**A Game of Change**  
Part II

Sometime not too long ago in a galaxy surrounding us (but in a parallel fictional dimension called Office Party) ...

Office Party  
Monthly Side Story March 2022  
A Game of Change  
Part II

Marco is playing a board game with his girlfriend Nicole, her sister Julie and her mother Stacey at the Alcone's house. He was actually only invited to dinner and a study session for an exam, but the innocent looking boardgame Julie has bought at the local magic store has turned out to be a transformative trap.

The game keeps the players from walking too far away from it. According to the rules, all changes will be reverted when the game finishes... all but one which is decided by the winner of the game. (Also the winner can make the others forget about the game if he/she so chooses). Breaking off the game is said to have severe consequences.

Forced to play this horrible game of corruption, transformations, and sexiness the four resume to play...

**Cast:**

Stacey (Nicole's Mother) [No underwear]  
Nicole (Marco's new girlfriend) [Cupsiz +1]  
Julie (Nicole's sister) [previously horny]  
Marco (Nicole's new boyfriend) [nothing yet]

I need to win. Then I make them forget and we can live on normally!

God damn it. This game is for real. My underwear has vanished!

How should I have known! It sounded cool and mysterious! Was I to believe magic was real?!

This is working better than expected! I read online about this guy who ordered a magic potion. Women were basically eating out of his hand, or cock in that case, in no time! And if magic is working for him, why should it not help me in getting Marco. I just need to win this game!

I can't believe you got us trapped in a creepy magical game! Marco and I should be studying right now!

I'll win! And then I'm gonna stick it to her for ruining my date plans! I mean study plans!

Trapped in a lewd magical game with three super hot women... I can see potential...

If I win, I can make any single change permanent...

So where were we?

Julies turn, I guess.

Right...  
\*gulp\*

Please let me roll something good!

Here I go!

