J. Harako

Seem like... she
trapped in my dimension.

Yet, I haven't possessed her.

She won't be that
hard for me to break.

Well, enough wander
around...

Time to go inside
and get Aoba
Moca herself.

A low-angle, vertical shot focusing on the lower half of a person. The person is wearing a black, knee-length skirt with a white waistband and a white long-sleeved shirt. Their legs are pale and appear to be wearing sheer white stockings. The background is a vibrant, textured green, possibly representing a forest or a stylized environment. In the bottom left corner, the tops of several brown buildings with small windows are visible, suggesting an urban setting. A speech bubble is positioned in the upper left quadrant of the frame.

Did I... just
pass out?

T-Tsugumi...?

H-Hey... Why are you playing right here at this place?

Are you...
alright?

I practice to become like everyone else...

I don't want... to
be left behind...

Tsugu...

A young girl with short, layered brown hair and large, vibrant cyan eyes is looking upwards with a hopeful expression. She is wearing a light green sweater. Her right hand is raised, with fingers slightly spread, as if reaching towards something. In the foreground, a large, curved, grey object with a ribbed texture dominates the right side of the frame. The background is dark and shows a grid-like pattern, possibly a ceiling or a wall. A speech bubble is positioned near her hand.

Will you... help
me with it, Aoba?

W-Who are you!?

Ufufu...

There's so Tsugumi
in here, just you and me.

I wanted to see...
what you have
in mind, Aoba.

N-No...

"Hmph... Nothing
much in this host's mind."

"But..."

"...now that I have
both Aoba and Tsugumi..."

"...Find the rest of
Afterglow and add
them to my collection."

"I'm able to control one host and make puppet with others."

"Tomorrow... I wonder which one will I choose."

"Then, I will create my own band..."

The next day...

"Hah... Aoba and
Tsugumi didn't show
up at the practice today."

Welcome to our
Convenience Store!

A young woman with short, dark hair and a prominent red streak on the right side. She has purple eyes and a slightly sad or thoughtful expression. She is wearing a white ribbed turtleneck sweater under a black jacket. The background is a blurred indoor setting with a railing and some green text on a wall.

"They didn't even
answer my call or text..."

Imai?

Oh hi, Ran.
It's great to see
you here!

You are going to gain weight with those...

No no, I'm just arranging the shelf.

You know, I work part-time here.

Oh okay. Seeing you not in uniform so...

Ran? Are you worrying about something?

Ah... Uhm... It was about two members of my Afterglow...

...I can't contact them somehow.

Maybe they got into something. Should I call for more help?

It's alright, Imai.
I think I can handle
this with others.

Uhm. I see.

If something come up, I will let you know.

Okay, I will wait for your good news.

Ah... A text from Aoba. Said that she wants to meet me.

I hope nothing urgent...

Thanks a lot, Imai.
Next time, I will have
you a coffee.

Okay. See you later, Ran.

I recieved your text, Aoba.

Where have you
been? And Tsugumi...

Oh... I don't know.
There's only me here.

By the way, you got my text?

Didn't you tell me to meet here?

Ah... Right. I forgot,ahaha...

Sigh Stop slacking around, we have a festival coming, Aoba.

Also...

Aoba never been
here from the
beginning...

W-What...?

Ran Mitake... You
are next.

You are going to
reunite with Aoba
and Tsugumi soon...

Ah...

Ugh... My head...
Where... am I...?

You have awake...

Tsugumi...? What are you doing here?

