

No...No!  
I'm just asking!

Did I tell you  
I just met a new  
student council member  
who showed a strong  
attachment to nerdy  
types?

I think  
I can introduce  
Jisoo to her  
later

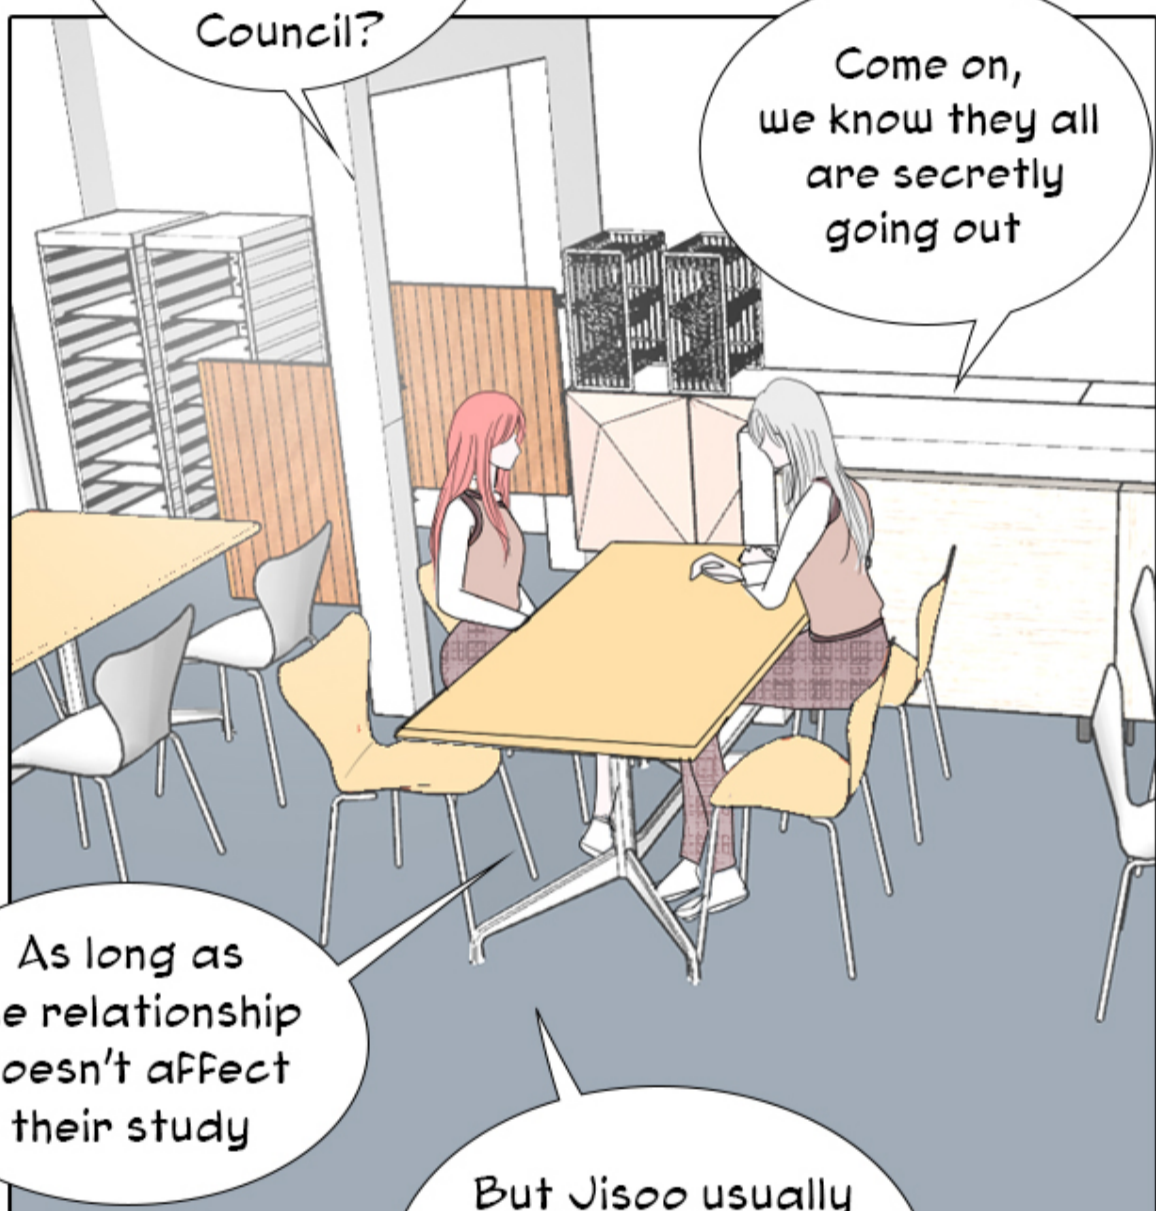

Oh, Why?

Unnie,  
how can you  
say that as a  
Vice President  
of Student  
Council?

