## A Good Morning with Fatgum

The audio begins with soft room ambience with quiet birdsong mixed in. There's the sound of a door opening carefully, footsteps moving quietly towards the listener. There's the sound of trays being put down gently and then of the blankets and mattress shifting as Fatgum settles on it.

This is followed by a few moments of gentle hair petting sounds for a few moments.

**(softly)** Hey there honey...good morning~ **(A fond chuckle)** You were sleepin' so good it sort of broke my heart to wake you up but...I wanted to let ya know I made us both some breakfast!

**(a pause)**

**(proud huff)** Mhm~ Made your favorite of course. I don't get many days off, so I wanted to make sure I made this one *count*. Can you sit up for me?

**(A pause and a slight shuffle)**

Heh, it's okay! Take your time and wake up, baby. Mm.. There we go, now let me just tuck these pillows around your back. **(A slight shuffle as he moves the pillows into place)** How's that?

**(A pause)**

Wonderful~ Nooow, without further ado...**(A shuffle as he picks up one tray and places it over their lap)** Ta-daaaa~ Breakfast time! One tray for you...and one for me~ Now I'll just get all cozy next to you...

**(A shifting of the bed as he settles in)** Ahh..that's the stuff. **(chuckle)** I'm usually so busy.. So it's kind of strange to get back into bed rather than running off to the office y'know?

**(A pause)**

Hm? Oh trust me sugar, it's enough food, I promise. Y'see...**(pleased with himself)** I made myself my usual breakfast and ate most of it, but I wanted to have breakfast with you. So I made sure to leave just enough so that our portion sizes match. That way, we have the same amount and I don't have to try to fit a whole 5 course breakfast on my bed. **(laugh)** Sure it could probably fit, but better safe than sorry yeah?

**(A pause)**

**(preening slightly)** Well I'm glad you like the look of it. We've both been pretty busy lately, so I thought you'd like your favorite to wake up to. Here, let me pour your drink for you...**(Sounds of liquid pouring, then a small kiss)** Mwah~ Now hurry up and dig in, don't want it to get cold on ya.

**(A nom from him, a bit of quiet as he enjoys the food with a hum)**

So I was thinkin' honey, maybe this afternoon we could take a lil trip to the city, just you an' me? Do a little shopping, get some of those fancy boba drinks you like so much?

**(a pause)**

Haha, alright, alright, guilty as charged. I like 'em too. Honestly you've gotten me addicted to those things~ **(another nom)** But I mean it, just spend th' whole day

t'gether, just taking it easy and havin' fun. I wanna spoil you some...**(adoringly)** You deserve it y'know?

**(a pause)**

Aw, you're sweet, cuddling up to me. **(happy sigh)** It's nice to just relax for a bit y'know? Not that I don't love bein' a hero, but downtime's the *best*. **(fondly)** Especially when I get to spend it with you and some *really* good food haha!

**(nom, mischievously)** I'll take the dishes out when we're done but I got dessert planned too! So make sure you eat up~

**(A bit more eating noises )**

Well I'm guessin' by how you cleaned your plate that I did a pretty okay job huh? **(A pause)** Glad to hear it~ **(kiss)** Lemme get these trays out of the way and I'll be right back. You just get all comfy for me honey. We have nowhere to be so...no harm in enjoying a little comfort huh?

**(sound of him gathering stuff and mattress shifting as he gets up, footsteps walk off and the listener is left with the ambience for about a minute or so. Footsteps return.)**

And there we go, dishes in the washer and now **(playfully)** I'm back for dessert!

**(the bed shifts as he settles in)**

**(A pause)**

**(playfully)** Wondering where it is? Mm.. it's riiight here~ **(kiss)** Haha, yup that's right sugar, you're my dessert this mornin'...if that's okay of course. S'been a while is all and I...I really miss makin' you feel good.

**(adoringly)** You're always so cute with the noises you make and how you move under me...**(voice drops to a little more of a sensual tone)** Makes me crave you so much all the time.. So...what do you say?

**(He leans in close and gives a soft kiss, speaking against their lips)** Can I have a taste? I won't do anythin' without your say so sugar, you know that.

**(A pause)**

**(another kiss)** 'Please' huh? **(small chuckle)** Well when you ask me so politely, how could I dream of tellin' you no huh? **(sigh of delight)** C'mere honey, just let me...appreciate you for a minute or two. Get you all nice and comfortable on your side next to me here..

**(The sound of his hands sliding over their body)**

Ah you're always so nice and warm...**(kiss)** and sweet...how could I ever resist? **(soft sigh)** Hm, I love how you arch up into my touch like that...so sensitive. Know one of my favorite parts? Right here on your neck...**(soft kisses on their skin)** Just love the reaction that gives...