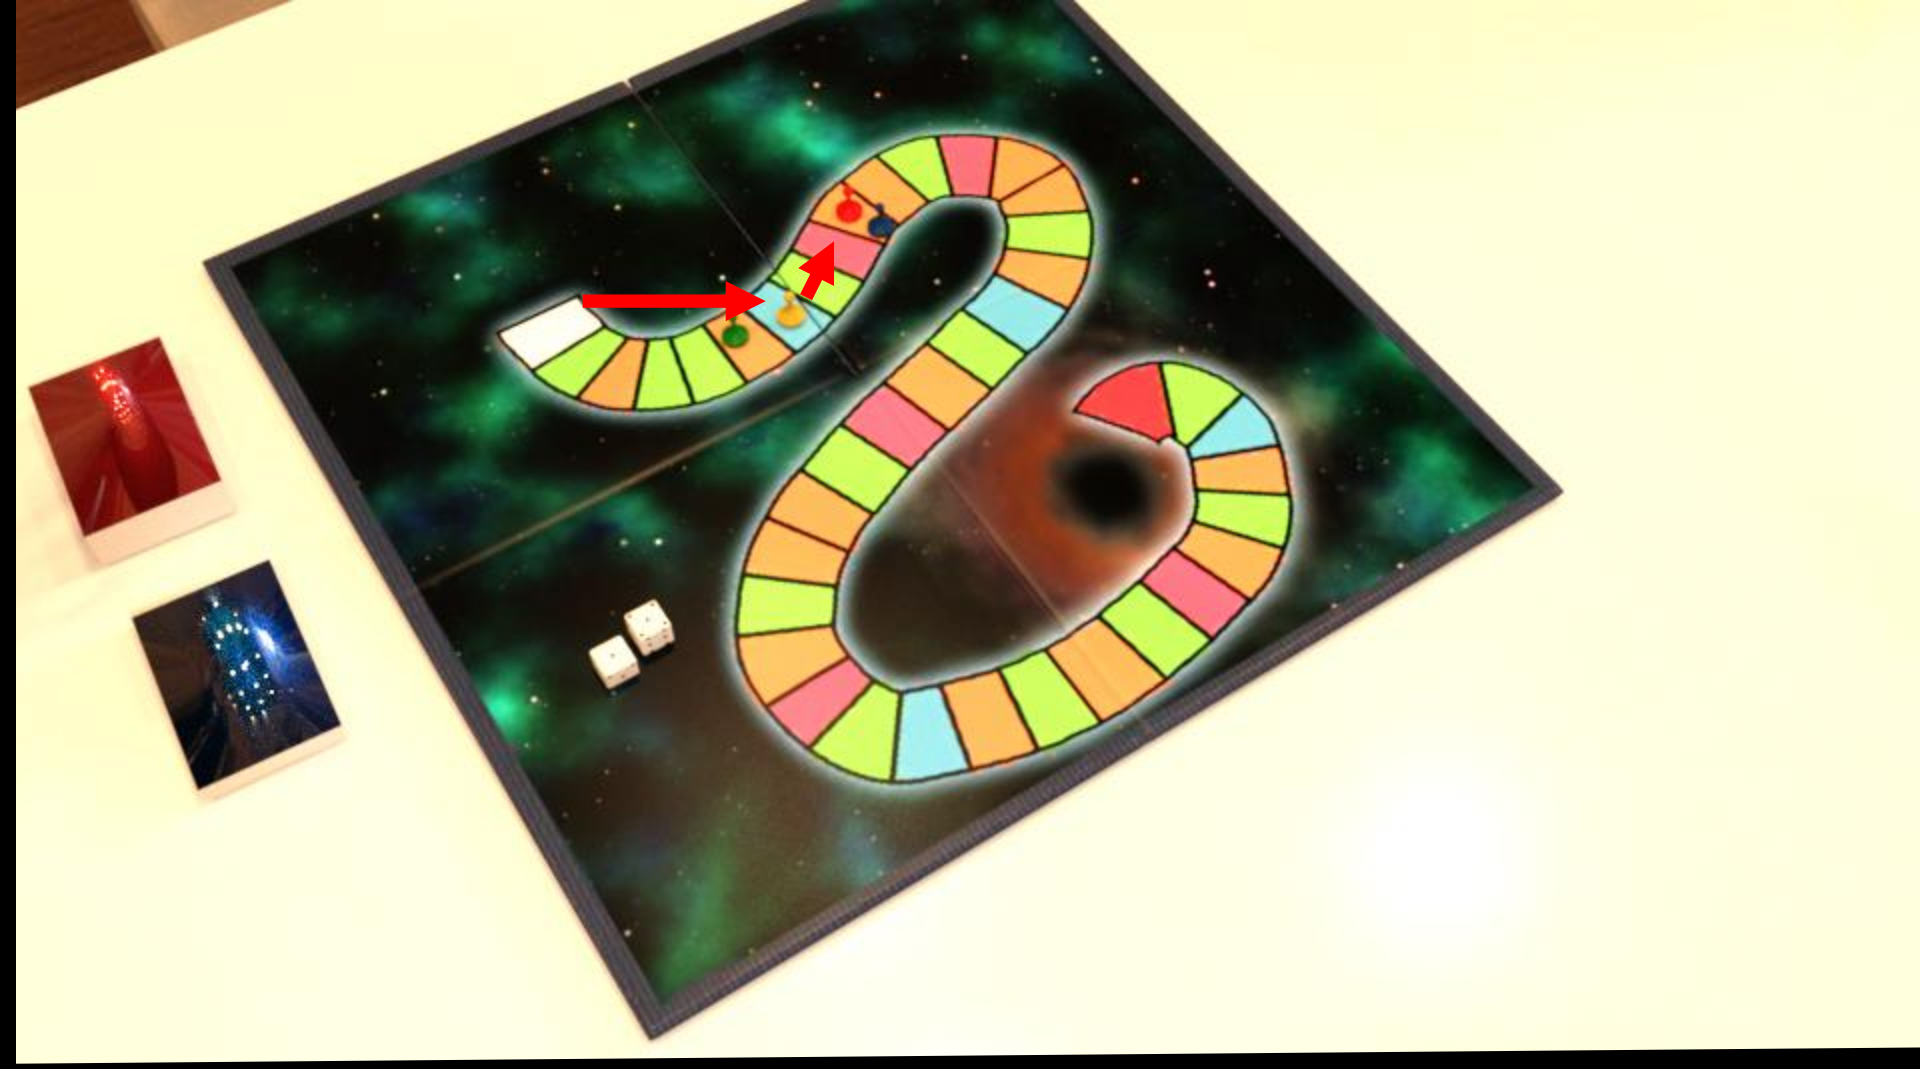

Six!

Alright hit me!

A Bridge troll demands a toll for passage. Shed one piece of clothing and advance accordingly.

I could remove my soaked panties. Maybe that gives extra points? But mom would shout again...

Or maybe not...

Wow! I just wanted to take them off, but they simply vanished!

I'm strategically not answering that question.

Cut the crap, Julie!

Say, Marco, are you a feet man?

chuckle

Julie! Get yourself together. This is no simple game anymore!

Yada yada. Alright. I put these young cute footsies away. Marco, your turn.