Come on,  
we know they all  
are secretly  
going out

As long as  
the relationship  
doesn't affect  
their study

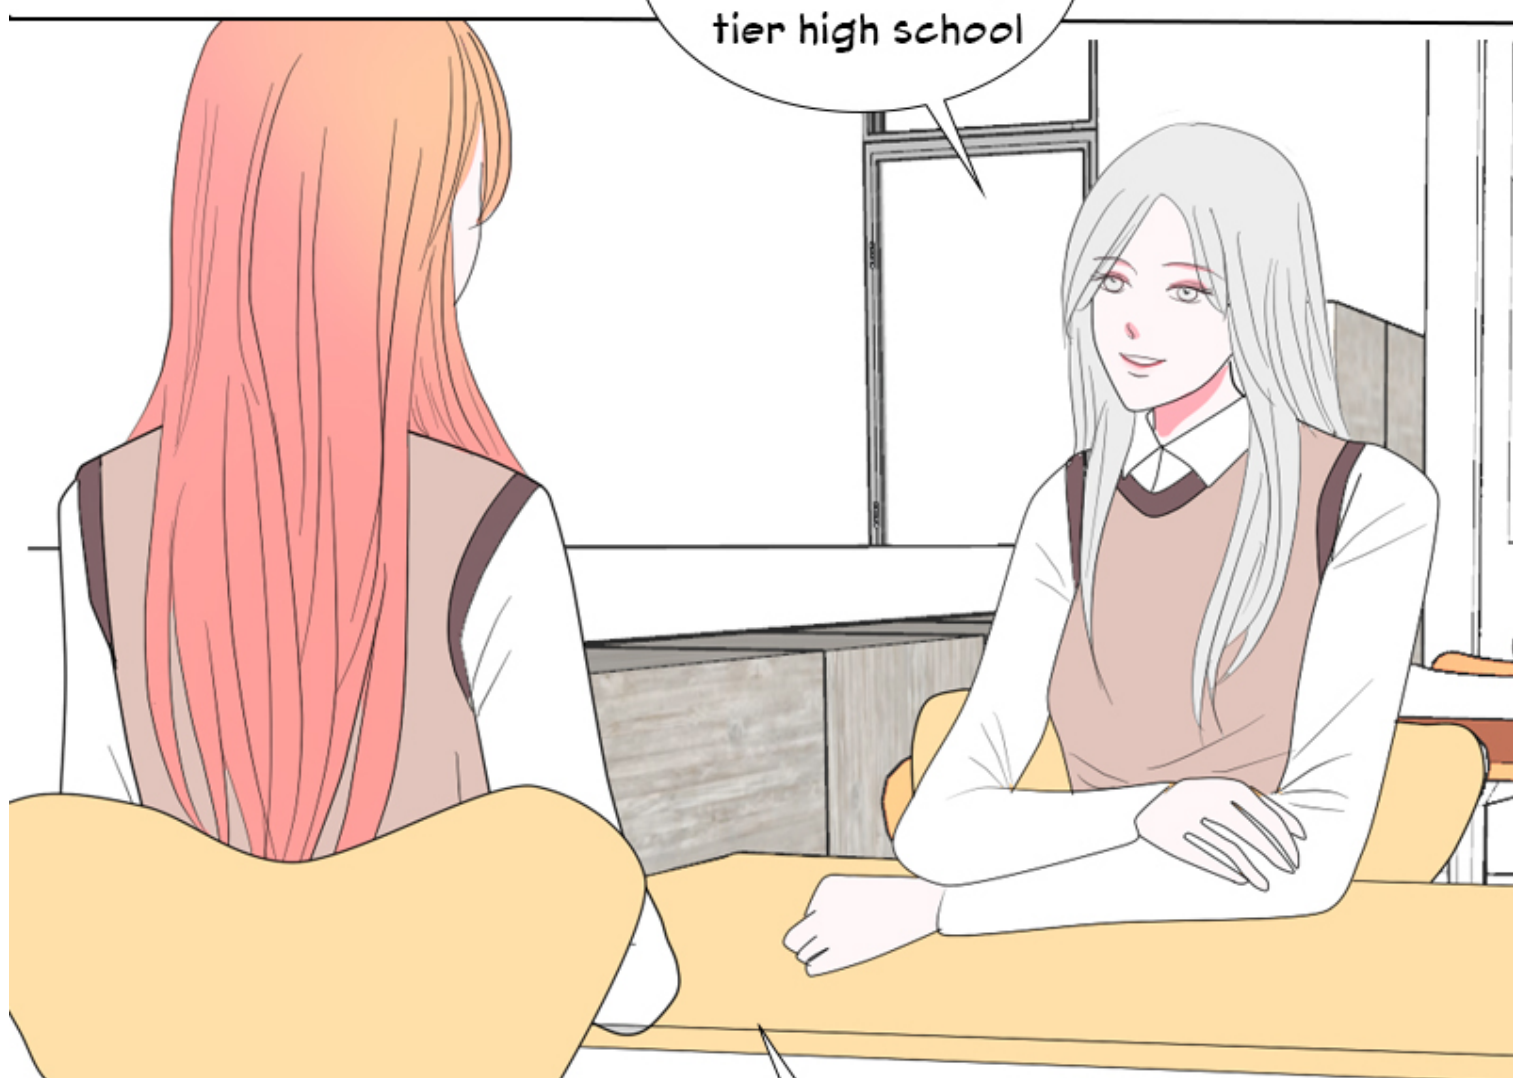

But Jisoo usually  
gets poor grades.  
A relationship will  
only drag her  
down

