A 3D-rendered scene featuring two women in a domestic setting. One woman, with long brown hair and bangs, is leaning over the other. She is wearing a white bra and white underwear. The second woman is lying down, also with long brown hair, looking up at the first woman. A speech bubble is positioned between them, containing the text "Do you like it?". In the background, there is a green fern plant and a wooden chair. The lighting is soft and indoor.

Do you like it?
