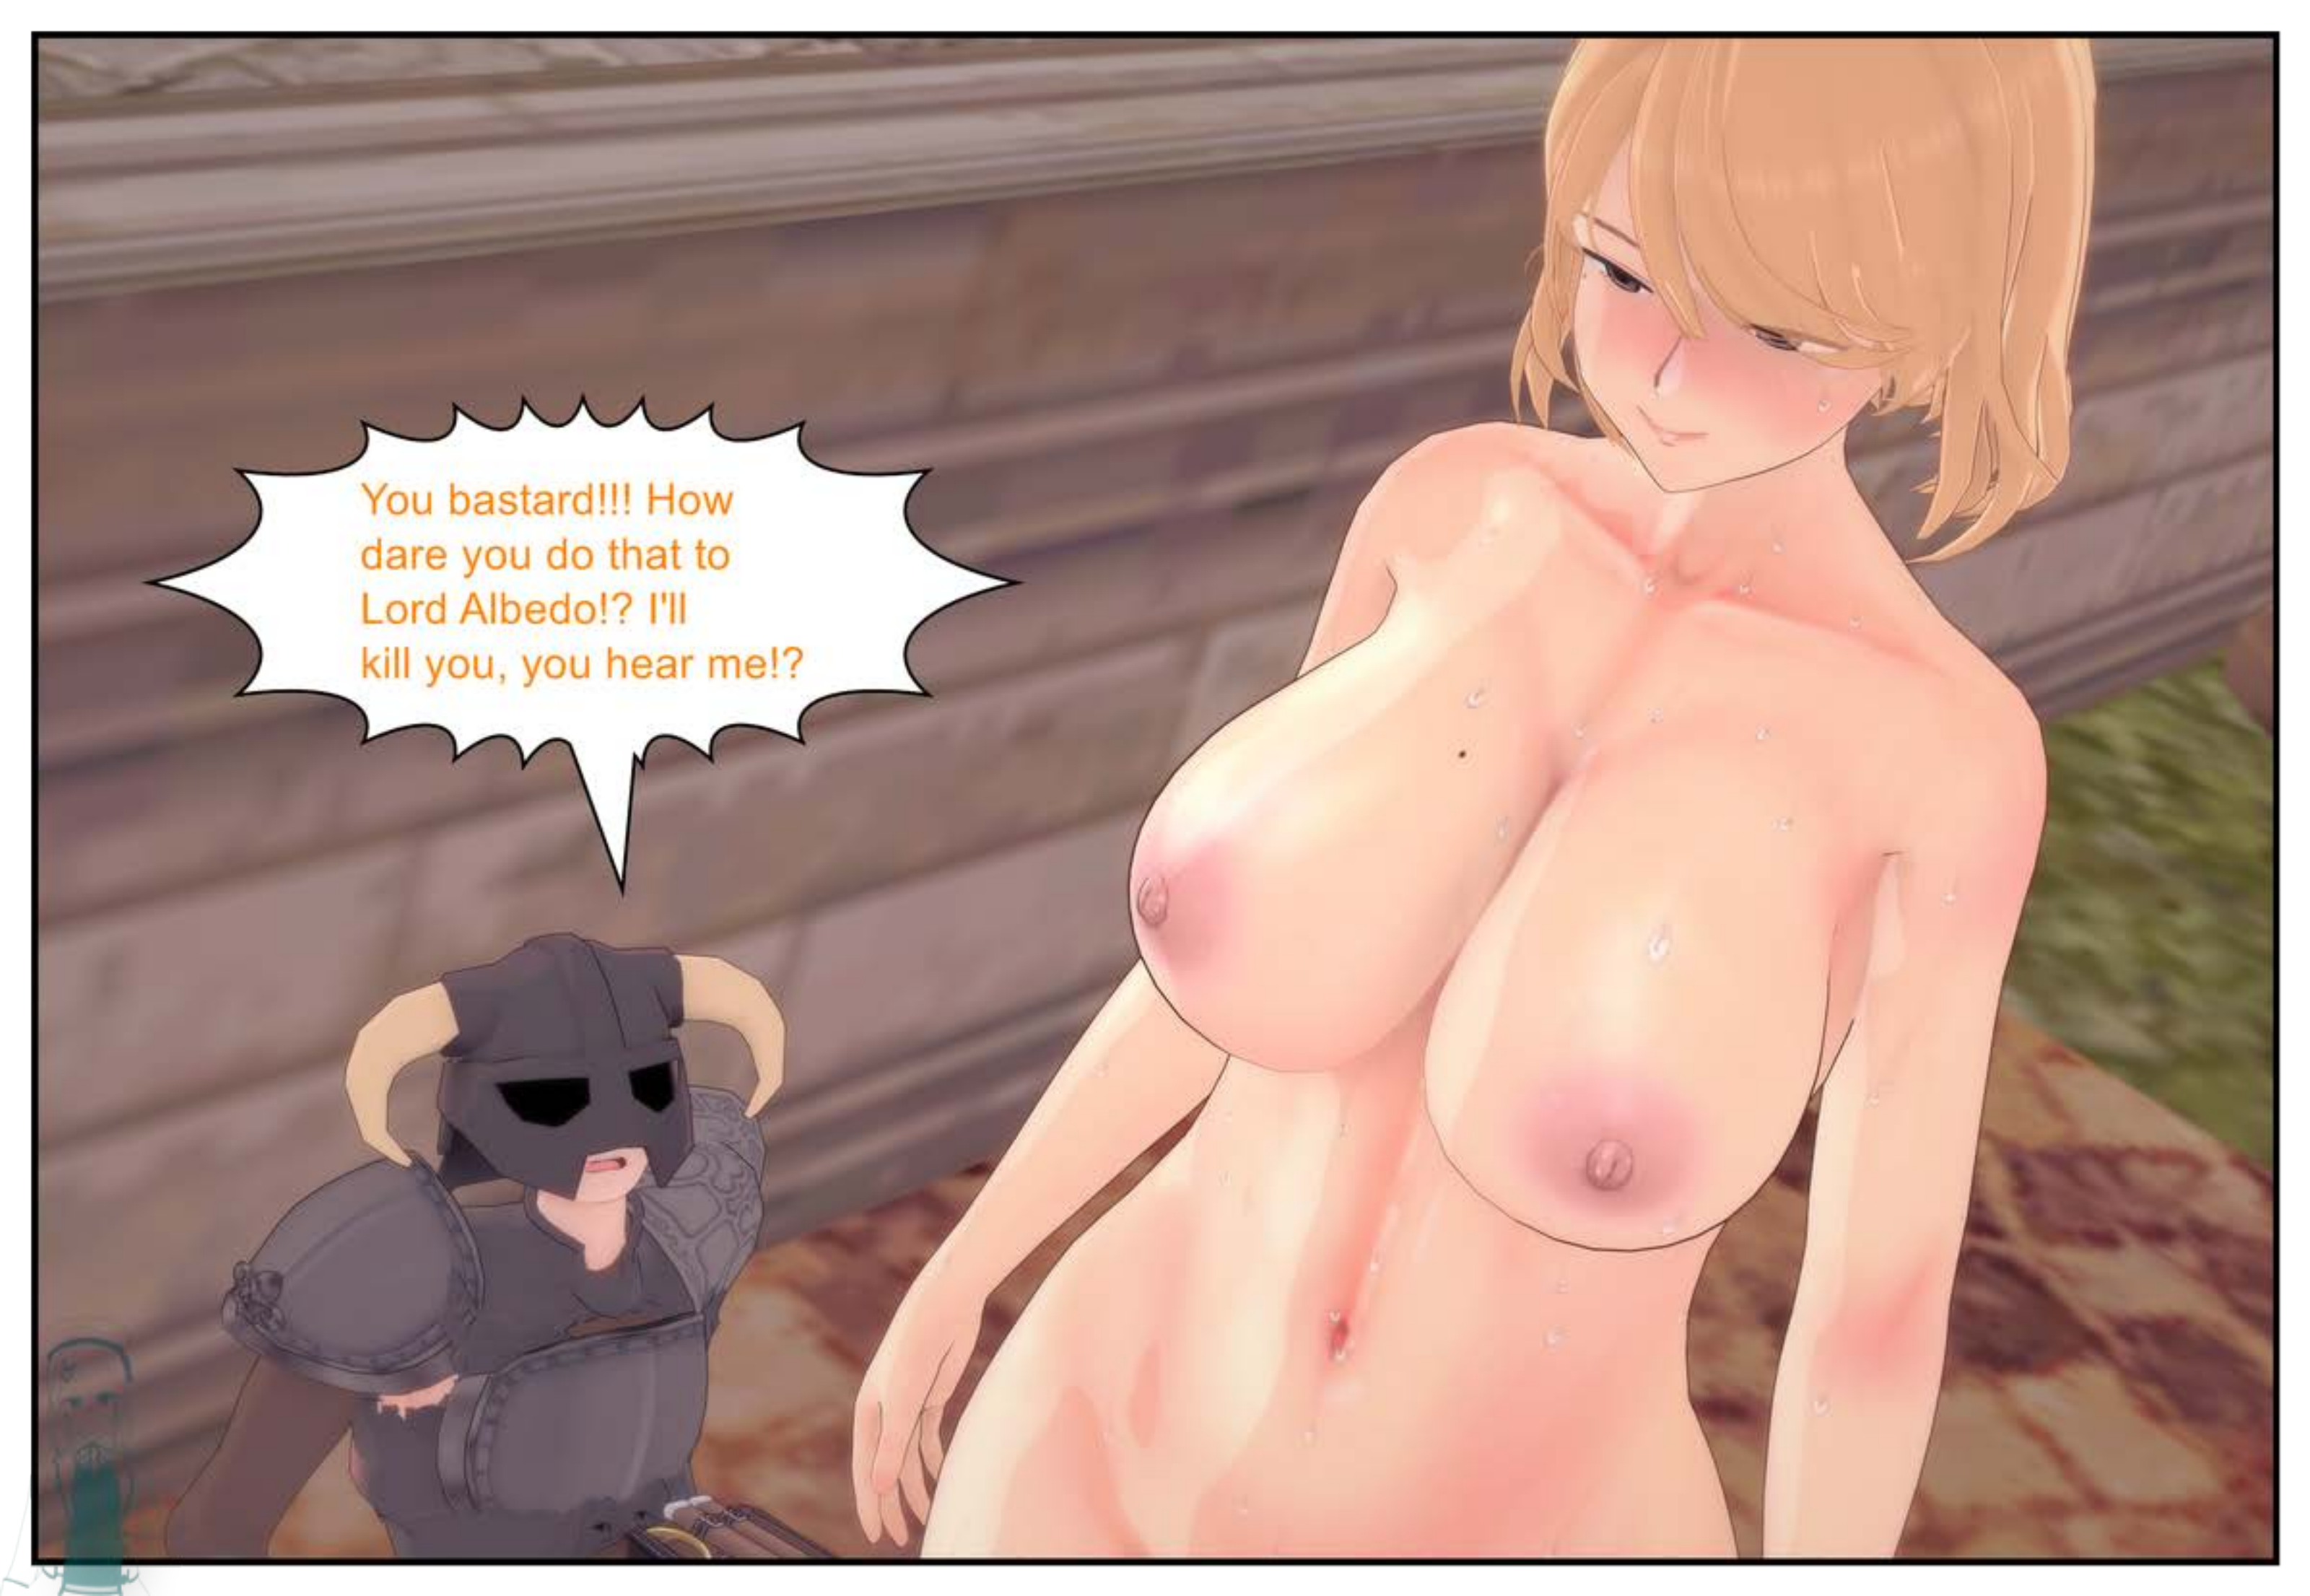

おっぱい

You bastard!!! How dare you do that to Lord Albedo!? I'll kill you, you hear me!?

No need to,  
Commander  
Katarina.

I got everything  
under my control.

Thanks to them,  
I know how to  
adjust the artifact.

Non-sense! What  
under control...

My body was swapped,  
but I'm stronger than  
you thought, thief.