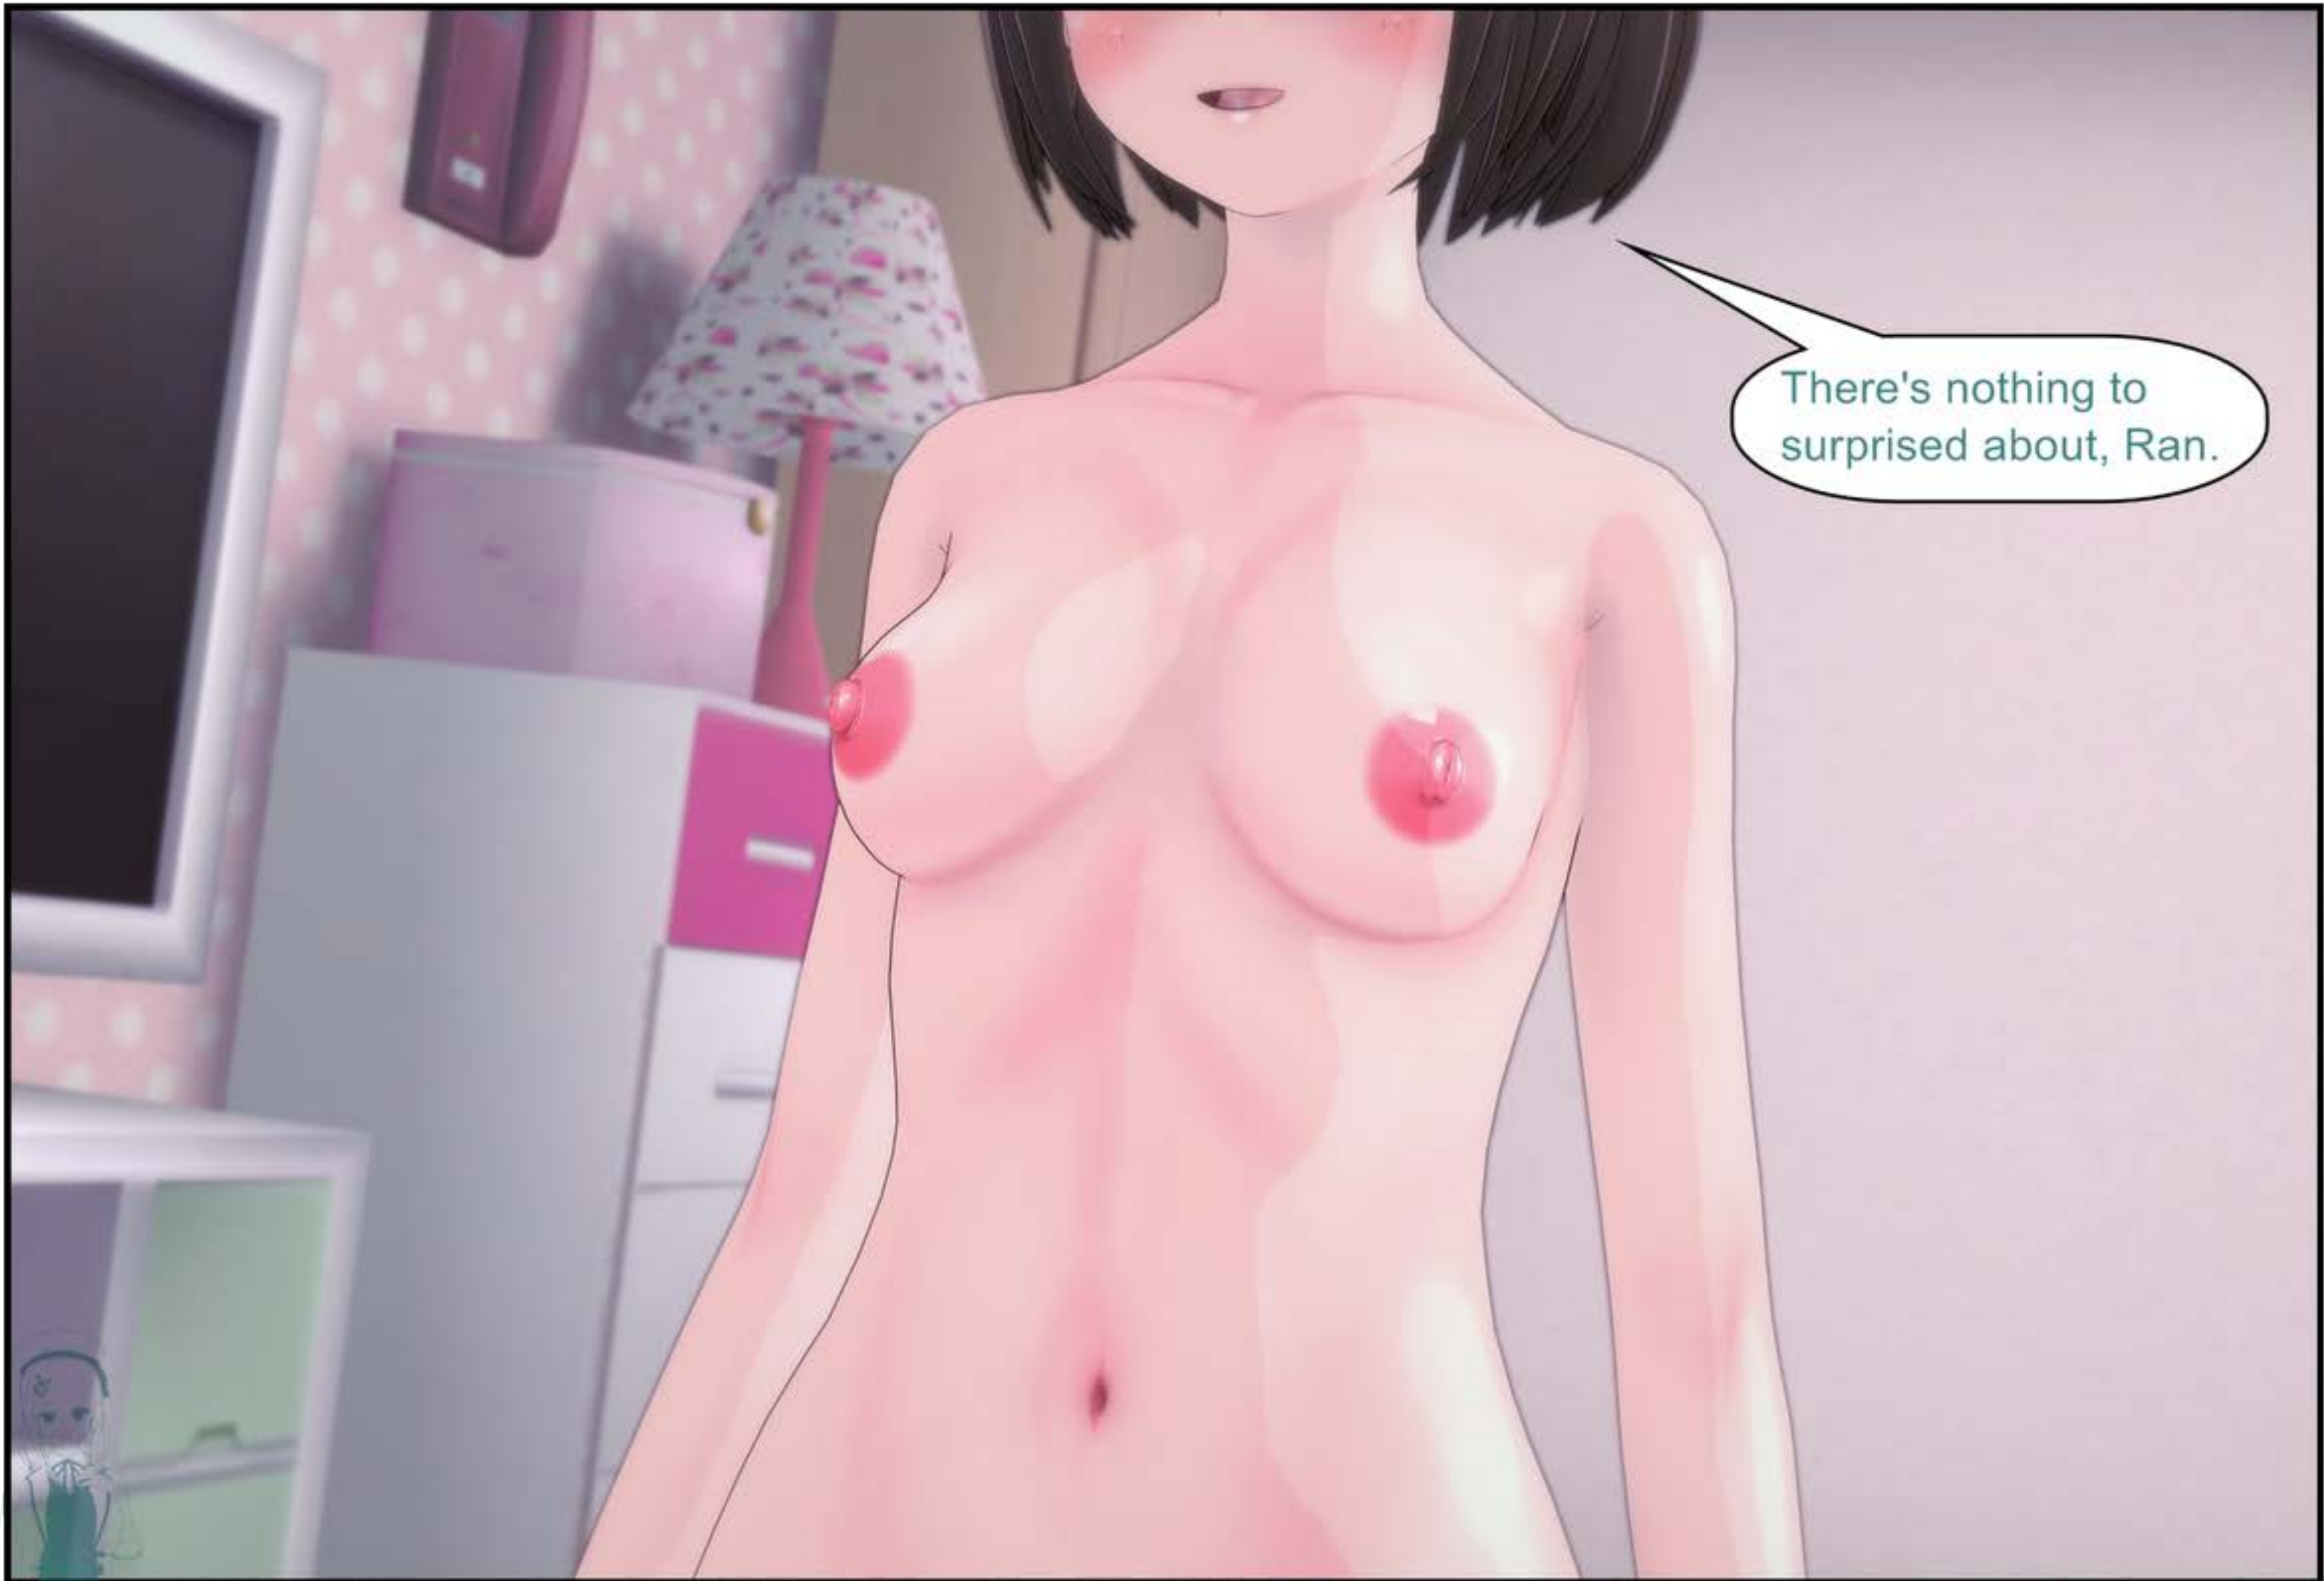

Y-Your clothes!?

There's nothing to surprised about, Ran.

Because... you are in my world now.

What have you done with Tsugumi and Aoba?