Touch

MOAN

Julie!  
What's wrong?  
Speak to me  
girl?

**MOAN**

Holy... I think...  
her feet got  
really sensitive.  
LOL.

Attention  
whore!

I think you should not do it. We should not overdo it when we can avoid changes.

But it's four fields. The sooner we can stop this madness the better, Stacey.

Well... Maybe... But...

You help an old woman with her wagon. She promises you a wish. Choose a previous change to triple and advance 4 fields or let it be.

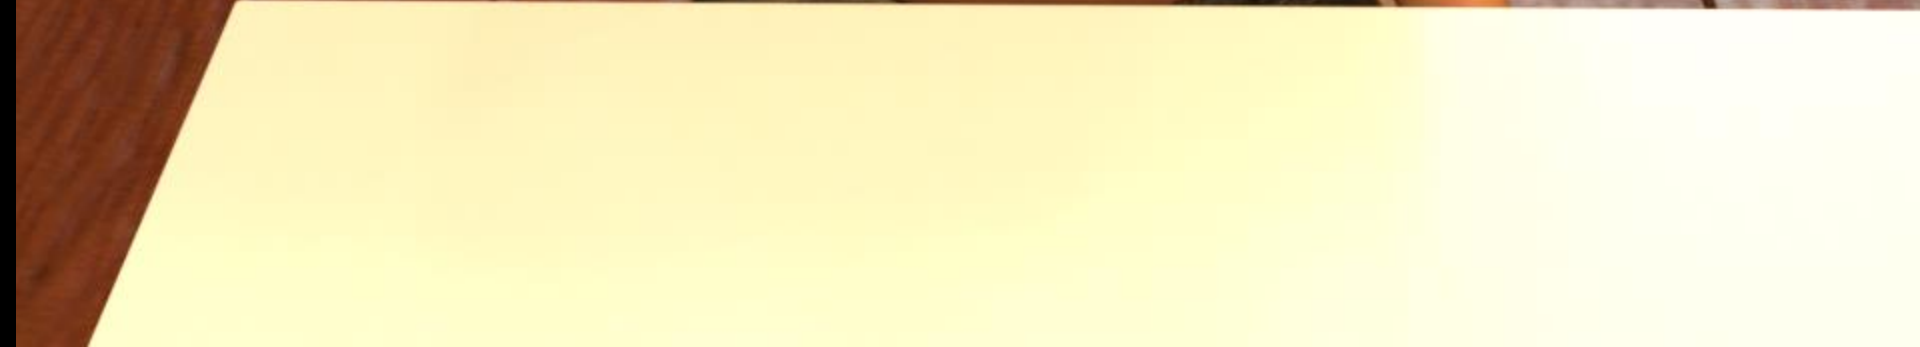

And I have the perfect change in mind. Right sweetheart?