**(soft kisses and touching sound continue)**

Gonna just take my time...**(kiss)** can't rush a good dessert y'know? **(kiss)** Gotta savor every bit of you~ hmm..**(playful)** It's okay, baby.. You can be as noisy as you want. I love the beautiful sounds you make~

Hah.. that's it. You're so cute it makes my heart race.. **(kiss)** mmn.. I wonder what sweet noises you'd make if I touched you here~ mmn?

**(Heated whisper)** I can already feel how needy you are.. mmn.. pushing your hips against me. So adorable, Sugar... I really can't get enough of you.

I love every sweet little inch of your perfect body. Hmmm~ **(presses another soft kiss to their skin, voice drops to a low and sexy tone)** Why don't you show me more~?

**(Sweet chuckle)** here, lemme help you get these cute little pj's off~ Mm..

**(Some gentle shuffling as he helps shimmy the listeners clothes off)** Such soft skin... So gorgeous, sweetheart.. I can't stop looking at you like this. So perfect~

I could admire you all day If you'd let me~

**(Soft chuckle)** that look on your face..I get the distinct feeling you want something from me~ What is it hmm? What do you want? You can tell me, honey. Use your words~

Mmm.. **(gentle, turned on)** that's exactly what I wanted to hear~ You always say the cutest things baby. I love you so much **(sweet kiss and a soft shift as he adjusts on the bed)** There we go, just put your legs over my shoulders and relax..I'll support your back with my hand so don't worry~.**(shuffle)** Mn..perfect...Comfy? **(soft kiss)** Good. Now I'll just...help myself~ **(playful chuckle as he begins to lick and kiss over the listener for a bit, being very slow and gentle, taking his time)**

Mm-..hmm? Oh my, you're so adorable when you're all needy like that.. **(Soft closed mouth chuckle, that leads into more kisses and licks. It gets more heated as it goes on)**

Oh.. baby.. hnn.. Mnnn baby.. You taste so sweet... **(more kisses)** Ha..I love your hands in my hair like that. **(small chuckle)** You can tug if you want..won't hurt me at all. Mmn..think you could handle a finger? **(pause)** Yeah? Just...let me know if it's too much hm?

**(more mouth noises as he carefully presses his finger in)** Mmn..**(speaking around his mouthful)** That's it darling just relax..let me in...mn..so tight.

**(soft slick thrusting with him eating the listener out for a bit)**

**(needy huff)** Ah..that's it I feel you twitching around my fingers, that's it come on...I want to hear you cum for me. Don't hold back, let that cute voice out..

**(Continues to finger and lick at the listener for a bit longer, soft sharp inhale and a moan as they cum)** Mn..delicious..I love it how your body arches when I tip you over the edge~ You okay? **(A pause)** Good...Wanna help me out of my pants honey? They're a little tight haha.

**(slight shuffling as they move about, the listener helping him get the clothes out of the way)**

Ah, your hands are always so soft...mn... **(breathless)** I know baby, I know.. I want to put it in too, but you're so small compared to me...I don't wanna hurt ya. We'll have to keep working up to that okay..? I promise I'll take you someday~ We'll get there, baby.

But...mn... For now, I think.. I think I got an idea. It's a little something that'll *almost* be like the real thing~ C'mere..lay next to me.

**(A slight shuffle)**

That's it.. push your back against my chest just like that, sugar. Now lift your leg up just a bit for me. M'gonna slip between those lovely thighs of yours.

**(very slick noise as he does so)**

**(low moan, soft shuddering breath)** Ah, how's that feel? Hm..I can feel you twitching against me, ha.. so adorable.

**(pause)**

Hm, you can feel me twitchin' too huh? Haha...well that's because you feel absolutely *perfect* darling. I'd love nothing more than to just..push deep inside, just press the shape of myself into you.. **(soft kisses)** we'll get there though...I promise.. Mn..Think I like this position, I can still reach every bit of you like this...**(slick noises as he gently plays with them)**

**(A soft whisper in their ear)** Wow... You're so messy for me.. Mnnn.. Does it feel good when I do that? You're so good for me, sweetheart. Nnn- squeezing your thighs around me like that, hah.. Such a cute little tease, darling.

**(Sweet and gentle)** Hold on just a sec okay? I'm gonna just reach over and grab something that'll make this feel really nice for the both of us~ Even if you are pretty messy, we can always use a bit of extra help hm?

**(Some shuffling as he reaches over into the nightstand and pulls out a little bottle of lube)**

Theeere we go. Hold on baby.. ah~ wiggling your hips on me **(soft chuckle)** so impatient aren't you?~ Don't feel shy about it.. mn.. I'm just as impatient as you are.

