Sparkle barely notices the poor Techno Tanner smoking and shutting down around her.

Mmmm,
and what a
set of juggies
they are
too!

She is just too busy admiring all of her new curves, and enjoying the wonderful sensations flowing through her enhanced figure.

And this ass! Just look at this juicy booty! Fucking hell, I just wanna bounce it up and down so bad!

And the more that she does so, the more turned on and aroused she becomes, even as the smoke slowly fades away and eventually stops.

My whole body is just insane, and it feels **so** good.

Meanwhile, Sparkle discovers that things are a little different for her now. As a man, her desires would kind of spike and then fade away quickly.

Even my cock is bigger, and I have a pussy now too!

MmmMmmMmm!!!

But as a woman, her arousal just keeps building and building and **building!** Sparkle finds herself getting warmer and hornier until her mind nearly goes completely blank.

MooOoAaaanNn!!!

Sparkle doesn't even realize her hands have flown to her pulsing penis. She just knows that she needs... something, and she needs it *right now!*

Damn!
You look
so hot, Sparkle.
Save some
for me!

Which gives everyone quite the show, and a very arousing one at that. It is a new experience for Kim, and even for Kindra and Misty.

Fuck!
You're not kidding. She looks great stroking that big... fat... cock...

They have seen beautiful, curvaceous women, and they've met hung studs - people that they find arousing. But this is both in one stunning package.

Hell yeah! Her hog is fucking huge, and I wanna suck it!

It's intoxicating and hypnotic to see an insanely stacked and curvy woman that also has an incredible cock. It is **almost** enough to forget the damage that's been done to the machine.

Wait, what am I saying?! Kim! What the fuck?! You broke the machine!

Almost, but not quite. Kim was actually hoping that maybe they might skip over that part somehow.

Sorry, but you can't, like, argue with the results!

Because she honestly feels pretty bad about breaking it, but she is still adapting to her new body as well.

Seriously though, I didn't mean to. I just got carried away.

Thankfully, Kindra has spent a significant amount of time around bimbos at this point and knows that this is just part of the package.

<Sigh>
It's fine. I know you didn't mean to, but this is going to take a lot of work to fix - if we even can.

You just have to accept that they are going to do some silly or outright stupid things, especially the newly transformed.

I'll help if I can, but first I need to take care of something that just can't wait.

So it's a waste of energy to get upset and worry about it. You just have to learn to roll with the crazy things that they do, maybe even enjoy them.

I've waited for this as long as I can, and she looks like she is just about ready to pop.

Especially when you could be doing things with bimbos that are so much more fun than worrying, such as licking up the thick, gooey stream of semen leaking from their massive, twitching, needy cock!

QoQoohHhh!!!

Leak!

Kim has similar thoughts, and does not hesitate to put them into action. She easily walks over and lifts Sparkle up into the air, even with the new mass that's been added to her.

Kim pulls Sparkle in tight, pressing her huge tits tight against Sparkle's thick thighs and wrapping her plush lips around Sparkle's twitching dick.

Sparkle, for her part, just reflexively hangs on tight. This is exactly what she desperately needed, even though she wasn't quite conscious of it.

YyyeEeesSsss!!

As soon as Kim's lips touch her throbbing cock, she leans back into it and starts thrusting her hips naturally.

FffuUuÇÇkkKk!!

Kim just secretly smiles at her newly formed slut's reaction, and slowly (almost torturously) pulls her inexorably closer and closer.

Awww,
but I wanted
to suck her big,
fat, yummy
cock!

It is a very arousing display, to say the
least. Sparkle's energetic moans of
pleasure certainly don't help either.

Hey,
Kindra?
Do you just
wanna watch, or
do you wanna
like--

Misty was pretty wound up already
from watching both of their
transformations, and she is not going
to be satisfied by sitting idle.

And it looks like Kindra feels similarly but has her own ideas, as she stares intently at Misty's feet.

