

# REMATCH

Doujinshi by *TheWriteFiction*

♡ My, my... I had no idea  
Universe 7 Saiyan males  
had **three** legs... \*giggle\* ♡

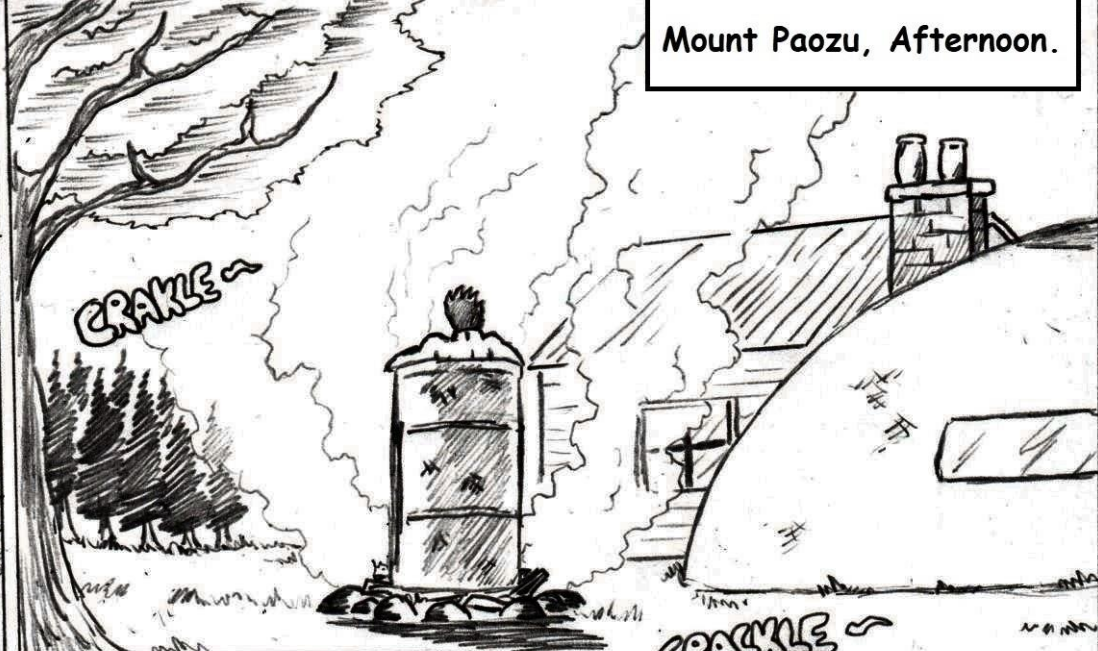

\*Sigh\* I can see why dad always loves taking baths like this.

