Fu... Vanir really took it so long.

Hey, Arnes. Do you have any story about yourself?

Don't illusion that when
I think you were
interesting, you can
know whatyou wanted..

Well, okay. If
it suit you with
this atmosphere.

"Not because Wiz's skin is hot, but also an awkward silence."

"If Master Wolbach didn't told me to forget the revenge..."

"...I would finish
my nemesis for
a long time."

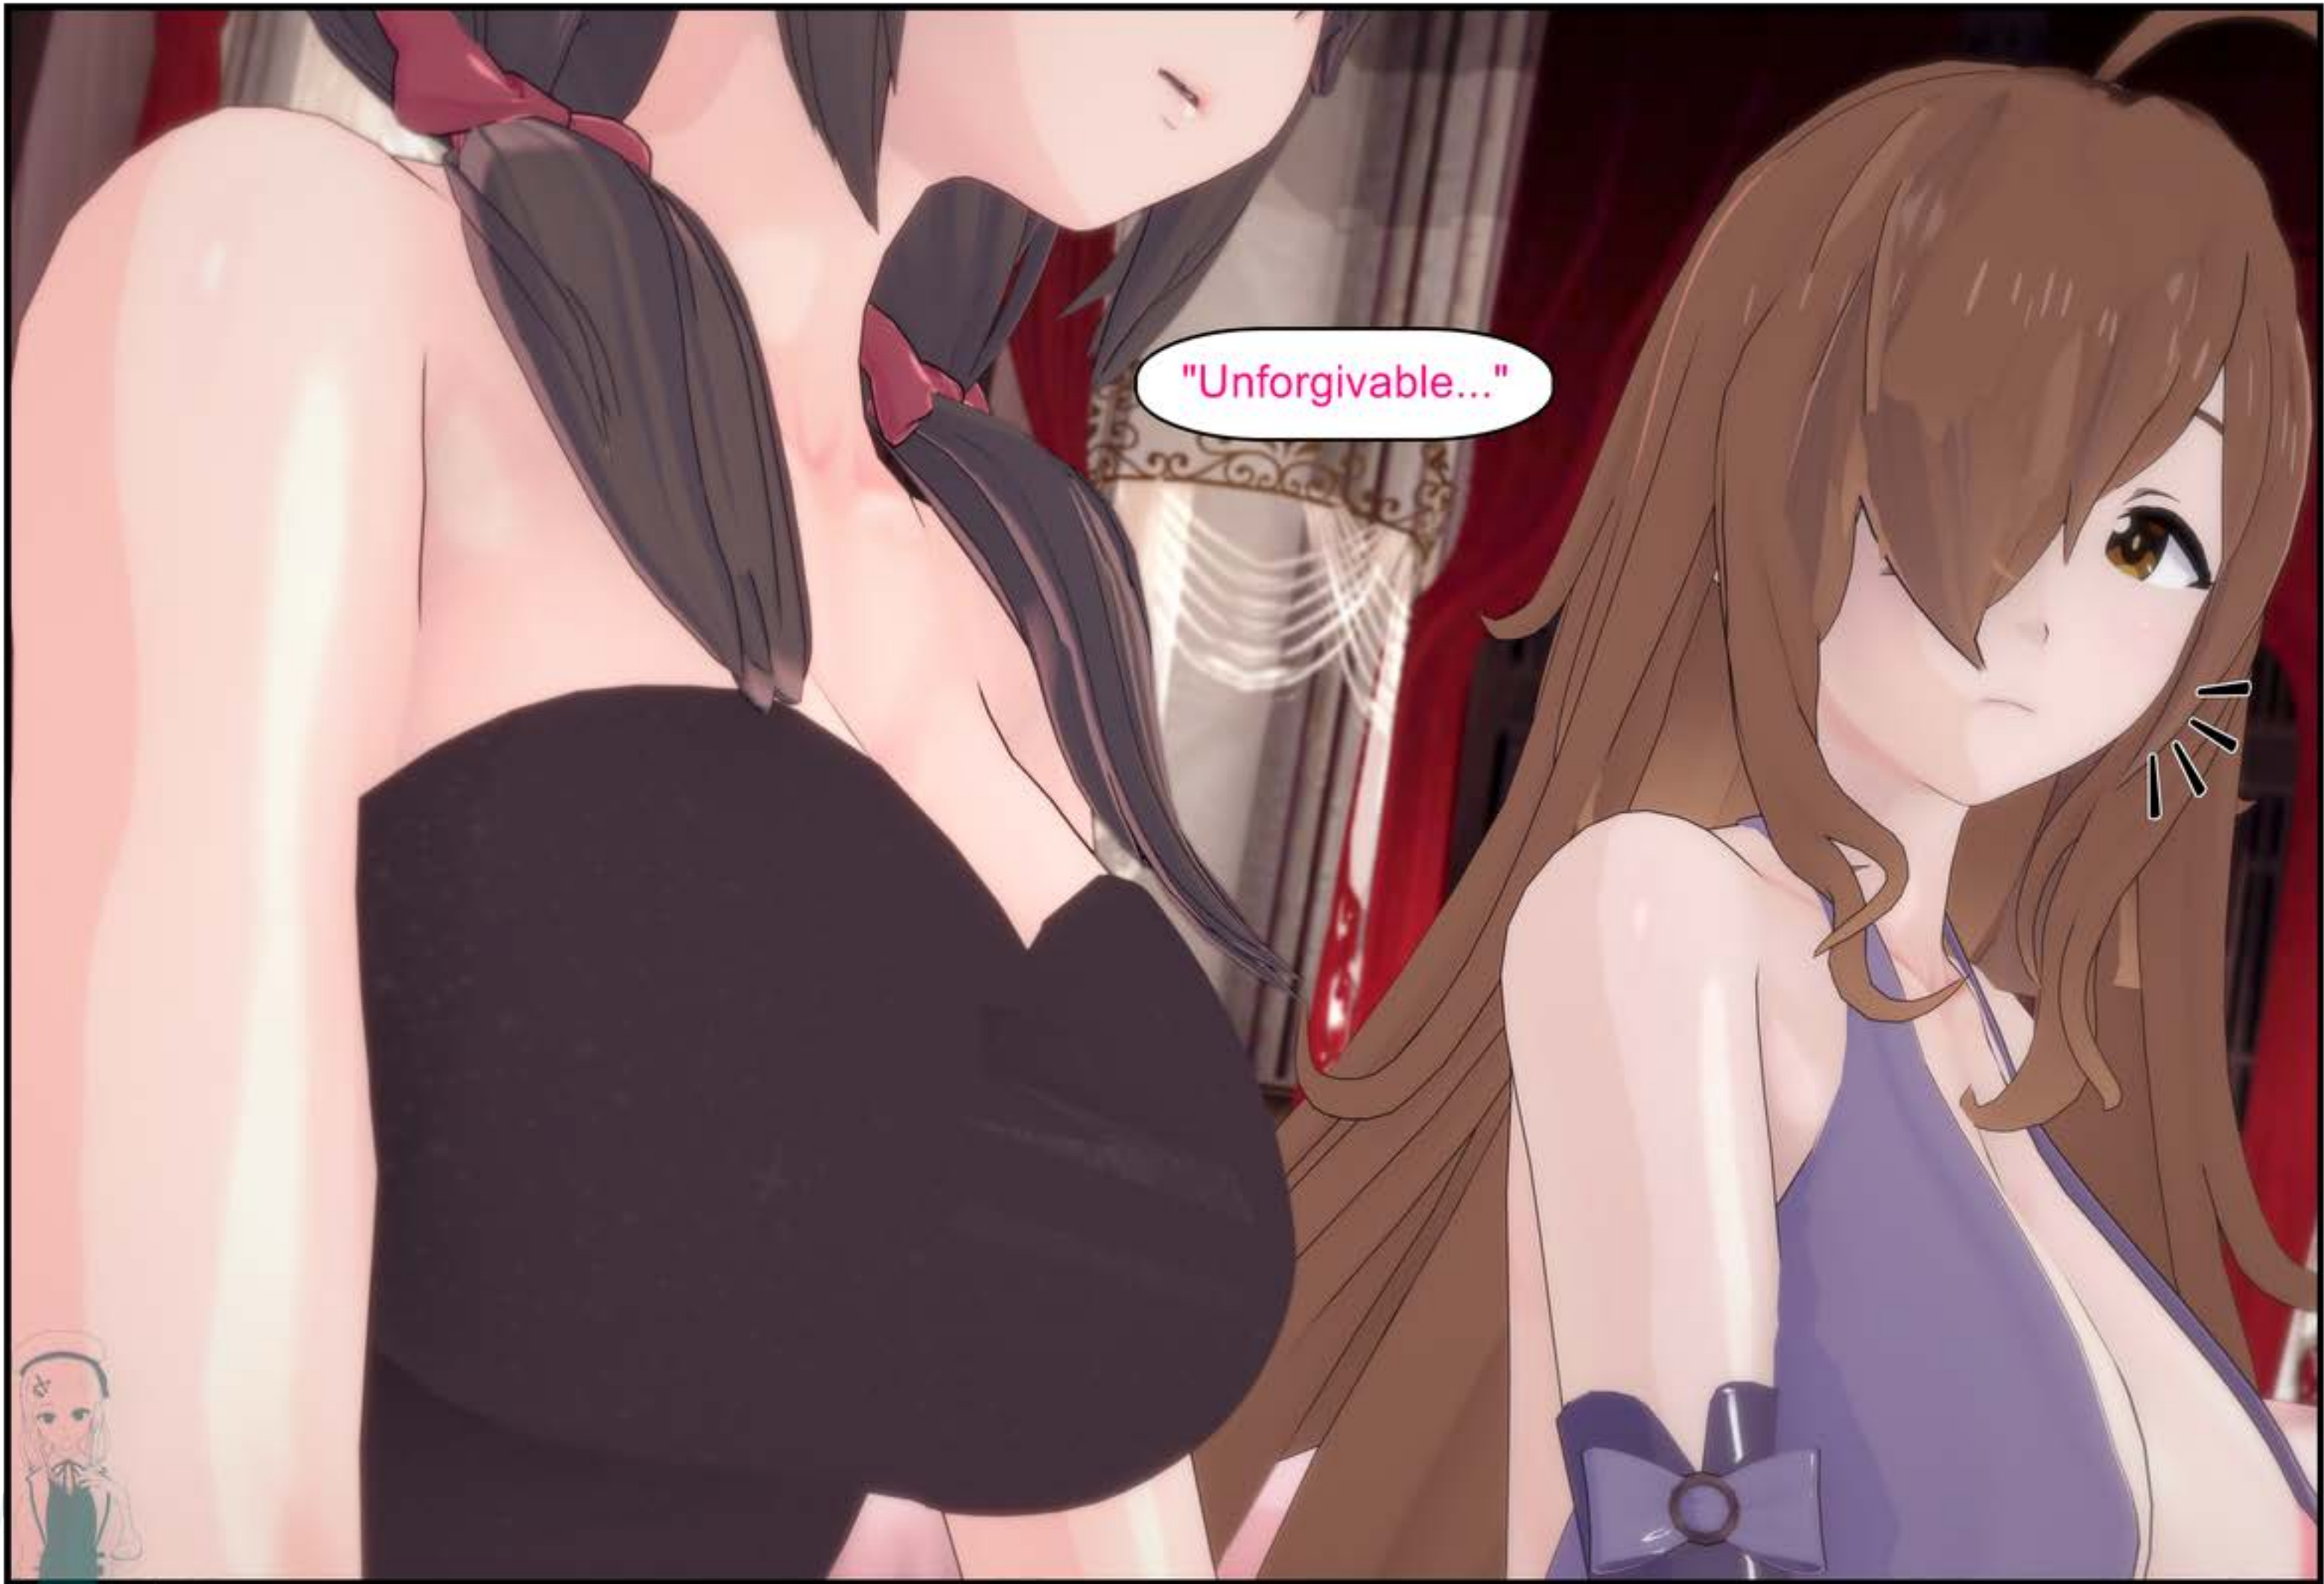

Hmph...

"D-Did she just...
despise me!?"

"Unforgivable..."

"Eek...!? Is that... her aura?"

"I will kill you...
once Master
allow me to!"

"Such a heat that
is being released...
I will be burnt alive
if this continue."

Ladies?

Woah... Don't
lose yourself
like that, Arnes.

A manga-style illustration showing a man in a black tuxedo and a black and white mask with star-shaped eye cutouts. He is gesturing with his right hand, palm facing forward. He is speaking to two women. The woman on the left has long black hair and is wearing a black mask and a black glove. The woman on the right has long brown hair. The background is a dimly lit room with a red curtain and a lattice window.

Your Master will be disappointed if I and you fought here.

Sorry, I thought
you were that blue hair
Goddess or someone...

What took you
so long, Vanir?

You know, finding
the recipe was
harder than I thought.

But you still able to make one, right?

A character with short dark hair and a white visor is shown from the chest up. They are wearing a dark grey tuxedo jacket over a blue vest and a white dress shirt with a dark blue bow tie. Their right arm is crossed over their chest, showing a white cuff. A speech bubble is positioned to the left of their head. The background is a dark, ornate interior with a red curtain and a wooden door.

Of course, along
with the help of
Wolbach...

A character with dark blue hair, wearing a black and white mask with star and crescent moon symbols, a white shirt, a dark blue bow tie, and a dark blue cardigan, holds a bottle of Jagermeister. The bottle is held in a white-gloved hand. The background features red curtains and ornate architectural details.

...to re-create our
key to a success business.

"Ah, that bottle.
I think I saw it once."

We have our tool,
what do you say?

Do you want to payback right now?

Why not? I have
been waiting for
you to say it.

By the way, we add
a new adjustment
to the drug...

What is beside
from turning someone
into skinsuit?

A close-up illustration of a character with dark, wavy hair, wearing a black tuxedo jacket, a white dress shirt, and a dark blue bow tie. The character is wearing a black and white mask that covers their eyes, featuring a black star on the white left side and a white crescent moon on the black right side. The character has a slight smile. The background shows an ornate, classical-style interior with columns and decorative moldings. A speech bubble is positioned to the left of the character's face.

More than that since
you can transform
that person's skin into
anyone you wanted.

Really!? No longer need to find the actual one?

Well, it was Wolbach's idea for this.

A character with a black and white mask, featuring a star on each eye, is shown in a close-up. They are holding their right index finger to their lips in a 'shh' gesture. They are wearing a dark blue jacket over a white collared shirt. The background is a dimly lit room with red curtains and a decorative wall.

It seem that you two had your plan and I don't want to spoil it.

A man in a dark tuxedo with a white shirt and a dark bow tie is speaking. He is looking towards two women seated at a table. The woman on the left has long brown hair and is wearing a purple halter-neck dress with long gloves. The woman on the right has short black hair and is wearing a black dress with a red bow. The background shows a restaurant interior with pink tufted booths and tables.

Also, Arnes. Your Master told me to send you a message.

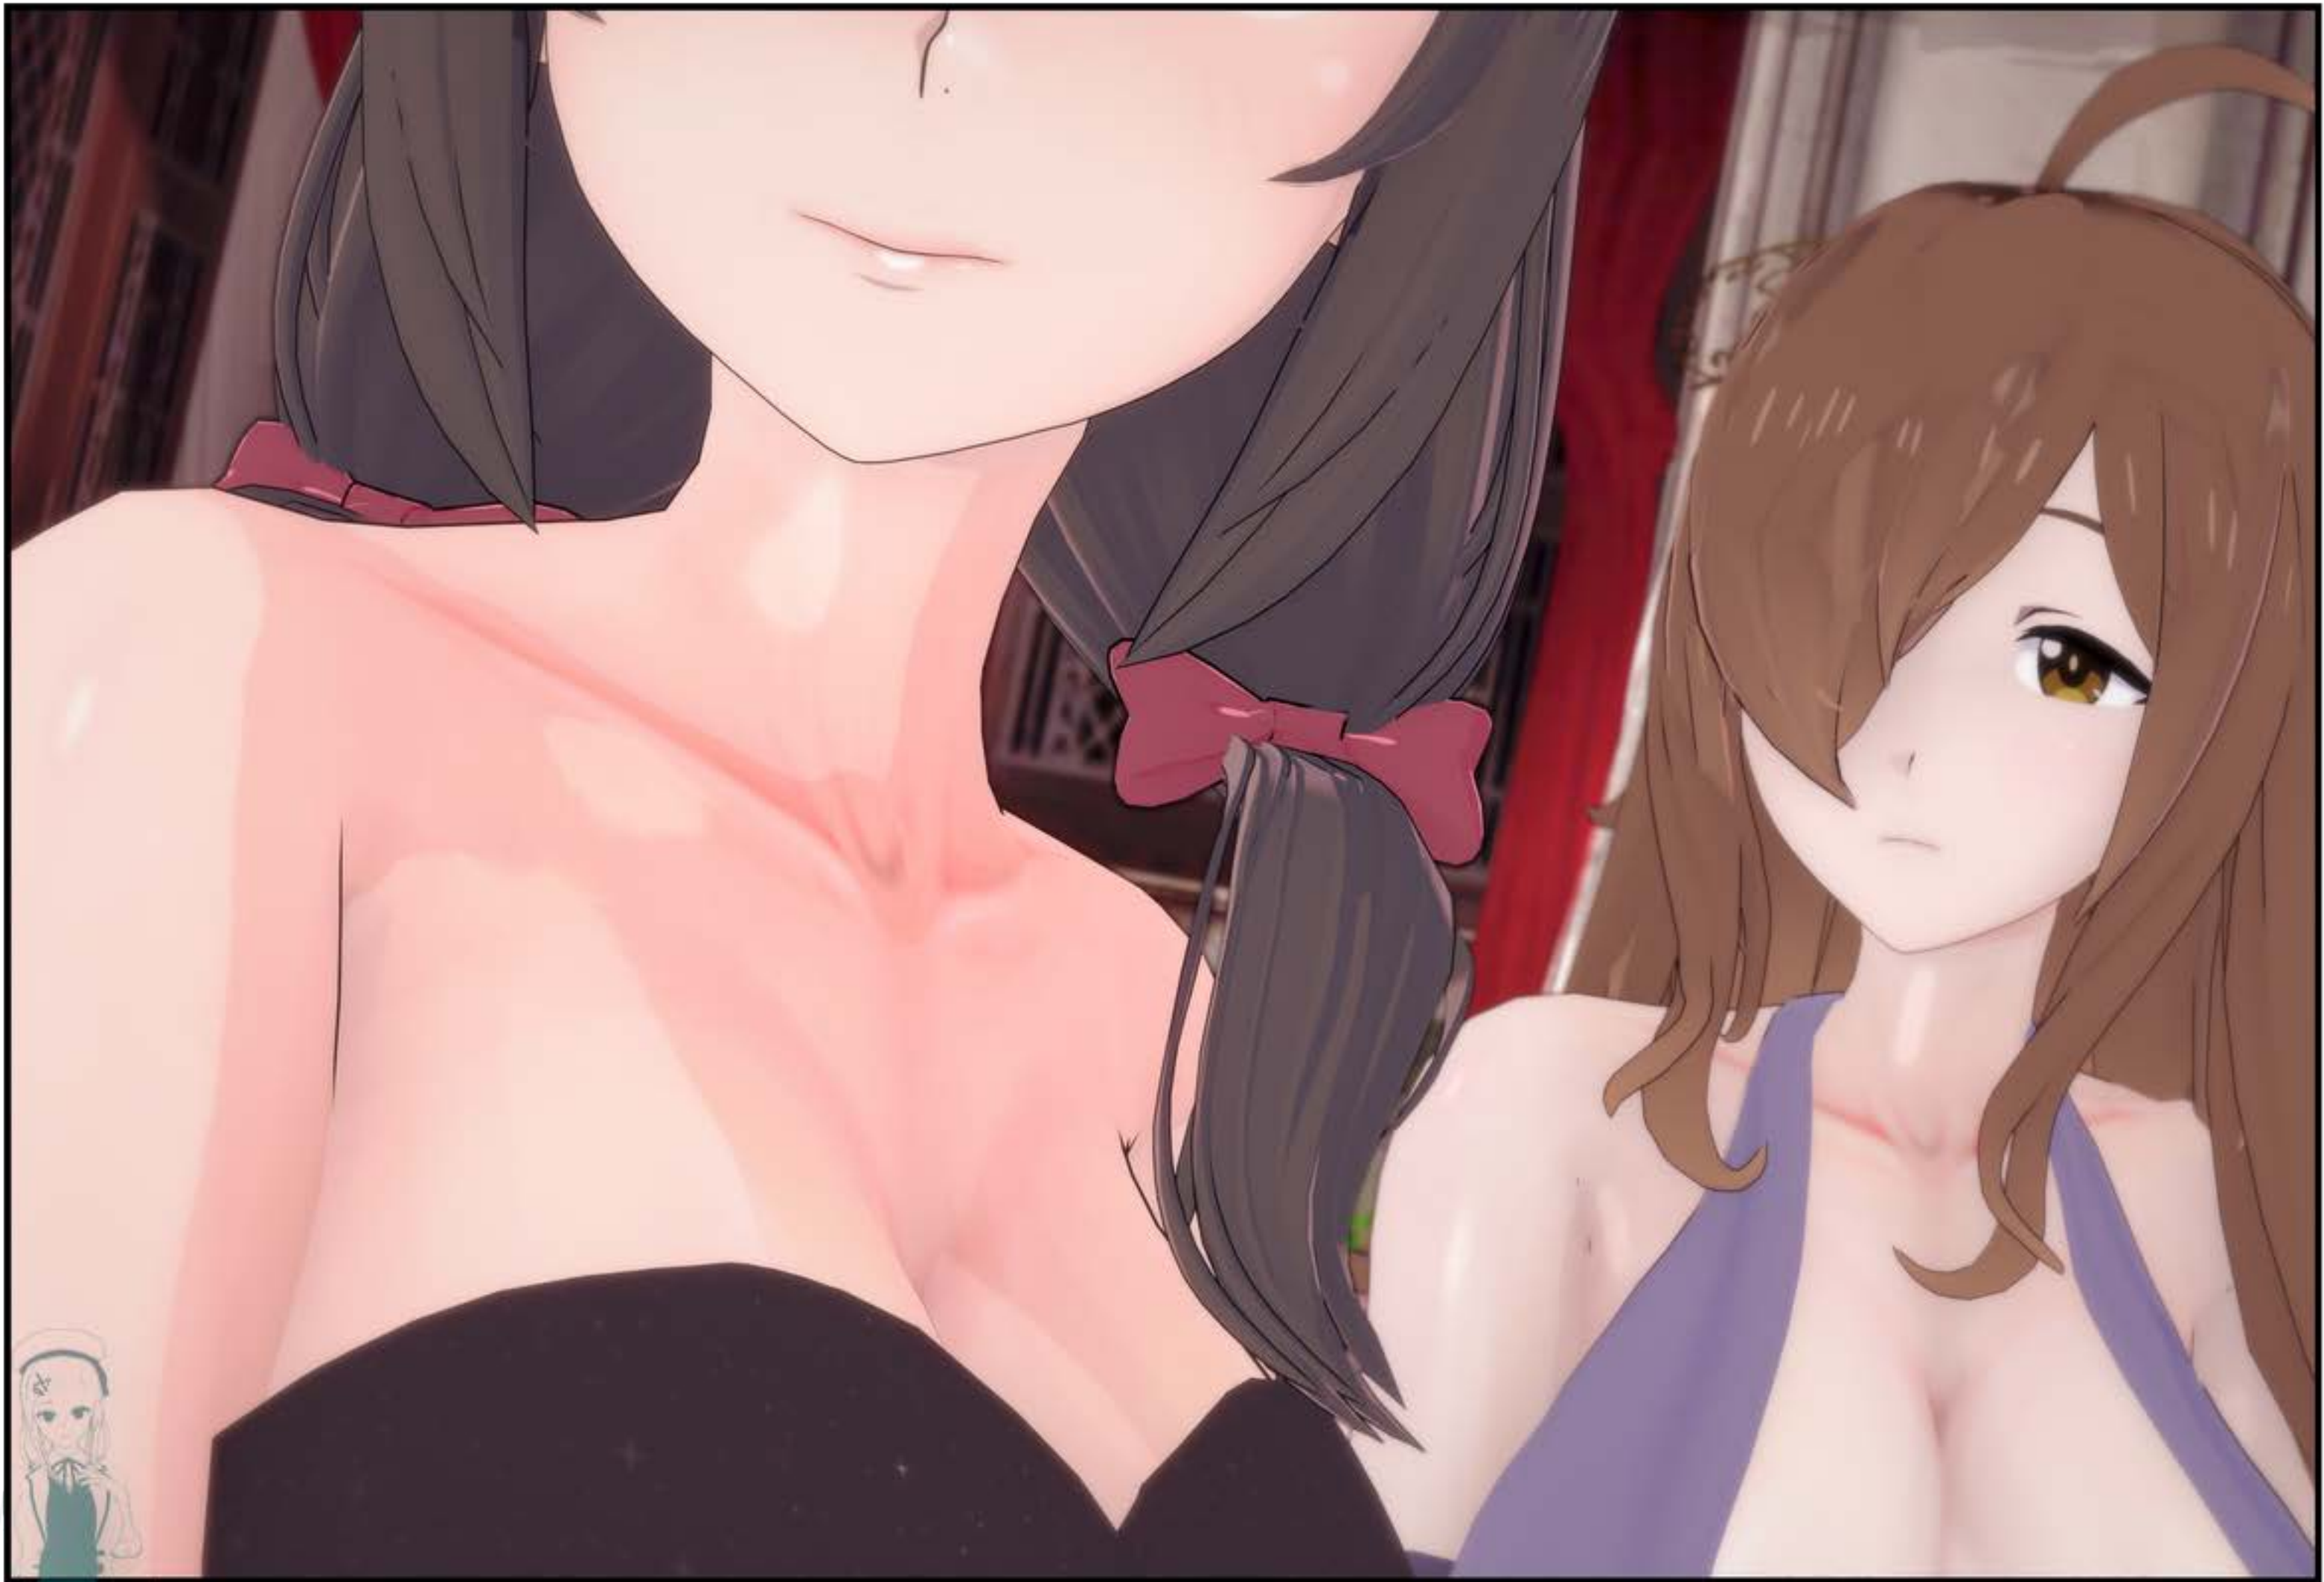

You are free, do
whatever you want
to enjoy your last moment.

