Someone call
the ambulance!!

"This is the news today, a big car accident happened.."

Mom!? Are you home!? Where are you?

"..The person is now in critical condition.."

M-Mom..?

Come on.. Come on.. Please pick up your phone, Mom!

No.. No.. They didn't tell on the news who was it!

"The number you call
is not available at
the moment or.."

"S-She.. turned off
her phone!?"

M-My phone!!

W-wait..!!

No matte how many
calls you made, no
one will hear you.

Because.. you are already dead.

Hana..?

We should.. let him rest..

You.. have been through a lot.. Hana..

It's okay, Toko.
I'm getting better..

Am I.. *sob*..
right..? *sob*

H-Hana.. I'm still here.. Your Keichi..

She can't hear your voice anyway.

No..

Come on, let's go. Time is running short for us here.

"What a stubborn soul.."

I'm not dead yet!
I will prove you!

Hana!! I'm Keichi, here!

Wha..?

Still don't believe, hm?

Y-You can fly.. and they can't.. see you..?

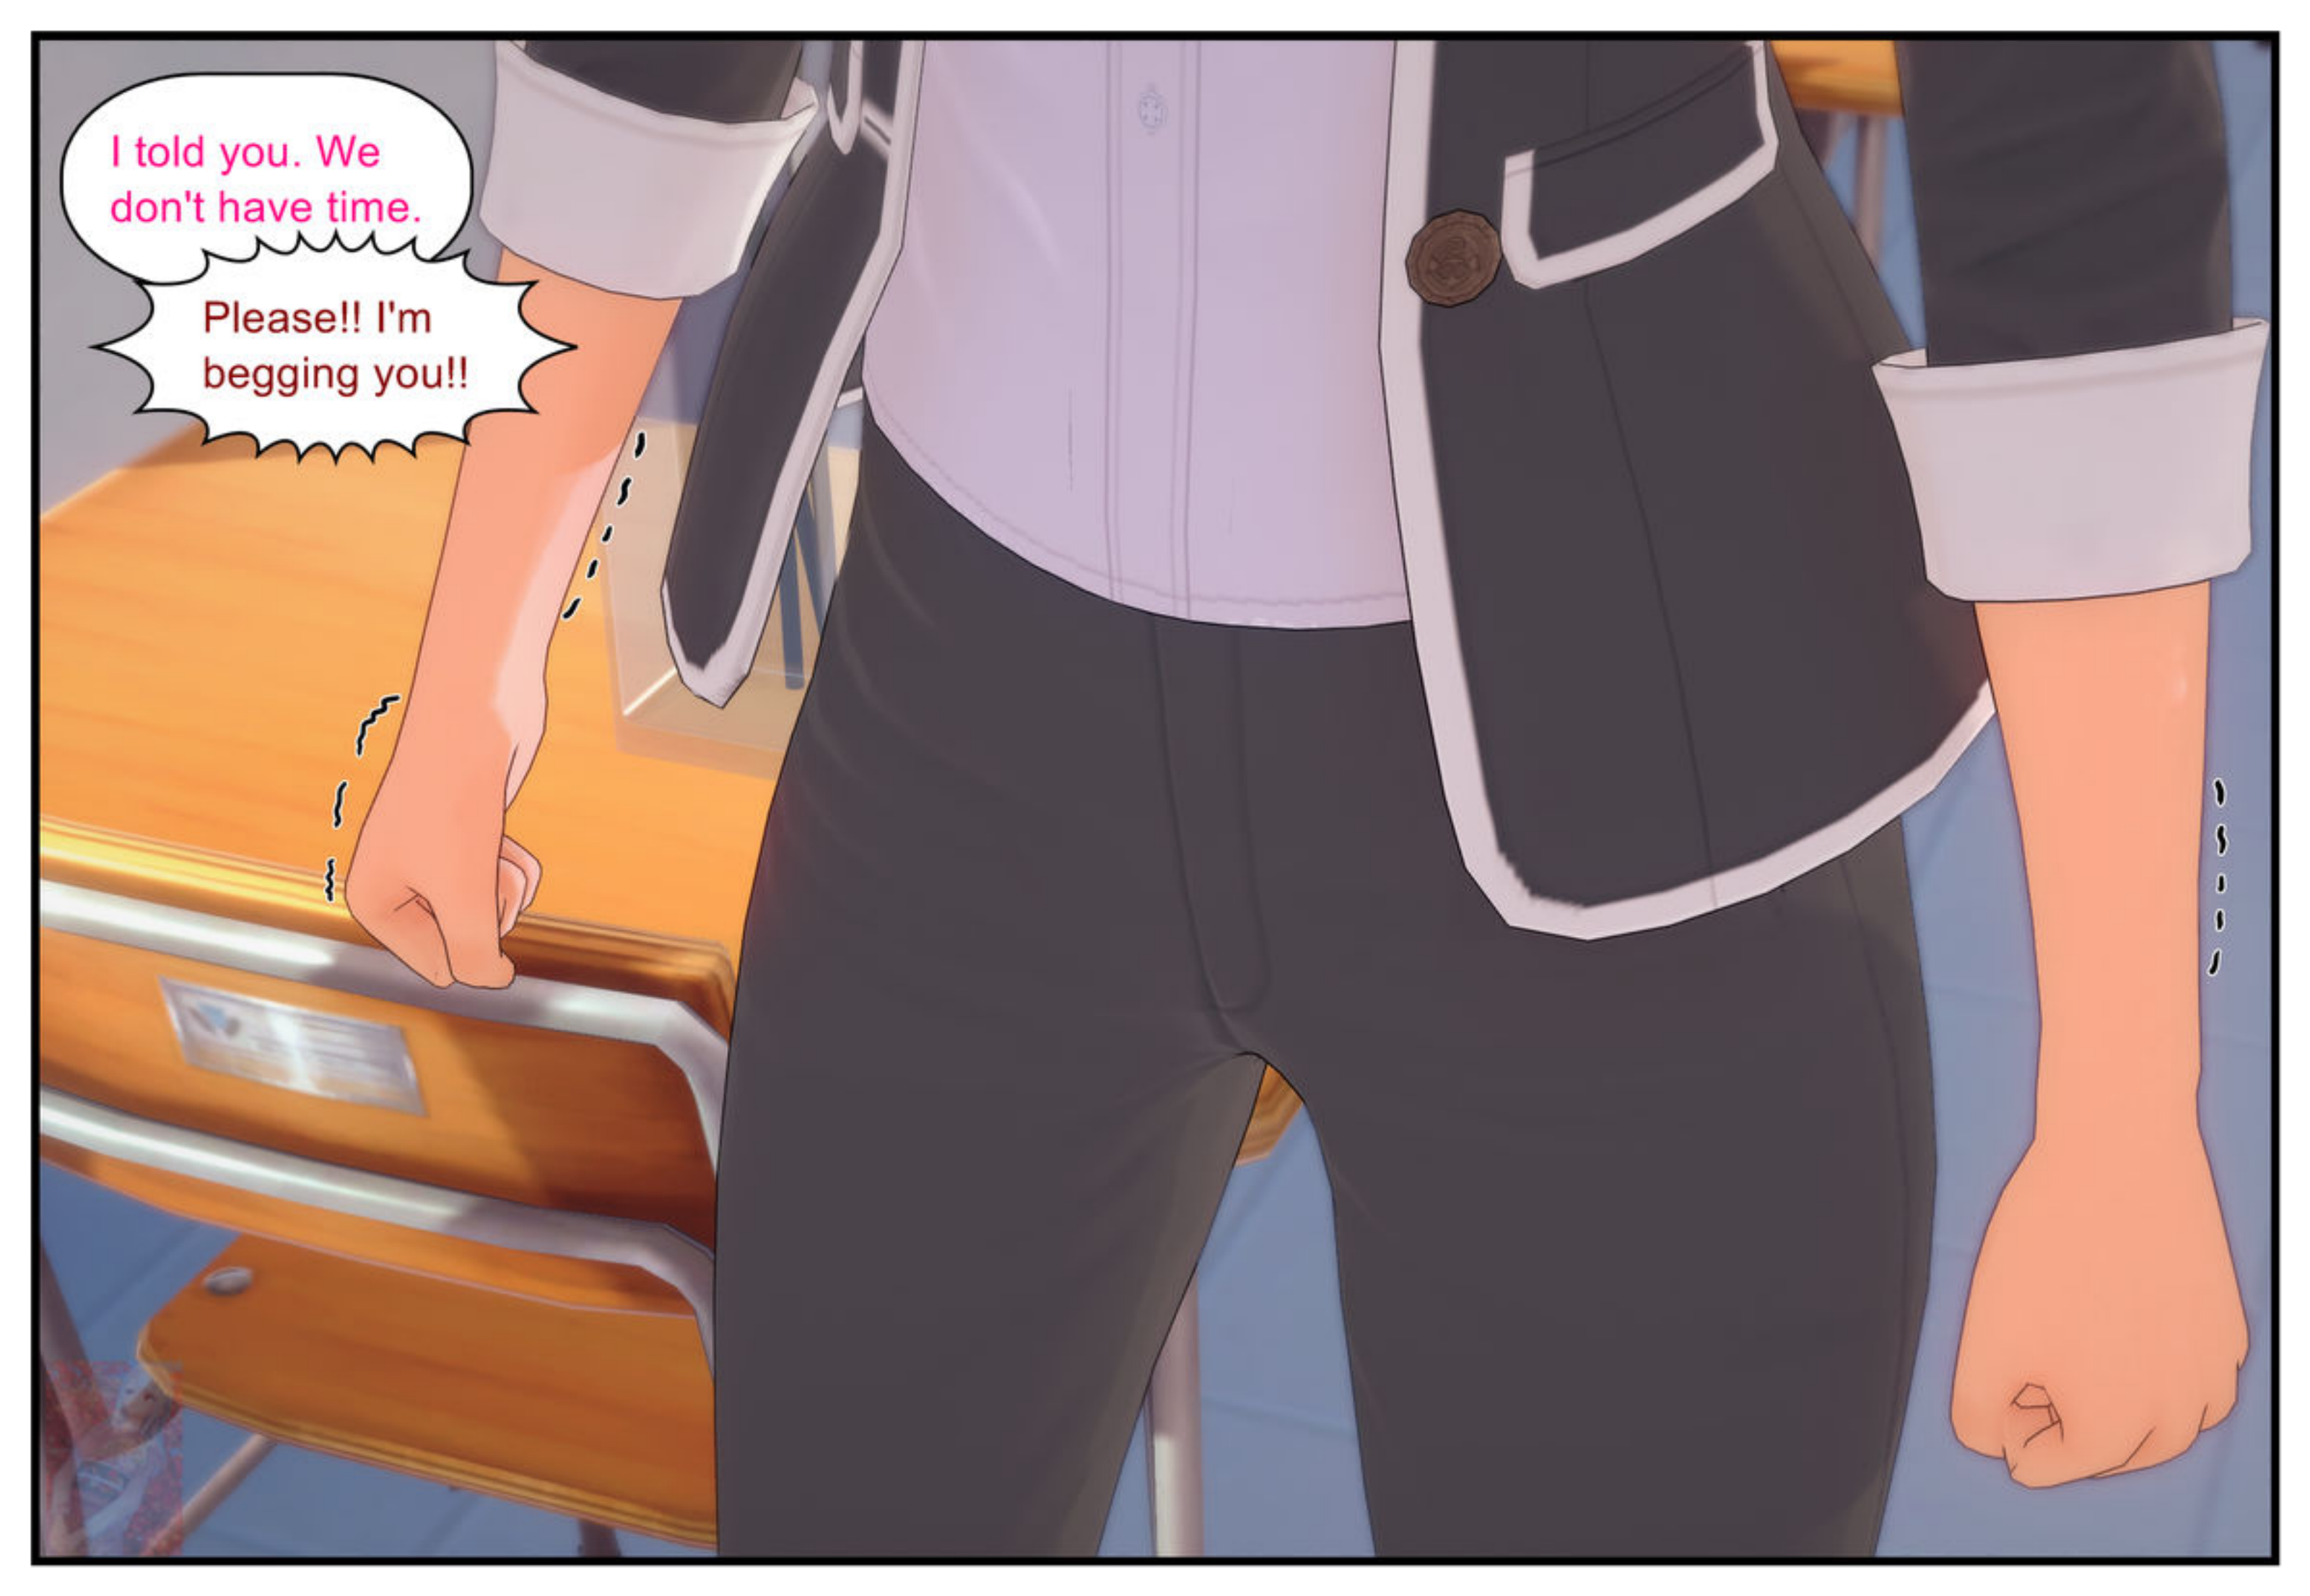

You are a spirit. And
I'm your guide, A
Spirit Collector.

My task is to lead
you back to where
souls should be.

I-If then..!! Please!!
I wanted to do this!

I told you. We
don't have time.

Please!! I'm
begging you!!

Hana.. she is my
childhood's friend..
She confessed to
me.. b-but..

I was a coward!
I didn't tell her
sooner!