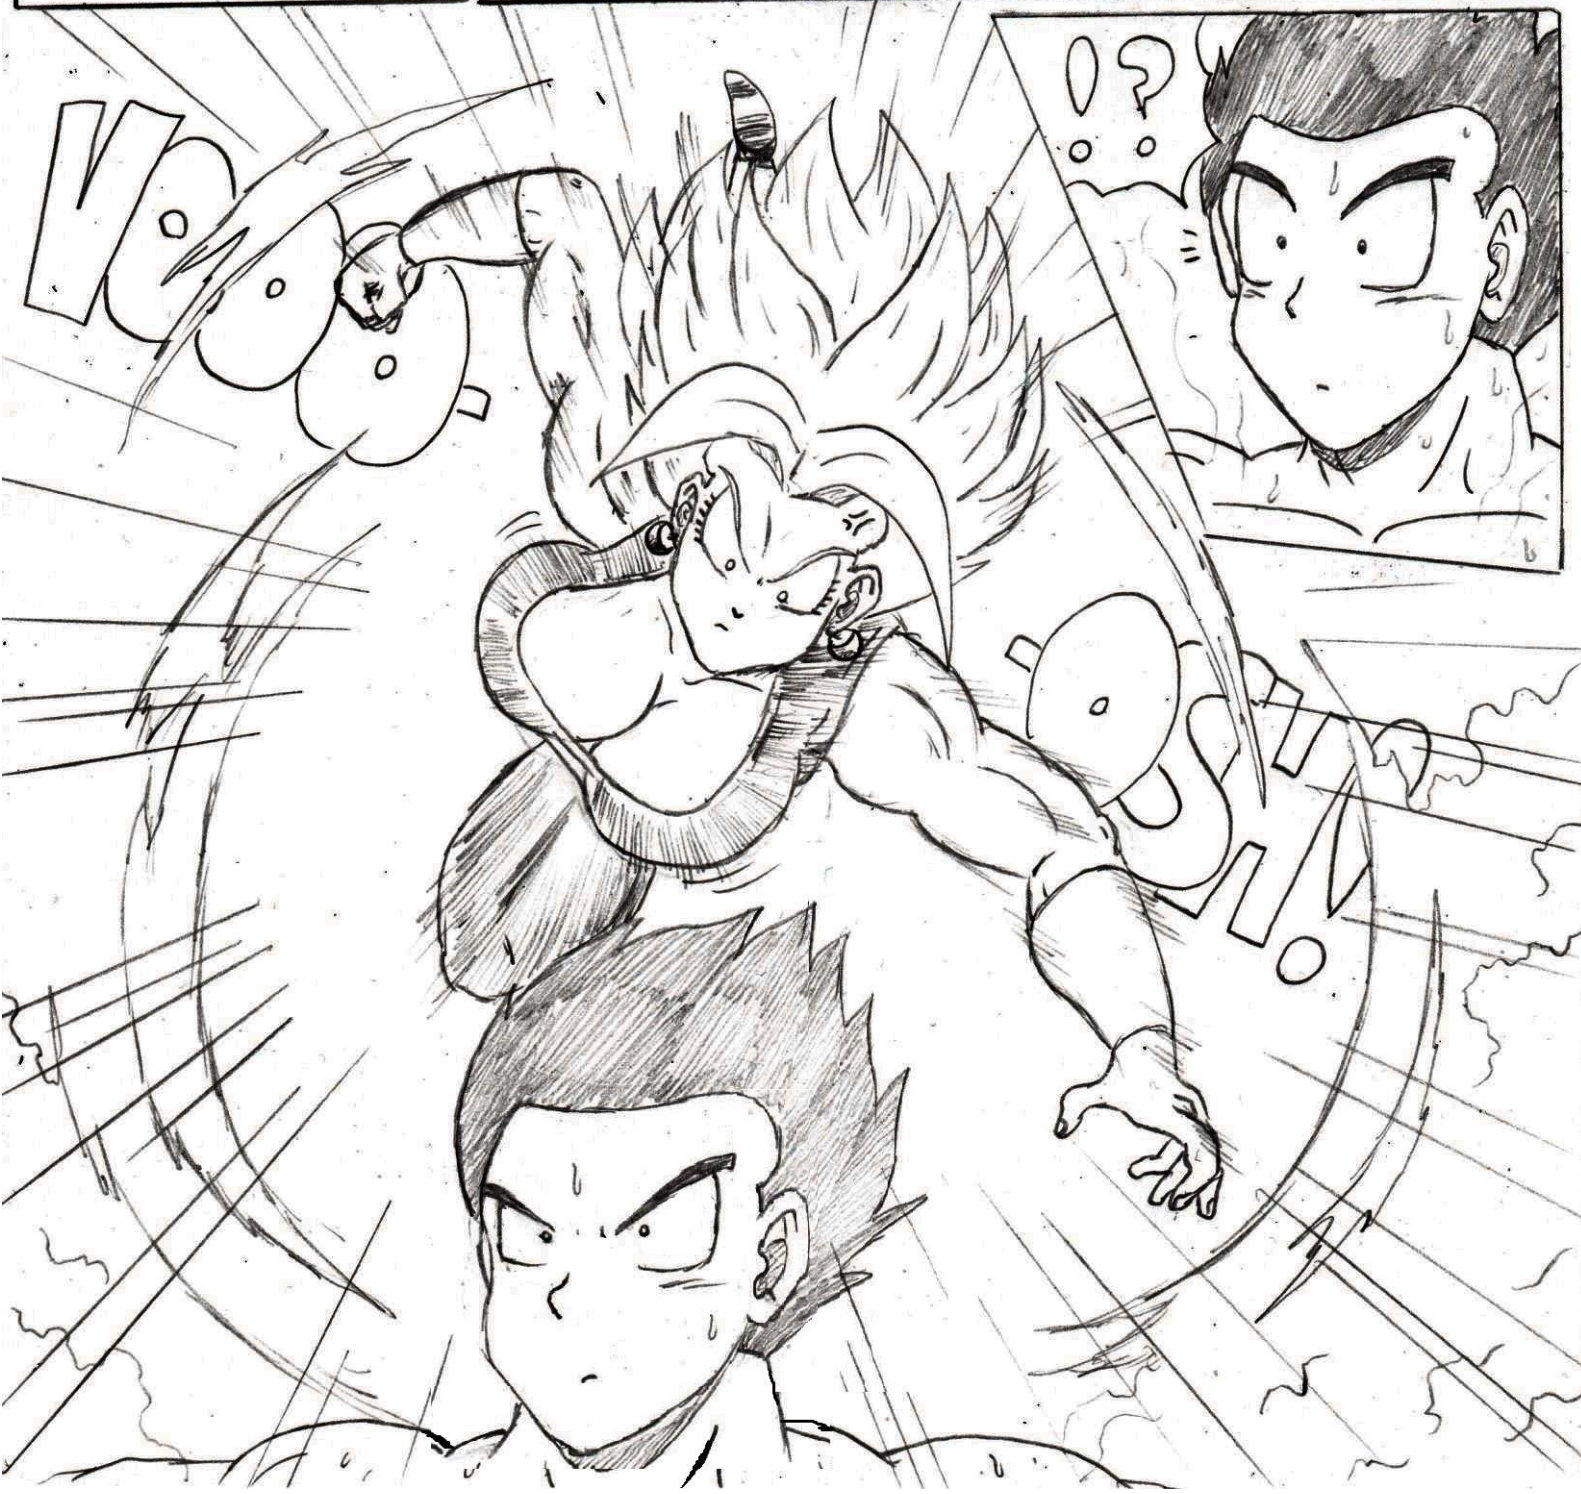

It's good to do this after a long day of desk work. I need to try this back home-

Mount Paozu, Afternoon.

After the ToP (manga timeline)