**(Slick sounds as he puts some onto his hands, and slicks himself up with it)**

Just open those cute thighs for me just a second okay?~ Just gonna.. there we go. You can close 'em again sugar. Mmmn- oh that's.. that feels really good.

**(His voice is heated, soft)** Hah.. So wet and tight and snug.~ Mm.. **(gentle kiss to the listener's ear)** My sweet baby.. Your body fits so perfectly against mine. You're so gorgeous, sweetheart.. I'm gonna keep on telling you that over and over until you completely believe me~

**(soft, breathless)** Oh.. nn.. Squirming like that's gonna make it hard to keep my composure~ **(Soft moan)** Ahh.. Hnn.. Do you want me to take you now, sugar? Hmm? Hah.. Your body's so eager for me~ Rolling your hips.. Hah.. Oh.. Honey, can I?~

Mmmf.. Thank you so much, sweetheart. I promise I'll make you feel good okay?

**(Slick sounds as he starts to gently thrust between their thighs)**

**(Soft, shaky moans as he's trying to hold himself back)** Oh, that's.. That's really good.. Nn.. Squeezin' your thighs so tight around me like that.. Baby~ Hahh.. Perfect.. Nn..

**(He leans into them a little more, picking up his pace a little bit. His voice is almost a whisper in their ear)** So good for me aren't you darling? Wiggling that cute butt against me while I fuck into your thighs? **(Shy, soft laugh)** I can't help but to.. Nn.. Say things like that ya know? You just feel.. Hah.. you feel so good...

**(Some shaky, breathless moans as he keeps fucking between the listener's thighs)**

**(He picks up the pace a little more, moaning softly, voice staying low as he whispers praises into the listener's ear)** Honey.. That's it. So good for me.. So good. Thaaat's it.. How do I feel rubbing up against you like that? Is it good?

Yeah? I want your beautiful body to feel good too, baby. I want all of you.. Hnn- to feel good~ Ahh- M'gonna touch you a little more okay?

**(Some soft moans as he keeps his steady rhythm into their thighs, moving a hand down between listener's thighs to touch them)**

Oh, that's it.. Your voice always makes me so weak. Moan for me, honey.. That's it. So good..don't hold anything back, I want to hear that beautiful voice.

**(His moans get a little faster now, deeper, he's getting closer. There's slick sounds as he keeps touching the listener as he fucks)**

You're trembling baby, are you okay? .. Yeah? You're okay? Perfect, sweetheart.. Doing so good for me, aren't you? Hmmn..~ That's it.. Are you gonna cum with me baby?

C-cumming.. **(He rides out his orgasm, wet thrusts slowing to a stop as he breathes for a bit)**

I love you so much. Mm.. Look at me baby. **(slick sounds as they readjust slightly) .. (Gentle kiss is pressed to their lips, long and soothing. Breathing softly through his nose as he does so)** You did so well for me. Hah.. Look at that cute, sleepy smile. Did I already tire you out for the day?~ **(Soft, lighthearted and tired chuckle)** But we just woke up!

Hmmm~ Here. How about I run us a nice warm bath so we can relax and clean up a little?~ Does that sound good, honey?

**(Gentle kiss, voice soft but enthusiastic)** Perfect! You sit right here then okay? I'll be right back when the bath's all ready to go.~

**(He gets up and heads into the bathroom, and the audio fades out)**

**(Audio fades back in with the sound of gentle water running. The two are in the bath, FatGum holding listener from behind)**

**(Soft, content sigh)** Feels so nice to be this close to you. With all the stress I've been under at work.. Waking up next to you each morning and getting to do this kinda thing with ya.. **(Soft, almost sad laugh)** .. Well, it really makes everything worth it!

Hmm.. **(gentle kiss to the back of the listener's head)** I really do love you, sweetheart. With everything I got~

**(there's a couple moments of soothing silence between the two)** Heh.. Thanks for making the start of my day perfect. I couldn't ask for anything more~ A perfect breakfast and a perfect dessert. **(Soft, content hum)**

Let's just focus on us today alright? Like I said earlier.. I wanna make this day off count. So... After our bath, what didja have in mind?~ 'Cause I was thinkin maybe we'd relax a

little at home, and then go to that super good takoyaki place down the road! Take a look at the shops for a bit, see if anything catches your fancy, grab some boba...

And then.. We can come home and cuddle and watch some movies. Whatever ya want, sugar. I'm fine with anything as long as you're happy~ **(Soft chuckle)** Seeing you smile really brightens my day up.

I'm glad ya like the sound of that! Hah.. Perfect then. Today will be such a nice break from all that heroing.. So let's just enjoy it, sugar.~

**(Gentle kiss to their shoulder)** Love you so much.~