That's all. And I may leave now, Mr. Kazuma and Ms. Arnes.

Hey! You, yes!
It's you!

I'm sick and tired
of your sexual activities!

Everything that
you do is cancer!
A grabage!

A woman with dark hair in a bun, wearing a red cardigan and dark pants, stands on a red carpet. She is pointing her right index finger towards a mannequin dressed in a white dress with a blue bow. The mannequin is positioned behind a large, brown, textured object that resembles a giant hand or a large prop. A speech bubble above the woman contains the text: "I order you to stop making this already! It's killing me!".

I order you to stop making this already!
It's killing me!

Don't you dare to touch my waifu or else, I will kill you, b***h Kazuma!

Every painting or
work about this is
cancer! A trash that
needed to be burnt!

Go out and touch grass, all of you!

What do you want, huh, b***h!? Do you want me to kill you!?

If you don't enjoy
or like anything,
just turn a blind eye.

Leave it, Arnes.
It just a kid..

You said that you
would kill me if I
touch your waifu?

Then go on, see what can you do.

"She's heating up again..."

I told you, b***h!!!
Touch my Darkness
and I will...

***CRACK*!!!!**

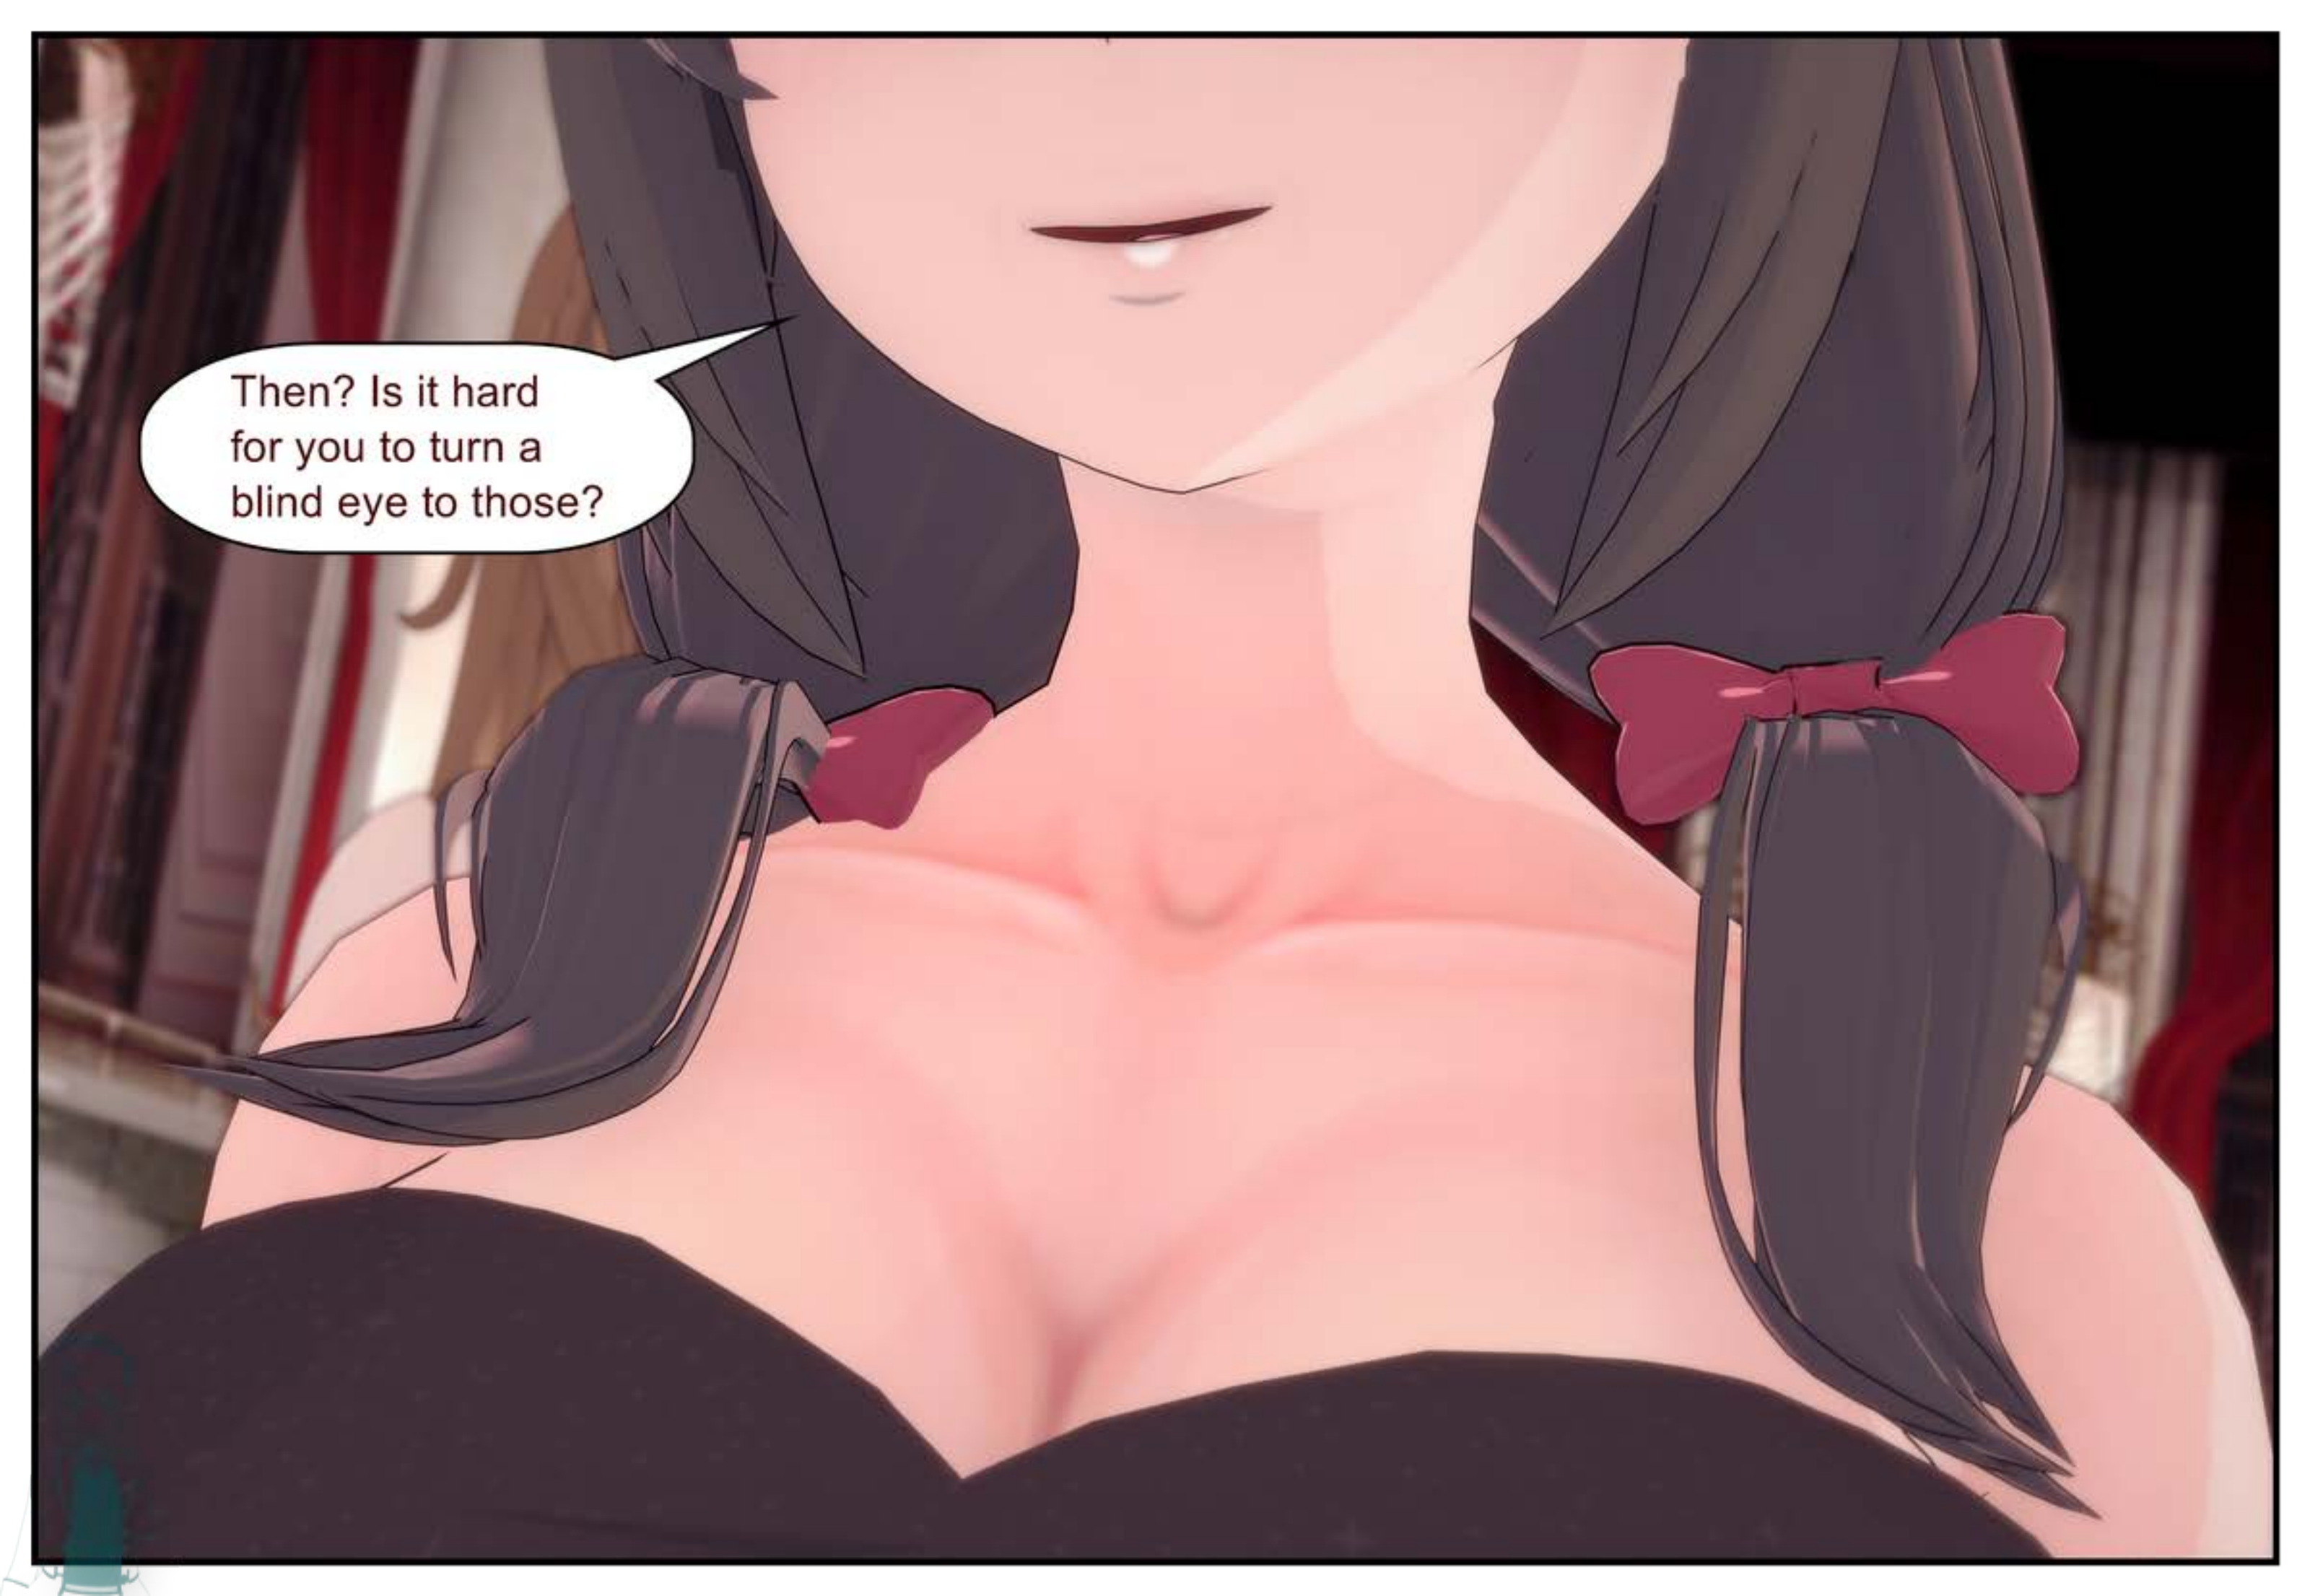

V-Violence!!! What did you just do!?

No pain was done. But keep it like that as my warning to you.

Monster! I won't allow any sexual with Darkness, or any female characters!

Then? Is it hard
for you to turn a
blind eye to those?

Rather you give
a polite suggestion,
or I will take away
your light, kid.

T-This is not
over yet!
You cancer!!!

I told you to
leave it, it's not
worth our times
dealing with it.

Kazuma, that person
in your team...

Come on, we
need to go elsewhere.

...The Crimson
Girl, Megumin.

