

Hey, let's get started.

Grab!

Get it over with before he comes.

OK.

Wh... What?!

What the hell are you...!??

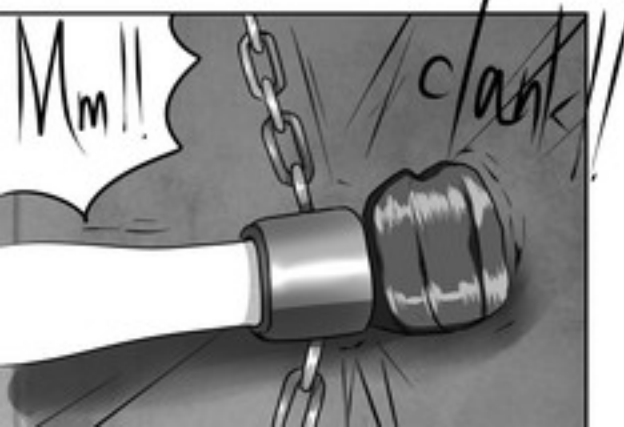

There's no time to waste.

Ouch!!

Thud!

I'll leave her feet to you.

Sorry,
Yukiko.

But to recover
your beauty..

I think
I must apply
drastic
treatment.

So
I decided
to make
a new series
for you.

It will be
the memorial
of your fresh start.

Begin.

OK.

We'll record your struggle for about 24 hours.

I think it's enough for you to change your lax attitudes.

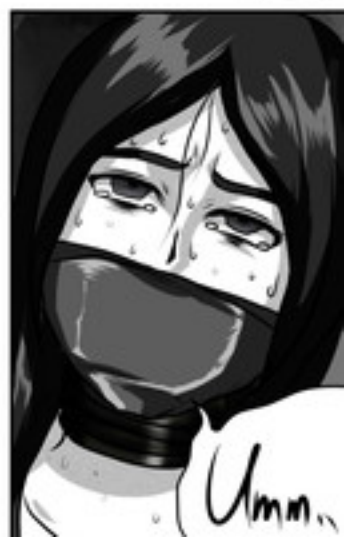

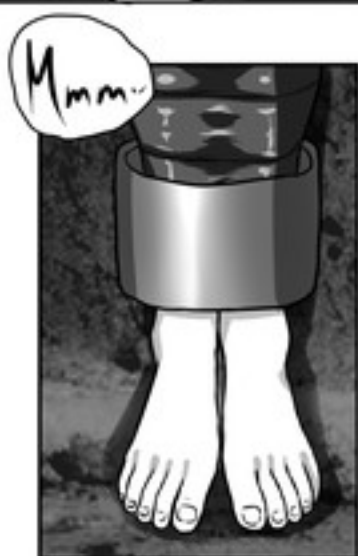

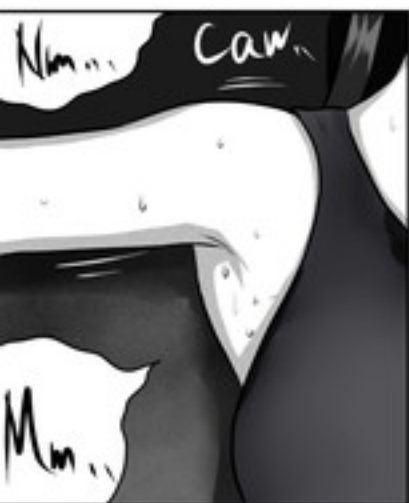

The title is [Cleansing]. It's perfect for you, right?

Well, must be going now.

Don't turn this shooting into a snuff film.

Uh?

Few
months
later..

Oh, it's a
new release!

The [cleansing]...

Hehe, it looks
really seductive!!

Fin.