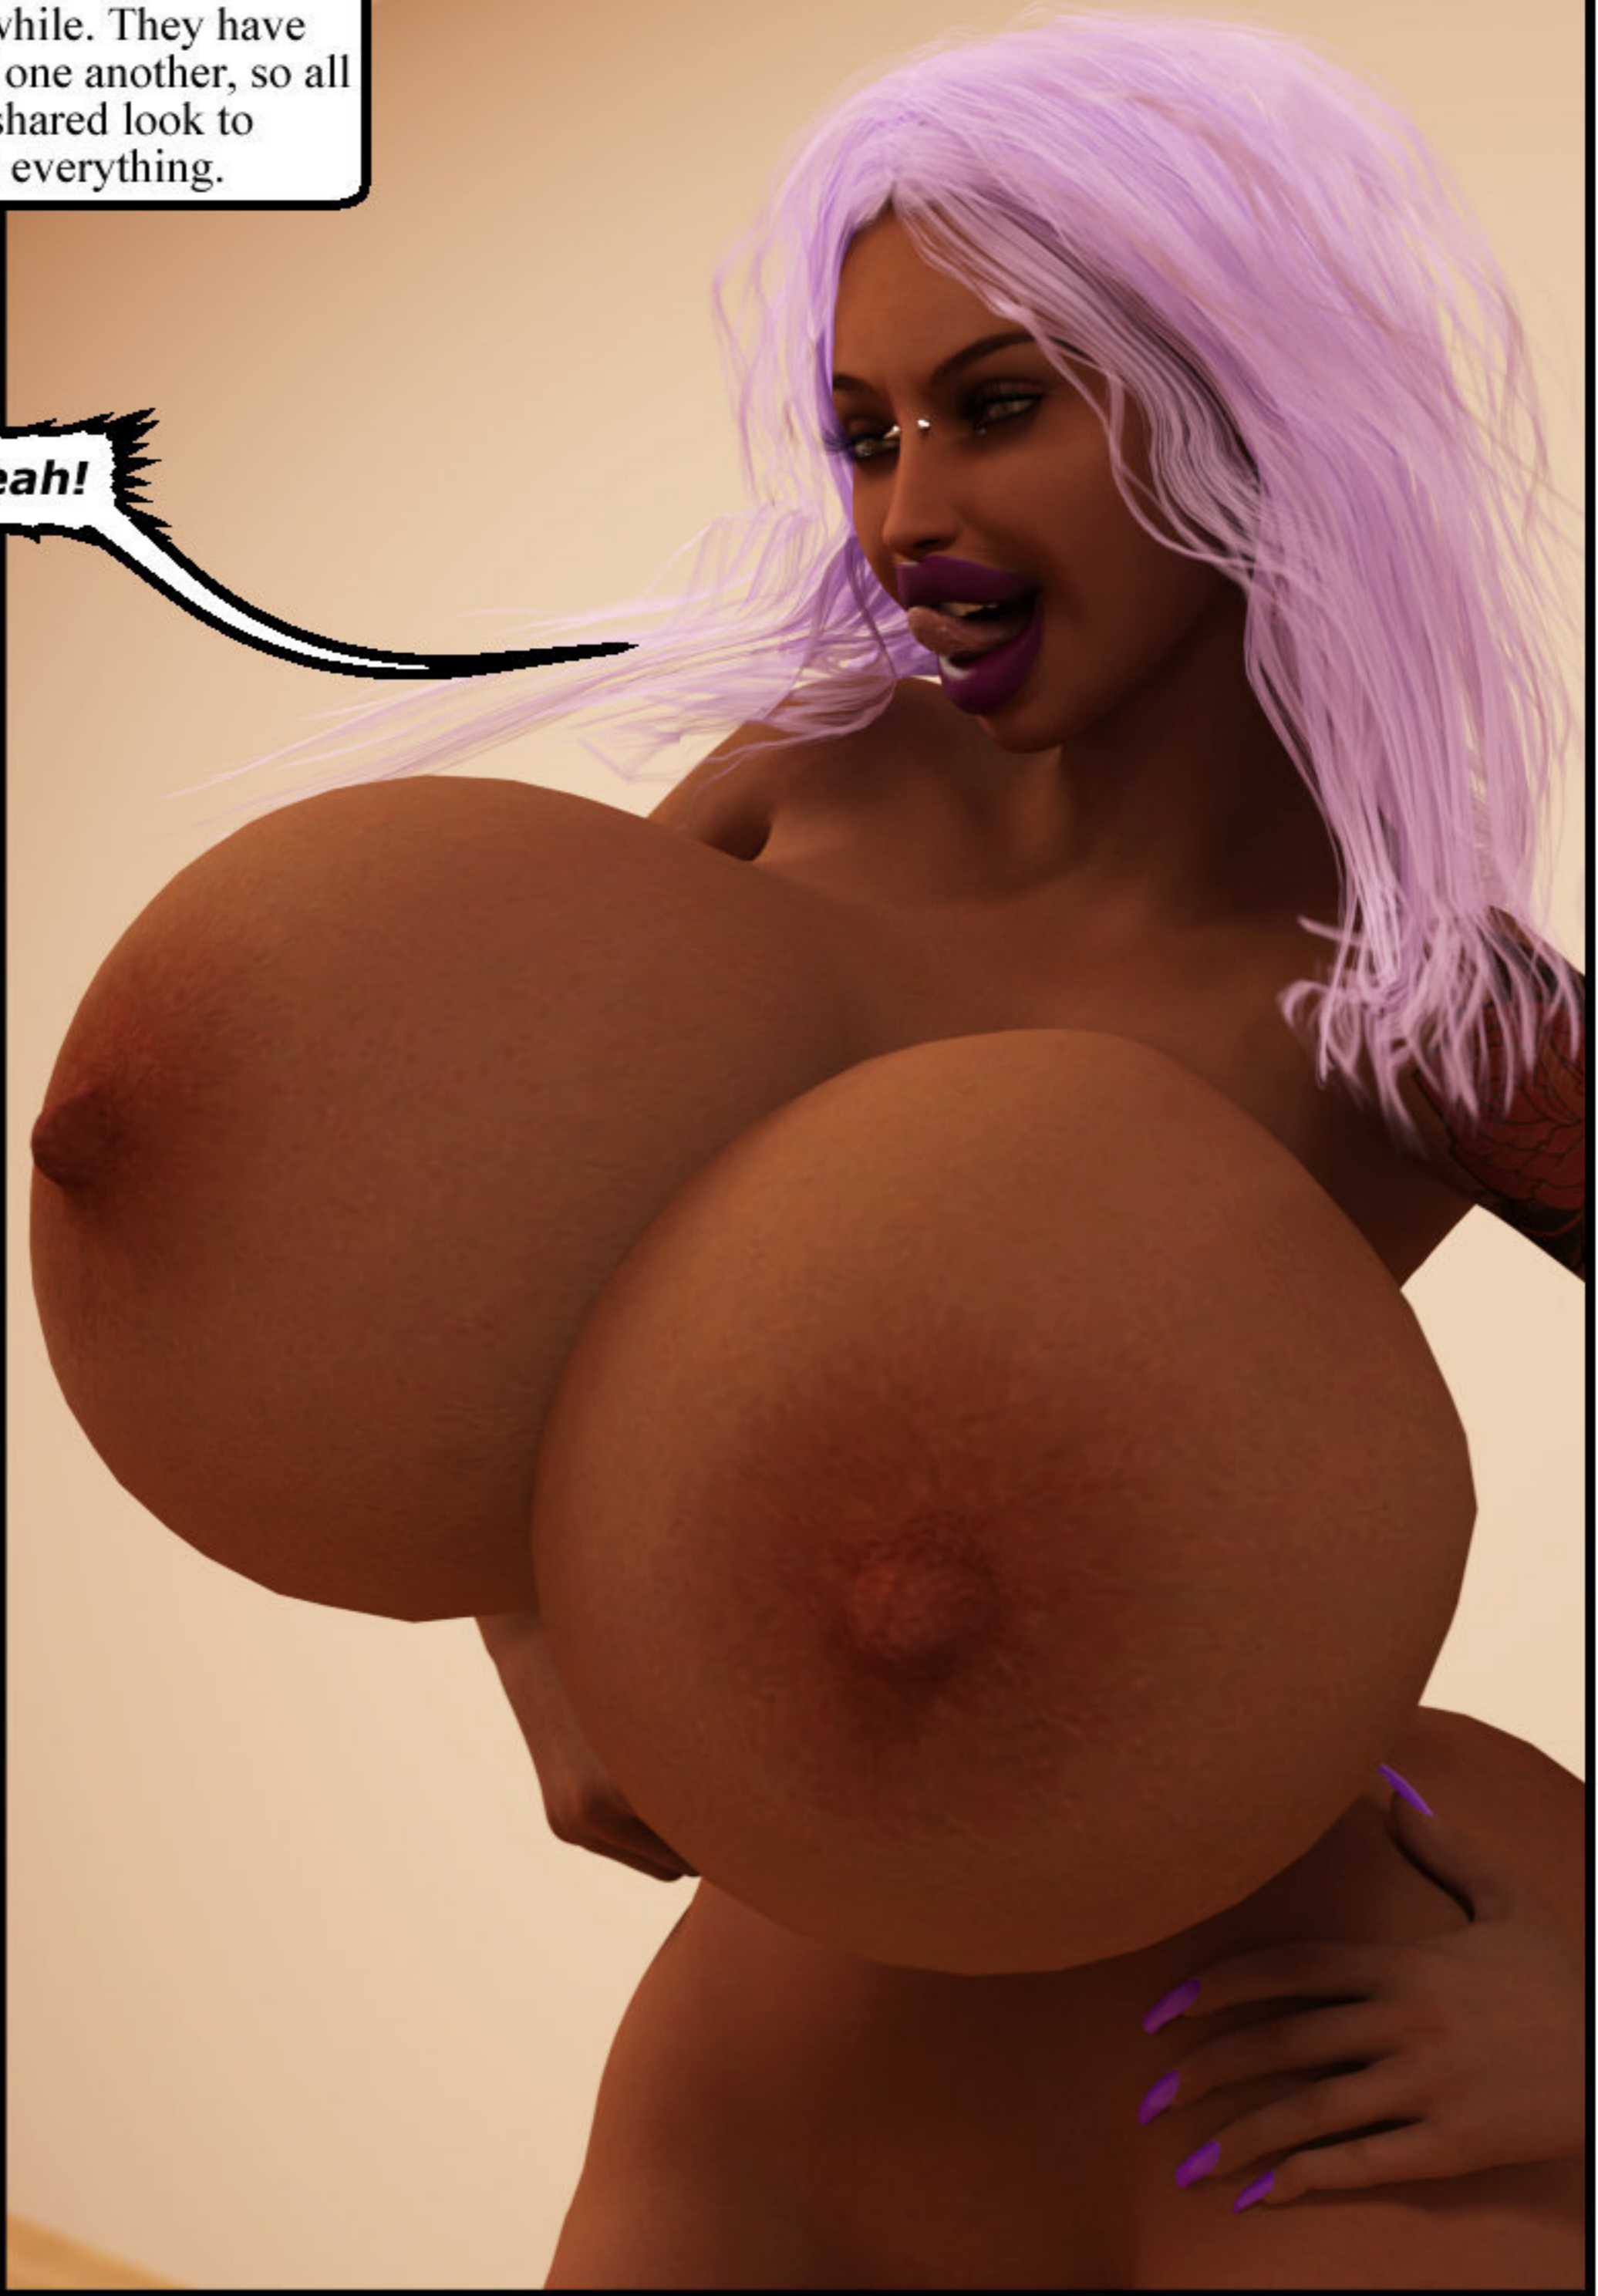

Hmmm?

Oh! That makes way more sense. Of course she wasn't staring at Misty's feet, but what was near her feet.

Kindra and Misty have known each other for quite a while. They have learned how to read one another, so all it takes is one shared look to communicate everything.

Oh yeah!

And that one look is all Kindra needs to motivate her to bend down and strap Kim's dildo on.

Mmmm!
So? How do I
look?

Misty doesn't answer. She just grabs Kindra's hand and drags her into the next room. Then she assumes the position on the massage table.

Kindra, similar to Kim, does not hesitate to climb up with her and start thrusting into her. Misty is wet and ready, and arches her back to lean into Kindra's thrusts.