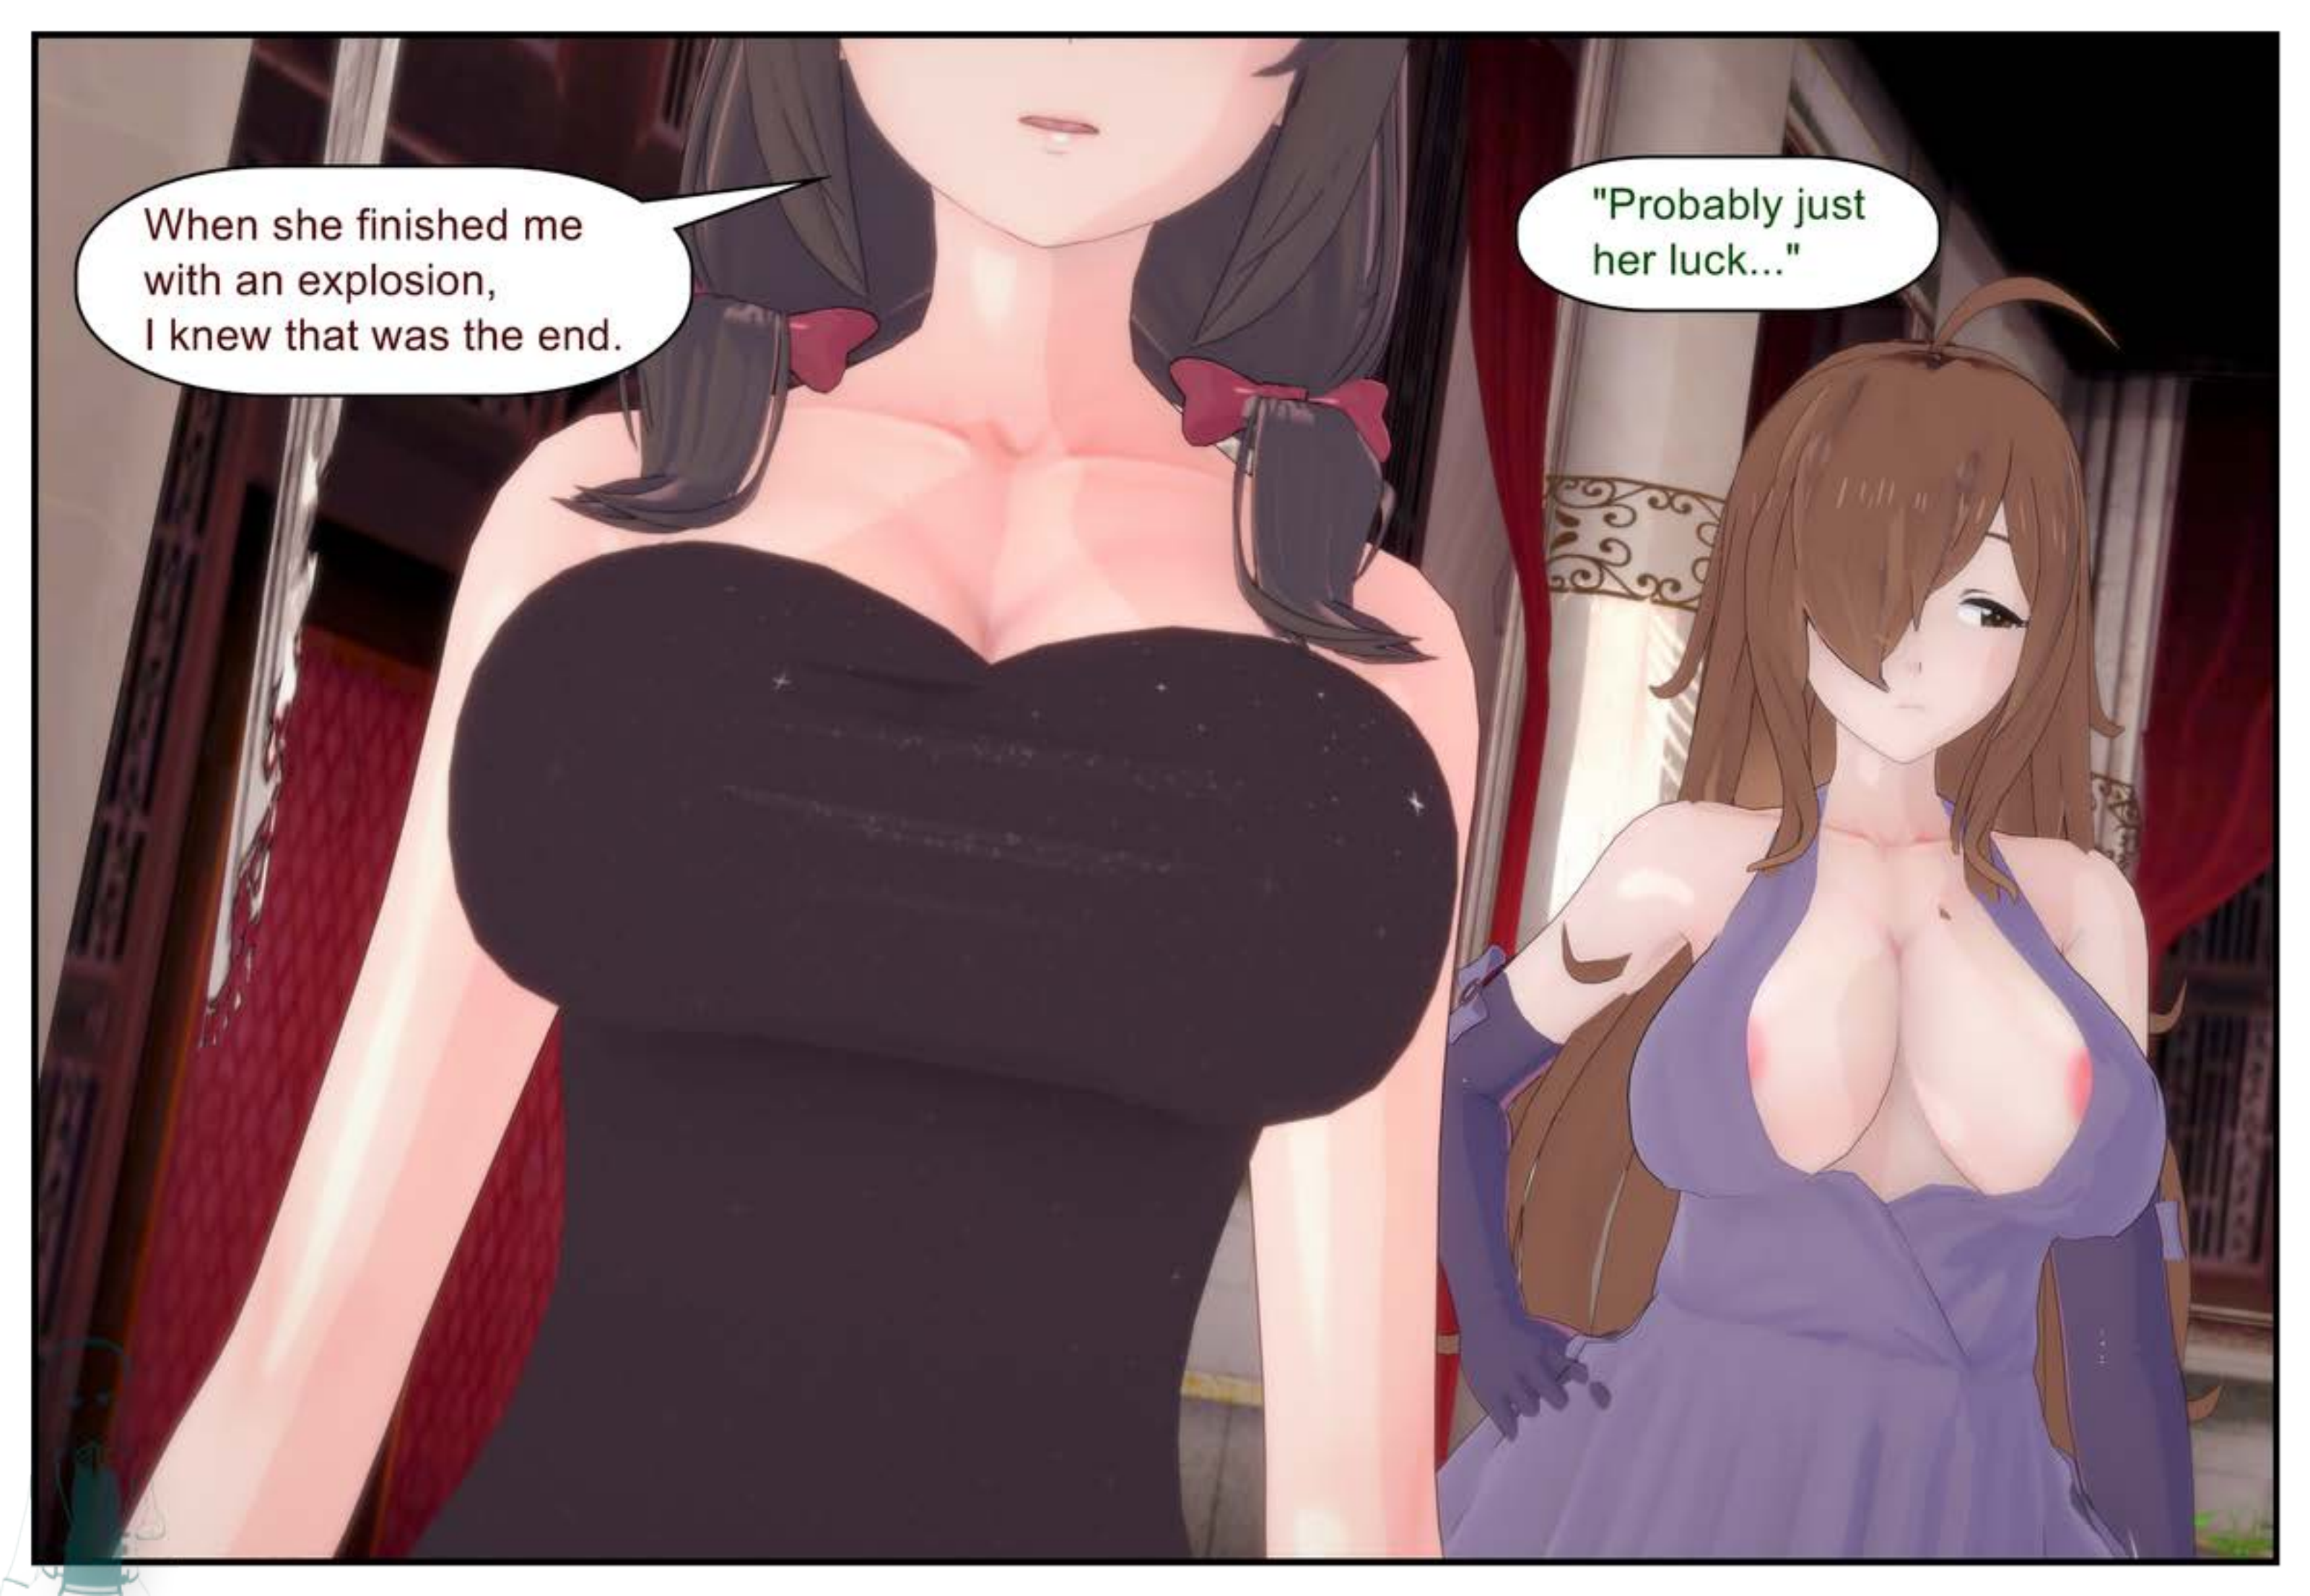

A woman with short black hair, wearing a black backless dress and black gloves, is walking away on a red carpet. She has a gold circular ornament and a red ribbon in her hair. In the background, there are potted plants and a red curtain. A large, out-of-focus figure of a person with long brown hair is in the foreground on the right.

The one who always interrupted my plan...

"Wait... She did?"

Everytime I tried,
I always saw her.

When she finished me
with an explosion,
I knew that was the end.

"Probably just
her luck..."

Hey, Kazuma, if
you have the last
moment left to live...

...What would you do? Follow your heart or revenge?

About me, I would
just take my chance
and finish everything...

Boring...

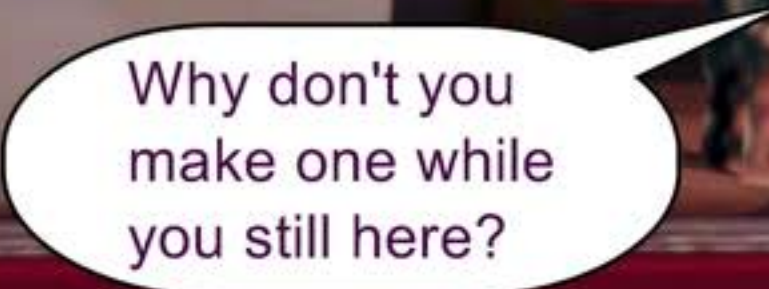

W-What...?

That is... the worst
way to enjoy your
last moment.

Hmph... Because
a Demon like me
don't have much...

Why don't you
make one while
you still here?

Anyway, stop making
excuse and do as we
have planned...

It's also a way to enjoy your last moment, right Arnes?

"Ugh... At first, this man made me irritated. But now, look who is..."

"Maybe... I start to have affection to this person name Kazuma?"

"No way, it's not going to be like that!!!!"

You coming? Or I will leave you behind, Arnes.

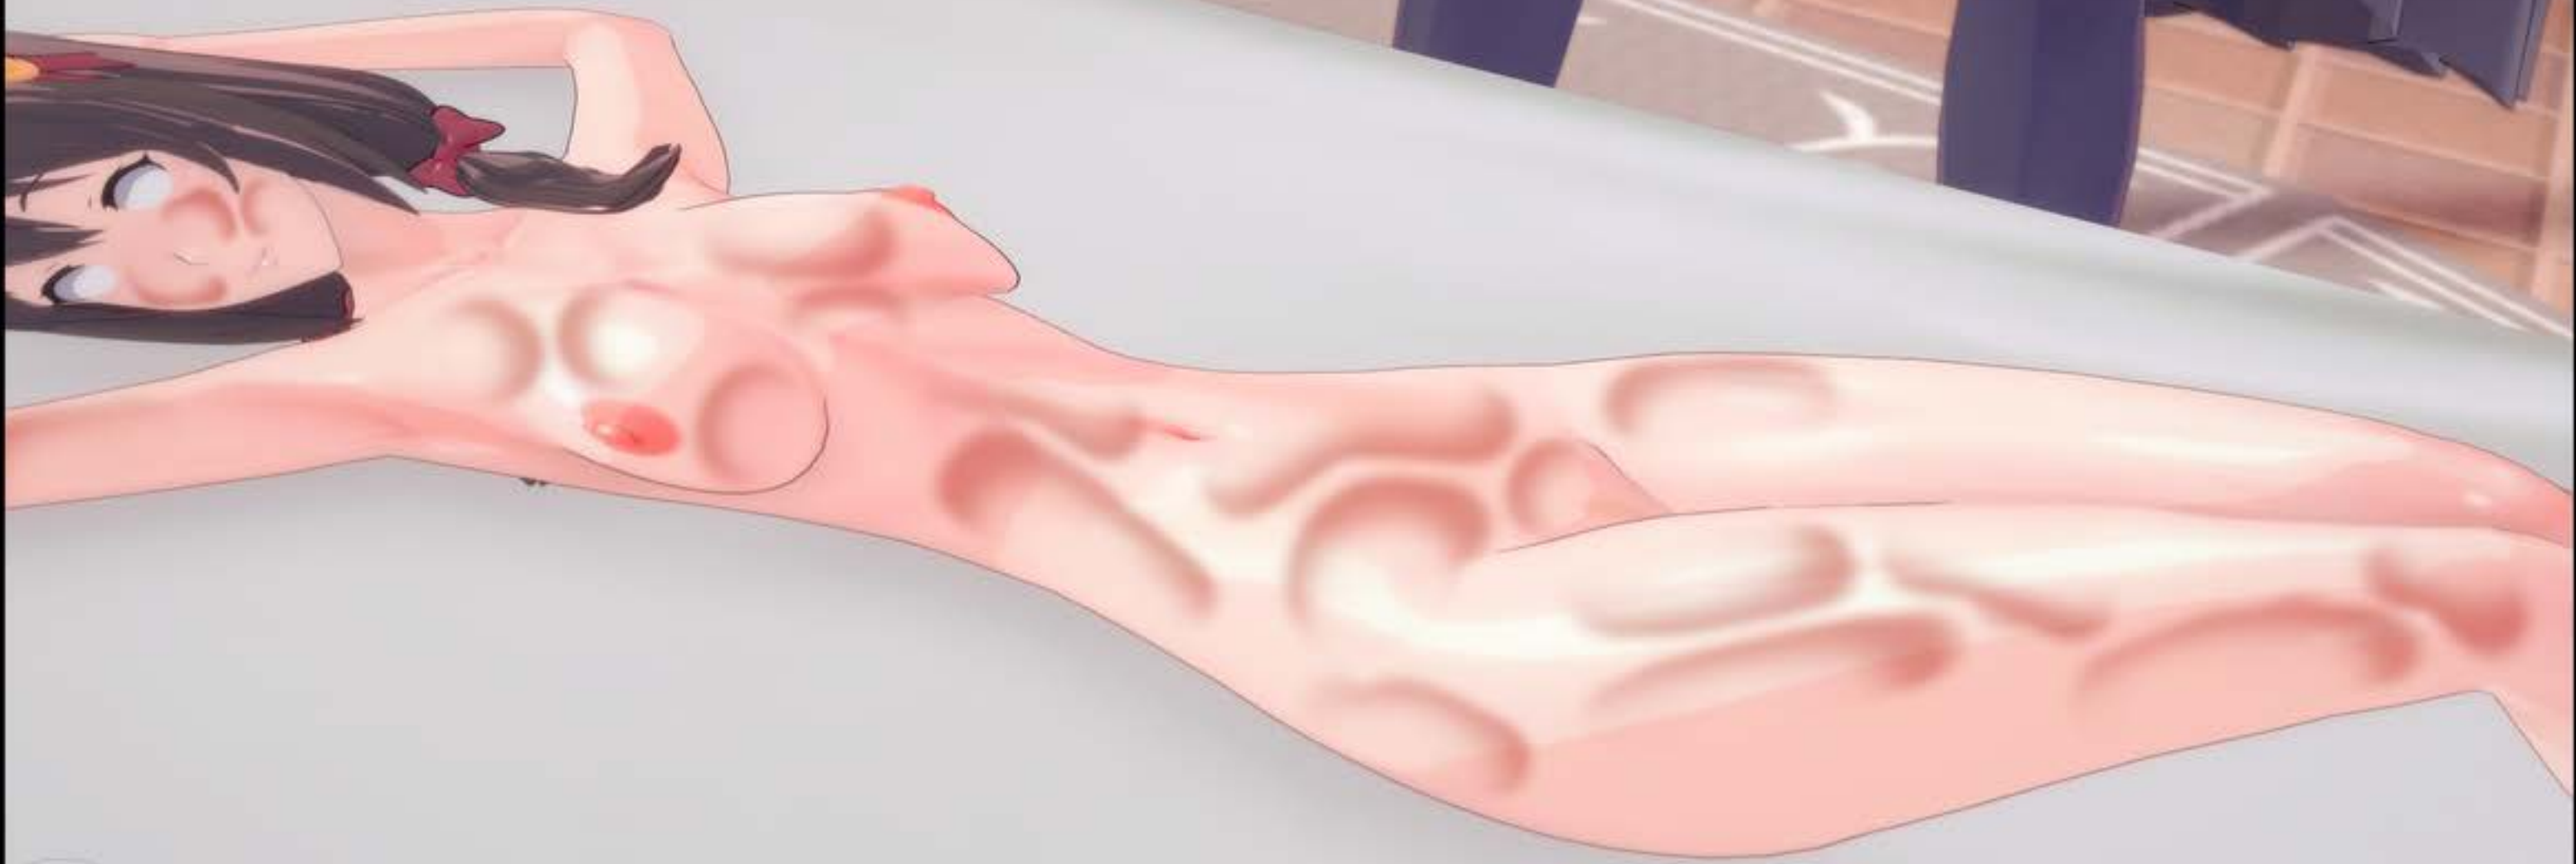

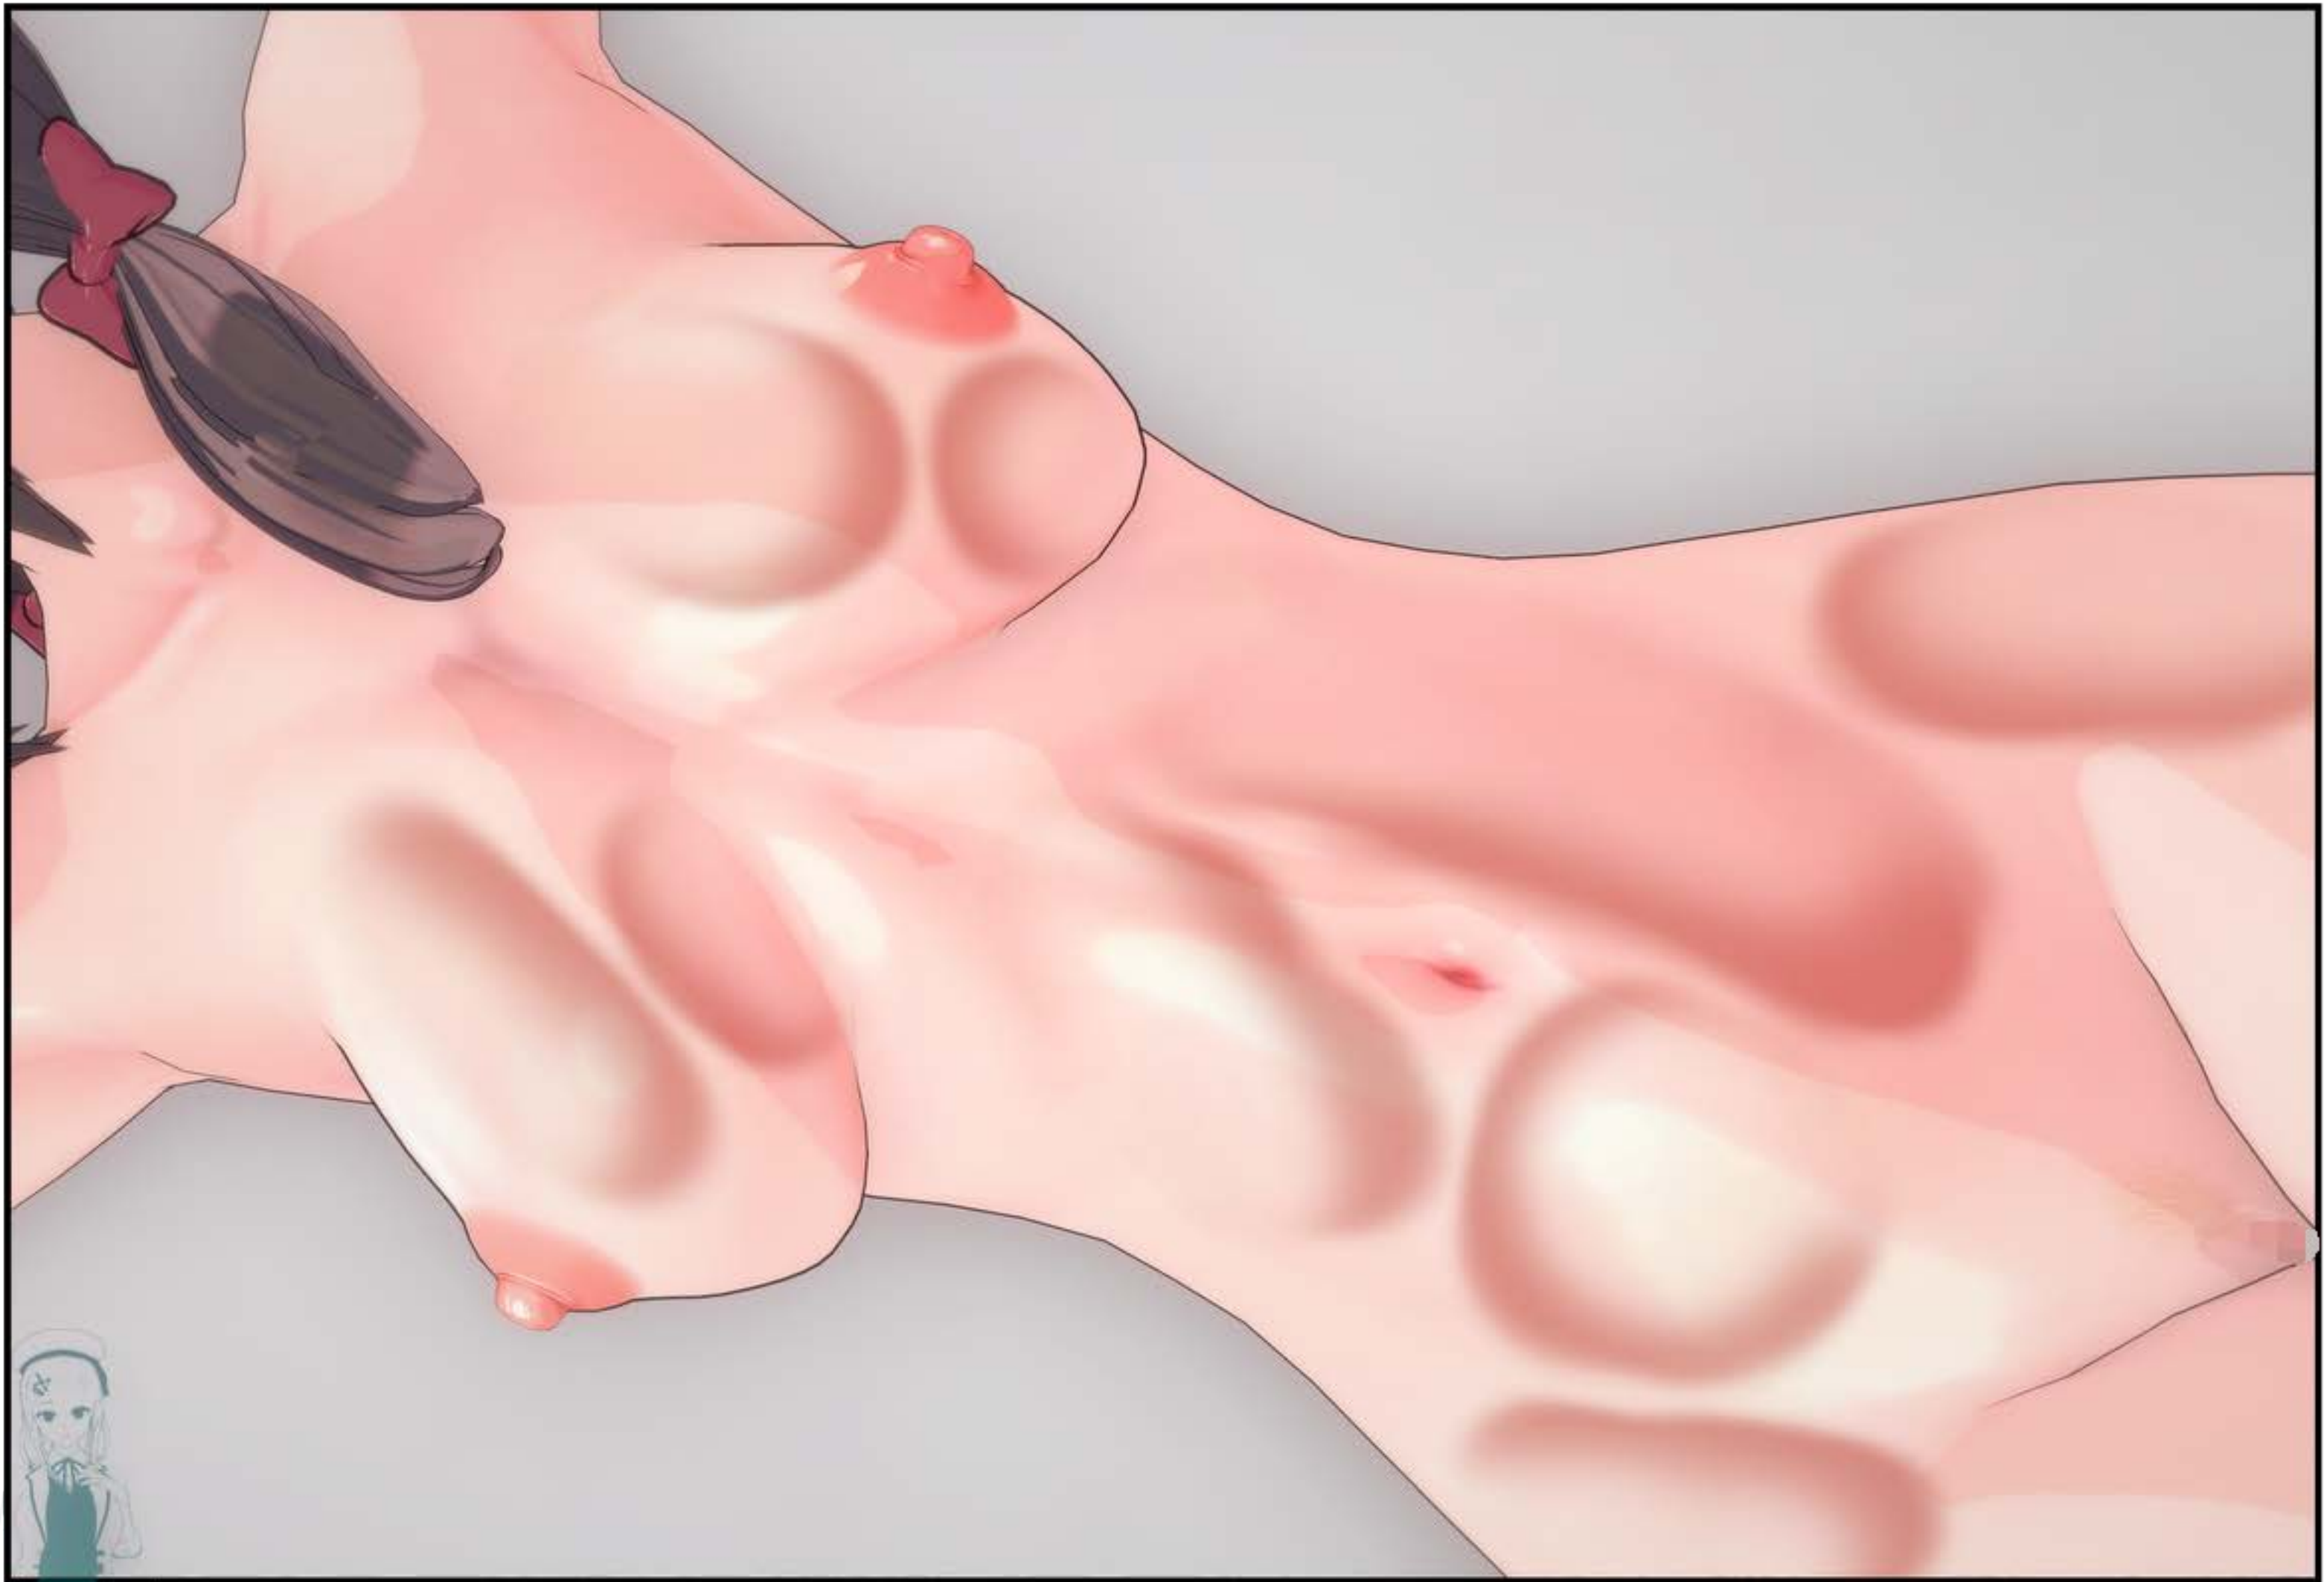

Let's see how
this new drug work?

