Uwwooaahh!! It's
a huge living room!

Yes, she agreed to let our family stay here for vacation.

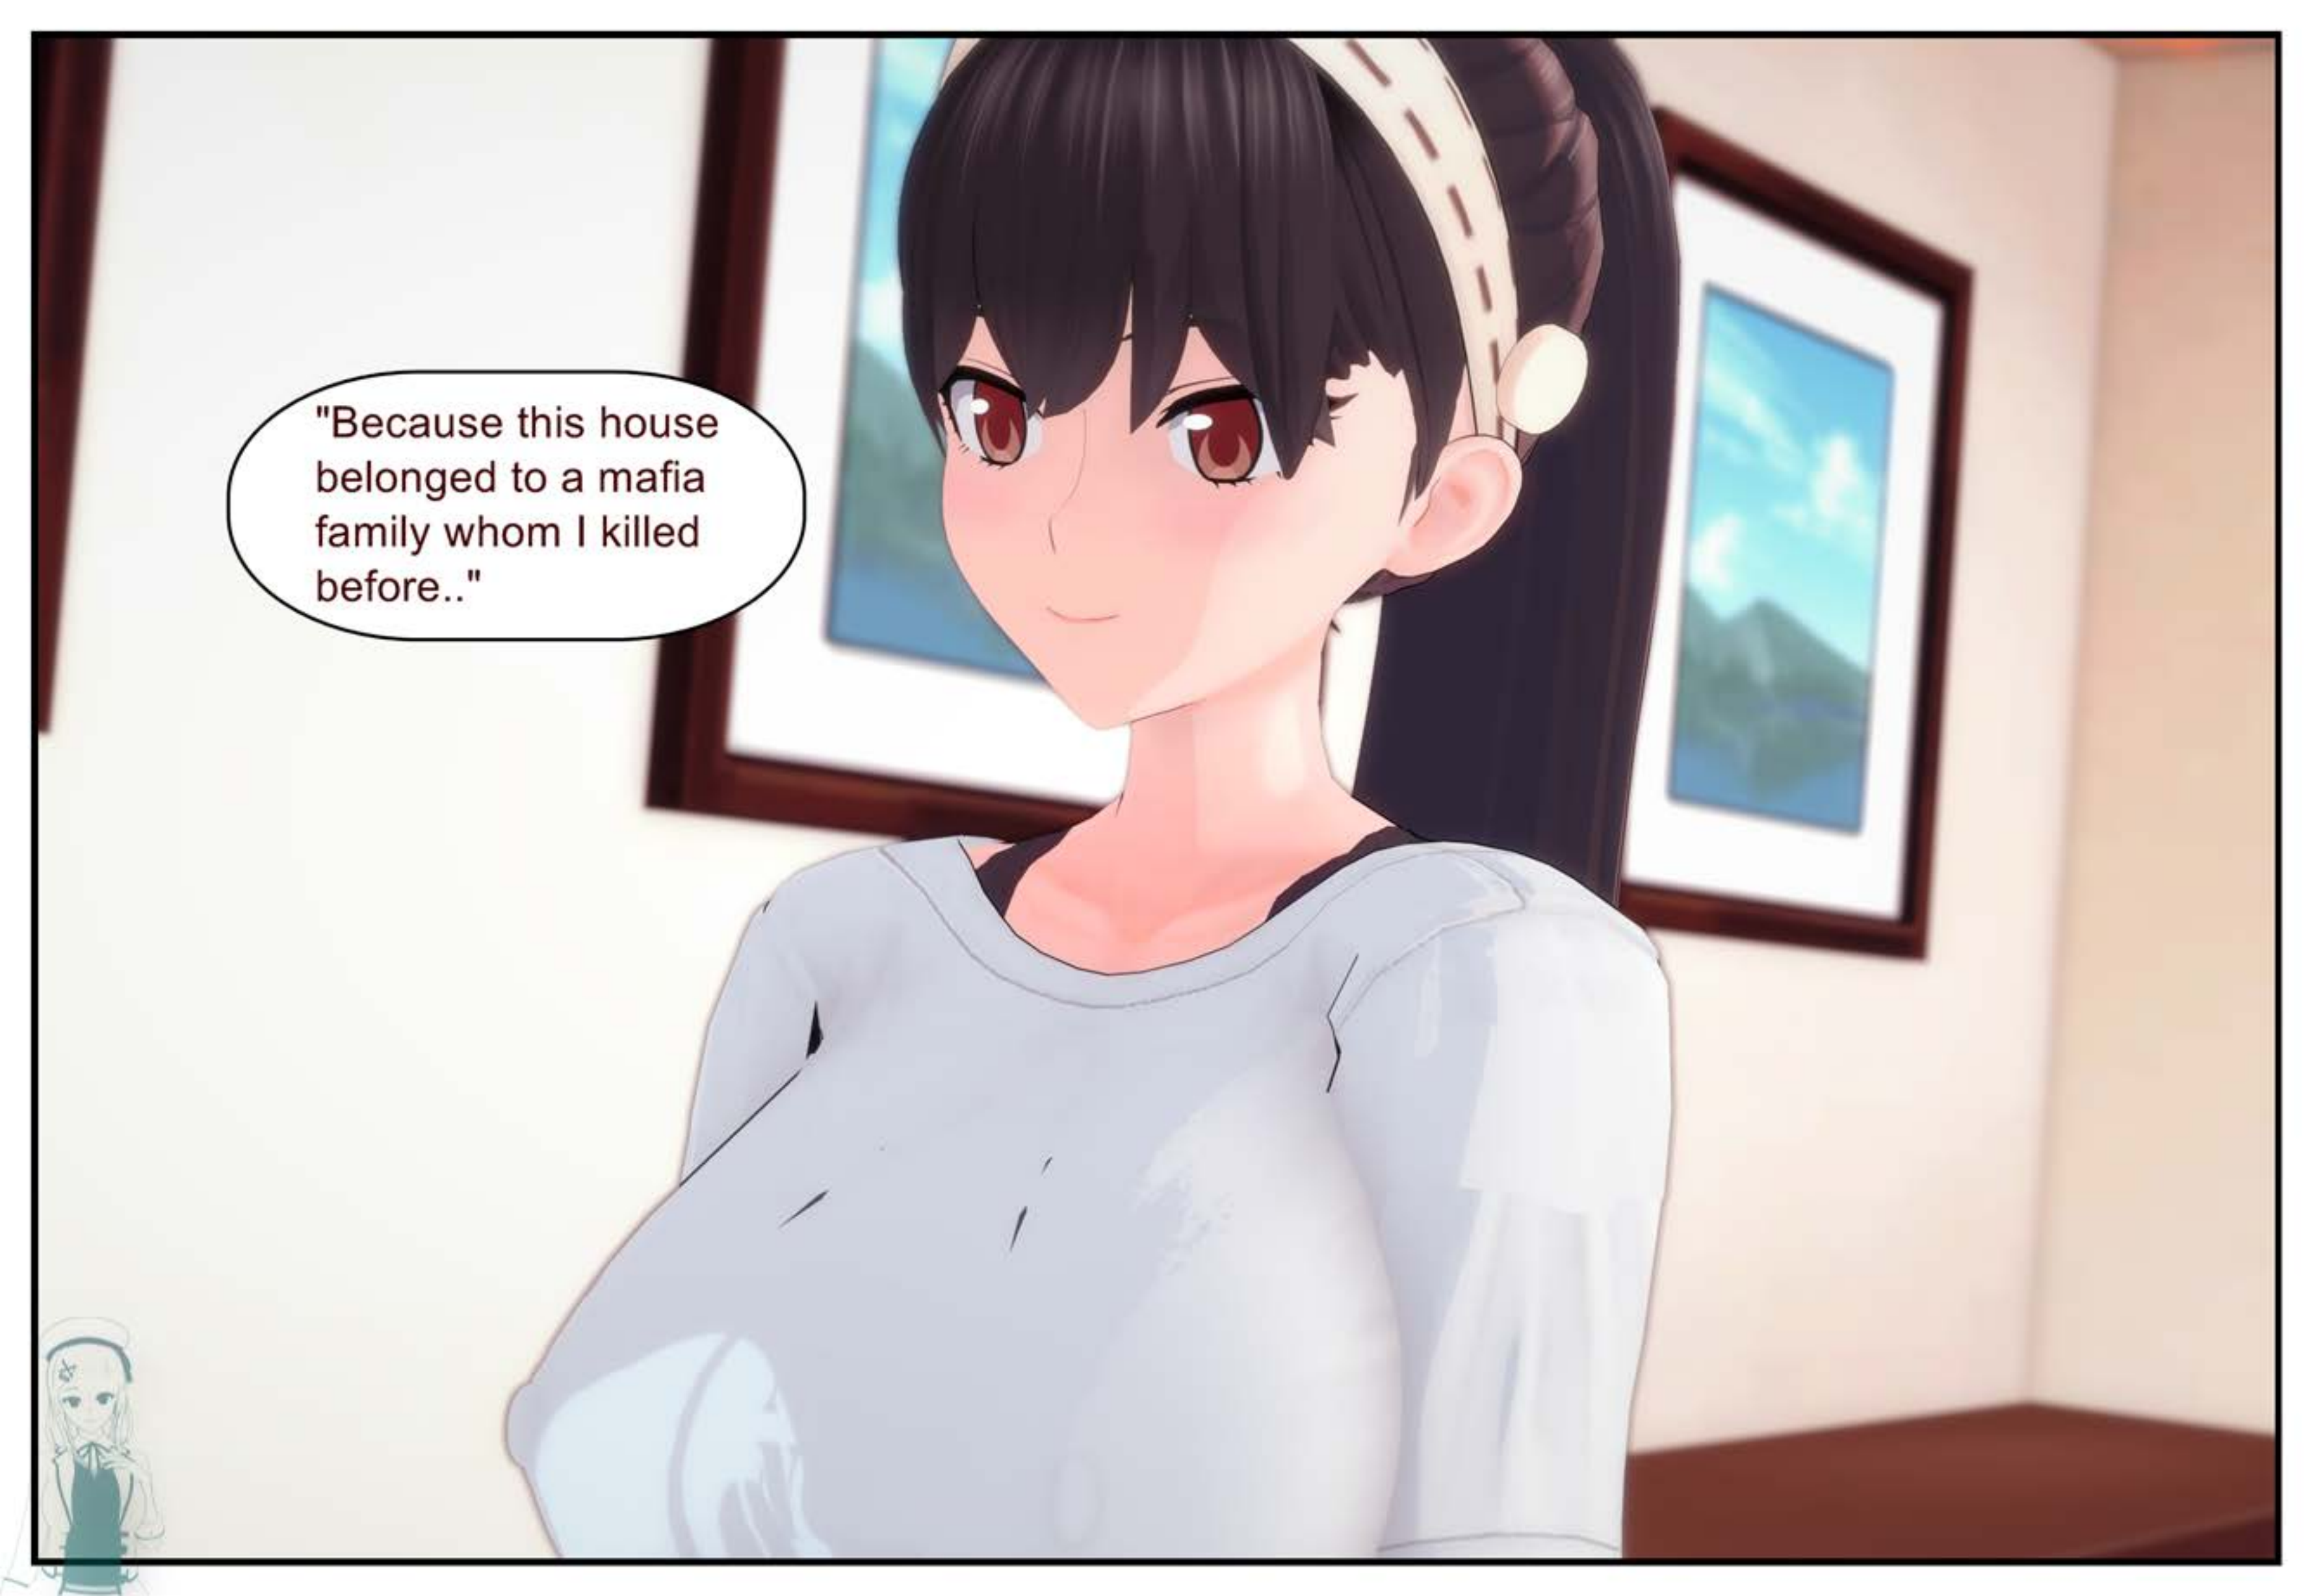

Y-Yor.. Is this place really your aunt's?

I think she won't need it, Loid.

I-Is that so.. I will have to pay her back sometimes.

"Because this house belonged to a mafia family whom I killed before.."

"Thanks to Yor, the Headquarter saw this place as a good vantage point for my mission."

"Mama is so scary..
Papa brought work
with him, too."

Anya, be careful
not to break anything.

"There's a cult in
rumours that can be
a threat to the peace
of the West and the East."