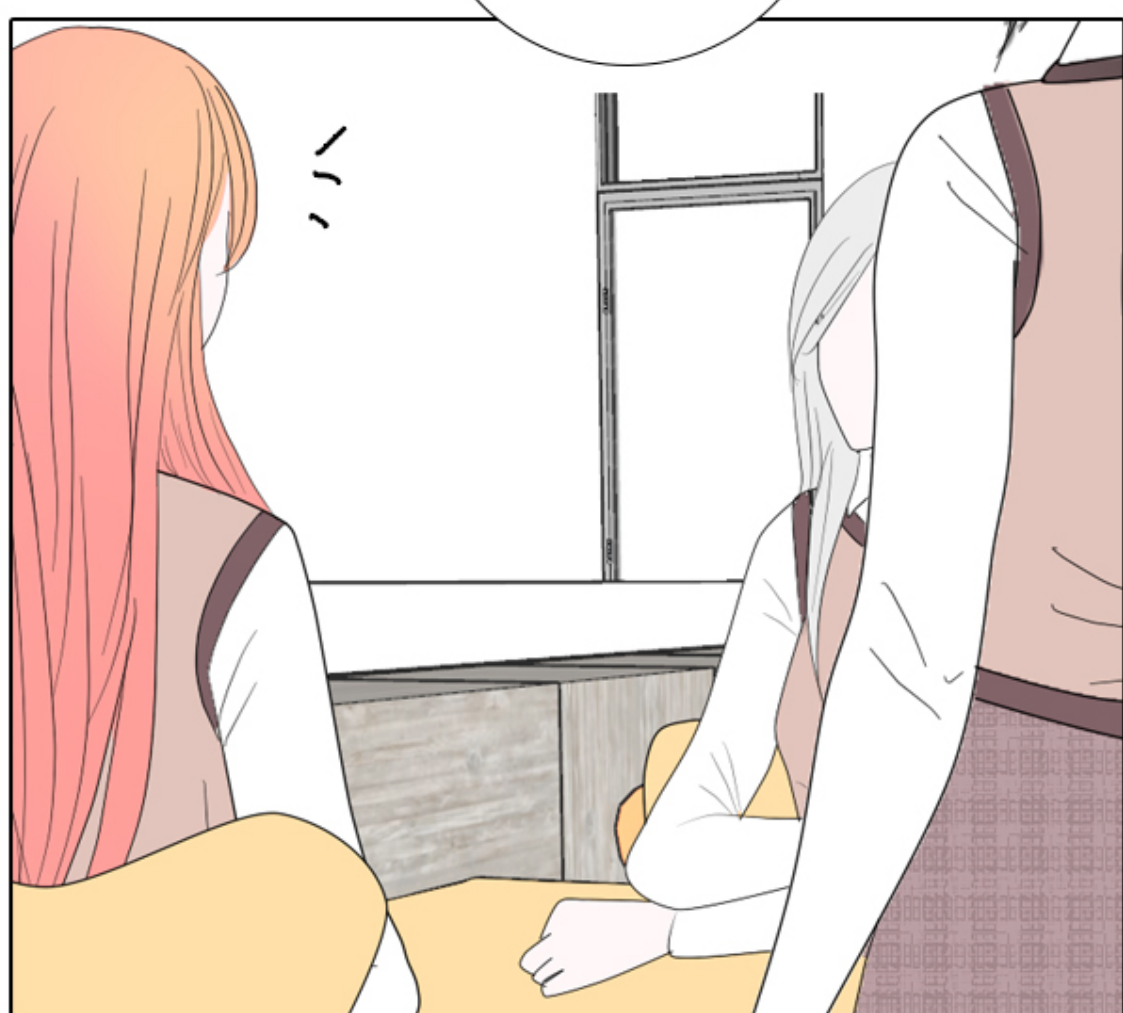

Ah, don't worry.  
This girl will be  
a good influence on  
Jisoo if they start  
to have a thing