Then I will put a test on Yunyun first.

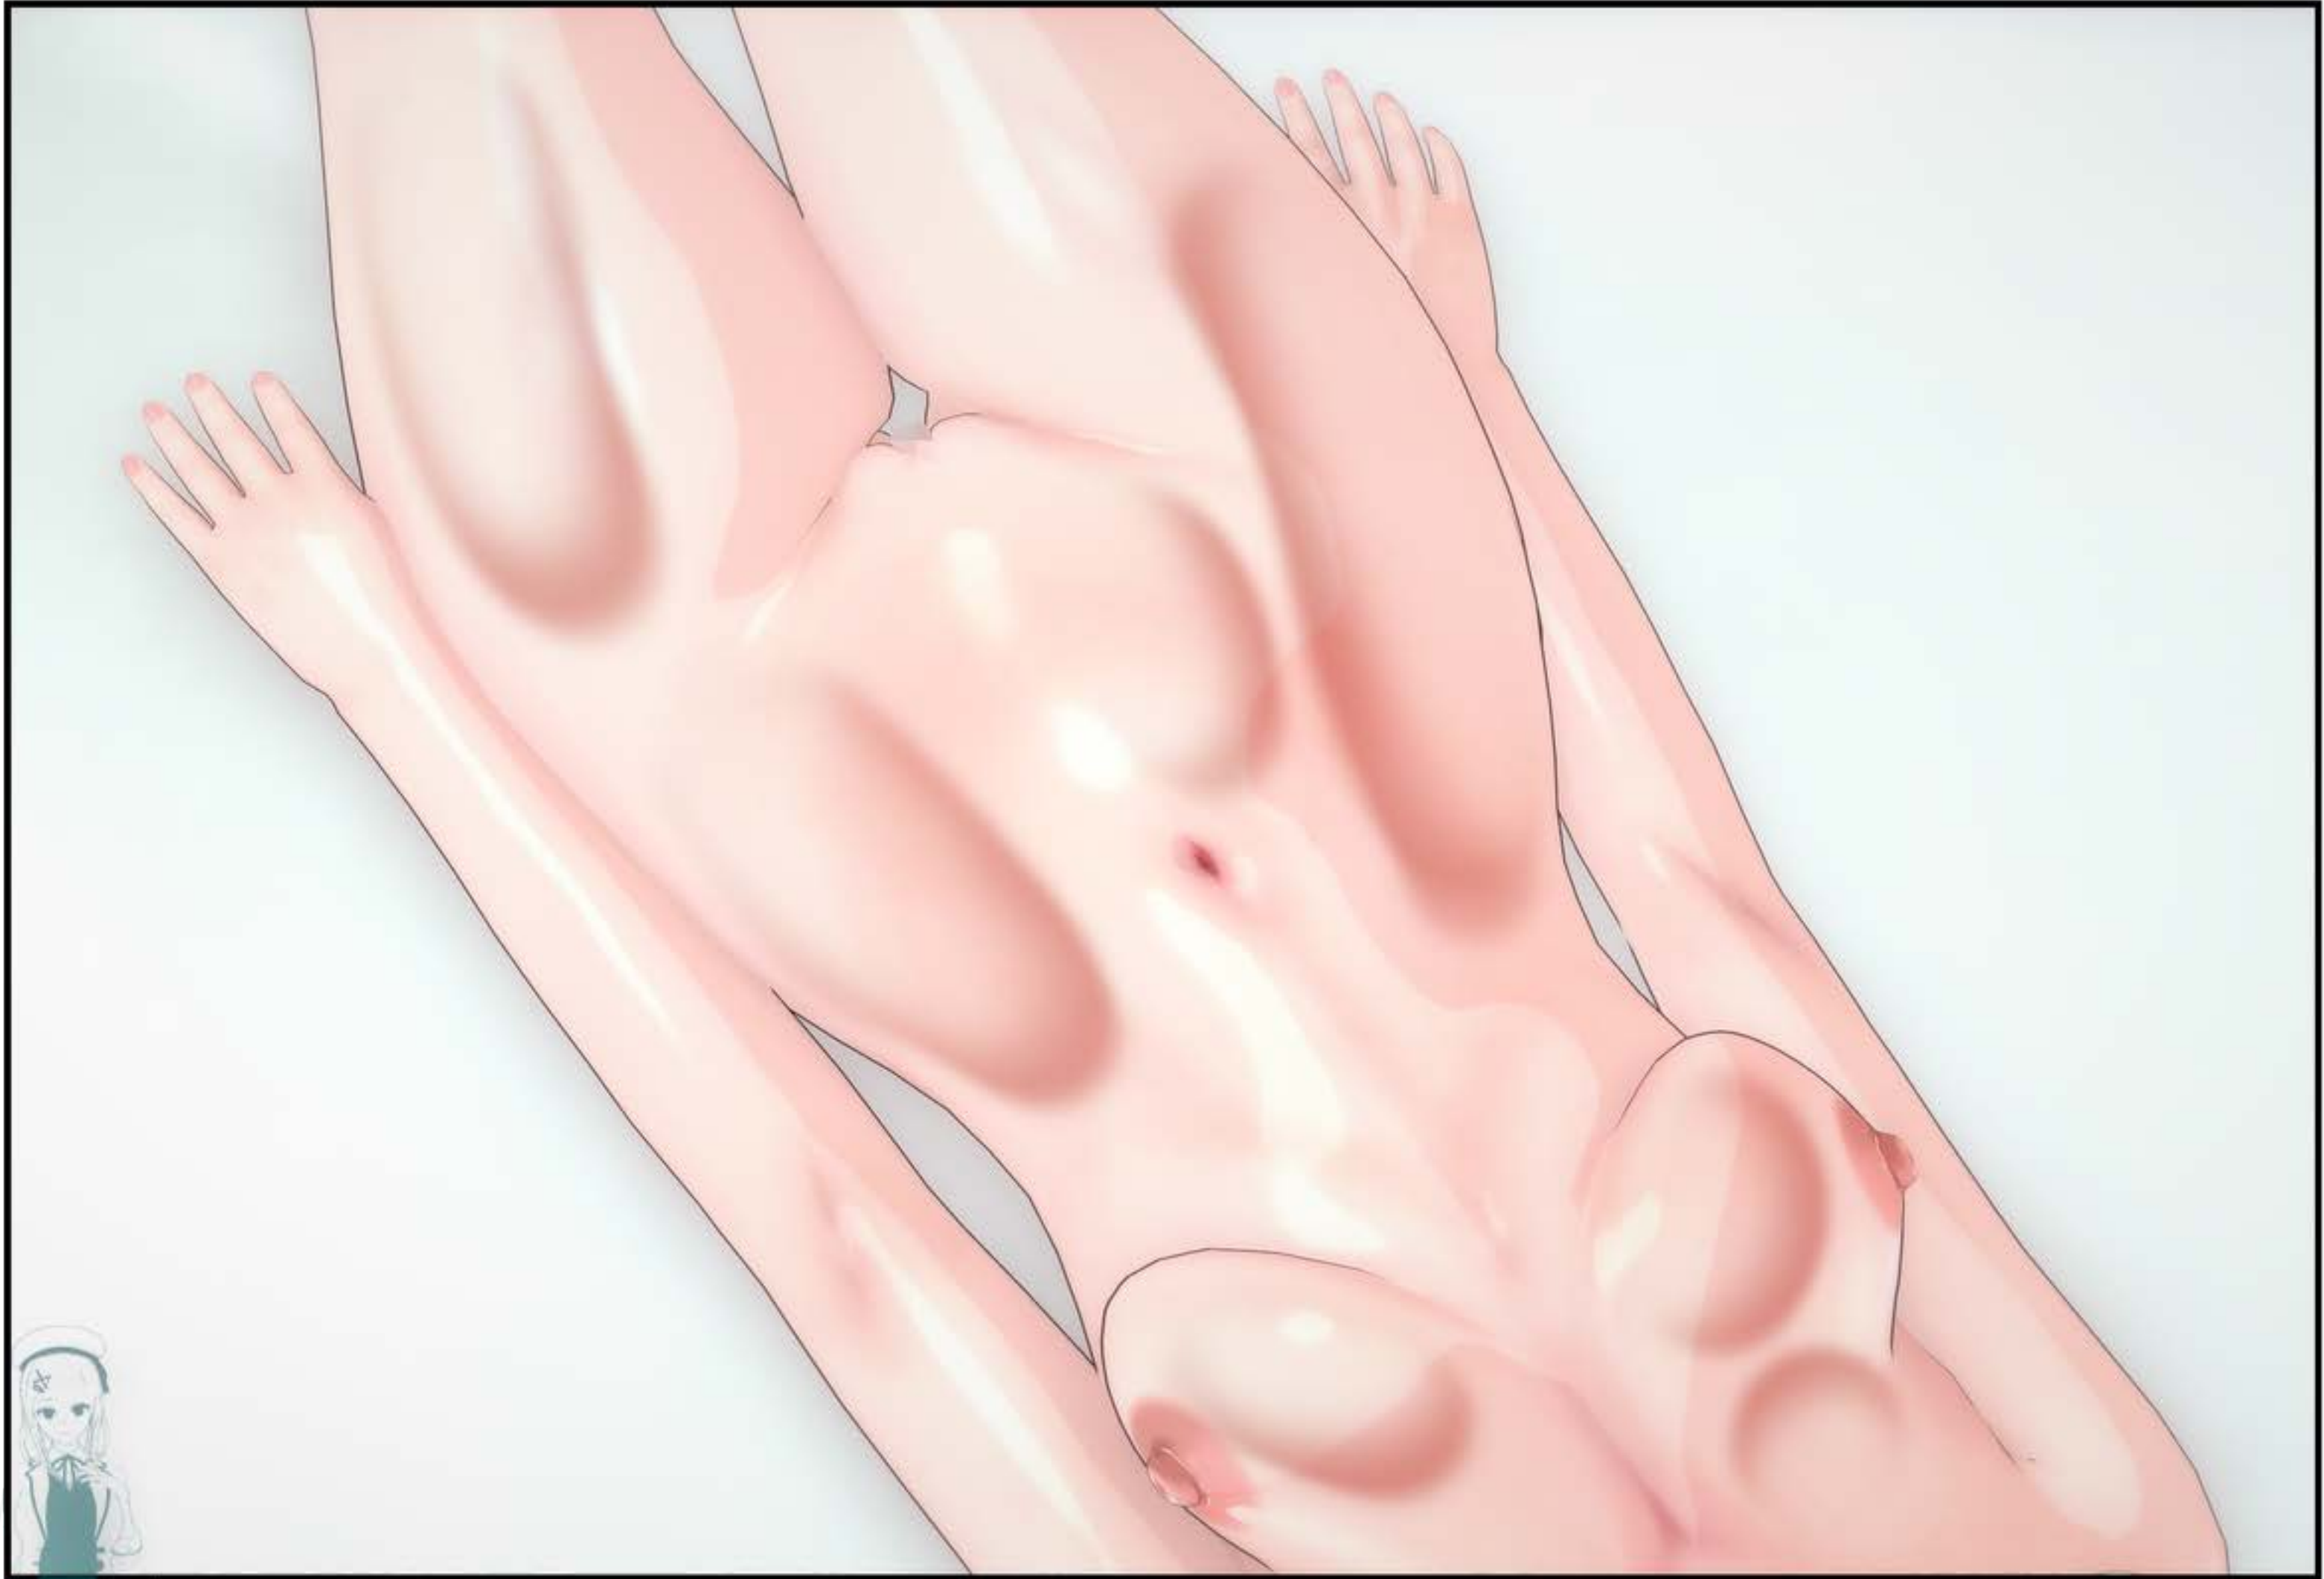

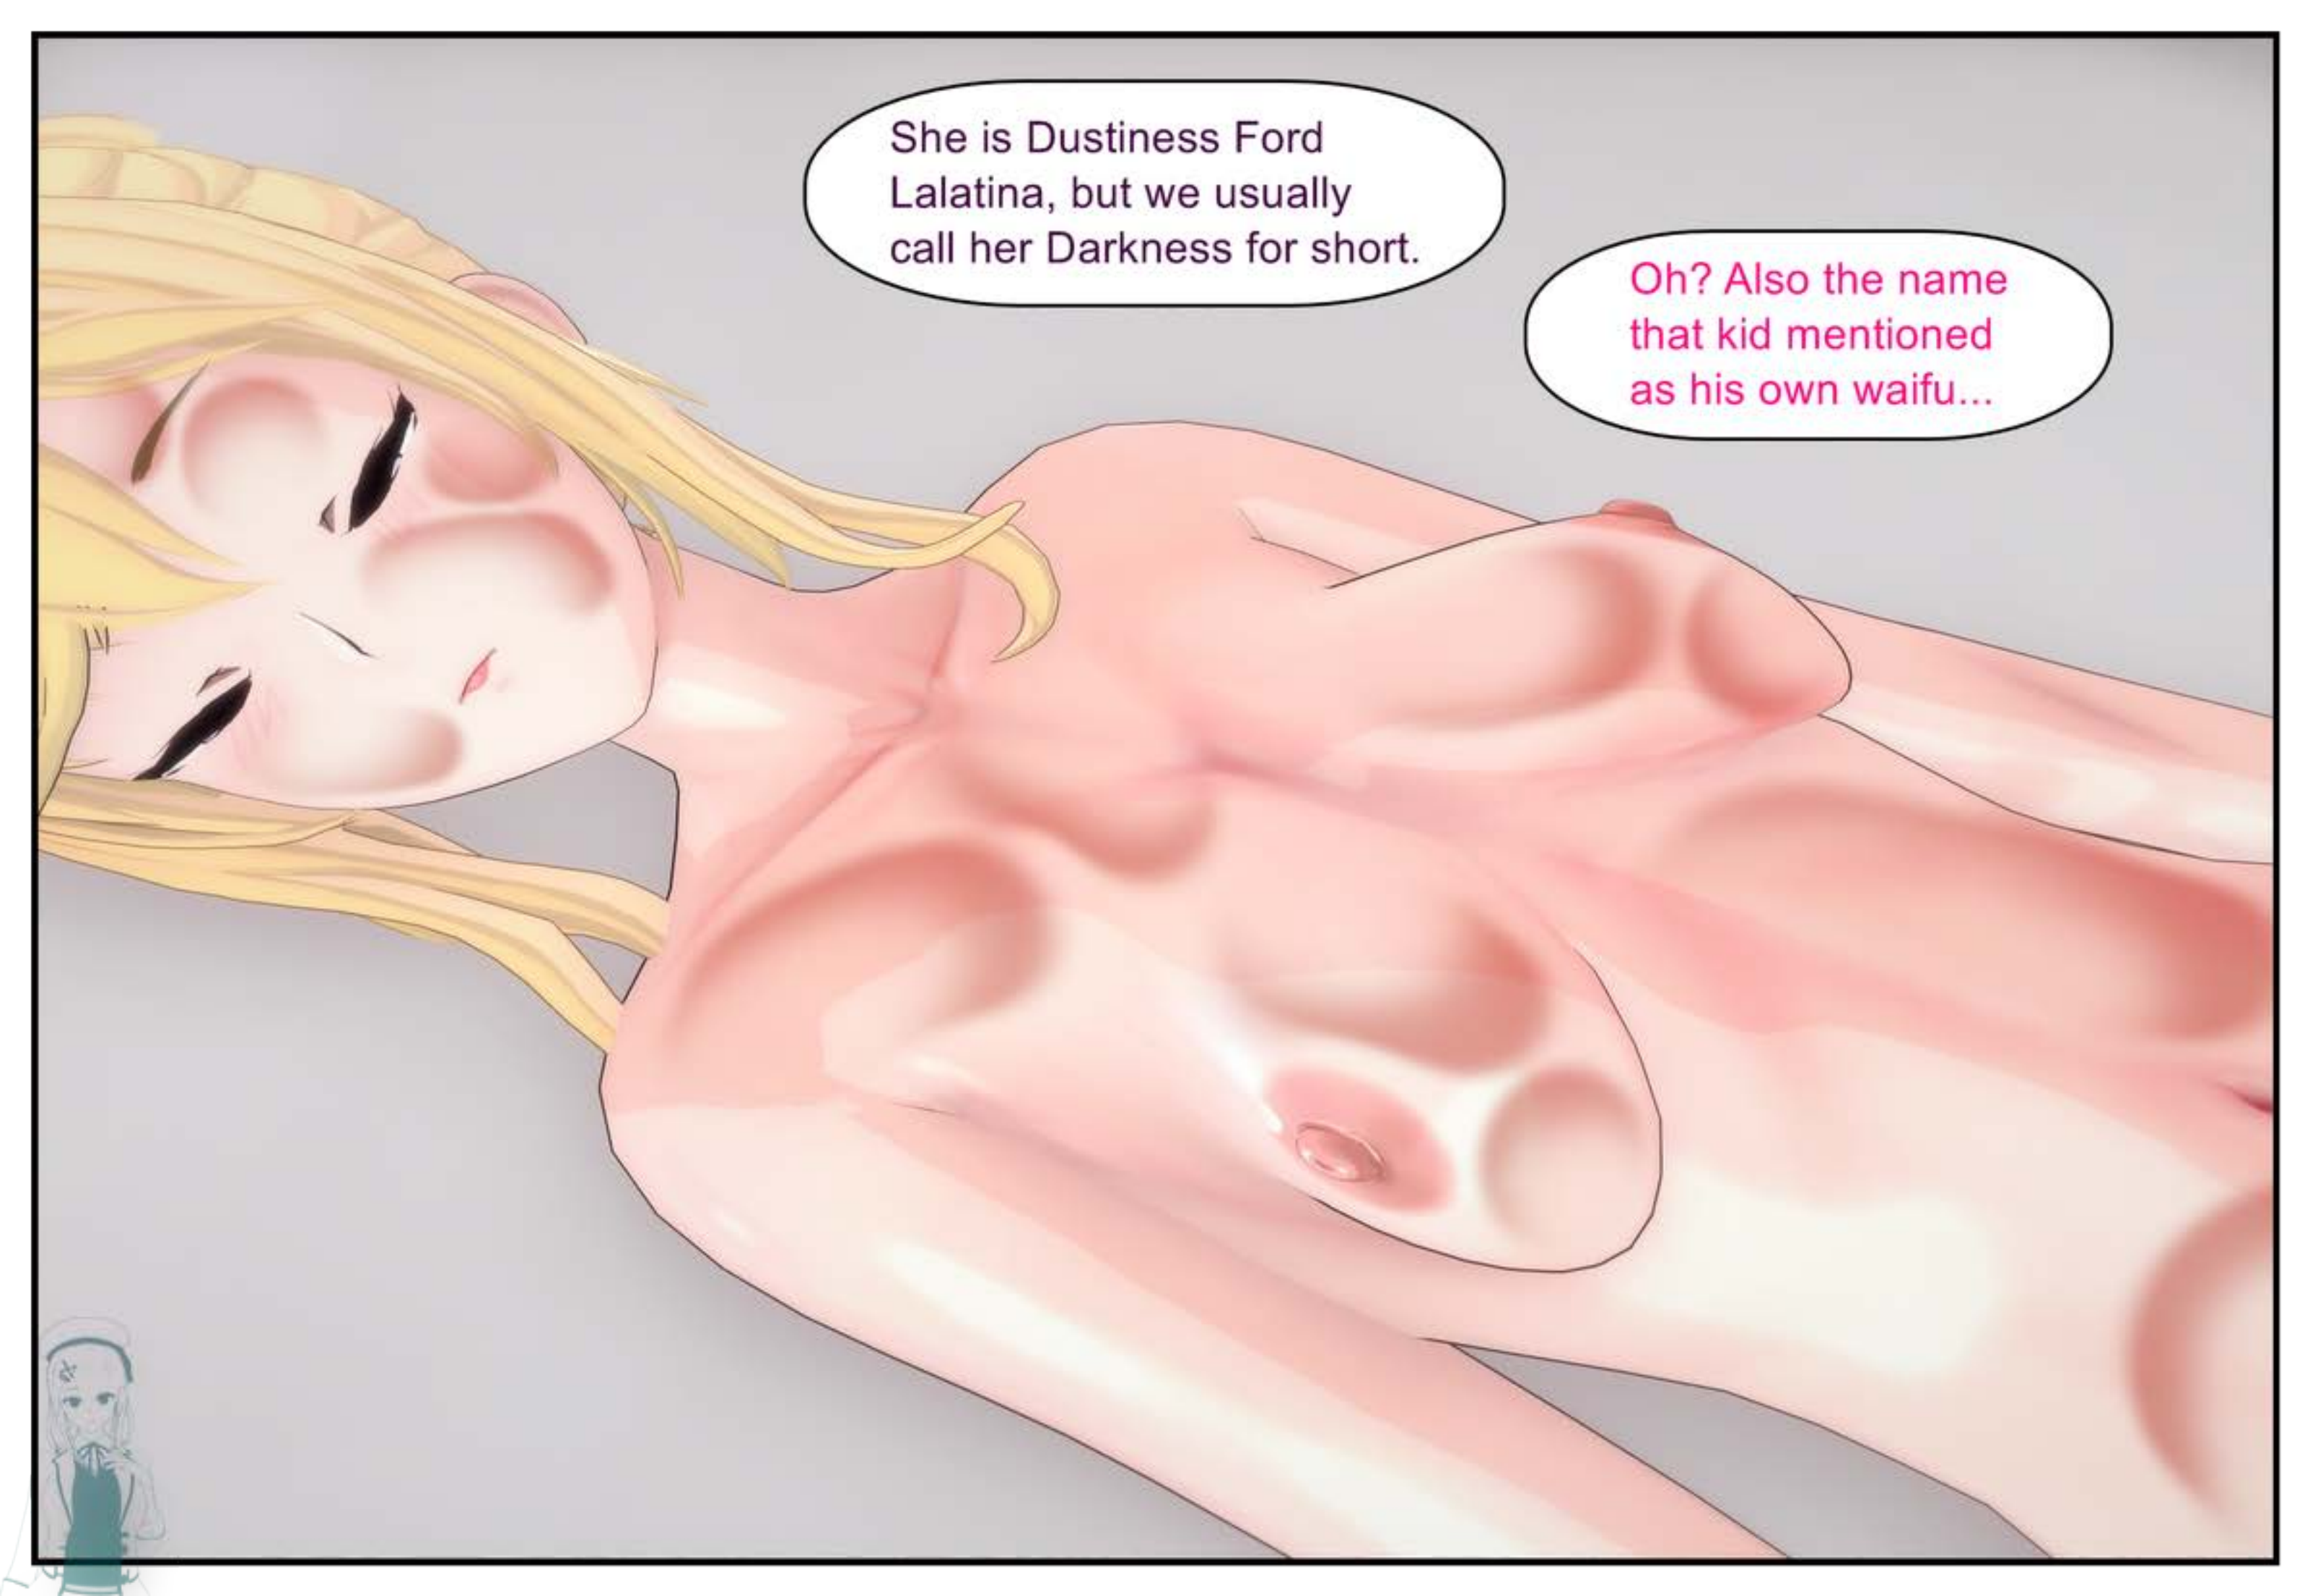

She seem familiar...
Was it the girl who
invited your friends?