Papa! Mama!
Check out this
huge screen!

"Intel said that they are going to have a meeting with their leader tonight.."

"Boss also gave me a task to eliminate a cult leader.. but also allow me to have a day off."

Anya, let's explore around the house together, okay?

"I wonder if Bond is okay at home."

"..the more time I could spend with Loid and Anya."

"The sooner we finished our job.."

Anya, let's take
the bath together.

Ah.. So warm..

Mama, I heard that
Halloween is coming!

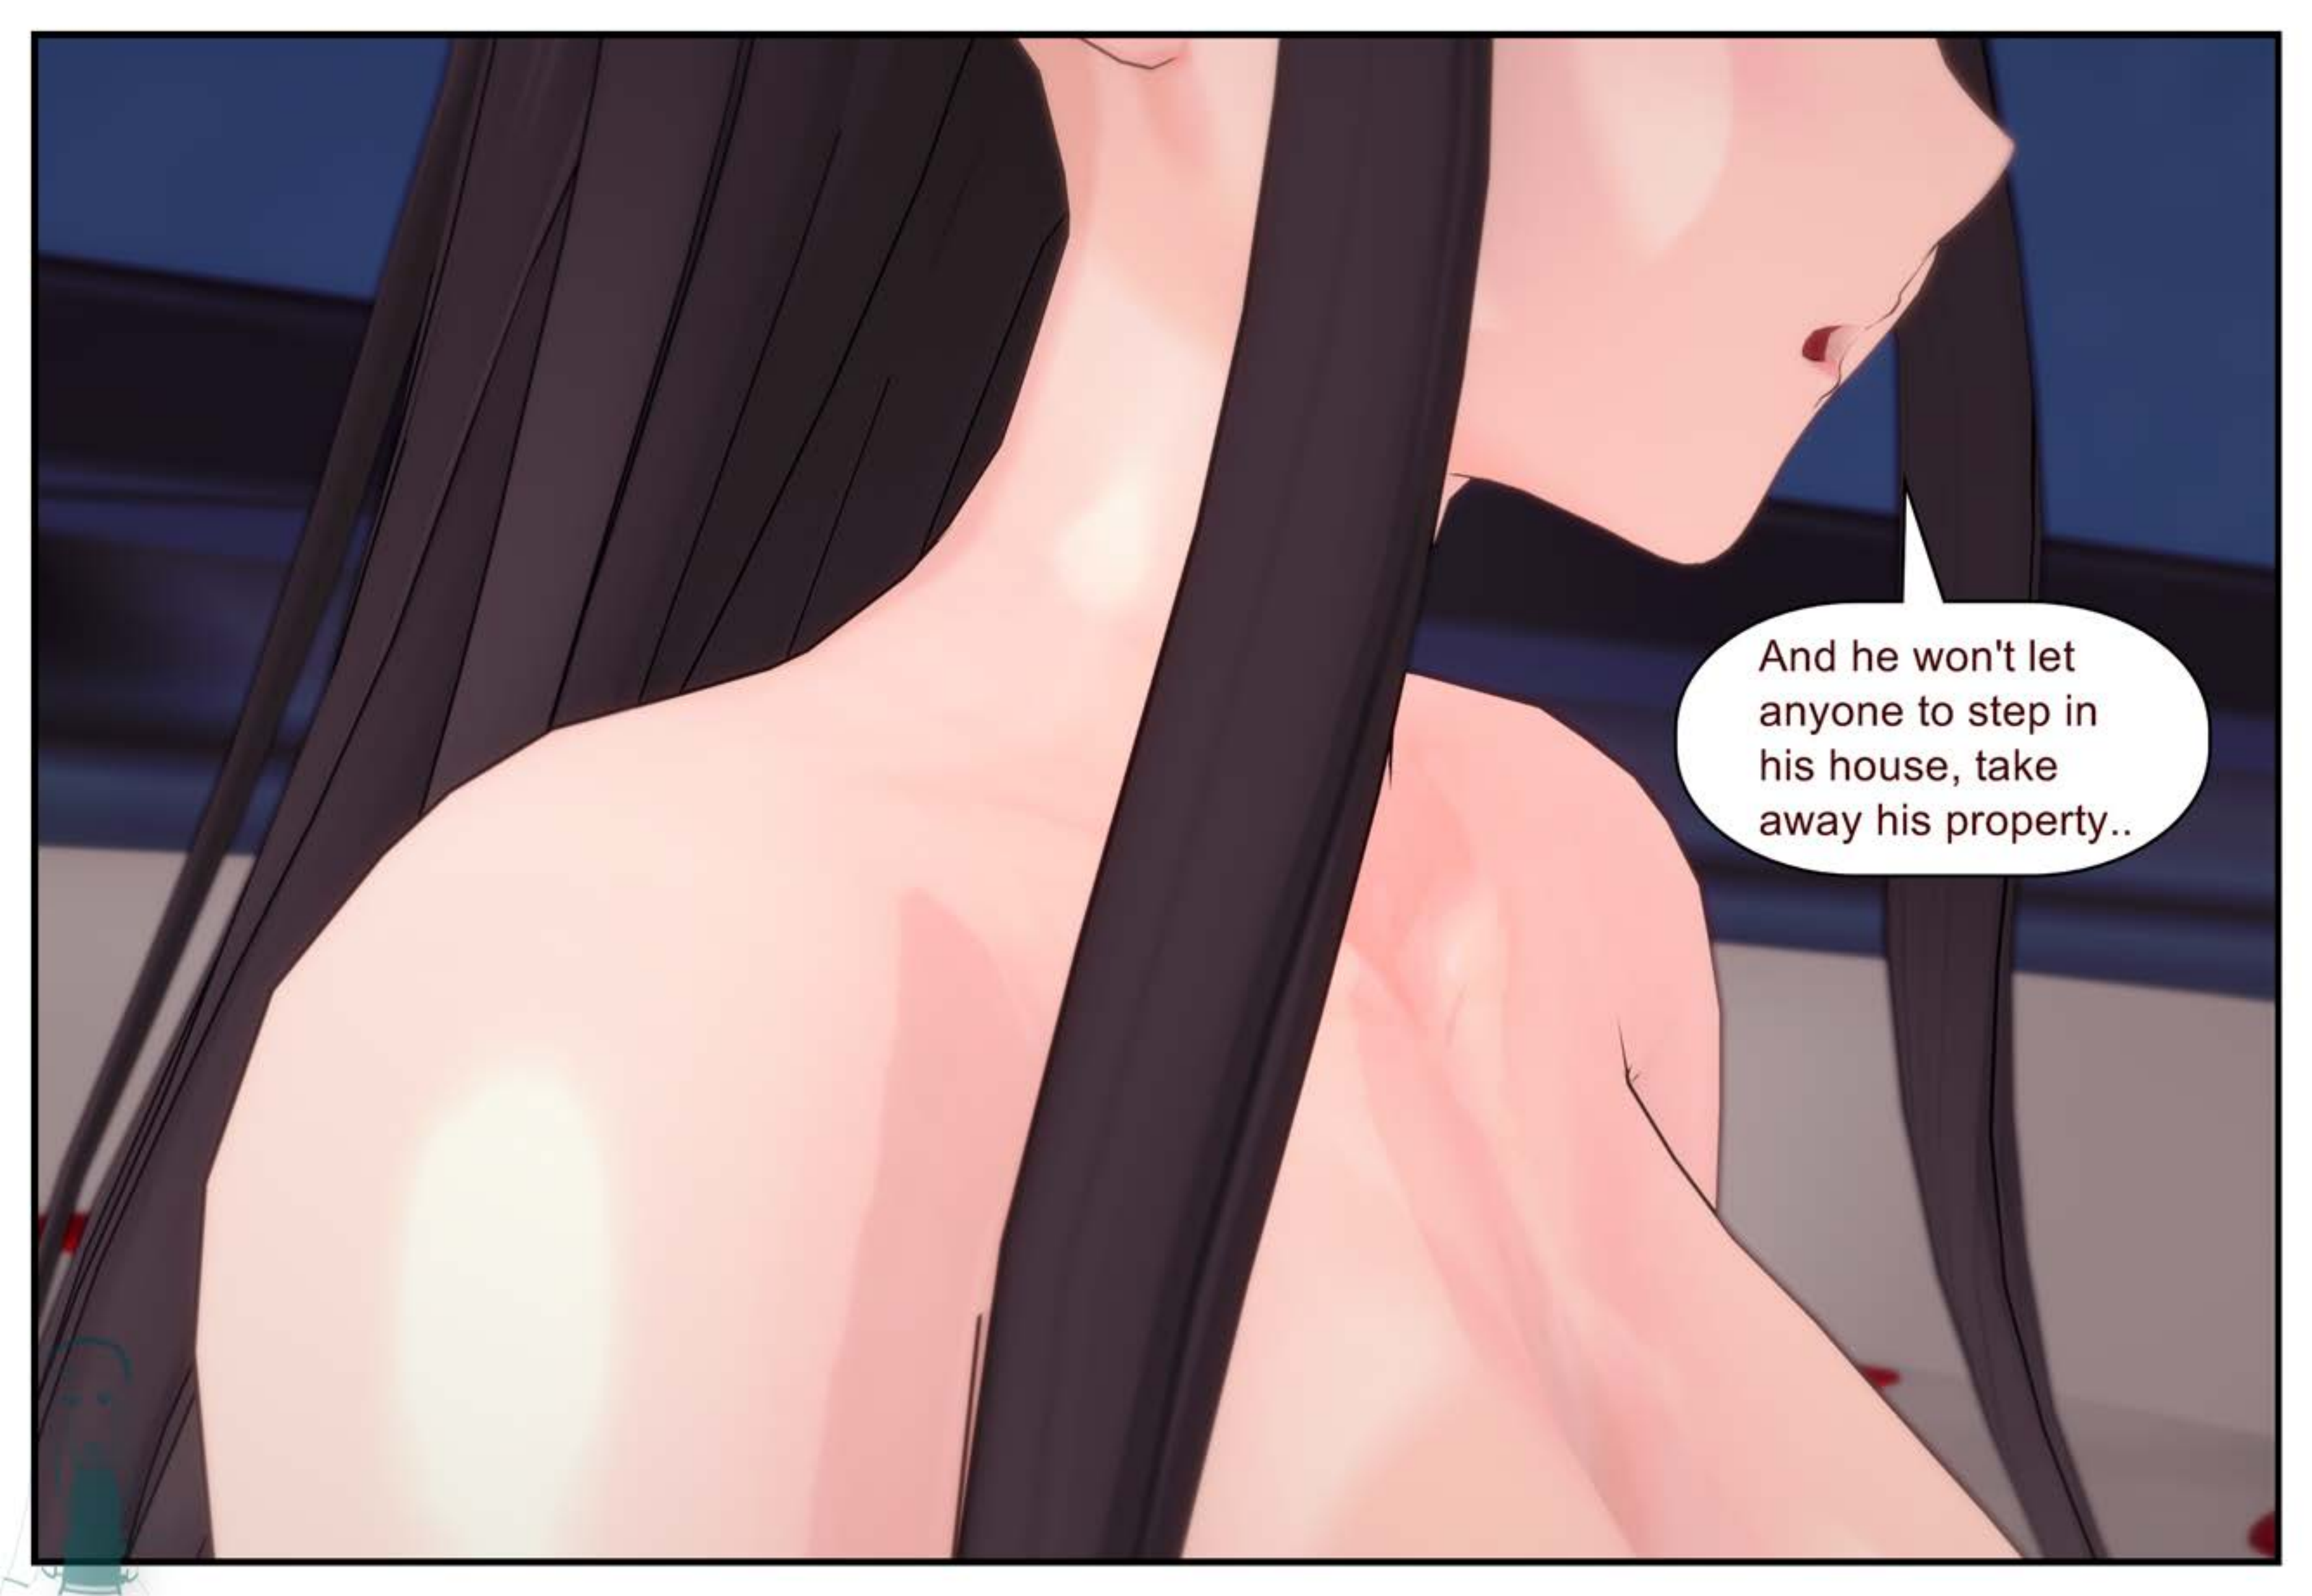

Oh, you remind me
of a story that aunt
usually told me about
this house..

"Eh..? Not the mafia family?"