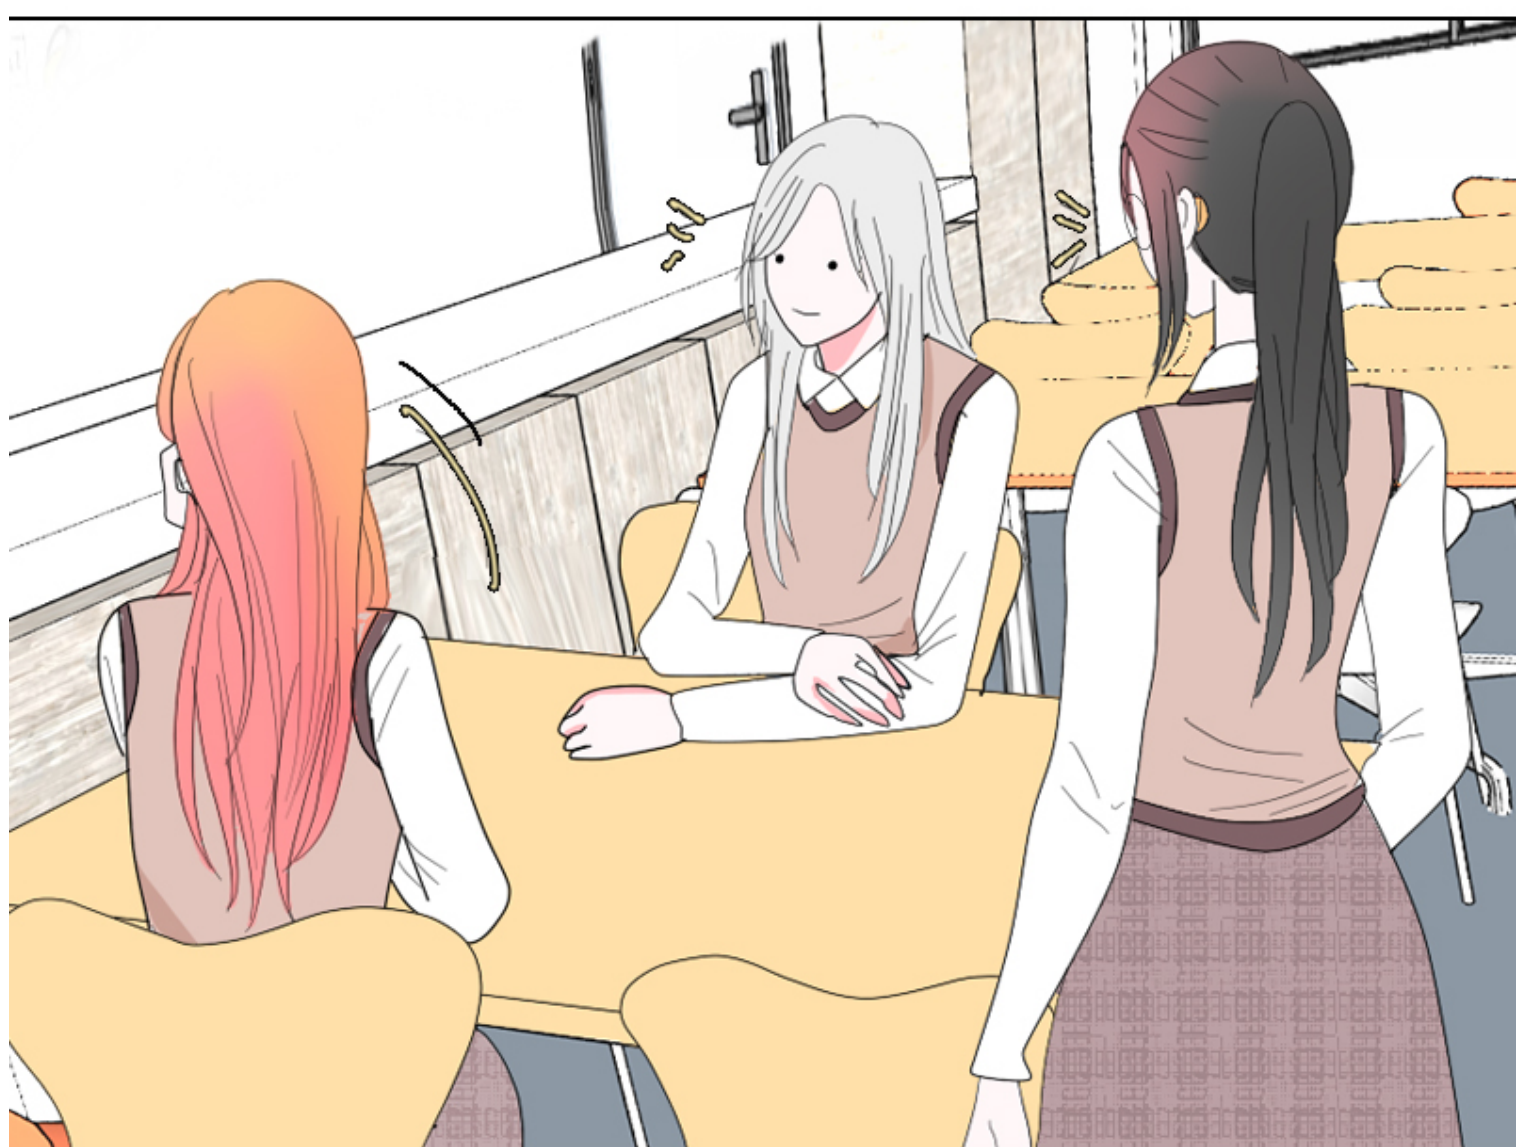

She's a new  
transfer student  
from one of top-  