Hana still.. waiting
for my answer! I
bet she is!

Just this once,
please!! And I will
go with you!

24 hours..

You are now able
to possess the live
one, and tell Hana
your answer.

Two things, you must made Hana believed it was you.

Not like, you just have a body and said, "I love you." Too confused!

If you break the rules or didn't finish it in time, hell await for your soul.

I-I will get
going now!!

It's.. Toko..
Hana's best friend.

I'm.. really sorry!
But I need your
body for a bit, Toko!

I.. I can't move..
What is happening
to my body!?

Wooooaaaahhh!!!

W-w-wait!! I'm really possessed Toko!?

T-This is..
No.. This..!!

W-What is this..?
My under is..

It's.. a girl's
uraine..

You have to..
let it out..

Don't try to hold it, it's bad for Toko's body.

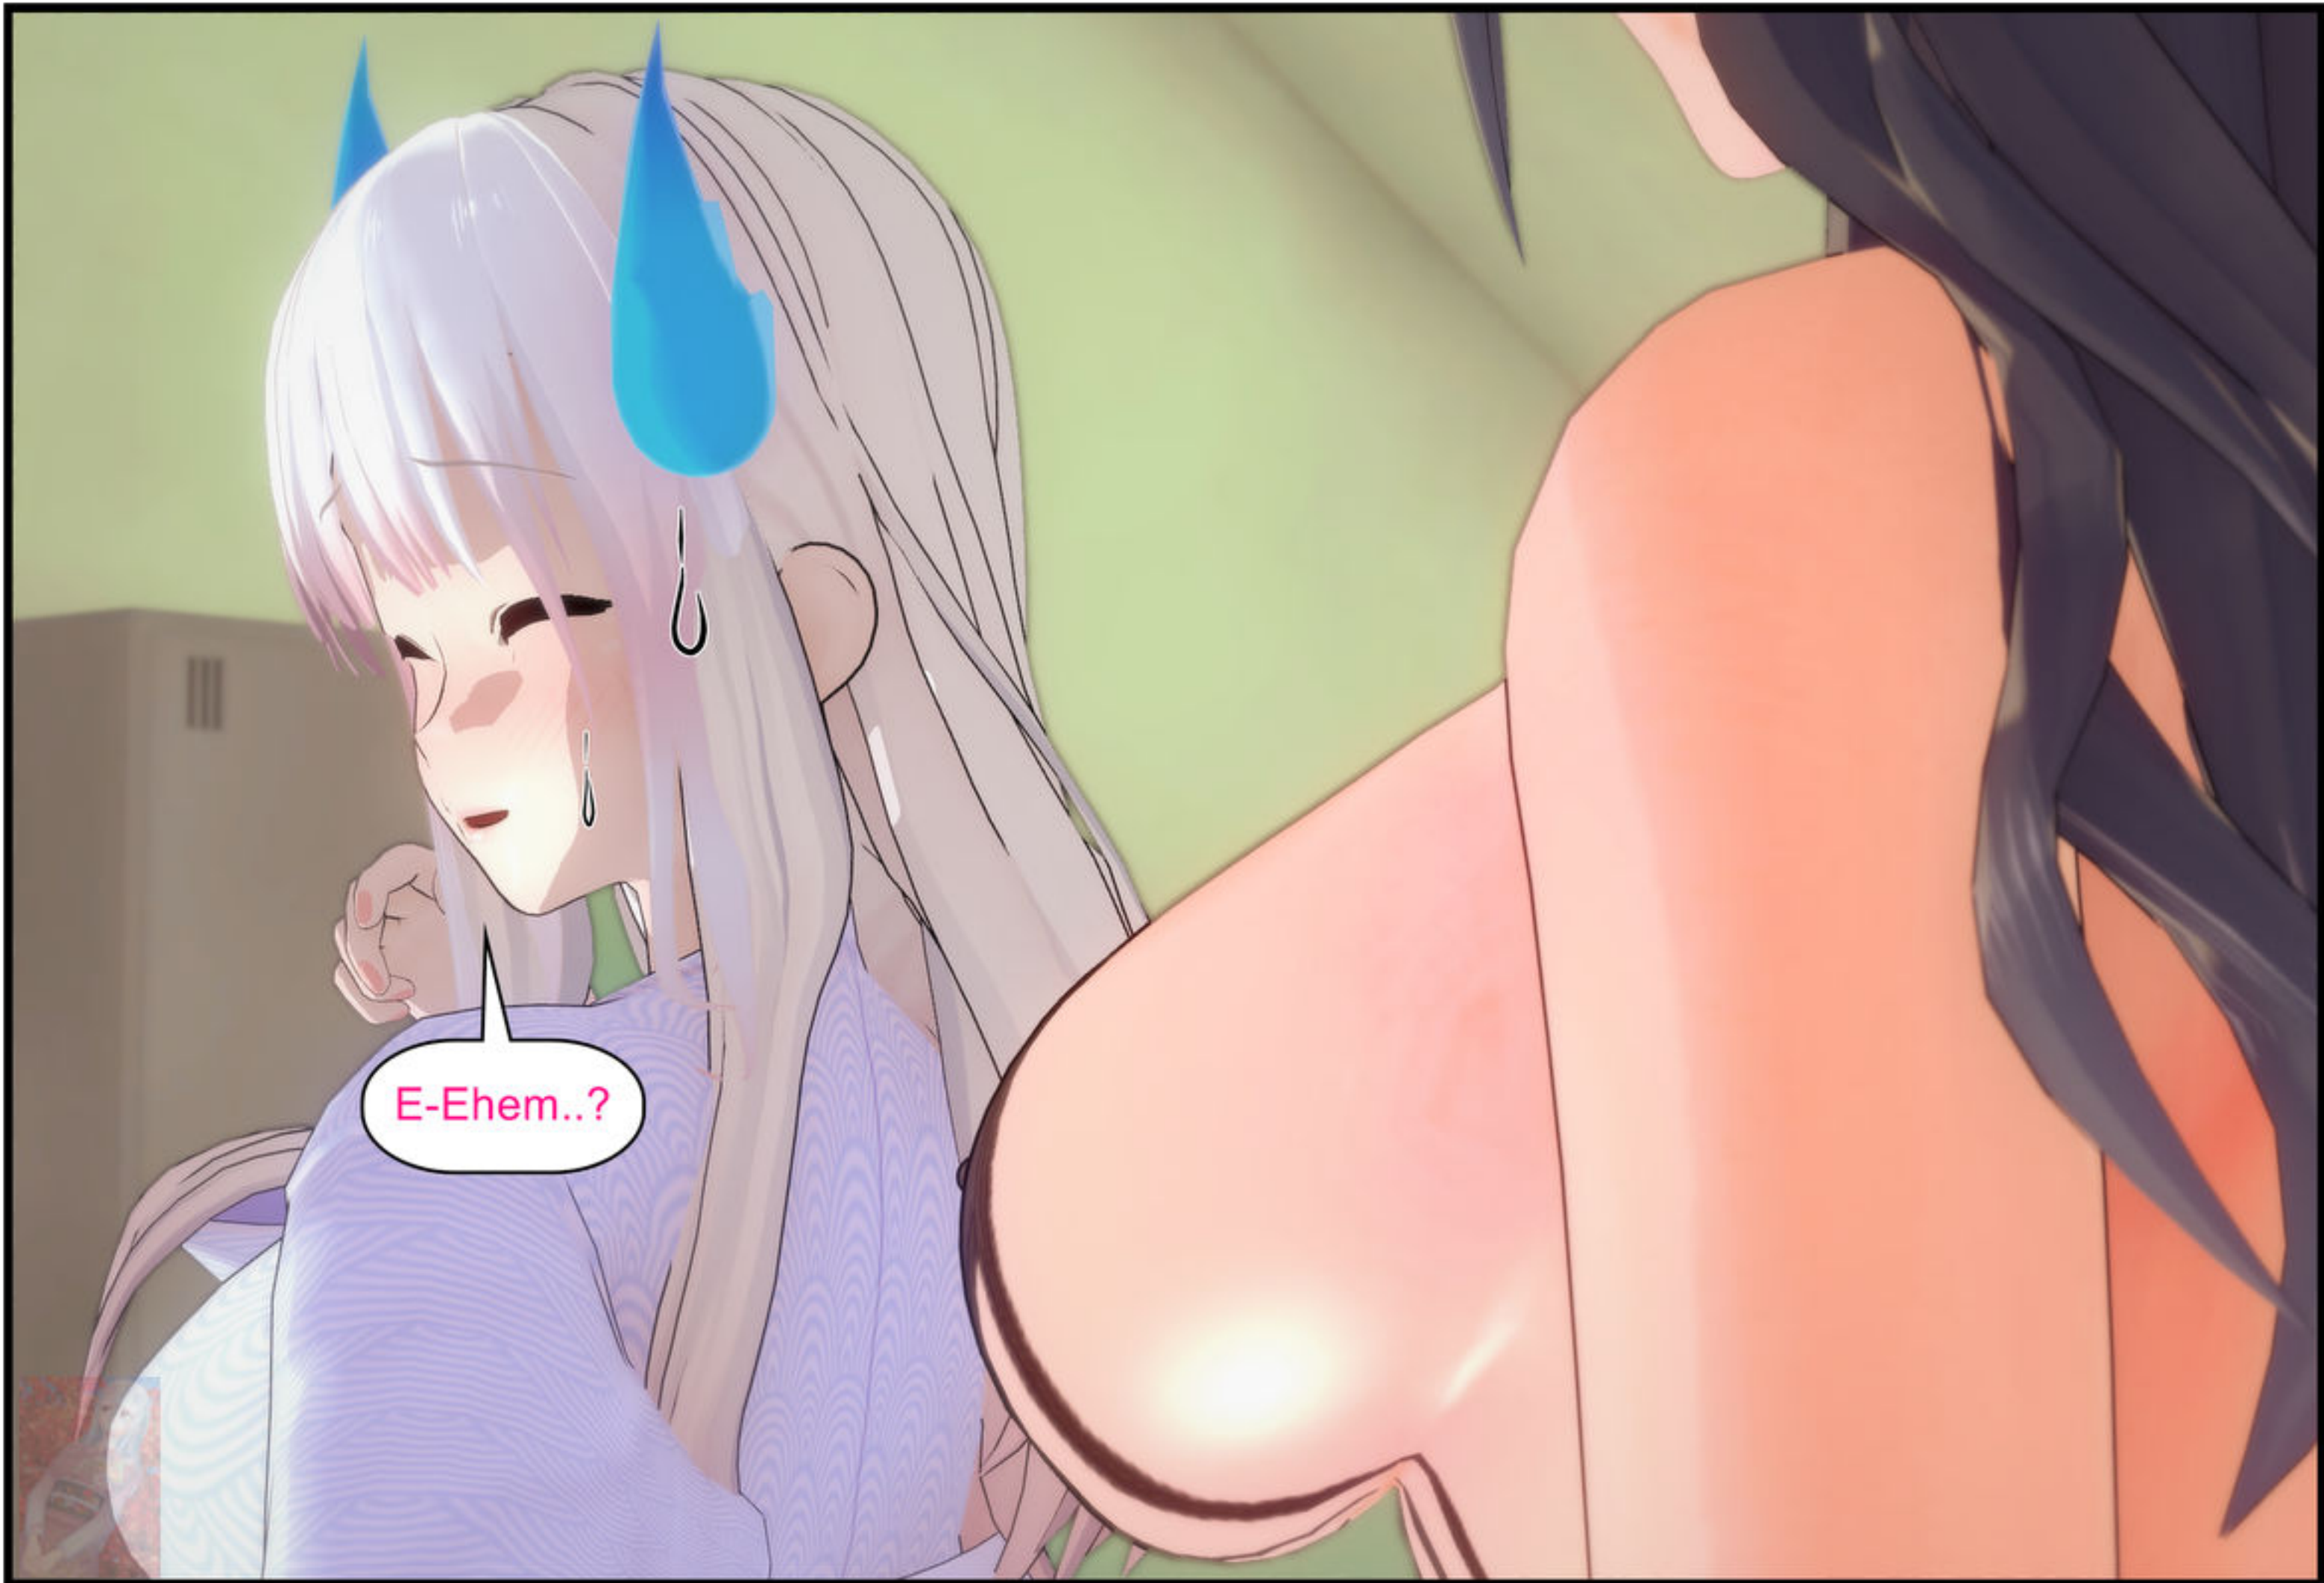

Use your finger..
and make it out..

Ehem..!!

But.. can possess someone made them become that sensitive?

E-Ehem..?

I will need..
an explanation.

"I can't believe that.. I do this to Toko.."

A close-up illustration of a character with long, dark blue hair and purple eyes. She is wearing round, gold-rimmed glasses. Her expression is serious and slightly stern. The background is a warm, yellowish glow, suggesting an indoor setting with soft lighting. A speech bubble is positioned in the lower-left corner, and a text box is in the lower-right corner.

I'm Soul Keeper,
with you being
here is breaking
the rules.

23 hours left..