I heard that this place belong to a wealthy man who died of heart attack..

And he won't let anyone to step in his house, take away his property..

Or else, he will haunt,
and make them kill
themselves!

Any.. Don't want
to listen to that
story anymore!!

Ah.. Mama sorry..

"I forgot that Anya still a child.."

"Um.. What should I do now..?"

Anya..

You have nothing
to be afraid of!

Because Mama is here to protect you!

There won't be any
ghost or spirit that
can touch Anya tonight!

sob..

Mama so brave!
Anya no longer scare.

Let me rub your back, Anya.

Thank you, Mama!

By the way.. Where did Papa go?

Oh.. I heard Loid's partner was here, so he went to see him..

N-No!! How did you get in here!?

Piu *Piu*..

"Targer eliminated."

"Look like the cult was only the outside, and their leader gathered money from the inside."

A dark, atmospheric scene. In the foreground, a person is lying face down on a table or counter, their body mostly obscured by shadows. They are wearing a dark jacket. In the background, another person stands near a doorway or window, illuminated by a blue light. This person is wearing a green jacket and dark pants. A speech bubble is positioned in the upper center of the frame.

"He couldn't be a potential threat.. Was the intel wrong?"

Mama.. Sleep with me tonight, please?

I will, but I still have some other things to do first.

"Boss said there's a change of plan.. I wonder what that is."

I will back soon,
and when you wake
up, I will be on your side.

Sleep tight, okay,
Anya?

"Loid hasn't home
yet.. I'm a bit worried.."

"I shouldn't hold
Mama back any longer."

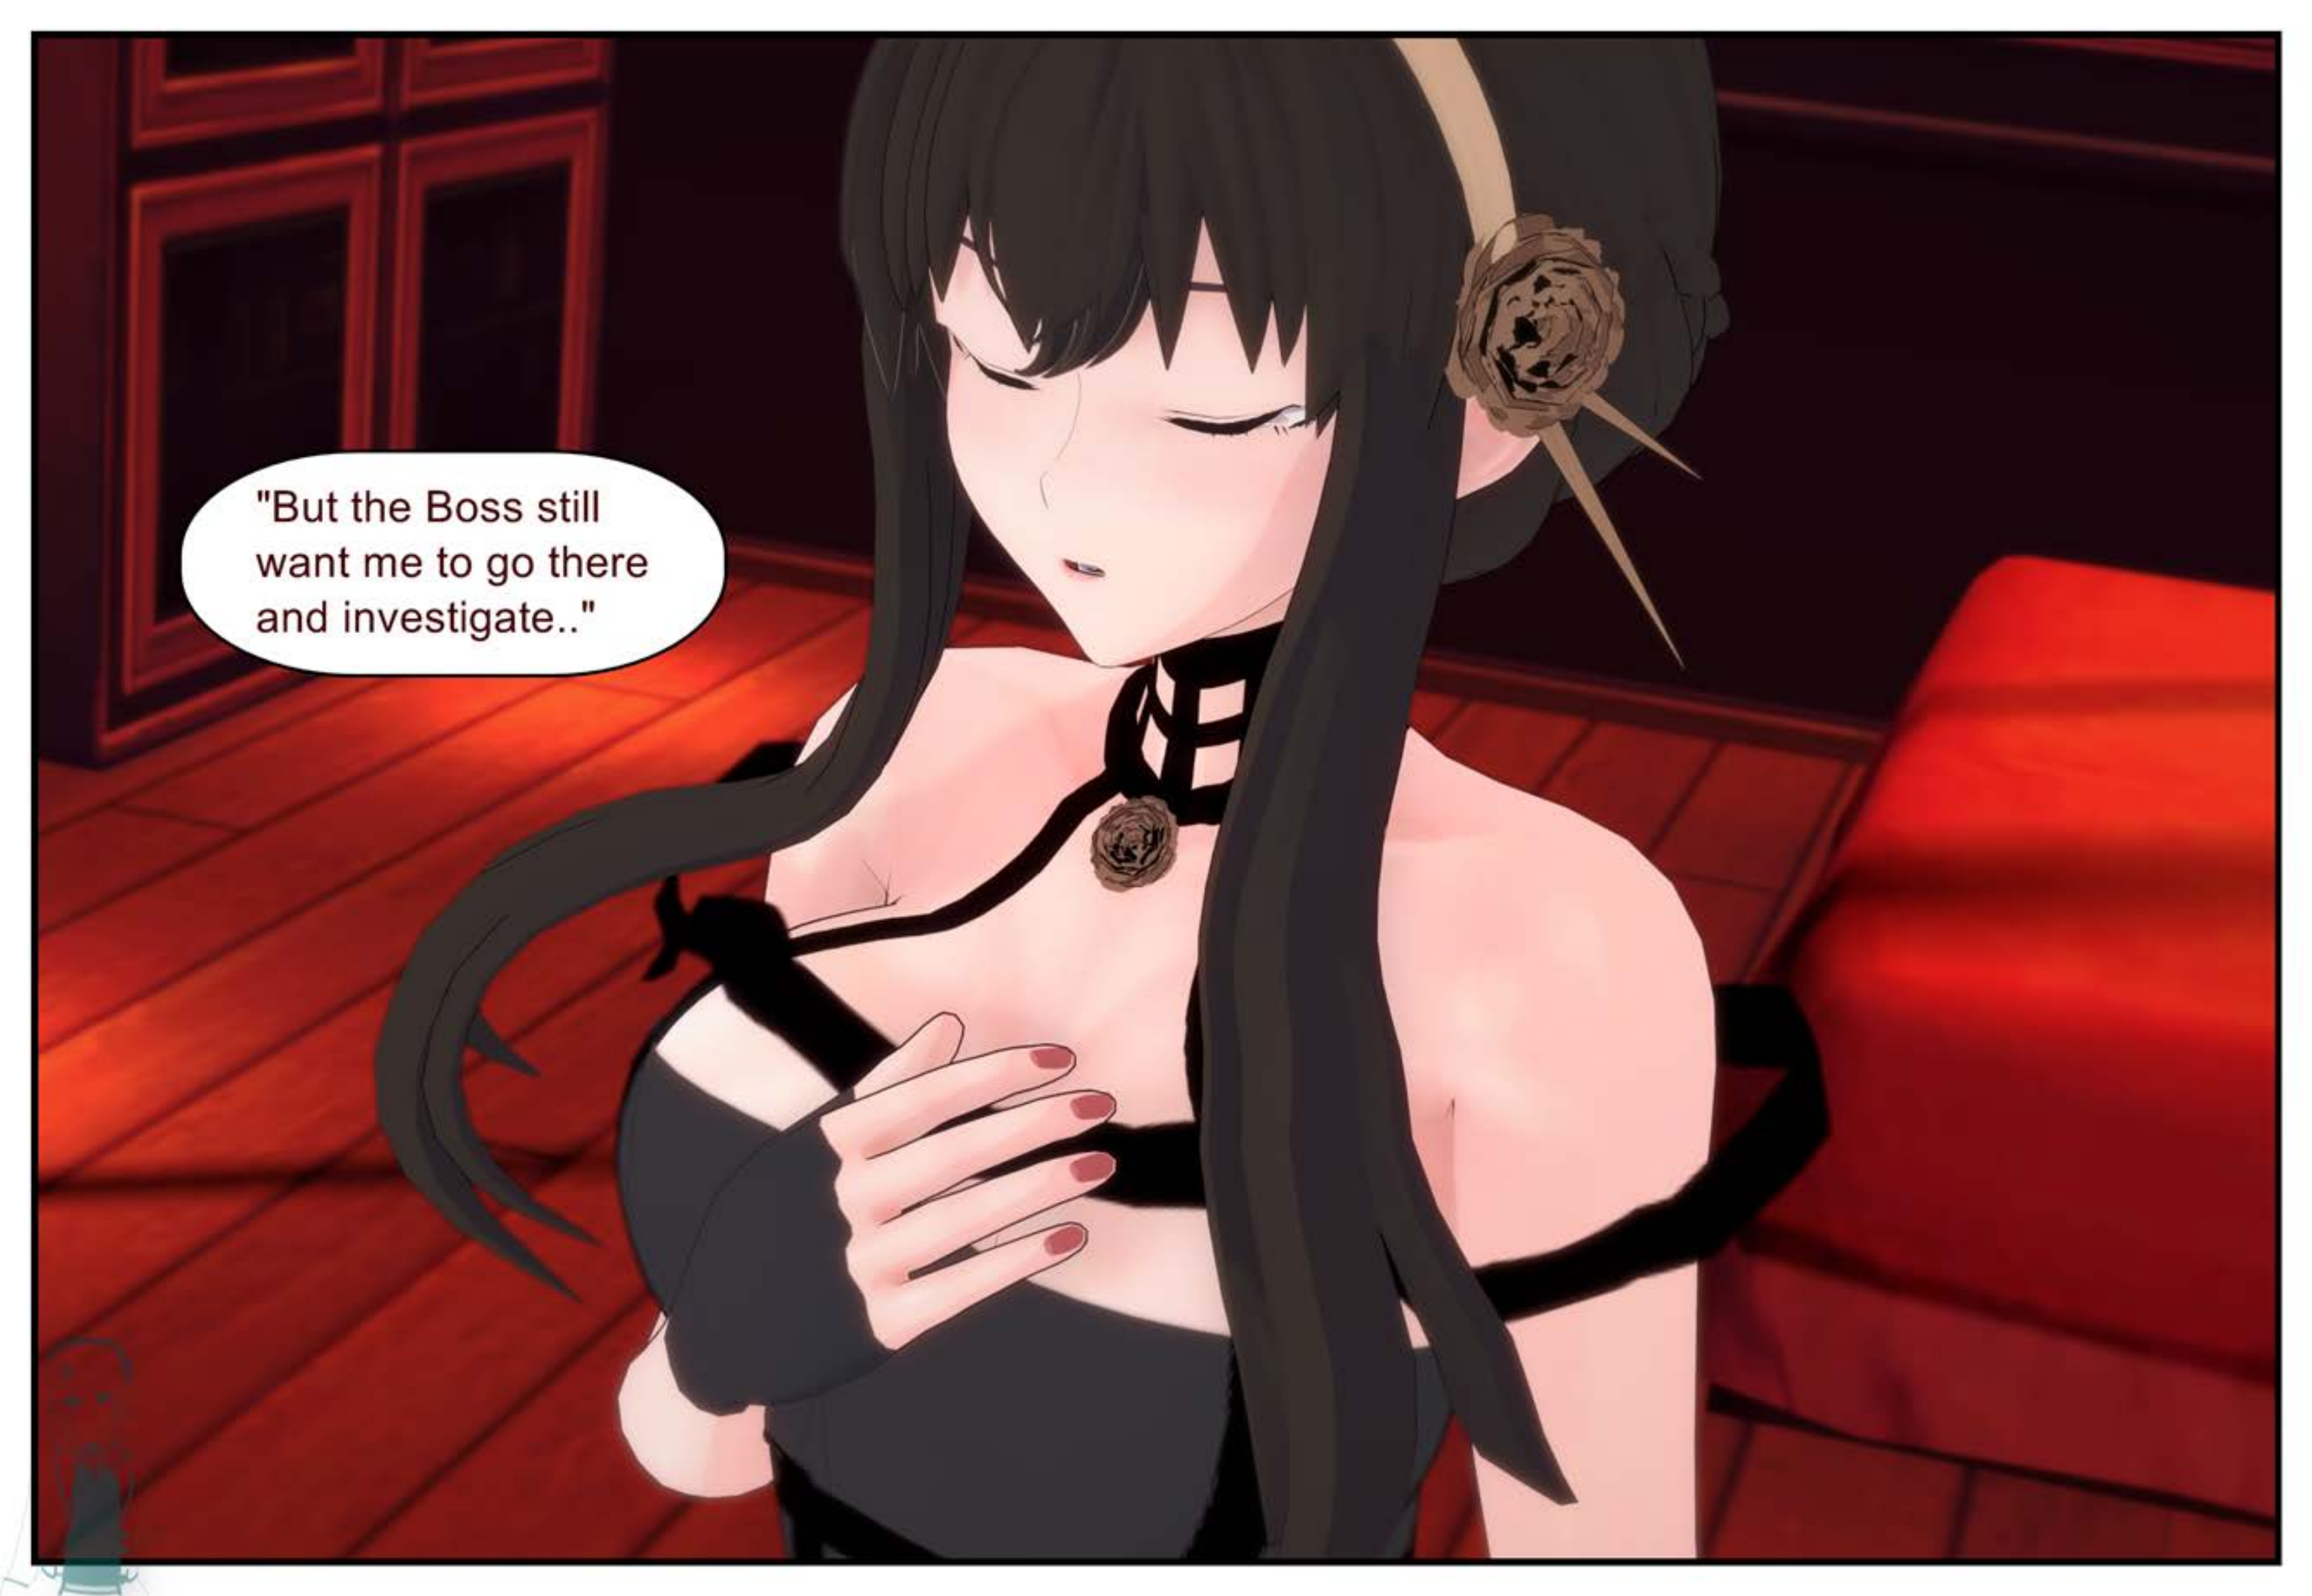

Anya.. tired..
Going to sleep now.