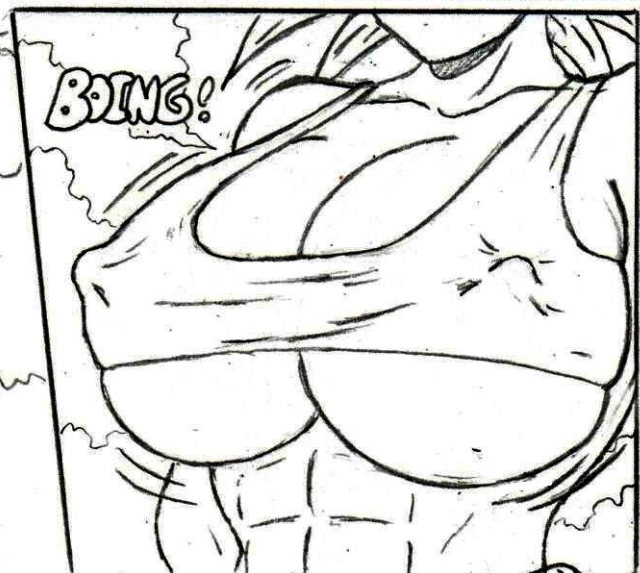

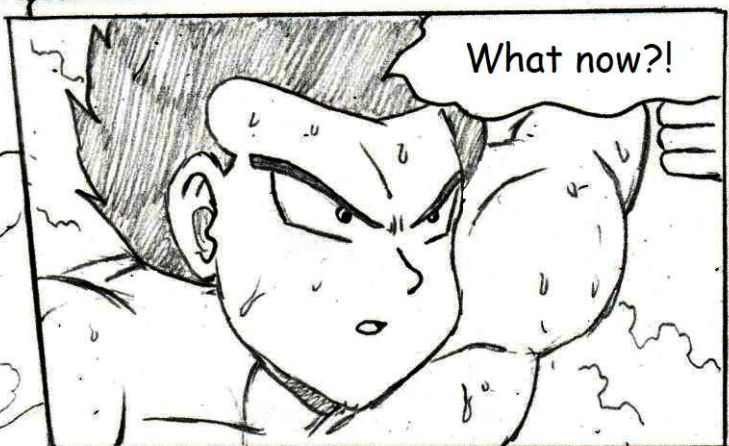

I finally found you! The incredibly strong  
half-Saiyan of Universe Seven!

