

PAGE 255 - GAIT TRAINING

This will be more of a demonstrative page. Showing stuff that has happened in the meanwhile.

FRAME 1

Deniz is trying sitting down. We don't see their faces. Strong light behind them.

MUGGER:
(Monologue: It's been... a few months since the trial) ...You're getting the hang of it!

FRAME 1.1

Deniz is now climbing a step in front of a tall mirror. learning to balance his weight.

MUGGER:
Remember, focus on your ab muscles.

FRAME 2

3/4 profile from the back. We can see mugger's long hair. Time has passed. Deniz is walking with a cane. Mugger keeps her arms around him just in case.

DENIZ:
See? I got it now!

MUGGER:
Way to go!

FRAME 3

Close up to their feet. They're taking a shower. Deniz is behind mugger of course. Soap is on the floor.

DENIZ:
I still can't believe you managed to make it waterproof.

MUGGER:
It wasn't cheap! Woops... oh dear... (mugger drops the soap)

FRAME 4

A "from above" shot of the cloth drawer. Mugger is pulling a pijama shirt from it, we can see her regular sweater down there, right next to some of deniz clothes, shirts and socks and stuff.

MUGGER:

So... you're taking it for a ride tomorrow? Sweet!

DENIZ:

Yeah! The kids at work will go nuts.

FRAME 4.1

Shot from mugger's side of the bed. She's clicking the light switch. Perhaps deniz has one arm around her waist and we see his silhouette behind mugger.

MUGGER:

Good night dear...

DENIZ:

Good night.
