Chapter 4

We both fell asleep in each other's arms, and I awoke to the smell of bacon in the air. The smell roused me from the bed, I was still naked. I sat up on the bed and was shocked that my stomach was still so bloated, it rested in my lap, it had gone down considerably but it was clear that my belly was still tightly packed with yesterday's cake. I searched for my clothes, but I wasn't able to find them. I walked through her humble abode towards the sound of frying meat, and I peered around the corner, a bit shy at my nakedness. It was quickly replaced with arousal as Megumi was naked in the kitchen, except for an apron. Her body looked amazing, the muscles on her body were so defined by the lack of body fat, I couldn't help but stare at her bulging breasts though. Aprons generally don't show a lot of cleavage but based on her size, it was almost as effective as a corset.

"You don't have to hide yourself there, I generally operate a no clothes rule in this place." She giggled and turned to me in the doorway.

"I can see that..." I said with a stammer.

"Come on, not like I've not seen you naked."

I timidly walked around the corner, my member fully erect and pressing against the underside of my still distended stomach. Megumi noticed because her eyes lit up. She took the bacon off the hob and fiddled with the knot on the back of her apron before letting it fall down her body in a dramatic reveal.

Standing in the buff, it was like I was witnessing a goddess in the flesh. Her boobs were so big considering her build and how lacking in body fat she was, they were perky and sat proudly on her muscular chest. She wasted no more time and she swiftly glided over to me. Her firm body pressing into my softer one. Megumi's hand reached down to my stomach and gave it a little sympathetic rub.

“Looks like I might've stuffed you a bit much yesterday, huh?” She said, testing the waters.

“I... I've never done anything like that before...” My cheeks started to burn. “But... Yeah, maybe a bit much.” I pouted.

“It's Okay, it just felt natural.” She partially lied. “I won't do it again; I don't know what came over me.”

“As long as I get back to the gym today, I'll be fine. Don't want this to stick around.” I said, prodding my stomach.

I could see the look of sorrow in her eyes for a fleeting moment. She turned and quickly plated up the bacon sandwiches and turned back to me standing in the doorway.

“Here, you must be hungry.” She said sweetly.

I guess I am hungry... Bacon is full of protein anyway...

I took a bite, and my eyes went wide. This was the best bacon sandwich I had ever bitten into. Megumi could see the look in my eye, and she smirked, placing a stack of them next to us on the counter. She leaned in and took a bite of the sandwich in my hand before she nudged my hand towards my mouth again. I took another bite and another. It wasn't long before the first half of a sandwich had disappeared down my throat, being so close to me Megumi looked down at me eating and I could feel her squeezing herself against me. My hard cock resting against her thigh and my gut. Megumi picked up another half and started to feed it to me.

“I hope you like my cooking...” She cooed. “Here... You have it...” She let go of the sandwich which was partially dangling out of my mouth.

I continued to eat, and I felt her start to descend down my body. Her lips pecked and nibbled at

my body on her descent, she spent more time on my stomach before she was on her knees. Kneeling before my gut, she lifted the still slightly bloated middle and felt its weight in her hands before grasping my stiff cock.

“Well, I know that you like my body at least...” She moaned and started to stroke my cock.

I went to put down the sandwich and I felt her squeeze my cock tightly and stop stroking. I looked down at Megumi and her glare could've killed me at that moment.

I guess she wants me to keep eating...

I returned the sandwich to my mouth and took a small bite out of it, the stroking resumed.

“Good boy.” She said in a husky tone. “Good boys get nice rewards.”

Her hands increased in pace for a few seconds before she rose up on her knees and thanks to her height, she was able to slot my cock between her tits. I had never titfucked anyone, it was better than I could've realised. Her boobs wrapped around my cock, I pumped between them, and she held them firmly together with her hands. Megumi's tongue started to dance around my distending gut, and I continued to eat, each bite making it push out that much further.

We remained in this state of high arousal for a few minutes, about as long as it took me to finish off the sandwiches, my belly was now blocking the view of my cock from myself, it made tit fucking harder but Megumi was in heaven, bouncing my gut off her firm tits, she pressed her face into my swollen stomach.

She paused; it was as if she knew I had finished eating somehow.

Megumi leaned back and looked at my face over the crest of my belly.

“Did... Did you finish the whole plate?” She said, her body shaking in anticipation.

I nodded. I felt awful having done so but the reaction I was having over her was very pleasurable to me.

“Such a good boy...”

With a sudden burst of energy, she stuck my member down her throat and started to deep

throat my entire length. It was made more pleasurable for her as my stomach was resting on her head now. Feeling the weight of my girth pressing on her, she couldn't resist touching herself as she sucked me off.

It took very little time before I exploded down her throat, I nearly fell over from the orgasm. Megumi sucked me clean and licked my shaft of all cum, greedily swallowing it all before standing up. Her body towering once more over mine, she couldn't resist pushing me against the fridge to my side, her leg lifting up and pressing against my belly, as if she was trying to dry hump me.

She let out a soft moan as she pressed my gut to feel its tautness. "That was a nice breakfast."
