The audio starts with the sound of a crackling fire, a loud blizzard outside the walls of the cabin. The door opens and closes as Rody walks in.

(Shivering) Brrrr... Holy shit it's freezing out there! Whew... Hey, baby. Managed to snag some more firewood. Should be enough to get us through the night!

(he walks over, setting the wood down) Uff.. Looks like I came back just in time. Without power and heating, this cabin sure does get pretty cold doesn't it? Man.. I didn't think we'd be getting hit with a storm like this. I'm kinda worried.. At this rate, I think we might get snowed in overnight.

Ahhh I'm sorry, babe.. I thought coming out here and spending Christmas in a cute little cabin would be a good idea! I had no idea a blizzard was coming.. Guess I should have checked the forecast, huh?

(Soft laugh) Yeah.. Mn..

Huh? Oh, Pino? She actually fell asleep in my jacket! She's.. A pretty heavy sleeper, especially when she's cold. Here...

(Shuffling as he takes her gently out) I'm going to go put her in her bed! Gonna wrap her in tons of blankets, poor thing... Be right back, babe!

(Rody walks off, and comes back shortly after) Aalright. Let's get those fresh logs on the fire before it goes out!

Okay, let's see here.. Mind passing me the big ones, hun? Thanks! Alright, I'm gonna put these like thiiiis.. Aaaaand like thaaaat.. There we go. Looks good. It's already a lot warmer than it was.

I still gotta get this wet jacket off, it's not doing me any favors in keeping me warm. Hold up~

(Shuffling as he pulls off his jacket) There we go! God it really is freezing in here.. I'm hoping the fireplace at least warms the place up a bit.

Brrr.. **(Sits on the couch)** Here, scootch up next to me hun. Mmn.. Perfect, just like that. You feelin' comfy? ... Oh, baby! Your hands are so freezing! Here.. Lemme warm them up. Give 'em here.~

(He cups their hands in his) You poor thing.. I'm so glad I ran out to get more firewood when I did, I hate that you're so cold. Here... **(Gently exhales on the listeners hands in his)** Heh.. How's that? I'll warm your cute little hands up with my breath.

(another soft exhale) Hmn.. Whatcha lookin' at me like that for?~ Ah..? Where are those hands going- **(Yelp)** W-wait don't put your freezing hands up my shirt! **(laugh)** You're such a meanie. Hmn.. Alright, fine, fine.. But hold up. Let's grab the blankets and pillows and move down on the rug in front of the fire okay?

Once you warm those hands up, I'll let you put them on me as much as you like~ Now come on, let's grab those blankets!

We'll make a comfy little fort right where it's nice and toasty and warm by the fire. Man, I really wish the power wasn't out.. Cause then I could make us some hot cocoa too. Bummer.. Ahh well. I promise, the second we get our power back I'll put the kettle on and make you the best hot cocoa you've ever tasted.~

Okay, blankets acquired! Let's make a comfy little nest.

(They step back to the fireplace and start to assemble things)

Okay, I'll put the big thick blanket down over the rug so the ground's comfier to lay on. There we go~ Then some pillows... Hmmm.. Perfect. Lookin' super comfy already. Okay, I'm gonna lay down, and then we can put the big blanket over us. Sound good?~

Perfect! **(he gets himself comfy)** Okay, come here. Mmf.. Perfect. Gonna put the blanket over us now.. There we go. How's this? You feelin' comfortable?

Perfect, baby. **(Gentle kiss)** Hmmn..

(There's some silence for a bit, the blizzard picking up)

That storm is crazy loud. But don't worry, this cabin's nice and stable. We're safe inside~ Juuuust a little freezing. But hey, as long as we have this fire.. And each other~ We can keep warm.

Hmmn? **(Gentle, a little teasing)** Heh.. Well. There's tons of things we can do to keep warm, y'know? **(soft, seductive)** There's blankets.. The nice, warm fire. My breath against your skin.. Mm.. What else? Oh there's definitely other ways.. Like getting real *close*. Like this...

(Soft, needy hum) Skin against skin helps, I heard. But.. You'd have to let me take that adorable little sweater off of you, baby. Here... Why don't you let me, and we can warm up together?~

Mmf.. **(He kisses the listener deeply for a couple seconds, before breaking the kiss but speaking against their lips in a whisper)** Shit, sorry.. My hands are pretty cold too.~ Mmn.. Did I give you goosebumps? Fuck that's cute. **(He kisses again, moaning softly. Fabric shifting as he takes the listener's top off)**

Mmf.. You look so cute in that sweater, but I have to say.. I love you without it on too.~ Mmn.. Sit on me, baby.. There we go. **(Sentence is soft, breathy, leads into a kiss)** Straddle my hips just like that **(Kisses again, his voice breathy when he pulls away)** Your hands are really warming up..~

Mmm.. how about mine? Can I touch you.. Here now?~ **(Soft little breath as he touches the listener's nipple)** Your nipples are so cute.. They got hard just from a little touch~ Hah.. I know, it's 'cause of the cold too. But I like to think I have some influence on your body...

The way it reacts to my touch is so perfect.. I could touch you all day.. Stare at the way your back arches and how you squirm and quiver.. **(Gentle kiss)** I love you so much. You're so beautiful you know that? Oh hush now.. Don't you dare deny it.

You're absolutely gorgeous, I wouldn't change a single.. Little.. Thing.~ **(Gently moves his hand down, brushing against the listener's sex)** Mn...! That's it.. Melt into me, baby.. I know you like it when I touch you there..