What are you talking about?

Common. You said nothing happened! If we triple nothing, nothing happens, and I get 4 fields for free.

Woow! No way! Don't even think about it!

Now that I know this game is the real thing, my shirt does feel a bit tight!

Well, what's the worst that can happen? I choose your change, Nicole.

Bastard!

Oh god.  
I feel strange!

Woow.  
They are already  
growing, aren't  
they?!

Wow.

Oh fuck!  
My shirts  
about to  
burst!

Rrrrrch

Autch!  
That hurt!

Holy cow.  
Now that's  
more than a  
handful!

*\*Sigh\**  
I really liked  
this shirt!

I can't believe  
this is really  
happening!

Grrr!  
My turn!  
\*roll\*

Give me  
something  
good!

Seven!

A Bridge troll  
demands a toll for  
passage. Shed one  
piece of clothing and  
advance accordingly.

Ugh!  
I choose this  
shirt. It's barely  
holding together  
anyway!

Really?  
Same card  
again?!

Wah!  
It's gone!  
Just like  
that!

Card reads: "Bold  
choice, but good  
one. The troll lends  
you a wagon.  
Advance seven  
fields.

Though all that  
fresh air amplifies  
your assets." – Oh  
dear... - "Grow two  
cup sizes" ...

What?  
Again?!

Oh god. I look ridiculous!

Now we are talking!

This is all  
your fault!

Last one was  
on you...

Only because  
you destroyed  
my shirt in the  
first place!

Anyway...  
don't bite my  
head off...  
But you look  
great!