tier high school

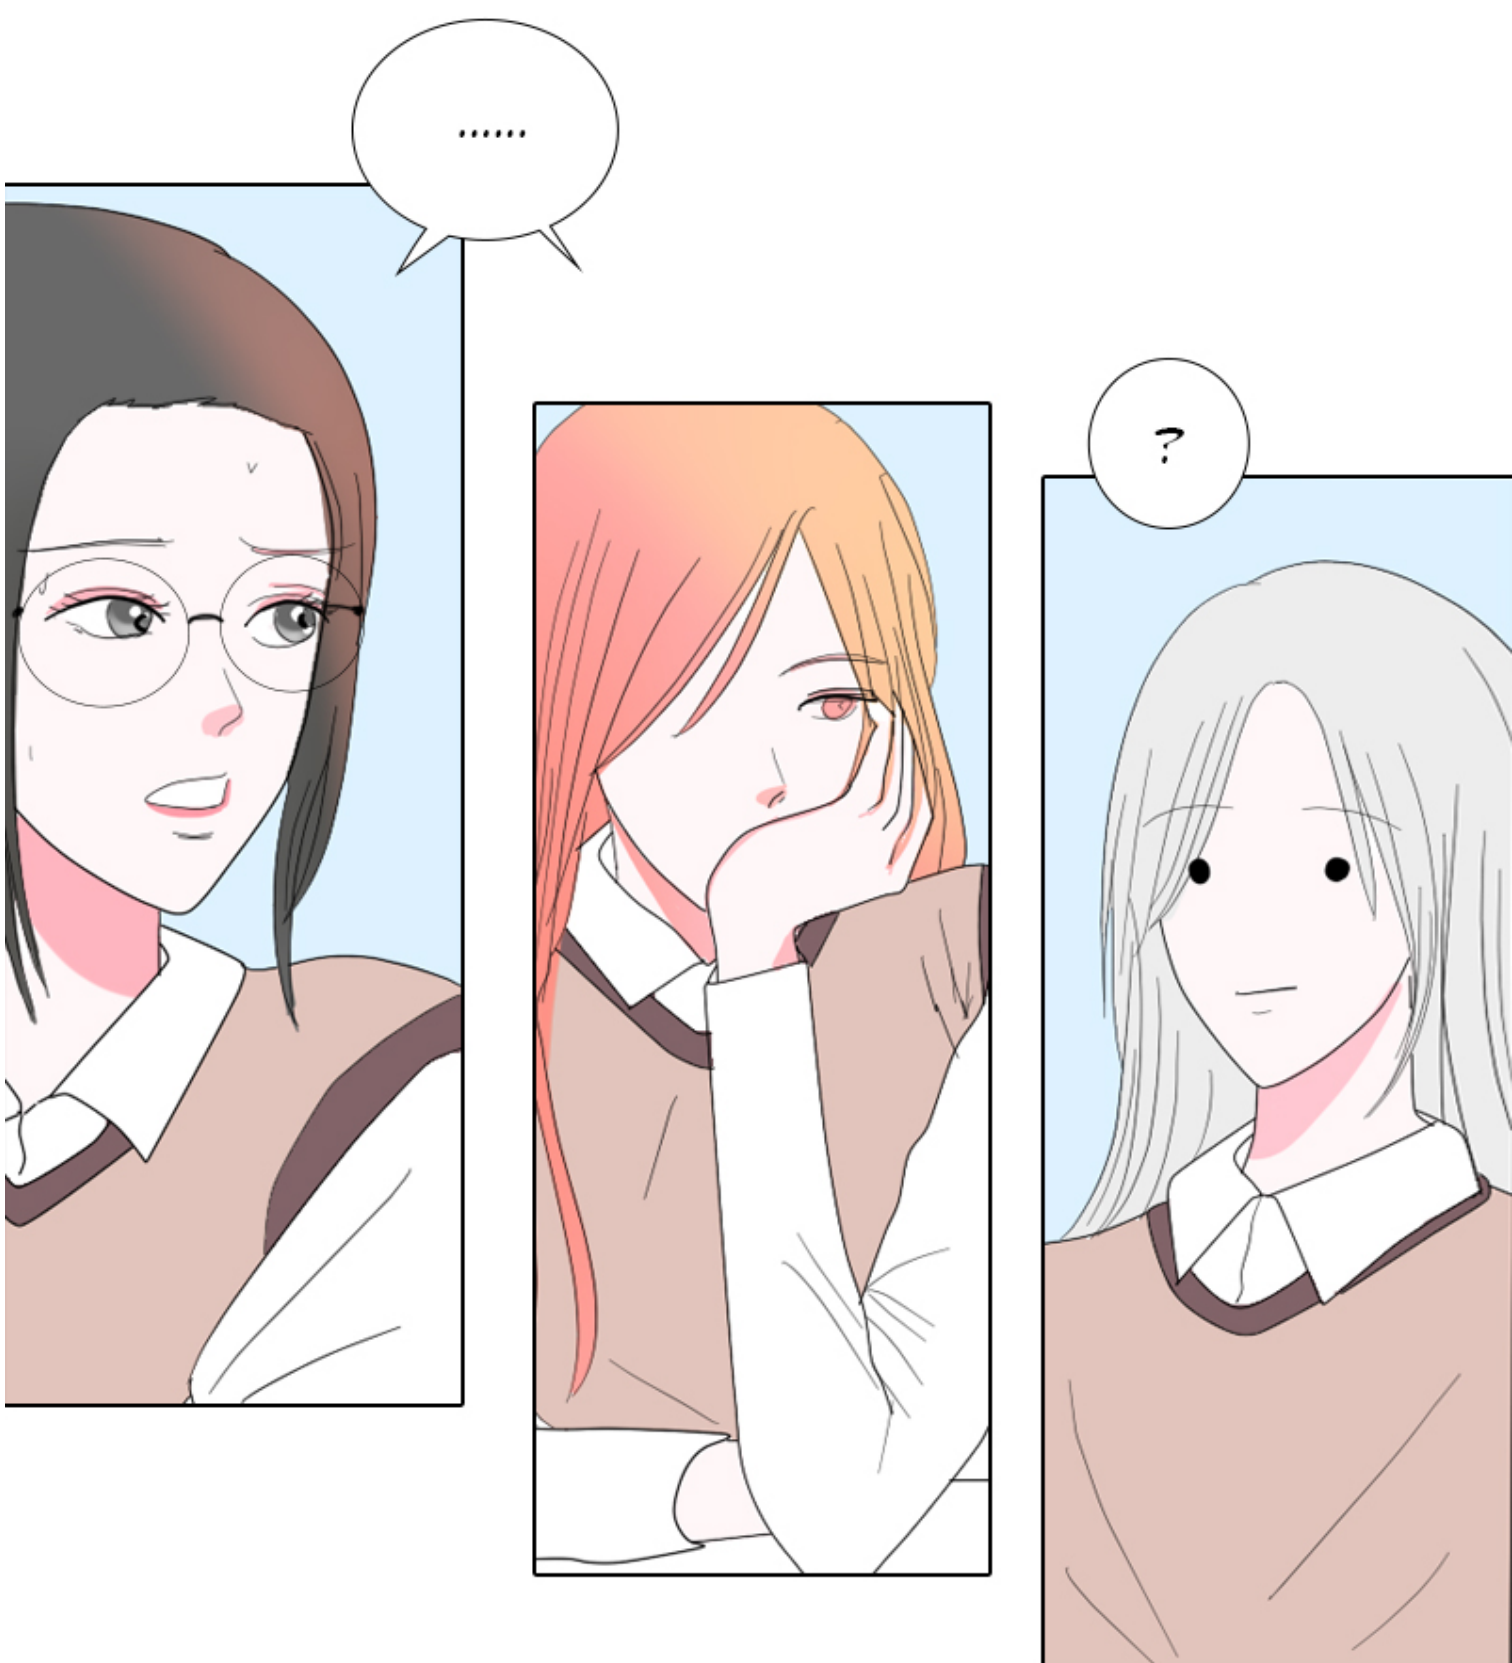

But Jisoo-

I'm back!

