

Darling, am I beautiful?

Wow, finally they got a great girl for me!

This guy is good. I think we got enough energy this time, honey~

Of course, this time maybe I  
can get independant from you  
for a longer time!

Now you can take me off  
and let's have some fun

OK! I'm so excited!

Can you stretch me more gently next time? It hurt!

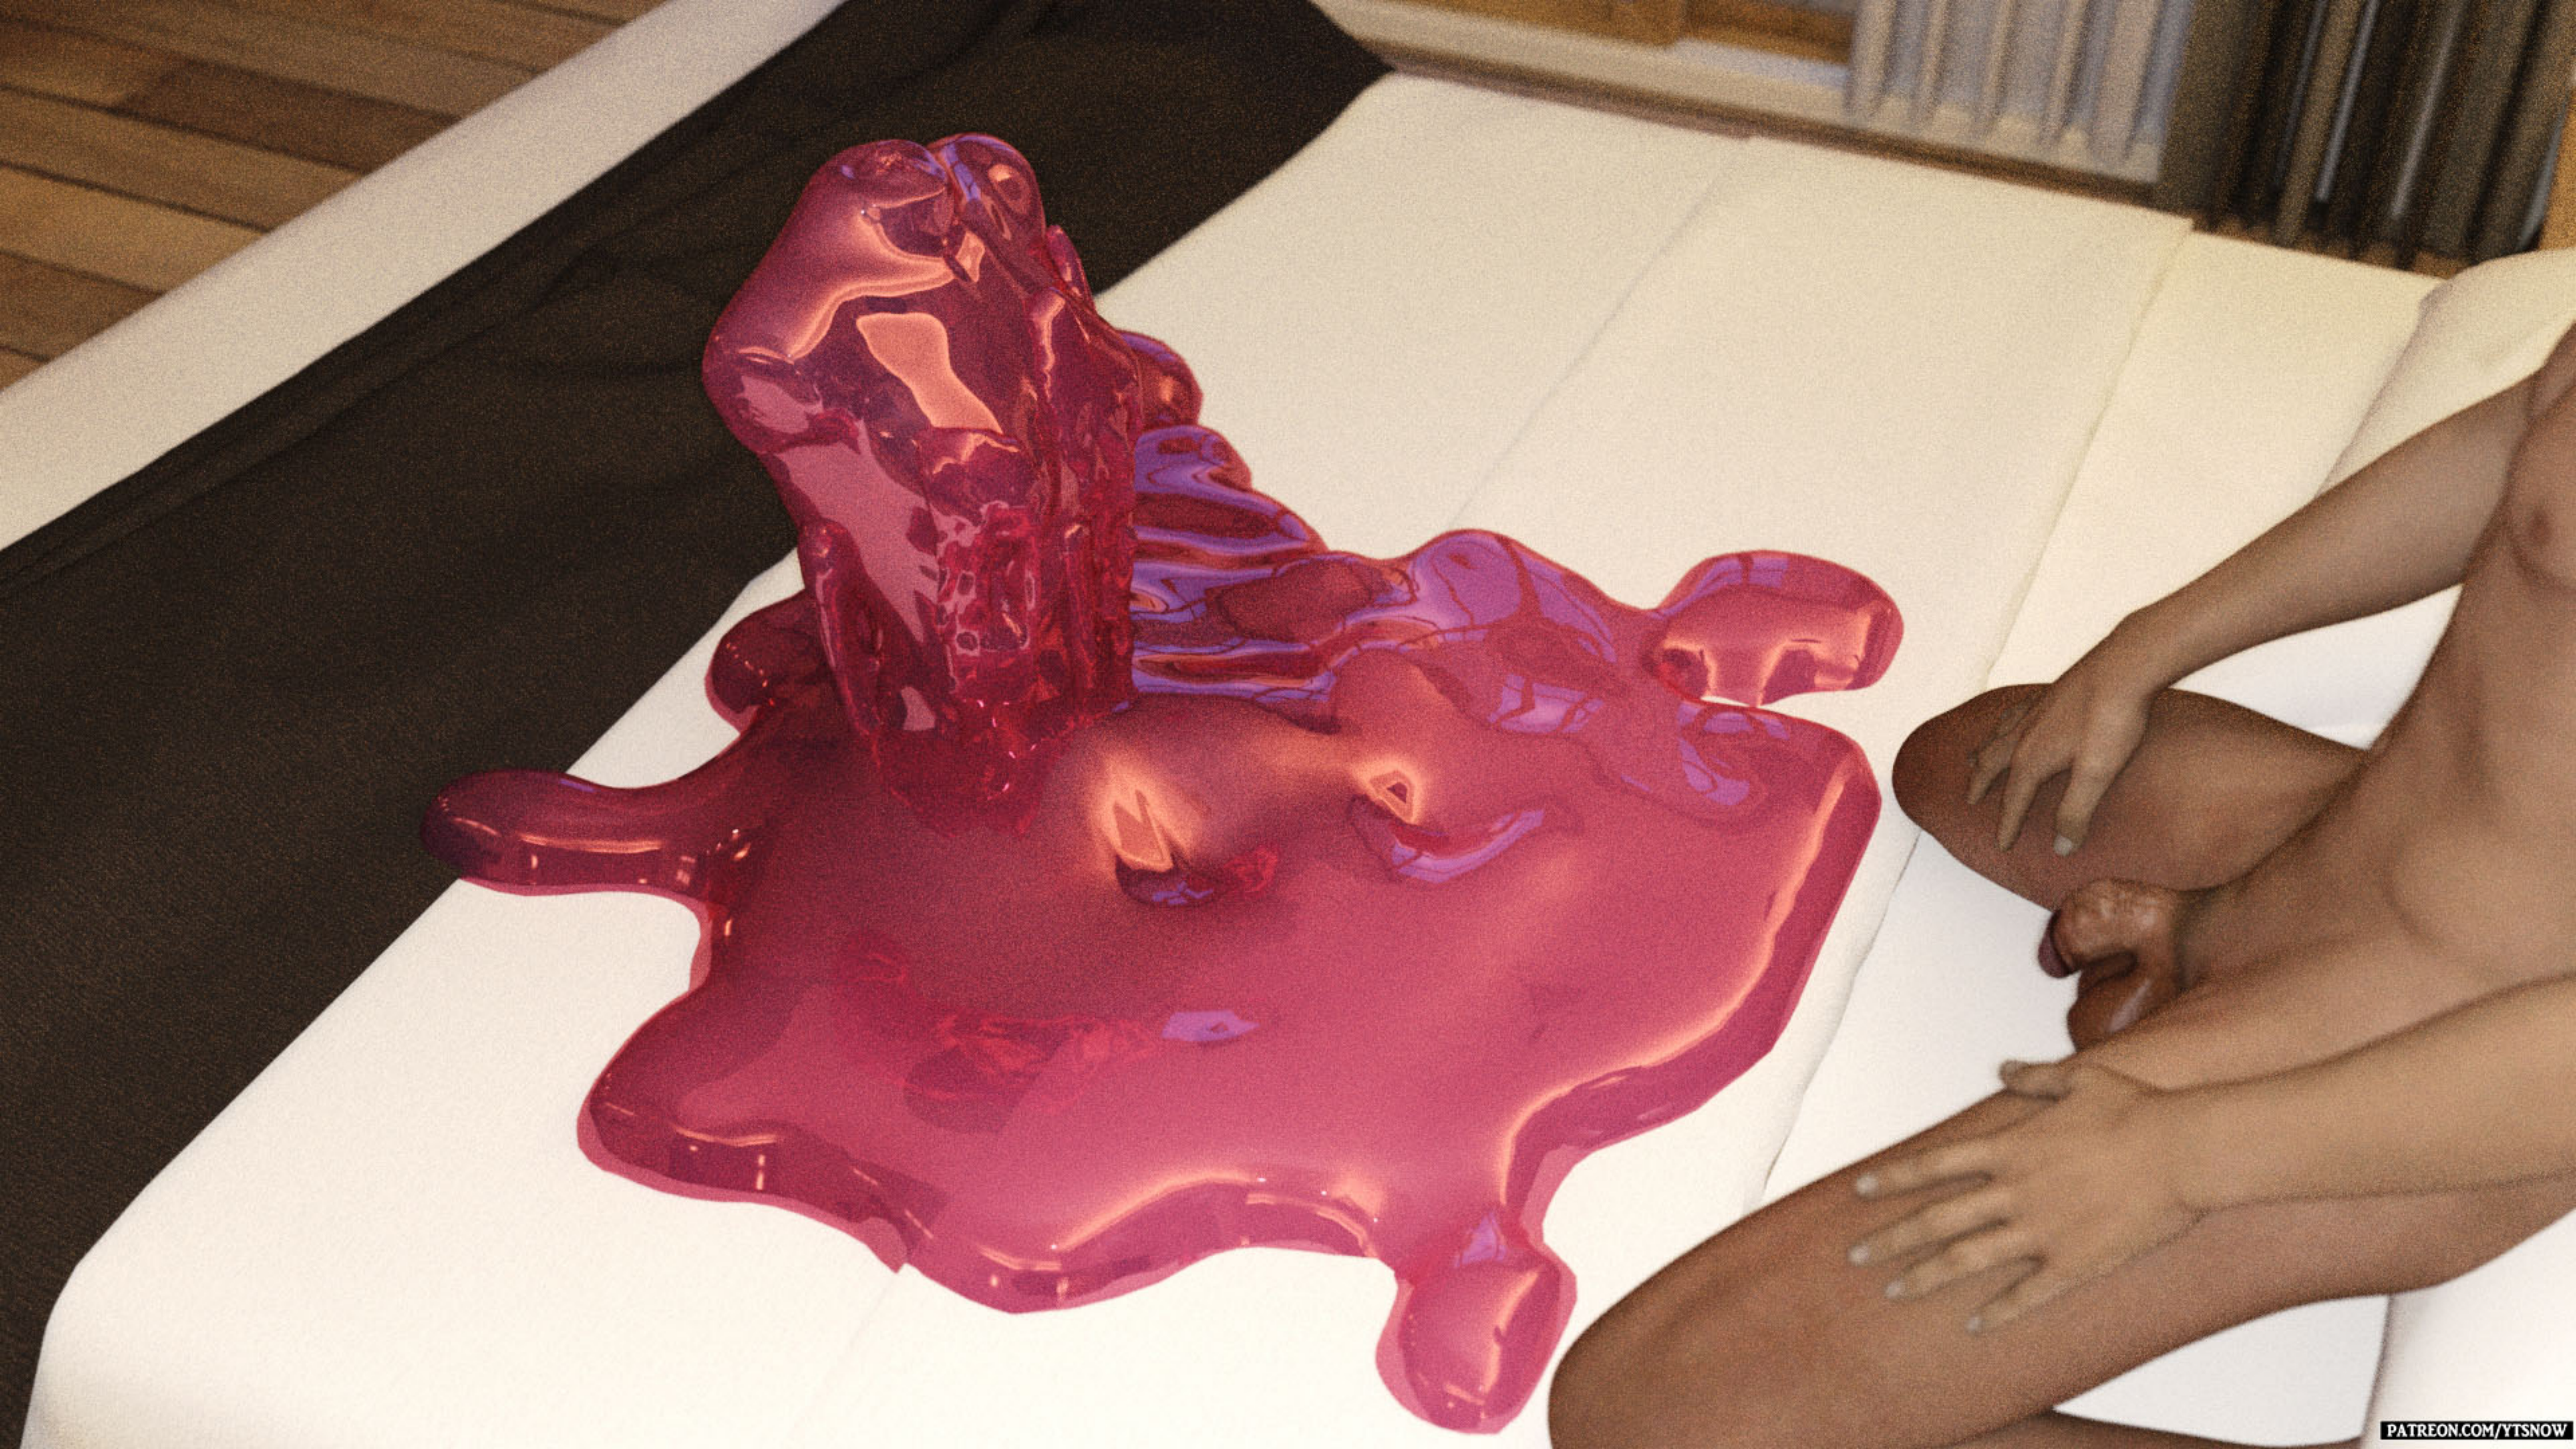

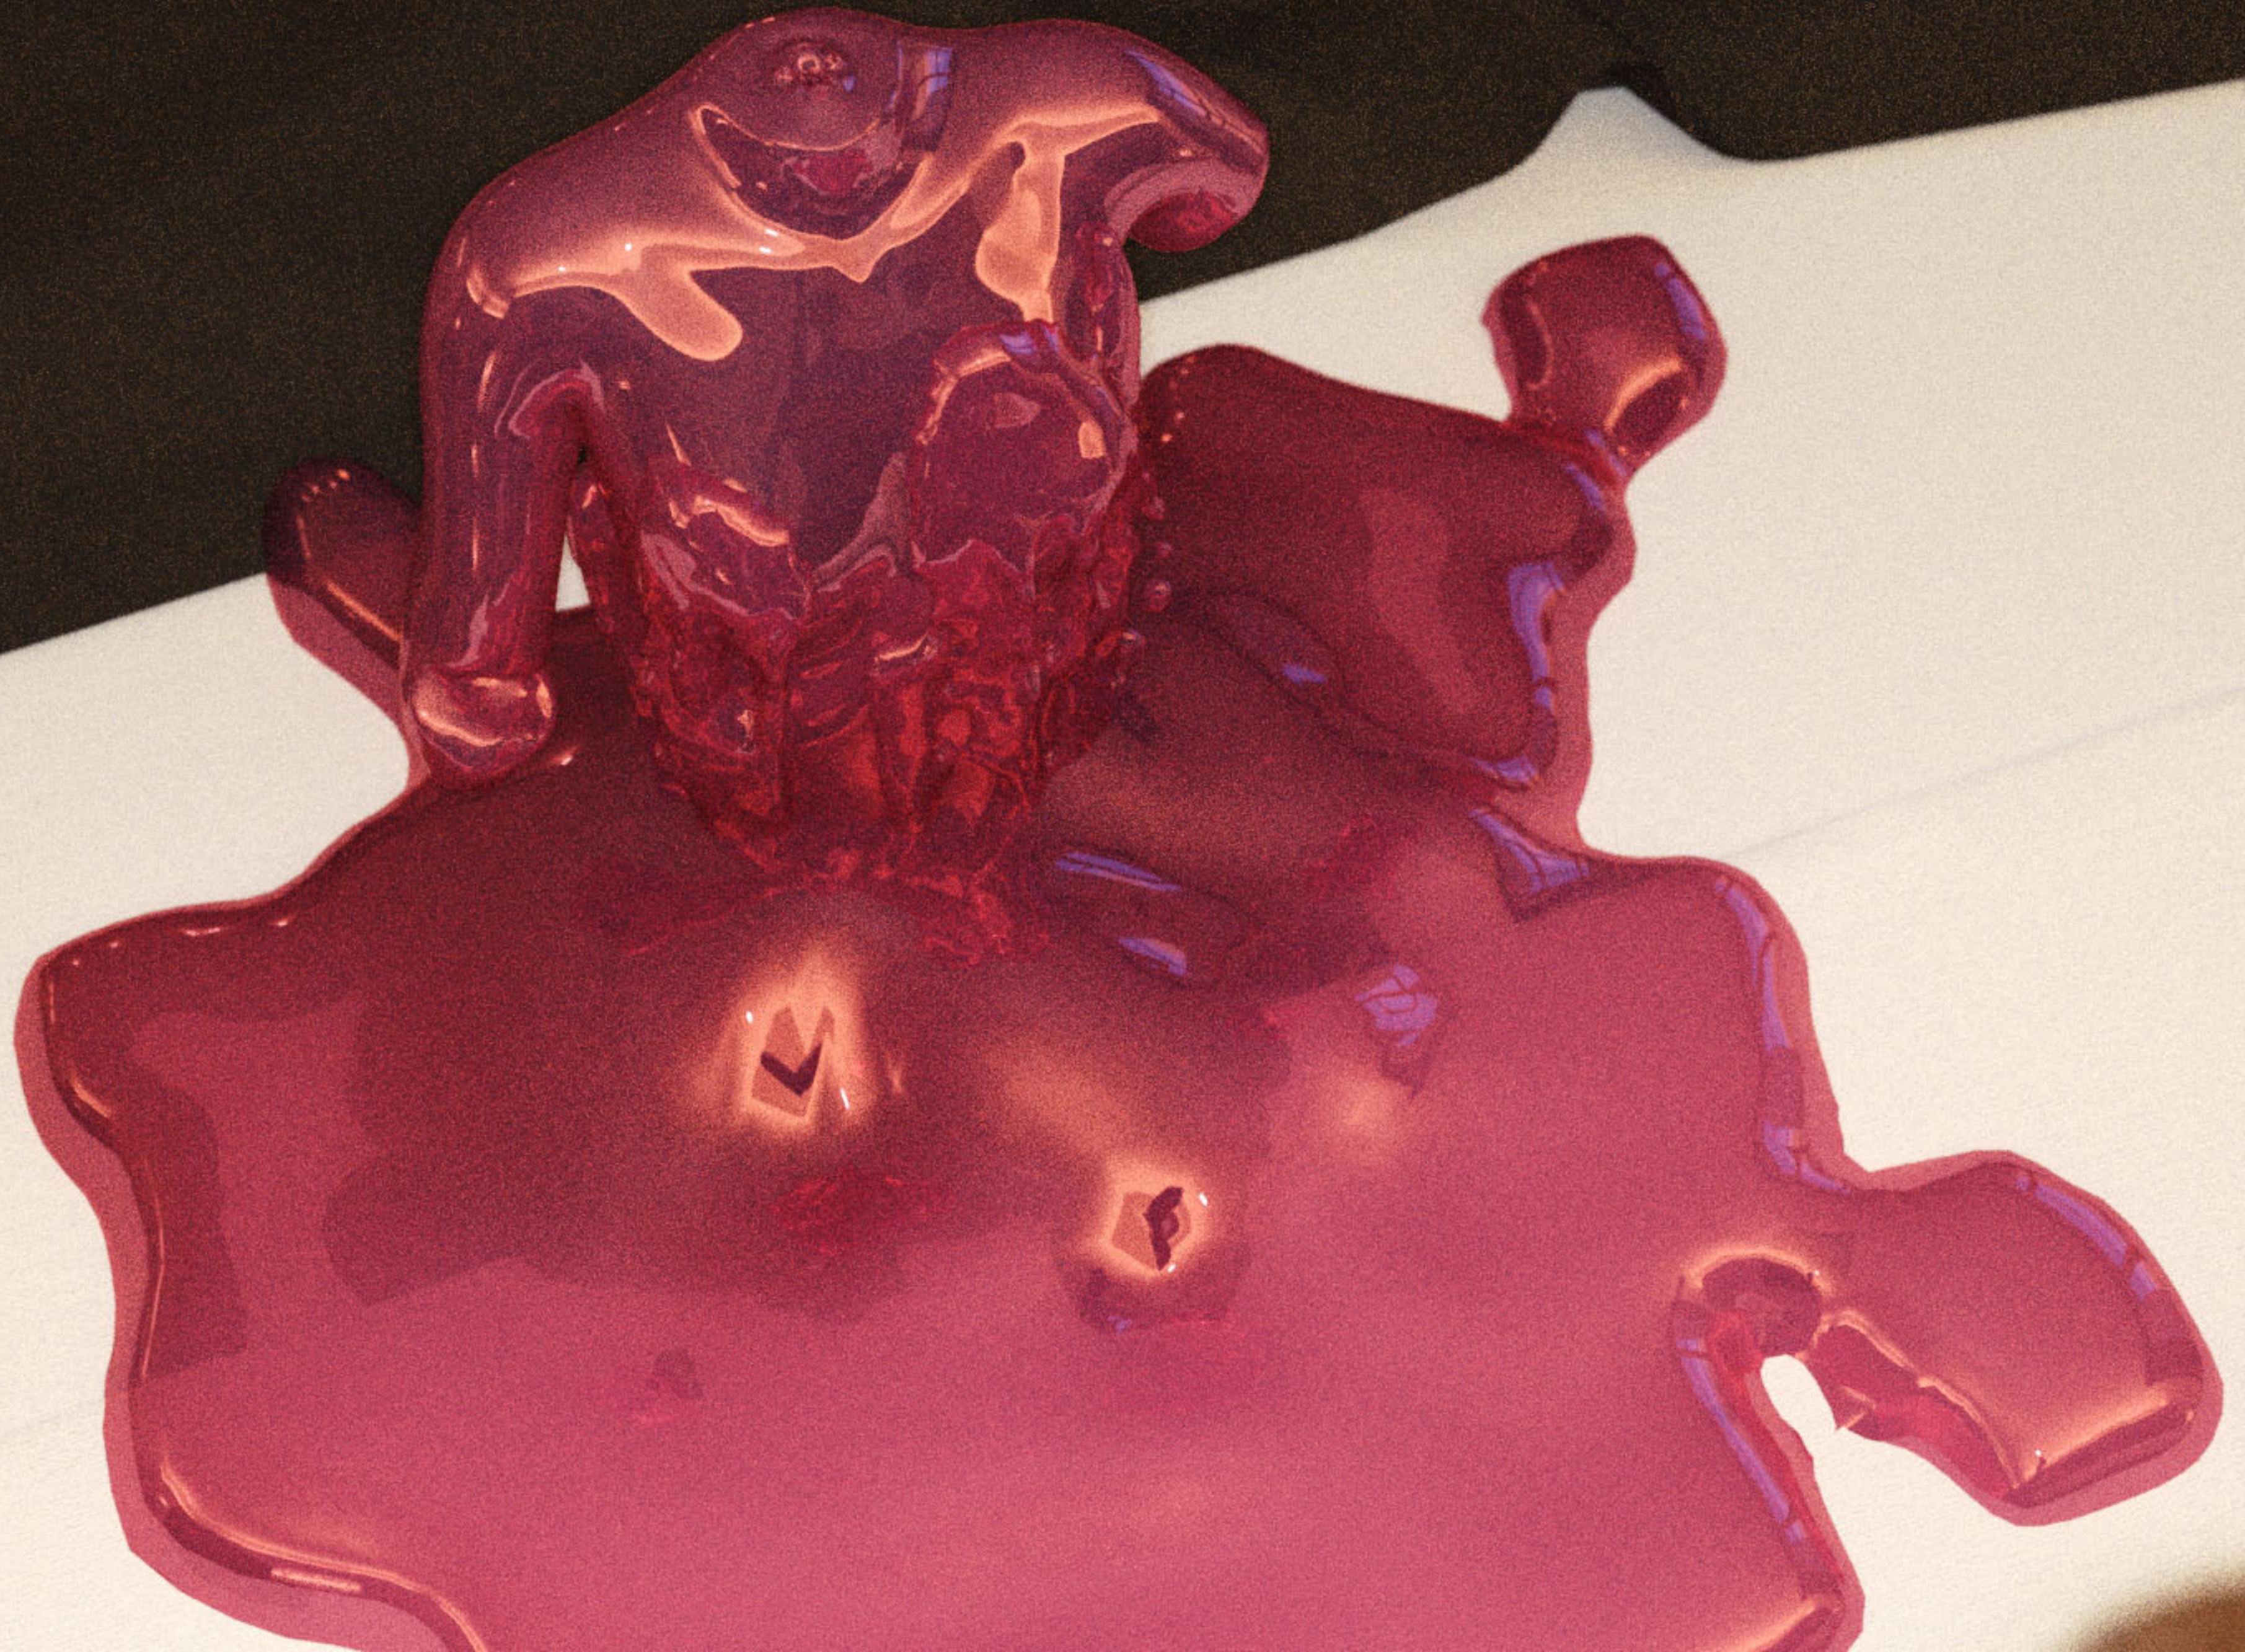