... You  
think so?  
\*blush\*

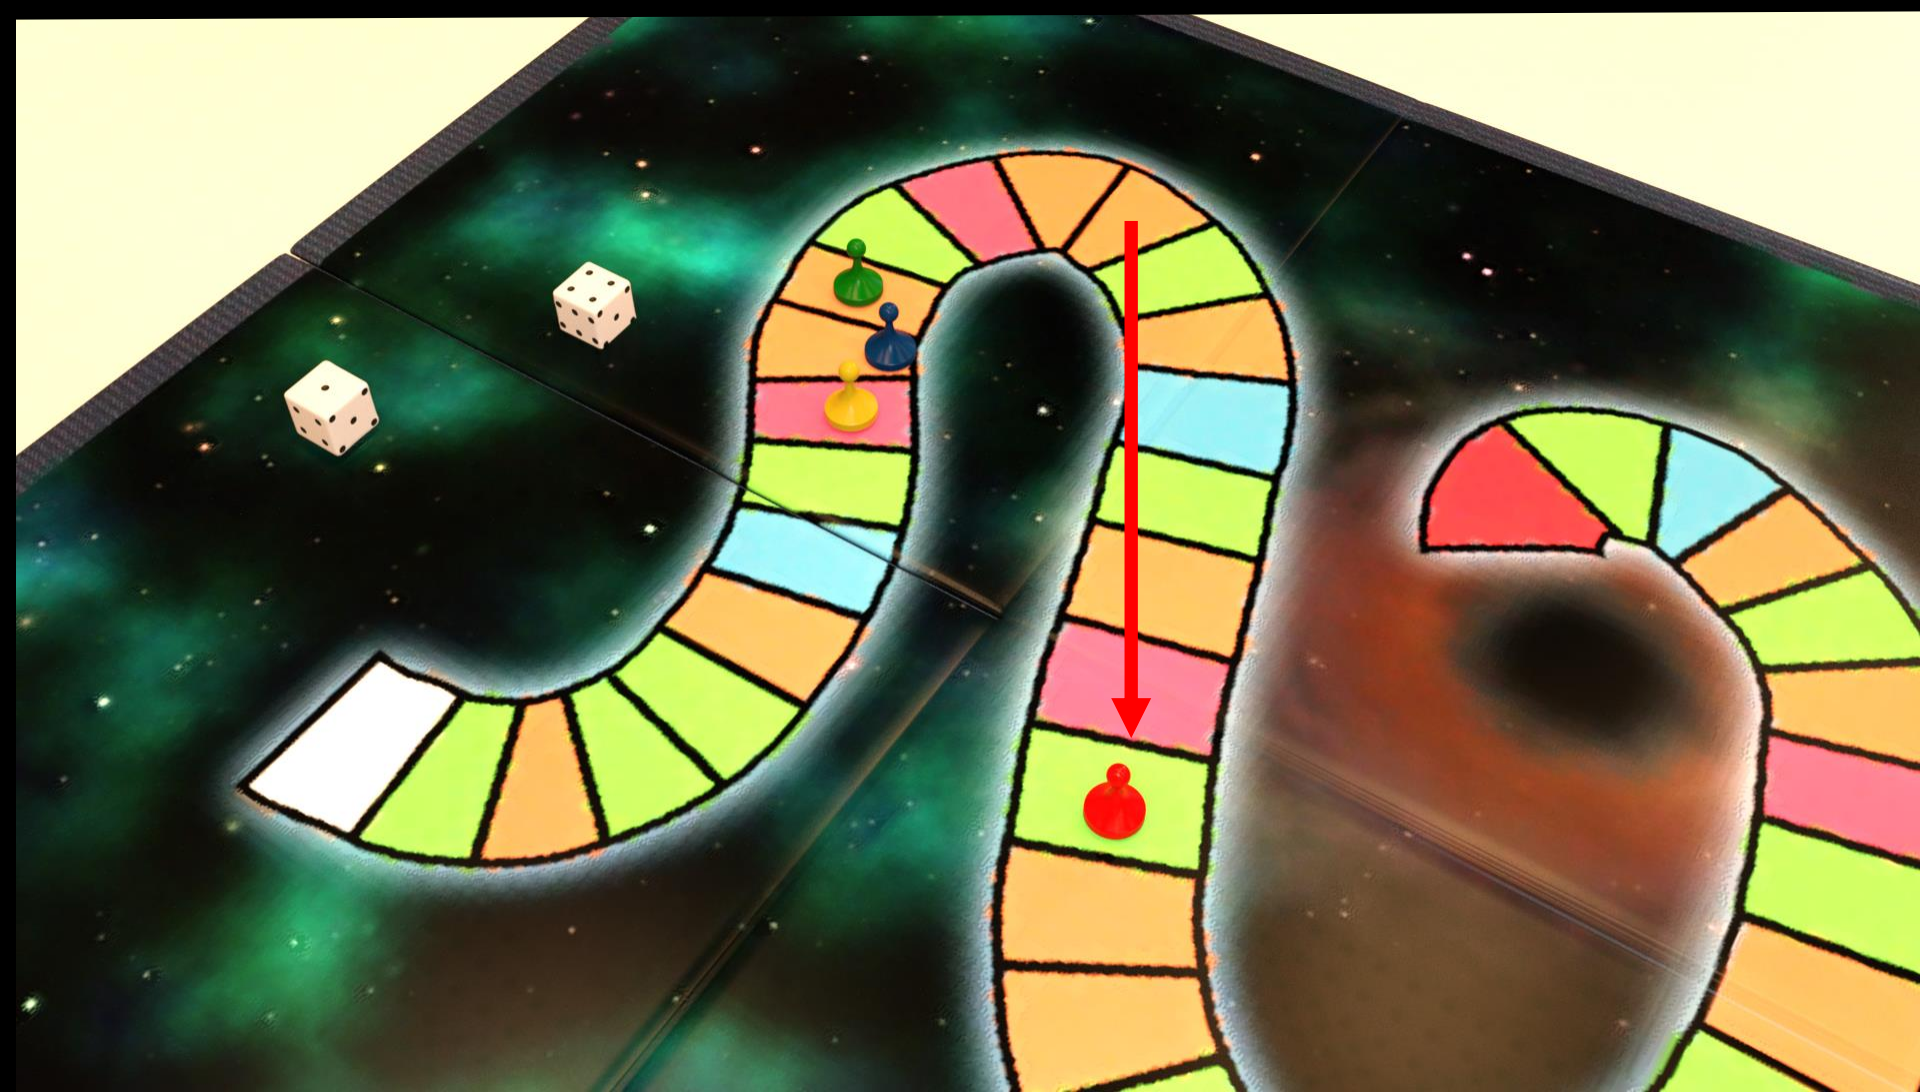

So, he thinks they fit me well?

Normally I would smack a boy if he said I'd look better with bigger boobs...

But now that I have them...

**\*gulp\***  
They jiggle a lot when she moves.

My sis gets melons for tits, and I get orgasmic feet?!  
How is that fair?!

Game won't let me leave the room!

And how the fuck am I supposed to do that, mom?!

Nicole... hon. Go and cover up.

**Language!**  
And yes, you are right...  
sorry...

Okay...  
erm... let's  
continue.  
We need to  
end this!

Ten!  
Finish here I  
come.

Okay mom.  
Your card  
says...

...Oh...  
**FUCK!**

What  
is it?

So... erm...  
You were hired to  
prepare the king's  
harem... for 'bum fun':  
Chose another player  
to be anal-plugged."

What the  
hell is an  
"anal plug"?

A short and awkward moment of Julie and Nicole explaining anal plugs to their mother later.

This game is sick!

I'm not gonna "anal plug" my own daughters!

Sounds hot though...

Ewww!

What was that?!

You think it's hot when we women get humiliated like that?!

I wouldn't call it humiliation. It's just preparation for a different kind of sex, you see?

Oh, so we have a volunteer!

Oh really?! But it's fine if we women have to suffer?

**\*cough\***  
Mrs. Alc... Stacey. You don't do that to a man!

No, Marco, It's time you learn your lesson. I'm sorry but I choose you!

I really did not want to do this...

But I play my blue card!

Lucky you! You should have led with "we can avoid this change"!

Stacey... I think you don't get what this card entails...