They quickly establish a familiar rhythm. As Kindra pulls backward, Misty relaxes down into the table.

When Kindra thrusts forward, Misty arches her back and digs her heels into Kindra's juicy ass, pulling the dildo deep into her sopping wet snatch.

MooOoAaahNn!!!!

Misty's loud moans of enjoyment begin to mix with Sparkle's from next door, creating a concerto of pleasure that reverberates through the salon.

Giant jugs bounce and shake with each pulse-pounding thrust. They are accompanied by panting breaths and deep moans.

Juicy booties slap in time to the beat,
creating a luscious dance of sexual
pleasure and obscene flesh.

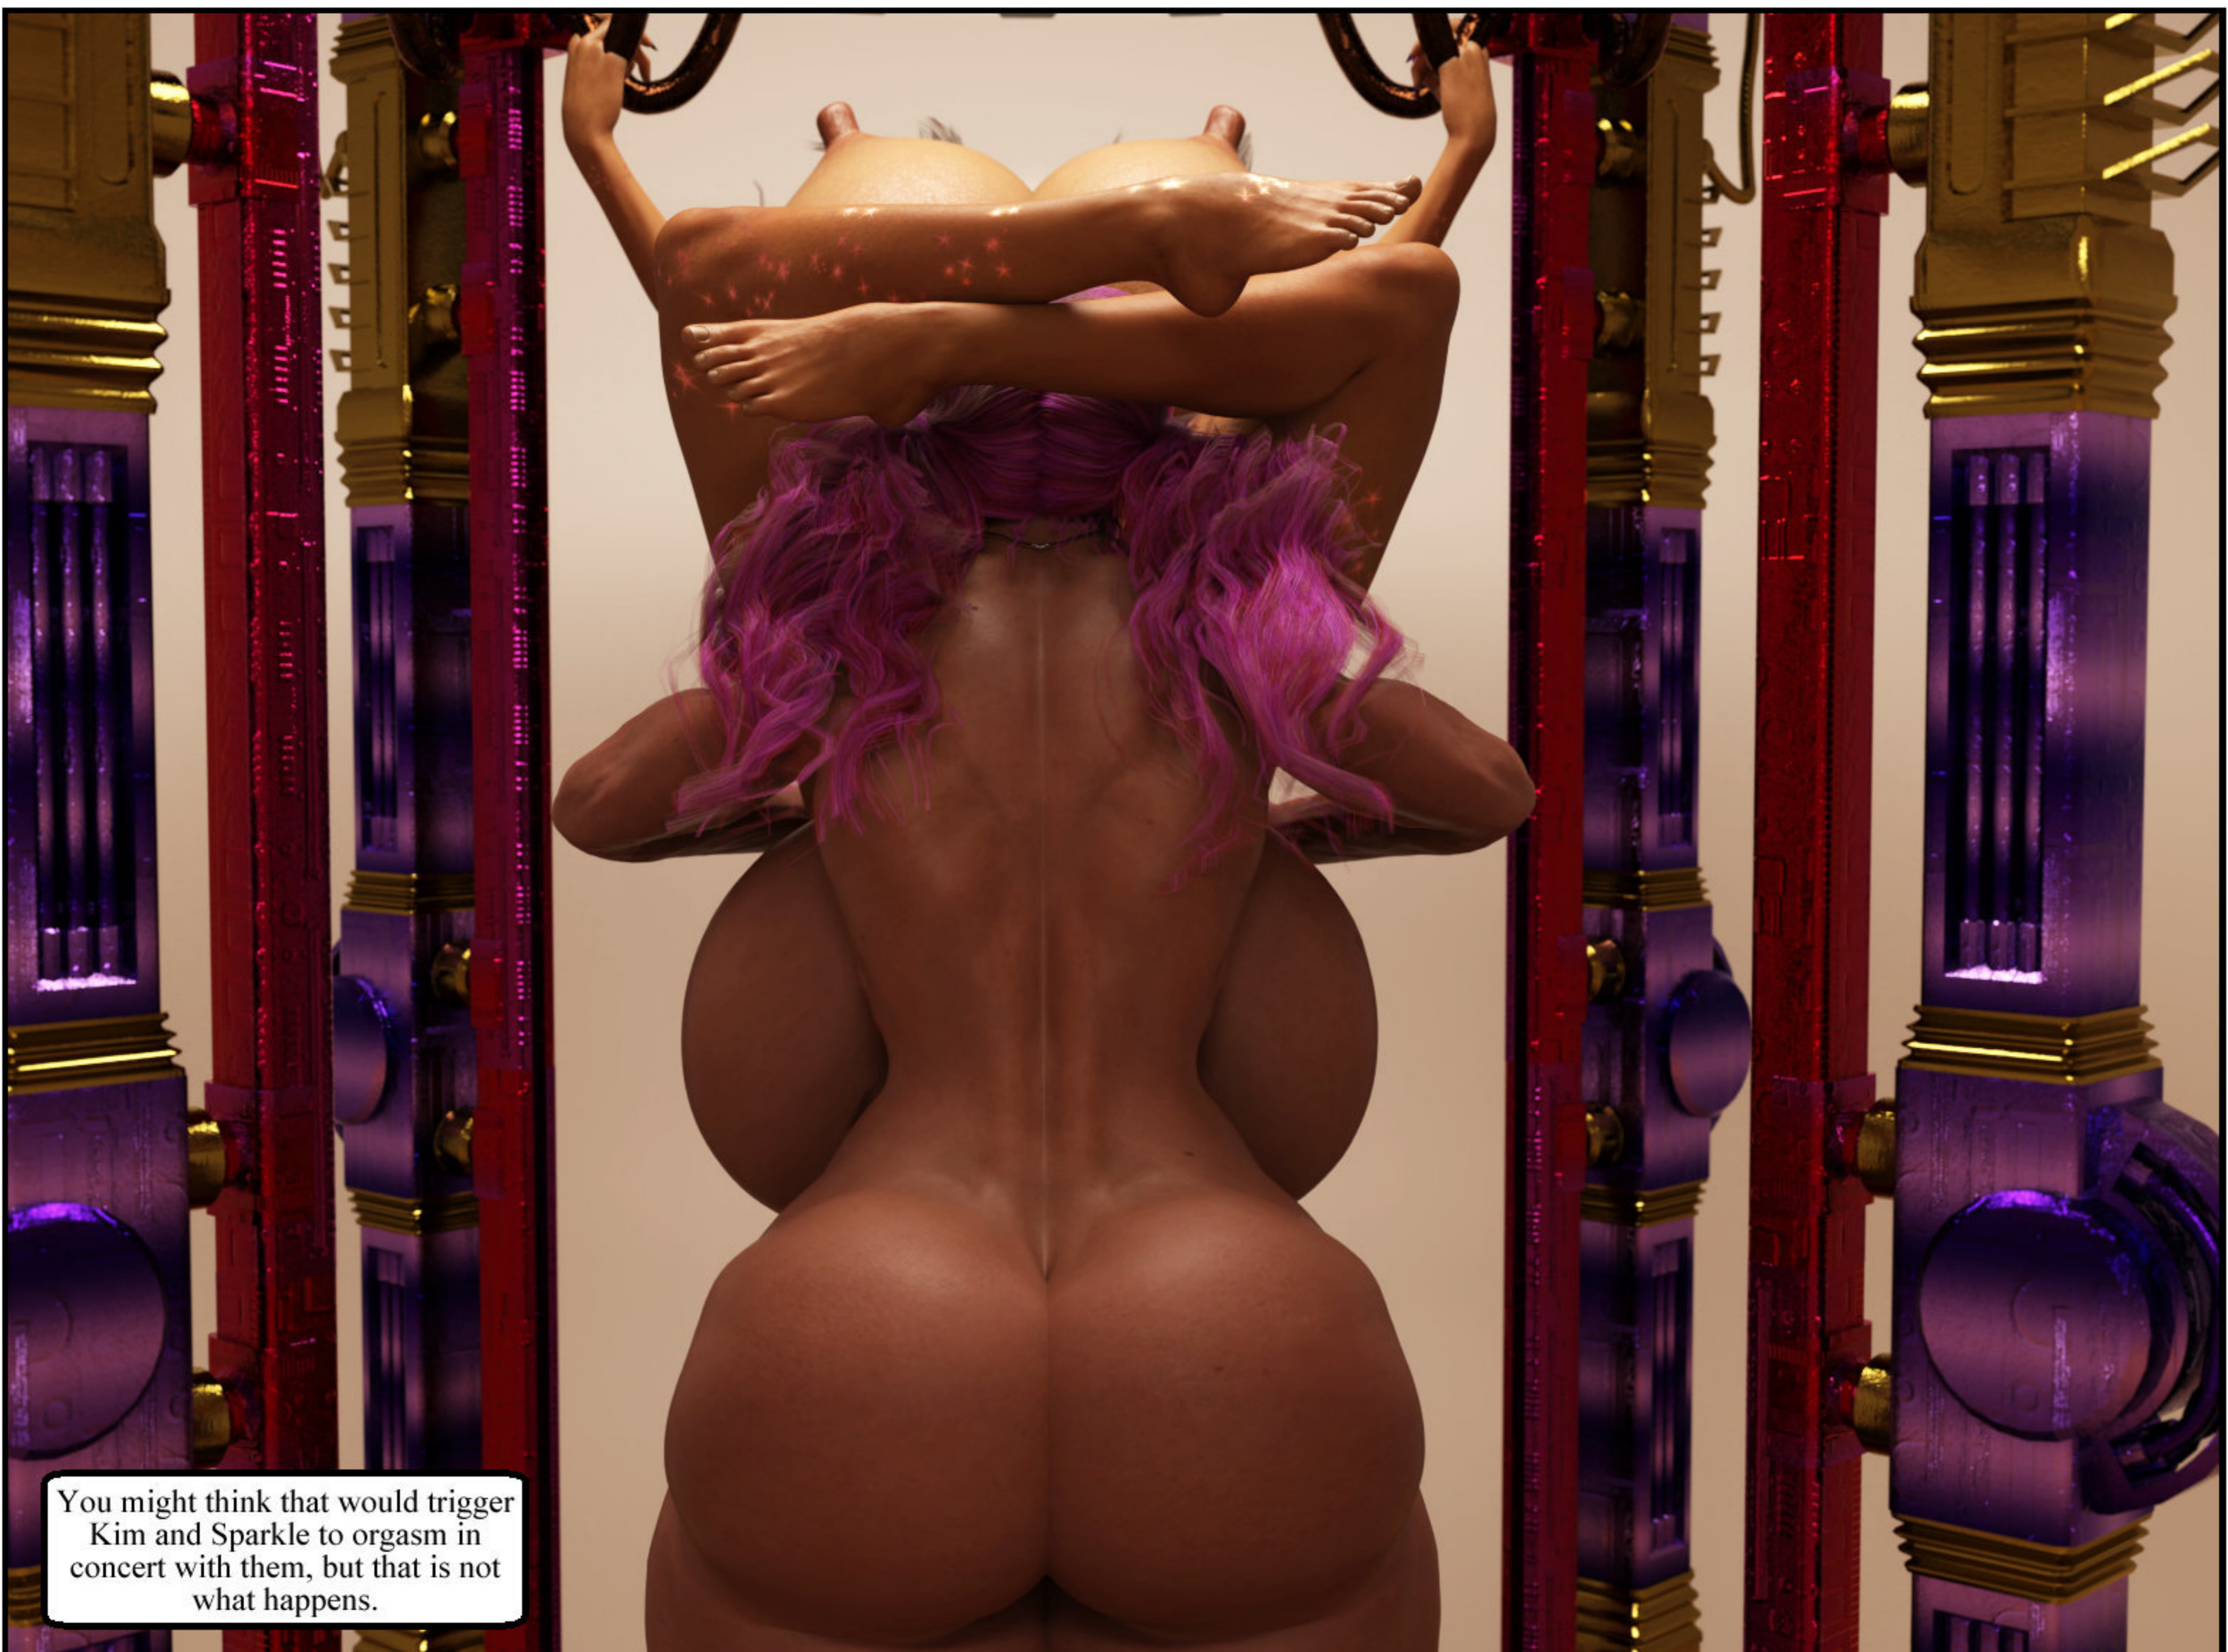