You and I have some unfinished  
business to settle from the  
Tournament of Power!

I've been waiting a long time for this!

Hah! Now that's what I like to hear!

**CLENCH!**

You may be a half-breed, but you sure as hell have the soul of a Saiyan! Let's rock!

You're... those two Saiyans who fused during the tournament. Caulifa and Kale, huh? Alright... if it's a rematch you want...

**STAND!**

...it's a rematch you'll get.

...naked.

Oh, right...

Hm?

**BLUSH!**

What's wrong?

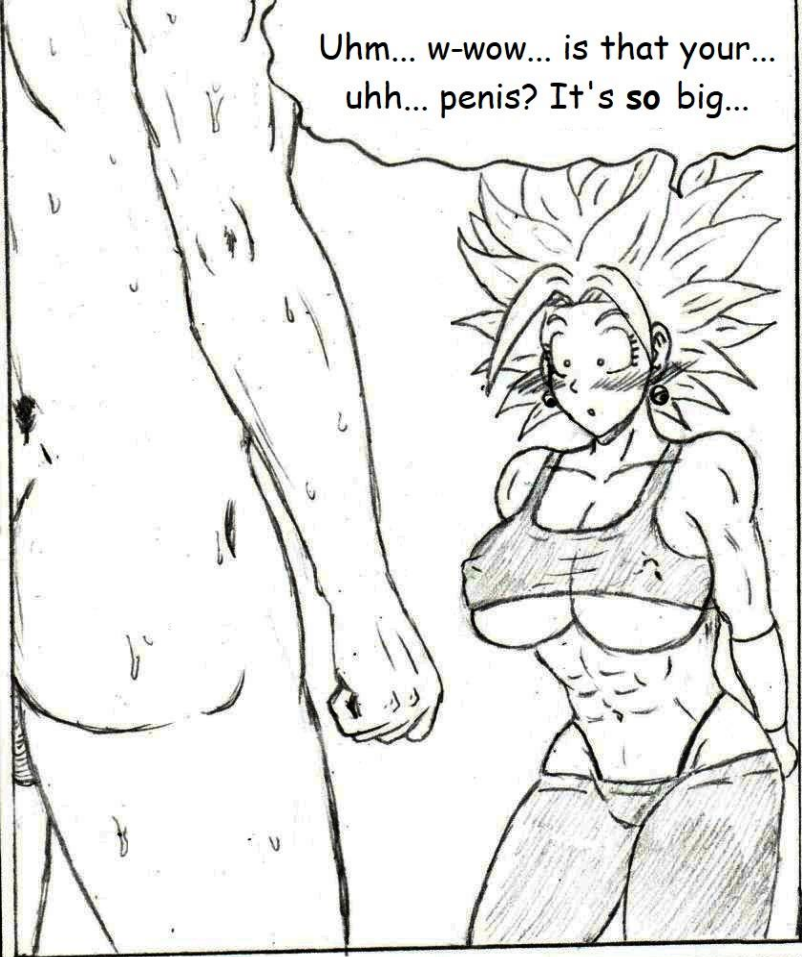

Huh?

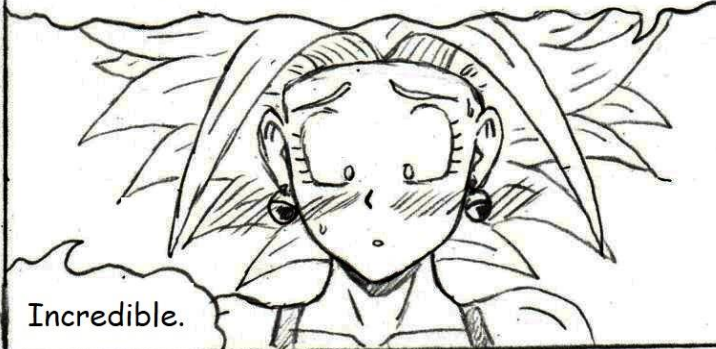

Well, you did interrupt me from my bath,  
so... yeah. Heh... apologies for this...