What do you...

**Reflect**

... mean...  
Ahhh!

Ohhhhuu!

Mom!  
Are you  
okay?

Let's not  
talk about  
this!

**Ever!**

Your turn,  
Julie. Play  
on already!

Damn it. This feels really weird when I move!

Come on girl. Play already.

Then stop hogging the dice, mom!

I wonder... anal... He seems to want to do that... I mean it's kinda eww... but maybe... I should google that later.

Oh... sorry.

Alright.  
Something  
good!

Nine!  
Back in  
the game!

You stumble  
upon the ruins  
of an ancient  
temple. Do you  
want to explore?

Hell yeah, I do!  
Sounds like an  
opportunity!

Roll one die  
to determine  
the outcome.

Oh  
shit...

**Six!**  
That must  
be good,  
right?

You find your way through the labyrinth without activating any of the traps and find yourself in the treasure chamber of the temple.

Yes!  
Give me all that loot!

There you find a fertility statue. As you touch the statue you feel its powers coursing through you... Making you irresistible to the other gender.

What's gonna happen now?

Oh dear...

Oh Yeah!  
Irresistible  
to men? Oh  
boy! Hit me!

This might be  
the change I  
want to keep  
when I win!

Oh boy...

She's gone  
crazy...

Do I get  
huge boobs?

Super  
firm ass?

A super  
hourglass  
figure?

Common  
game! Do  
your magic!

Sorry for that. Should not have stood up.

\*GULP\*  
So hot!

Now game!  
Hit me  
already! Make  
me super sexy!

What's gonna happen next? Will Julie transform? And if so, how? Let's see about that in the next issue of „A Game of Change“.

To be Continued...
