C# G# A#m F#

I'm going under and this time I feel, there's no one to save me

C# G# A#m F#

This all or nothing really got away, you're driving me crazy

I need somebody to heal, somebody to know, somebody to have,

F#

somebody to hold

C#

G#

It's easy to say but it's never the same

A#m

F#

I guess I kinda liked the way you numbed all the pain

[Chorus]

C#

Now the day bleeds

G#

Into nightfall

A#m

And you're not here

F#

To get me through it all

C#

I let my guard down

G#

And then you pulled the rug

A#m

F#

I was getting kinda used to being someone you loved

[Verse 2]

C# G# A#m F#

I'm going under and this time I feel there's no one to turn to

C# G# A#m F#

This all or nothing way of loving got me sleeping without you

C#

G#

A#m

Now, I need somebody to know, somebody to heal, somebody to have,

F#

just to know how it feels

C#

G#

It's easy to say but it's never the same

A#m

F#

I guess I kinda liked the way you helped me escape

[Chorus]

[Bridge]

          Dm#                  A#m                          G#  
And I tried to close my eyes but it hurts sometimes

I fall into your arms.  
          A#m  G#  
I feel safe with your sound till you come back around

[Chorus x2]

I let my guard down

I was getting kinda used to being someone you loved