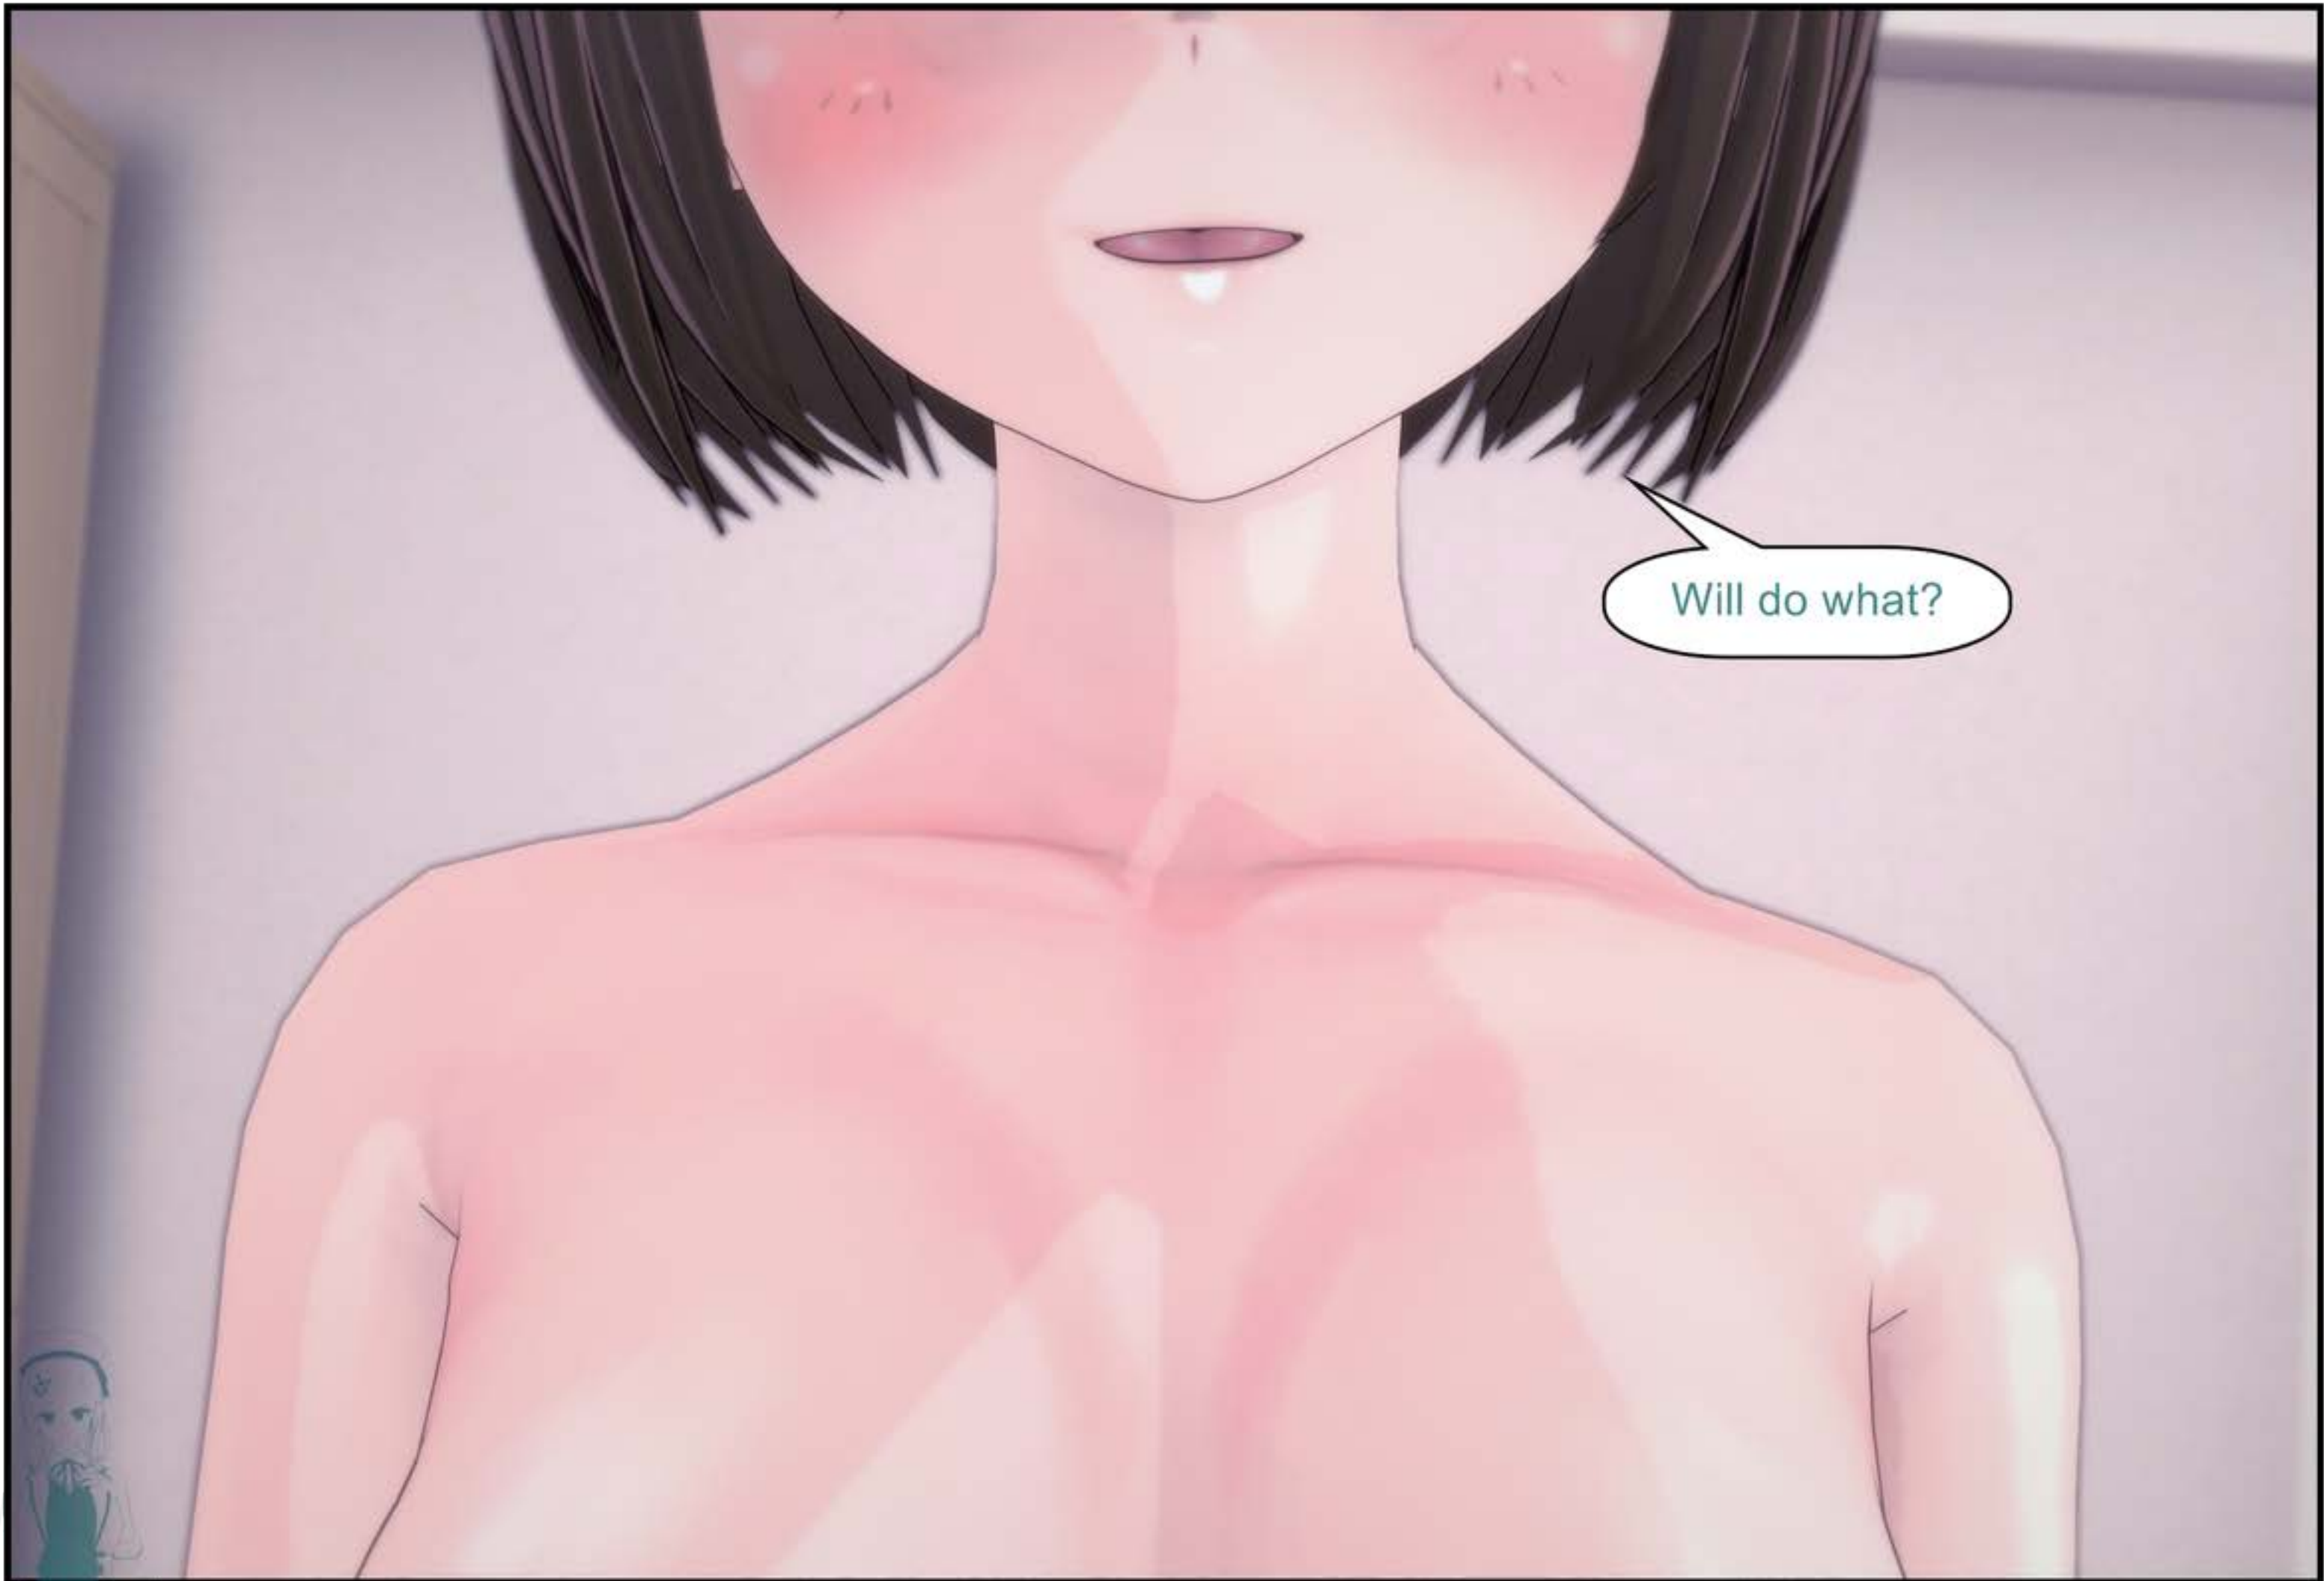

Hm? Aren't I standing
in front of you?

You are just an impostor! Let them go or I will...

Will do what?

"W-What...?

"My body... I
can't move..."

There's nothing to worry about, Ran...

Everything is going like it always does.