"Okay.. The target was eliminated.. No one know who did that.."

"But the Boss still
want me to go there
and investigate.."

"I better do it fast,
and come back soon."

A woman with dark hair styled in a bun, wearing a black strapless dress with a thin black sash, is seen from behind. She is standing in a hallway with reddish-brown walls and a light-colored floor. A rectangular light fixture is mounted on the wall to her right. The scene is lit with a warm, reddish glow.

"A female host..
Seem like I could
use her.."

"That cult wasn't my
type anyway.. But this
woman will help."

"W-Wha--!!??"

"H-How could be that she can see me!?"

"This woman will
be hard to deal with.."

A close-up of a person's face, focusing on the forehead. A large, glowing red mark is visible on the left side of the forehead. A small, bright yellow light is positioned on the right side of the forehead. A speech bubble is located in the upper right quadrant of the image.

"Tch.. If she know
where I am.. then I
only have to wait for
her to attack.. Any moment.."

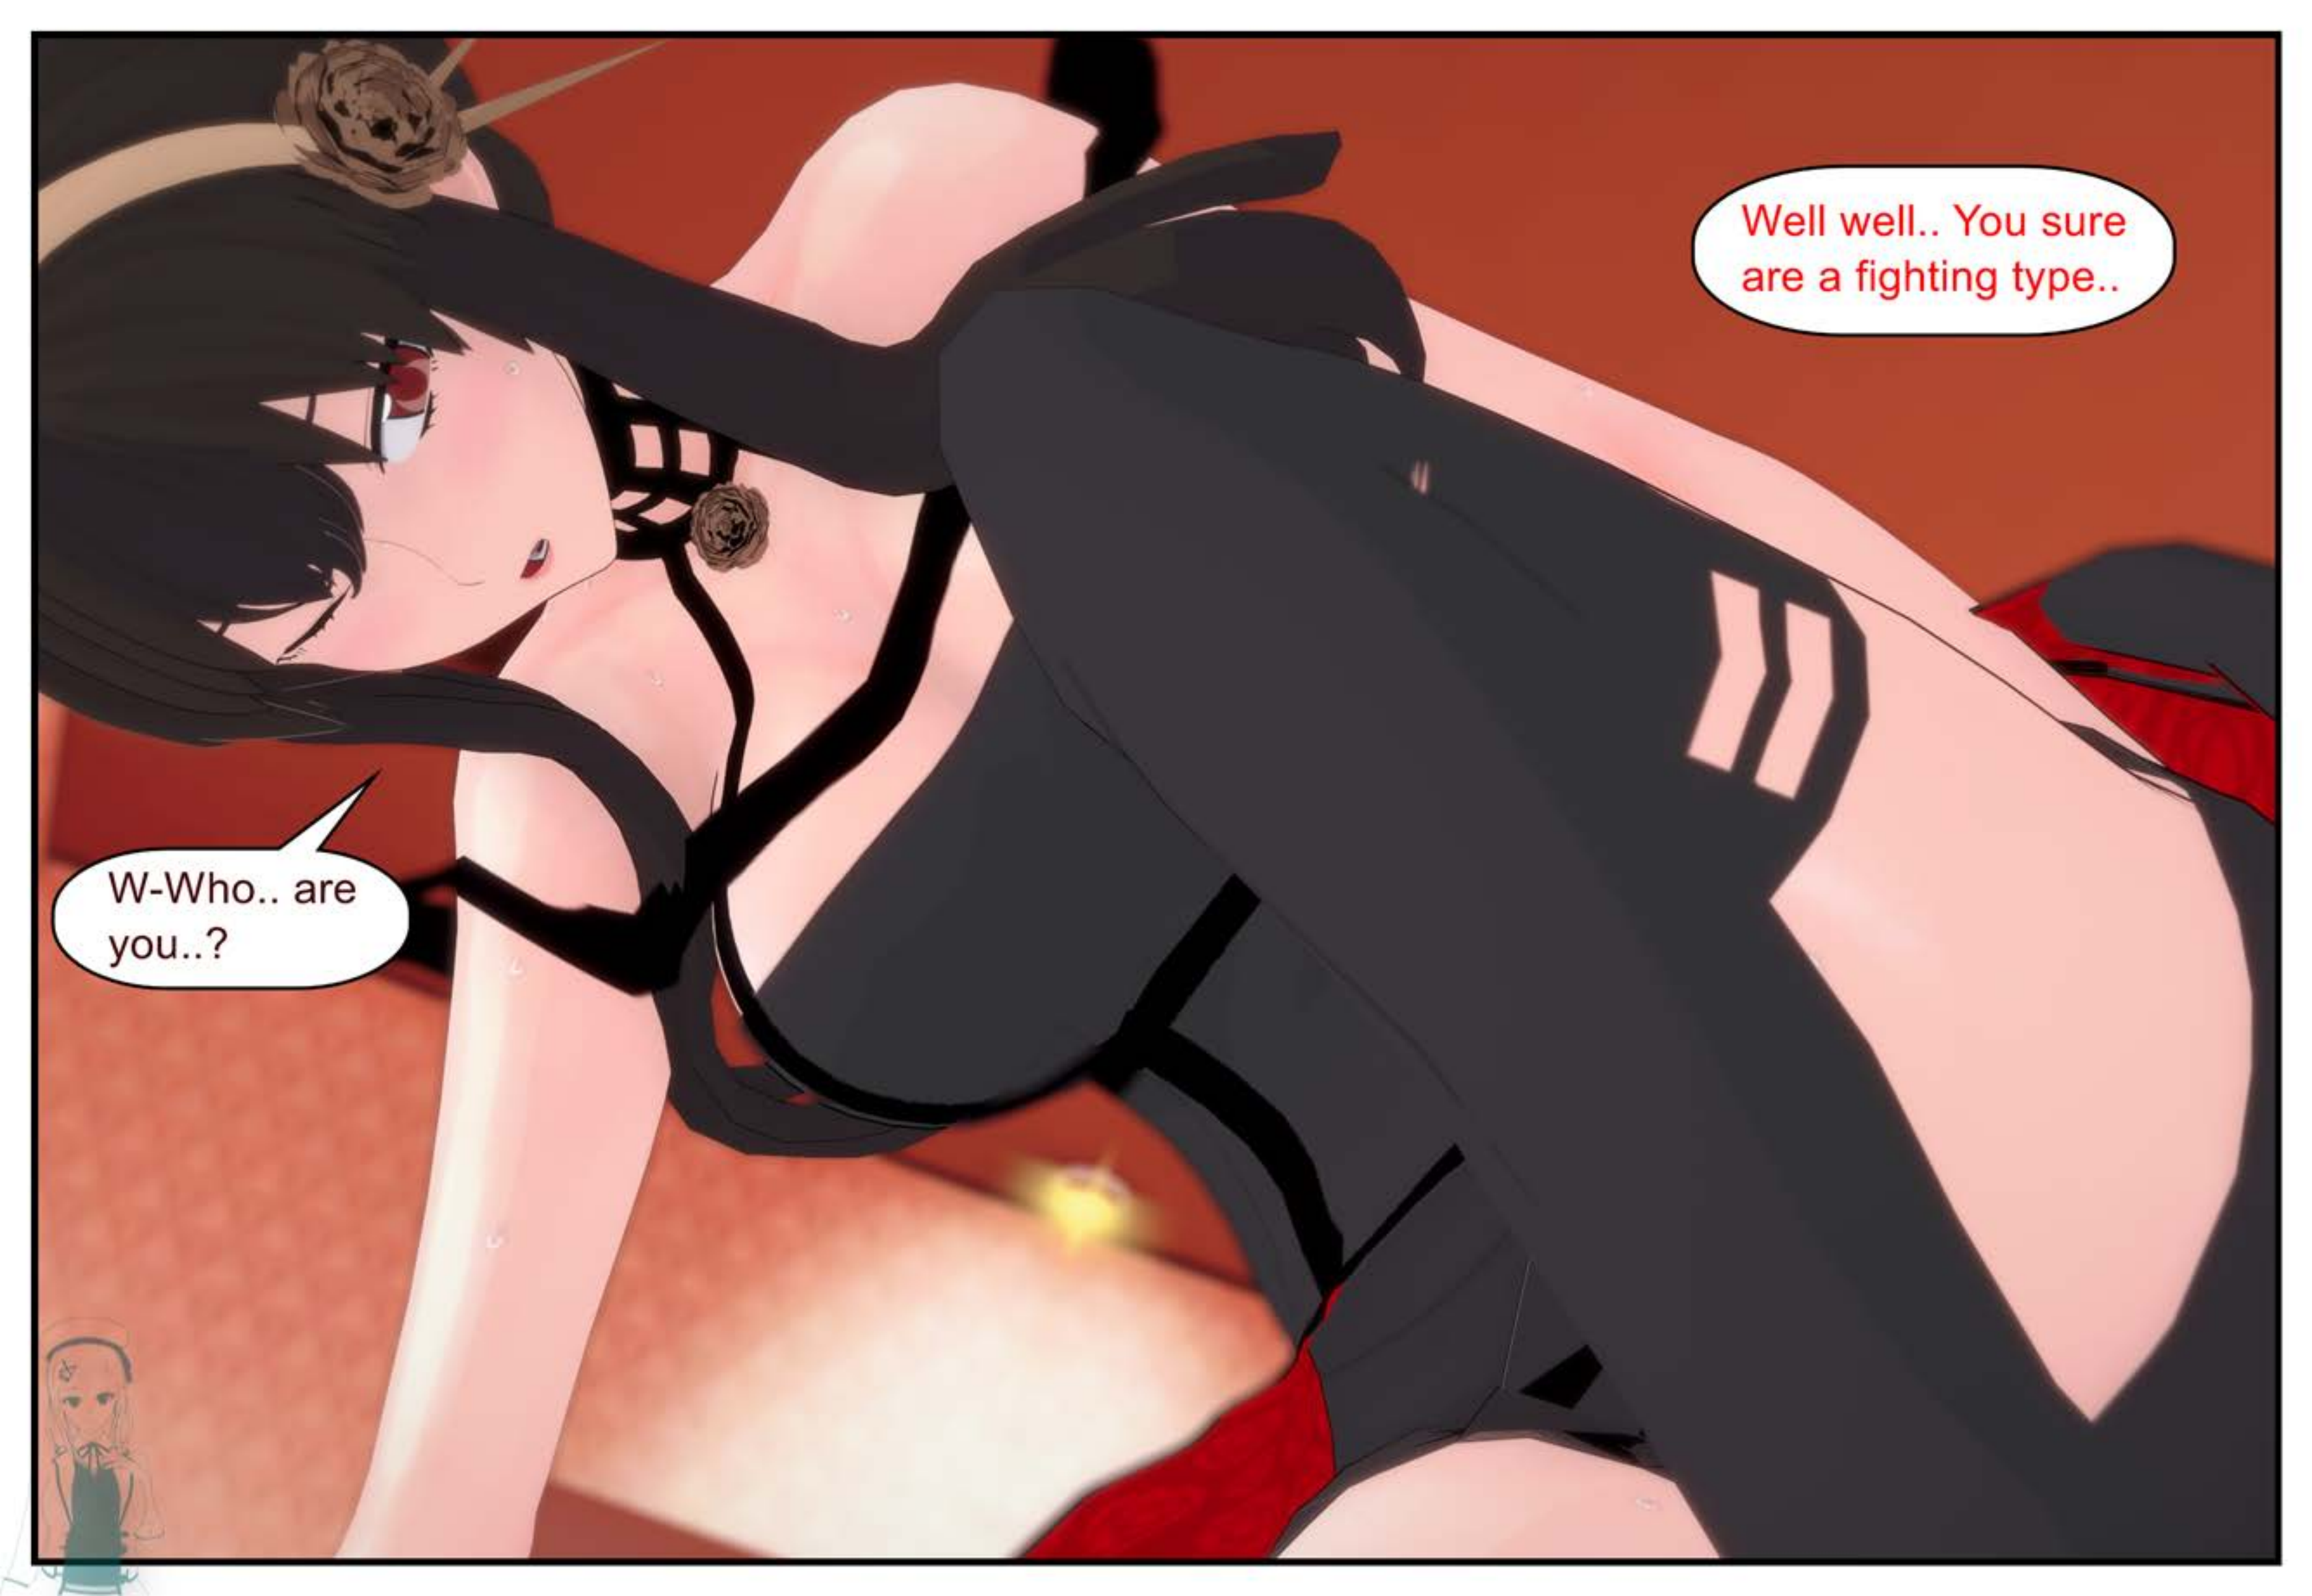

"..An opening!!"

