

*It feels so weird that I'm doing this with another guy.. Maybe it's because I'm still a man inside*

A 3D rendered character with long, wavy purple hair, wearing a black suit jacket, white shirt, and black tie. The character is looking down and to the right with a slight smile. A speech bubble is positioned in front of the character's mouth.

*Damn you're so good... Now show me your breast!*

Yesss.. good girl

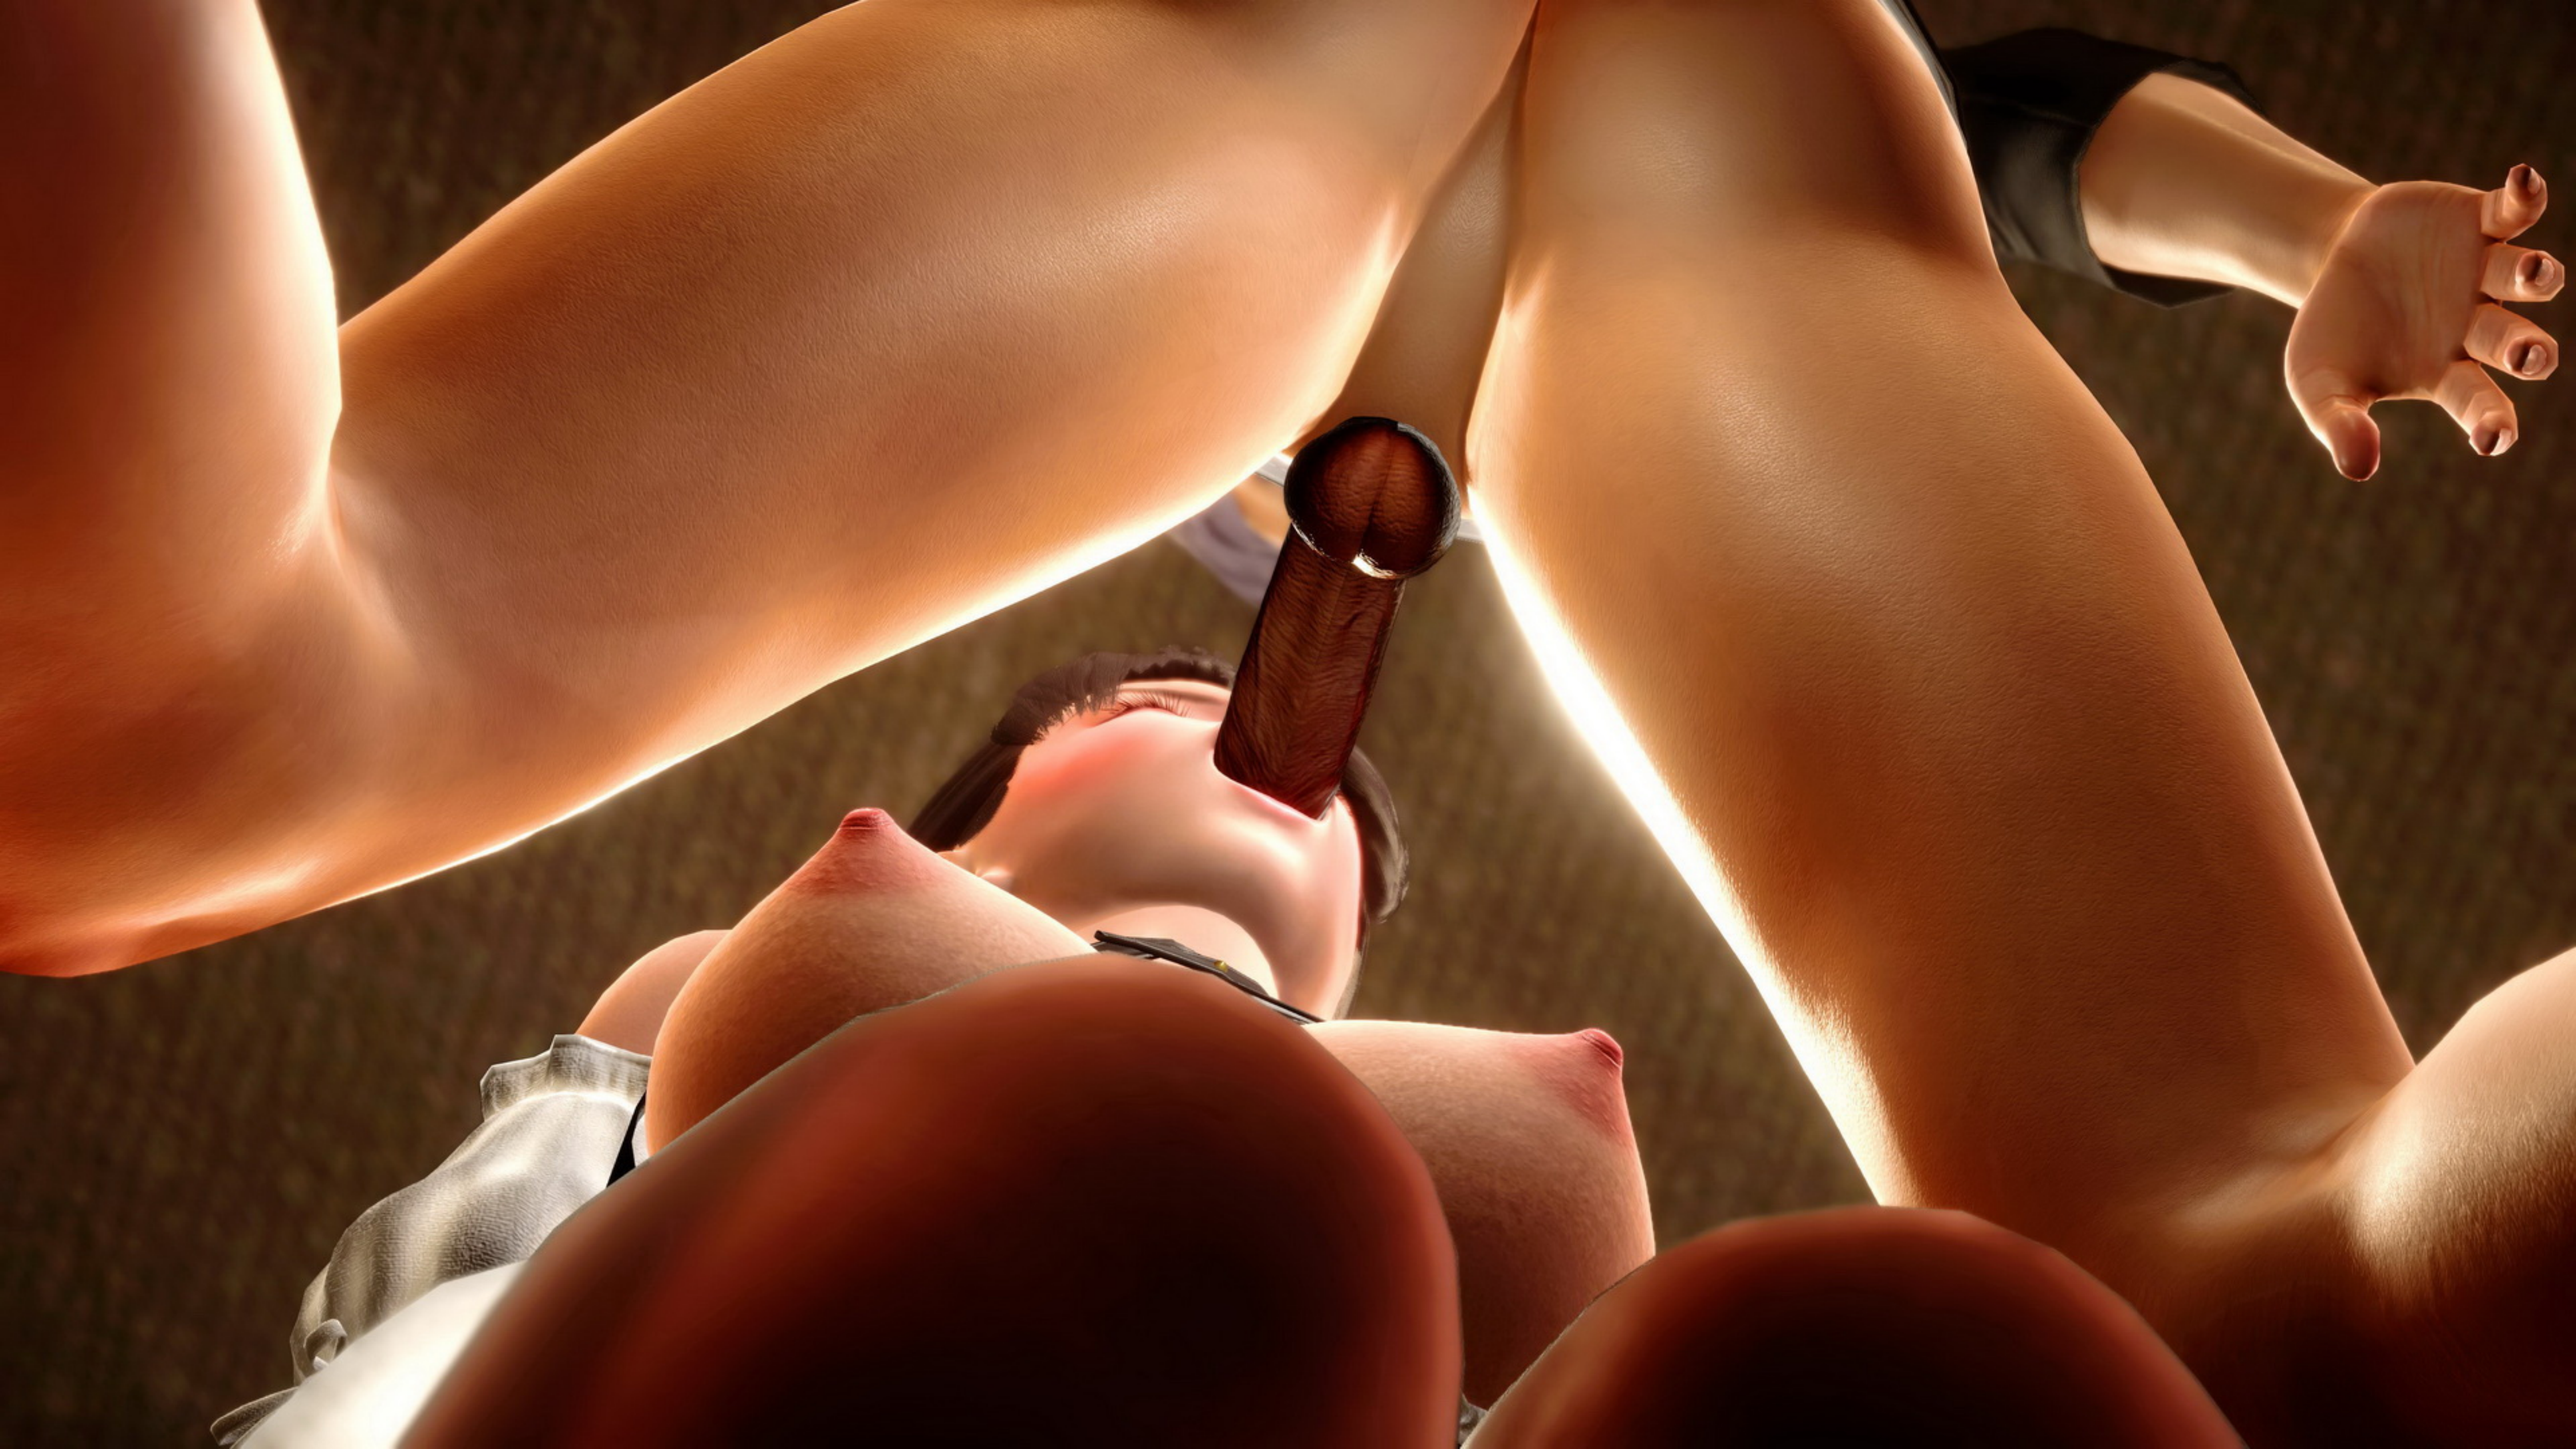

I think I've reached my limit!

That was great...

I can feel his hot semen in my mouth and its smell was very strong...

Can you swallow it for me?

'Gulp'

Good job! this is it for today, thanks for helping me out!

*Now go get some rest*

Thank you for giving me a new life

You're welcome!

I don't know what I'm thinking but...

*I don't know what happened to me, It turns me on when I'm sucking his cock...*

I can still smell his semen in my mouth...

Being a woman isn't bad at all...

I think I'm addicted to the feeling of being a woman