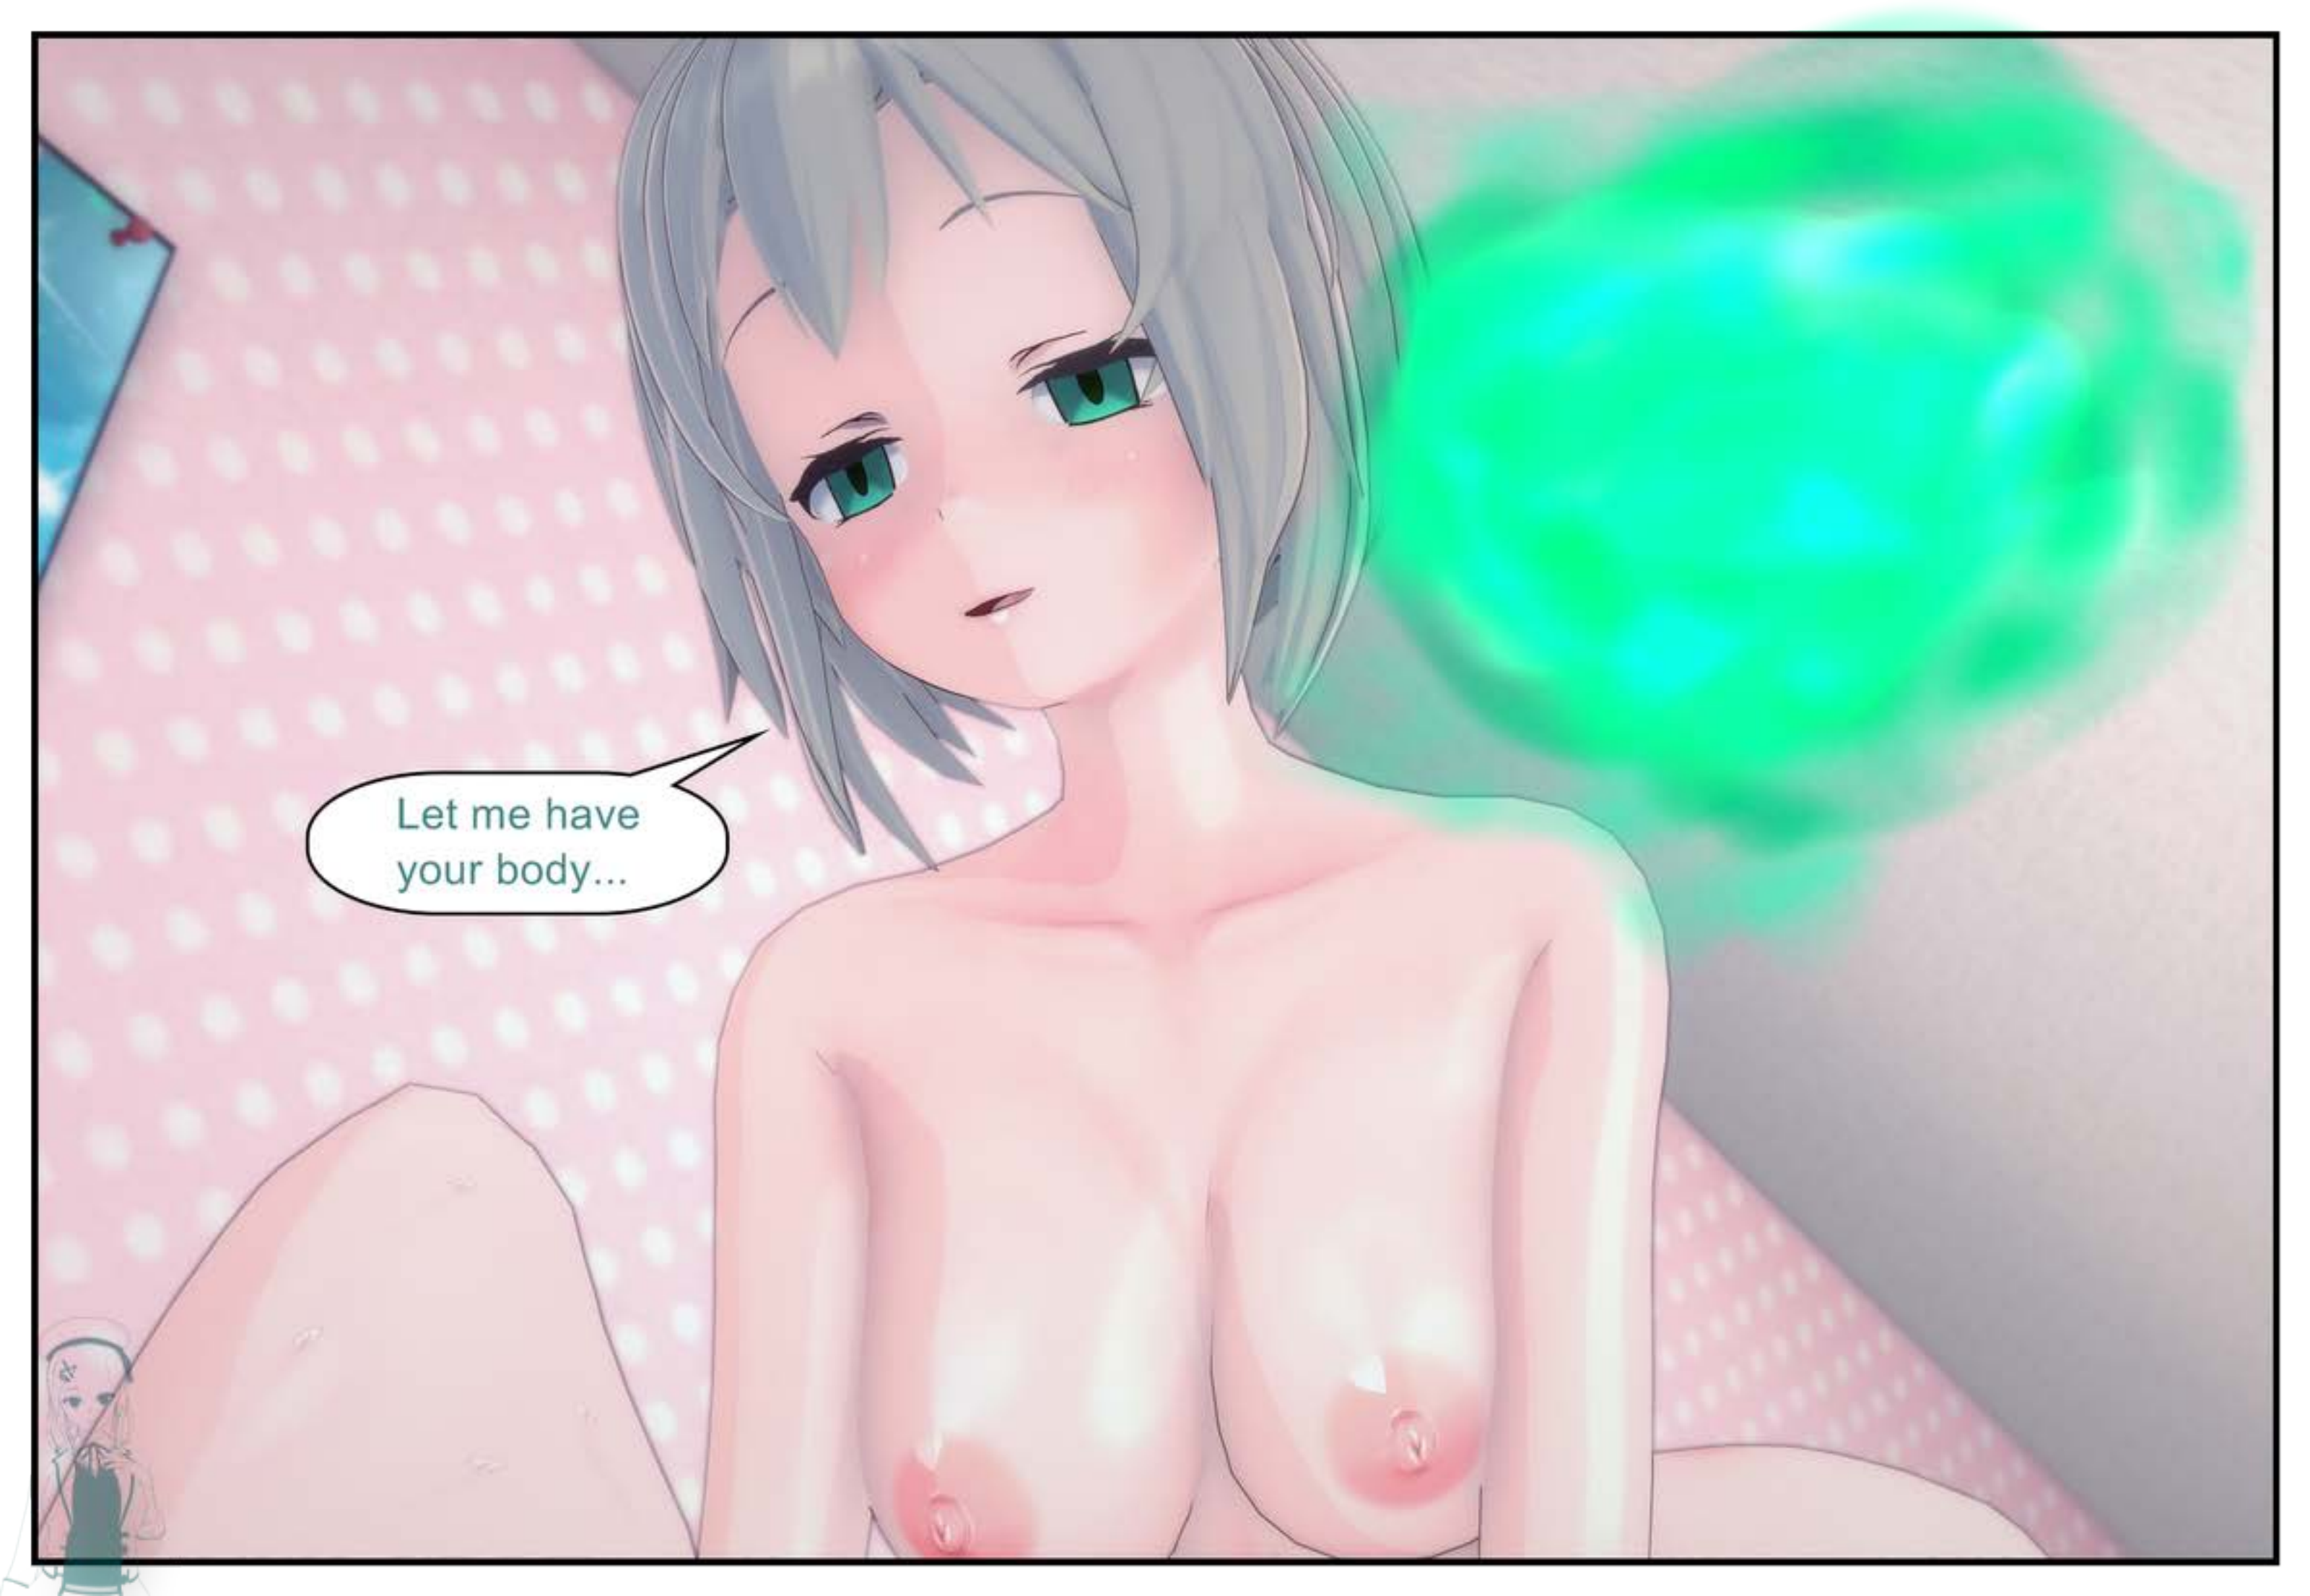

Ah... I can't stop
having fun with you.

So now,
Mitake Ran...