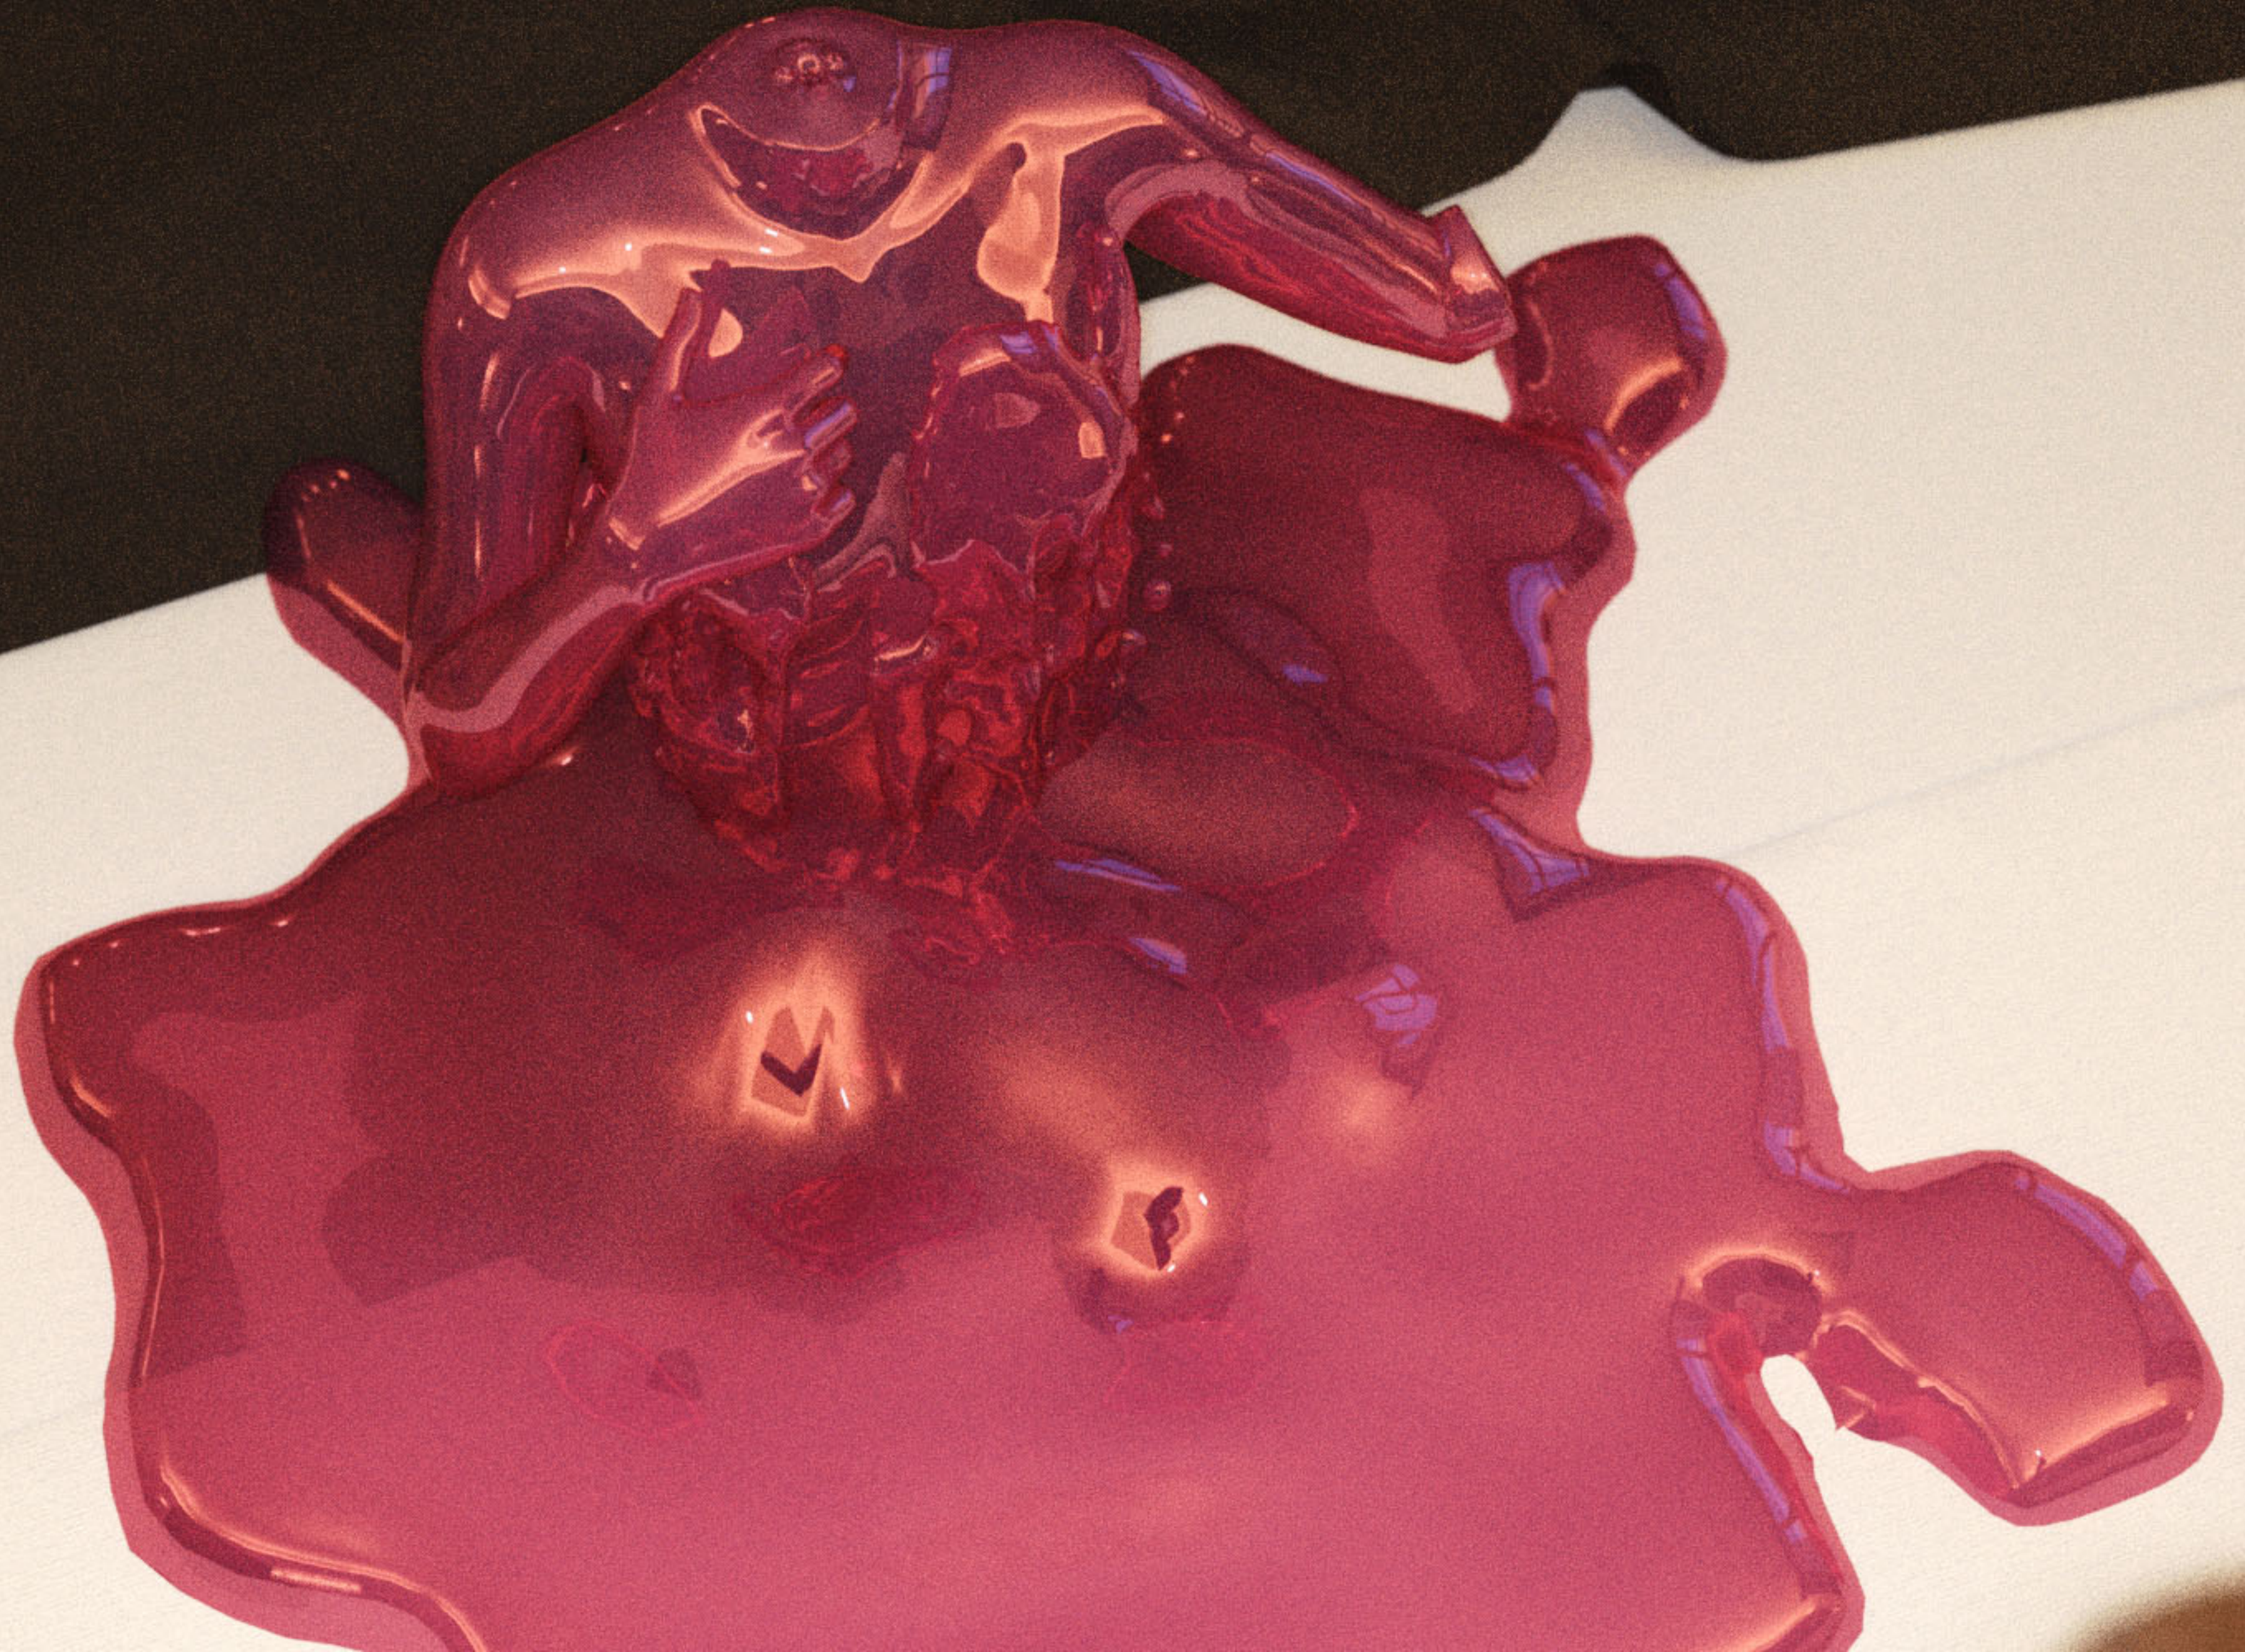

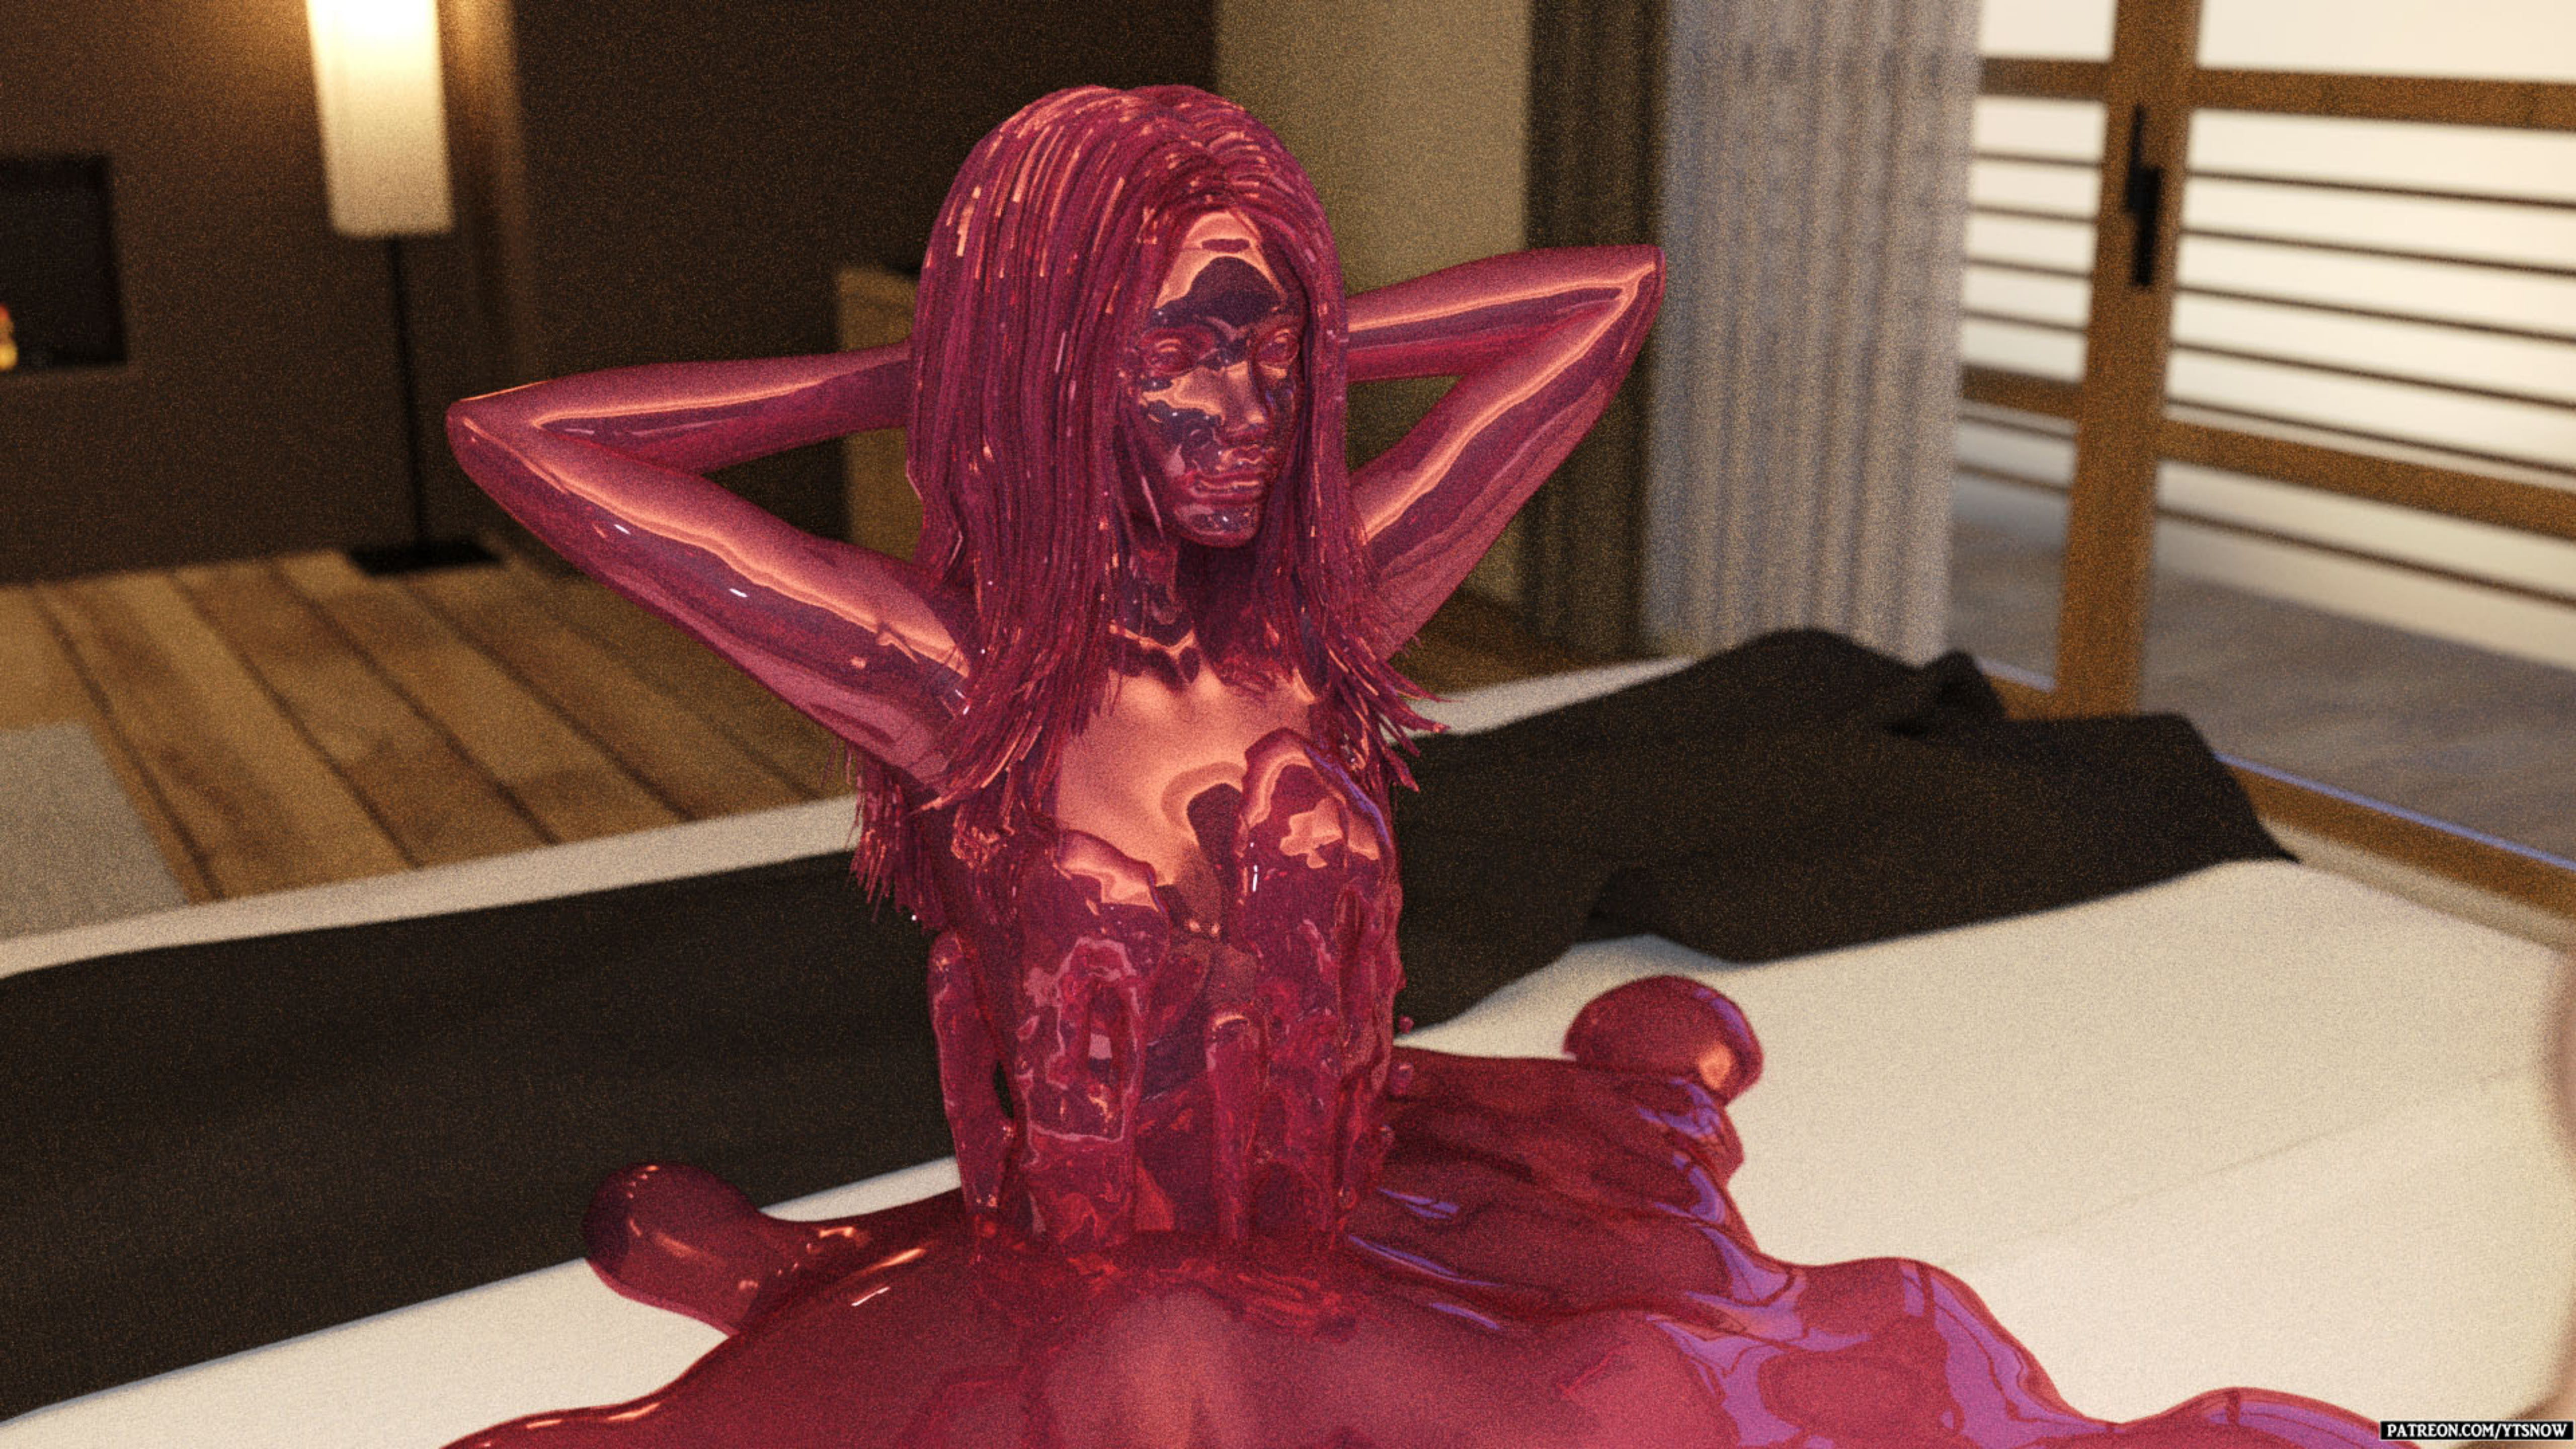

So, how do you feel about my ordinary face after being different beauties for such a long time?

So, what do you want today?

I remember you stared at a girl  
on street for seconds today.

and her face..... I remember..

Today I want a large cock.....  
Let me help you

Wow... honey, you know what I want!

Of course! You always want it...