I'm gonna take my time with your body tonight. Really feel you.. Warm you up, and take good care of you. All you have to do is let me.. Just say the words, and I'll make you feel really good.

Mmm.. Yeah? Oh, I know baby.. I know you want it, I can tell.. I can see it in your eyes.. Mmn.. the way you grind on me like that.. Don't think I can't feel that subtle little movement~ Your body's already warming up.

Now... I brought a little something.. Lemme just.. It's in my pocket.~ **(slight shuffling, he pulls a small packet of lube out)**

Oh, this?~ It's just a little something that'll make you nice and slick for me. Can't go wrong with some extra lubricant, you know? Heh, I know, I know. I swear it's not like I expected anything to happen... I was just kind of.. **(Softly)** Anticipating it.

Mn.. Mind if I slip your underwear out of the way?~ I really wanna feel you... I promise. My hands are nice and warm now, thanks to that body of yours. I wouldn't touch you there with cold hands, baby~

(soft hissing inhale) You're already so turned on.. I can feel it. **(Soft huff)** .. That's it, spread your legs for me, babe.. I got you. Gonna warm you up real good~

(Soft, eager breaths as he fingers them for a bit)

(Soft exhale) I can feel you just welcoming my fingers in deeper..hm, is that the spot? No? Hmm...how about riiight here, huh? Oh, I think I found it~ You make such pretty noises when I press against it just like that. **(Low groan)** I could do this all night know that? Just play with this sweet little spot and watch you squirm and come undone for me.

But.. I have to admit, I'm feeling a little on the selfish side tonight. I love making you feel good... watching you squirm and moan and pant like that.. But I'm feeling a little cold too, you know? Mmn..

Think you could warm me up baby? Right now.. Mnn.. My fingers are all warm and snug inside you.. But I want a little more.~

(Huff) Lemme just get these pants out of the way, starting to get a bit uncomfortable anyway.

(Shifting as he does so)

(Exhale) whew, a little cold, but you're so warm baby you're chasing that chill right away. Mmmn. **(Soft eager kisses)** C'mere..let me feel you close to me just like that. I love how you feel against me, like we were made to fit together.

You're nice and slick, sweetheart.. I can just slide right in.. **(Soft hum)** .. That's it.. So eager. It's so cute~ Hmn.. Please.. Sit down on me?~

(Needy whisper) Wanna be inside you... Wanna feel you around me... **(Soft breath as the listener lowers himself onto him)** Ah- hnn.. Yeah.. That's it... Just like that...

(hissed inhale) Ah..nono baby..don't move. Not yet. Just stay riiight there for me...ha. Mn. I love just feeling you twitching around me. You're so warm and perfect...Your body feels so nice on me like this..

I could hold you like this forever. **(softly, lovingly)** You're my baby..~ mnn.. All mine... **(Soft breaths)** Please.. Move for me.. Ah.. It's okay, you can move your hips now...

(Breath hitch as they start moving slow, soft slow breaths) .. ah.. Hah.. That's so good, baby.. You feel so perfect...

(Soft, slow moans and breaths for a while)

I can't.. Help but to move too.. You feel amazing.. So wet and warm, so perfect for me... Your body's heating up so much... Do you feel good too baby? Ngh- that's it... Keep going, baby...

Your moans are so soft and sweet.. You're making me melt.. **(Soft, breathy little chuckle, and he kisses the listener)** Mmm.. I love you.. I love you so much.. Your body's so beautiful, I could stare at you all day while you ride my cock like that...

Just.. ah... trace my hands along your beautiful shape.. Nnn.. The way your soft skin looks under the light of the fire.. You're like a painting, baby.. A work of art.~

(Soft breaths and moans for a while)

Oh, fuck.. Yeah, that's it baby.. Roll your hips on me like that.. You're so sexy.. **(They speed up their pace just a bit)**

God if you keep that up.. I can't.. Ah.. I won't be able to last... Please.. Ngh..!

(Soft, but slow heavy breaths for a bit)

(Mumbling lovingly) Baby, I love you, I love you.. Love you so much... M'gonna.. I can't... You feel so good I can't hold back..

Ahh.. hah... You gonna cum too? **(Soft breaths)** Cum with me.. It's okay, baby.. Let's cum together okay? **(Praising, whispering)** Come on.. Come on, baby...

Ah..! Hah, fuck.. I'm- I'm cumming baby... **(He breathes and moans softly, then orgasms, clinging to the listener)**

(Soft breaths as he comes back down) .. Nnn.. Hah.. God you're so perfect.. That was amazing. You always make me feel so good... Mn.. **(Kiss)** I hope I made you feel good too, love.

Mmm.. You're so sweet. I'm so glad you felt good too~ Heh.. c'mere, you. **(Soft shuffling as they get comfy)** Mnn.. We'll get cleaned up tomorrow. Hopefully by then we'll have warm water..

For now... I wanna hold you. Stay nice and close with you by the fire...

(Soft happy hums and breathing for a bit, gentle stroking)

I mean it when I say I love you, baby. From the day I met you.. I've loved you so much I hardly even know what to do with myself.. **(Soft chuckle)** Mn.. **(Kiss)** I'm dozing off.. Sorry. Just feels so good to be so warm and cozy next to you...

Lets' get some sleep for now... If the fire fades, I'll put some more logs on, so don't you worry. Mmm.. Goodnight, baby.