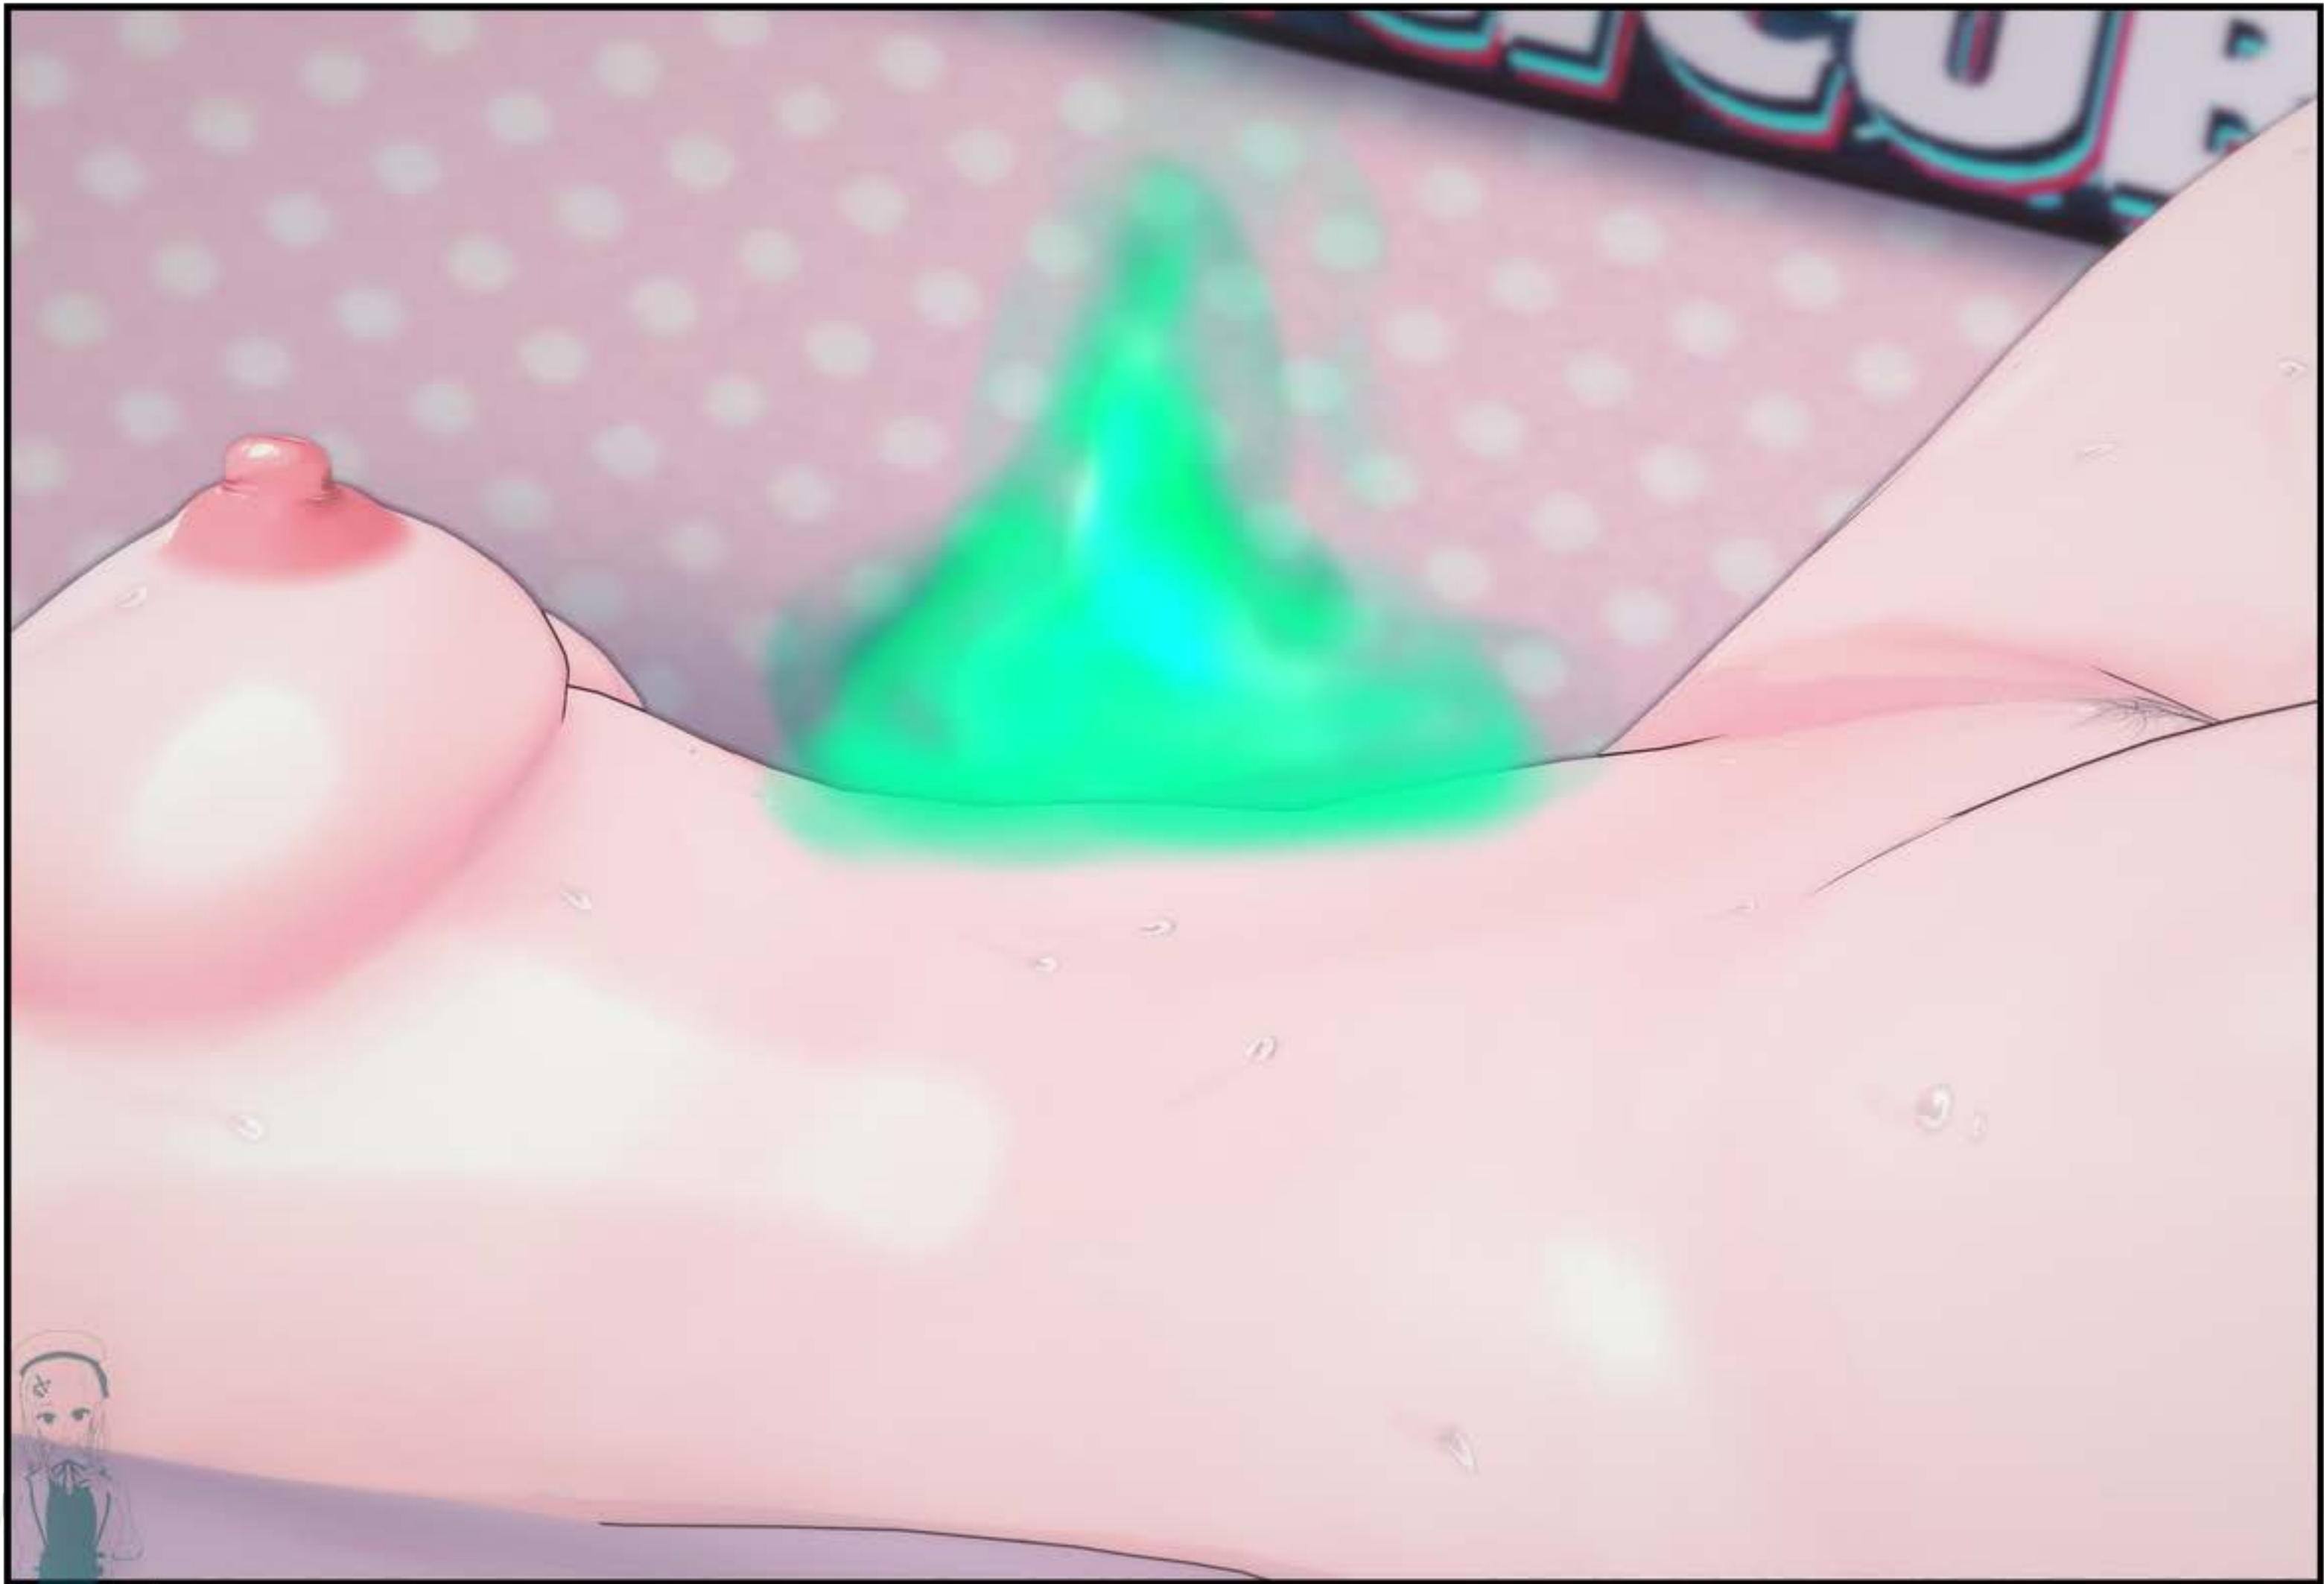

Let me have
your body...