All of this just motivates Kindra to push harder and bury the dildo ever deeper.

Until Kindra and Misty explode in a mutual, mind-melting orgasm that echoes through the halls.

FffuUuÇÇkkk!!

YyyeEeesSsss!!

You might think that would trigger Kim and Sparkle to orgasm in concert with them, but that is not what happens.

Sparkle grips the machine, arches her back even more, and wraps her legs around Kim's head instead.

She pulls Kim's head deep into her crotch and forces her thick cock deep down her throat, which only seems to turn Kim on even more.

Thick, gooey streamers of semen begin to leak from Kim's cock as she nearly laughs at Sparkle's weak attempts to take control, grips her ass hard, and chokes down her thick dick even more.

QoQoQoHhHh!!!

Which drives Sparkle completely wild. She thought she was enjoying herself before, but the pleasure ramps up more than ever.

Explode!

And she convulsively explodes inside of Kim's mouth, filling it to bursting with a massive load of creamy semen.

Spew!

Which triggers Kim's own throbbing dick to start spewing out thick streamers of cock-cream as well.

But one orgasm, no matter how powerful, is not enough for either of these horny bimbos.

Kim shifts their position and impales Sparkle on her still-oozing penis. Then almost throws her away and snaps her back, mashing their massive tits and thick nipples hard into each other.

