[car engine noises]

Hey, you're awake...did you sleep ok? I hope the drive wasn't too bumpy. You knocked out about an hour ago so I just let you rest.

You want to drive so I can take a break? No, that's ok. We're about 20 minutes away from the next stop, anyways. I'll just try my best to stay awake. Don't give me that look, I promise I'll be alright. If you're still tired, you can get more sleep. I don't mind.

You'd rather stay awake with me? You're adorable. Ok then, what should we do to pass the time? There's not much we can do while I'm driving, but I'm sure we can think of something. I've just been listening to music since you fell asleep and I'm so bored.

...

You have an idea? What did you have in mind? Will it keep me awake? You're nodding...but also blushing. Now I'm intrigued. What is it?

No no no, you can't back out now. I won't let you. C'mon...just tell me. You owe me for letting you sleep during your driving shift.

Promise not to tease you? Why would I tease you? What are you up to...?

[pants unbuckling and unzipping] Wait...what are you doing? No way...seriously? Are you really about to give me head while I'm driving? [wet sfx] [moans] You're...nnggh...crazy. I didn't realize you were into this kind of thing.

[wet sfx] I guess this is one way to keep me awake...though, it's kinda...mmm...difficult to drive with you down there. [wet sfx stops] I didn't say to stop. Keep sucking, baby. It feels good.

[wet sfx and improv noises] Fuck...this must be a new kind of torture...I can't fuck your face if I have to drive. How am I supposed to focus if you're sucking on my cock like that?

[wet sfx] Eyes on the road? [laughs] Just you wait...once we arrive at this hotel, I'm gonna wipe that smirk off your face.

[wet sfx and improv noises] Shit...you're taking it so deep. This is so hot...I've never done this while driving before. Who knew I'd enjoy you sucking my dick in public this much.

[wet sfx] (teasing) Careful, there's a car coming. Keep your head down. *[choking sfx]* That's it~. I would hate for us to get caught while we're having so much fun, wouldn't you? They're almost gone~. You can do it. Choke on my cock, baby.

Ok, they passed us. *[choking sfx stops]* You can breathe now. You did so good for me. Aww, you're drooling. You're so cute. Keep sucking, I feel like I'm gonna cum soon.

[wet sfx] Fuck...you're gripping my thigh so tight...your nails are digging into me. Are you enjoying yourself? I bet you're a mess in your pants right now. Wait...have you been touching yourself this whole time? God...how did I get so lucky to end up with a cute little slut like you?

[wet sfx] I'm gonna cum...fuck...don't move your mouth. Swallow every last drop I give you. I don't want to get the car dirty. *[improv noises]* Shit...I'm cumming...take it deep, baby...nng! *[moans]*

[heavy breathing] Did you swallow it all? God, you're so fucking sexy. Look at the drool and cum spilling down your chin...shit...I can't take it anymore...I'm pulling over.

Yeah, I know the next stop isn't for another 10 minutes, but I can't wait ten minutes. I need to be inside of you now.

[car engine stops]

(impatient) Take your pants off...quickly...and get on top of me. *[clothing sfx]* Spread your legs. Let me see you. Fuck...look at how wet you are...did you cum while sucking me off? God, I feel like I'm gonna go crazy.

Suck on my fingers...get them nice and wet so I can stretch you out.

You don't need any prep? Wow...you must be just as desperate as me right now. I'm gonna fuck you so hard, that anyone passing by will be able to tell exactly what we're doing in this car. You better hope no one has their windows rolled down, because I'm about to make you scream.

[wet sfx] Nngh...fuck...you're so tight. Relax, baby. I'm barely halfway in. *[moan]* There you go. Take me all the way to the base...hah...you feel amazing. You doin ok? Good. Think you can start riding me? I'm losing my mind a bit here.

[wet sfx] Shit...keep bouncing like that...it feels so good. You're making the whole car shake, baby. *[improv moans]* You really surprise me, sometimes. I never thought you'd initiate...nng...car sex. Keep surprising me...I love everything you do.

[wet sfx] I need to go faster...grab onto me, baby. *[improv moans]* You love it when I fuck up into you while you ride me. God, you're moaning so fucking loud. Scream my name. Let everyone outside know who's dick is inside of you right now.

[wet sfx and improv noises] Listen to the sounds your hole is making right now...it's so lewd. Does it turn you on to do this where people can see us? No? Don't lie to me. You can't keep up that innocent act forever. You're the one who shoved my dick down your throat not too long ago.

[wet sfx] If only you could see the expression you have on your face right now. I've never seen you so turned on before...fuck...I feel like I'm gonna cum again. Just look at what you do to me...you make me so horny.

[wet sfx and improv noises] I'm close, baby...squeeze me tighter...fuck yes...you're so good...so fucking good for me...you're so perfect...I'm cumming! *[loud moans]* *[heavy breathing]*

That was...amazing...holy shit. Look at the fog on the windows...we really got steamy in here. I just got my car cleaned...so do me a favor. Keep my cum inside of you until we get to our room...don't let a drop of it spill out. Think you can do it?

You're nodding your head so enthusiastically. So eager to please, aren't you? Did that turn you on again? *[laughs]* I don't know who's more perverted...me or you.

Now...put your pants back on and I'll drive us the rest of the way. I hope you're up for round three...because I'm gonna devour you once we get inside our hotel room...be prepared.