Well well.. You sure
are a fighting type..

W-Who.. are
you..?

Oh.. I forgot to
introduce myself..
since you were..
a little bit acted up.

You know, I was
an ordinary spirit..
Looking for a life to
attach on..

Ghost.. aren't real..

They are, actually.
It just normal can't
see us like you did.

Then.. I will take
over you as my host..

You can't resist or
gain any control.. so
don't bother to try.

So.. this is how
woman's body feel like..

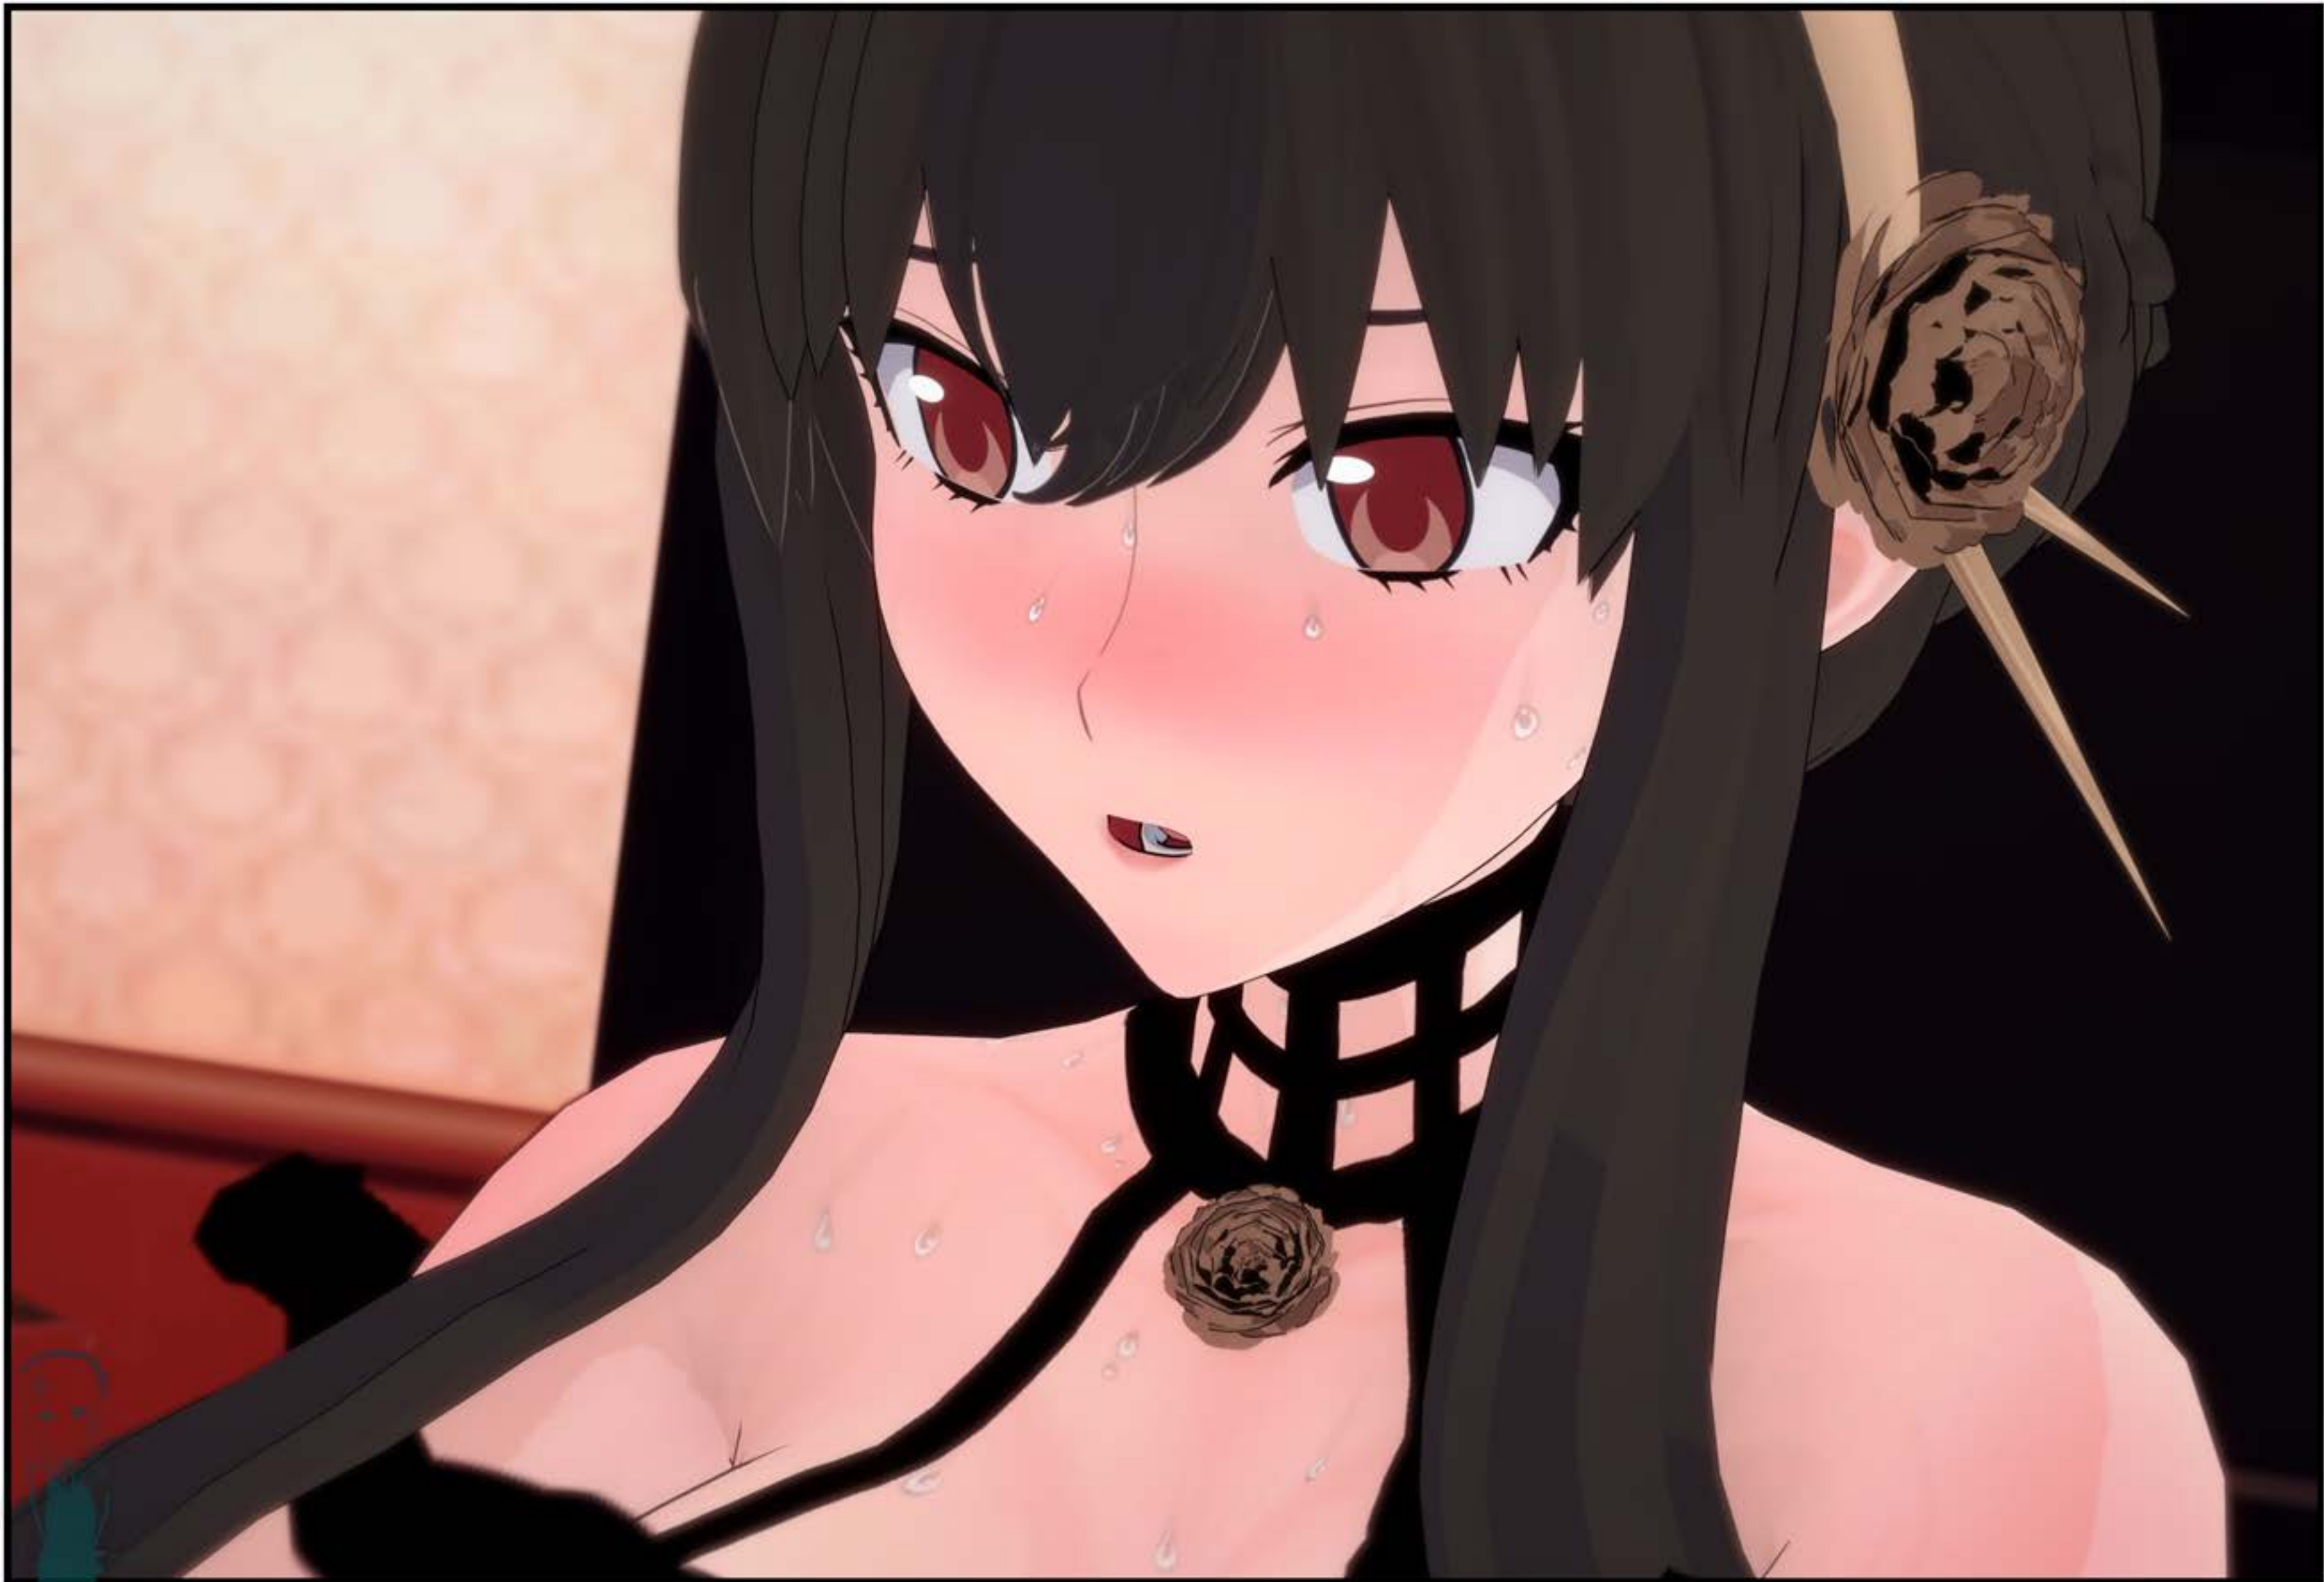

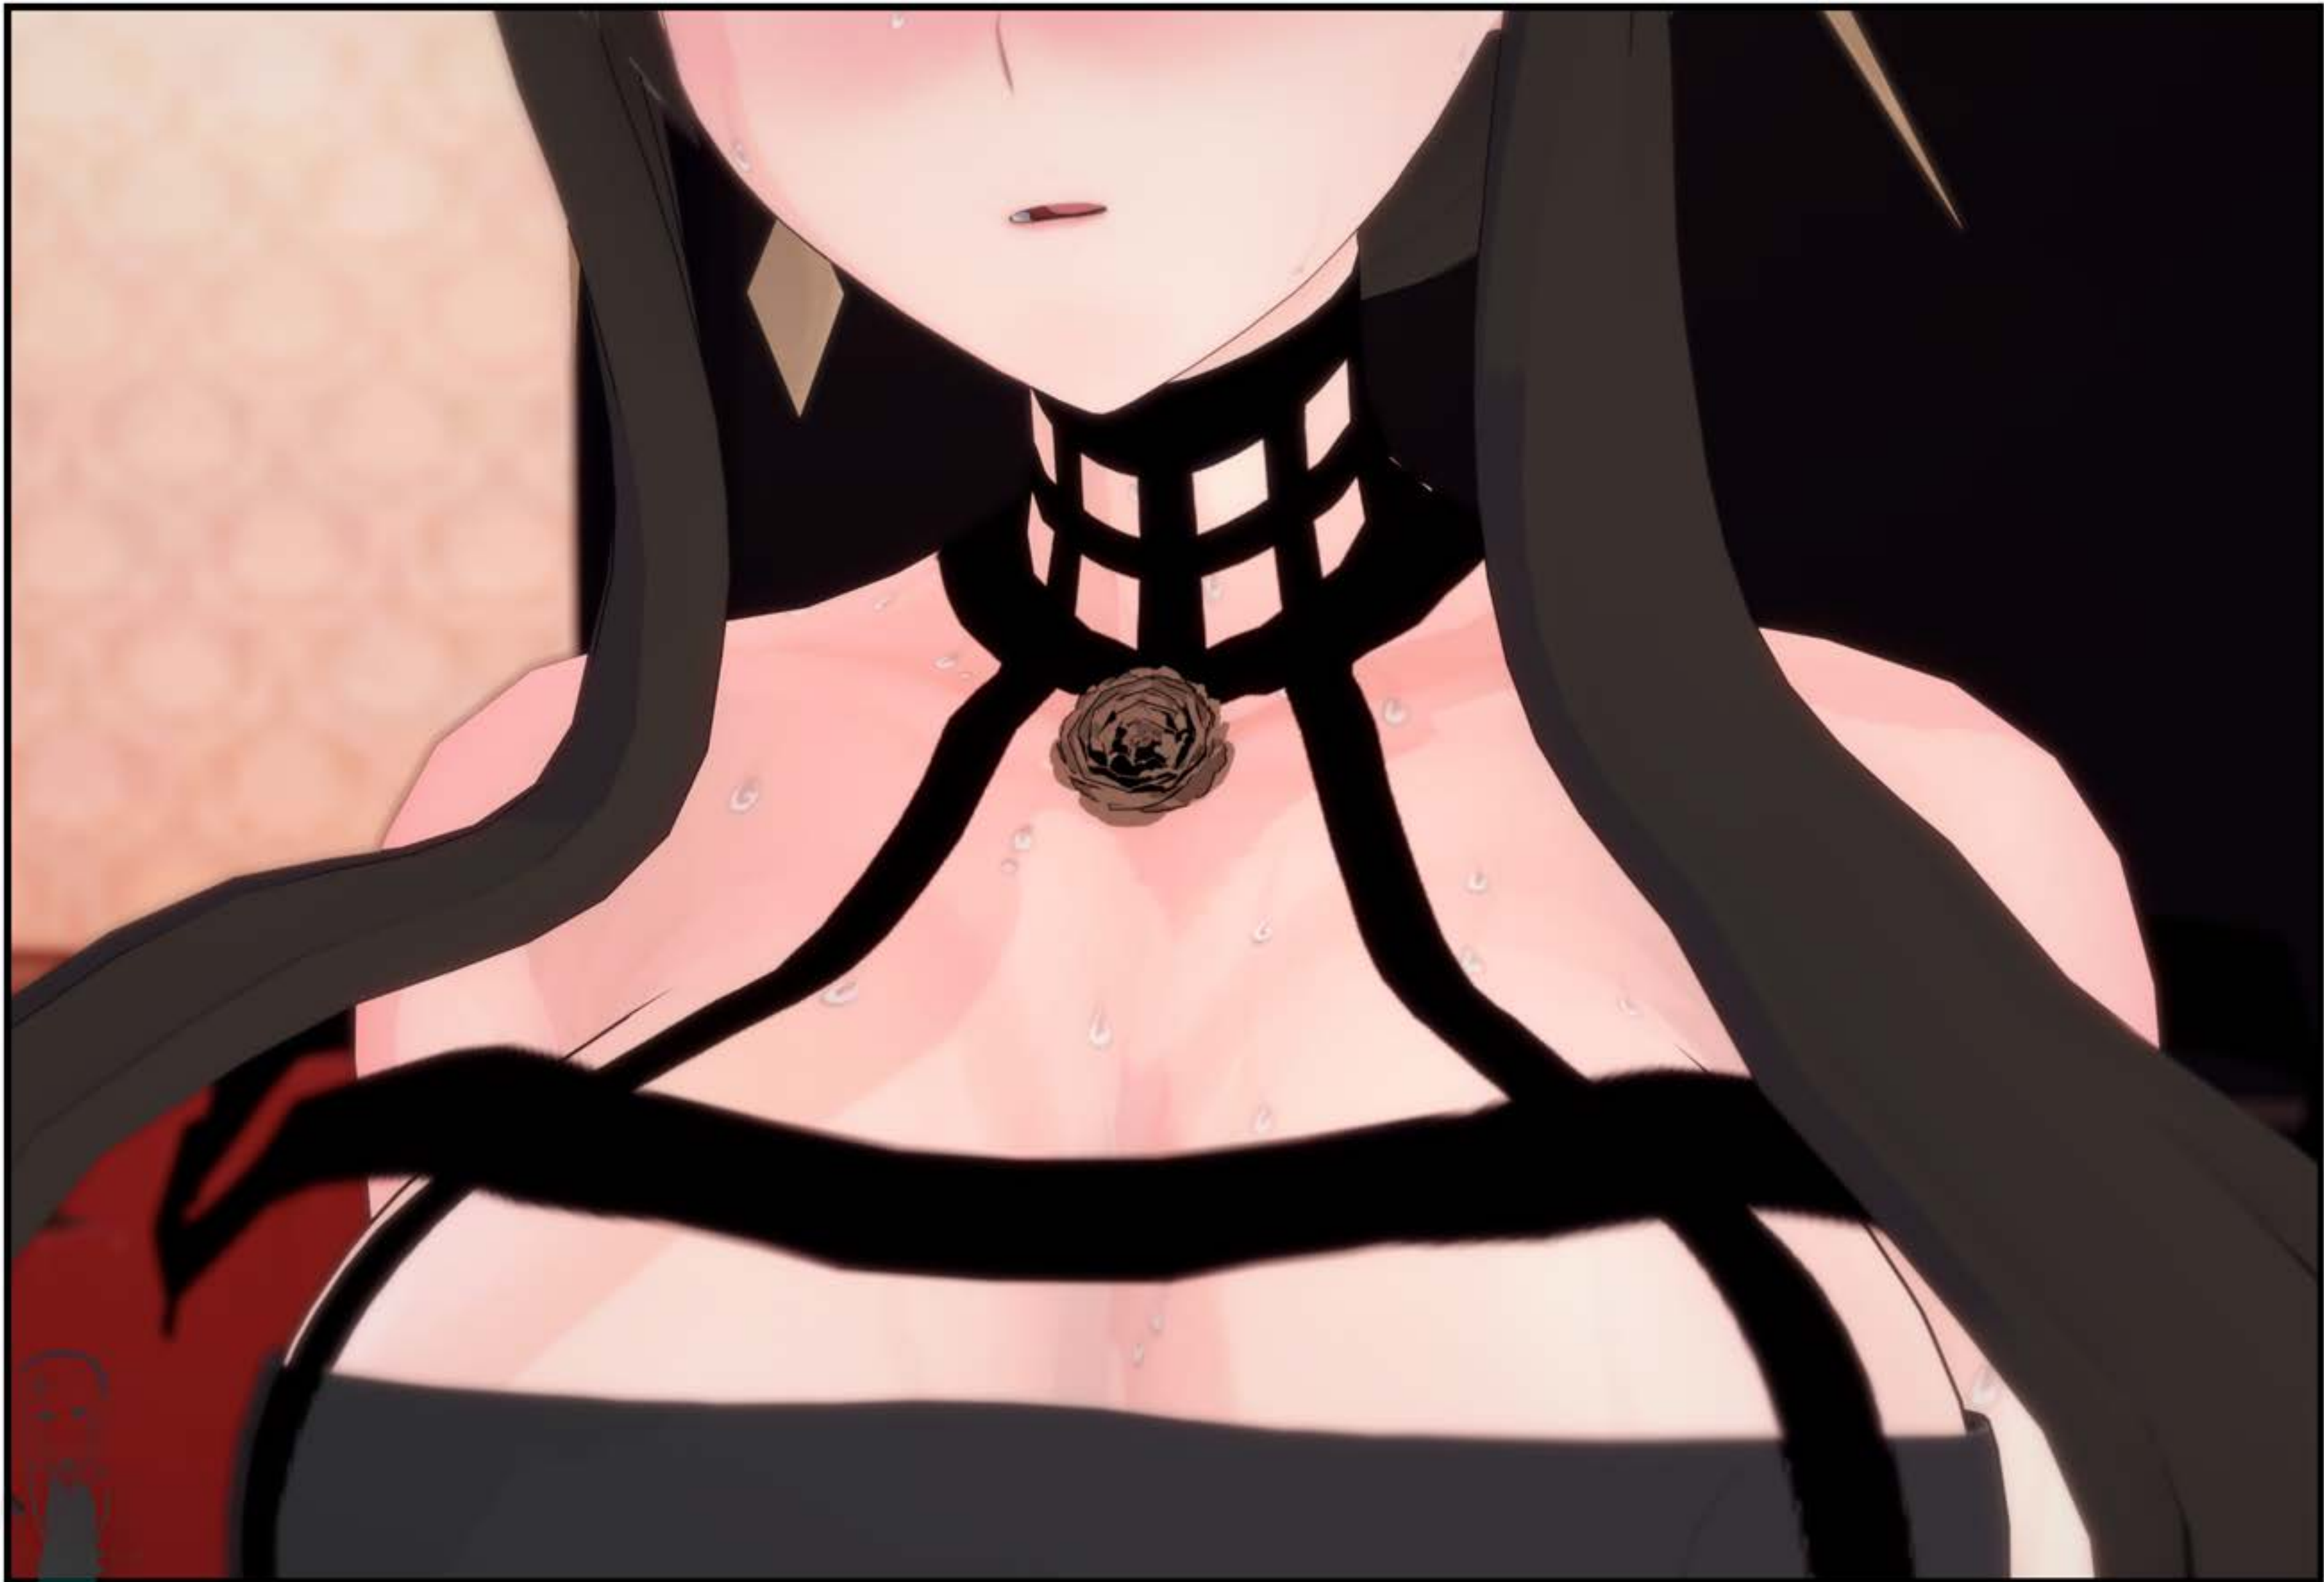

You are tough, but
not enough..