Jisoo,  
what type of person  
do you like?

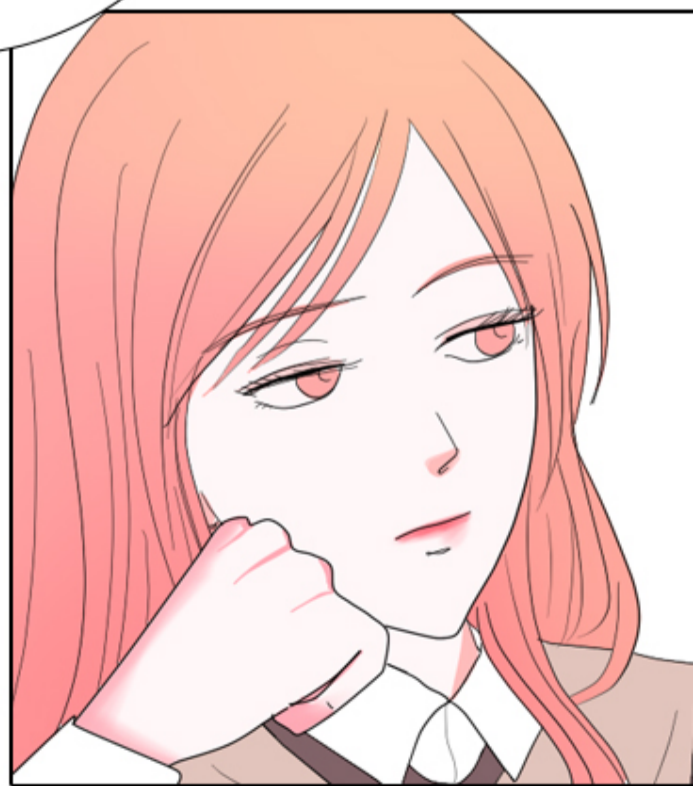

Ah....? What do  
you mean, sunbae?

Your  
ideal type

..Come to think  
of it...I don't actually  
have ideal type...  
Maybe pretty?

That doesn't  
count. It's  
human nature.  
We all like to see  
good-looking  
people

By the way,  
Are you seeing  
someone?

I can't say  
yes, right...?