She is Dustiness Ford
Lalatina, but we usually
call her Darkness for short.

Oh? Also the name
that kid mentioned
as his own waifu...

Still, she seem different from the original...

I guess... this drug transform and adjust the skin base on our thoughts.

As close as possible, right?

Can I ask that why her anyway?

Because I thought of her first so...

Let me try her on, maybe better than just wearing Yunyun's skin.

It's basically still her, but transformed into Darkness.

Uh... I think her size became a bit larger...

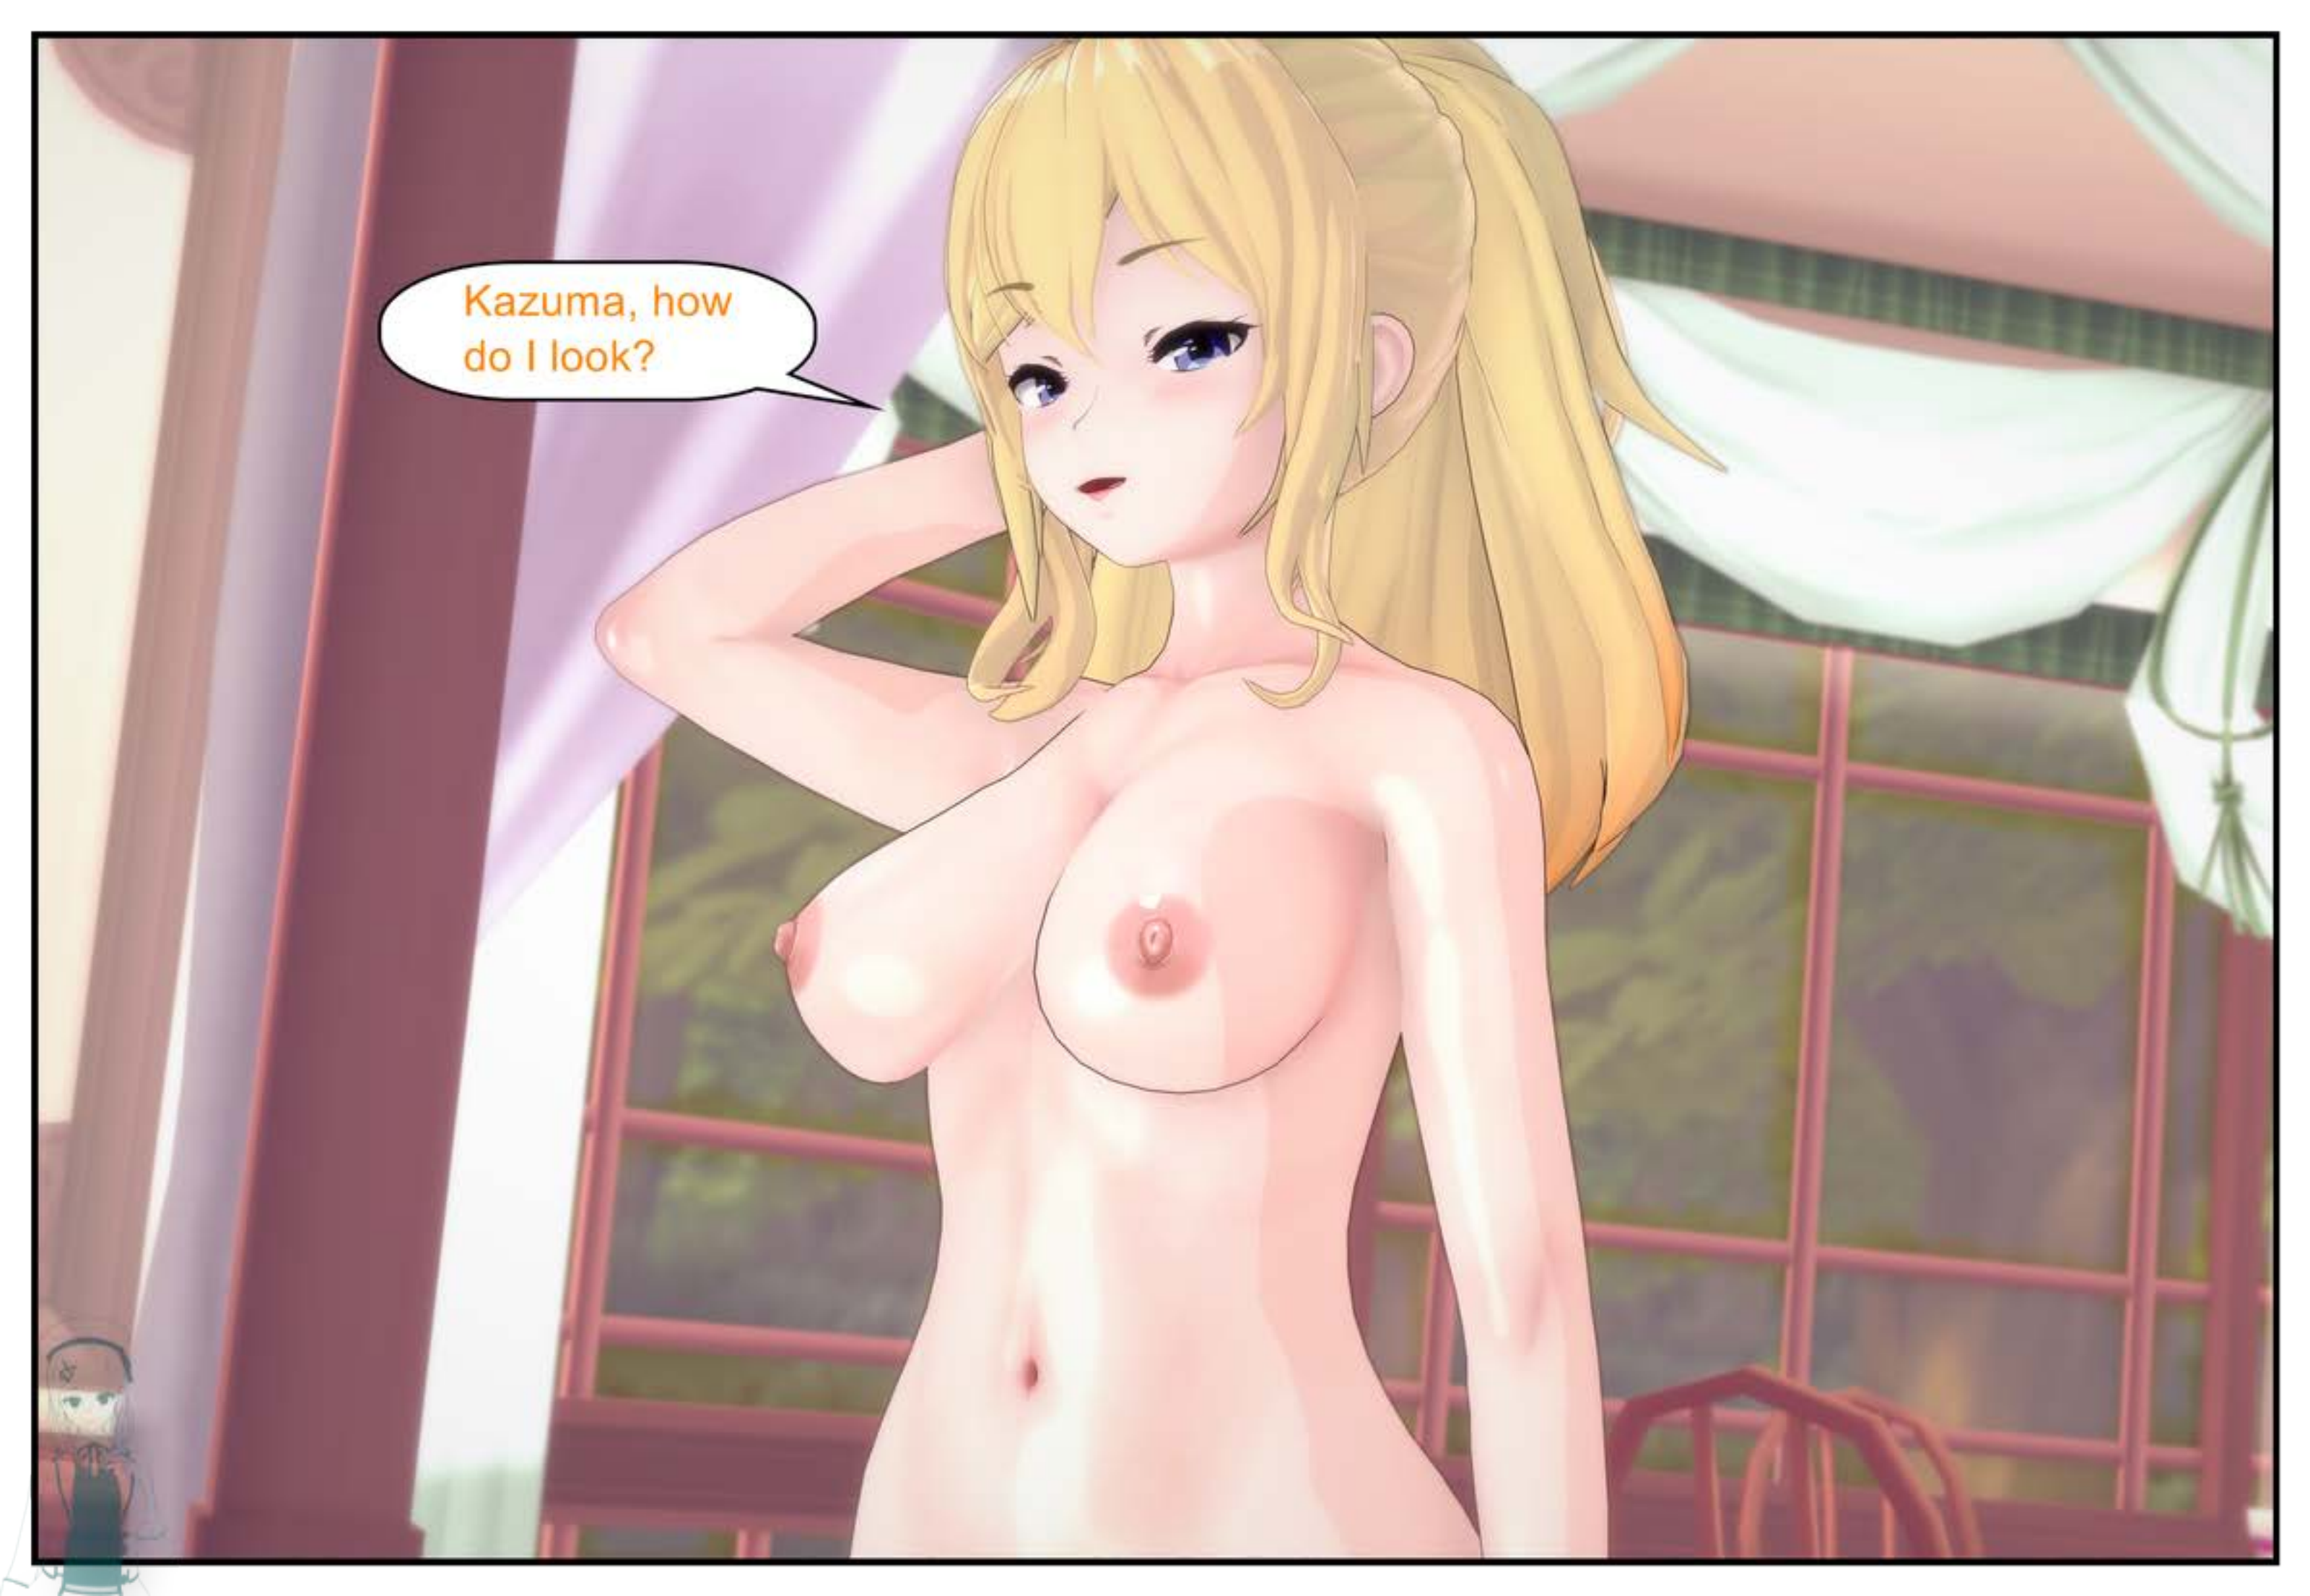

Phew...

Kazuma, how
do I look?

Seem like a more mature and serious version of Darkness.

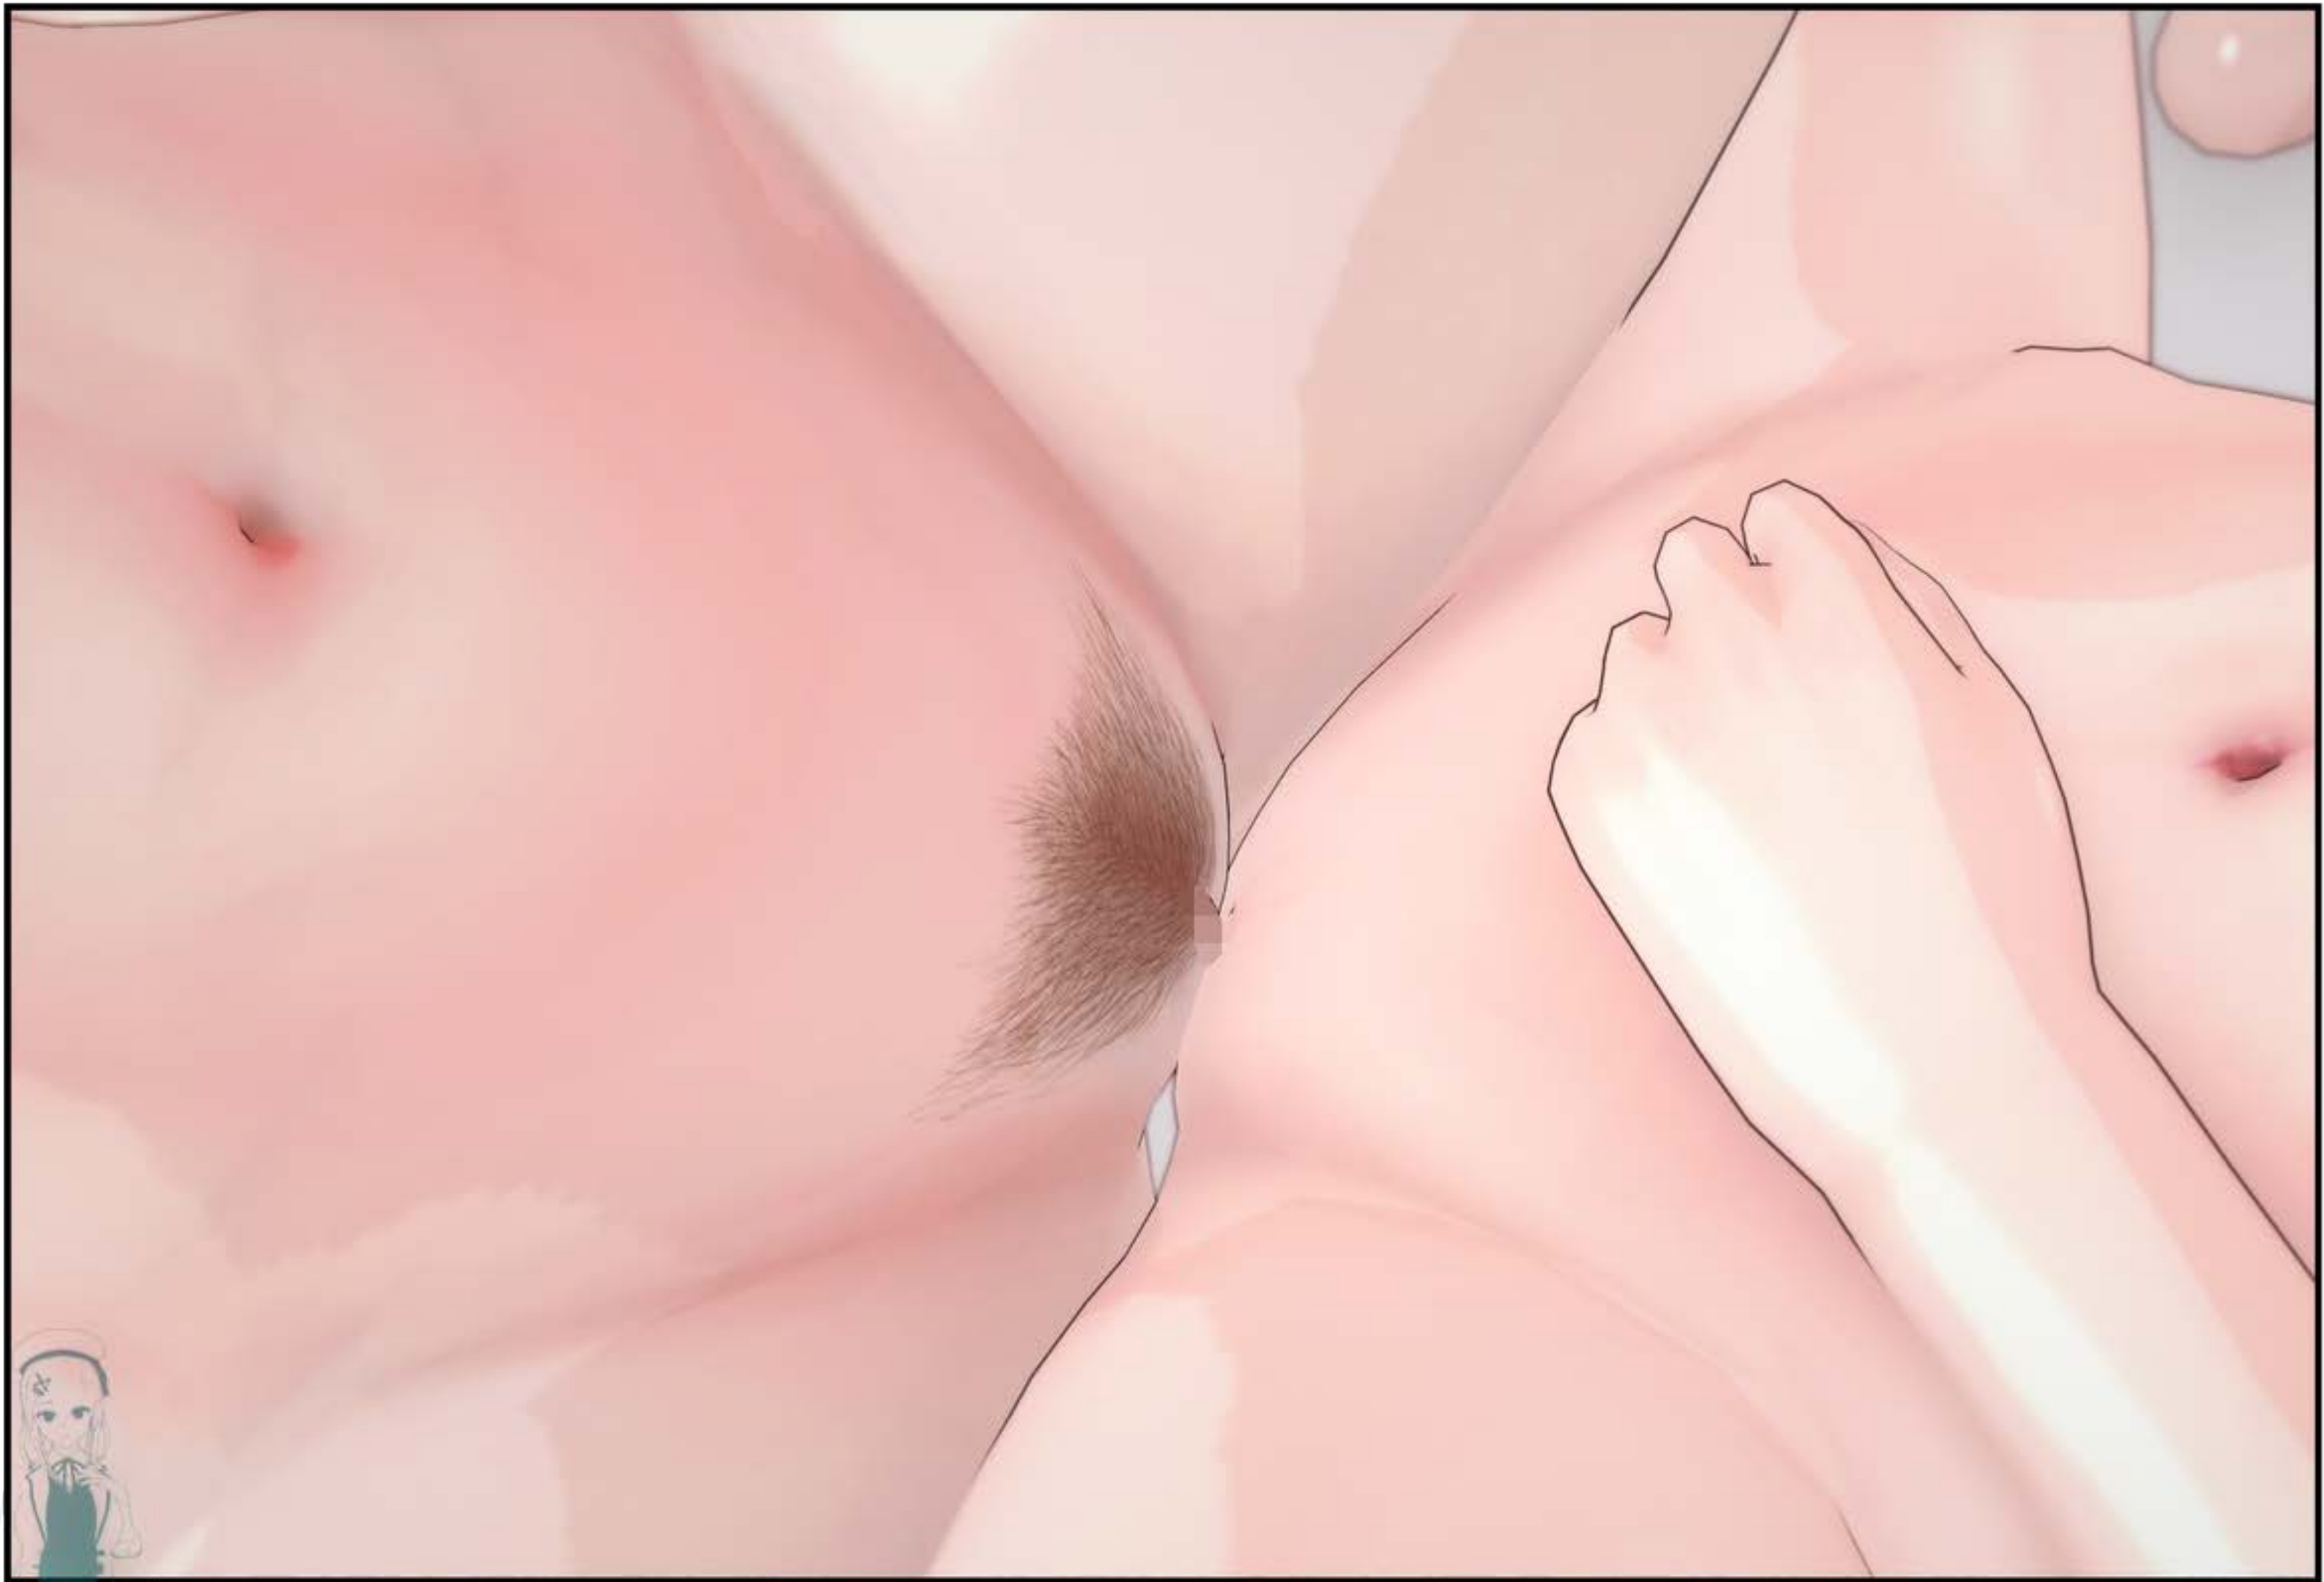

Then, I suppose
you are all ready
to enjoy the new form?

