

A 3D rendered nude woman with long, wavy red hair is lying on her back on a wooden pier. She is looking towards the camera with a neutral expression. Her right hand is resting on her hip, and her left hand is behind her head. The pier is made of dark wood and runs diagonally across the frame. The background is a body of water with ripples. Two speech bubbles are present: one near her head and one near her chest.

Groan.  
That was  
intense.

Guess you  
are coming with  
me again, huh,  
little one?

Where  
am I, by the  
way?

Mom's  
and Dad's  
house?

Am I  
home?

Nope,  
still in La-La  
land.

Hey there. Sorry to drop in on you like this.

Would you mind telling me where I am?

Hey. Name's Hatty.

This is my birthday party.

Help yourself to some treats.

Thanks.

So,  
how come  
nobody else  
is here?

Well,  
nobody else is  
coming. I am  
forever alone.

Oh dear. It can't be that bad, right?

Don't you have anybody to connect with?

Nobody,  
I'm afraid.

There  
was a chance I  
could be with  
somebody.

But  
it's gone  
now.

Alice?

Maybe we can be friends? I'm Alice, by the way.

I'm so sorry. I know a little about that myself.

A character with dark hair in pigtails, wearing a black top hat with a white band, a black dress, a black choker with a silver triangle pendant, and a silver chain necklace. She is standing in front of a stone wall. Three speech bubbles are overlaid on the image, containing text. Her right hand is raised, pointing towards the viewer.

You  
are Alice?

The  
Alice?

And  
you have the  
thing?

The  
dick, you  
mean?

Yeah,  
I have  
that.

This is great.  
Means I have a  
chance.

Would you  
help me?

Sure.  
What do you  
need?

Would  
you please  
fuck me?

What?  
Are you  
joking?

No.  
Am I attractive  
enough for  
you?

Well,  
seems little  
buddy thinks you  
are.

Then let me  
show him my  
appreciation.

**GLOMP**

Oh god. I  
had forgotten  
how good that  
felt.

Here's hoping I still remember how to use this.

Are you ready?

I am.  
Put it in.

YES!  
Fill me up,  
Alice.

Take me!  
Claim me as  
yours!

Fuck,  
Hatty.

You  
are working  
my cock so  
much.

Shit. I'm  
already close. I  
should...

NO!

GIVE IT  
TO ME!

SMASH

So much. Alice  
came inside me so  
much.

Yeah,  
sorry about  
that.

Don't be.

I wanted this.

Really? Why?

A 3D rendered image of a female torso, showing the chest, abdomen, and upper thighs. The skin is a realistic light beige color. The breasts are prominent and have a naturalistic appearance. The abdomen is smooth with a visible navel. The hands are positioned near the waist. A speech bubble is located in the upper left quadrant, containing the text "Cause now I don't have to be alone anymore." The background is a blurred outdoor setting with a stone path, a metal fence, and green grass.

Cause  
now I don't have  
to be alone  
anymore.

A pregnant woman with dark hair and a black choker is talking to a woman with red hair in a park. The pregnant woman is on the left, and the red-haired woman is on the right. The red-haired woman is looking down and has her hand near her groin. The background shows a park with trees and a fence.

I can finally  
have a proper  
birthday.

No  
way.