"Well.. She has
such a nice shape."

Made me wonder..
what will it like to
perform fun activities
with her.

Masturbate, I bet?

Hah.. So.. this is
out it feels like..

"Since I got a hold
of this woman's body
shape and memories.."

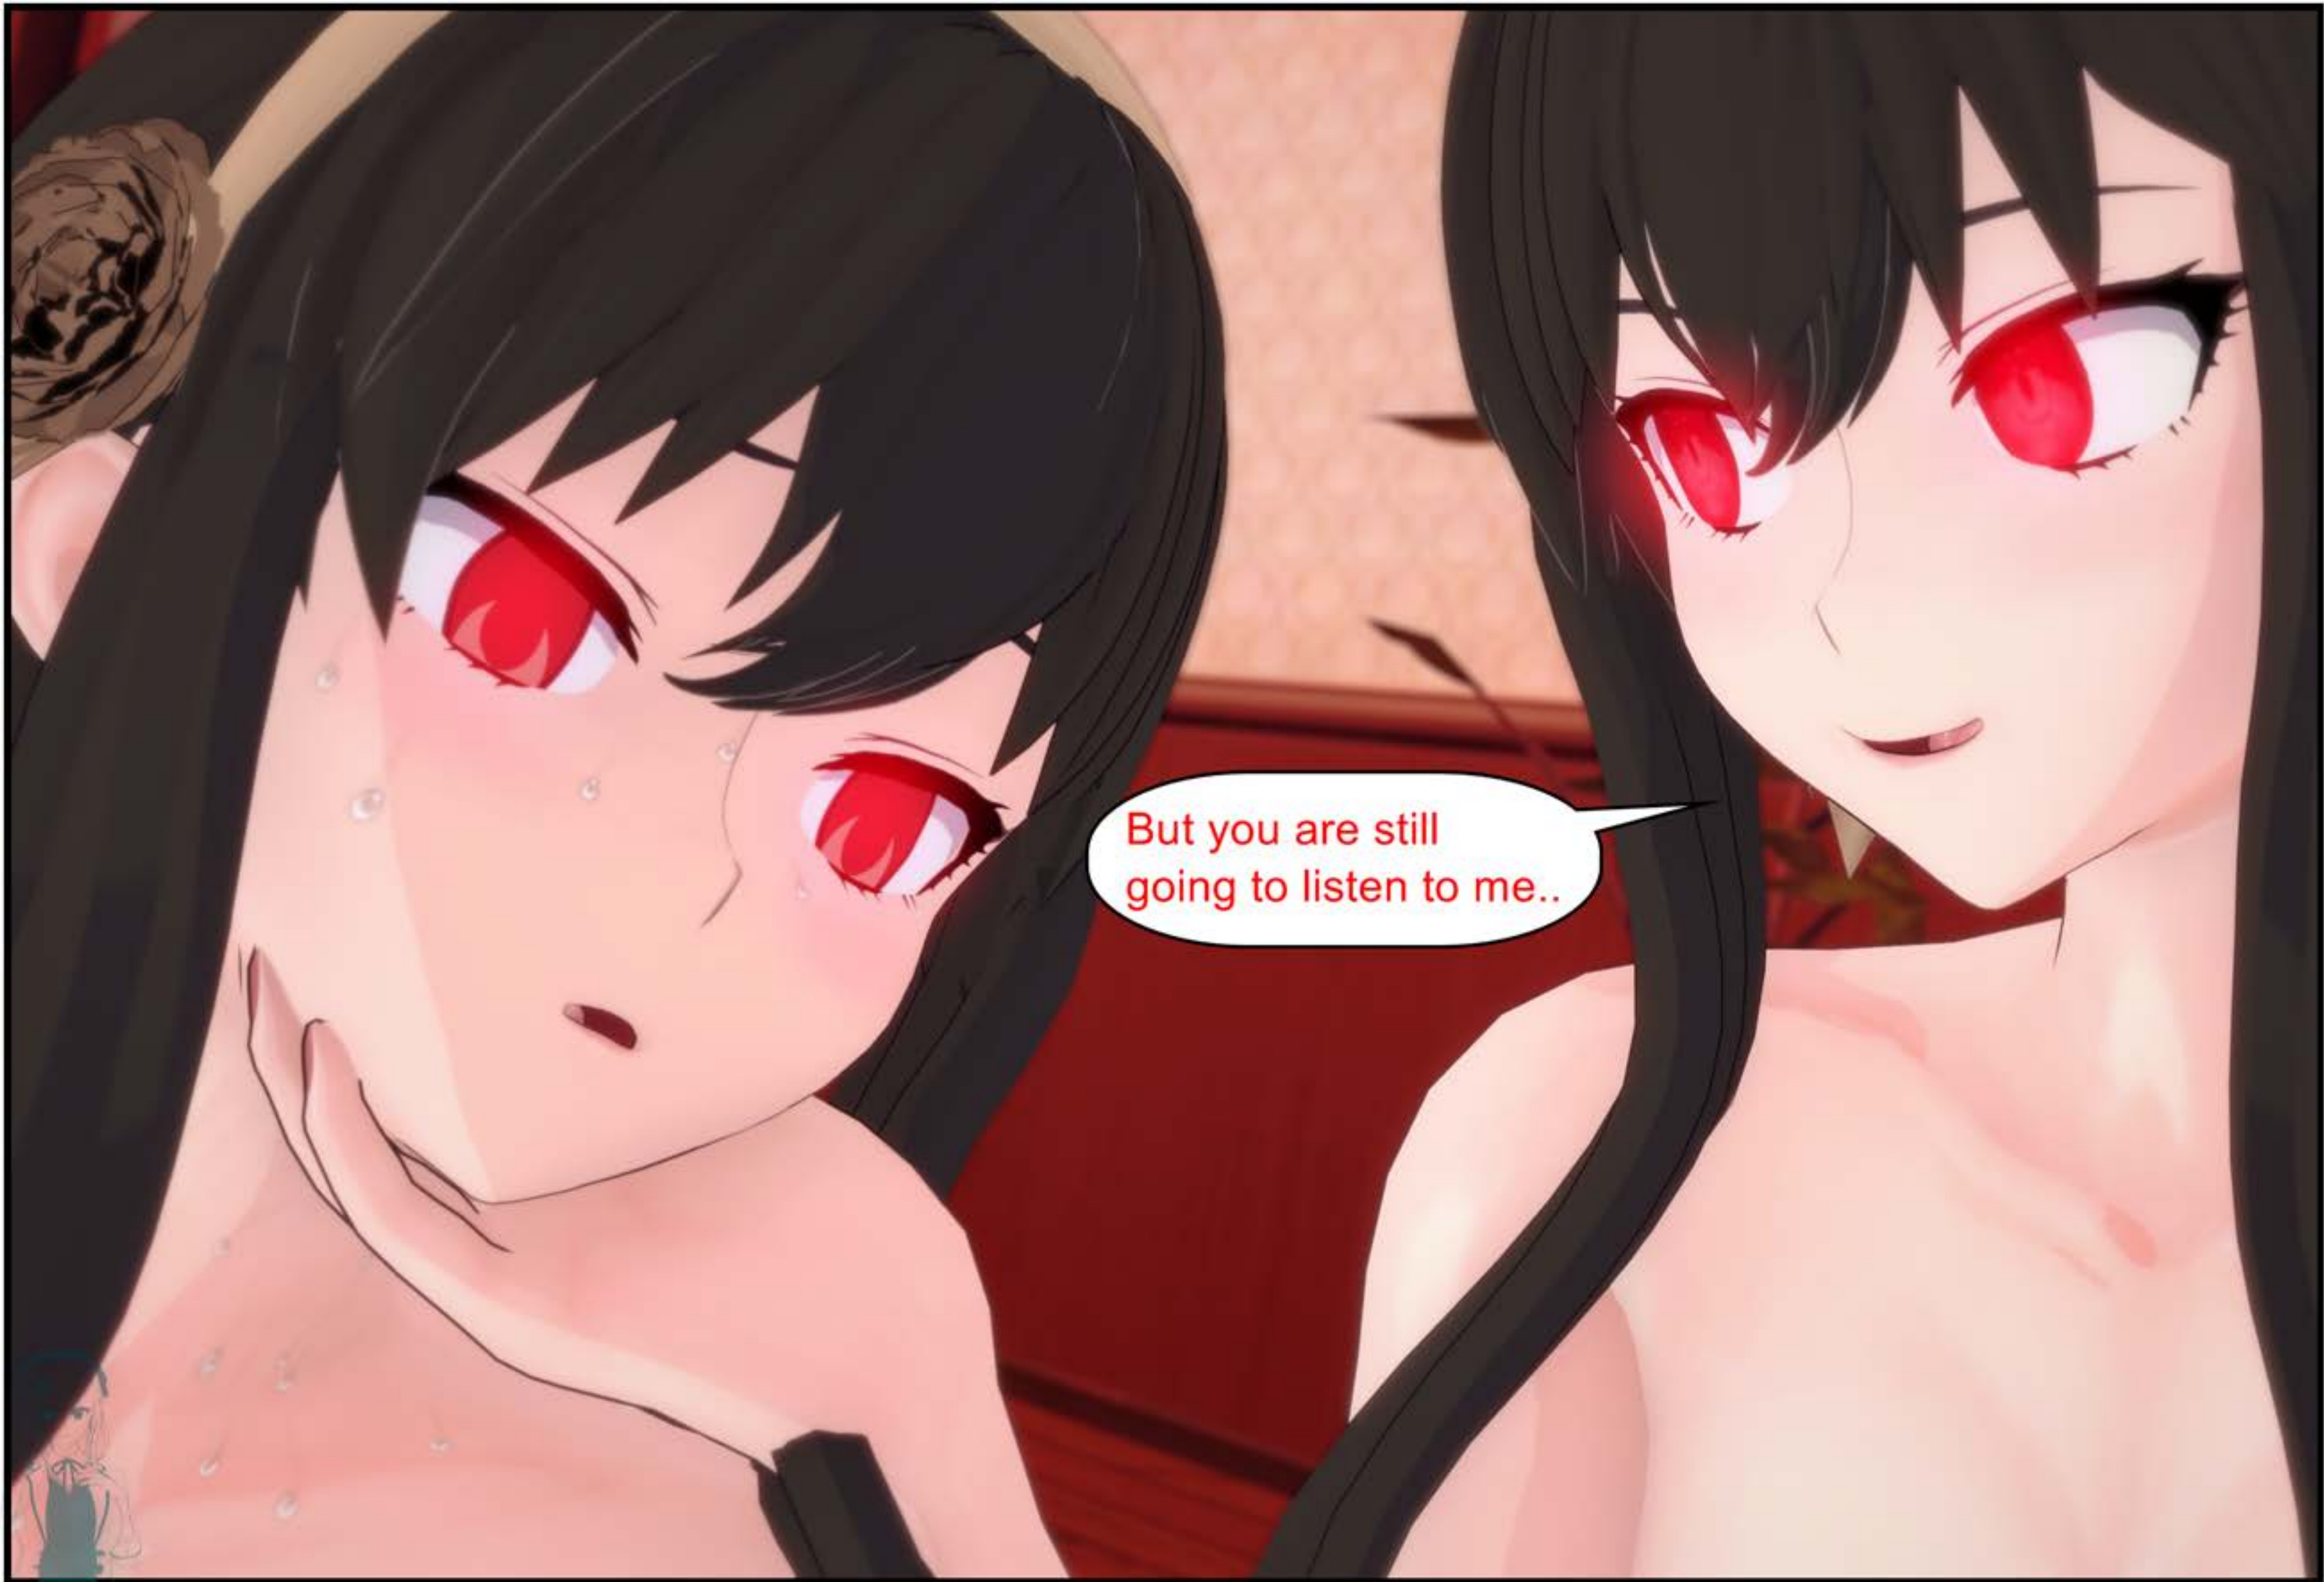