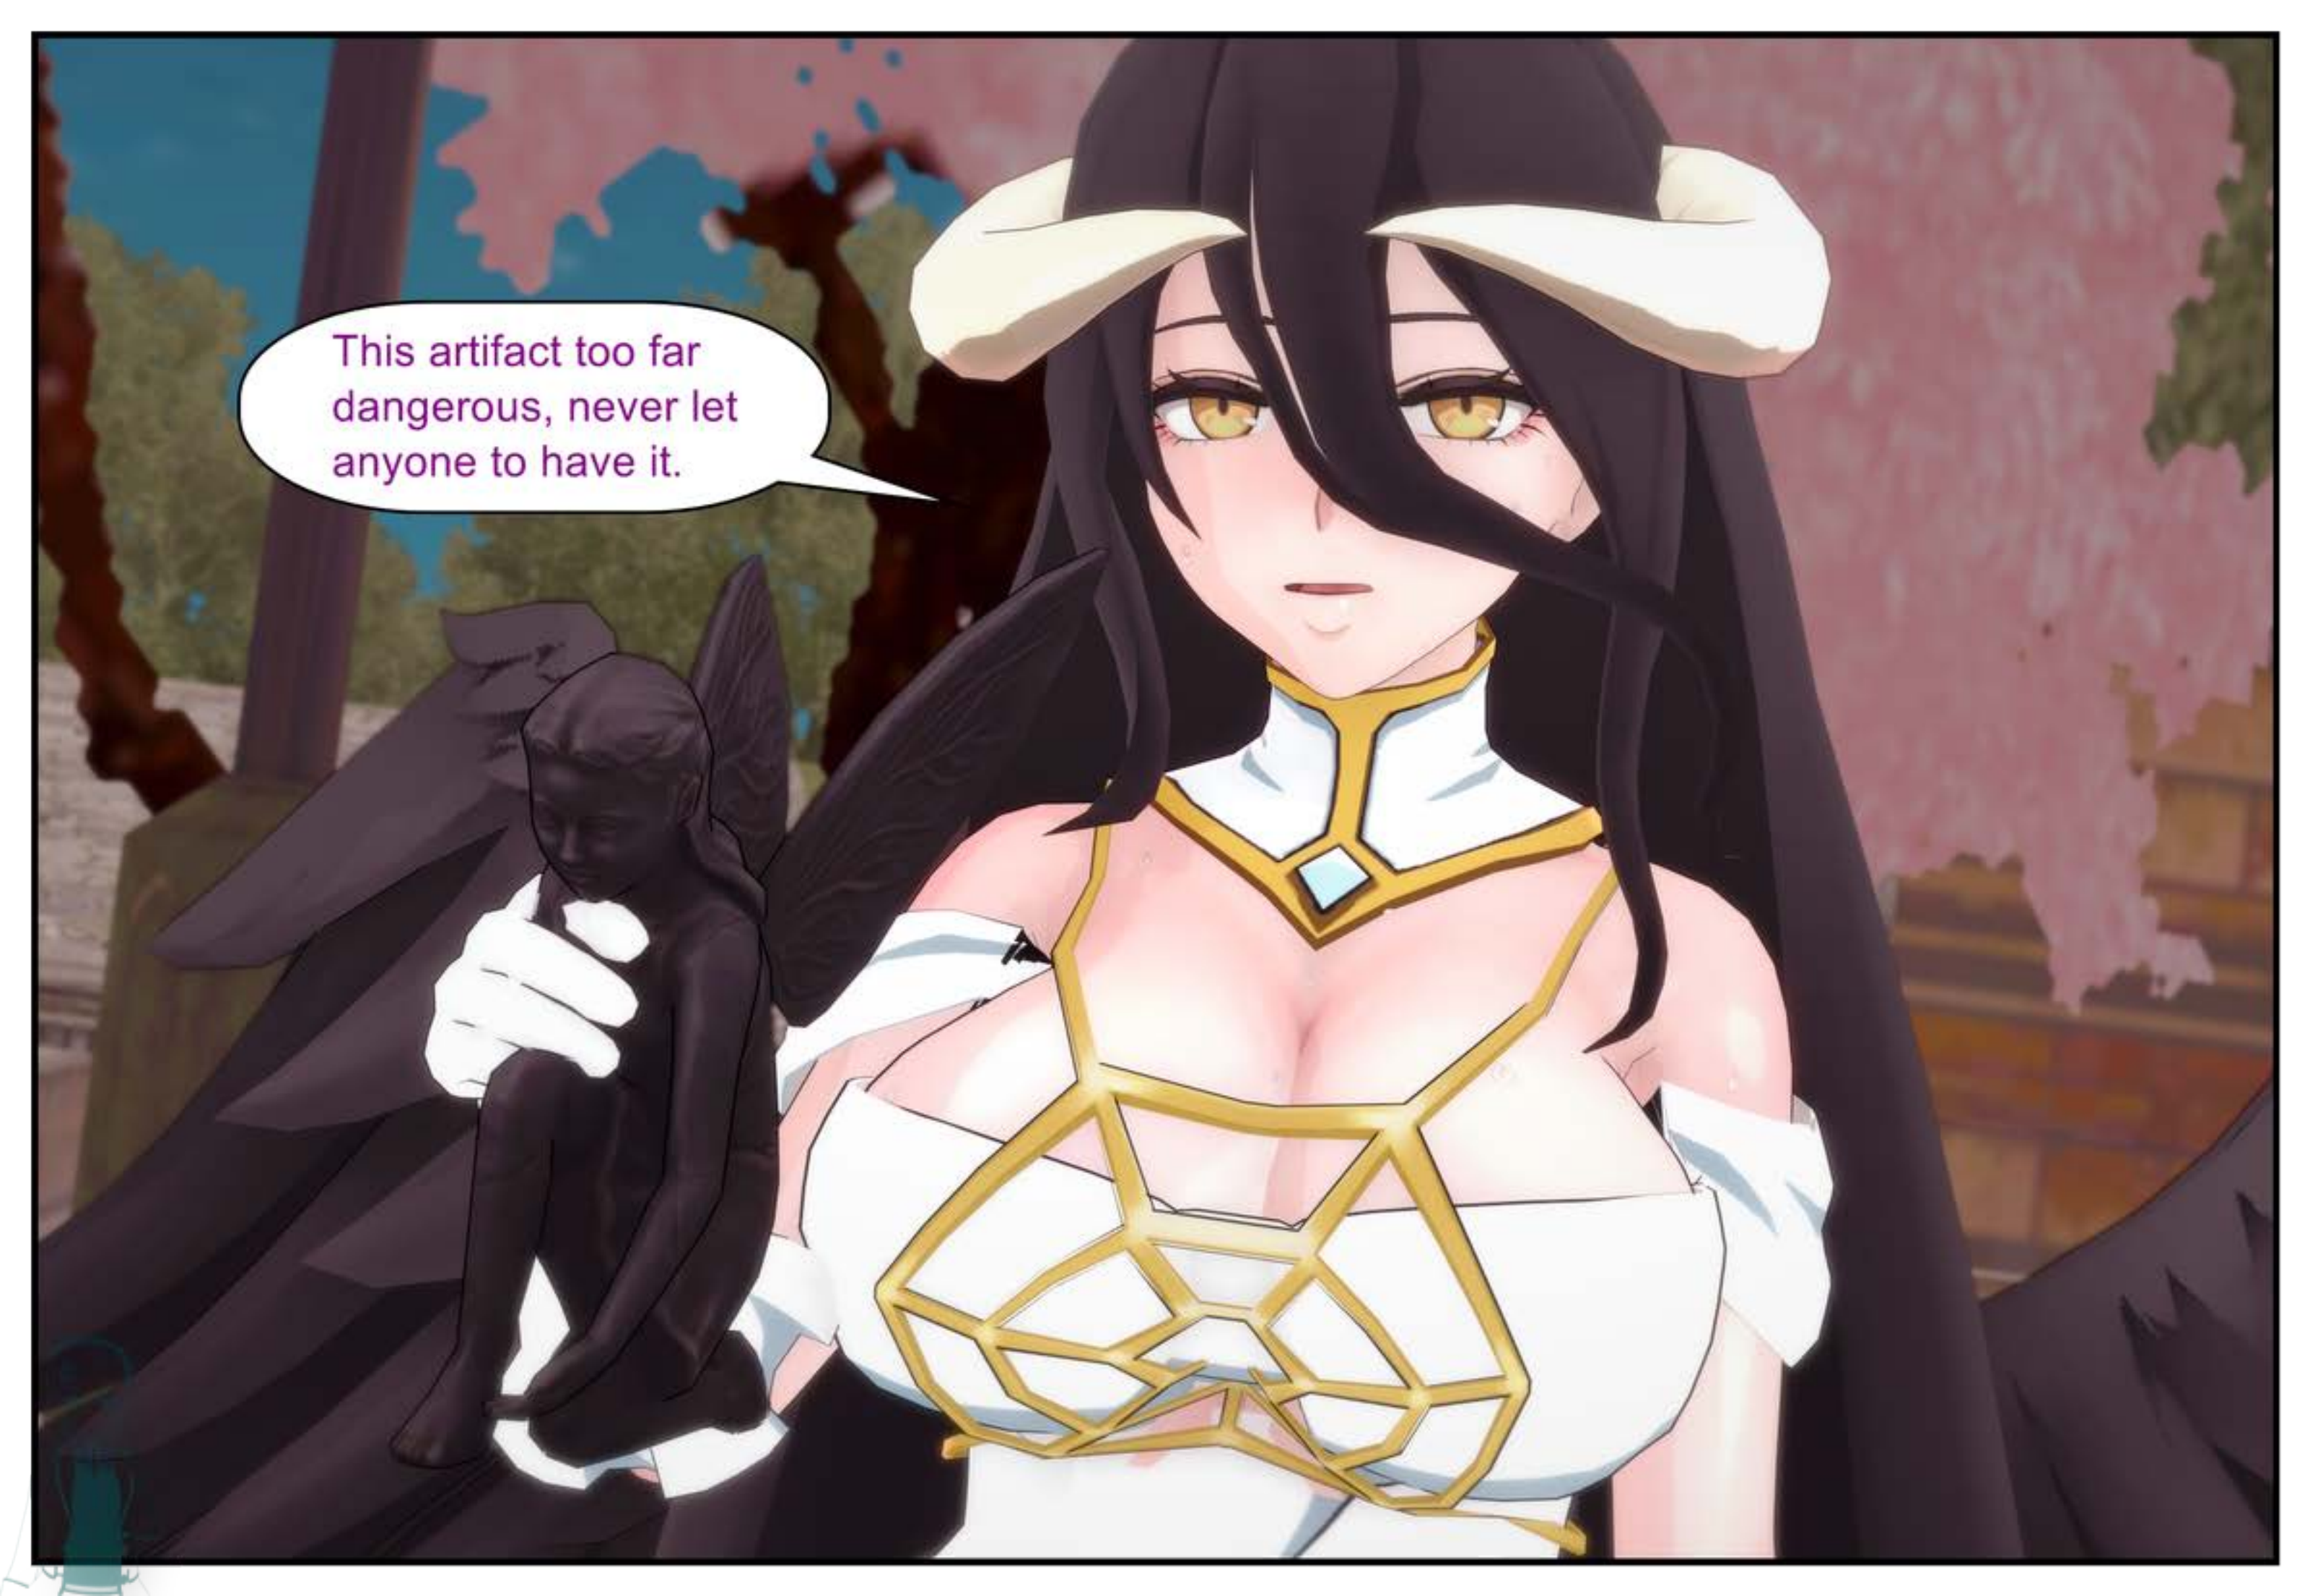

Now, should I turn you and that body into ash or what?

A character with long black hair and a white horned headpiece is shown from the chest up. She is wearing a white and gold outfit with a hexagonal pattern. She is holding a small, black, winged figure in her hands. The background is a blurred outdoor setting with trees and a building.

This artifact too far dangerous, never let anyone to have it.

I'm sorry... I messed everything up... And have you in.

Though I would love  
to have a responsible  
Commander like you  
in my branch...

That was great, Lord Albedo. But... I can't...

My soldiers in this town...  
They need me, so I can't  
leave them be, Lord Albedo.

The end...?

"Thank you, Lord Albedo..."