Uhm... w-wow... is that your...  
uhh... penis? It's so big...

This is the first time I've seen one so massive.

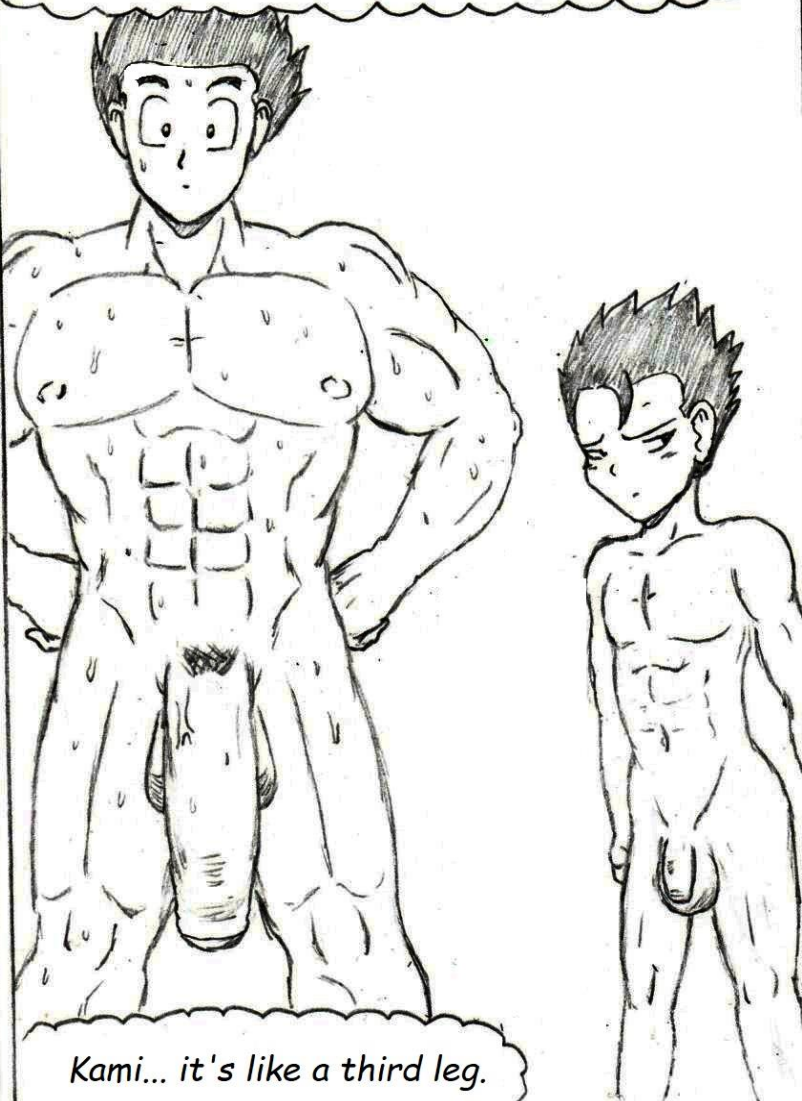

Incredible.

I wonder how a cock like his would feel...

...inside me.

Not even Cabba can compare to him. Gohan is at least  
ten... fifteen times bigger than him... maybe more...

Kami... it's like a third leg.