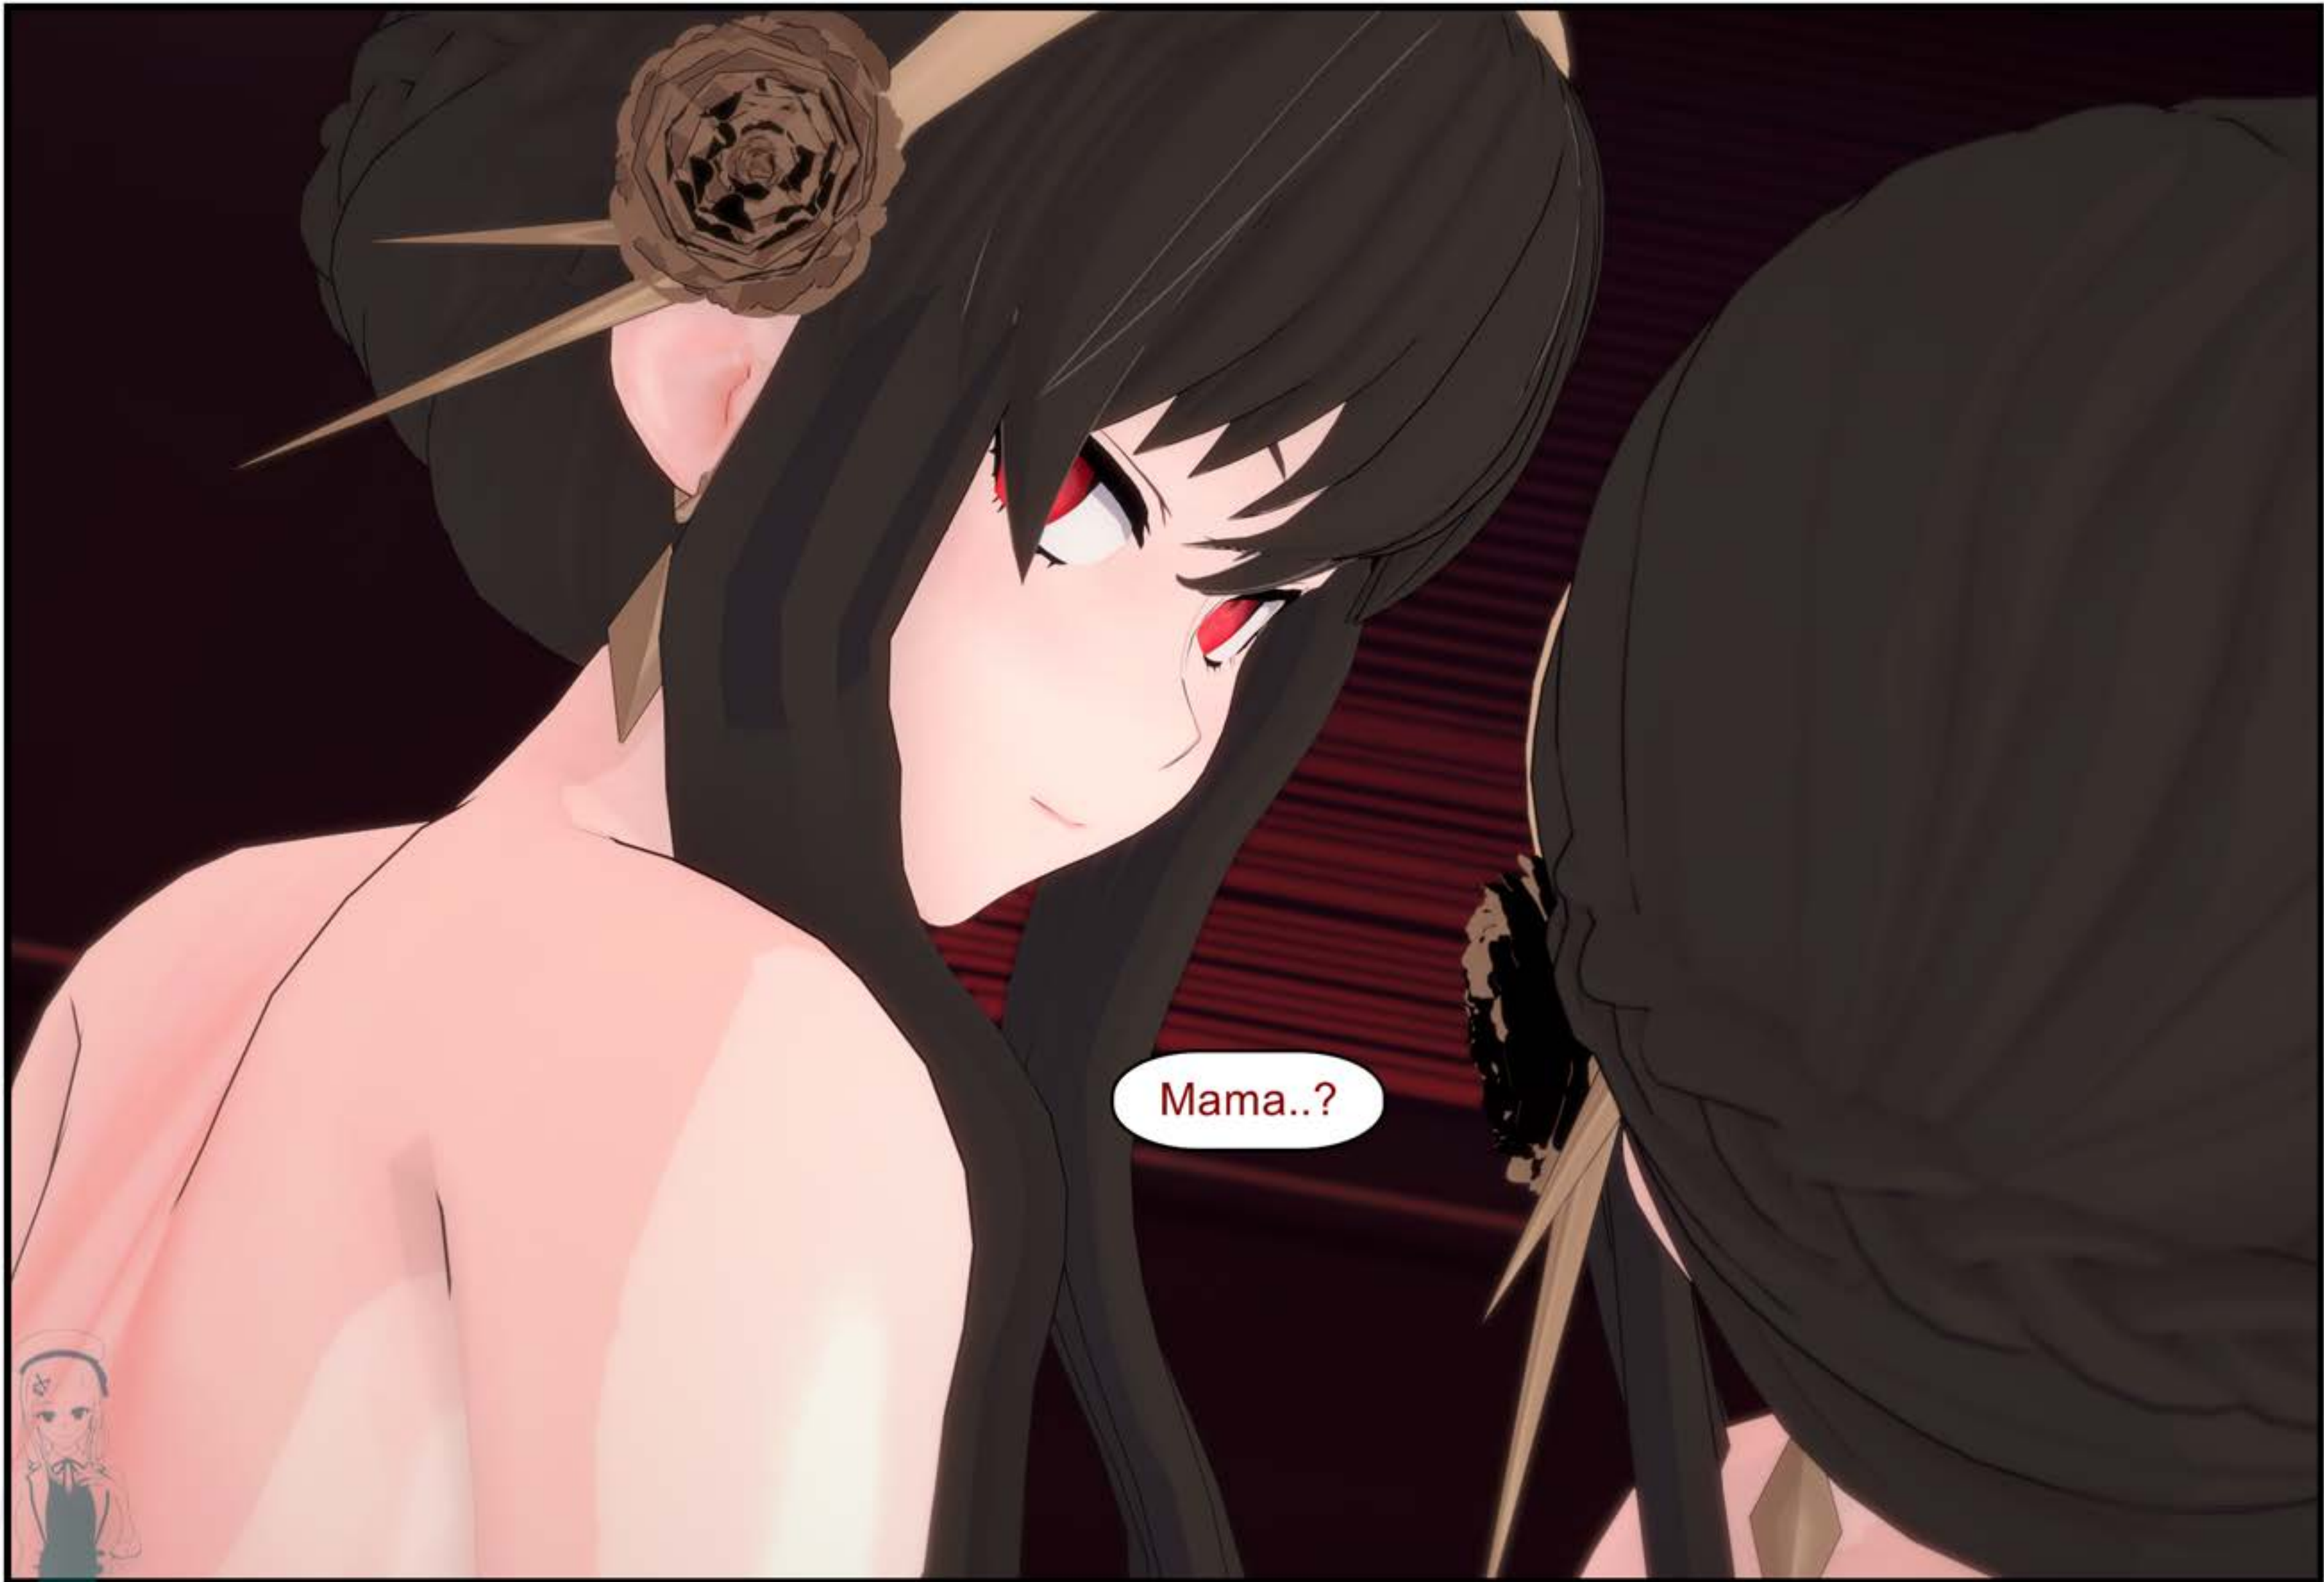

Like the two
drop of water..

But you are still
going to listen to me..

Mama..?

Anya heard a loud noise in here..
Are you okay?

It's nothing, Anya.
Mama is okay.

Let me.. take you
back to bed, alright?

To be continued?
