

I'm glad that you
can find a job.

It's nothing,
Ayumi. At least
the salary is fine.

Oh really, honey!?
You got promotion!?

Tell you what.
I also have..

Ssshhh.. You are too loud.

Ehehe.. Sorry..

Then how about
I give you a "sweet
night" tonight?

I can't wait until
then, Reina.

sign They
don't think
this is..

Ahaha.. At
least they
look happy.

Hey, wait!!
You dropped..

..this.. eh?
Where did she..?

No, it's.. There was a student..

What is it, Ayumi?
Let's go home.

I wonder if
she left this..

As far as I can see, it's an artifact.

We should have brought it to the police station.

Hold on! What if we sell this? It could be worth.

I afraid it is a cursed artifact?

Uwwooaahh!!
It's shinning!!!

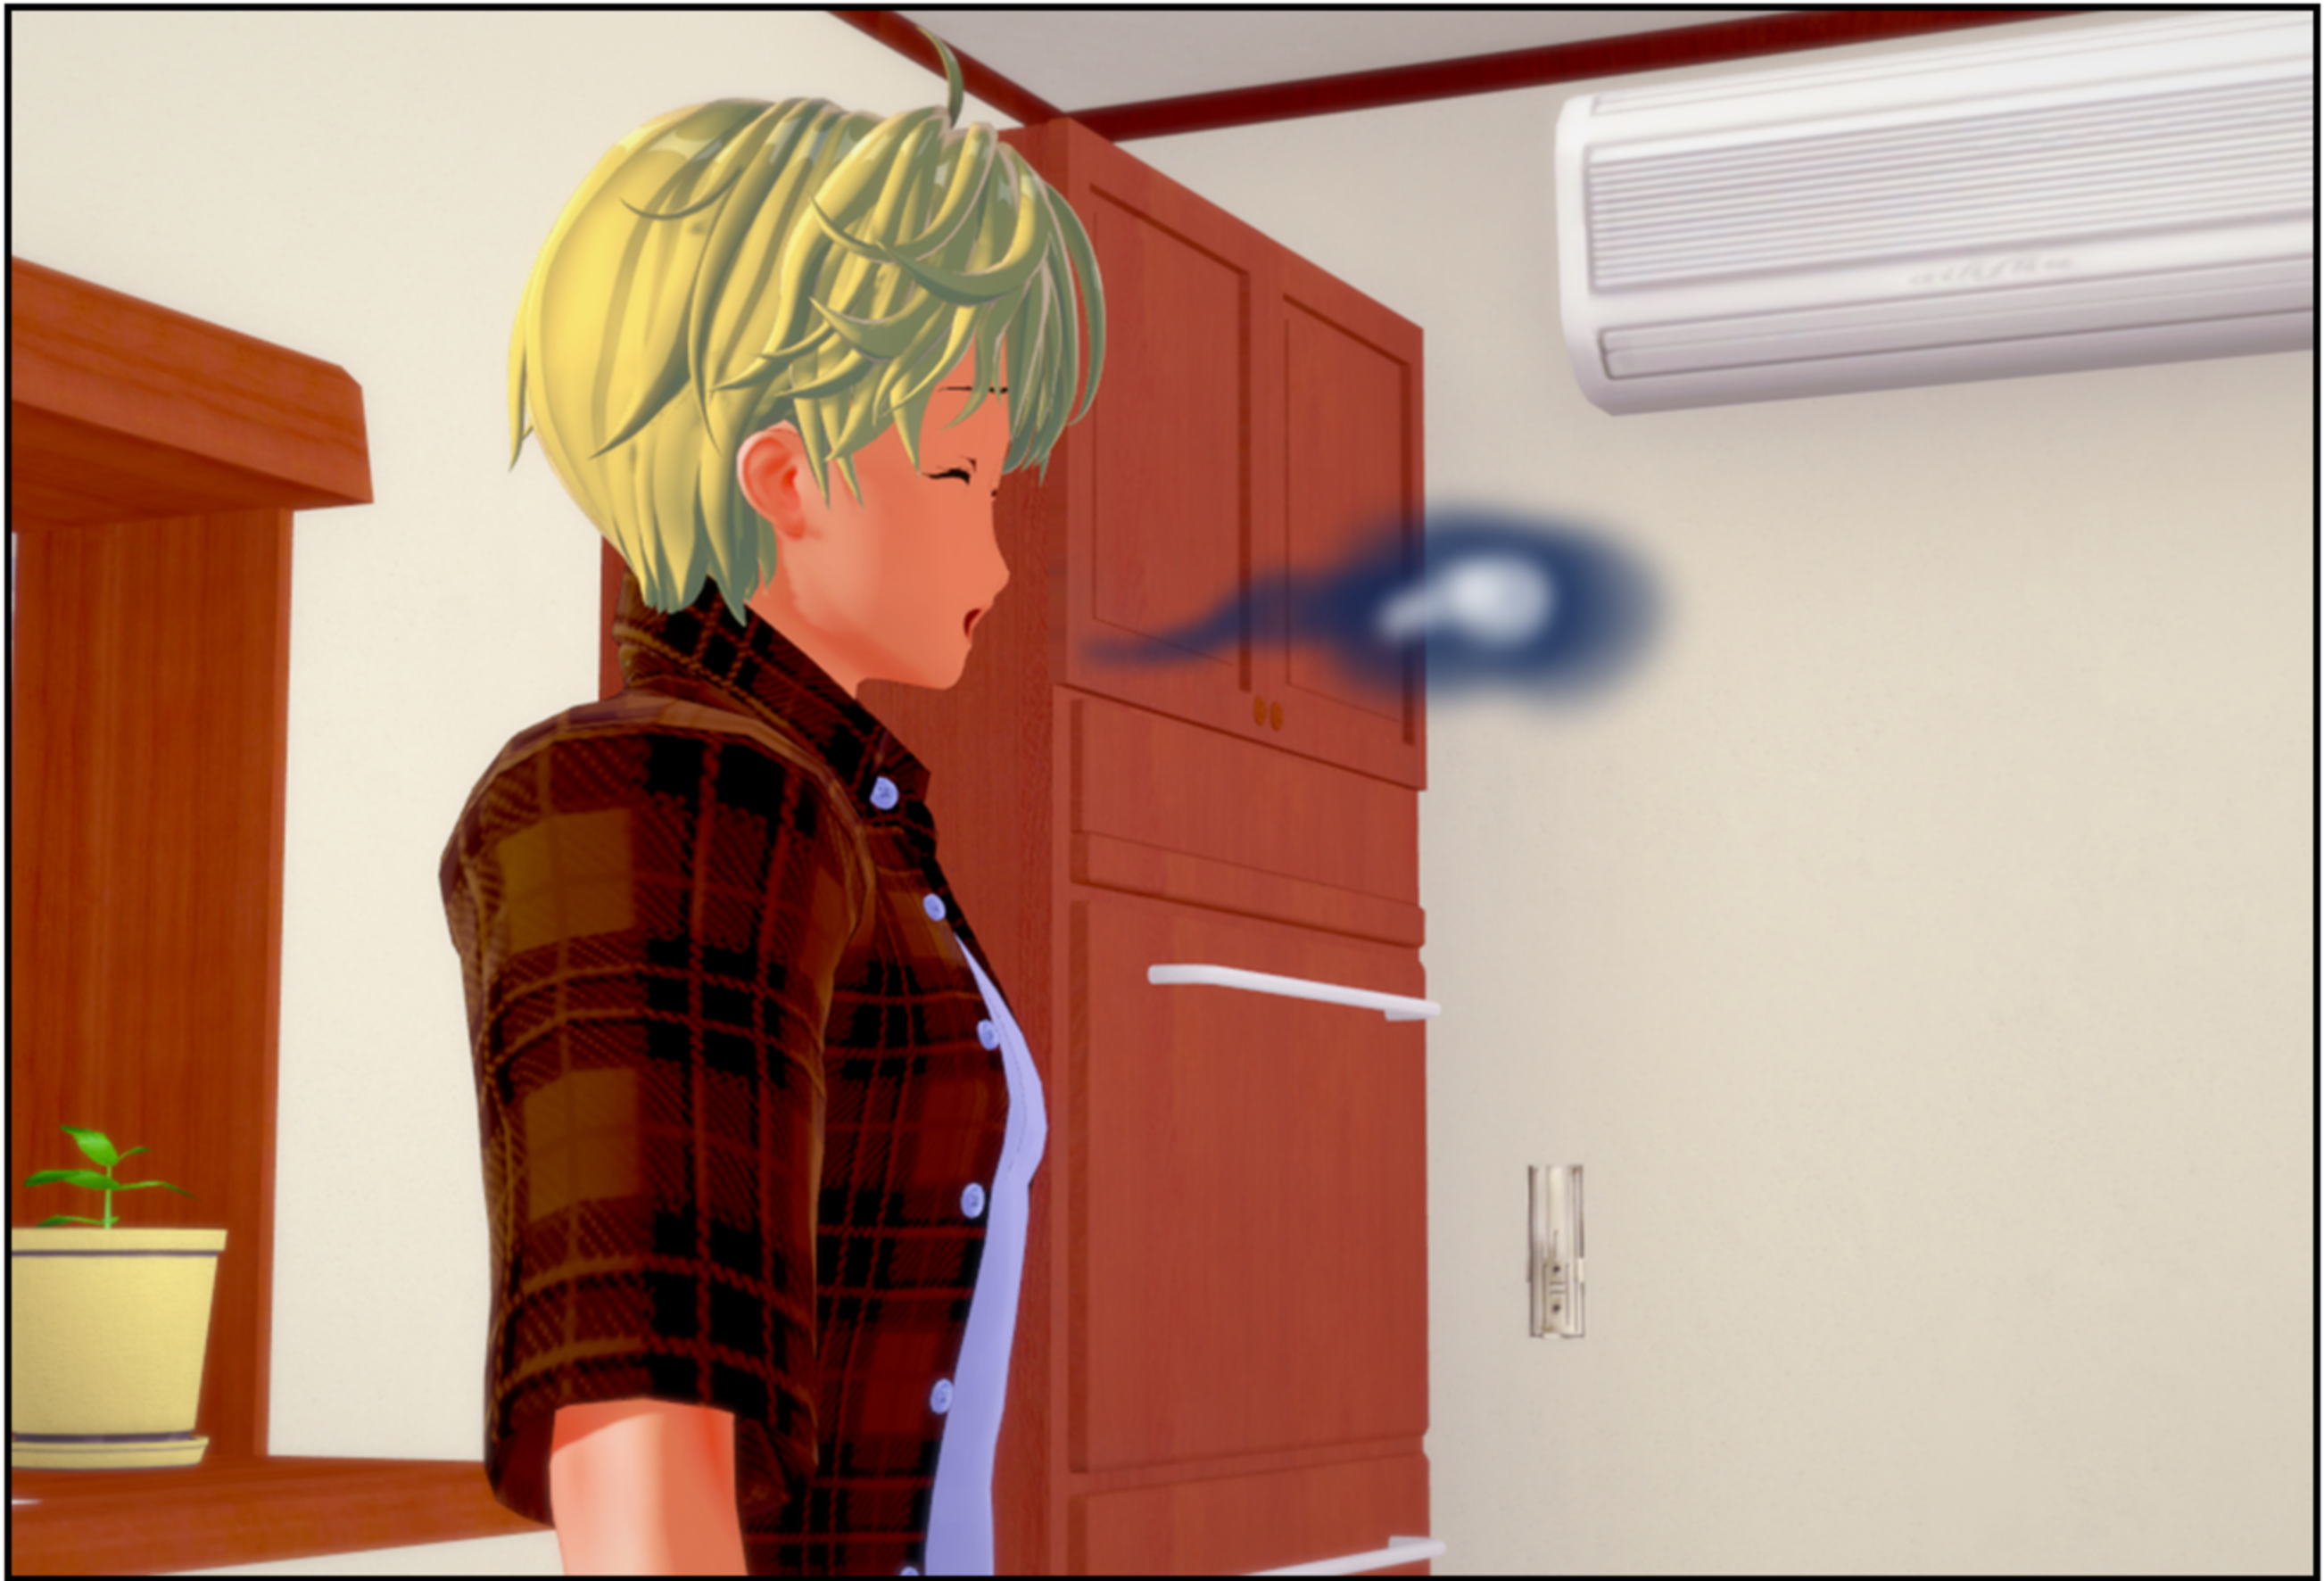

It's cursed!!!
Throw it away!!

Ugh.. I don't..
feel so.. good..

A while later..

Um.. What..
Where am I..?

Wait.. Girly voice..
And this hand..

I'm a woman!!??
What the f**k!?!?

Who are you!?
What did you do
to me!?!?

Jeez.. Calm
down..

It's me, Ayumi.
I'm also asking
myself that
question.

Alright.. That artifact
should be the problem.
We have to find it!

I did before you wake up. But no luck in here.

Anyway, let's look
for these two person's
infomation.

Yeah. The police
won't believe this.

Reina.. This is
her.. erotic.. picture..

And her panty..
It's.. still has..
"Holy Juice"
smell..

Um.. *sniff*..
This smell.. Um..
It so good.

Was this me.. or
the man's body
react to it..?

Oooohhhh~~
It's so good~

Hah.. I'm..
going to.. cum..