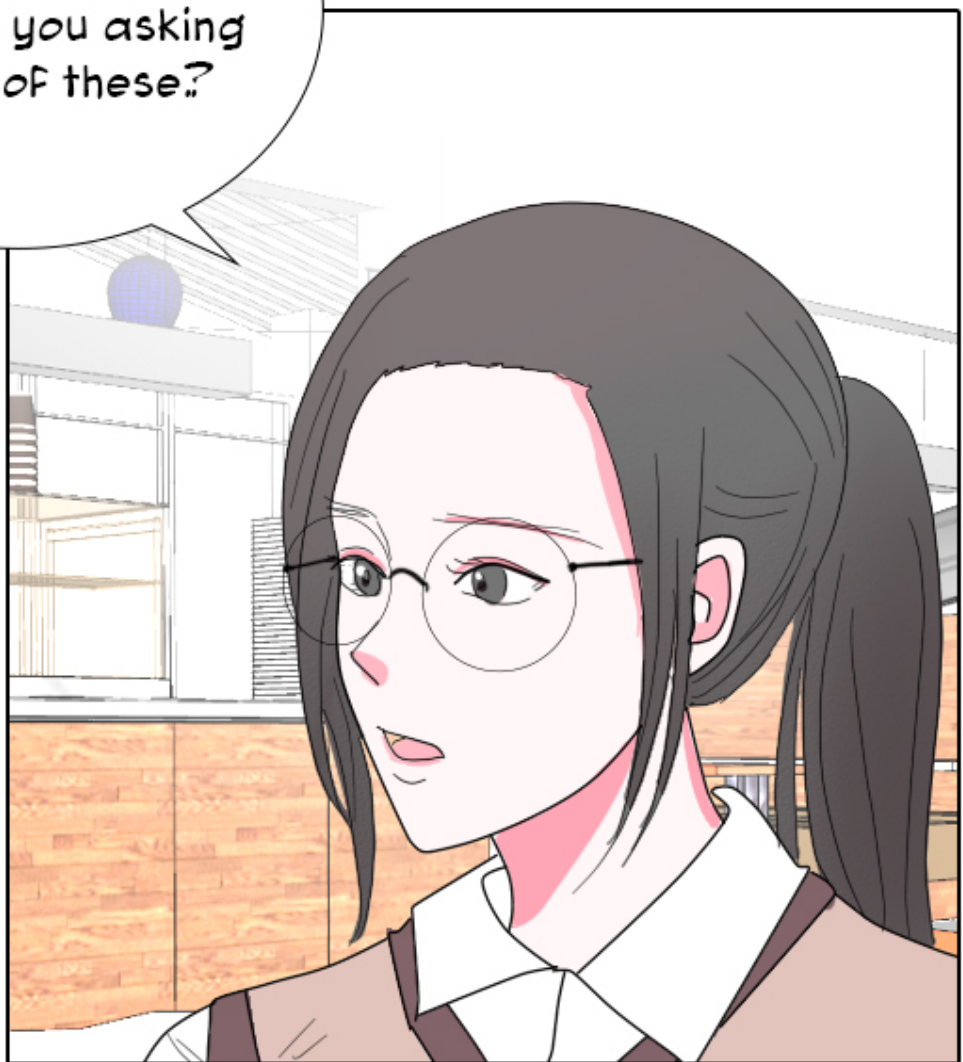

No, sunbae  
I'm not seeing  
anyone

That's good  
Since your Aerin's  
Friend, you're my friend  
too

If I can be any help,  
you can come ask me

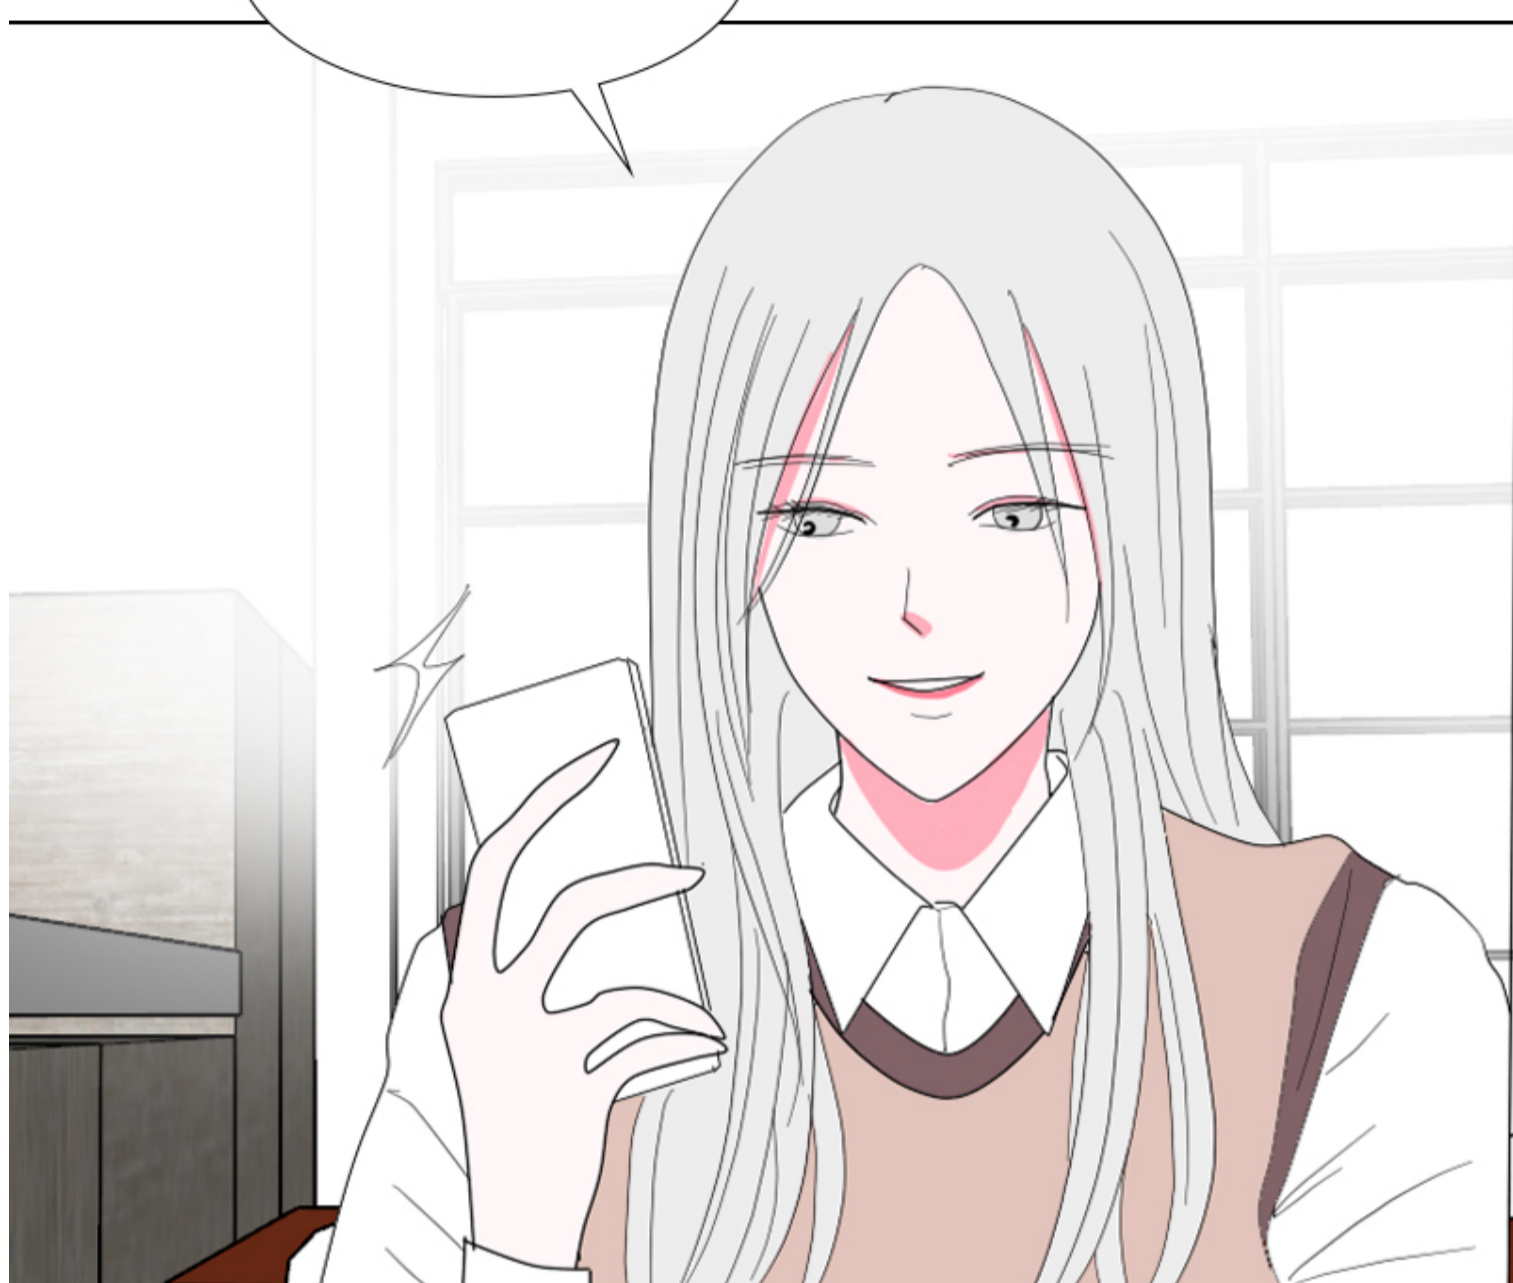

..Ah Thanks  
sunbae

But...it's strange.  
Why are you asking  