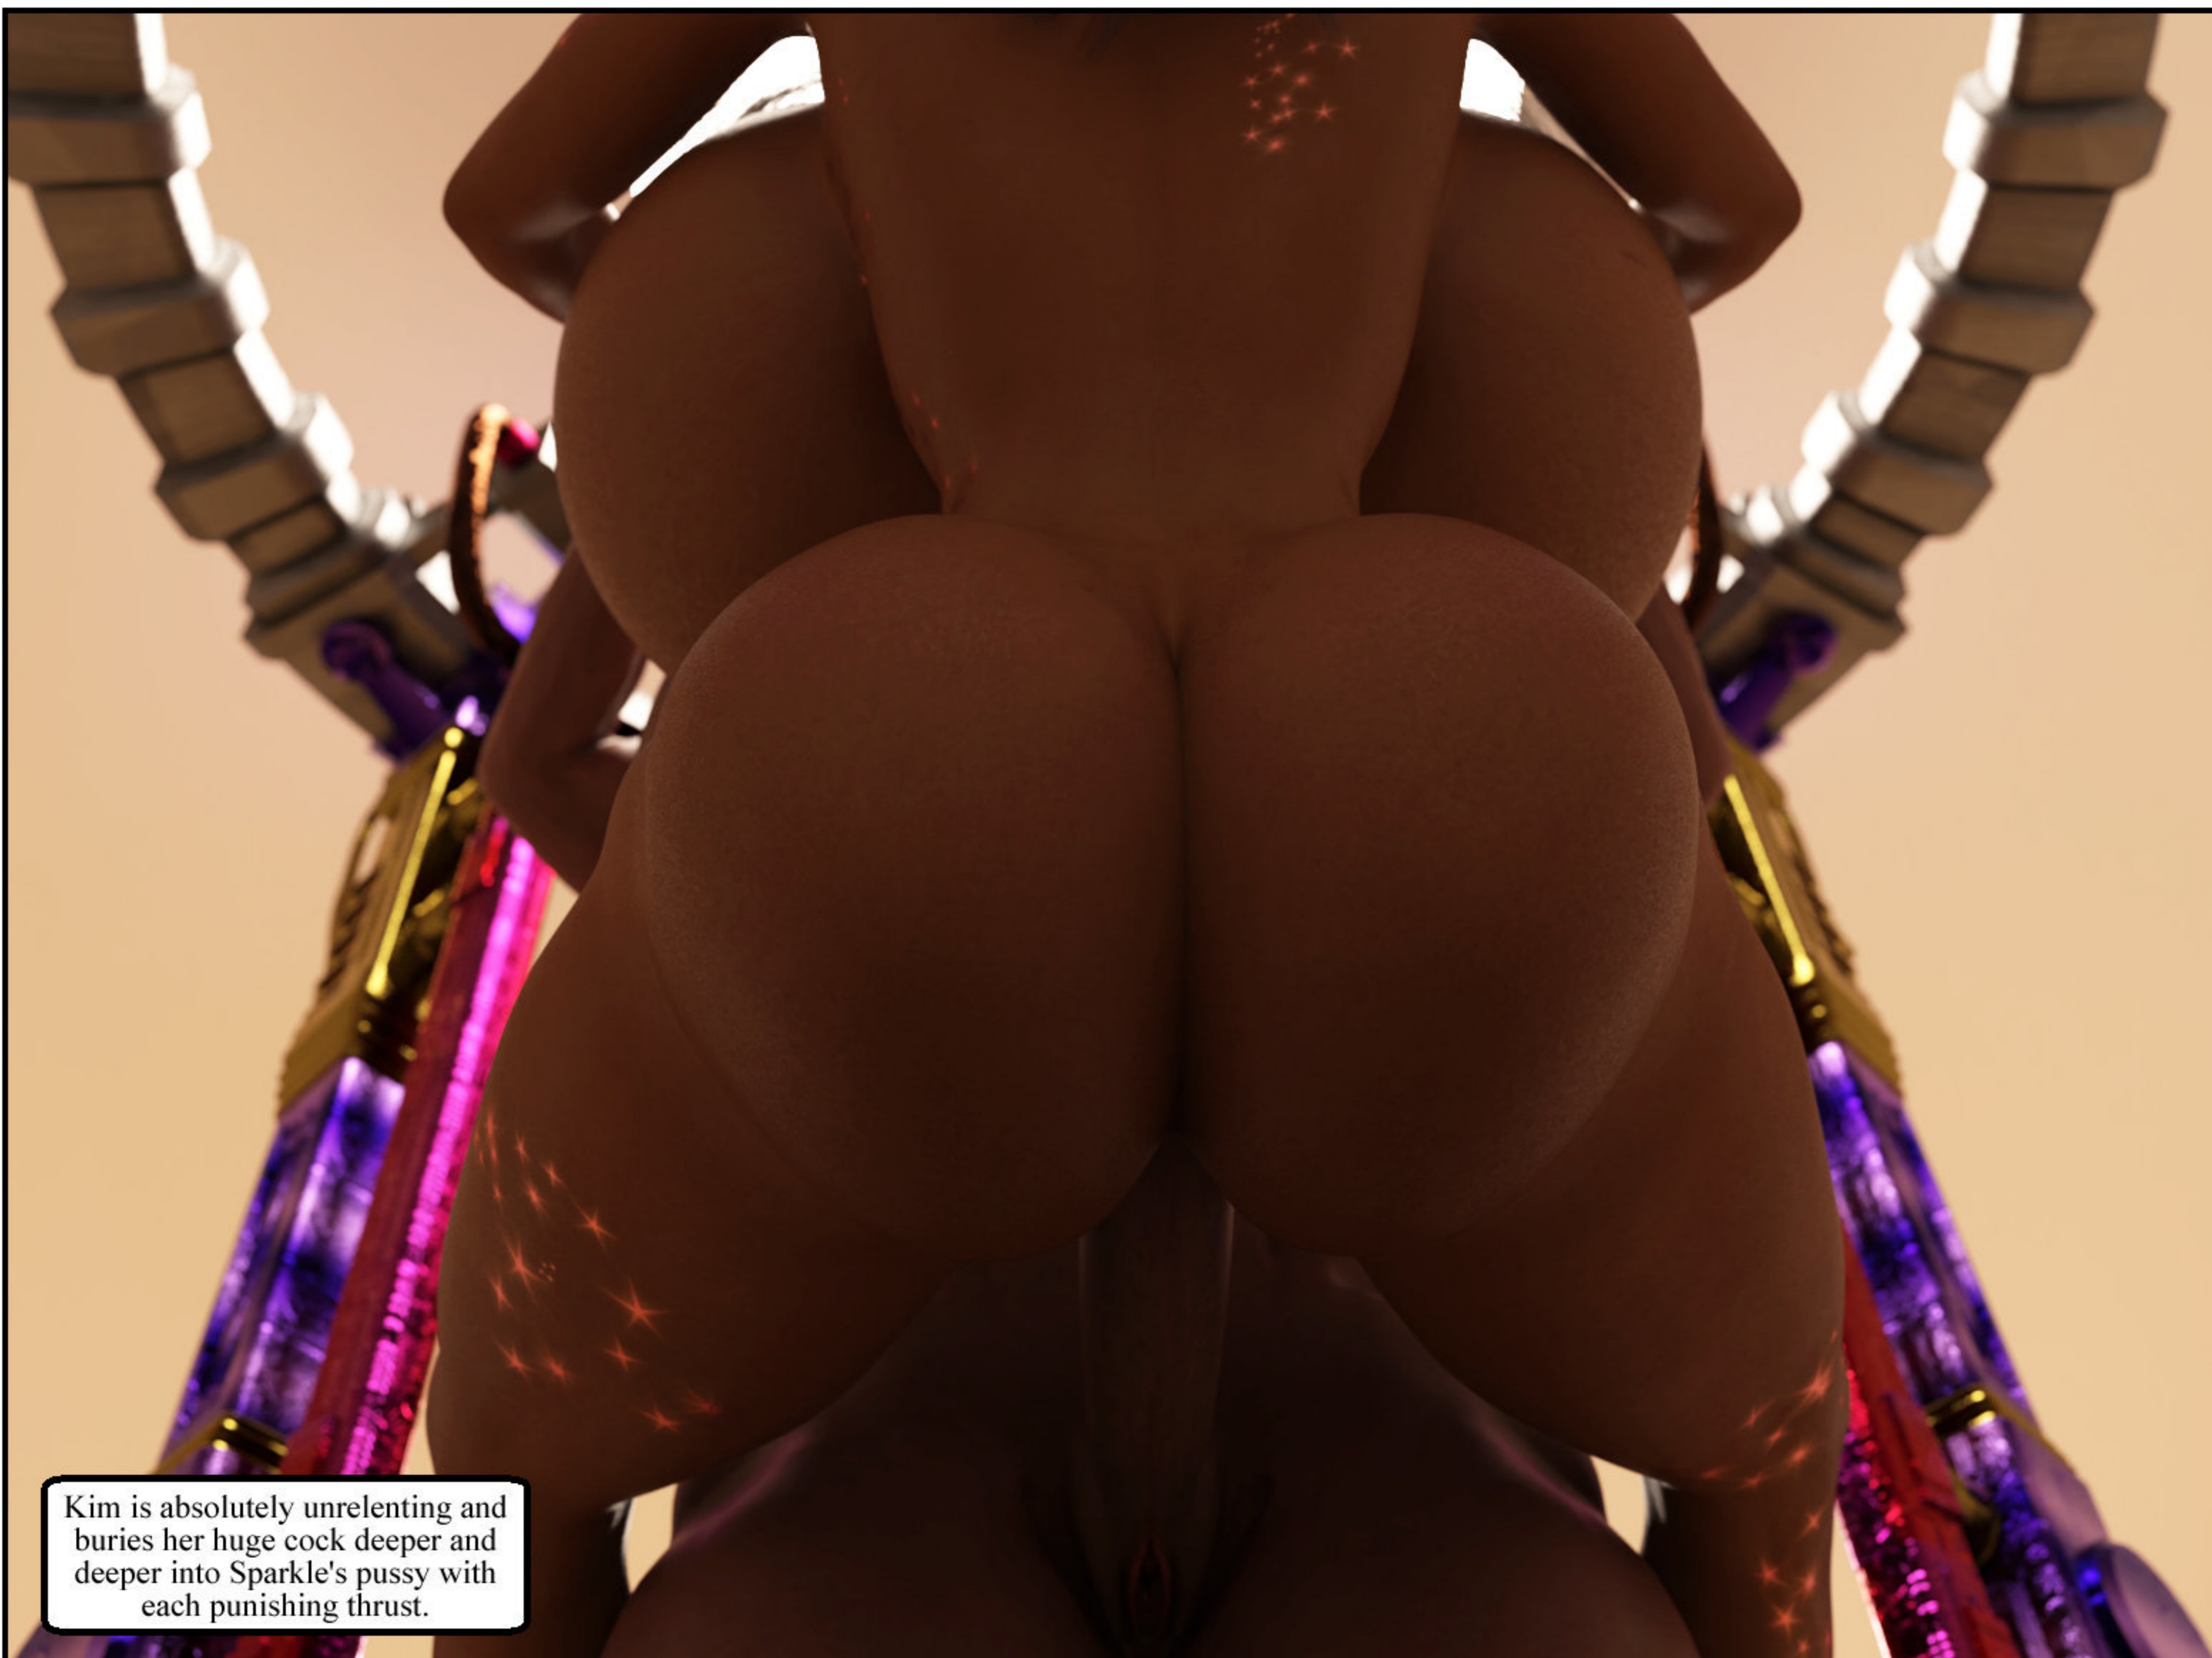

Sparkle can barely hang on as she is pistoned, like a yo-yo, onto Kim's thick, fat, hard spear.

In addition, Sparkle's own huge member is slammed in and out of Kim's incredible cleavage with each violent motion.

Kim is absolutely unrelenting and buries her huge cock deeper and deeper into Sparkle's pussy with each punishing thrust.

She bucks her hips to accentuate the motion, pushing harder and harder with each powerful plunge.

Sparkle is little more than a rag doll being manipulated by Kim's powerful grip and dominating pistoning.

I am going to fuck you until you are a drooling idiot, a cock crazed nympho that only wants to suck and fuck.

You turned out even better than I had hoped, Ryan. Sorry, I mean Sparkle.

And she has no answer for Kim, other than to let out a long stuttering moan that sounds like a person humming when driving over a bunch of bumps.

MmMmmMmm!!!

QqQqohhHhh!!!

MmMmmMmm!!!

But Sparkle can only take so much of this deliciously delightful torment, and it doesn't take long before she experiences another earth-shattering and unbelievably intense orgasm.

FffuUuÇÇkKk!!

YyyeEees\$\$\$S\$\$S!!

Fountain!

Despite being buried in between Kim's gigantic jugs, Sparkle's orgasm is so powerful that thick streamers shoot up out of Kim's cleavage like a geyser blowing.

Splooge!

Almost as if they are linked, Kim also explodes inside of Sparkle and pumps her full of load after load of her sticky seed. There is so much of it that it starts to leak out of Sparkle.

The two of them collapse to the floor, finally fully satiated. Loud snores of peaceful sleep are soon echoing from their room at the salon.

Similar noises come from the room next door, where Kindra and Misty have experienced equally satisfying orgasms. Each of the four bimbos cuddles with their favorite lover, as they sleep like you only can after truly fantastic sex.

next part.