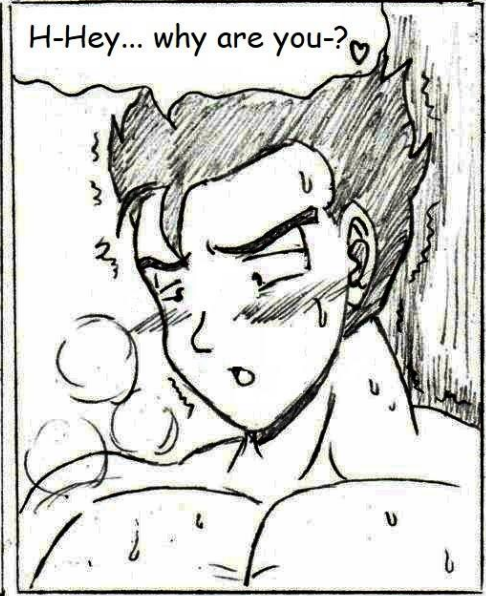

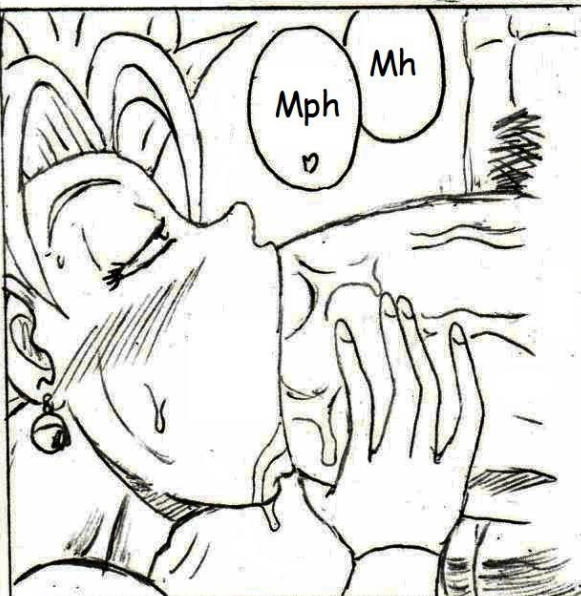

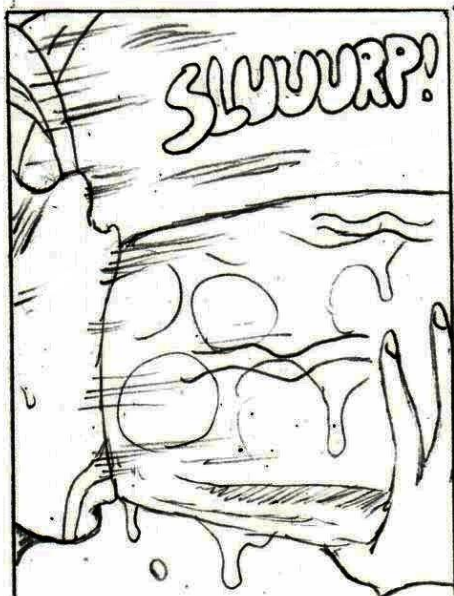

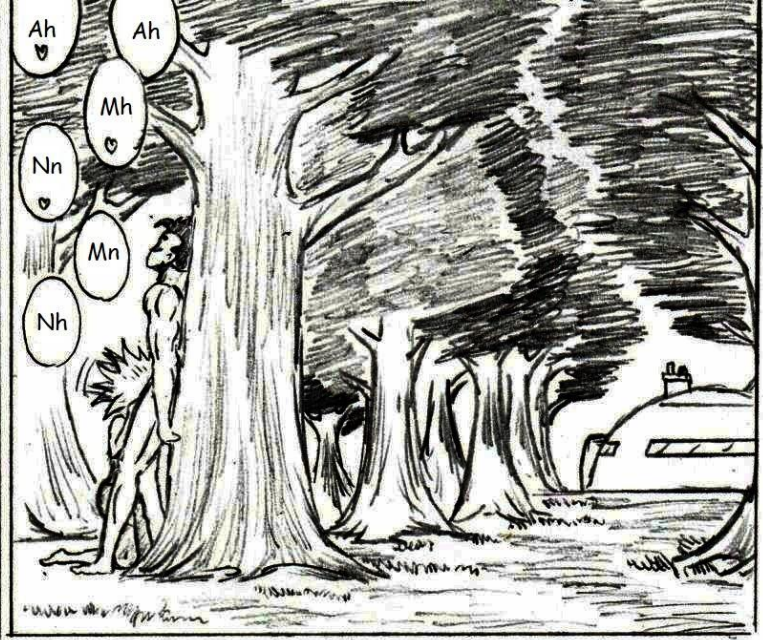

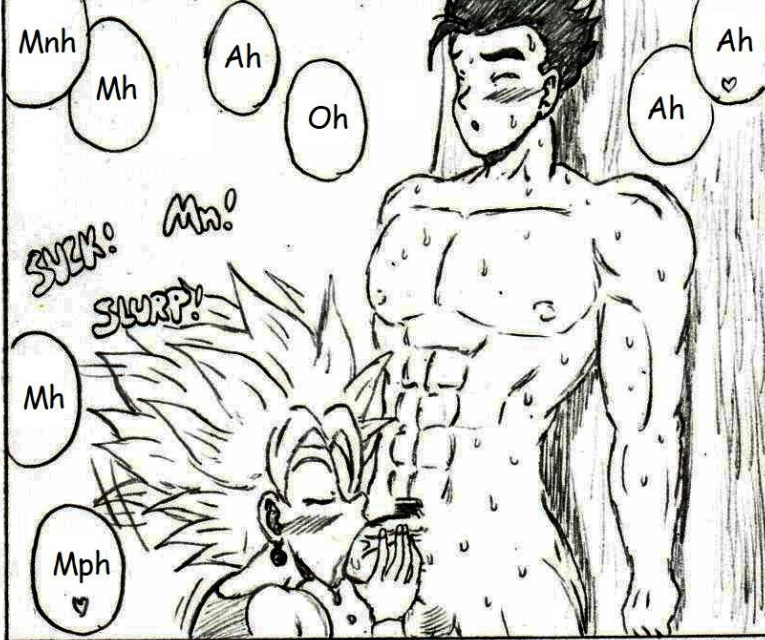

I'll go put on some clothes.  
Heh. Can't fight with all my  
bits flapping about-

STOP!