me all of these?

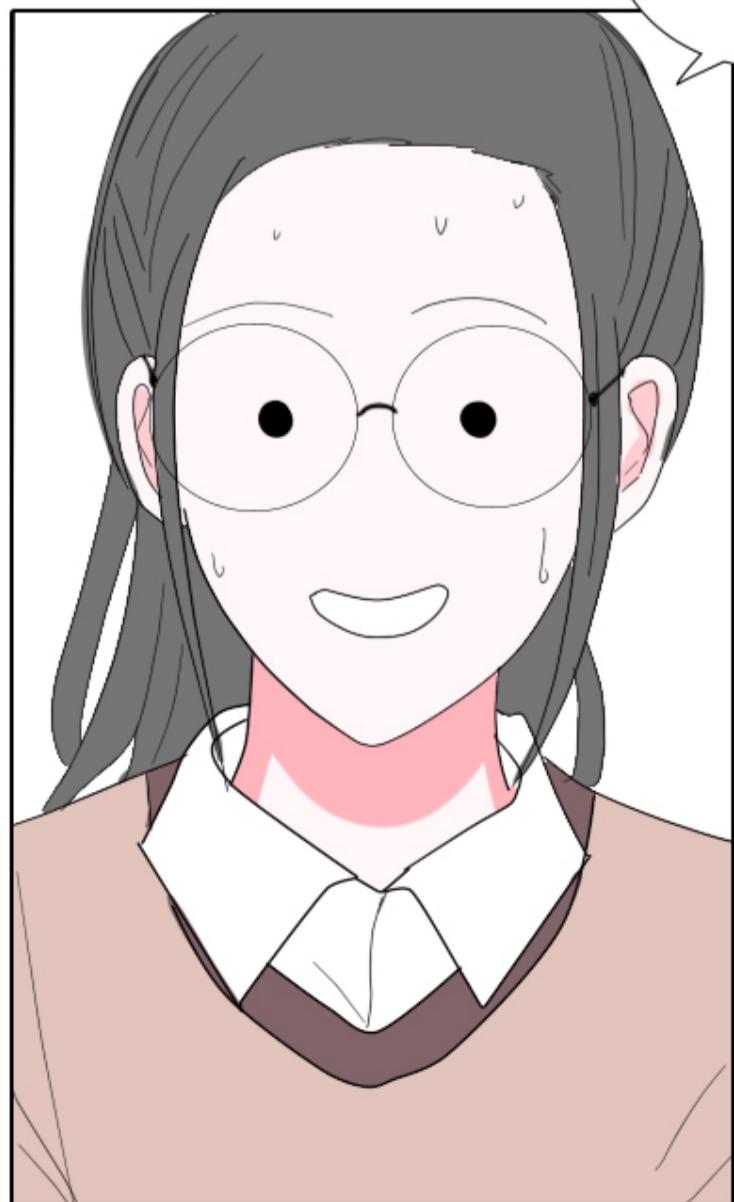

Well, I've got  
a new friend!

She likes  
someone like you~  
Therefore, if you happen  
to like her as well ..  
Let's set up a date!

Ehh?

Well,  
Let me show  
you her photo

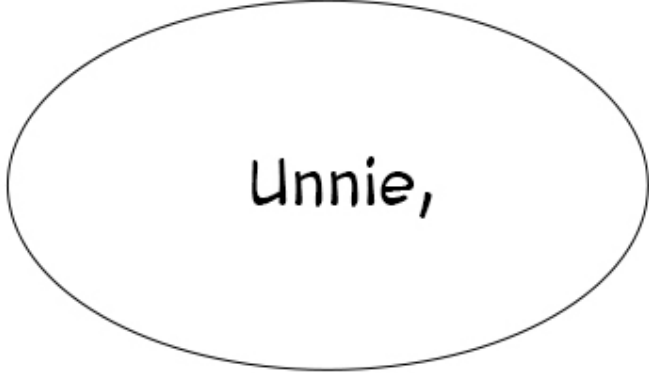

She's very  
pretty... Relax!