Ah... Um... Is this what girl on girl like...?

Indeed... It does feel great...

yet, 'Darkness'?

It's getting hotter
for me in this skin...

But you did feel
a lot of pleasure, right?

I'm sure that this
is when you actually
realise what sex is.

Because the other time, I think you were just do it quick.

hny

So let me show it
to you this moment,
okay Arnes?

Kazuma...

"Did I just act to make her saw me as a pervert...?"

Aaahhh...
It's so hot inside!

I'm going faster now, Arnes!!!

I'm eummilinnnggg!!

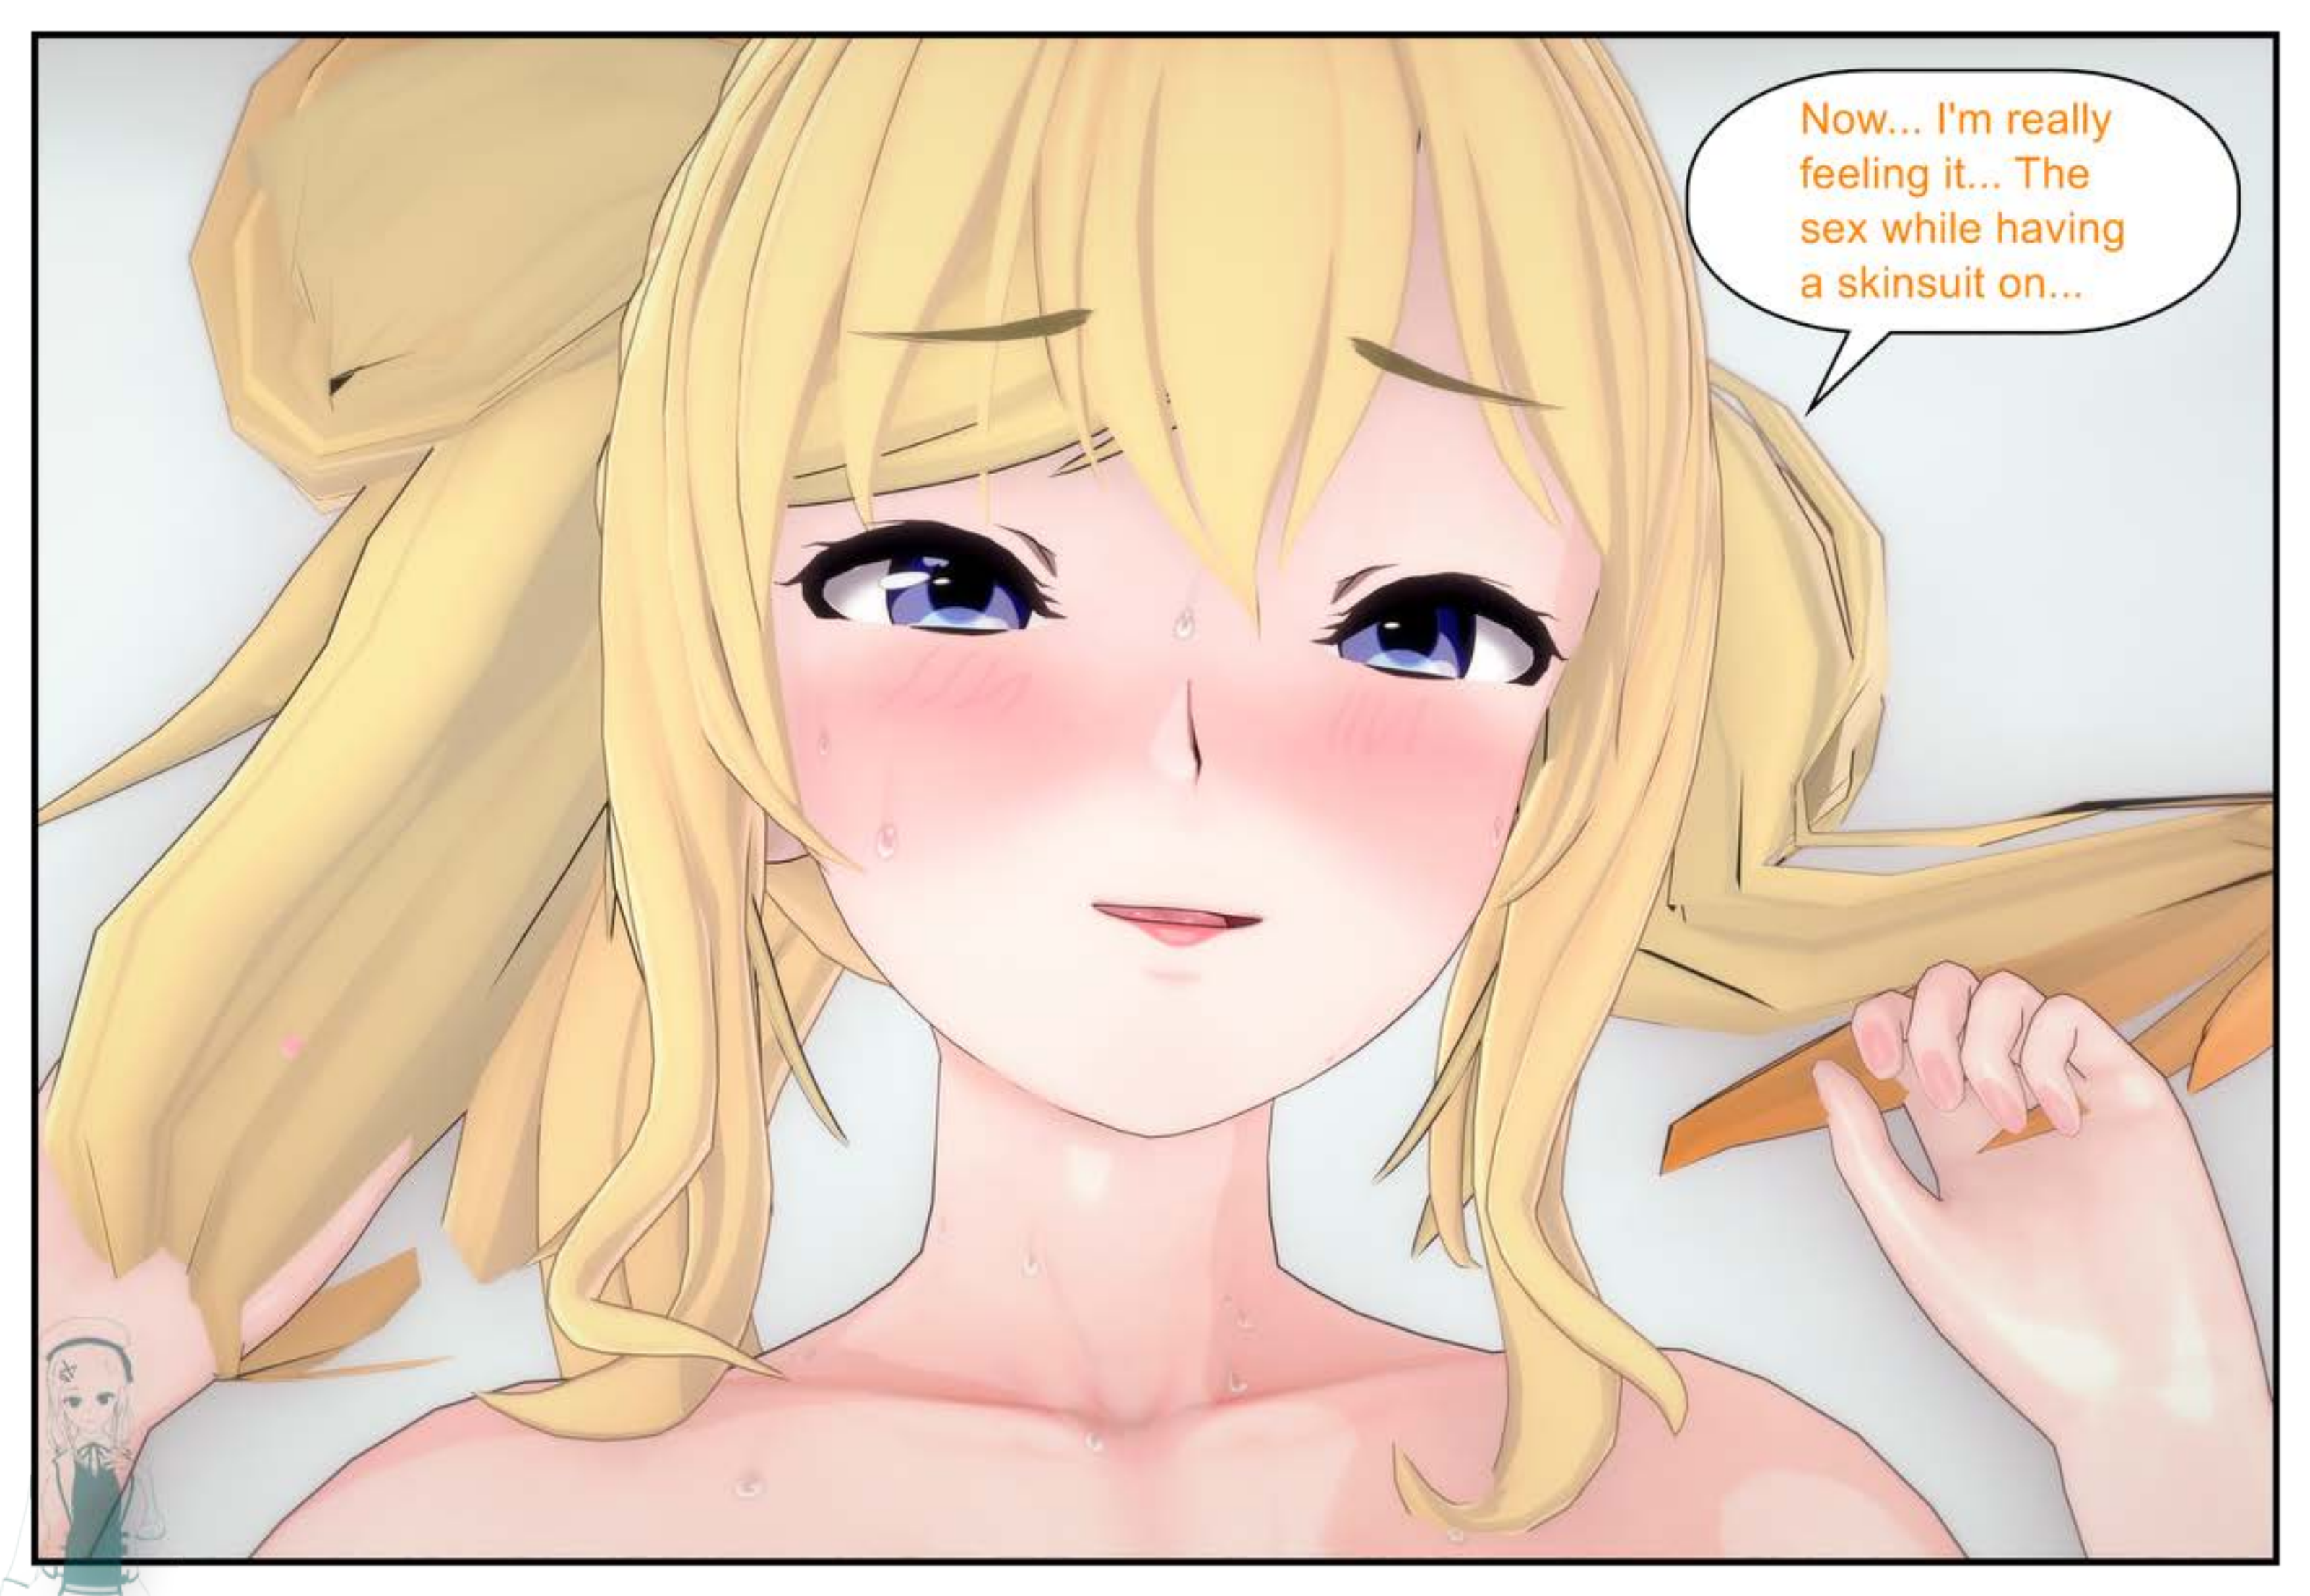

好き♡

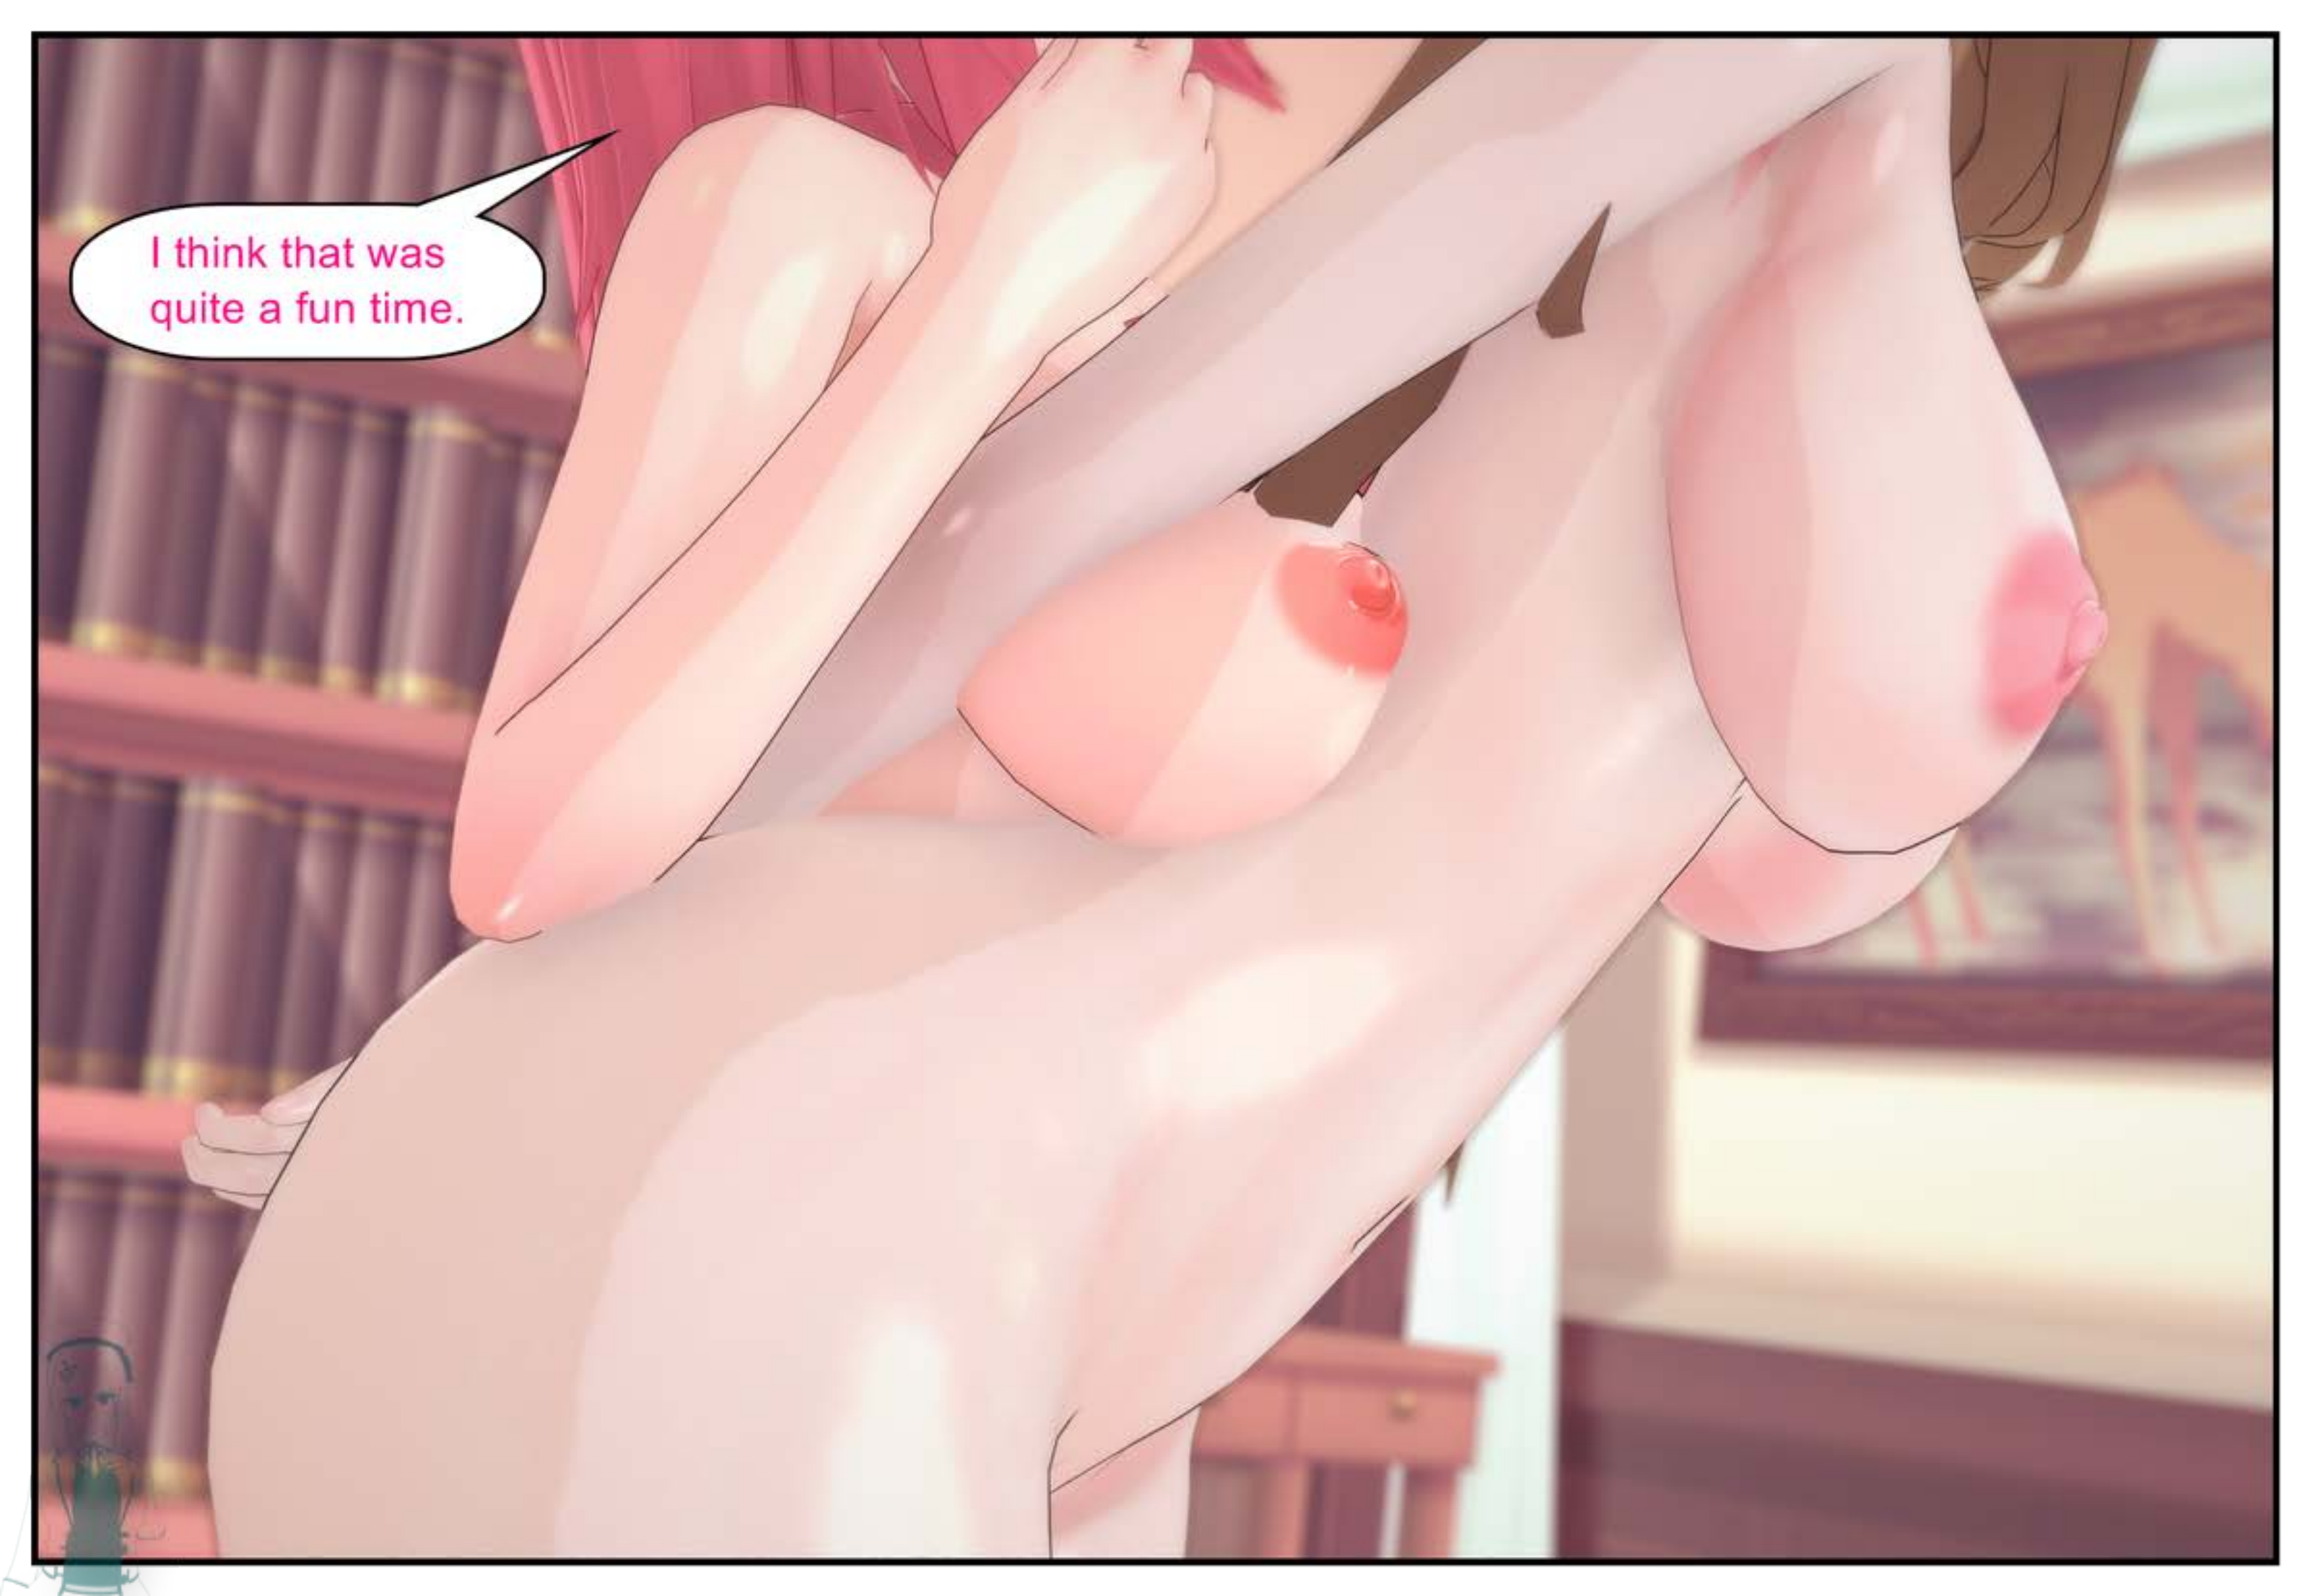

Now... I'm really feeling it... The sex while having a skinsuit on...