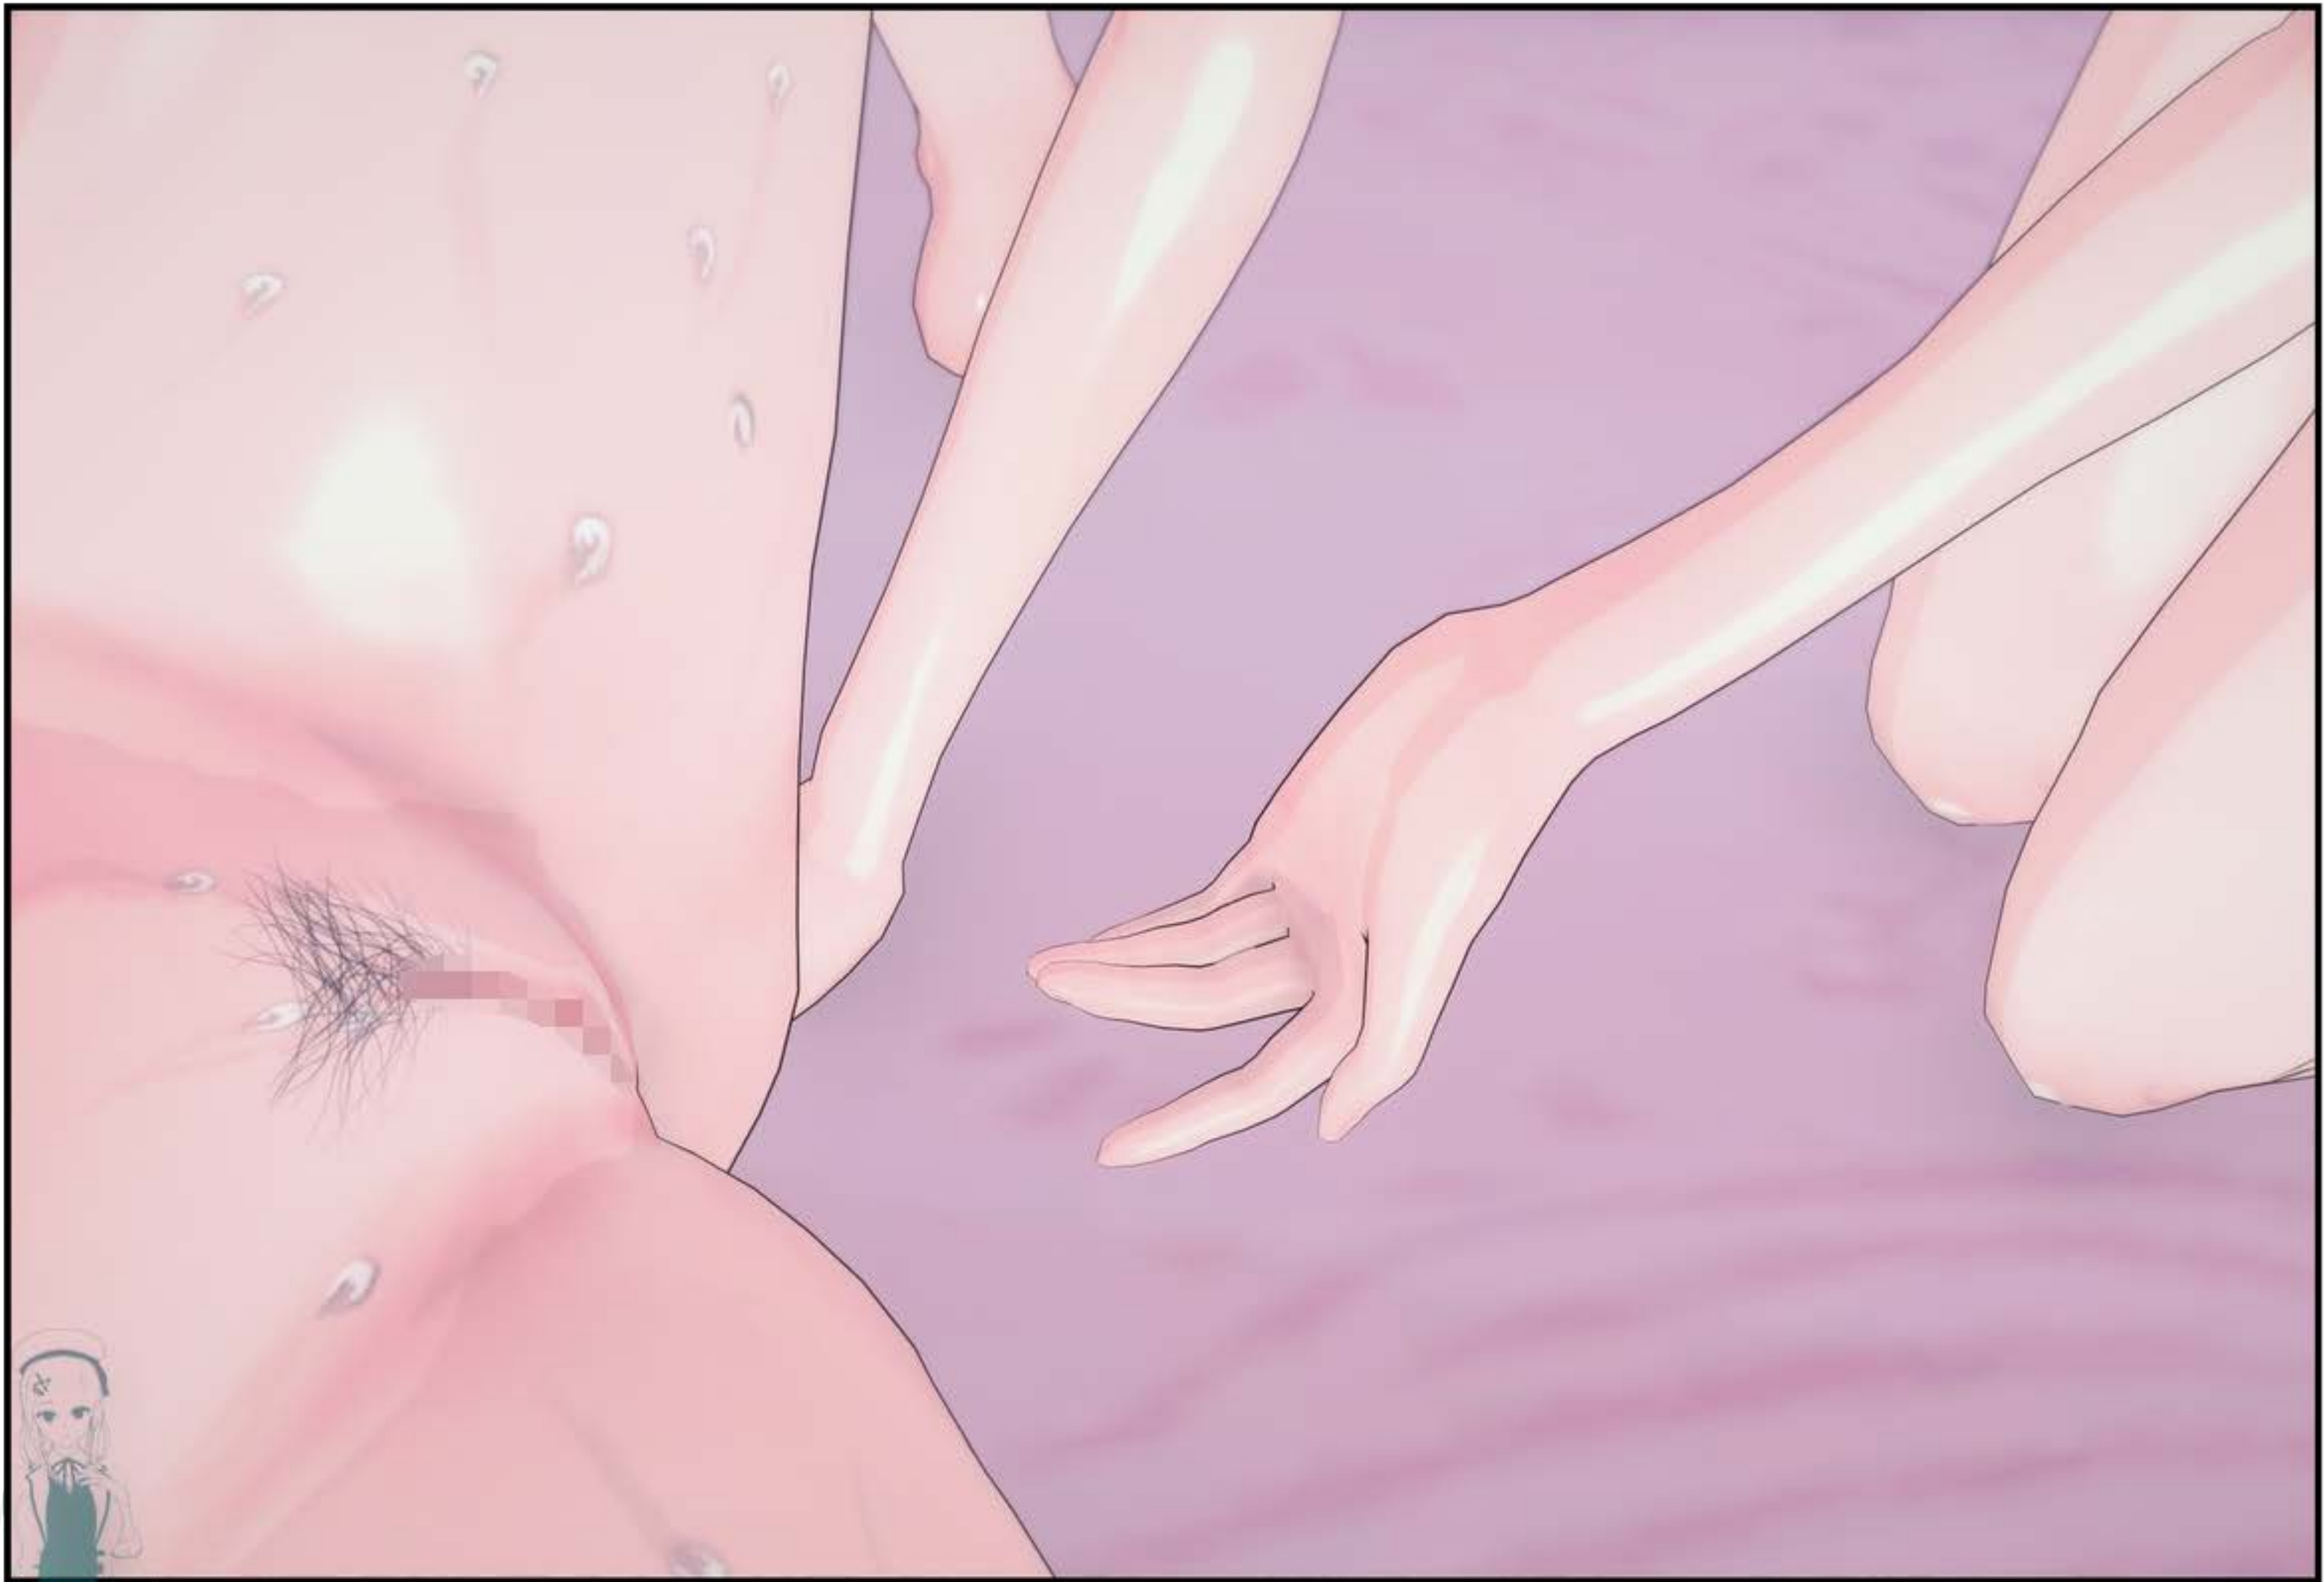

Taking over...

"Hm... A nice touch on the Vocalist of the Afterglow."

"I'm now in possession of 3 members..."

"And the next one that I'm going to next is..."
