

Dominant

This file is for all the girls who want to take charge of their lives. Tired of the people around you not listening to you? Need a boost in your self esteem? With "Mindset - Dominant" you can start to feel better about yourself through telling others what to do!

Walk confidently in your tight, seductive, outfits as you bend those around you to your will. Know that it's everyone else's place to serve you and that they should be proud of the opportunity. Become angry and unsatisfied with others whenever you don't get your way. Start to forget any memories where you weren't completely in charge during the entire situation.

You are the queen goddess and most people aren't worthy enough to even be in your presence. It's your world, and with your new attitude, you plan to let it worship you on it's knees.