I think that was quite a fun time.

Are we moving
on to the next?
Since time is
running out.

I'm having the
same thoughts
as you, Arnes.

I bet you are ready for now?

More than that!

Oh wait... Before that, I found something...

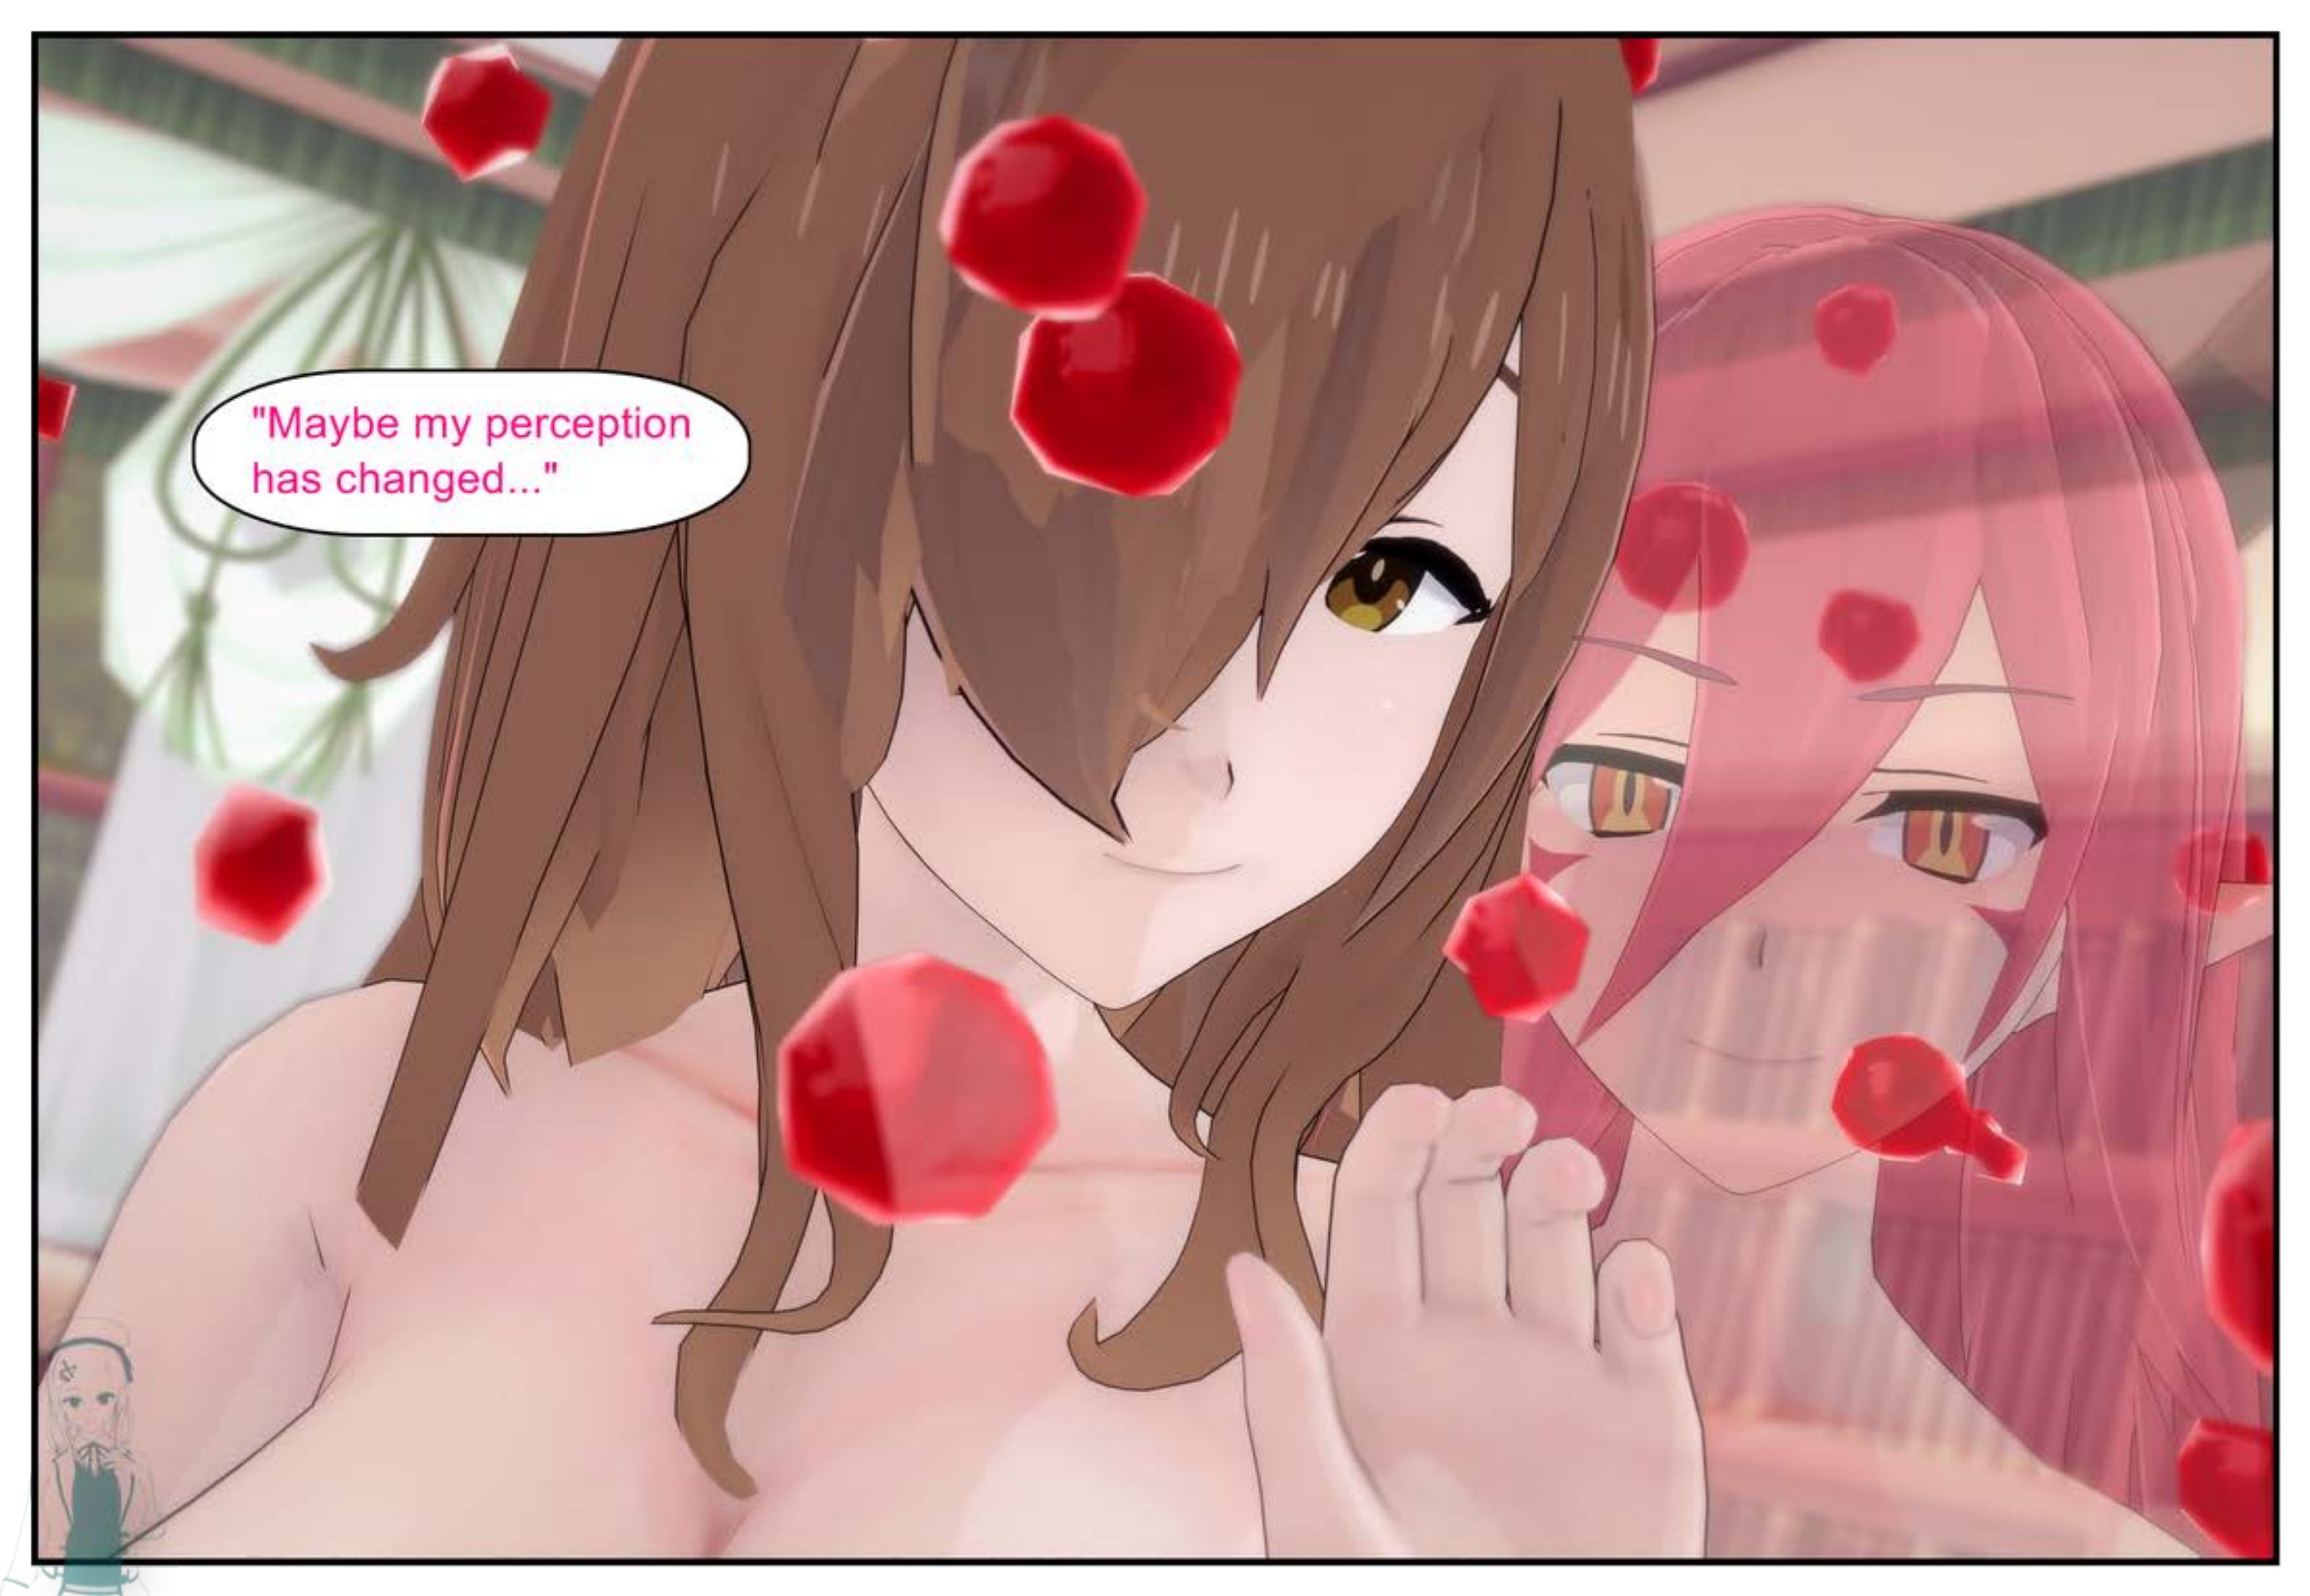

We celebrate with
some wine!!!

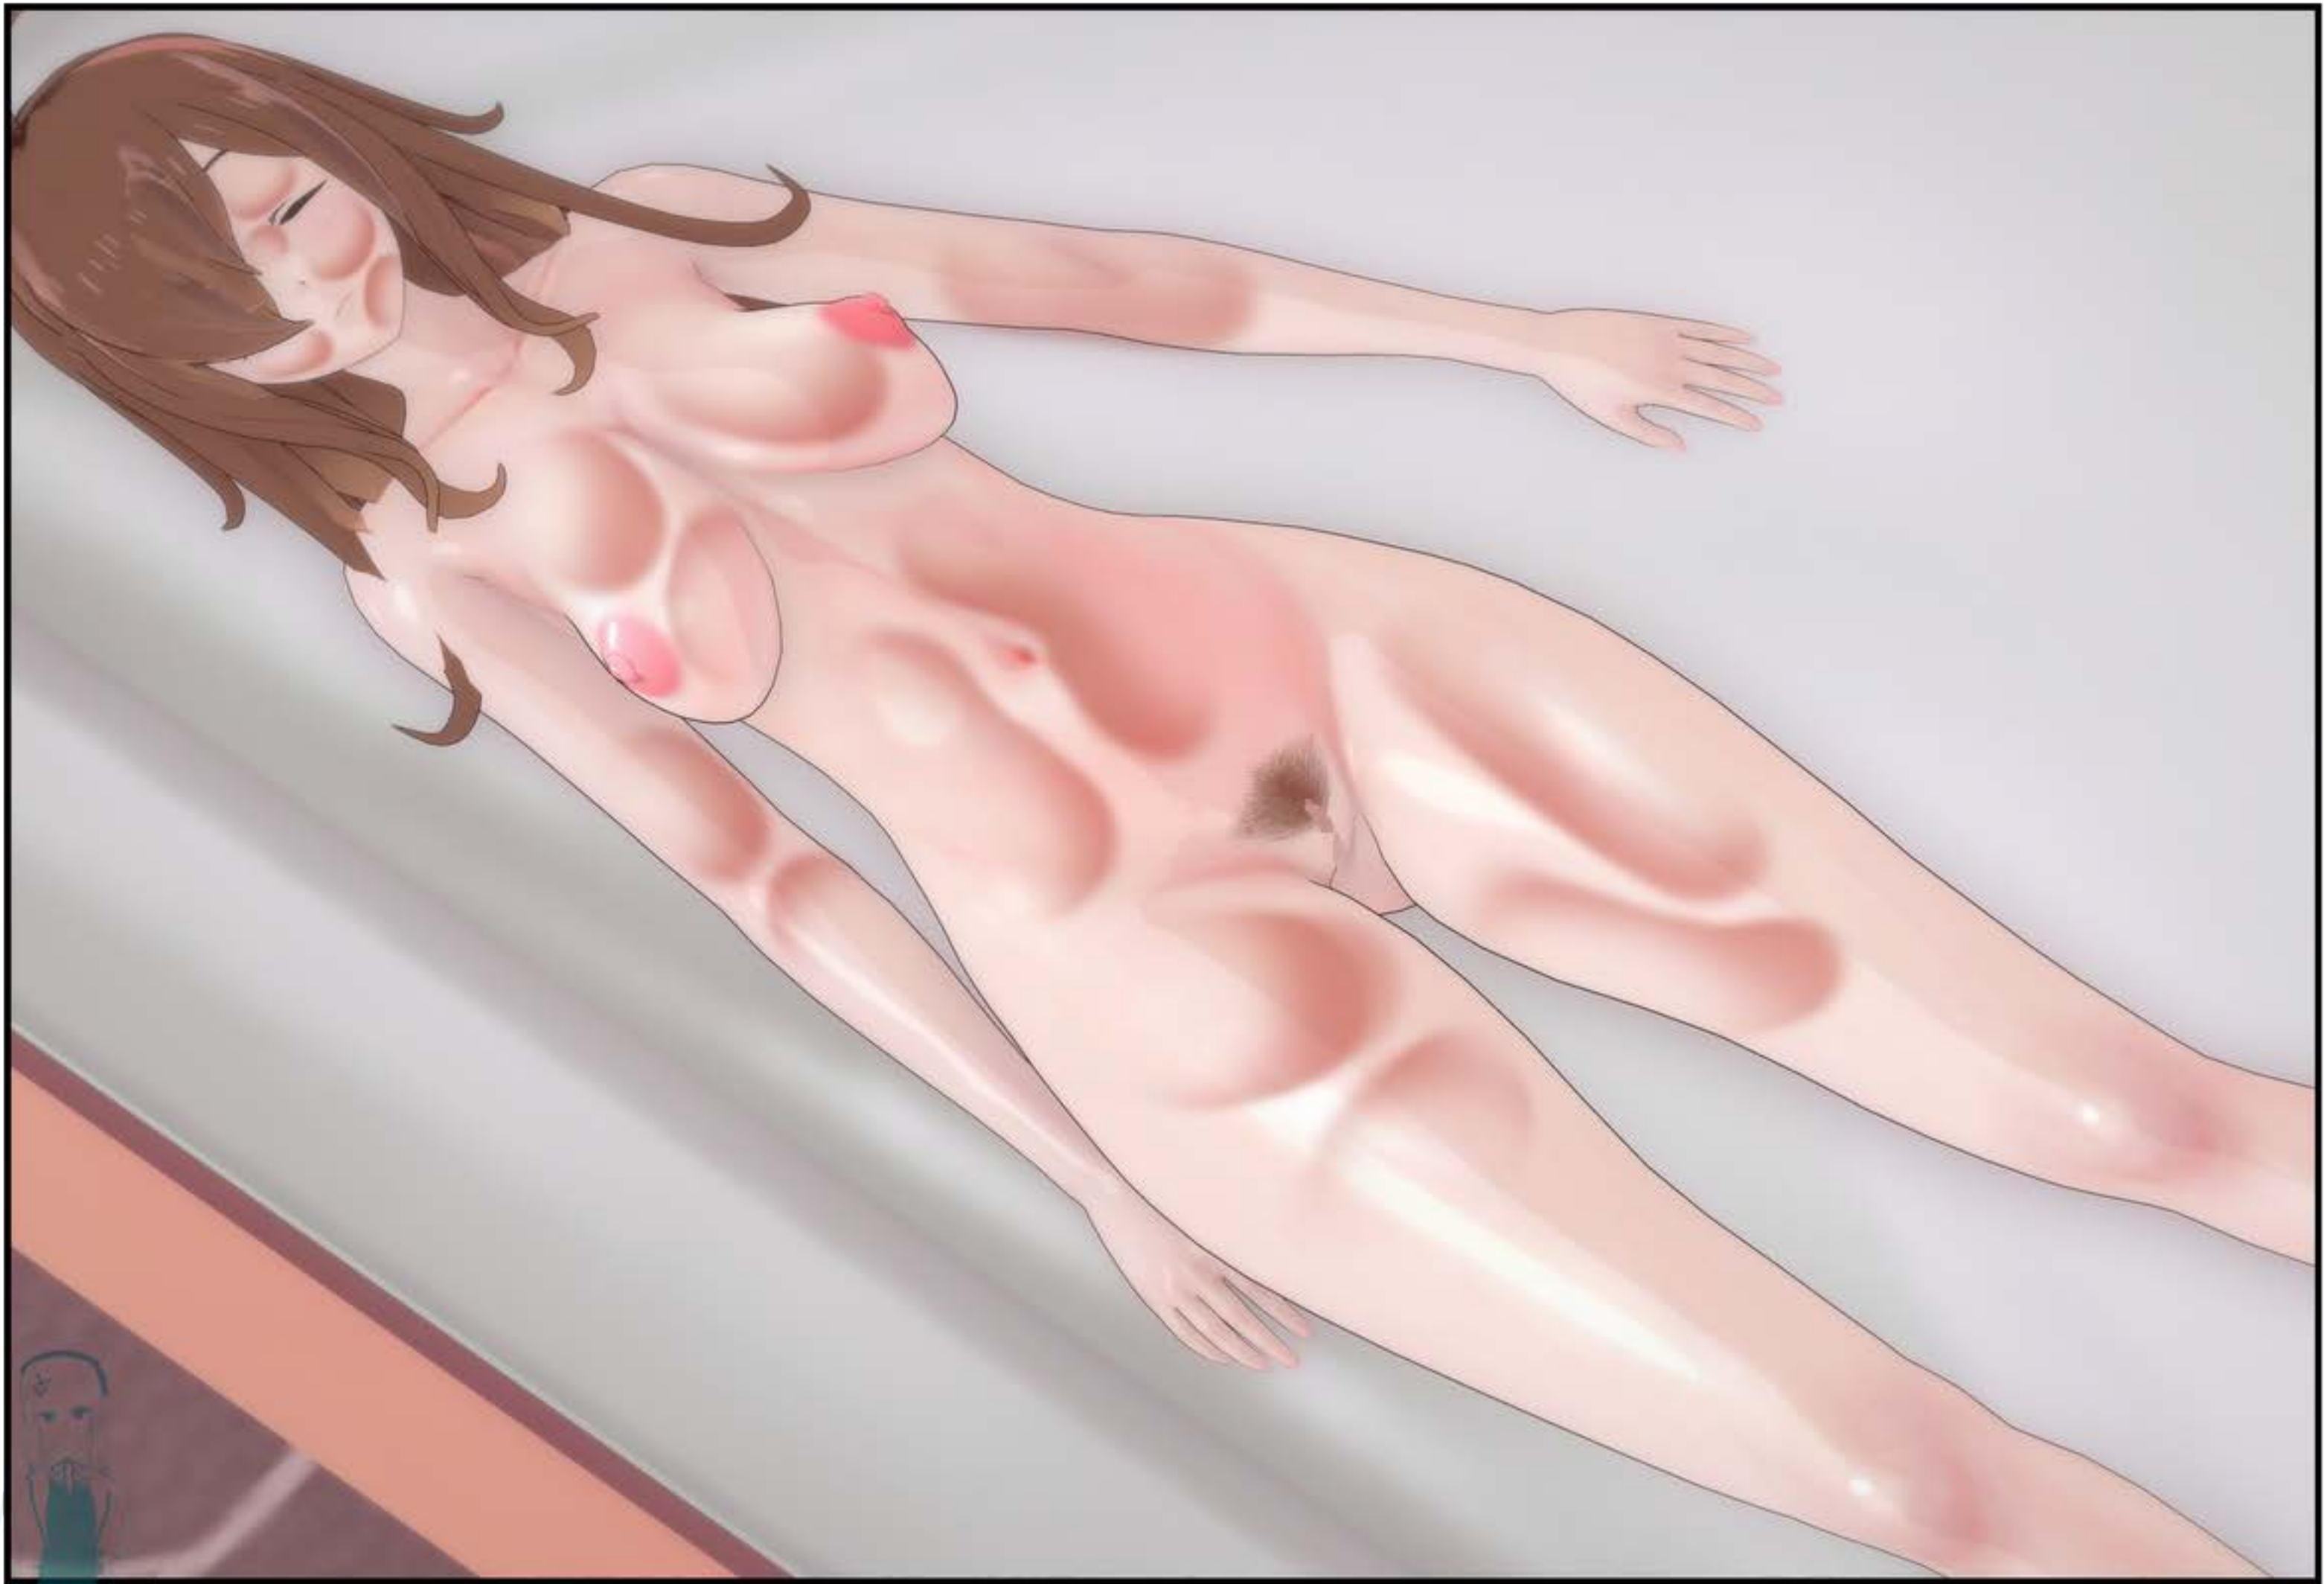

"First time when I met Kazuma, it was entirely different."