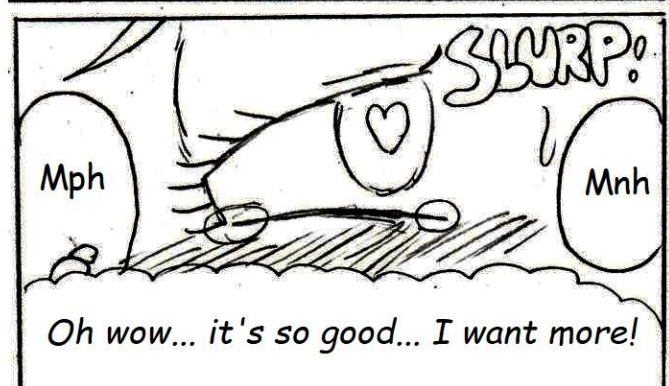

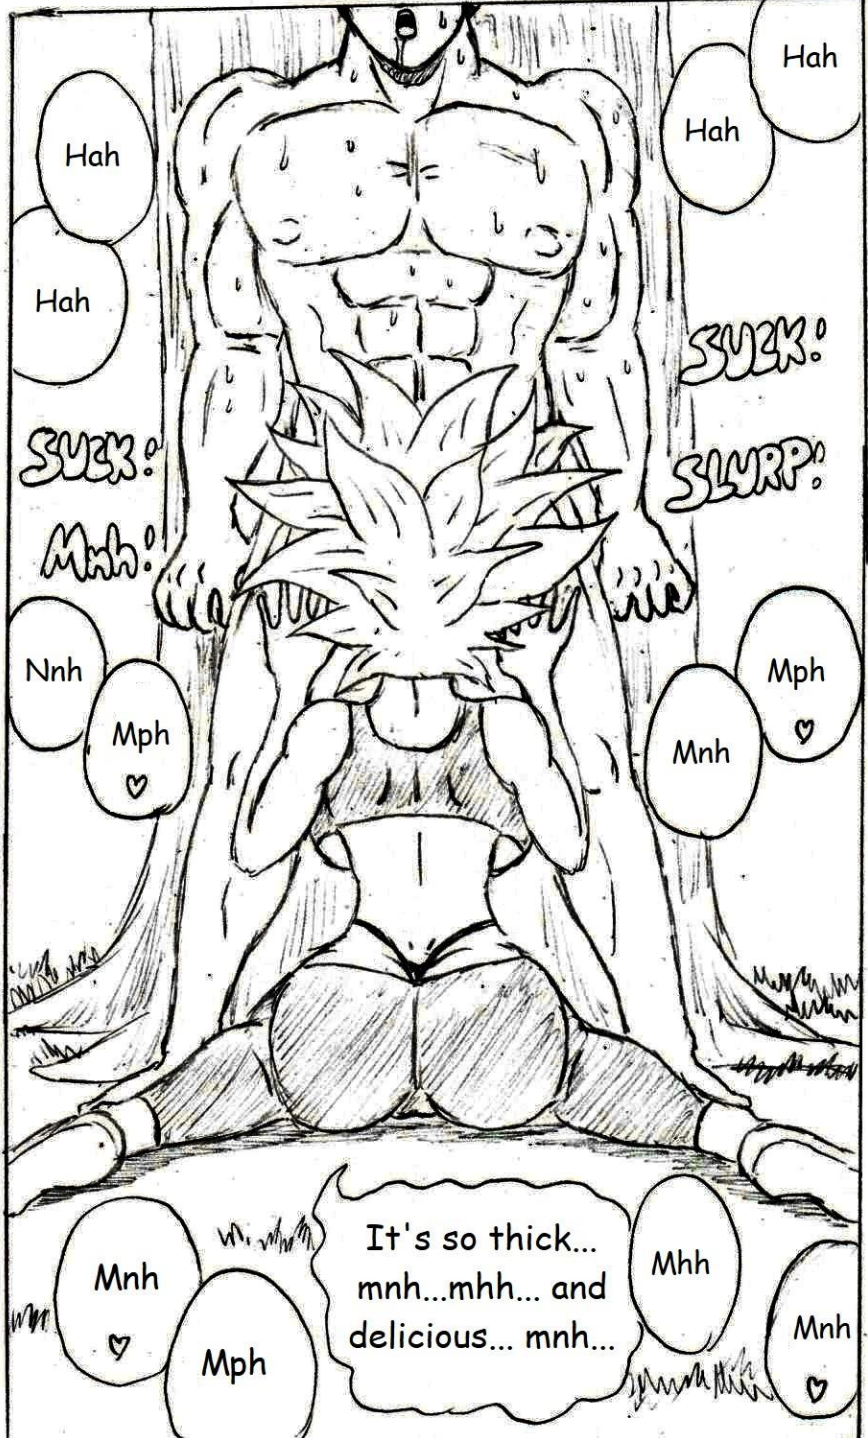

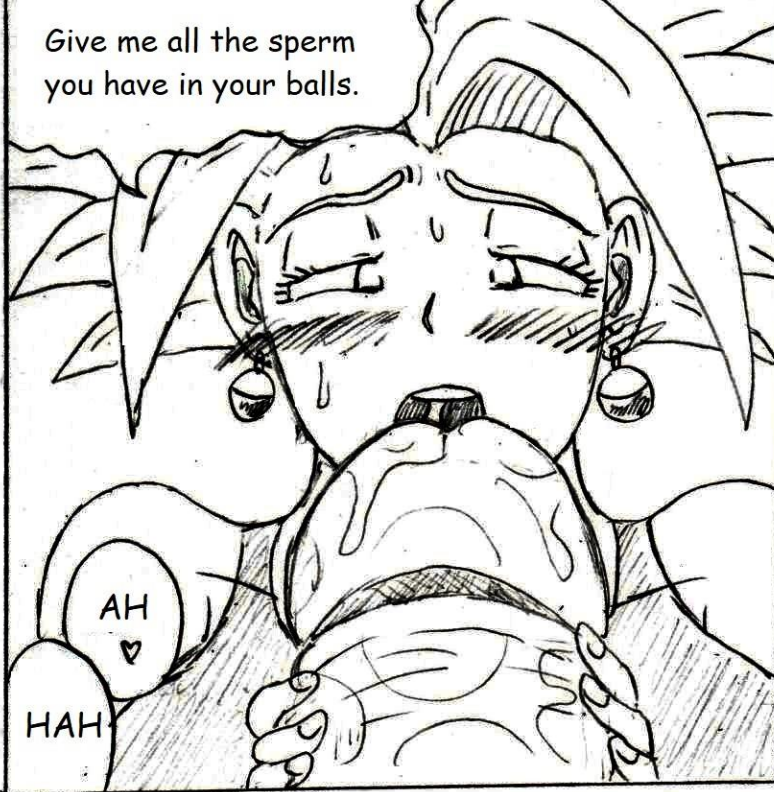

Give me all the sperm  
you have in your balls.

Please... mnh...

Ahh... I want it.