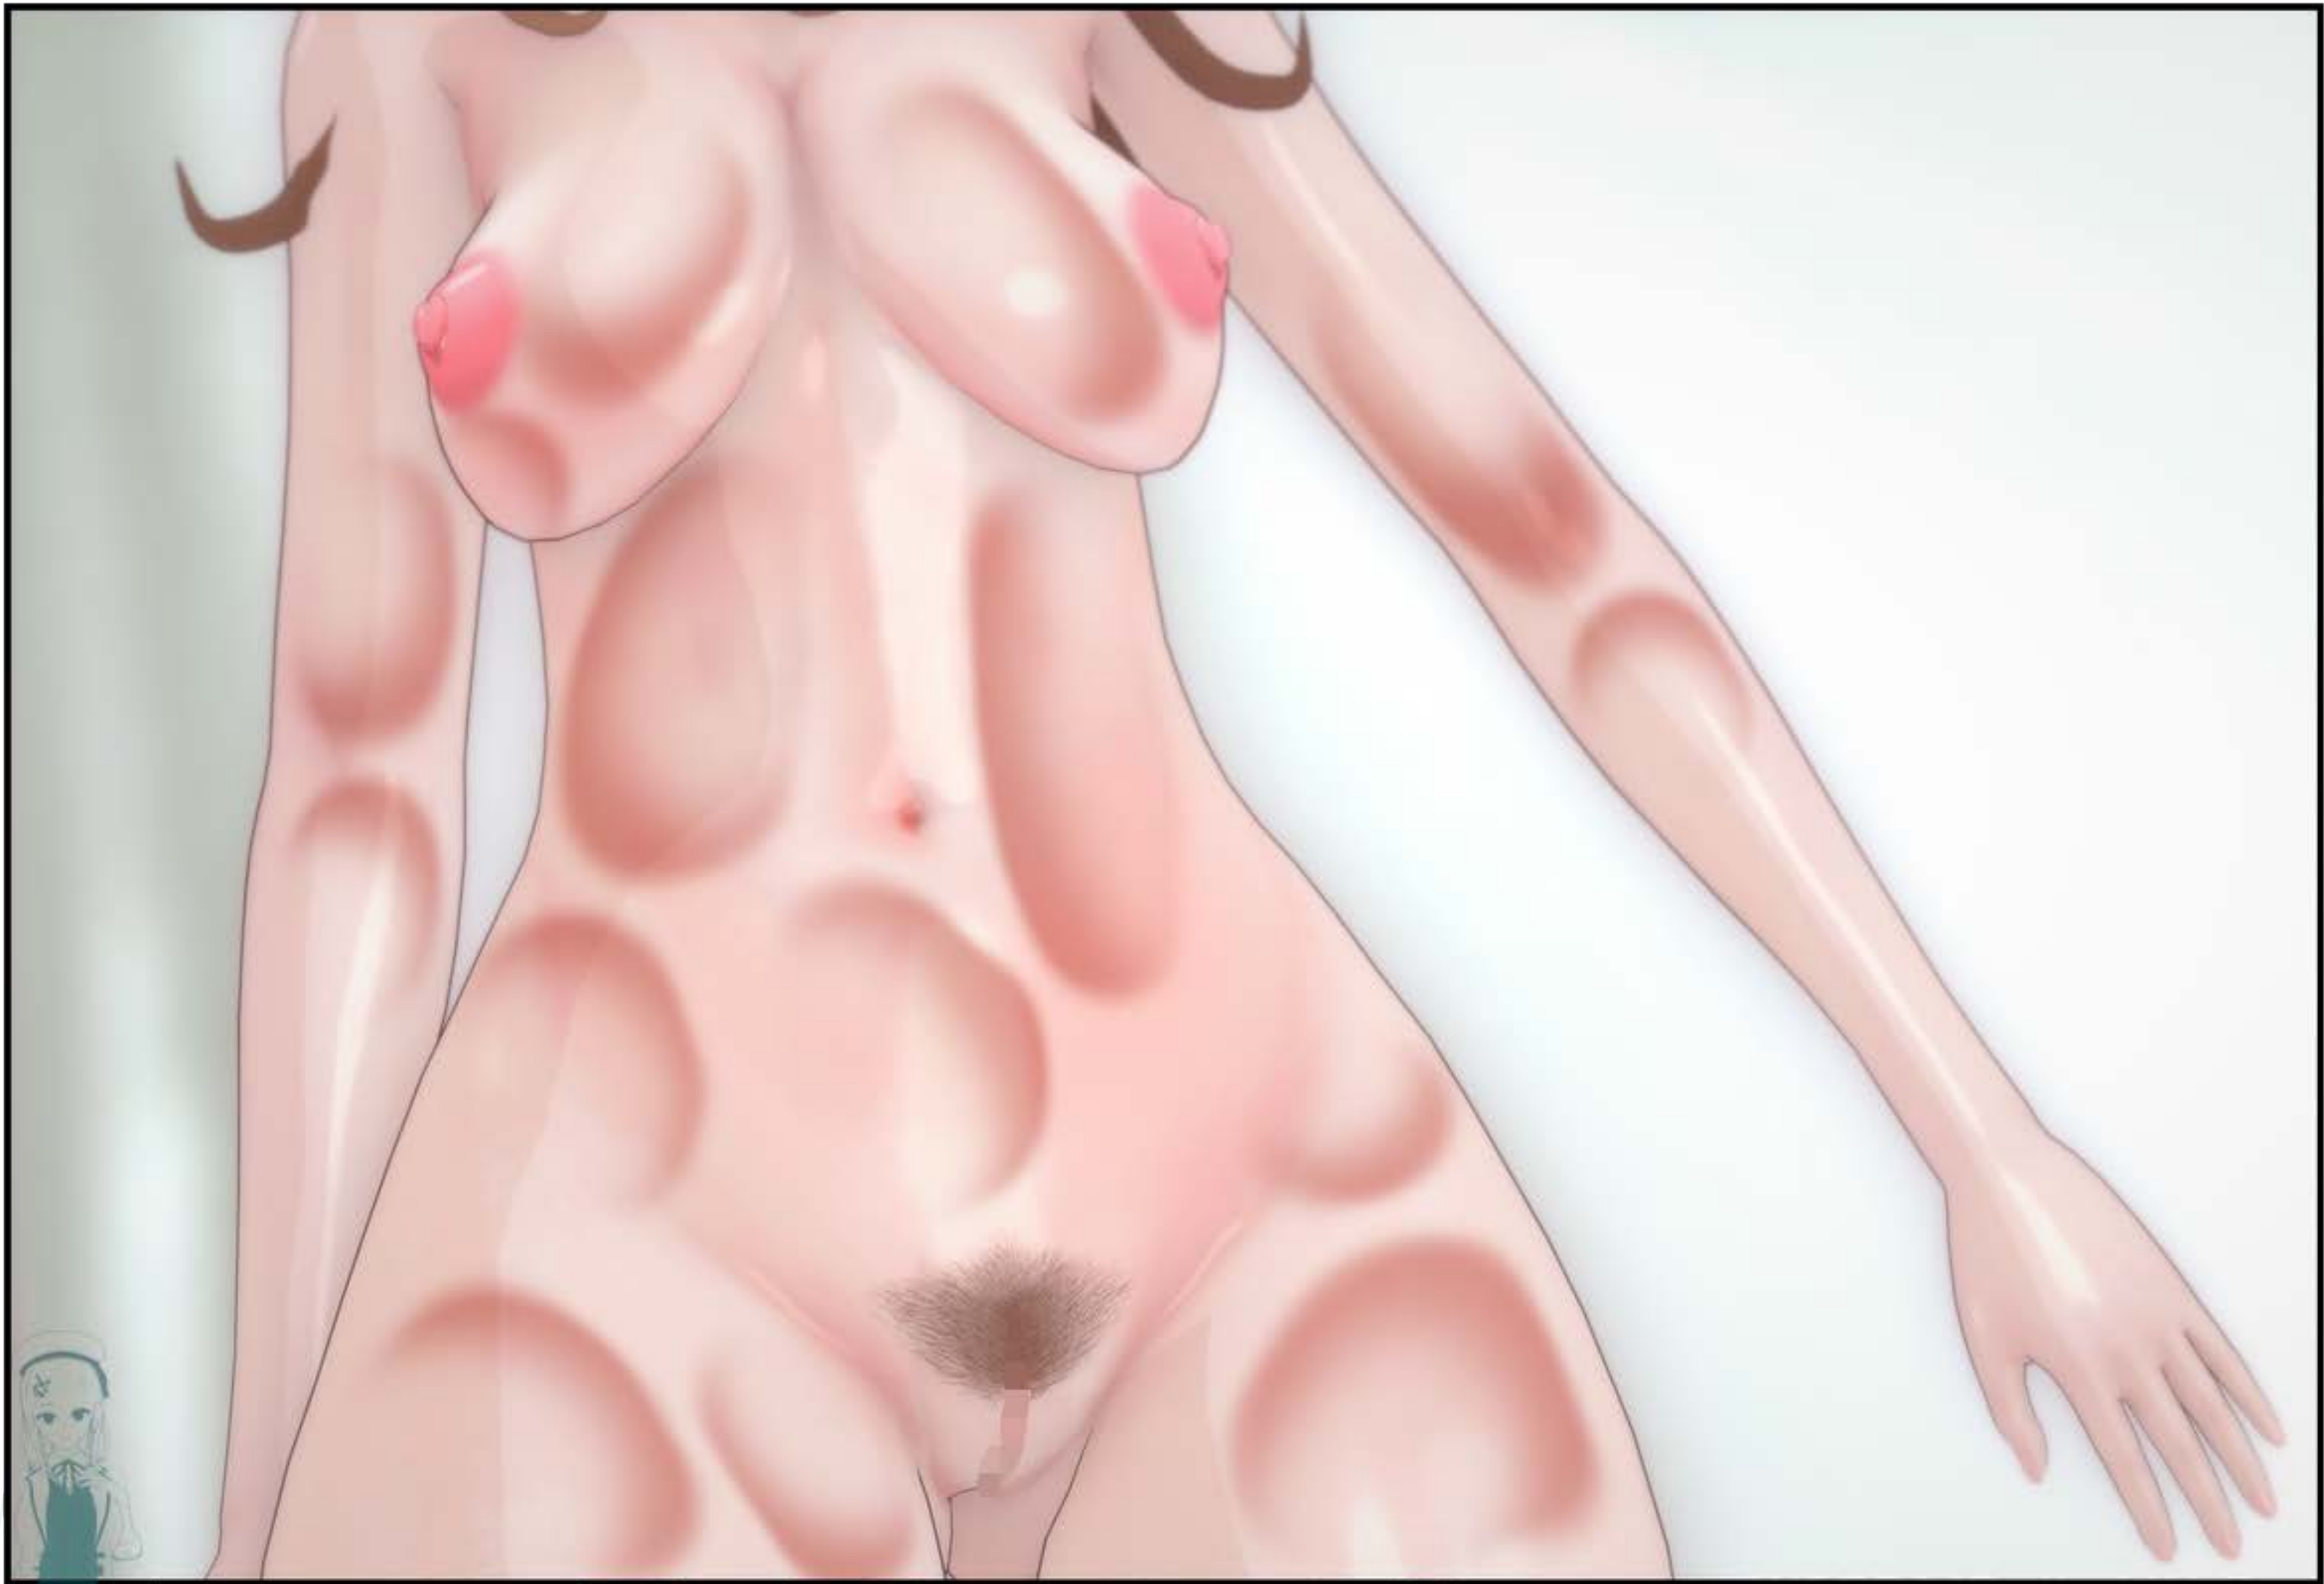

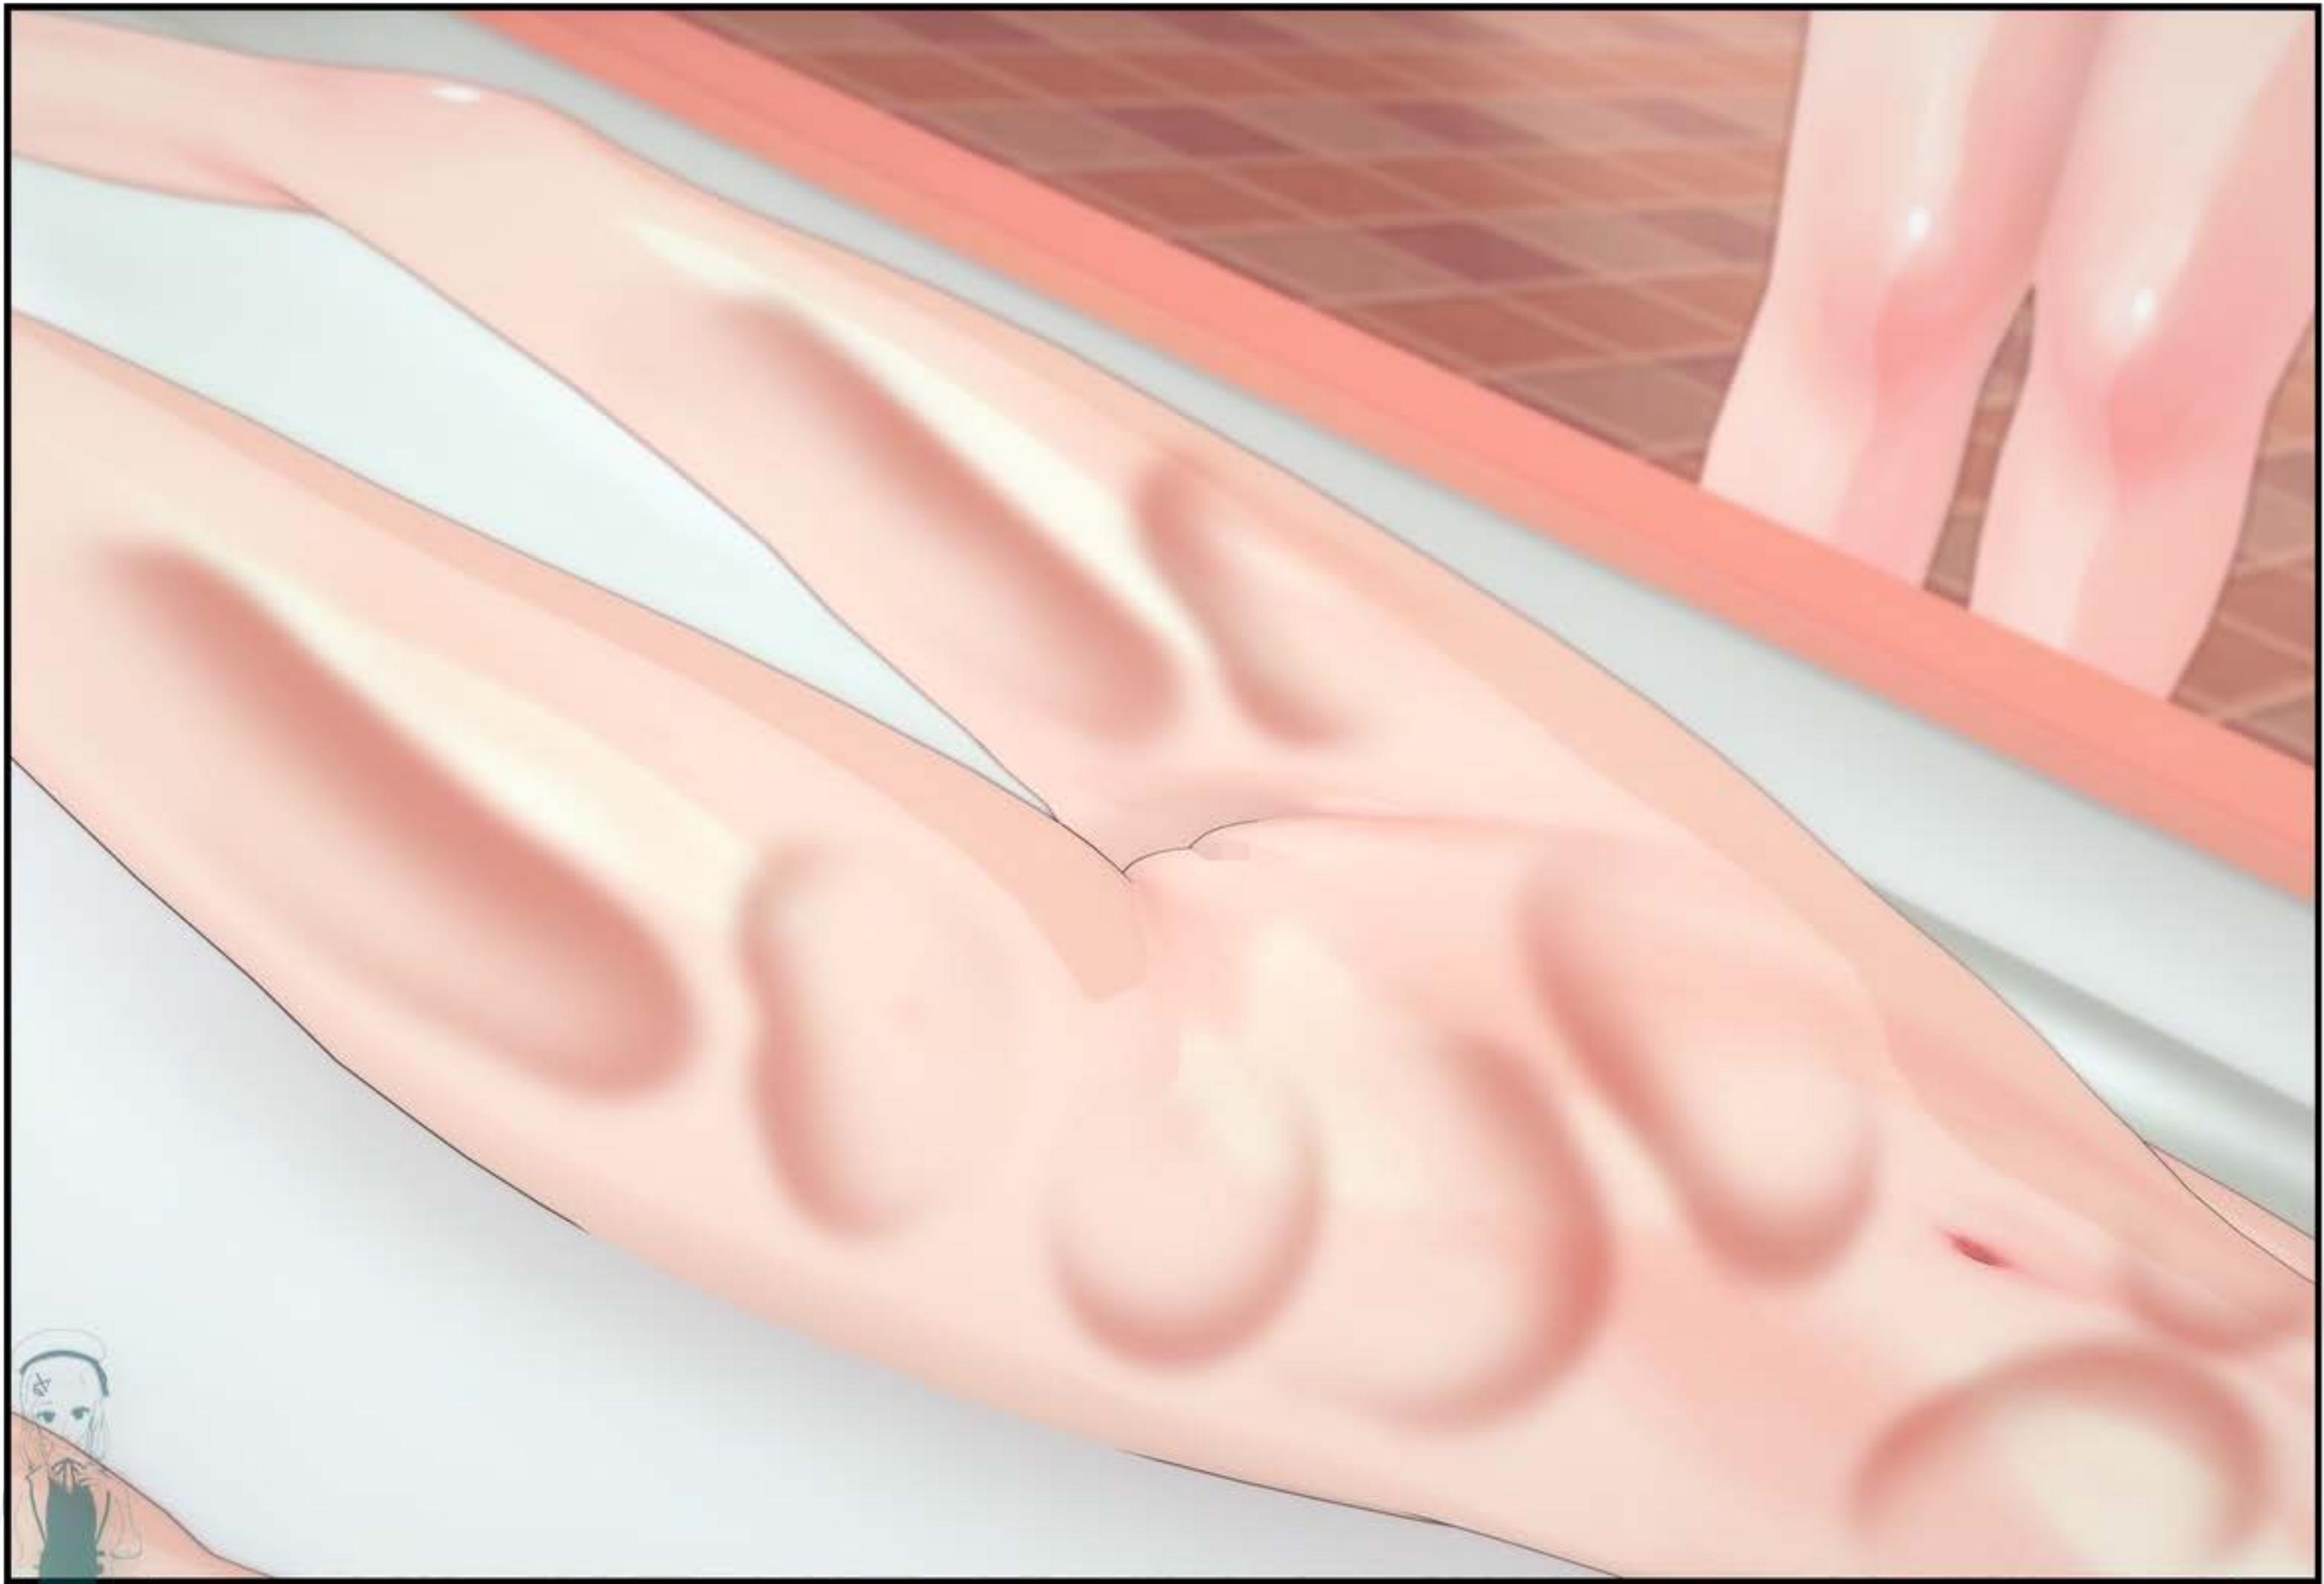

"Maybe my perception
has changed..."

Oh? I see who
you like...

To be continued?

Well, to make thing
more interesting...
